Item 1.01. Entry into a Material Definitive Agreement.***Term Loan Agreement***

On December 15, 2017, CVS Health Corporation (CVS Health) entered into a Term Loan Agreement (the Term Loan Agreement) with the lenders party thereto and Barclays Bank PLC, as administrative agent. The Term Loan Agreement provides for total term loan commitments in an aggregate principal amount of \$5.0 billion and reduces the \$49.0 bridge facility commitments previously described in the Current Report on Form 8-K filed by CVS Health with the Securities and Exchange Commission (the SEC) on December 5, 2017 (the December 5 Current Report) by such principal amount. The Term Loan Agreement was entered into in connection with the previously announced proposed merger (the Merger) of a wholly-owned subsidiary of CVS Health with Aetna Inc., a Pennsylvania corporation (Aetna), pursuant to the Agreement and Plan of Merger, dated as of December 3, 2017 (the Merger Agreement), among CVS Health, Aetna and Hudson Merger Sub Corp., a Pennsylvania corporation and a wholly-owned subsidiary of CVS Health, described in the December 5 Current Report.

The lenders party to the Term Loan Agreement will be obligated to make loans under the Term Loan Agreement upon the satisfaction or waiver of certain conditions, including but not limited to: (i) the occurrence of the Effective Date (which requires the satisfaction or waiver of specified conditions precedent, including, without limitation, the delivery of certain certificates, organizational documents and opinions), (ii) the consummation of the Merger concurrently or substantially concurrently with the making and the funding of the loans under the Term Loan Agreement in all material respects in accordance with the terms of the Merger Agreement, (iii) the absence of a material adverse effect change with respect to Aetna since December 3, 2017, (iv) the truth and accuracy in all material respects of the Target Representations and the Specified Representations (each as defined in the Term Loan Agreement), (v) the absence of specified events of default, (vi) the receipt of certain certificates and (vii) the receipt of certain financial statements. The Effective Date under the Term Loan Agreement occurred on December 15, 2017.

The term loan facility under the Term Loan Agreement consists of a \$3.0 billion three-year tranche and a \$2.0 billion five-year tranche. Borrowings under the Term Loan Agreement will be unsecured. The three-year tranche does not amortize. The five-year tranche amortizes in equal quarterly amounts equal to the percentage per annum as follows: (i) 0% from after the Closing Date to, and including, the first anniversary of the date on which lenders are obligated to make loans under the Term Loan Agreement, (ii) 1.25% from after the first anniversary to, and including, the third anniversary of the date on which lenders are obligated to make loans under the Term Loan Agreement and (iii) 2.5% from after the third anniversary to, and including, the fifth anniversary of the date on which lenders are obligated to make loans under the Term Loan Agreement. Borrowings under the \$3.0 billion three-year tranche will mature and be payable on the three-year anniversary of the date on which lenders are obligated to make loans under the Term Loan Agreement and borrowings under the \$2.0 billion five-year tranche will mature and be payable (to the extent not amortized) on the five-year anniversary of the date on which lenders are obligated to make loans under the Term Loan Agreement.

Borrowings under the Term Loan Agreement will bear interest at a rate per annum equal to, at the option of CVS Health, either the Eurodollar rate or the base rate, plus, in each case, an applicable margin that will depend on the credit ratings by each of Standard & Poor's Ratings Services (S&P) and Moody's Investors Service, Inc. (Moody's) of CVS Health's senior unsecured debt non-credit enhanced long-term indebtedness for borrowed money, as set forth in the Term Loan Agreement. The Eurodollar rate will be an interest rate per annum equal to the London Interbank Offered Rate for the applicable interest rate multiplied by the statutory reserve rate. The base rate will be, for any day, a fluctuating rate per annum equal to the highest of (i) the rate last quoted by The Wall Street Journal as the prime rate or, if The Wall Street Journal ceases to quote such rate, the highest rate per annum published by the Federal Reserve Board as the bank prime loan rate or, if such rate is no longer quoted, any similar release by the Federal Reserve Board, (ii) the Federal Funds effective rate plus $\frac{1}{2}$ of 1.0% and (iii) the one-month reserve adjusted Eurodollar Rate plus 1.0%.

Edgar Filing: CVS HEALTH Corp - Form 8-K

Each lender under the Term Loan Agreement is entitled to a commitment fee, payable quarterly in arrears, at a rate that will depend on the credit ratings by each of S&P and Moody's of CVS Health, as set forth in the Term Loan Agreement, on the undrawn and available commitment of that lender (as determined on a daily basis), accruing from and including February 1, 2018 to but excluding the date on which all commitments under the Term Loan Agreement are terminated.

The Term Loan Agreement contains certain covenants, including limitations on liens; dispositions; mergers or consolidations; acquisitions; restricted payments; limitation on upstream dividends by subsidiaries; and limitation on negative pledges. In addition, the Term Loan Agreement limits the ratio of CVS Health's consolidated indebtedness to total capitalization debt to a maximum of 0.60 to 1.0; provided that (a) from the closing date under the Term Loan Agreement through and including the fiscal quarter ending September 30, 2019, CVS Health will not permit its ratio of consolidated indebtedness to total capitalization at the end of any fiscal quarter to exceed 0.65:1.00 and (b) until the earlier of (i) the occurrence of the closing date under the Term Loan Agreement and (ii) the date that is 30 days following the termination of the Merger Agreement in accordance with its terms, consolidated indebtedness and total capitalization shall each be calculated exclusive of any indebtedness not exceeding \$49.0 billion issued or borrowed by CVS Health for the purpose of financing the Merger (including all of the transaction costs, fees, commissions and expenses in connection therewith) and which is redeemable or prepayable if the Merger is not consummated. The Term Loan Agreement also includes a covenant restricting the incurrence of debt by CVS Health's subsidiaries to up to 15% of net tangible assets. In determining compliance with such test, (i) any indebtedness of Aetna and its subsidiaries existing as of the closing date under the Term Loan Agreement (other than any increase, refinancing or replacement thereof) (the "Aetna Existing Indebtedness") shall be excluded from indebtedness, and (ii) indebtedness that may be incurred by all of CVS Health's subsidiaries (excluding the Aetna Existing Indebtedness and other indebtedness under capital leases incurred in connection with a sale and leaseback transaction) may not exceed \$900.0 million in the aggregate, in each case, until such date as CVS Health shall be in compliance with such test without giving effect to the exclusion in clause (i) above.

The Term Loan Agreement contains customary events of default, such as non-payment of obligations under the Term Loan Agreement, violation of affirmative or negative covenants, material inaccuracy of representations, non-payment of other material debt, bankruptcy or insolvency, ERISA and judgment defaults and change of control.

The foregoing description of the Term Loan Agreement is summary in nature and is qualified in its entirety by reference to the Term Loan Agreement, a copy of which is filed hereto as Exhibit 10.1, and incorporated herein by reference.
