**Item 1.01 Entry into a Material Definitive Agreement.**

On April 12, 2017, NuStar Energy L.P. (the Partnership ) entered into an underwriting agreement (the Underwriting Agreement ) with UBS Securities LLC as lead book-running manager and representative of the several underwriters named therein (collectively, the Underwriters ), pursuant to which the Underwriters sold to the public 12,500,000 common units representing limited partner interests in the Partnership (the Firm Units ) at a price to public of \$46.35 per Unit (the Offering ). Pursuant to the Underwriting Agreement, the Partnership granted the Underwriters a 30-day option to purchase up to an additional 1,875,000 Units (the Option Units, and together with the Firm Units, the Units ) on the same terms, which option was exercised in full on April 12, 2017. The aggregate net proceeds to the Partnership for the Units, after underwriting fees and commissions, is approximately \$644.2 million. Certain members of the Board of Directors of NuStar GP, LLC, the general partner of the general partner of the Partnership (the General Partner ), including William E. Greehey, Chairman of the Board of Directors of the General Partner, purchased an aggregate 329,030 Firm Units in the Offering. The Underwriters did not receive a discount or commission on the 329,030 Firm Units sold to these individuals.

A copy of the Underwriting Agreement is filed as Exhibit 1.1 hereto and is incorporated herein by reference. The closing of the issuance and sale of the Units occurred on April 18, 2017. The Offering has been registered under the Securities Act of 1933, as amended (the Securities Act ), pursuant to an automatically effective registration statement on Form S-3 (Registration No. 333-212338) of the Partnership (the Registration Statement ), dated June 30, 2016, and the prospectus supplement dated April 12, 2017, filed with the Securities and Exchange Commission pursuant to Rule 424(b) of the Securities Act. Certain legal opinions related to the Registration Statement are filed herewith as Exhibits 5.1 and 8.1.

The Underwriting Agreement provides that the obligations of the Underwriters to purchase the Units are subject to approval of certain legal matters by counsel to the Underwriters and other customary conditions. The Partnership has agreed to indemnify the Underwriters against certain liabilities, including liabilities under the Securities Act, or to contribute to payments the Underwriters may be required to make because of any of those liabilities.

Net proceeds from the Offering, including the general partner's proportionate capital contribution, are expected to be used by the Partnership to fund a portion of the purchase price for the previously announced acquisition of Navigator Energy Services, LLC (the Acquisition ) and related fees and expenses. Pending the potential use of the net proceeds from the Offering to fund a portion of the purchase price for the Acquisition, the Partnership intends to use the net proceeds from the Offering for the repayment of outstanding borrowings under its revolving credit agreement (the Credit Agreement ). Certain of the Underwriters or their affiliates are lenders under the Partnership's revolving credit agreement and, in that respect, may receive a portion of the proceeds from the Offering through the repayment of borrowings outstanding under the Partnership's revolving credit agreement.

Certain of the underwriters and their related entities have engaged, and may in the future engage, in commercial and investment banking transactions with the Partnership in the ordinary course of their business. They have received, and expect to receive, customary compensation and expense reimbursement for these commercial and investment banking transactions.
