ITEM 2.05. COSTS ASSOCIATED WITH EXIT OR DISPOSAL ACTIVITIES.

On June 29, 2017, Tenneco Inc. determined to undertake a restructuring initiative and close its Clean Air manufacturing plant in O Sullivan Beach, Australia when General Motors and Toyota end vehicle production in the country, which is expected to occur in October 2017. This initiative may include additional restructuring actions with respect to the company's local original equipment Ride Performance operations. All such restructuring activities related to this initiative are expected to be completed by the first quarter of 2018. The company expects to record total charges related to this initiative of approximately \$12 million in the second quarter of 2017 and up to \$8 million in the third quarter of 2017. The charges comprise approximately \$18 million of cash expenditures (including severance payments to employees, the cost of decommissioning equipment, a lease termination payment and other costs associated with this action) and \$2 million of non-cash asset impairments.

SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
