FREQUENTLY ASKED QUESTIONS AND ANSWERS

Q. WHO IS ENTITLED TO VOTE?

- A. Shareholders as of the close of business on March 1, 2017 (the voting record date) are entitled to vote, and each share of common stock is entitled to one vote.

Q. HOW DO I VOTE?

- A. There are several methods. You may vote online via the Internet, by telephone, by completing and mailing your proxy, or by attending the meeting and voting in person. (See page 3 for more details.)

Q. HOW DOES DISCRETIONARY AUTHORITY APPLY?

- A. If your shares are held in an account at a bank, brokerage firm, broker-dealer or other similar organization, then you are a beneficial owner of shares held in street name. In that case, you will have received these proxy materials from that organization holding your account and, as a beneficial owner, you have the right to instruct your broker, bank, trustee, or nominee how to vote the shares held in your account. If no voting instructions are given, your broker or nominee has discretionary authority to vote your shares on your behalf on routine matters. A broker non-vote results on a matter when your broker or nominee returns a proxy but does not vote on a particular proposal because it does not have discretionary authority to vote on that proposal and has not received voting instructions from you. We believe that your broker or nominee only has discretionary voting power with respect to the proposal regarding the ratification of the appointment of the independent registered public accounting firm. You may not vote shares held in street name at the annual meeting unless you obtain a legal proxy from that organization holding your account.

If you appropriately mark, sign and return the enclosed proxy card or voting instruction card, as the case may be, in time to be voted at the annual meeting, or if you vote by telephone or Internet in accordance with the instructions on the proxy card or voting instruction card, as the case may be, the shares represented thereby will be voted in accordance with your instructions. Signed proxies not marked to the contrary will be voted FOR the election of the nominees for our Board of Directors, FOR a non-binding advisory vote on the compensation of our named executive officers, and FOR the ratification of the appointment of our independent registered public accounting firm for the year ending December 31, 2017.

Q. IS MY VOTE CONFIDENTIAL?

- A. Yes. Only the Judges of Elections, our transfer agent, Computershare, proxy holders and Secretary have access to your proxy. All comments remain confidential unless you ask that your name be disclosed.

Q. WHO WILL COUNT THE VOTES?

- A. Kathy I. Bordner, Justin T. Webb and Cortney E. Wilbert will review the tabulations of the votes as provided by Computershare and act as Judges of Elections.

Q. WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE PROXY?

- A. Your shares are probably registered differently or are in more than one account. Vote all proxies you receive to ensure that all your shares are voted. If you have all of your accounts registered in the same name and address, you should only receive one set of proxy materials in future years. If you are receiving multiple statements and reports and wish to receive only one, please notify your broker if your shares are held in a brokerage account or our transfer agent, Computershare at (800) 368-5948, if you hold registered shares.

Table of Contents

Q. WHAT CONSTITUTES A QUORUM?

- A. At the close of business on March 1, 2017, 4,233,297 shares of our common stock were outstanding and eligible to vote. A majority of the outstanding shares of common stock, present or represented by proxy, constitutes a quorum for the transaction of business at the meeting. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the annual meeting for purposes of determining the presence of a quorum.

Q. WHAT PERCENTAGE OF STOCK DO THE DIRECTORS AND OFFICERS OWN?

- A. Approximately 7.6% of our common stock, as of close of business on March 1, 2017, is owned by the directors and officers. (See page 26 for more details.)

Q. WHEN ARE THE 2018 SHAREHOLDER PROPOSALS AND DIRECTOR NOMINATIONS DUE?

- A. As a shareholder, you must submit your shareholder proposal or director nomination in writing by December 7, 2017, to Cindy L. Wetzel, Secretary, Mid Penn Bancorp, Inc., 349 Union Street, Millersburg, Pennsylvania 17061. (See page 29 with regard to shareholder proposal and director nomination procedures.)

Q. HOW MAY I SUBMIT A QUESTION FOR THE ANNUAL MEETING?

- A. In order for management to thoroughly answer any questions that you may have about the Corporation or our annual shareholder materials including financial statements, we ask that you submit your questions prior to the Annual Meeting of Shareholders. You may submit questions either by mail, email or telephone by contacting Cindy L. Wetzel, Secretary, Mid Penn Bancorp, Inc., 349 Union Street, Millersburg, Pennsylvania 17061, cindy.wetzel@midpennbank.com, (717) 692-2133. Questions received in advance of the meeting will be compiled by the Secretary and relayed promptly to management and the Board. PROXY STATEMENT
FOR THE ANNUAL MEETING OF SHAREHOLDERS OF
MID PENN BANCORP, INC.
MAY 16, 2017
GENERAL INFORMATION

Date, Time and Place of Annual Meeting

Mid Penn Bancorp, Inc. (the Corporation), a Pennsylvania business corporation and registered bank holding company, furnishes this proxy statement in connection with the solicitation by the Corporation's Board of Directors (the Board) of proxies to be voted at the 2017 Annual Meeting of Shareholders. The annual meeting will be held at Halifax Area Ambulance and Rescue Association, Inc., 31 Bunker Hill Road, Halifax, Pennsylvania 17032, on Tuesday, May 16, 2017, at 10:00 a.m., local time. The Corporation's principal executive office is located at 349 Union Street, Millersburg, Pennsylvania 17061; the telephone number is (717) 692-2133. All inquiries regarding the annual meeting should be directed to Rory G. Ritrievi, President and Chief Executive Officer of the Corporation.

Reduce Duplicate Mailings

In accordance with Securities Exchange Act Rule 14a-3(e)(1), the Corporation, in the future intends to deliver only one annual report and proxy statement to multiple shareholders sharing an address unless the Corporation receives contrary instructions from one or more of the shareholders. This method of delivery is known as householding. Upon written or oral request, the Corporation will promptly deliver a separate copy of the annual report or proxy statement, as applicable, to a shareholder at a shared address to which a single copy of the documents was delivered. Further, shareholders should notify Cindy L. Wetzel at Mid Penn Bancorp, Inc., 349 Union Street, Millersburg, Pennsylvania 17061 or call (717) 692-2133 and inform us that the shareholder wishes to receive a separate copy of an annual report or proxy statement in the future. If you are receiving multiple statements and reports and wish to receive only one, please notify your broker if your shares are held in a brokerage account or the Corporation's transfer agent, Computershare, at (800) 368-5948, if you hold registered shares.

VOTING PROCEDURES

Solicitation and Voting of Proxies

The Board solicits this proxy for use at the Corporation's 2017 Annual Meeting of Shareholders. The Corporation's directors, officers and Bank employees may solicit proxies in person or by telephone, facsimile, email or other similar means without additional compensation. The Corporation will pay the cost of preparing, assembling, printing, mailing and soliciting proxies and any additional material that the Corporation sends to its shareholders. The Corporation will make arrangements with brokerage firms and other custodians, nominees and fiduciaries to forward proxy solicitation materials to the beneficial owners of stock held by these entities. The Corporation will, upon request, reimburse these third parties for their reasonable expenses in forwarding solicitation material to the beneficial owners of stock.

Only shareholders of record as of the close of business on March 1, 2017, may vote at the annual meeting. The Corporation's records show that, as of the voting record date, 4,233,297 shares of common stock were outstanding and eligible to vote. On all matters to come before the annual meeting, shareholders may cast one vote for each share held.

Cumulative voting rights do not exist with respect to the election of directors. See Principal Shareholders on page 26 for a list of the persons known by the Corporation to be beneficial owners of 5% or more of the Corporation's common stock.

If your shares are registered directly in your name with the Corporation's transfer agent, Computershare, you are considered, with respect to those shares, the shareholder of record, and these proxy materials are being sent directly to you by the Corporation. As the shareholder of record, you have the right to grant your voting proxy directly to the proxy holders or to vote in person at the meeting. The Corporation has enclosed a proxy for your use or you may vote online via the Internet or by telephone.

Table of Contents

If your shares are held in an account at a bank, brokerage firm, broker-dealer or other similar organization, then you are a beneficial owner of shares held in street name. In that case, you will have received these proxy materials from that organization holding your account and, as a beneficial owner, you have the right to instruct your broker, bank, trustee, or nominee how to vote the shares held in your account. If no voting instructions are given, your broker or nominee has discretionary authority to vote your shares on your behalf on routine matters. A broker non-vote results on a matter when your broker or nominee returns a proxy but does not vote on a particular proposal because it does not have discretionary authority to vote on that proposal and has not received voting instructions from you. We believe that your broker or nominee only has discretionary voting power with respect to the proposal regarding the ratification of the appointment of the independent registered public accounting firm. You may not vote shares held in street name at the annual meeting unless you obtain a legal proxy from that organization holding your account.

If you appropriately mark, sign and return the enclosed proxy card or voting instruction card, as the case may be, in time to be voted at the annual meeting, or if you vote by telephone or Internet in accordance with the instructions on the proxy card or voting instruction card, as the case may be, the shares represented thereby will be voted in accordance with your instructions. Signed proxies not marked to the contrary will be voted **FOR** the election of each of Robert C. Grubic, Robert J. Moisey, John E. Noone and Noble C. Quandel, Jr. as Class A directors for three-year terms expiring in 2020, **FOR** the non-binding advisory proposal on executive compensation and **FOR** the ratification of BDO USA, LLP as the Corporation's independent registered public accounting firm for 2017.

Quorum and Vote Required For Approval

In order to hold the annual meeting, a quorum of shareholders must be present. Under Pennsylvania law and the Corporation's By-laws, the presence, in person or by proxy, of the holders of a majority of the shares entitled to vote is necessary to constitute a quorum for the transaction of business at the meeting. Broker non-votes and abstentions will be counted for the purpose of determining whether a quorum is present, but broker non-votes will not be included for determining whether shareholder approval of a matter has been obtained.

If a quorum is present, the four candidates for director receiving the highest number of votes cast by shareholders, even if less than a majority, will be elected. Consequently, any shares not voted (whether by abstention, broker non-vote or otherwise) will not be included in determining which nominees received the highest number of votes. A properly executed proxy that withholds authority with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum.

If a quorum is present, approval of the non-binding proposal on executive compensation and ratification of the appointment of BDO USA, LLP as the Corporation's independent registered public accounting firm for 2017 will require the affirmative vote of the holders of at least a majority of the votes cast at the annual meeting. Under Pennsylvania law, abstentions are not considered votes cast and, accordingly, will not affect the outcome of the voting on the non-binding advisory proposal on executive compensation and ratification of the appointment of BDO USA, LLP.

Revocability of Proxy

Shareholders of record who sign proxies may revoke them at any time before they are voted by:

delivering a written notice of revocation to Cindy L. Wetzel, Secretary of Mid Penn Bancorp, Inc., at 349 Union Street, Millersburg, Pennsylvania 17061, before the vote is taken at the annual meeting;

voting online via the Internet, by telephone, or delivering a duly executed proxy bearing a later date to the Secretary of the Corporation, before the vote is taken at the annual meeting; or

voting in person after giving written notice to the Secretary of the Corporation. (Your attendance at the annual meeting, in and of itself, will not revoke the proxy.)

You have the right to vote and, if desired, to revoke your proxy any time before the vote is taken at the annual meeting. Should you have any questions, please call Cindy L. Wetzel at (717) 692-2133.

GOVERNANCE OF THE CORPORATION

Governance

The Board believes that the purpose of corporate governance is to ensure that it maximizes shareholder value in a manner consistent with legal requirements and the highest standards of integrity. The Board has adopted and adheres to corporate governance practices, which the Board and senior management believe promote this purpose, are sound and represent best practices. These governance practices, Pennsylvania law (the state of incorporation), the rules and listing standards of The NASDAQ Stock Market LLC (NASDAQ) and the Securities and Exchange Commission (the SEC) regulations, as well as best practices suggested by recognized governance authorities are continually reviewed.

Currently, the Board has twelve members. Under the NASDAQ standards for independence, the following directors meet the standards for independence: Robert A. Abel, Steven T. Boyer, Matthew G. DeSoto, Robert C. Grubic, Gregory M. Kerwin, Robert E. Klinger, Robert J. Moisey, Theodore W. Mowery, John E. Noone, Noble C. Quandel, Jr. and William A. Specht, III. This constitutes more than a majority of the Board. Only independent directors serve on the Audit, Compensation and Nominating and Corporate Governance Committees.

Table of Contents

In determining the directors' independence, the Board considered loan transactions between the Bank and the directors, their family members and businesses with whom they are associated, as well as any contributions made to non-profit organizations with whom they are associated.

The table below includes a description of other categories or types of transactions, relationships or arrangements considered by the Board (in addition to those listed above) in reaching its determination that the directors are independent.

Name	Independent	Other Transactions/Relationships/Arrangements
Mr. Abel	Yes	None
Mr. Boyer	Yes	None
Mr. DeSoto	Yes	Company donation to charitable fundraiser coordinated by Director
Mr. Grubic	Yes	Leasehold arrangement; Environmental assessments
Mr. Kerwin	Yes	Legal services
Mr. Klinger	Yes	Supplies; Company donation to charitable fundraiser coordinated by Director
Mr. Moisey	Yes	None
Mr. Mowery	Yes	Insurance commissions
Mr. Noone	Yes	Leasehold arrangements
Mr. Quandel	Yes	Leasehold arrangements; Bank facility renovations
Mr. Specht	Yes	None

In each case, the Board determined that none of the transactions above impaired the independence of the director. For more information, please refer to *Certain Relationships and Related Transactions* on page 25.

During the year ended December 31, 2016, the Corporation's and Bank's Boards of Directors each held thirteen meetings. In addition, the Corporation's independent Board members held one independent Board Meeting during 2016.

Board Leadership Structure

The Board is led by a non-executive Chairman selected by the Board from time to time. The Chairman of the Board organizes Board activities to enable the Board to effectively provide guidance to and oversight and accountability of management. To fulfill that role, the Chairman, among other things: creates and maintains an effective working relationship with the Chief Executive Officer and other members of management and with other members of the Board; provides the Chief Executive Officer ongoing direction as to Board needs, interests and opinions; and assures that the Board agenda is appropriately directed to the matters of greatest importance to the Corporation. In carrying out his responsibilities, the Chairman preserves the distinction between management and oversight, maintaining the responsibility of management to develop corporate strategy and the responsibility of the Board to review and express its views on corporate strategy. The functions of the Chairman include:

presiding over all meetings of the Board and shareholders, including regular executive sessions of non-management directors of the Board;

establishing the annual agenda of the Board and the agendas of each meeting in consultation with the Chief Executive Officer;

advising committee chairs, in consultation with the Chief Executive Officer, on meeting schedules, agenda and information needs for the committees of the Board;

defining the subject matter, quality, quantity and timeliness of the flow of information between management and the Board and overseeing the distribution of that information;

coordinating periodic review of management's strategic plan for the Corporation;

leading the Board review of the succession plan for the Chief Executive Officer and other key members of senior management;

serving as Acting Chief Executive Officer in concert with the Board or appointing an interim Chief Executive Officer until a successor is selected in the event there is a separation with the existing Chief Executive Officer;

coordinating the annual performance review of the Chief Executive Officer and other key members of senior management;

consulting with committee chairs about the retention of advisors and experts;

Table of Contents

acting as the principal liaison between the independent directors and the Chief Executive Officer on sensitive issues;

working with the Nominating and Corporate Governance Committee to develop and maintain the agreed-on definitions of the role of the Board and the organization, processes and governance guidelines necessary to carry it out;

after consulting with other members of the Board and the Chief Executive Officer, making recommendations to the Nominating and Corporate Governance Committee as to the membership of various Board committees and committee chairs;

working with management on effective communication with shareholders, including being available for consultation and direct communication upon the reasonable request of major shareholders;

encouraging active participation by each member of the Board; and

performing such other duties and services as the Board may require.

Risk Oversight by Board

The Board oversees all business, property and affairs of the Corporation and Bank. The Chairman and the Corporation's officers keep the members of the Board informed of the Corporation's business through meetings and by providing reports and other materials to Board members.

In addition to the general oversight of Corporation and Bank business, the Board also reviews a comprehensive quarterly Risk Management Report, prepared by the Bank's Chief Risk Officer, which includes metrics and trends on ten major risk areas, including cybersecurity, asset quality, interest rate risk, capital adequacy and liquidity.

Code of Ethics

The Corporation's and the Bank's Board have adopted a Code of Ethics that applies to its directors, officers and employees. The Code of Ethics encourages individuals to report any conduct that they believe in good faith to be an actual or apparent violation of the Code of Ethics. The Code of Ethics is available under the *Corporate Information* section of the *Investors* page of the Bank's website at www.midpennbank.com.

Shareholder Communications

Any shareholder who wishes to communicate with the Board may send correspondence to Rory G. Ritrievi, President and Chief Executive Officer, Mid Penn Bancorp, Inc., at 349 Union Street, Millersburg, Pennsylvania 17061. Written communications received from shareholders are shared with the full Board or appropriate committee as warranted. The Board has a complaint procedure for communicating accounting, internal accounting controls and auditing matters. Complaints generated are directed to a separate mailing address, which is under the control of the Chairman of the Audit Committee. Please refer to the *Corporate Information* section of the *Investors* page of Mid Penn's website

at www.midpennbank.com for complete details.

A shareholder who intends to nominate an individual for election to the Board (other than a candidate proposed by the Board) must notify the Secretary of the Corporation in compliance with the requirements of Article 10, Section 10.1 of the Corporation's By-laws. Any shareholder who intends to nominate a candidate for election to the Board must notify the Secretary of the Corporation in writing not less than the earlier of (1) 120 days prior to the anniversary date of the initial proxy materials or of a notice of the meeting by the Corporation in connection with the immediately preceding Annual Meeting of Shareholders (which would be December 7, 2017 for the 2018 annual meeting), or (2) the deadline for submitting shareholder proposals for inclusion in a proxy statement and form of proxy as calculated under Rule 14a-8(e) promulgated by the SEC (which is also December 7, 2017 for the 2018 annual meeting).

Annual Meeting Attendance

Meetings Held in 2016	1	0	4	4	4	11	4	4

Each of the directors attended at least 75% of the total number of Board meetings and committee meetings for the Corporation and the Bank during their tenure on the Board in 2016.

The function of each of the Corporation's committees is described below.

NOMINATING AND CORPORATE GOVERNANCE. This committee identifies individuals qualified to become members of the Board; evaluates and recommends to the Board, nominees for each election of directors; and monitors and makes recommendations to the Board on other matters of policies and practices relating to corporate governance. All members of the Nominating and Corporate Governance Committee are independent (as independence is currently defined by NASDAQ listing standards). Robert C. Grubic serves as Chairman of this committee.

The Nominating and Corporate Governance Committee has a charter which is available under the *Corporate Information* section of the *Investors* page of the Bank's website at www.midpennbank.com. Candidates for director must be qualified in terms of education, professional experience, business contacts and special skills. Other less tangible, but equally important qualifications include general representation from the markets served, enthusiasm, maturity, reputation, compatibility with other members of the Board, diplomacy and independent judgment. In addition, candidates should have a vested interest in the Corporation through ownership of Corporation stock. Board candidates, upon their appointment, are required to own 500 shares with the understanding that they accumulate a minimum of 2,500 shares in total by the end of their second year on the Board. The Board recognizes that its members have various abilities to acquire shares beyond the minimum threshold depending on their personal circumstances and may, in special circumstances, extend the two-year period for accumulating 2,500 shares to a longer period of time as determined by the Board. Members of the Board are encouraged to continue to accumulate shares over time to the extent possible considering their personal circumstances.

Table of Contents

The Nominating and Corporate Governance Committee does not have a formal policy with respect to the diversity of the Corporation's Board members. However, the committee believes it is essential that Board members represent diverse view points and experiences. In considering candidates for the Board, the committee considers the entirety of each candidate's credentials in the contexts of these standards.

When developing a list of potential nominees, the Nominating and Corporate Governance Committee may take into consideration names provided by shareholders, directors or executive management. Information is gathered concerning the potential Board member's location of business and residence, shares owned, profession or business, and deposit and loan relationship with the Bank. Personal information about the individual is also gathered to determine if he/she meets the criteria listed in the Nominating and Corporate Governance Committee Policy and Charter. The Nominating and Corporate Governance Committee screens this information to narrow its search of final candidates to be interviewed. Upon completion of the interviews, the Nominating and Corporate Governance Committee makes a final recommendation to the full Board for appointment. All potential candidates are screened by the same process regardless of whether they are recommended by a shareholder or by another party.

EXECUTIVE. This committee may exercise the authority of the Board in the intervals between the meetings of the Board so far as may be permitted by law. Robert C. Grubic serves as Chairman of this committee.

AUDIT. This committee oversees audit coverage, selects the independent registered public accounting firm, reviews the annual and quarterly financial statements of the Corporation and auditor's reports, and monitors with management and the auditor the system of internal controls and its accounting and reporting practices. All members of the Audit Committee are non-employee directors and are independent (as independence is currently defined by NASDAQ listing standards). The Audit Committee has a charter which is available under the *Corporate Information* section of the *Investors* page of the Bank's website at www.midpennbank.com. Matthew G. DeSoto serves as Chairman of this committee, and Robert A. Abel and John E. Noone serve as the Audit Committee Financial Experts.

COMPENSATION. This committee assures that senior executives are compensated effectively in a manner consistent with the Bank's compensation strategy, internal equity considerations, competitive practice and the requirements of the appropriate regulatory bodies. This committee also reviews salary adjustments, compensation and benefits programs for all employees and makes recommendations to the Board. All members of the Compensation Committee are independent (as independence is currently defined by NASDAQ listing standards). The Compensation Committee has a charter which is available under the *Corporate Information* section of the *Investors* page of the Bank's website at www.midpennbank.com. Theodore W. Mowery serves as Chairman of this committee.

PROPOSAL NO. 1: ELECTION OF DIRECTORS

Qualifications and Nomination of Directors

The Corporation's By-laws authorize the number of directors to be not less than five (5) nor more than twenty-five (25). The By-laws also provide for three classes of directors with staggered three-year terms of office. Terms of the members of each Class expire at successive annual meetings. Currently, each Class consists of four directors.

The Board nominated the four persons named below to serve as directors until the 2020 Annual Meeting of Shareholders and until their successors are duly elected and qualified or until their earlier death, resignation, retirement or removal from office. The nominees are presently members of the Board and have consented to serve

another term as a director if re-elected. If the nominees should be unavailable to serve for any reason, a majority of the Board then in office may select someone to fill the vacancy until the expiration of the term of the Class of directors to which he or she is appointed.

The proxy holders intend to vote proxies for the election of each of the four nominees named below, unless you indicate that your vote should be withheld from any or all of them. Brokers holding shares beneficially owned by their clients do not have the ability to cast votes with respect to the election of directors unless they have received instructions from the beneficial owner of the shares. **It is therefore important that you provide instructions to your broker if your shares are held by a broker so that your vote with respect to directors is counted.**

Compensation of the Board

The Bank participates in the American Bankers Association Compensation & Benefits Survey, which includes a survey of director fees and benefits. The Bank also periodically conducts a survey of director fees, committee fees and other director compensation of banks that are similar in size and in similar markets to the Bank. The Compensation Committee reviews these surveys and recommends to the full Board any changes to the compensation of Board members for the upcoming year. The Board has final approval of the compensation of its directors. Board members, with the exception of the Chairman and Vice Chairman, received an annual Board fee of \$18,000 for the year 2016. The Chairman and Vice Chairman received an annual fee of 1.75 times and 1.50 times the annual Board fee, respectively. Independent Board Meeting fees and committee meeting fees are paid per meeting attended at the following rates:

Independent Board Meetings	\$ 500
Audit Committee Meetings	\$ 500
Nominating and Corporate Governance Committee Meetings	\$ 400
Executive Committee Meetings	\$ 400
Compensation Committee Meetings	\$ 400
Compliance Committee Meetings (Bank only committee)	\$ 300
Loan Committee Meetings (Bank only committee)	\$ 300
Trust Committee Meetings (Bank only committee)	\$ 300
Real Estate Committee Meetings (Bank only committee)	\$ 300

Mr. Noone serves on the Bank's Asset/Liability Committee as a Board representative and receives \$250 for attending meetings, of which there were five held in 2016. Mr. Ritrievi did not receive an annual fee for serving on the Board nor did he receive any fees for attending committee meetings. In 2016, the Board was paid \$289,150 in the aggregate, for all Board fees and fees for committee meetings attended. Additionally, Messrs. Moisey and Quandel were paid \$950 and \$250, respectively, for attending Mid Penn Bank Business Development Advisory Board Meetings.

The Bank maintains a deferred fee plan for directors, which enables a director to annually elect to defer payment of his fees until he terminates service on the Bank's Board. For 2016, the maximum amount each director could defer was \$18,000. Participating directors may elect to receive either a lump sum or equal monthly installments in an amount equal to his deferral account (plus interest) upon retirement, early termination, disability, change in control or a hardship. If a director dies before distribution of his deferral account commences, his designated beneficiary is entitled to receive the

Table of Contents

amounts in his deferral account or the projected account balance at the time the Bank adopted the deferred fee plan (limited by the amount of net coverage purchased by the Bank), whichever is greater. For 2016, Messrs. Abel, Grubic, Klinger, Mowery and Noone each deferred \$18,000.

In May 1995, the Bank adopted the Mid Penn Bank Director Retirement Plan, which we refer to as the Director Retirement Plan. Under the Director Retirement Plan, Bank directors who terminate their service on the Board other than for cause with at least five years of service are eligible to receive a retirement benefit. The five-year service requirement is waived if a director's service is terminated for disability or within 90 days of a change in control. The annual benefit is determined by multiplying the base retirement amount for the director's position (\$611.86 for the Chairman, \$305.93 for all other directors, which reflect the inflationary adjusted rates for 2016) by the number of full years the member served. The plan contains an annual inflationary adjustment provision. Benefits are paid in cash on a quarterly basis and continue for 60 quarterly payments or the director's death, if earlier.

The following table summarizes the total compensation that non-employee directors earned for service as directors of the Corporation and the Bank for the year ended December 31, 2016.

Table of Contents

The Board has delegated the task of administering the Bank's compensation program to the Compensation Committee, the primary responsibility of which is to assure that the executive officers of the Corporation and its subsidiaries are compensated effectively in a manner consistent with the stated compensation strategy of the Corporation and the Bank, competitive practice and the requirements of the appropriate regulatory bodies.

Compensation Objectives and Design

The Corporation and Bank seek to serve its shareholders and customers. To better accomplish this, our compensation objectives include offering a fair and competitive compensation package to attract and retain competent, dedicated and ambitious managers whose efforts will enhance the products and services of the Corporation and the Bank, resulting in higher profitability, increased dividends to the Corporation's shareholders and appreciation in market value of the Corporation's common stock. The main elements of compensation for 2016 for the named executive officers were base salary, bonus, restricted stock awards and retirement and insurance benefits.

Management's Role in Determining Compensation

The Compensation Committee considers the views and recommendations of the Chief Executive Officer in making compensation decisions affecting executive officers who report to him. The Chief Executive Officer's role in recommending compensation and compensation programs is to develop and recommend appropriate performance measures and targets for each individual, to report on the respective individual's performance, to provide data and background material to enable the Compensation Committee to assess the labor market and to make specific recommendations on each named executive officers' respective salary. The Chief Executive Officer does not recommend his own salary and is not present during the Compensation Committee's or Board's discussions or decisions regarding his specific compensation.

Compensation Consultant's Role in Determining Compensation

In 2016, the Compensation Committee hired the independent consulting firm, Meridian Compensation Partners, LLC, which specializes in executive and board compensation. Meridian provided relevant peer data analysis and advice for consideration by the Committee in evaluating compensation for the named executive officers. The Committee also obtained an industry standard survey of compensation practices for additional consideration.

Results of Shareholder Say on Pay Vote in Determining Compensation

The Compensation Committee reviewed the shareholder response to the non-binding, advisory Say on Pay Vote in the Proxy Statement dated March 28, 2016. Since the Annual Meeting of Shareholders held in 2016 occurred after the increase in base salary was awarded in 2016, the Compensation Committee did not have the opportunity to consider the shareholders' overwhelming approval of executive compensation as described in the Compensation Discussion and Analysis and the tabular disclosure when reviewing whether to significantly change the Corporation's compensation policies and practices.

The Compensation Committee did consider the overwhelming approval of executive compensation as described in the Compensation Discussion and Analysis and the tabular disclosure from the Annual Meeting of Shareholders held in 2015, and considering that the compensation and compensation programs did not change significantly, the Compensation Committee continued with its current approach of compensating executives in 2016. The Compensation Committee will consider the results of the meeting held in 2016 in awarding compensation in 2017.

Components of Compensation

Base Salary

Base salary levels are set to attract and retain executives who can further the Corporation's and Bank's strategic objectives. Base salary is the most significant component of the named executive officers' compensation, and the Compensation Committee reviews it every year to determine whether the salary for each respective named executive officer is at the appropriate level. As mentioned above, the Chief Executive Officer reviews each named executive officer's performance, other than his own, in making specific salary recommendations to the Compensation Committee.

Table of Contents

The Compensation Committee reviews the Chief Executive Officer's performance in making a specific salary recommendation to the Board. The Chief Executive Officer and the Compensation Committee consider the named executive officer's general management performance; policy, procedure, and regulatory compliance; public relations; strategic objectives management; length of service with the Corporation and Bank; and the named executive officer's position in making its determination of the appropriate level of base salary.

Cash Bonus Plan

The Compensation Committee established an incentive compensation plan pursuant to which our named executive officers are eligible to receive a cash bonus for the achievement of corporate performance goals and individual performance goals. In order to receive a payment under the plan, a participant has to be employed prior to September 30th of the previous year and on the date of payout, and both the corporate and individual performance goals, which include actions that can only be taken by a named executive officer between January and March of the year of the payout, must be achieved. With respect to the corporate performance goals for bonuses paid in 2016, we based incentive award opportunities on an annual company-wide budgeted net income available to common shareholders target of \$6,036,000 for the year ended December 31, 2015. No specific bonus amount was set at that time, but the maximum amount payable under this plan for bonuses paid in 2016 was capped at \$360,000. The Compensation Committee believes it set the performance measures for bonuses paid in 2016 such that the performance goals were aggressive and, therefore, were reasonably difficult to attain. Based upon publicly reported results for the year ended December 31, 2015, we achieved net income available to common shareholders of \$6,038,000, after taking into account an accrual for the payout under this plan.

The bonus payouts ranged between 1.6% and 9.4% of such executive's base salary amounts and are tied to both company and individual performance. In 2016, we paid a \$35,000 cash bonus to Mr. Ritrievi, a \$15,000 cash bonus to each of Messrs. Micklewright and Webb and Ms. Neiderer; and a \$2,000 cash bonus to Mr. Williams.

2014 Restricted Stock Plan

On May 6, 2014, the shareholders approved the Mid Penn Bancorp, Inc. 2014 Restricted Stock Plan. Restricted stock is common stock granted to an employee or director that does not vest until specific conditions are met. Typical conditions include performance goals for the individual or the Corporation or the individual being required to remain employed with the Corporation or Bank for a specific number of years. Once the conditions are met, then the stock vests and the employee obtains the shares without restrictions. The Board believes that restricted stock awards can serve as an important element in attracting and retaining employees and directors who the Board expects to contribute to the Corporation's growth and success. By compensating employees and directors with shares of Corporation stock, the employees and directors have additional incentive to ensure that the Corporation is successful. Based on the recommendations of the Compensation Committee, the Board determines to whom specifically it grants restricted stock. The number of shares of common stock which may be issued under the Restricted Stock Plan may not exceed 100,000 shares. The Compensation Committee may suspend or terminate the Restricted Stock Plan at any time and may amend the Restricted Stock Plan at any time provided that no such amendment may be made without shareholder approval if such approval is required by law, agreement or the rules of any exchange upon which the shares of common stock are listed. In addition, no such amendment, suspension or termination may impair the rights of participants in respect of then outstanding awards awarded under the Restricted Stock Plan without their consent.

Benefit Plans Available for All Employees

Benefit plans are not tied to Bank or individual performance. The cost of providing such plans to all eligible employees and executive officers is not taken into account when determining specific salaries of the named executive

officers and is seen as a cost of doing business.

Group Insurance Plans

The named executive officers participate in benefit plans that are generally available to all employees. These plans include group life insurance, group disability, health insurance and dental and vision benefits. Such plans are standard in the industry and in the geographic area for all industries, as well as necessary to compete for talented employees at all levels of the Bank. Employees that waive medical coverage receive \$40 per bi-weekly payroll. Under

Table of Contents

the group long-term disability plan, Mr. Ritrievi is unable to get the same percentage of coverage as other employees due to the maximum benefit provided for in the plan. In order to afford Mr. Ritrievi the same long-term disability coverage as other employees, a separate supplemental individual policy was purchased with the premium (and Mr. Ritrievi's associated income tax liability) reimbursed by the Bank.

Retirement Plan

In an effort to encourage its employees, including the named executive officers, to save for retirement, the Bank has established a tax-qualified 401(k) retirement plan for employees. The Bank believes that it is important to assist employees in saving for retirement and believes that by providing a mechanism to save for retirement, the Bank is providing the named executive officers with incentive to continue in the employ of the Bank.

Employee Stock Purchase Plan

In 2010, the Board approved an Employee Stock Purchase Plan (the Plan) effective January 1, 2011, to provide eligible employees of the Corporation or the Bank, including the named executive officers, with an opportunity to purchase shares of common stock of the Corporation at fair market value through payroll deductions. The Plan provides participants with a convenient method to acquire an interest in the long-term performance and success of the Corporation, thereby providing them an incentive to ensure the success of the Corporation.

Company Vehicle and Other Perquisites

The President/Chief Executive Officer, the Executive Vice President/Chief Financial Officer, the Executive Vice President/Chief Lending Officer, and the Executive Vice President/Chief Risk Officer are provided a company vehicle. The Executive Vice President/Chief Retail Officer receives a car allowance. Provision of a company vehicle or for a car allowance is standard in the financial services industry as executive officers frequently meet clients and business associates offsite.

The Corporation provides a limited number of other perquisites, including club memberships, to key executives that the Corporation believes are customary for such executives and are reasonable for both conducting business and for retaining key executives. These perquisites are a relatively insignificant portion of the respective executive's compensation.

Accounting and Tax Treatments

There were no decisions or changes made to compensation or benefit plans as a result of accounting and/or tax treatments.

Material Differences in Named Executive Officers' Compensation

The differential between salary levels for each of the named executives is primarily driven by their respective positions with consideration also given to the experience and time in their respective positions.

Employment and Change in Control Agreements

Change in Control Agreements

On November 1, 2016, the Corporation entered into change in control agreements (each, an Agreement), with certain of its executive officers, including, Mr. Ritrievi, Mr. Peduzzi, Mr. Micklewright, Mr. Webb, and Ms. Neiderer. Each Agreement has a fixed three-year term commencing on November 1, 2016 and ending on November 1, 2019, with automatic annual one-year renewals of such Agreement thereafter, absent notice of non-renewal from either party.

In the event an executive s employment is terminated on or within 12 months after a change in control during the term of the Agreement either by the Corporation, other than for death or disability or for a reason other than cause (as defined in the Agreement), or by the executive after the occurrence of certain specified events of good reason described below, the Corporation will pay the executive, other than Mr. Ritrievi, a lump-sum cash payment equal to two

Table of Contents

times the executive's highest annual base salary in effect during the 12 months preceding the executive's termination of employment. For Mr. Ritrievi, he would receive a multiple of three. In addition, the executive and the executive's beneficiaries will remain eligible to participate, on the same terms and conditions as apply from time to time to the Corporation's executive management team, medical, vision and dental programs for two years (three years for Mr. Ritrievi), or a cash payment equal to the estimated after-tax cost to obtain such benefits, or substantially similar benefits, within thirty days following the executive's termination. Payments under the Agreement would be reduced to the extent necessary to avoid an excess parachute payment under Section 280G of the Internal Revenue Code. In the event that the executive becomes entitled to and receives benefits under the Agreement after a change in control, the executive will be subject to a six month non-solicitation covenant. In the event that the executive voluntarily terminates employment during the term of the Agreement prior to a change in control, the executive will be subject to non-compete and non-solicitation covenants for six months.

The specified events of good reason permitting an executive to terminate employment following a change in control and receive payments or benefits under the Agreement include: (i) a diminution in executive's authority, title, duties or responsibilities following a change in control from the authority, title, duties or responsibilities existing as of a change in control; (ii) requirement that the executive perform a substantial portion of his or her duties at a location more than 50 miles from executive's principal executive office on the date of the Agreement; or (iii) a diminution in executive's base salary and other compensation and benefits existing as of a change in control.

If, within ninety days after a termination of executive's employment that entitles such executive to payments under the Agreement, the Corporation's Board becomes aware of facts that, if known during the executive's employment, it reasonably believes would have justified termination of such executive's employment for cause (as defined in the Agreement), the Corporation may refrain from paying any unpaid amounts due under the Agreement or require the executive to promptly, but in no event less than ninety days after notice to such executive of such determination by the Corporation's Board, repay any amounts previously paid or the value of any benefits previously received under the Agreement.

Employment Agreement with Mr. Ritrievi

On November 3, 2016, Mr. Ritrievi entered into an employment agreement with the Corporation and the Bank, which will be for a period of three years from November 3, 2016 and will automatically renew for a total of three years on each anniversary of November 3, 2016. The employment agreement provides that Mr. Ritrievi will serve as the Chief Executive Officer and President of the Corporation and the Bank, reporting to their respective Boards of Directors. During the term of the employment agreement, Mr. Ritrievi will serve on the Bank's Board and will be re-nominated for election to the Corporation's Board, with the Corporation's Board recommending such election to its shareholders, for any annual meeting of shareholders at which the Class of directors in which Mr. Ritrievi is serving will be elected. Mr. Ritrievi's service as Director of the Corporation, the Bank and any affiliate or subsidiary will immediately terminate upon the termination of his employment for any reason.

Under his employment agreement, Mr. Ritrievi is entitled to, among other things: (i) an annual base salary of no less than \$360,488, (ii) participate in any of the Corporation's short-term performance plans generally made available to executives of the Corporation or the Bank, (iii) such stock based incentives as may be granted from time to time by the Corporation's Board under the Corporation's stock based incentive plans and as are consistent with Mr. Ritrievi's responsibilities and performance, (iv) participate in a supplemental executive retirement plan under the terms and conditions as determined by the Bank's Board, (v) participate in or receive the benefits of any employee benefit plan currently in effect at the Bank, subject to the eligibility and terms of each such plan, (vi) certain other perquisites related to paid annual vacation, personal and sick days, and use of a Corporation automobile in accordance with the automobile policy as established from time to time by the Corporation or the Bank. In the event that Mr. Ritrievi

becomes entitled to and receives benefits under the Agreement after a change in control, he will be subject to a 12-month non-solicitation covenant. In the event that Mr. Ritrievi voluntarily terminates employment during the term of the Agreement prior to a change in control, he will be subject to non-compete and non-solicitation covenants for 12 months.

The employment agreement and Mr. Ritrievi's employment may be terminated for cause (as defined in the employment agreement) by written notice from the Corporation or the Bank. If the employment agreement is terminated for cause, Mr. Ritrievi's rights under the employment agreement terminate as of the effective date of termination. The

Table of Contents

employment agreement also terminates without further payments to Mr. Ritrievi as of the termination date, in the event of his voluntary termination of employment or death. In the case of his disability (as defined in the employment agreement), Mr. Ritrievi will become eligible for employer-provided short-term and/or long-term disability benefits, or worker's compensation benefits, in which case the Bank's obligation to pay Mr. Ritrievi his annual base salary will be reduced by such benefits. Under certain other types of disabilities set forth in the employment agreement, the employment agreement will terminate six months following a determination related to such disability by the Corporation's Board.

In the event that Mr. Ritrievi's employment is either involuntarily terminated other than for cause, death or disability, he will continue to receive his base salary in effect on the date of termination for a period equal to the greater of the remaining employment term or six months and participate in the Bank's life, disability, medical/health insurance and other benefits substantially similar to those which Mr. Ritrievi was receiving during the year prior to the date of termination for the same period described above immediately following the date of termination, or a cash payment equal to the estimated after-tax cost to obtain such benefits, or substantially similar benefits. Additionally, if Mr. Ritrievi's employment is involuntarily terminated other than for cause, death or disability, he may elect, with respect to the automobile made available to him, to, as applicable, purchase such vehicle, assume the lease or return the vehicle to the Bank without any further liability.

The employment agreement provides that, in the event that any amounts or benefits payable to Mr. Ritrievi under the employment agreement as a result of his termination of employment, when added to other amounts or benefits which may become payable to him by the Corporation, would be subject to an excise tax, the amounts and benefits payable under the employment agreement will be reduced to such extent as may be necessary to avoid such excise tax.

Letter Agreement with Mr. Peduzzi

On March 12, 2016, Mr. Peduzzi entered into a letter agreement with the Bank, in which the parties agreed that he will serve as the Corporation's and the Bank's Executive Vice President and Chief Financial Officer. Under his letter agreement, Mr. Peduzzi is entitled to, among other things: (i) an annual base salary of \$205,000; (ii) 1,000 shares of the Corporation's common stock; (iii) a \$40,000 sign-on bonus, a portion of which is subject to repayment in the event Mr. Peduzzi voluntarily terminates his employment with us or is terminated for cause prior to the fourth anniversary of his employment commencement date; (iv) generally participate in or receive the benefits of the employee benefit plan currently in effect at the Bank; and (v) certain other perquisites related to paid time off, a country club membership, and use of a Corporation automobile in accordance with the automobile policy, as established from time to time by the Corporation or the Bank.

Risk Analysis of Compensation Practices and Policies

The Bank reviewed its compensation policies and practices for all employees and determined that they do not create risks that are reasonably likely to have a material adverse effect on the Corporation or Bank.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Corporation has no Compensation Committee interlocks. Messrs. Mowery, Abel, Boyer, DeSoto, Quandel and Specht constitute all of the directors who served on the Compensation Committee at any time during 2016. Each of them is an independent outside director. None of them is a current or former officer or employee of the Corporation. During 2016, the Bank engaged in customary banking transactions and had outstanding loans to certain of its directors, executive officers, members of the immediate families of certain directors and executive officers and their associates. These loans were made in the ordinary course of business and were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with persons not related to the lender. In the opinion of management, these loans do not involve more than normal risk of collectability or present other unfavorable features. Rory G. Ritrievi, President and Chief Executive Officer of the Corporation, attended Compensation Committee meetings only when and to the extent requested by the Committee. Mr. Ritrievi did not participate in determining his own compensation.

(1) With the exception of Mr. Peduzzi, all salaries paid to the Executive Officers listed were based on 27 pay periods in 2016. (In most years, including 2015 and 2014, there were 26 pay periods.) Mr. Peduzzi was hired on

- March 21, 2016; therefore, his salary reflects his partial year of employment with us.
- (2) Represents a signing bonus that we awarded to Mr. Peduzzi in connection with his commencement of employment with us pursuant to the terms of his letter agreement, which we describe under Employment and Change in Control Agreements.
 - (3) We calculated these amounts using the provisions of ASC Topic 718. Amounts represent the full grant date fair value of the restricted stock awards granted on August 27, 2014, July 24, 2015, and July 25, 2016. Generally, the shares of restricted stock granted vest 25% on each anniversary of the date of grant (each, a vesting tranche), but only if such named executive officer (i) remains continuously employed through the applicable anniversary date and (ii) during each vesting tranche, purchases and holds an equal number of shares. We include the assumptions used in the calculation of these amounts in the footnotes to our audited financial statements included in our respective Annual Report on Form 10-K for the fiscal years ended December 31, 2014, 2015, and 2016.
 - (4) Includes the amounts on the following table that we paid to or on behalf of the named executive officers.
 - (5) Mr. Williams served as our Interim Principal Financial Officer through March 20, 2016, after which time he became our Vice President, Controller and Senior Accounting Manager.

Retirement Plans

The Corporation does not maintain a defined benefit pension plan for its employees. Mr. Ritrievi, however, participates in the Director Retirement Plan in connection with his service on our Board. We describe the Director Retirement Plan under the caption Compensation of the Board.

The Bank also maintains the Mid Penn Bank Retirement Plan, which is a defined contribution plan and covers all eligible Bank employees, including the named executive officers. The Retirement Plan also has a 401(k) provision for all eligible Bank employees. Eligible employees are entitled to receive a share of the Bank's discretionary profit sharing contribution to the plan for a year if they are Bank employees on December 31st of that year. For 2016, the Board approved a 401(k) safe harbor matching contribution rate of 100% on the first 3% of the employee deferral contributions plus 50% on the next 2% of the employee deferral contributions, up to a maximum Bank contribution of 4%. The Board may adjust its matching rate on an annual basis at its discretion.

The Board makes discretionary contributions to the Retirement Plan based on the recommendation of the Compensation Committee. The Corporation did not make a discretionary profit-sharing contribution for 2016. Distribution under the plan can be made to participating employees upon retirement, either normal or early retirement as

Table of Contents

defined in the plan, at death or disability of the participating employee or upon severing employment if either partially or fully vested. The Retirement Plan's discretionary contributions and non-safe harbor contributions are subject to vesting at the rate of 20% per year after the first two years of service with 100% vesting after six full years of service. The 401(k) safe harbor matching contributions are 100% vested when made. Participants are always 100% vested in their own 401(k) contributions. As of December 31, 2016, each of the named executive officers was 100% vested in their discretionary accounts, except for Mr. Webb and Ms. Neiderer, who were each 60% vested in their discretionary accounts, and Mr. Peduzzi, who was 0% vested.

The following table sets forth information concerning outstanding equity awards held by each named executive officer as of December 31, 2016.

On July 25, 2016, we awarded restricted stock to each of our named executive officers, with the exception of Mr. Williams, under the Restricted Stock Plan, which we describe above under the caption 2014 Restricted Stock Plan. Each named executive officer's shares vest 25% on each anniversary of the date of grant (each, a vesting tranche), but only if the named executive officer (i) remains continuously employed through the applicable anniversary date and (ii) during each vesting tranche, purchases and holds an equal number of shares. In general, a participant will forfeit shares then unvested upon his or her termination of employment for any reason. Upon a participant's death, the participant will vest in unvested shares with respect to the vesting tranche in the year of the participant's death as if the participant remained employed and purchased and held the requisite number of shares for such vesting tranche.

The following table sets forth the number of shares acquired upon the vesting of stock awards by our named executive officers during the fiscal year ended December 31, 2016.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Bank is party to a lease agreement with an entity that is an affiliate of Mr. Noone, a member of the Corporation's Board, in connection with a retail branch property located in Mechanicsburg, Pennsylvania, which has a remaining initial term of 18 years. Following our acquisition of Phoenix Bancorp, Inc., the Bank assumed a lease agreement with the same entity in connection with a retail branch property located in Frackville, Pennsylvania, which has a remaining initial term of 20 years. The aggregate lease payments to such entity, of which Mr. Noone is a 49% limited partner, totaled approximately \$167,000 during 2016. In determining director independence, the Board considered these lease arrangements and concluded they do not impact the independence of Mr. Noone.

Neither the Corporation nor the Bank have entered into any other material transactions, proposed or consummated, with any other director or executive officer of the Corporation or the Bank, or any associate of the foregoing persons. From time to time, the Bank has engaged in and intends to continue to engage in banking and financial transactions in the ordinary course of business with directors and officers and their associates on comparable terms with similar interest rates as those prevailing from time to time for other customers.

Related party transactions greater than \$50,000 must be approved by the Board prior to any commitment by the Bank to any such transaction. Directors do not participate in the discussions and are not present for voting on their own related party transactions. All of the material terms, conditions and purpose of the transaction shall be described in writing and provided to the Board, together with the written request for approval of any such related party transaction. The transaction should be reviewed and approved by the appropriate senior officer before being submitted to the Board for approval. Related party transactions for ongoing or continuing services can be reviewed and pre-approved within reasonable parameters by the Board on an as-needed basis. If the terms, pricing or conditions change so as to go outside the specified parameters cited in the request, the transactions shall be resubmitted for review and approval after the fact.

The Bank has made loans to the Corporation's and the Bank's officers and directors and their immediate families and companies in which they had an ownership interest of 10% or more. Loans to such persons were made in the ordinary course of business, were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable loans with persons not related to the lender and did not involve more than the normal risk of collectability or present other unfavorable features.

PROPOSAL NO. 2: NON-BINDING ADVISORY VOTE ON EXECUTIVE COMPENSATION

In accordance with the requirements of Section 14A of the Securities Exchange Act of 1934, as amended (the Exchange Act) (which was added by the Dodd-Frank Wall Street Reform and Consumer Protection Act (the Dodd-Frank Act)) and the related rules of the SEC, we are including in these proxy materials a separate resolution subject to shareholder vote to approve, in a non-binding advisory vote, the compensation of our named executive officers.

The shareholders approved a proposal at the Corporation's 2013 Annual Meeting of Shareholders to conduct an annual non-binding advisory vote on the Corporation's executive compensation for the named executive officers. The next shareholder advisory vote on the frequency by which shareholders will vote on executive compensation will take place at the 2019 Annual Meeting of Shareholders.

As described in detail in this proxy statement, our executive compensation programs are designed to attract, motivate, reward and retain our named executive officers, who are critical to our success. We are asking our shareholders to indicate their support for our named executive officer compensation as described in this proxy statement. This proposal, commonly known as a "say on pay" proposal, gives our shareholders the opportunity to express their views on our named executive officer compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement. Accordingly, we ask our shareholders to vote **FOR** the following resolution at the Annual Meeting of Shareholders:

Resolved, that the shareholders hereby approve the executive compensation, as described in the Compensation Discussion and Analysis and the tabular disclosure (together with the accompanying narrative disclosure), regarding

named executive officers in this proxy statement.

Because your vote is advisory, it will not be binding upon the Board. However, the Compensation Committee will take into consideration the outcome of the vote when considering future executive compensation arrangements.

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR APPROVAL OF THE EXECUTIVE COMPENSATION, AS DESCRIBED IN THE COMPENSATION DISCUSSION AND ANALYSIS AND THE TABULAR DISCLOSURE REGARDING NAMED EXECUTIVE OFFICERS (TOGETHER WITH THE ACCOMPANYING NARRATIVE DISCLOSURE) IN THIS PROXY STATEMENT.

PROPOSAL NO. 3: RATIFICATION OF THE APPOINTMENT OF BDO USA, LLP AS THE CORPORATION'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2017

The Audit Committee of the Board has appointed BDO USA, LLP as its independent registered public accounting firm for the year ending December 31, 2017. Services provided to the Corporation and the Bank by BDO USA, LLP in 2016 and 2015 are described under the Audit Committee Report, above.

The Corporation is asking its shareholders to ratify the selection of BDO USA, LLP as its independent registered public accounting firm. Although this ratification is not required by the Corporation's By-laws or otherwise, the Board is submitting the selection to its shareholders for ratification as a matter of good corporate practice.

Representatives of BDO USA, LLP will be present at the annual meeting to respond to appropriate questions and to make such statements as they may desire.

THE BOARD UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE FOR RATIFICATION OF THE APPOINTMENT OF BDO USA, LLP AS THE CORPORATION'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2017.

No determination has been made as to what action the Audit Committee would take if shareholders do not ratify the appointment. In the event that shareholders do not ratify the appointment of BDO USA, LLP, the Audit Committee would take a number of factors into account in determining its course of action, including its evaluation of the services provided by BDO USA, LLP and the remaining term of the Corporation's engagement of BDO USA, LLP. Even if the selection is ratified, the Audit Committee in its discretion may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Corporation.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires that officers and directors, and persons who own more than 10% of a registered class of the Corporation's equity securities, file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than 10% shareholders are required by SEC regulation to furnish the Corporation with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of these forms, or written representations from certain reporting persons, the Corporation believes that, during the period from January 1, 2016 through December 31, 2016, its officers and directors complied with all applicable filing requirements.
