Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On September 12, 2018, the board of directors (the Board) of Palo Alto Networks, Inc. (Palo Alto Networks) amended and restated the bylaws of Palo Alto Networks (as amended and restated, the Bylaws) to, among other things, implement proxy access.

Section 2.15 has been added to the Bylaws to allow a stockholder or a group of no more than 20 stockholders to include nominees for director in Palo Alto Networks proxy materials for an annual meeting of stockholders. More specifically, stockholders or groups of stockholders who have maintained continuous ownership of 3% or more of Palo Alto Networks common stock for at least three years may collectively include a number of director nominees not exceeding the greater of (A) two or (B) 20% of the number of directors in office. Proxy access will first be available in connection with Palo Alto Networks 2019 annual meeting of stockholders.

Palo Alto Networks has engaged in discussions with a number of its stockholders to assess their views on proxy access, allowing the Board to implement terms that it believes will provide meaningful proxy access rights for stockholders while furthering the long-term interests of Palo Alto Networks and its stockholders.

In addition, Section 2.4(a) of the Bylaws has been amended to adjust the dates on which director nominations (not made by means of proxy access) or proposals of other business must be received by Palo Alto Networks in order to be in compliance with the Bylaws. Beginning with Palo Alto Networks 2019 annual meeting of stockholders, such nominations and proposals must be submitted in accordance with the Bylaws not later than the 90th day nor earlier than the 120th day before the one-year anniversary of the date of the preceding year's annual meeting.

The foregoing summary is qualified in its entirety by reference to the full text of the Bylaws, a copy of which is included as Exhibit 3.1 to this report and incorporated by reference.
