**Item 1.01 Entry into Material Definitive Agreement.
Amendment to Merger Agreement**

As previously announced, on April 27, 2016, National Holdings Corporation, a Delaware corporation (the **Company**), Fortress Biotech, Inc. (**Fortress**), and FBIO Acquisition, Inc., a Delaware corporation and wholly owned subsidiary of Fortress (**Acquisition Sub**), entered into an Agreement and Plan of Merger (the **Merger Agreement**) providing for the acquisition of the issued and outstanding shares of the **Company**'s common stock, par value \$0.02 per share (the **Shares**), by **Acquisition Sub**. Pursuant to the **Merger Agreement**, and upon the terms and subject to the conditions described therein, **Fortress** has agreed to cause **Acquisition Sub** to commence a tender offer (the **Offer**) for all of the **Shares**, at a purchase price of \$3.25 per **Share** in cash, net to the seller but subject to any required withholding of taxes. Following the completion of the **Offer** and subject to the terms and conditions of the **Merger Agreement**, including the condition that there shall have been, as of the expiration of the **Offer**, or the subsequent offering period, if applicable, validly tendered and not withdrawn in accordance with the terms of the **Offer** a number of **Shares** that, together with the **Shares** then owned by **Fortress** and its controlled affiliates, represents at least 80% of all then-outstanding **Shares**, **Acquisition Sub** will merge with and into the **Company**, with the **Company** surviving as a wholly owned subsidiary of **Fortress** (the **Merger**). Pursuant to the **Merger Agreement**, the **Company** has submitted an application required under NASD Rule 1017 to the Financial Industry Regulatory Authority (**FINRA**) regarding the potential change of control of the broker-dealer subsidiaries of the **Company** as the result of the **Offer** and/or the **Merger**.

On August 12, 2016, the **Company**, **Fortress** and **Acquisition Sub** entered into Amendment No. 1 to the **Merger Agreement** (the **Amendment**), which, among other things, (i) removes the covenant that requires **Fortress** to place into a segregated account prior to the commencement of the **Offer** the funds necessary to complete the **Offer** and the **Merger** and the obligation of **Fortress** to pay the **Company** a termination fee as a result of **Fortress**'s breach of such covenant, (ii) clarifies that in the event that as of the closing of the **Offer**, **Acquisition Sub** (together with certain affiliates of **Fortress**) owns less than 25% of the all then outstanding **Shares** and **FINRA** directs the **Company** to withdraw the 1017 Application, the **Company** will withdraw the application and (iii) extends the Termination Date (as defined in the **Merger Agreement**) from August 29, 2016, to September 30, 2016, and the possible extension of the Termination Date for purposes of satisfying a certain condition by mutual consent of the parties from September 29, 2016, to October 28, 2016. Additionally, the parties agreed that **Fortress** will cause **Acquisition Sub** to commence the **Offer** within one hour after the parties have executed the **Amendment**; otherwise, the **Amendment** will be null and void and be of no further force or effect.

The foregoing description of the **Amendment** does not purport to be complete and is qualified in its entirety by reference to the **Amendment**, which is attached hereto as Exhibit 2.1 and incorporated herein by reference. The **Amendment** has been incorporated herein by reference to provide information regarding its terms.

Item 9.01. Financial Statements and Exhibits.

(d) Exhibits:

- 2.1 Amendment No. 1 to Agreement and Plan of Merger by and among National Holdings Corporation, Fortress Biotech, Inc. and FBIO Acquisition, Inc., dated August 12, 2016.

Forward-Looking Statements

This Current Report on Form 8-K contains forward-looking statements within the meaning of the safe harbor provisions of the Securities Act of 1933, as amended, the Securities Exchange Act of 1934, as amended, and the Private Securities Litigation Reform Act of 1995 and are based on current expectations that involve a number of risks and uncertainties. All statements, other than statements of historical fact, are statements that could be deemed forward-looking statements, including statements about the planned completion of the Offer and the Merger. Where, in any forward-looking statement, an expectation or belief as to future results or events is expressed, such expectation or belief is based on the current plans and expectations of management and expressed in good faith and believed to have a reasonable basis, but there can be no assurance that the expectation or belief will be achieved or accomplished. Numerous risks, uncertainties and other factors may cause actual results to differ materially from those expressed in any forward-looking statement, many of which are outside of the control of management. These factors include, but are not limited to: (i) the occurrence of any event, change or other circumstance that could give rise to the termination of the Merger Agreement; (ii) successful completion of the proposed transaction on a timely basis; (iii) uncertainties as to how many of the holders of Shares will tender their shares into the Offer; (iv) the impact of regulatory reviews on the proposed transaction; (v) the outcome of any legal proceedings that may be instituted against one or both of the Company and Fortress and others following the announcement of the Merger Agreement; (vi) risks that the proposed transaction disrupts current plans and operations and the potential difficulties in employee retention as a result of the transaction; and (vii) other factors described in the Company's filings with the Commission, including the reports on Forms 10-K, 10-Q, and 8-K. Except to the extent required by applicable law, neither the Company nor Fortress undertakes any obligation to revise or update any forward-looking statements, or to make any other forward-looking statements, whether as a result of new information, future results or otherwise.
