PRELIMINARY SUBJECT TO COMPLETION DATED FEBRUARY 9, 2017

COMBINATION PROPOSED YOUR VOTE IS VERY IMPORTANT

The board of directors of CenturyLink, Inc. and the board of directors of Level 3 Communications, Inc. have agreed to an acquisition of Level 3 by CenturyLink, under the terms of the Agreement and Plan of Merger, dated as of October 31, 2016. The combined company will have the ability to offer CenturyLink's larger enterprise customer base the benefits of Level 3's global footprint with a combined presence in more than 60 countries. In addition, the combined company will be positioned to further enhance the scope and transmission speeds of its broadband infrastructure.

If the transaction is completed, Level 3 stockholders will have the right to receive \$26.50 in cash and 1.4286 shares of CenturyLink common stock for each share of Level 3 common stock they own at closing (which we refer to as the exchange ratio), with cash paid in lieu of fractional shares. The exchange ratio is fixed and will not be adjusted to reflect stock price changes prior to closing of the combination. Based on the closing price of CenturyLink common stock on the New York Stock Exchange of \$28.25 on October 26, 2016, the last trading day before public reports of a possible transaction, the merger consideration represented approximately \$66.86 of aggregate value for each share of Level 3 common stock. Based on the CenturyLink closing price of \$24.43 on February 8, 2017, the latest practicable date before the date of this document, the merger consideration represented approximately \$61.40 of aggregate value for each share of Level 3 common stock. CenturyLink shareholders will continue to own their existing shares of CenturyLink common stock. We urge you to obtain current market quotations of CenturyLink common stock and Level 3 common stock before voting.

Upon completion of the combination, we estimate that current CenturyLink shareholders will own approximately 51% of the combined company and former Level 3 stockholders will own approximately 49% of the combined company. CenturyLink common stock and Level 3 common stock are both traded on the NYSE under the symbols CTL and LVLT, respectively.

At the special meeting of CenturyLink shareholders scheduled for March 16, 2017, CenturyLink shareholders will be asked to vote on the issuance of shares of CenturyLink common stock to Level 3 stockholders, which is necessary to complete the combination. At the special meeting of Level 3 stockholders scheduled on the same date, Level 3 stockholders will be asked to vote on the adoption of the merger agreement and to approve, on an advisory basis, the compensation that may become payable to Level 3's named executive officers in connection with the combination.

We cannot complete the combination unless the Level 3 stockholders and the CenturyLink shareholders approve the respective proposals related to the combination. **Your vote is very important, regardless of the number of shares you own. Whether or not you expect to attend your CenturyLink or Level 3 special meeting, as applicable, in person, please vote your shares as promptly as possible by (1) accessing the Internet website specified on your proxy card, (2) calling the toll-free number specified on your proxy card, or (3) signing and returning all proxy cards that you receive in the postage-paid envelope provided, so that your shares may be represented and voted at the CenturyLink or the Level 3 special meeting, as applicable.** If you are a Level 3 stockholder, please note that a failure to vote your shares is the equivalent of a vote against the combination. If you are a CenturyLink shareholder, please note that a failure to vote your shares may result in a failure to establish a quorum for the CenturyLink special meeting.

The CenturyLink board of directors unanimously recommends that the CenturyLink shareholders vote FOR the proposal to issue shares of CenturyLink common stock in the combination. The Level 3 board of directors unanimously recommends that the Level 3 stockholders vote FOR the proposal to adopt the merger agreement.

The obligations of CenturyLink and Level 3 to complete the combination are subject to the satisfaction or waiver of several conditions set forth in the merger agreement. More information about CenturyLink, Level 3 and the combination is contained in this joint proxy statement/prospectus. CenturyLink and Level 3 encourage you to read this entire joint proxy statement/prospectus carefully, including the section entitled Risk Factors beginning on page 20.

We look forward to the successful combination of CenturyLink and Level 3.

QUESTIONS AND ANSWERS

The following are answers to some questions that you, as a shareholder of CenturyLink or stockholder of Level 3, may have regarding the combination and the other matters being considered at the CenturyLink special meeting and at the Level 3 special meeting. CenturyLink and Level 3 urge you to read carefully the remainder of this joint proxy statement/prospectus because the information in this section does not provide all the information that might be important to you with respect to the combination and the other matters being considered at the special meetings. Additional important information is also contained in the annexes to and the documents incorporated by reference into this joint proxy statement/prospectus.

Q: Why am I receiving this joint proxy statement/prospectus?

A: CenturyLink, Inc., which we refer to as CenturyLink, and Level 3 Communications, Inc., which we refer to as Level 3, have agreed to an acquisition of Level 3 by CenturyLink under the terms of a merger agreement that is described in this joint proxy statement/prospectus. A copy of the merger agreement is attached to this joint proxy statement/prospectus as Annex A.

In order to complete the combination, among other things:

CenturyLink shareholders must vote to approve the issuance of shares of CenturyLink common stock to holders of shares of Level 3 common stock (which holders we refer to as Level 3 stockholders) in connection with the combination, and

Level 3 stockholders must vote to adopt the merger agreement.

CenturyLink and Level 3 will hold separate special meetings to obtain these approvals. In addition, Level 3 will solicit stockholder approval, on an advisory (non-binding) basis, of the existing compensatory arrangements between Level 3 and its named executive officers for compensation in connection with the combination (which we refer to as the compensation proposal). The separate vote, on an advisory (non-binding) basis, of the compensation proposal, is not a condition to the completion of the combination. This joint proxy statement/prospectus contains important information about the combination, the CenturyLink special meeting and the Level 3 special meeting, and you should read it carefully. The enclosed voting materials allow you to vote your shares without attending your respective meeting.

Your vote is important. We encourage you to vote as soon as possible.

Q: When and where will the meetings be held?

A: The CenturyLink special meeting will be held at 100 CenturyLink Drive, Monroe, Louisiana 71203 on March 16, 2017, at 10:00 a.m., local time. The Level 3 special meeting will be held at 1025 Eldorado Boulevard, Broomfield, Colorado 80021, on March 16, 2017, at 9:00 a.m., local time.

Q: What will happen at the closing of the transaction?

A: Pursuant to the merger agreement, Wildcat Merger Sub 1 LLC, an indirect wholly owned subsidiary of CenturyLink, which we refer to as merger sub 1, will be merged with and into Level 3, and Level 3 will become an indirect wholly owned subsidiary of CenturyLink. Immediately thereafter, Level 3 will be merged with and into WWG Merger Sub LLC, an indirect wholly owned subsidiary of CenturyLink, which we refer to as merger sub 2, with merger sub 2 surviving the merger. We refer to these mergers as the initial merger and the subsequent merger, and collectively as the mergers or the combination.

If the combination is completed, Level 3 stockholders (excluding shares as to which appraisal rights have been properly exercised pursuant to Delaware law) will have the right to receive \$26.50 in cash and 1.4286 shares of CenturyLink common stock for each share of Level 3 common stock they own at closing, which

Table of Contents

we refer to as the exchange ratio, with cash paid in lieu of fractional shares. We refer to the components of the merger consideration as the cash consideration and the share consideration. The exchange ratio is fixed and will not be adjusted to reflect stock price changes prior to closing of the combination.

CenturyLink shareholders will not receive any merger consideration and will continue to hold their shares of CenturyLink common stock.

Q: What is the value of the merger consideration?

A: Because CenturyLink has agreed to issue 1.4286 shares of CenturyLink common stock and deliver \$26.50 in cash in exchange for each share of Level 3 common stock, the value of the merger consideration that Level 3 stockholders receive will depend on the price per share of CenturyLink common stock at the effective time of the initial merger. That price will not be known at the time of the special meetings and may be more or less than the current price or the price at the time of the special meetings. This exchange ratio will not be adjusted for changes in the market price of either CenturyLink common stock or Level 3 common stock between the date of signing the merger agreement and completion of the combination.

Based on the closing price of CenturyLink common stock on the New York Stock Exchange (which we refer to as the NYSE) of \$28.25 on October 26, 2016, the last trading day before public reports of a possible transaction, the merger consideration represented approximately \$66.86 of aggregate value for each share of Level 3 common stock. Based on the CenturyLink closing price of \$24.43 on February 8, 2017, the latest practicable date before the date of this joint proxy statement/prospectus, the merger consideration represented approximately \$61.40 of aggregate value for each share of Level 3 common stock.

CenturyLink stockholders will continue to own their existing CenturyLink shares. CenturyLink common stock is currently traded on the NYSE under the symbol CTL, and Level 3 common stock is currently traded on the NYSE under the symbol LVLT.

We urge you to obtain current market quotations of CenturyLink common stock and Level 3 common stock before voting.

Q: How do I vote?

A: If you are a shareholder of record of CenturyLink as of the record date for the CenturyLink special meeting or a stockholder of record of Level 3 as of the record date for the Level 3 special meeting, you may vote in person by attending your special meeting or, to ensure your shares are represented at the meeting, you may vote by:

accessing the Internet website specified on your proxy card;

calling the toll-free number specified on your proxy card; or

signing and returning the enclosed proxy card in the postage-paid envelope provided.

If you hold shares of CenturyLink common stock or voting preferred stock or shares of Level 3 common stock in the name of a broker or nominee, please follow the voting instructions provided by your broker or nominee to ensure that your shares are represented at your special meeting. If you received voting instruction cards from a trustee of any retirement plan of CenturyLink, Level 3 or their subsidiaries in which you are a participant, please follow the instructions on those cards to ensure that shares of stock allocated to your plan account are represented at your special meeting.

If you are an employee who participates in the Level 3 Communications, Inc. 401(k) Plan (the Plan), by signing your proxy card you will direct the trustee for the Plan to vote all shares of Level 3 common stock allocated to your account in the Plan. You must mail the proxy card, or vote by phone or by using the internet as described on the proxy card. If you do not vote your proxy (or submit it with an unclear voting designation or with no voting designation at all), then the Plan trustee will vote the shares in your account in accordance with the terms of the Plan document.

Q: What vote is required to approve each proposal?

A: *CenturyLink*. Approval of the CenturyLink stock issuance proposal requires the affirmative vote of a majority of the votes cast on such matter at the CenturyLink special meeting by holders of the CenturyLink common stock and voting preferred stock, voting as a single class (provided that a quorum is present).

Approval of the CenturyLink adjournment proposal, if necessary, requires the affirmative vote of a majority of the votes cast on such matter at such meeting by holders of the CenturyLink common stock and voting preferred stock, voting as a single class (provided that a quorum is present).

Level 3. The proposal at the Level 3 special meeting to adopt the merger agreement requires the affirmative vote of holders of a majority of the issued and outstanding shares of Level 3 common stock.

The Level 3 adjournment proposal requires the affirmative vote of holders of a majority of the shares of Level 3 common stock present or represented by proxy at the Level 3 special meeting. The Level 3 compensation proposal requires the affirmative vote of holders of a majority of the issued and outstanding shares of Level 3 common stock present in person or represented by proxy at the Level 3 special meeting.

One of Level 3's stockholders, STT Crossing Ltd. (which we refer to as STT Crossing), which owns approximately 18.1% of the outstanding Level 3 shares as of the record date, has entered into a voting agreement with CenturyLink and, solely with respect to certain covenants contained therein, Level 3 (which we refer to as the voting agreement) under which STT Crossing has agreed, among other things, to vote its Level 3 common stock in favor of the merger proposal. STT Crossing is expected to own approximately 8.8% of the CenturyLink common stock outstanding after the completion of the combination. See the section below entitled *STT Crossing Voting Agreement and Shareholder Rights Agreement*.

Q: How does the Level 3 Board recommend that Level 3 stockholders vote?

A: The Level 3 Board has unanimously determined that the merger agreement and the transactions contemplated by the merger agreement are in the best interests of Level 3 and its stockholders. The Level 3 Board unanimously recommends that Level 3 stockholders vote **FOR** the proposal to approve and adopt the merger agreement and the mergers, **FOR** the Level 3 compensation proposal, and **FOR** the proposal to adjourn the Level 3 special meeting, if necessary, to solicit additional proxies.

Q: How does the CenturyLink Board recommend that CenturyLink shareholders vote?

A: The CenturyLink Board has unanimously determined that the merger agreement and the transactions contemplated by the merger agreement, including the issuance of CenturyLink common stock to the Level 3 stockholders in connection with the combination, are in the best interests of CenturyLink and its shareholders. The CenturyLink Board unanimously recommends that CenturyLink shareholders vote **FOR** the proposal to issue shares of CenturyLink common stock to Level 3 stockholders in connection with the combination and **FOR** the proposal to adjourn the CenturyLink special meeting, if necessary, to solicit additional proxies.

Q: Will Level 3 be required to submit the merger agreement to its stockholders even if the Level 3 Board has withdrawn (or amended or modified in a manner adverse to CenturyLink) its recommendation?

A: Yes, unless the merger agreement has been terminated by either party pursuant to the terms of the merger agreement. For more information regarding the ability of CenturyLink or Level 3 to terminate the merger agreement, see the sections entitled *The Merger Agreement Termination of the Merger Agreement* and *The Merger Agreement Termination Fees and Expenses; Liability for Breach*.

Q: Will CenturyLink be required to submit the CenturyLink stock issuance to its shareholders even if the CenturyLink Board has withdrawn (or amended or modified in a manner adverse to Level 3) its recommendation?

A: Yes, unless the merger agreement has been terminated by either party pursuant to the terms of the merger agreement. For more information regarding the ability of Level 3 or CenturyLink to terminate the merger

Table of Contents

agreement see the sections entitled *The Merger Agreement Termination of the Merger Agreement* and *The Merger Agreement Termination Fees and Expenses; Liability for Breach*.

Q: How many votes do I have?

A: *CenturyLink*. You are entitled to one vote for each CenturyLink common share and one vote for each CenturyLink voting preferred share that you owned as of the record date. As of the close of business on January 25, 2017, there were 546,558,823 outstanding shares of CenturyLink common stock and 7,018 outstanding shares of CenturyLink voting preferred stock. As of that date, less than 1.0% of the outstanding shares of CenturyLink common stock and none of the outstanding shares of CenturyLink voting preferred stock were beneficially owned by the directors and executive officers of CenturyLink.

Level 3. You are entitled to one vote for each share of Level 3 common stock that you owned as of the record date. As of the close of business on January 25, 2017, there were 360,078,836 outstanding shares of Level 3 common stock. As of that date, less than 1.0% of the outstanding shares of Level 3 common stock were beneficially owned by the directors and executive officers of Level 3.

Q: What will happen if I fail to vote or I abstain from voting?

A: *CenturyLink*. If you are a CenturyLink shareholder and fail to vote, fail to instruct your broker or nominee to vote, or abstain from voting, it will have no effect on the CenturyLink stock issuance proposal or, if necessary, the CenturyLink adjournment proposal, assuming a quorum is present. However, your failure to cast a vote will make it more difficult to meet the quorum requirement with respect to organizing the meeting and your failure to cast a vote or your abstention from voting will make it more difficult to meet the quorum requirement with respect to the CenturyLink stock issuance proposal.

Level 3. If you are a Level 3 stockholder and fail to vote, fail to instruct your broker or nominee to vote, or abstain from voting, it will have the same effect as a vote against the proposal to adopt the merger agreement.

For purposes of the Level 3 compensation proposal and the Level 3 adjournment proposal, a failure to vote will have no effect on the approval of the proposal (assuming a quorum is present) and an abstention will have the same effect as a vote against each of the compensation proposal and the adjournment proposal.

Q: What constitutes a quorum?

A: *CenturyLink*. Shareholders who hold a majority of the total number shares of CenturyLink common stock and voting preferred stock issued and outstanding on the record date must be present or represented by proxy to constitute a quorum to organize the CenturyLink special meeting, and shareholders holding a majority of the votes entitled to be cast with respect to the proposal to issue CenturyLink common stock in connection with the initial merger must be present or represented by proxy to constitute a quorum with respect to such proposal. All shares of CenturyLink common stock or voting preferred stock represented at the CenturyLink special meeting, including abstentions and broker non-votes (shares held by a broker or nominee that are represented at the

meeting, but with respect to which the broker or nominee is not instructed by the beneficial owner of such shares to vote on the particular proposal), will be treated as present for purposes of determining the presence or absence of a quorum to organize the CenturyLink special meeting, but abstentions and broker non-votes will be treated as not present for purposes of determining the presence or absence of a quorum with respect to the proposal to issue CenturyLink common stock in connection with the initial merger.

Level 3. Stockholders who hold at least a majority of the issued and outstanding Level 3 common stock as of the close of business on the record date must be present or represented by proxy to constitute a quorum to conduct the Level 3 special meeting.

Table of Contents

Q: What is the difference between a stockholder of record and a street name holder?

A: If your shares are registered directly in your name, you are considered the stockholder of record with respect to those shares. If your shares are held in a stock brokerage account or by a bank, trust company or other nominee, then the broker, bank, trust company or other nominee is considered to be the stockholder of record with respect to those shares, while you are considered the beneficial owner of those shares. In the latter case, your shares are said to be held in street name.

Q: If I am a beneficial owner of shares held in street name, how do I vote?

A: If you hold your shares in a stock brokerage account or if your shares are held by a bank, trust company or other nominee (that is, in street name), you must provide the record holder of your shares with instructions on how to vote your shares. Please follow the voting instructions provided by your broker or nominee. Please note that you may not vote shares held in street name by returning a proxy card directly to CenturyLink or Level 3 or by voting in person at your special meeting. Further, brokers who hold shares of CenturyLink common stock or voting preferred stock or Level 3 common stock on behalf of their customers may not give a proxy to CenturyLink or Level 3 to vote those shares without specific instructions from their customers.

If you are a CenturyLink shareholder and you do not instruct your broker on how to vote your shares, your broker may not vote your shares on the CenturyLink stock issuance proposal, which will have no effect on the vote on this proposal, assuming a quorum is present.

If you are a Level 3 stockholder and you do not instruct your broker on how to vote your shares, your broker may not vote your shares, which will have the same effect as a vote against the proposal to adopt the merger agreement and, assuming a quorum is present, will have no effect on the compensation proposal or the Level 3 adjournment proposal.

Q: What will happen if I return my proxy card without indicating how to vote?

A: If you are a stockholder of record and you sign and return your proxy card without indicating how to vote on any particular proposal, the CenturyLink common stock or voting preferred stock or Level 3 common stock represented by your proxy will be voted in favor of that proposal.

Q: Can I change my vote after I have returned a proxy or voting instruction card?

A: Yes. You can change your vote at any time before your proxy is voted at your special meeting. You can do this in one of three ways:

you can send a signed notice of revocation;

you can grant a new, valid proxy bearing a later date; or

if you are a holder of record, you can attend your special meeting and vote in person, which will automatically cancel any proxy previously given, or you may revoke your proxy in person, but your attendance alone will not revoke any proxy that you have previously given.

If you choose either of the first two methods, you must submit your notice of revocation or your new proxy to the Secretary of CenturyLink or Secretary of Level 3, as appropriate, no later than the beginning of the applicable special meeting. If your shares are held in street name by your broker or nominee, you should contact them to change your vote. If your shares are held through a CenturyLink or Level 3 retirement plan, you should contact the trustee for the plan to change your vote.

Q: What happens if I am a Level 3 stockholder who sells my shares of Level 3 common stock before the Level 3 special meeting?

A: The record date for the Level 3 special meeting is earlier than the Level 3 special meeting. If you transfer your shares of Level 3 common stock after the Level 3 record date but before the Level 3 special meeting,

- viii -

Table of Contents

you will retain your right to vote at the Level 3 special meeting, but will have transferred the right to receive the merger consideration in the combination. In order to receive the merger consideration, you must hold your shares through the effective time of the combination.

Q: What will happen to my Level 3 restricted stock unit awards at the time of the combination?

A: Upon the completion of the initial merger, each outstanding Level 3 restricted stock unit award, including any performance restricted stock unit award (a Level 3 RSU award), granted prior to April 1, 2014 and each Level 3 RSU award granted to a non-employee member of the Level 3 Board will be cancelled in exchange for \$26.50 in cash and 1.4286 shares of CenturyLink common stock per share of Level 3 common stock covered by the award, less applicable withholding taxes.

Upon the completion of the initial merger, each outstanding Level 3 RSU award granted on or after April 1, 2014 (other than those granted to non-employee members of the Level 3 Board), will be converted into a restricted stock unit award relating to a number of shares of CenturyLink common stock equal to the product of (a) the equity award exchange ratio (described below) multiplied by (b) the number of shares of Level 3 common stock subject to the award immediately prior to the effective time of the initial merger. Following the effective time of the initial merger, the converted RSU awards will remain subject to the same terms and conditions (including vesting terms) applicable to such awards immediately prior to the effective time, except that any performance-based vesting conditions will be deemed satisfied based on the actual performance of Level 3 through the latest practicable date prior to the closing date of the combination (as determined by the compensation committee of the Level 3 Board) and the award will continue to vest based on continued service to CenturyLink. The equity award exchange ratio is equal to the sum of (1) 1.4286 plus (2) the quotient (rounded to four decimal places) of (a) \$26.50 divided by (b) the volume weighted average price of a share of CenturyLink common stock on the NYSE for the 30 trading days ending with the trading day immediately prior to the closing date of the combination.

Q: What are the material U.S. federal income tax consequences of the combination to U.S. holders of Level 3 common stock?

A: CenturyLink and Level 3 intend for the combination to be treated as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended (which we refer to as the Code). It is a condition to CenturyLink's obligation to complete the combination that CenturyLink receive an opinion from Wachtell, Lipton, Rosen & Katz, counsel to CenturyLink (or such other reputable tax counsel reasonably satisfactory to CenturyLink), to the effect that the combination will be treated as a reorganization within the meaning of Section 368(a) of the Code. It is a condition to Level 3's obligation to complete the combination that Level 3 receive an opinion from Willkie Farr & Gallagher LLP, counsel to Level 3 (or such other reputable tax counsel reasonably satisfactory to Level 3), to the effect that the combination will be treated as a reorganization within the meaning of Section 368(a) of the Code. Assuming the receipt and accuracy of these opinions, a holder of shares of Level 3 common stock will generally recognize gain (but not loss) for U.S. federal income tax purposes in an amount equal to the lesser of (i) the amount of gain realized (consisting of the excess, if any, of the sum of the amount of cash and the fair market value, as of the effective time of the merger, of the CenturyLink shares received in the combination over that stockholder's adjusted tax basis in its Level 3 common stock surrendered) and (ii) the aggregate amount of cash received in the combination.

You should read the section entitled *Material U.S. Federal Income Tax Consequences* beginning on page 149 for a more complete discussion of the U.S. federal income tax consequences of the combination. Tax matters can be complicated, and the tax consequences of the combination to you will depend on your particular situation. **You should consult your tax advisor to determine the tax consequences of the combination to you.**

Table of Contents

Q: When do you expect the combination to be completed?

A: Level 3 and CenturyLink intend to complete the combination as soon as reasonably practicable and currently anticipate the closing of the combination to occur by the end of the third quarter of 2017, following the satisfaction of all the conditions to closing. However, the combination is subject to various regulatory clearances and the satisfaction or waiver of other conditions and it is possible that factors outside the control of Level 3 and CenturyLink could result in the combination being completed at a later time or not at all. There can be no assurances as to when or if the combination will close. See *The Merger Agreement Conditions to Completion of the Combination*.

Q: What do I need to do now?

A: You should carefully read and consider the information contained in and incorporated by reference into this joint proxy statement/prospectus, including its annexes.

In order for your shares to be represented at your special meeting:

you can attend your special meeting in person;

you can vote through the Internet or by telephone by following the instructions included on your proxy or voting instruction card; or

you can indicate on the enclosed proxy or voting instruction card how you would like to vote and return the card in the accompanying pre-addressed postage paid envelope.

Q: Do I need to do anything with my Level 3 common stock certificates now?

A: No. After the combination is completed, if you held certificates representing shares of Level 3 common stock prior to the combination, CenturyLink's exchange agent will send you a letter of transmittal and instructions for exchanging your shares of Level 3 common stock for the merger consideration. Upon surrender of the certificates for cancellation along with the executed letter of transmittal and other required documents described in the instructions, a Level 3 stockholder will receive the merger consideration. The shares of CenturyLink common stock you receive in the combination will be issued in book-entry form.

If you are a CenturyLink shareholder, you are not required to take any action with respect to your CenturyLink stock certificates.

Q: Do I need identification to attend the CenturyLink or Level 3 meeting in person?

A: Yes. Please bring proper identification, together with proof that you are a record owner of CenturyLink or Level 3 stock. If your shares are held in street name or through a CenturyLink or Level 3 retirement plan, please bring acceptable proof of ownership, such as a letter from your broker or an account statement stating or showing that you beneficially owned shares of CenturyLink or Level 3 stock, as applicable, on the record date.

Q: Why are Level 3 stockholders being asked to cast an advisory (non-binding) vote to approve the compensation proposal?

A: The Exchange Act and applicable SEC rules thereunder require Level 3 to seek an advisory (non-binding) vote with respect to certain payments that could become payable to its named executive officers in connection with the combination.

Q: What will happen if the Level 3 stockholders do not approve the compensation proposal at the Level 3 special meeting?

A: Approval of the compensation proposal is not a condition to the completion of the combination. The vote with respect to the compensation proposal is an advisory vote and will not be binding on either CenturyLink

- x -

Table of Contents

or Level 3. Therefore, if the other requisite stockholder approvals are obtained and the combination is completed, the amounts payable under the compensation proposal will continue to be payable to Level 3's named executive officers in accordance with the terms and conditions of the applicable agreements.

Q: Are stockholders entitled to appraisal rights?

A: Under the General Corporation Law of the State of Delaware (which we refer to as the Delaware law), holders of Level 3 common stock who deliver to Level 3 a written demand for appraisal before the vote on the adoption of the merger agreement at the Level 3 special meeting and who do not vote for the merger proposal have the right to seek appraisal of the fair value of their shares as determined by the Delaware Court of Chancery if the combination is completed, but only if they comply with all requirements of Delaware law, as described under *Appraisal Rights* below, beginning on page 180. This appraisal amount could be more than, the same as, or less than the amount a Level 3 stockholder would be entitled to receive under the merger agreement. Any holder of Level 3 common stock intending to exercise appraisal rights must, among other things, submit a written demand for appraisal to Level 3 prior to the vote on the adoption and approval of the merger agreement and the transactions contemplated thereunder, not vote or otherwise submit a proxy in favor of adoption and approval of the merger agreement and the transactions contemplated thereunder and not submit a letter of transmittal. Failure to follow exactly the procedures specified under Delaware law will result in the loss of appraisal rights. The CenturyLink shareholders are not entitled to appraisal rights in connection with the combination under Louisiana law.

Q: Who can help answer my questions?

Risk Factors

Before voting at the CenturyLink special meeting or the Level 3 special meeting, you should carefully consider all of the information contained in or as incorporated by reference into this joint proxy statement/prospectus, as well as the specific factors under the heading *Risk Factors* beginning on page 20. Some of the most important risks are summarized below:

Risks Related to the Combination (See page 20)

The exchange ratio and the amount of cash consideration are fixed and will not be adjusted in the event of any change in either CenturyLink's or Level 3's stock price.

The completion of the combination is subject to receipt of consents and approvals, which may impose conditions that could have an adverse effect on CenturyLink or Level 3 and could cause the combination to be abandoned.

Table of Contents

The failure to complete the combination could negatively affect the stock prices and the future business and financial results of Level 3 and CenturyLink.

Risks Related to CenturyLink Following the Combination (See page 24)

Although CenturyLink and Level 3 expect that CenturyLink's acquisition of Level 3 will benefit CenturyLink, CenturyLink may not realize the anticipated benefits because the combined company may be unable to integrate successfully the businesses of CenturyLink and Level 3.

The Level 3 and CenturyLink prospective financial information is inherently subject to uncertainties and the unaudited pro forma financial data for CenturyLink included in this joint proxy statement/prospectus is preliminary, and CenturyLink's actual financial position and operations after the combination may differ materially from these estimates and the unaudited pro forma financial data included in this joint proxy statement/prospectus.

The Combination and the Merger Agreement

A copy of the merger agreement is attached as Annex A to this joint proxy statement/prospectus. CenturyLink and Level 3 encourage you to read the entire merger agreement carefully because it is the principal document governing the merger. For more information on the merger agreement, see the section entitled *The Merger Agreement* beginning on page 124.

Effect of the Mergers (See page 124)

Subject to the terms and conditions of the merger agreement, at the effective time of the initial merger, merger sub 1 will be merged with and into Level 3, with Level 3 continuing as the surviving company and an indirect wholly owned subsidiary of CenturyLink. Immediately after the effective time of the initial merger, Level 3 will merge with and into merger sub 2, with merger sub 2 continuing as the surviving company and an indirect wholly owned subsidiary of CenturyLink.

Merger Consideration; Treatment of Level 3 Equity Awards (See page 137)

Upon completion of the combination, Level 3 stockholders (excluding shares as to which appraisal rights have been properly exercised pursuant to Delaware law) will have the right to receive \$26.50 in cash and 1.4286 shares of CenturyLink common stock for each share of Level 3 common stock they own at closing, with cash paid in lieu of fractional shares. The exchange ratio is fixed and will not be adjusted for changes in the market value of the common stock of Level 3 or CenturyLink. Because of this, the implied value of the consideration to Level 3 stockholders will fluctuate until the completion of the combination. Based on the closing price of CenturyLink common stock on the NYSE of \$28.25 on October 26, 2016, the last trading day before public reports of a possible transaction, the merger consideration represented approximately \$66.86 of aggregate value for each share of Level 3 common stock. Based on the CenturyLink closing price of \$24.43 on February 8, 2017, the latest practicable date before the date of this document, the merger consideration represented approximately \$61.40 of aggregate value for each share of Level 3 common stock. See *Comparative Stock Price Data and Dividends* on page 168.

Upon the completion of the initial merger, each outstanding Level 3 RSU award granted prior to April 1, 2014 and each Level 3 RSU award granted to a non-employee member of the Level 3 Board will be cancelled in exchange for \$26.50 in cash and 1.4286 shares of CenturyLink common stock per share of Level 3 common stock covered by the

award, less applicable withholding taxes.

Table of Contents

Upon the completion of the initial merger, each outstanding Level 3 RSU award granted on or after April 1, 2014 (other than those granted to non-employee members of the Level 3 Board), will be converted into a restricted stock unit award relating to a number of shares of CenturyLink common stock equal to the product of (a) the equity award exchange ratio (described below) multiplied by (b) the number of shares of Level 3 common stock subject to the award immediately prior to the effective time of the initial merger. Following the effective time of the initial merger, the converted RSU awards will remain subject to the same terms and conditions (including vesting terms) applicable to such awards immediately prior to the effective time, except that any performance-based vesting conditions will be deemed satisfied based on the actual performance of Level 3 through the latest practicable date prior to the closing date of the combination (as determined by the compensation committee of the Level 3 Board) and the award will continue to vest based on continued service to CenturyLink. The equity award exchange ratio is equal to the sum of (1) 1.4286 plus (2) the quotient (rounded to four decimal places) of (a) \$26.50 divided by (b) the volume weighted average price of a share of CenturyLink common stock on the NYSE for the 30 trading days ending with the trading day immediately prior to the closing date of the combination.

Material U.S. Federal Income Tax Consequences of the Merger (See page 149)

CenturyLink and Level 3 intend for the combination to be treated as a reorganization within the meaning of Section 368(a). It is a condition to CenturyLink's obligation to complete the combination that CenturyLink receive an opinion from Wachtell, Lipton, Rosen & Katz, counsel to CenturyLink (or such other reputable tax counsel reasonably satisfactory to CenturyLink), to the effect that the combination will be treated as a reorganization within the meaning of Section 368(a) of the Code. Assuming the receipt and accuracy of these opinions, a holder of shares of Level 3 common stock will generally recognize gain (but not loss) for U.S. federal income tax purposes in an amount equal to the lesser of (i) the amount of gain realized (consisting of the excess, if any, of the sum of the amount of cash and the fair market value, as of the effective time of the merger, of the CenturyLink shares received in the combination over that stockholder's adjusted tax basis in its Level 3 common stock surrendered) and (ii) the aggregate amount of cash received in the combination.

You should read the section entitled *Material U.S. Federal Income Tax Consequences* beginning on page 149 for a more complete discussion of the U.S. federal income tax consequences of the combination. Tax matters can be complicated, and the tax consequences of the combination to you will depend on your particular situation. **You should consult your tax advisor to determine the tax consequences of the combination to you.**

CenturyLink's Executive Officers and Directors Have Financial Interests in the Combination That Differ from the Interests of CenturyLink Shareholders (See page 106)

Some of CenturyLink's executive officers and directors have financial interests in the combination that are different from, or in addition to, the interests of CenturyLink shareholders generally. The CenturyLink Board was aware of and considered these interests, among other matters, in evaluating and negotiating the merger agreement and the combination, in approving the merger agreement, and in recommending that the shareholders approve the issuance of CenturyLink common stock to Level 3 stockholders in connection with the combination.

Following the consummation of the combination, all members of the CenturyLink Board are expected to continue as directors of the combined company. Except as otherwise described in this joint proxy statement/prospectus, the executive officers of CenturyLink are currently expected to continue as executive officers of the combined company. Decisions on executive officers are subject to change as the parties complete integration planning and as decisions are

made concerning the management structure of the combined company. In addition, in connection with the combination, CenturyLink plans to establish and grant awards under a retention program in which executive officers of CenturyLink may be eligible to participate.

Please see *The Combination and the Stock Issuance Financial Interests of CenturyLink Directors and Executive Officers in the Combination* beginning on page 105 for additional information about these financial interests.

Level 3 s Executive Officers and Directors Have Financial Interests in the Combination That Differ from the Interests of Level 3 Stockholders (See page 107)

Certain members of the Level 3 Board and certain executive officers of Level 3 may be deemed to have financial interests in the combination that are in addition to, or different from, the interests of other Level 3 stockholders generally. The Level 3 Board was aware of these interests and considered them, among other matters, in approving the combination and the merger agreement and in making the recommendations that Level 3 stockholders approve and adopt the merger agreement and approve the combination and the other transactions contemplated by the merger agreement. These interests include:

outstanding Level 3 RSU awards held by the members of the Level 3 Board and Level 3 s executive officers, which will either be cancelled in exchange for the per share merger consideration or assumed by CenturyLink;

the terms of outstanding Level 3 RSU awards that will be assumed provide for the accelerated vesting of all or a portion of the awards upon certain qualifying terminations of employment following the effective time of the combination;

each Level 3 executive officer participates in the Key Executive Severance Plan, which provides the executive officer with cash severance and other benefits in the case of a qualifying termination of employment following the completion of the combination;

in connection with the execution of the merger agreement, Level 3 may adopt a retention program in which Level 3 s executive officers are eligible to participate; and

Level 3 directors and executive officers are entitled to continued indemnification and insurance coverage under the merger agreement.

Governance Matters After the Combination (See page 134)

CenturyLink has agreed to appoint to the CenturyLink Board on or prior to the effective time of the initial merger, (i) three members of Level 3 s Board, to be selected by CenturyLink and who are not affiliated with STT Crossing, and (ii) in accordance with the terms of the shareholder rights agreement, one member of Level 3 s Board to be designated by STT Crossing. If any of the Level 3 directors selected by CenturyLink to serve on the CenturyLink Board are unwilling or unable to serve on CenturyLink s Board, then CenturyLink shall select another candidate from Level 3 s Board not affiliated with or designated by STT Crossing. CenturyLink has further agreed to cause all such appointed directors to be nominated for election to the CenturyLink Board at the first annual meeting following the closing of the combination. In addition, in accordance with the terms of the shareholder rights agreement, CenturyLink has also agreed to nominate the STT Crossing designee to the CenturyLink Board for the first three annual meetings of CenturyLink following the completion of the combination, unless STT Crossing and its affiliates do not beneficially

own at least 85% of the CenturyLink common stock to be received by them at the completion of the combination. STT Crossing is expected to own approximately 8.8% of the CenturyLink common stock outstanding after the completion of the combination.

CenturyLink expects Jeff K. Storey, Level 3's president and chief executive officer, and Steven T. Clontz, senior executive vice president of Singapore Technologies Telemedia Pte. Ltd., to join the CenturyLink Board upon completion of the combination, with Mr. Clontz serving as the designee of STT Crossing. Prior to the CenturyLink special meeting, CenturyLink intends to publicly announce the names of the other two Level 3 directors to be appointed to the CenturyLink Board upon completion of the combination.

Table of Contents

Regulatory Approvals Required for the Combination (See page 117)

As more fully described in this joint proxy statement/prospectus, the completion of the combination is subject to the receipt of the following regulatory approvals, among others:

the expiration or earlier termination of the waiting period (and any extension thereof) applicable to the combination under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, which we refer to as the HSR Act;

the receipt of the authorizations required to be obtained from the Federal Communications Commission, which we refer to as the FCC, and certain state regulatory agencies; and

completion of the Committee on Foreign Investment in the United States, which we refer to as CFIUS, process, if a notice of merger is provided to CFIUS.

Conditions to Completion of the Combination (See page 140)

As more fully described in this joint proxy statement/prospectus and in the merger agreement, the completion of the combination depends on a number of conditions being satisfied or, where legally permissible, waived. These conditions include, among others, receipt of the requisite approvals of CenturyLink shareholders and Level 3 stockholders, the expiration or early termination of the waiting period under the HSR Act, the receipt of all required regulatory approvals by the FCC and certain state regulators, approval by CFIUS if a notice of the combination is provided to CFIUS, the absence of any law or order prohibiting the merger and the receipt of required regulatory approvals from certain state regulators and other governmental entities so long as failure to receive such approvals does not have certain material effects on one or more of the parties to the merger, the shares of CenturyLink common stock to be issued in connection with the combination having been approved for listing on the NYSE, the effectiveness of the registration statement of which this joint proxy statement/prospectus forms a part, the correctness of all representations and warranties made by the parties in the merger agreement and performance by the parties of their obligations under the merger agreement (subject in each case to certain materiality standards) and the receipt of legal opinions from their respective tax counsel regarding the qualification of the combination as a reorganization for U.S. federal income tax purposes.

We cannot be certain when, or if, the conditions to the combination will be satisfied or waived, or that the combination will be completed.

Termination of the Merger Agreement (See page 142)

CenturyLink and Level 3 may mutually agree to terminate the merger agreement before completing the combination, even after approval of the CenturyLink shareholders or approval of the Level 3 stockholders.

In addition, either CenturyLink or Level 3 may decide to terminate the merger agreement if:

the combination is not consummated by October 31, 2017, subject to extension by either party to not later than January 31, 2018 if all of the conditions to the completion of the combination other than the receipt of the required regulatory approvals have been satisfied or are capable of being satisfied;

a court or other governmental entity issues a final and nonappealable order prohibiting or making illegal the transactions contemplated by the merger agreement;

CenturyLink shareholders fail to approve the issuance of shares of CenturyLink common stock in connection with the combination;

Level 3 stockholders fail to approve and adopt the merger agreement; or

the other party breaches the merger agreement in a way that would entitle the party seeking to terminate the agreement not to consummate the combination, subject to the right of the breaching party to cure the breach.

Table of Contents

Either party may also terminate the merger agreement:

prior to the shareholder approval of the other party being obtained, if the board of directors of the other party (i) withdraws, modifies or amends its approval or recommendation of the merger agreement or the combination in any manner adverse to the terminating party or (ii) approves or recommends a competing takeover proposal with a third party; or

concurrently with entering into a definitive acquisition agreement with respect to a competing takeover proposal that (i) the board of directors of such party has determined to be superior to the combination and (ii) as to which the board of directors of such party has concluded that the failure to take such action is inconsistent with the fiduciary duties of such party's board of directors, subject to a matching period for the benefit of the other party and other procedural requirements.

Either party may also terminate the merger agreement if the other party fails to call or hold the meeting of its shareholders in connection with the combination or commits an intentional breach of its non-solicitation obligations under the merger agreement.

The merger agreement also prohibits CenturyLink and Level 3 from soliciting, or participating in discussions or negotiations or providing information with respect to, competing takeover proposals, subject to certain exceptions.

Termination Fees and Expenses; Liability for Breach (See page 143)

Generally, all fees and expenses incurred in connection with the merger and the transactions contemplated by the merger agreement will be paid by the party incurring those expenses, subject to specific exceptions provided in the merger agreement. Each of CenturyLink and Level 3 is also required to reimburse the other party for 50% of such other party's reasonably documented fees and expenses in the event of the termination of the merger agreement as a result of the failure to obtain the requisite approval of such party's shareholders, subject to a maximum reimbursement of up to (i) \$20 million, in the case of CenturyLink's obligation to reimburse Level 3, and (ii) \$75 million, in the case of Level 3's obligation to reimburse CenturyLink. The merger agreement further provides that, under certain circumstances involving a termination of the merger agreement, Level 3 may be obligated to pay CenturyLink a termination fee of \$737.5 million and CenturyLink may be obligated to pay Level 3 a termination fee of \$471.5 million, less, in each case, a credit for any previously paid reimbursement of expenses.

See the section entitled *The Merger Agreement Termination Fees and Expenses; Liability for Breach* beginning on page 143 for a complete discussion of the circumstances under which termination fees will be required to be paid.

Accounting Treatment (See page 152)

CenturyLink prepares its consolidated financial statements in accordance with accounting principles generally accepted in the United States, which we refer to as GAAP. The combination will be accounted for by applying the acquisition method with CenturyLink treated as the acquiror. Please see the section entitled *Accounting Treatment* on page 152.

Appraisal Rights (See page 180)

Level 3 stockholders who do not vote in favor of the proposal to adopt the merger agreement will have the right to demand appraisal of their shares of Level 3 common stock and obtain payment in cash for the fair value of their shares, but only if they perfect their appraisal rights and comply with the applicable provisions of

Table of Contents

Delaware law. A copy of the Delaware statutory provisions related to appraisal rights is attached as Annex H to this joint proxy statement/prospectus, and a summary of these provisions can be found under *Appraisal Rights*. Failure to strictly comply with the applicable provisions of Delaware law will result in the loss of the right of appraisal.

Under Louisiana law, the holders of CenturyLink common stock and preferred stock are not entitled to appraisal rights in connection with the CenturyLink stock issuance proposal.

The CenturyLink Special Meeting

On that date, there were 546,558,823 shares of common stock and 7,018 shares of voting preferred stock of CenturyLink outstanding and entitled to vote.

Approval of the CenturyLink stock issuance proposal requires the affirmative vote of a majority of the votes cast on such matter at the CenturyLink special meeting by holders of the CenturyLink common stock and voting preferred stock, voting as a single class (provided that a quorum is present). Approval of the CenturyLink adjournment proposal requires approval by the affirmative vote of a majority of the votes cast on such matter at such meeting by holders of the CenturyLink common stock and voting preferred stock, voting as a single class (provided that a quorum exists).

On the record date, less than 1.0% of the outstanding shares of CenturyLink common stock and none of the outstanding shares of CenturyLink voting preferred stock were held by CenturyLink directors and executive officers and their affiliates. Level 3 common stock to approve and adopt the proposal. Table of Contents**Summary Unaudited Pro Forma Condensed Combined Financial Information**

The following table shows summary unaudited pro forma condensed combined financial information about the combined financial condition and operating results of CenturyLink and Level 3 after giving effect to the combination. The unaudited pro forma financial information assumes that the combination is accounted for by applying the acquisition method with CenturyLink treated as the acquirer. The unaudited pro forma condensed combined balance sheet data gives effect to the combination as if it had occurred on September 30, 2016. The unaudited pro forma condensed combined statements of operations data gives effect to the combination as if it had become effective at January 1, 2015. The summary unaudited selected pro forma condensed combined financial information listed below has been derived from and should be read in conjunction with (i) the more detailed unaudited pro forma condensed combined financial information, including the notes thereto, appearing elsewhere in this joint proxy statement/prospectus and (ii) the consolidated financial statements and the related notes of both CenturyLink and Level 3, each incorporated herein by reference. See *Unaudited Pro Forma Condensed Combined Financial Information* on page 153 and *Where You Can Find More Information* on page 186.

The unaudited pro forma condensed combined financial information is presented for illustrative purposes only and is not necessarily indicative of the combined operating results or financial position that would have occurred if such transactions had been consummated on the dates and in accordance with the assumptions described herein, nor is it necessarily indicative of the combined company's future operating results or financial position. The unaudited pro forma condensed combined financial information does not give effect to (i) any potential revenue enhancements or cost synergies that could result from the combination or (ii) any transaction or integration costs relating to the combination. In addition, as explained in more detail in the accompanying notes to the unaudited pro forma condensed combined financial information, the preliminary allocation of the pro forma aggregate consideration reflected in the unaudited pro forma condensed combined financial information is subject to adjustment and may vary materially from the definitive allocation of the final aggregate consideration that will be recorded subsequent to completion of the combination. The determination of the final aggregate consideration will be based on the number of shares of Level 3 common stock outstanding and CenturyLink's stock price at closing. For additional information on the limitations of this information, see *Risk Factors Risk Factors Relating to CenturyLink Following the Combination Other Risks The historical and unaudited pro forma condensed combined financial information included elsewhere in this joint proxy statement/prospectus may not be representative of CenturyLink's results after the combination, and accordingly, you have limited financial information on which to evaluate the combined company.*

You should read the table below together with the historical consolidated financial statements and related notes of CenturyLink and Level 3 contained in their respective Annual Reports on Form 10-K for the year ended December 31, 2015 and Quarterly Reports on Form 10-Q for the quarters ended March 31, 2016, June 30, 2016 and September 30, 2016, all of which are incorporated by reference into this joint proxy statement/prospectus. The CenturyLink pro forma combined earnings per share were calculated using the methodology described below under the heading *Unaudited Pro Forma Condensed Combined Financial Information*, and is subject to all the assumptions, adjustments and limitations described thereunder. The CenturyLink pro forma combined cash dividends per common share represent CenturyLink's historical cash dividends per common share. The CenturyLink pro forma combined book value per share was calculated by dividing total combined CenturyLink and Level 3 common shareholders' equity by pro forma equivalent common shares. The Level 3 pro forma equivalent per common share amounts were calculated by multiplying the CenturyLink pro forma combined per share information by the exchange ratio of 1.4286.

Statements in this joint proxy statement/prospectus and the documents incorporated by reference herein that are not historical facts are hereby identified as forward-looking statements for the purpose of the safe harbor provided by Section 21E of the Exchange Act, and Section 27A of the Securities Act. These forward-looking statements, including, without limitation, those regarding the expected timing and benefits of the proposed transaction, such as efficiencies, cost savings, enhanced revenues, growth potential, market profile and financial strength, and the competitive ability and position of the combined company, and other statements identified by words such as will, estimates, anticipates, believes, expects, projects, plans, intends, may, should, could, seeks and are subject to a number of risks, uncertainties and assumptions, many of which are beyond our control. These forward-looking statements are based upon the judgment and assumptions of CenturyLink and Level 3 or, following the combination, the combined company as of the date of such statements concerning future developments and events, many of which are beyond their control. These forward-looking statements, and the assumptions upon which they are based, (i) are not guarantees of future results, (ii) are inherently speculative and (iii) are subject to a number of risks and uncertainties. Actual events and results may differ materially from those anticipated, estimated, projected or implied in those statements if one or more of these risks or uncertainties materialize, or if underlying assumptions prove incorrect.

Forward-looking statements are found at various places throughout this joint proxy statement/prospectus, including in the sections entitled *The Combination and the Stock Issuance Certain Forecasts Prepared by CenturyLink* and *The Combination and the Stock Issuance Certain Forecasts Prepared by Level 3* and *Risk Factors*. Important factors that could cause actual results to differ materially from those indicated by such forward-looking statements include those set forth in CenturyLink's and Level 3's filings with the SEC, including their respective Annual Reports on Form 10-K for the year ended December 31, 2015, as updated by subsequent Quarterly Reports on Form 10-Q. These important factors also include those set forth under *Risk Factors* in this joint proxy statement/prospectus as well as, among others, risks and uncertainties relating to:

the ability of the parties to timely and successfully receive the required approvals for the combination from (i) regulatory agencies free of conditions materially adverse to the parties and (ii) their respective shareholders;

the possibility that the anticipated benefits from the proposed transaction cannot be fully realized or may take longer to realize than expected;

the possibility that costs, difficulties or disruptions related to the integration of Level 3's operations with those of CenturyLink will be greater than expected;

the ability of the combined company to retain and hire key personnel;

the effects of competition from a wide variety of competitive providers, including lower demand for CenturyLink's legacy offerings;

the effects of new, emerging or competing technologies, including those that could make the combined company's products less desirable or obsolete;

the effects of ongoing changes in the regulation of the communications industry, including the outcome of regulatory or judicial proceedings relating to intercarrier compensation, interconnection obligations, access charges, universal service, broadband deployment, data protection and net neutrality;

Table of Contents

adverse changes in CenturyLink's or the combined company's access to credit markets on favorable terms, whether caused by changes in its financial position, lower debt credit ratings, unstable markets or otherwise;

the combined company's ability to effectively adjust to changes in the communications industry, and changes in the composition of its markets and product mix;

possible changes in the demand for, or pricing of, the combined company's products and services, including the combined company's ability to effectively respond to increased demand for high-speed broadband service;

changes in the operating plans, capital allocation plans or corporate strategies of the combined company, whether based on changes in market conditions, changes in the cash flows or financial position of the combined company, or otherwise;

the combined company's ability to successfully maintain the quality and profitability of its existing product and service offerings and to introduce new offerings on a timely and cost-effective basis;

the adverse impact on the combined company's business and network from possible equipment failures, service outages, security breaches or similar events impacting its network;

the combined company's ability to maintain favorable relations with key business partners, suppliers, vendors, landlords and financial institutions;

the ability of the combined company to utilize net operating losses in amounts projected; and

changes in the future cash requirements of the combined company.

Due to these risks and uncertainties, there can be no assurance that the proposed combination or any other transaction described herein will in fact be completed in the manner described or at all. You should be aware that new factors may emerge from time to time and it is not possible for CenturyLink or Level 3 to identify all such factors nor can CenturyLink or Level 3 predict the impact of each such factor on the proposed combination or the combined company. You should not place undue reliance on these forward-looking statements, which speak only as of the date of this document. Unless legally required, CenturyLink and Level 3 undertake no obligation and each expressly disclaim any such obligation, to update publicly any forward-looking statements, whether as a result of new information, future events, changed circumstances or otherwise. Furthermore, any information about the intentions of CenturyLink, Level 3 or, following the combination, the combined company contained in any of their respective forward-looking statements reflect their intentions as of the date of such forward-looking statements, and are based upon, among other things, existing regulatory, technological, industry, competitive, economic and market conditions, and their assumptions as of such date. CenturyLink, Level 3 or, following the combination, the combined company may change their intentions, strategies or plans at any time and without notice, based upon any changes in such factors or assumptions or otherwise.

RISK FACTORS

*In addition to the other information included and incorporated by reference into this joint proxy statement/prospectus, including the matters addressed in the section entitled **Cautionary Statement Regarding Forward-Looking Statements**, you should carefully consider the following risks before deciding whether to vote for the adoption of the merger agreement, in the case of Level 3 stockholders, or for the issuance of shares of CenturyLink common stock in connection with the combination, in the case of CenturyLink shareholders. In addition, you should read and consider the risks associated with each of the businesses of CenturyLink and Level 3 because these risks will also affect the combined company. These risks can be found in CenturyLink's and Level 3's respective Annual Reports on Form 10-K for fiscal year 2015, as updated by subsequent Quarterly Reports on Form 10-Q, all of which are filed with the SEC and incorporated by reference into this joint proxy statement/prospectus. You should also read and consider the other information in this joint proxy statement/prospectus and the other documents incorporated by reference into this joint proxy statement/prospectus. See the section entitled **Where You Can Find More Information**.*

Risk Factors Relating to the Combination

The exchange ratio and the amount of the cash consideration are fixed and will not be adjusted in the event of any change in either CenturyLink's or Level 3's stock price.

Upon the closing of the initial merger, each share of Level 3 common stock (excluding shares as to which appraisal rights have been properly exercised pursuant to Delaware law) will be converted into the right to receive \$26.50 in cash and 1.4286 shares of CenturyLink common stock, with cash paid in lieu of fractional shares. The amount of the cash consideration and the exchange ratio were fixed in the merger agreement and will not be adjusted for changes in the market price of either CenturyLink common stock or Level 3 common stock. Changes in the price of CenturyLink common stock prior to the combination will affect the market value of the merger consideration that Level 3 stockholders will receive on the date of the combination. Stock price changes may result from a variety of factors (many of which are beyond our control), including the following factors:

changes in our respective businesses, operations, financial position or prospects;

changes in market assessments of the business, operations, financial position or prospects of either company or the combined company;

market assessments of the likelihood that the combination will be completed, including related considerations regarding regulatory approvals of the combination;

interest rates, general market, political and economic conditions and other factors generally affecting the price of CenturyLink's and Level 3's common stock; and

federal, state and local legislation, governmental regulation and legal developments affecting the businesses of Level 3 or CenturyLink.

The price of CenturyLink common stock at the closing of the combination may vary from its price on the date the merger agreement was executed, on the date of this joint proxy statement/prospectus and on the date of the special meetings of CenturyLink and Level 3. As a result, the market value of the portion of the merger consideration consisting of CenturyLink common stock will also vary. Under the merger agreement, there will be no adjustment to the per share merger consideration for changes in the market price of either shares of CenturyLink common stock or shares of Level 3 common stock, and neither company is permitted to terminate the merger agreement or resolicit the vote of CenturyLink shareholders or Level 3 stockholders solely because of changes in the market prices of either company's stock. You should obtain current market quotations for shares of CenturyLink common stock and for shares of Level 3 common stock.

Table of Contents

Because the combination will be completed after the date of the special meetings, at the time of your special meeting, you will not know the exact market value of the CenturyLink common stock that Level 3 stockholders will receive upon completion of the combination. You should consider the following two risks:

If the price of CenturyLink common stock increases between the date the merger agreement was signed or the date of the CenturyLink special meeting and the effective time of the combination, Level 3 stockholders will receive shares of CenturyLink common stock that have a market value upon completion of the combination that is greater than the market value of such shares calculated pursuant to the exchange ratio when the merger agreement was signed or the date of the CenturyLink special meeting, respectively. Therefore, while the number of CenturyLink common shares to be issued per Level 3 common share is fixed, CenturyLink shareholders cannot be sure that the market value of the consideration that will be paid to Level 3 stockholders upon completion of the combination will not increase.

If the price of CenturyLink common stock declines between the date the merger agreement was signed or the date of the Level 3 special meeting and the effective time of the combination, Level 3 stockholders will receive shares of CenturyLink common stock that have a market value upon completion of the combination that is less than the market value of such shares calculated pursuant to the exchange ratio on the date the merger agreement was signed or the date of the Level 3 special meeting, respectively. Therefore, while the number of CenturyLink shares to be issued per Level 3 common share is fixed, Level 3 stockholders cannot be sure that the market value of the CenturyLink common stock they will receive upon completion of the combination.

The completion of the combination is subject to several conditions, including the receipt of consents and approvals from government entities, which may impose conditions that could have an adverse effect on the combined company or could cause the proposed combination to be abandoned.

The completion of the combination is subject to a number of conditions, including, among others, the expiration or termination of the applicable waiting period under the HSR Act and the receipt of approvals from the FCC and certain other governmental entities. In deciding whether to grant some of these approvals, the relevant governmental entity will make a determination of whether, among other things, the combination is in the public interest. Neither CenturyLink nor Level 3 can provide any assurance that they will obtain the necessary approvals.

In addition, regulatory entities may impose certain requirements or obligations as conditions for their approval or in connection with their review. The merger agreement may require CenturyLink or Level 3 to accept conditions from these regulators that could adversely affect the combined company without either of CenturyLink or Level 3 having the right to refuse to close the combination on the basis of those regulatory conditions. While CenturyLink is not required to accept conditions that would or would reasonably be likely to have a material adverse effect on the combined company (assuming for these purposes that the combined company is the size of CenturyLink), this assessment will be made at or prior to the closing and neither CenturyLink nor Level 3 can provide any assurance that any required conditions will not have a material adverse effect on the combined company following the proposed combination. In addition, neither CenturyLink nor Level 3 can provide any assurance that these conditions will not result in the abandonment of the combination. See *The Combination and the Stock Issuance Regulatory Approvals* and *The Merger Agreement Conditions to Completion of the Combination*.

It could take longer to receive the requisite governmental consents and approvals than currently anticipated. Any delay in completing the combination, whether caused by regulatory delays or otherwise, could cause the combined company

to incur extra transaction expenses or to delay or fail to realize fully the benefits that CenturyLink and Level 3 currently expect to receive if the combination is successfully completed within the expected time frame.

Table of Contents

Failure to complete the combination could negatively affect the stock prices and the future business and financial results of CenturyLink and Level 3.

If the combination is not completed, the ongoing businesses of Level 3 or CenturyLink may be adversely affected and CenturyLink and Level 3 will be subject to several risks, including the following:

the possibility that Level 3 could be required to pay CenturyLink a termination fee of \$737.5 million and, in some cases, expenses of CenturyLink up to \$75 million (which would be credited against any termination fee) if the combination is terminated under qualifying circumstances, as described under *The Merger Agreement Termination Fees and Expenses; Liability for Breach* ;

the possibility that CenturyLink could be required to pay Level 3 a termination fee of \$471.5 million and, in some cases, expenses of Level 3 up to \$20 million (which would be credited against any termination fee) if the combination is terminated under qualifying circumstances, as described under *The Merger Agreement Termination Fees and Expenses; Liability for Breach* ;

the incurrence of costs and expenses relating to the proposed combination, such as financing, legal, accounting, financial advisor, filing, printing and mailing fees and expenses, including the potential expense reimbursement obligations described above.

the possibility of a change in the trading price of CenturyLink common stock or Level 3 common stock to the extent current trading prices reflect a market assumption that the combination will be completed;

the possibility that CenturyLink or Level 3 could suffer potential negative reactions from their respective employees, customers and vendors; and

the possibility that CenturyLink or Level 3 could suffer adverse consequences associated with their respective management's focus on the combination instead of on pursuing other opportunities that could have been beneficial to the companies, in each case, without realizing any of the benefits contemplated by the combination.

In addition, if the combination is not completed, CenturyLink or Level 3 could be subject to litigation related to any failure to complete the combination or to perform their respective obligations under the merger agreement.

If the combination is not completed, CenturyLink and Level 3 cannot assure their shareholders that these risks will not materialize and will not materially affect the business, financial results and stock prices of CenturyLink or Level 3.

The merger agreement contains provisions that could discourage a potential competing acquirer of either Level 3 or CenturyLink or could result in any competing proposal being at a lower price than it might otherwise be.

The merger agreement contains no-shop provisions that, subject to limited exceptions, restrict Level 3's and CenturyLink's ability to solicit, encourage, facilitate or discuss competing third-party proposals to acquire all or a

significant part of Level 3 or CenturyLink. In addition, the other party generally has an opportunity to offer to modify the terms of the proposed combination in response to any competing acquisition proposals that may be made before such board of directors may withdraw or qualify its recommendation regarding the proposals described herein. In some circumstances on termination of the merger agreement, one of the parties may be required to pay a termination fee or expenses to the other party. See *The Merger Agreement No Solicitation of Alternative Proposals*, *The Merger Agreement Termination of the Merger Agreement* and *The Merger Agreement Termination Fees and Expenses; Liability for Breach*.

These provisions could discourage a potential competing acquirer that might have an interest in acquiring all or a significant part of Level 3 or CenturyLink from considering or proposing that acquisition, even if it were

Table of Contents

prepared to pay consideration with a higher value than that market value proposed to be received or realized in the combination, or might result in a potential competing acquirer proposing to pay a lower price than it might otherwise have proposed to pay because of the added expense of the termination fee or expenses that may become payable in certain circumstances.

If the merger agreement is terminated and either CenturyLink or Level 3 attempts to seek another business combination, CenturyLink or Level 3, as applicable, may not be able to negotiate a transaction with another party on terms comparable or better than the terms of the combination.

The pendency of the combination could adversely affect the business and operations of CenturyLink and Level 3.

In connection with the pending combination, some customers or vendors of each of CenturyLink and Level 3 may delay or defer decisions or reduce their level of business with either or both of the companies, any of which could negatively affect the revenues, earnings, cash flows and expenses of CenturyLink and Level 3, regardless of whether the combination is completed. Similarly, current and prospective employees of CenturyLink and Level 3 may experience uncertainty about their future roles with the combined company following the combination, which may materially adversely affect the ability of each of CenturyLink and Level 3 to attract and retain key management, sales, marketing, operational and technical personnel during the pendency of the combination. In addition, due to operating covenants in the merger agreement, each of CenturyLink and Level 3 may be unable, during the pendency of the combination, to pursue strategic transactions, undertake significant capital projects, undertake certain significant financing transactions and otherwise pursue other actions that are not in the ordinary course of business, even if such actions would prove beneficial. Any of these effects could have an adverse effect on the ability to generate revenue at anticipated levels prior to the completion of the combination. Moreover, the pursuit of the combination and the preparation for the integration of the companies may place a significant burden on the management and personnel of both companies. The diversion of management's attention away from operating the companies in the ordinary course could adversely affect CenturyLink's and Level 3's financial results.

Current CenturyLink shareholders and Level 3 stockholders may have a reduced ownership and voting interest in the combined company after the combination.

CenturyLink expects to issue or reserve for issuance approximately 538 million shares of CenturyLink common stock to Level 3 stockholders in connection with the combination (including shares of CenturyLink common stock to be issued in connection with outstanding Level 3 equity awards). Based on the number of shares of common stock of CenturyLink and Level 3 outstanding on January 25, 2017, the record date for the two companies' special meetings of shareholders, upon the completion of the initial merger, current CenturyLink shareholders and former Level 3 stockholders are expected to own approximately 51% and 49% of the common stock of CenturyLink, respectively.

CenturyLink shareholders and Level 3 stockholders currently have the right to vote for their respective directors and on other matters affecting their company. If and when the initial merger occurs, each Level 3 stockholder who receives shares of CenturyLink common stock will become a shareholder of CenturyLink with a percentage ownership of the combined company that may be smaller than the shareholder's percentage ownership of Level 3, depending upon such stockholder's current ownership of CenturyLink shares. Correspondingly, each CenturyLink shareholder will remain a shareholder of CenturyLink with a percentage ownership of the combined company that may be smaller than the shareholder's percentage of CenturyLink prior to the initial merger, depending upon such shareholder's current ownership of Level 3 shares. As a result of these potentially reduced ownership percentages, CenturyLink shareholders may have less voting power in the combined company than they now have with respect to CenturyLink, and former Level 3 shareholders may have less voting power in the combined company than they now have with respect to Level 3.
