II. BACKGROUND

A. The Solar Funds

Each of Solar Capital and Solar Senior is a Maryland corporation that is an externally managed, non-diversified, closed-end management investment company that has elected to be regulated as a BDC under the Act. Solar Capital was formed in February 2007 as Solar Capital LLC. Immediately prior to Solar Capital's initial public offering, Solar Capital LLC was merged with and into Solar Capital. Solar Capital completed its initial public offering on February 12, 2010. Solar Senior was formed in December 2010 and completed its initial public offering on February 24, 2011. Each of Solar Capital and Solar Senior is managed by Solar Adviser and is provided with administrative services by Solar Capital Management, LLC. The Solar Funds' business models are focused primarily on the origination of investments through portfolio companies or their financial sponsors.

The Solar Funds invest primarily in U.S. middle-market companies, where they believe the supply of primary capital is limited and the investment opportunities are most attractive. Solar Capital's investment objective is to generate both current income and capital appreciation through debt and equity investments. Solar Capital invests primarily in leveraged middle-market companies in the form of senior secured loans, mezzanine loans and equity securities. Solar Capital's investments generally range between \$5 million and \$100 million each, although Solar Capital expects that investment size will vary proportionately with the size of its capital base and/or with strategic initiatives.

Solar Senior's investment objective is to seek to maximize current income consistent with the preservation of capital. Solar Senior seeks to achieve its investment objective by directly and indirectly investing primarily in senior loans, including first lien and second lien debt instruments, made to private middle-market companies whose debt is rated below investment grade, which we refer to collectively as *senior loans*. Solar Senior's investments generally range between \$5 million and \$30 million each, although Solar Senior expects that investment size will vary proportionately with the size of its capital base. From time to time, the Solar Funds may each invest in public companies that are thinly traded.

Solar Capital and Solar Senior each has a five-member Board, of which the same three members serve as Non-Interested Directors. As of June 24, 2016, the principals of Solar Adviser, in the aggregate, held, either directly or indirectly, voting power over and a pecuniary interest in approximately 5.9% of Solar Capital's common stock. As of June 30, 2016, the principals of Solar Adviser, in the aggregate, held, either directly or indirectly, voting power over and a pecuniary interest in approximately 7.6% of Solar Senior's common stock.

B. Solar Adviser

Solar Adviser, a privately held investment adviser registered with the Commission pursuant to Section 203 of the Advisers Act, was organized as a limited liability company under the laws of the state of Delaware in January 2007. Solar Adviser serves as the investment adviser to each of Solar Capital and Solar Senior and manages their respective portfolios in accordance with each Solar Fund's Objectives and Strategies, makes investment decisions for each Solar Fund, places purchase and sale orders for portfolio transactions for each Solar Fund and otherwise manages the day-to-day operations of each Solar Fund, subject to the oversight of each Solar Fund's Board.

Solar Adviser manages the investment activities of Solar Capital pursuant to an investment advisory agreement with Solar Capital and the investment activities of Solar Senior pursuant to an investment advisory agreement with Solar Senior. The management of Solar Adviser currently consists of the following individuals:

Michael S. Gross, Managing Member

Bruce J. Spohler, Senior Vice President and Partner

Guy F. Talarico, Chief Compliance Officer

Richard L. Peteka, Chief Financial Officer

III. ORDER REQUESTED

The Applicants respectfully request an Amended Order of the Commission under Sections 17(d) and 57(i) and Rule 17d-1 to permit, subject to the terms and conditions set forth in the Prior Application and condition 14 herein (together, the *Conditions*), one or more Regulated Funds to be able to participate in Co-Investment Transactions with one or more other Regulated Funds and/or one or more Affiliated Funds. Applicants seek the Amended Order in order to permit such Regulated Funds and/or Affiliated Funds participating in Co-Investment Transactions to be advised either by Solar Adviser or a future investment adviser that controls, is controlled by or is under common control with Solar Adviser and is registered as an investment adviser under the Advisers Act.

Except as discussed below, the analysis in Section III, Order Requested, of the Prior Application is equally applicable to this Application, which differs only from the Prior Application in so far as it is intended to apply not only to Solar Adviser, but also to any future investment adviser that controls, is controlled by or is under common control with Solar Adviser and is registered as an investment adviser under the Advisers Act. Accordingly, that prior analysis is not restated herein.

A. Protection Provided by the Proposed Conditions

Applicants believe that the Conditions of the Prior Order, as stated in Section III.D of the Prior Application, together with Condition 14 herein will ensure the protection of shareholders of the Regulated Funds and compliance with the purposes and policies of the Act with respect to the Co-Investment Transactions.

If the Advisers, the principal owners of any of the Advisers (the *Principals*), or any person controlling, controlled by, or under common control with the Advisers or the Principals, and the Affiliated Funds (collectively, the *Holders*) own in the aggregate more than 25 percent of the outstanding voting shares of a Regulated Fund (the *Shares*), then the Holders will vote such Shares as required under Condition 14.

Applicants believe that this condition will ensure that the Non-Interested Directors will act independently in evaluating the Co-Investment Program, because the ability of the Advisers or the Principals to influence the Non-Interested Directors by a suggestion, explicit or implied, that the Non-Interested Directors can be removed will be limited significantly. The Non-Interested Directors shall evaluate and approve any such independent party, taking into account its qualifications, reputation for independence, cost to the shareholders, and other factors that they deem relevant.

B. Conditions

The Conditions of the Prior Order, as stated in Section III.D of the Prior Application, will remain in effect and references to the Adviser in the Conditions of the Prior Application shall be updated to reflect that the Application applies to multiple Advisers, as set forth below. In addition, Applicants agree that an Amended Order granting the requested relief shall also be subject to Condition 14.

1. Each time an Adviser considers a Potential Co-Investment Transaction for another Regulated Fund or an Affiliated Fund that falls within a Regulated Fund s then-current Objectives and Strategies, the Regulated Fund s Adviser will make an independent determination of the appropriateness of the investment for the Regulated Fund in light of the Regulated Fund s then-current circumstances.
2.
 - a. If the Adviser deems a Regulated Fund s participation in any Potential Co-Investment Transaction to be appropriate for the Regulated Fund, the Adviser will then determine an appropriate level of investment for the Regulated Fund.
 - b. If the aggregate amount recommended by the applicable Adviser to be invested by the applicable Regulated Fund in the Potential Co-Investment Transaction, together with the amount proposed to be invested by the other participating Regulated Funds and Affiliated Funds, collectively, in the same transaction, exceeds the amount of the investment opportunity, the investment opportunity

will be allocated among them pro rata based on each participant's capital available for investment in the asset class being allocated, up to the amount proposed to be invested by each. The applicable Adviser will provide the Eligible Directors of each participating Regulated Fund with information concerning each participating party's available capital to assist the Eligible Directors with their review of the Regulated Fund's investments for compliance with these allocation procedures.

- c. After making the determinations required in conditions 1 and 2(a), the applicable Adviser will distribute written information concerning the Potential Co-Investment Transaction (including the amount proposed to be invested by each Regulated Fund and each Affiliated Fund) to the Eligible Directors of each participating Regulated Fund for their consideration. A Regulated Fund will co-invest with another Regulated Fund or an Affiliated Fund only if, prior to the Regulated Fund's participation in the Potential Co-Investment Transaction, a Required Majority concludes that:
- i. the terms of the Potential Co-Investment Transaction, including the consideration to be paid, are reasonable and fair to the Regulated Fund and its shareholders and do not involve overreaching in respect of the Regulated Fund or its shareholders on the part of any person concerned;
 - ii. the Potential Co-Investment Transaction is consistent with:
 - A. the interests of the Regulated Fund's shareholders; and
 - B. the Regulated Fund's then-current Objectives and Strategies;
 - iii. the investment by any other Regulated Funds or any Affiliated Funds would not disadvantage the Regulated Fund, and participation by the Regulated Fund would not be on a basis different from or less advantageous than that of any other Regulated Funds or any Affiliated Funds; provided that, if any other Regulated Fund or any Affiliated Fund, but not the Regulated Fund itself, gains the right to nominate a director for election to a portfolio company's board of directors or the right to have a board observer or any similar right to participate in the governance or management of the portfolio company, such event shall not be interpreted to prohibit the Required Majority from reaching the conclusions required by this condition 2(c)(iii), if:
 - A. the Eligible Directors will have the right to ratify the selection of such director or board observer, if any; and
 - B. the applicable Adviser agrees to, and does, provide periodic reports to the Board of the Regulated Fund with respect to the actions of such director or the information received by such board observer or obtained through the exercise of any similar right to participate in the governance or management of the portfolio company; and
 - C.

any fees or other compensation that any Regulated Fund or any Affiliated Fund or any affiliated person of any Regulated Fund or

any Affiliated Fund receives in connection with the right of a Regulated Fund or an Affiliated Fund to nominate a director or appoint a board observer or otherwise to participate in the governance or management of the portfolio company will be shared proportionately among the participating Affiliated Funds (who may each, in turn, share its portion with its affiliated persons) and the participating Regulated Funds in accordance with the amount of each party's investment; and

the proposed investment by the Regulated Fund will not benefit the Advisers, the other Regulated Funds, the Affiliated Funds, or any affiliated person of any of them (other than the parties to the Co-Investment Transaction), except (A) to the extent permitted by condition 13, (B) to the extent permitted by Section 17(e) or 57(k) of the Act, as applicable, (C) indirectly, as a result of an interest in the securities issued by one of the parties to the Co-Investment Transaction, or (D) in the case of fees or other compensation described in condition 2(c)(iii)(c).

3. Each Regulated Fund has the right to decline to participate in any Potential Co-Investment Transaction or to invest less than the amount proposed.
4. The applicable Adviser will present to the Board of each Regulated Fund, on a quarterly basis, a record of all investments in Potential Co-Investment Transactions made by any of the other Regulated Funds or Affiliated Funds during the preceding quarter that fell within the Regulated Fund's then-current Objectives and Strategies that were not made available to the Regulated Fund, and an explanation of why the investment opportunities were not offered to the Regulated Fund. All information presented to the Board pursuant to this condition will be kept for the life of the Regulated Fund and at least two years thereafter, and will be subject to examination by the Commission and its staff.
5. Except for Follow-On Investments made in accordance with condition 8, a Regulated Fund will not invest in reliance on the Order in any issuer in which another Regulated Fund, Affiliated Fund, or any affiliated person of another Regulated Fund or Affiliated Fund is an existing investor.
6. A Regulated Fund will not participate in any Potential Co-Investment Transaction unless the terms, conditions, price, class of securities to be purchased, settlement date, and registration rights will be the same for each participating Regulated Fund and Affiliated Fund. The grant to another Regulated Fund or an Affiliated Fund, but not the Regulated Fund, of the right to nominate a director for election to a portfolio company's board of directors, the right to have an observer on the board of directors or similar rights to participate in the governance or management of the portfolio company will not be interpreted so as to violate this condition 6, if conditions 2(c)(iii)(A),(B) and (C) are met.

7.

- a. If any Regulated Fund or any Affiliated Fund elects to sell, exchange or otherwise dispose of an interest in a security that was acquired in a Co-Investment Transaction, the applicable Advisers will:
 - i. notify each Regulated Fund that participated in the Co-Investment Transaction of the proposed disposition at the earliest practical time; and
 - ii. formulate a recommendation as to participation by each Regulated Fund in the disposition.
- b. Each Regulated Fund will have the right to participate in such disposition on a proportionate basis, at the same price and on the same terms and conditions as those applicable to the participating Regulated Funds and Affiliated Funds.
- c. A Regulated Fund may participate in such disposition without obtaining prior approval of the Required Majority if: (i) the proposed participation of each Regulated Fund and each Affiliated Fund in such disposition is proportionate to its outstanding investments in the issuer immediately preceding the disposition; (ii) the Board of the Regulated Fund has approved as being in the best interests of the Regulated Fund the ability to participate in such dispositions on a pro rata basis (as described in greater detail in this Application); and (iii) the Board of the Regulated Fund is provided on a quarterly basis with a list of all dispositions made in accordance with this condition. In all other cases, the Adviser will provide its written recommendation as to the Regulated Fund's participation to the Regulated Fund's Eligible Directors, and the Regulated Fund will participate in such disposition solely to the extent that a Required Majority determines that it is in the Regulated Fund's best interests.
- d. Each Regulated Fund and each Affiliated Fund will bear its own expenses in connection with any such disposition.

8.

- a. If any Regulated Fund or any Affiliated Fund desires to make a Follow-On Investment in a portfolio company whose securities were acquired in a Co-Investment Transaction, the applicable Advisers will:
 - i. notify each Regulated Fund that participated in the Co-Investment Transaction of the proposed transaction at the earliest practical time; and
 - ii. formulate a recommendation as to the proposed participation, including the amount of the proposed Follow-On Investment, by each Regulated Fund.
- b.

A Regulated Fund may participate in such Follow-On Investment without obtaining prior approval of the Required Majority if: (i) the proposed participation of each Regulated Fund and each Affiliated Fund in such investment is proportionate to its outstanding investments in the issuer immediately preceding the Follow-On Investment; and (ii) the Board of the Regulated Fund has approved as being in the best interests of the Regulated Fund the ability to participate in Follow-On Investments on a pro rata basis (as described in greater detail in this Application). In all other cases, the Adviser will provide its written recommendation as to the Regulated Fund's participation to the Eligible Directors, and the Regulated Fund will participate in such Follow-On Investment solely to the extent that a Required Majority determines that it is in the Regulated Fund's best interests.

- c. If, with respect to any Follow-On Investment:
 - i. the amount of a Follow-On Investment is not based on the Regulated Funds' and the Affiliated Funds' outstanding investments immediately preceding the Follow-On Investment; and
 - ii. the aggregate amount recommended by the applicable Adviser to be invested by the applicable Regulated Fund in the Follow-On Investment, together with the amount proposed to be invested by the other participating Regulated Funds and Affiliated Funds, collectively, in the same transaction, exceeds the amount of the opportunity; then the investment opportunity will be allocated among them pro rata based on each participant's capital available for investment in the asset class being allocated, up to the maximum amount proposed to be invested by each.
 - d. The acquisition of Follow-On Investments as permitted by this condition will be considered a Co-Investment Transaction for all purposes and subject to the other conditions set forth in this Application.
9. The Non-Interested Directors of each Regulated Fund will be provided quarterly for review all information concerning Potential Co-Investment Transactions and Co-Investment Transactions, including investments made by other Regulated Funds and the Affiliated Funds that the Regulated Fund considered but declined to participate in, so that the Non-Interested Directors may determine whether all investments made during the preceding quarter, including those investments which the Regulated Fund considered but declined to participate in, comply with the conditions of the Order. In addition, the Non-Interested Directors will consider at least annually the continued appropriateness for the Regulated Fund of participating in new and existing Co-Investment Transactions.
10. Each Regulated Fund will maintain the records required by section 57(f)(3) of the Act as if each of the Regulated Funds were a business development company and each of the investments permitted under these conditions were approved by the Required Majority under section 57(f).
11. No Non-Interested Director of a Regulated Fund will also be a director, general partner, managing member or principal, or otherwise an affiliated person (as defined in the Act), of an Affiliated Fund.
12. The expenses, if any, associated with acquiring, holding or disposing of any securities acquired in a Co-Investment Transaction (including, without limitation, the expenses of the distribution of any such securities registered for sale under the 1933 Act) will, to the extent not payable by the Advisers under their respective investment advisory agreements with the Regulated Funds and the Affiliated Funds, be shared by the Affiliated Funds and the Regulated Funds in proportion to the relative amounts of the securities held or to be acquired or disposed of, as the case may be.

13. Any transaction fee (including break-up or commitment fees but excluding broker's fees contemplated by Section 17(e) or 57(k) of the Act, as applicable) received in connection with a Co-Investment Transaction will be distributed to the participating Regulated Funds and Affiliated Funds on a pro rata basis based on the amounts they invested or committed, as the case may be, in such Co-Investment Transaction. If any transaction fee is to be held by an Adviser pending consummation of the transaction, the fee will be deposited into an account maintained by such Adviser at a bank or banks having the qualifications prescribed in Section 26(a)(1) of the Act, and the account will earn a competitive rate of interest that will also be divided pro rata among the participating Regulated Funds and Affiliated Funds based on the amounts they invest in such Co-Investment Transaction. None of the Affiliated Funds, the Advisers, the other Regulated Funds or any affiliated person of the Regulated Funds or Affiliated Funds will receive additional compensation or remuneration of any kind as a result of or in connection with a Co-Investment Transaction (other than (a) in the case of the Regulated Funds and Affiliated Funds, the pro rata transaction fees described above and fees or other compensation described in condition 2(c)(iii)(C) and (b) in the case of an Adviser, investment advisory fees paid in accordance with the agreements between the Adviser and the Regulated Funds or the Affiliated Funds).

14. If the Holders own in the aggregate more than 25% of the Shares of a Regulated Fund, then the Holders will vote such Shares as directed by an independent third party when voting on (1) the election of directors; (2) the removal of one or more directors; or (3) any other matter under either the Act or applicable State law affecting the Board's composition, size or manner of election.

IV. STATEMENT IN SUPPORT OF RELIEF REQUESTED

Applicants submit that the analysis in Section IV, Statement in Support of Relief Requested, of the Prior Application is equally applicable to this Application, which differs only from the Prior Application in so far as it is intended to apply not only to Solar Adviser, but also to any future investment adviser that controls, is controlled by or is under common control with Solar Adviser and is registered as an investment adviser under the Advisers Act. Accordingly, that prior analysis is not restated herein.

V. PRECEDENTS

The Commission previously has issued orders permitting certain investment companies subject to regulation under the Act and their affiliated persons to co-invest in Private Placement Securities. Many precedent orders have granted relief to future investment advisers registered under the Advisers Act that either control, are controlled by or are under common control with an existing investment adviser applicant.⁴ Applicants note, in particular, that the amended co-investment protocol to be followed by Applicants in this Application, as it pertains to the definition of Adviser and Condition 14, is substantially similar to the protocol followed by OFS Capital Corporation and its affiliates for which an order was granted on October 12, 2016.⁵
