PROXY STATEMENT

GENERAL INFORMATION

The enclosed form of proxy is solicited by and on behalf of the Board of Directors of A.G. Edwards, Inc. (the Company) for use at the Annual Meeting of Stockholders to be held on Thursday, June 24, 2004, (the 2004 Annual Meeting) and at any adjournments thereof. The stockholder giving the proxy has the power to revoke it any time before it is exercised by notice in writing to the Secretary of the Company at the Company's principal executive offices at One North Jefferson Avenue, St. Louis, Missouri 63103, by properly submitting to the Company a duly executed proxy bearing a later date, or by attending the meeting and voting in person. The proxy will be voted as specified by the stockholder in the spaces provided or, if no specification is made, it will be voted for Proposals 1, 2 and 3.

This Proxy Statement and form of proxy are first being mailed to the stockholders of the Company on or about May 13, 2004. The solicitation of proxies is being made primarily by the use of the mails. The cost of preparing and mailing this Proxy Statement and accompanying materials, and the cost of any supplementary solicitations, which may be made by mail, telephone, Internet or personally by officers and employees of the Company and its subsidiaries, will be borne by the Company.

Only stockholders of record at the close of business on May 3, 2004, are entitled to notice of, and to vote at, the 2004 Annual Meeting and any adjournments thereof. On May 3, 2004, the Company had 79,959,275 outstanding shares of common stock, par value \$1 (Common Stock). Each outstanding share is entitled to one vote on each director position, and each other matter, to be voted on at the 2004 Annual Meeting. A majority of the outstanding shares of Common Stock present in person or by proxy will constitute a quorum for the transaction of business at the 2004 Annual Meeting. Votes cast by proxy or in person at the 2004 Annual Meeting will be tabulated by the inspectors of election appointed by the Board of Directors for the meeting.

Shares which are entitled to vote but which are not voted at the direction of the beneficial owner (abstentions) and shares represented by proxies or ballots which are marked withhold authority with respect to the election of any one or more nominees for election as directors will be counted for the purpose of determining whether there is a quorum for the transaction of business at the 2004 Annual Meeting.

Abstentions may be specified on Proposal 2 to approve the 2004 Performance Plan for Executives and on Proposal 3 to ratify the appointment of independent auditors, but not on Proposal 1 to elect directors.

The affirmative vote of a plurality of the shares represented at the meeting is required to elect directors. Plurality means that the nominees who receive the largest number of votes cast are elected as directors up to the maximum number of directors to be elected at the 2004 Annual Meeting. Consequently, any shares represented at the 2004 Annual Meeting but not voted for any reason have no impact on the election of directors.

Edgar Filing: EDWARDS A G INC - Form DEF 14A

The affirmative vote of a majority of the shares represented at the meeting is required to approve Proposal 2 to approve the 2004 Performance Plan for Executives and to approve Proposal 3 to ratify the appointment of the independent auditors. Broker non-votes will not be counted with respect to, and will have no effect on, whether the stockholders approve these proposals. Abstentions, however, are counted in determining whether the stockholders have approved these proposals and, thus, have the effect of a vote against these proposals.

PROPOSAL 1: ELECTION OF DIRECTORS

Committees and Meetings of the Board of Directors

Board of Directors; Executive Committee; Executive Sessions

The business of the Company is under the general management of the Board of Directors of the Company (the Board) as provided by the laws of Delaware, the state of incorporation. The Board currently consists of seven members. The Board generally meets at least quarterly and held four meetings during the 2004 fiscal year. Between Board meetings, Board responsibilities are delegated to the Executive Committee, comprised of two Board members. The Executive Committee did not meet during the 2004 fiscal year.

The independent (determined as described below) directors will regularly meet in executive sessions without management or any management director present, in order to promote discussions without influence by the presence of management. For each fiscal year, beginning with fiscal year 2005, the independent directors will elect a director to preside (Presiding Director) at such executive sessions. If for any reason a Presiding Director has not been elected to serve at such an executive session, the directors attending such meeting will elect by majority vote one of the attendees to serve as the Presiding Director at such meeting. For fiscal year 2005, Dr. E. Eugene Carter will serve as the Presiding Director.

A stockholder of the Company may communicate with the Presiding Director of the executive sessions or any independent director or management director by sending an e-mail to shareholderrelations@agedwards.com or by sending written correspondence to: A.G. Edwards, Inc., Presiding Director/Board of Directors, c/o Corporate Secretary, One North Jefferson Avenue, St. Louis, MO 63103. All such communications will be made available promptly to the Presiding Director or any other independent or management director, as appropriate.

Independent Directors

Pursuant to the New York Stock Exchange listing standards, the Board has adopted categorical standards to assist it in making its determination of director independence. In accordance with these standards and based on all relevant facts and circumstances, a director must be determined by the Board to have no material relationship with the Company, either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company. These standards specify the criteria by which the independence of the Company's directors will be determined, including standards for directors and their immediate family members with respect to past employment or affiliation with the Company or its independent auditor. The full text of these standards is attached as Exhibit A to this Proxy Statement. In addition, the full text of the standards for non-management directors, that is, directors who are not members of management but who do not meet the standards for independence, is attached as Exhibit B to this Proxy Statement. Currently the Company has no non-management directors.

The Board has determined that the following five directors are independent under these standards: Dr. E. Eugene Carter, Vicki B. Escarra, Samuel C. Hutchinson Jr., Peter B. Madoff and Mark S. Wrighton (the Independent Directors). Thus, the Independent Directors represent a majority of directors serving on the Board.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee of the Board consists of the five Independent Directors. The Nominating and Corporate Governance Committee met twice during the 2004 fiscal year to, among other actions, recommend to the Board the nomination of the directors described in this Proxy Statement and enclosed form of proxy. Stockholders also may make nominations for directors. Stockholders wishing to propose nominees for consideration at the 2004 Annual Meeting must comply with a Bylaw provision dealing with nominations. For a discussion of stockholder nominating procedures, see Stockholder Proposals.

The Nominating and Corporate Governance Committee is responsible for identifying individuals qualified to become members of the Board, consistent with the Board's criteria and corporate governance guidelines, and recommending to the Board the proposed nominees for directors for the next Annual Meeting of Stockholders. In selecting qualified nominees for directors, the Nominating and Corporate Governance Committee has established criteria upon which to make such selections. These criteria include an individual's character, acumen, judgment,

diversity of experience, and ability to contribute to the Company's overall goals to serve the best interests of the Company's clients and demonstrate responsibility to the Company's stockholders. Within these criteria, the Nominating and Corporate Governance Committee will identify individuals qualified to become directors on the Board and will conduct appropriate inquiries into the backgrounds and qualifications of possible nominees. The Nominating and Corporate Governance Committee will also use these criteria in evaluating nominees recommended by any of the Company's stockholders.

A copy of the Nominating and Corporate Governance Charter is available on the Company's Website at www.agedwards.com and may be accessed by entering onto the Company's Website and clicking on the following links on each successive screen: About A.G. Edwards link, then the Investor Relations link and then the Corporate Governance link.

Compensation Committee

The Board has a Compensation Committee comprised of the Independent Directors. The Compensation Committee held three meetings during the 2004 fiscal year. The Compensation Committee was responsible for establishing the compensation of Robert L. Bagby and the award under the Performance Plan for Executives to four other executives for the 2004 fiscal year. The Compensation Committee of A.G. Edwards & Sons, Inc., a wholly-owned subsidiary of the Company (the Brokerage Company), determined the compensation of all employees for the 2004 fiscal year, including officers of the Company, with the exception of Robert L. Bagby, the award under the Performance Plan for Executives to four other executive officers, and except for the compensation of research analysts which was determined by the Research Compensation Committee of the brokerage company. (See also Joint Report of the Compensation Committees of the Brokerage Company and the Company.)

A copy of the Compensation Committee Charter is available on the Company's Website at www.agedwards.com and may be accessed by entering the Company's Website and clicking on the following links on each successive screen: About A.G. Edwards link, then the Investor Relations link and then the Corporate Governance link.

Audit Committee

The Audit Committee of the Board consists of the Independent Directors and held four meetings during the 2004 fiscal year. During fiscal year 2004 and in accordance with its written charter as adopted by the Board, the Audit Committee performed the following principal functions: (i) reviewed quarterly and year-end financial statements with the independent auditors, internal auditors and management; (ii) reviewed the scope of the external and internal audits and reports with the independent and internal auditors and management; (iii) reviewed the independent auditor's management letter and management's response thereto; (iv) recommended the selection of the Company's independent auditors for the fiscal year 2004; (v) reviewed the quality and depth of the Company's internal audit, accounting and financial staffs; and (vi) reviewed and approved the rendering of audit and non-audit services by the independent auditors. (See also Report of the Audit Committee.)

The Board has determined that each of the members of the Audit Committee is independent, as defined under the rules of the New York Stock Exchange, including as required by such rules, the special standards established by the Securities and Exchange Commission (the SEC) for members of audit committees. The Board also determined that Dr. E. Eugene Carter is an independent director who is an audit committee financial expert, as defined in the Securities and Exchange Commission (the SEC) rules. This designation is a disclosure requirement of the SEC related to Dr. Carter's experience and understanding with respect to certain accounting and auditing matters. The designation does not impose on Dr. Carter any duties, obligations or liability that are greater than are generally imposed on him as a member of the Audit Committee and the Board, and his designation as an audit committee financial expert by the Board pursuant to this SEC requirement does not affect the duties, obligations or liability of any other member of the Audit Committee or Board.

On February 20, 2004, the Board adopted a revision to the charter of the Audit Committee to comply with the requirements of the New York Stock Exchange revised listing standards. A copy of the Audit Committee Charter is available on the Company's Website at www.agedwards.com and may be accessed by entering the Company's Website and clicking on the following links on each successive screen: About A.G. Edwards link, then the

Investor Relations link and then the Corporate Governance link. A copy of the Audit Committee Charter is provided as Exhibit C to this Proxy Statement.

Meeting Attendance

During the 2004 fiscal year, all directors attended at least 80 percent of all meetings of the Board and the committees of the Board on which each served. The Company does not require Director attendance at its annual meeting of stockholders; however, all directors attended the 2003 Annual Meeting of Stockholders.

Nominees for Directors

The Company's Certificate of Incorporation and Bylaws provide for a classified Board, with the Board divided into three classes whose terms expire at different times. As previously stated, the Company presently has seven directors. Three members are to be elected to the Board at the 2004 Annual Meeting, each to serve for a term of three years expiring in 2007. Upon their election, the Company will continue to have seven directors. The Nominating and Corporate Governance Committee and the Board have made three nominations for directors. The nominees, Robert L. Bagby, Dr. E. Eugene Carter and Peter B. Madoff, are currently directors of the Company.

The persons named in the enclosed form of proxy intend to vote the proxies in favor of the election of the nominees listed below to serve as directors of the Company for terms expiring in 2007 or until the election and qualification of their successors, unless the stockholder indicates on the form of proxy that the vote should be withheld or contrary directions are indicated. If one or more nominees shall become unavailable for any reason, the Board of Directors, in its discretion, may, unless the Board of Directors provides by resolution for a lesser number of directors, designate one or more substitute nominees, in which case such proxies will be voted for such substituted nominees. The Board of Directors has no reason to doubt the availability of any of the nominees, and each has indicated a willingness to serve on the Board if elected. All of the directors currently serving on the Board have been elected by the stockholders.

- (1) Amounts shown include both Restricted Share and Phantom Stock Credit awards issued under the 1988 Plan, which are valued based on the market value, as defined under the plan, of Common Stock on the Consolidated Transaction Reporting System on the determination date of such awards. The awards are made as of the end of the fiscal year for which they are awarded for service during that fiscal year. Restricted Shares can be awarded to participants in the 1988 Plan who are under age 60. The restrictions on Restricted Shares lapse three years after their award date. Participants who are 60 years of age or older (Over 60 Participants) do not receive Restricted Shares. Instead, they are awarded Phantom Stock Credits which serve as the basis for an award of Restricted Shares two years after their award date (Deferred Award Date), with each Phantom Stock Credit representing the right to receive one Restricted Share. The number of Phantom Stock Credits awarded to an Over 60 Participant is adjusted to reflect dividends on the Common Stock. Restricted Shares awarded as of any Deferred Award Date are subject to all of the terms and restrictions applicable to other Restricted Shares, except the restrictions last for only nine months.
- (2) The awards of Restricted Shares, Phantom Stock Credits and Options contain provisions for the accelerated lapsing of the restrictions for Restricted Shares (including those issued based on Phantom Stock Credits) and the accelerated exercisability of Options in the event of a merger, consolidation, acquisition, sale or transfer of assets, tender, or exchange offer or other reorganization in which the Company does not survive as an independent publicly owned company.
- (3) The aggregate number and value of Restricted Shares and Phantom Stock Credits held by the persons named in the table as of February 29, 2004, are as follows: Mr. Bagby, 8,442 shares and 5,536 credits \$534,239; Mr. Goldman, 2,301 shares and 7,048 credits \$357,319; Mr. Kelly, 9,525 shares and -0- credits \$364,046; Mr. Kessler, 9,279 shares and -0- credits \$354,643; and Mr. Miller, 4,359 shares and -0- credits \$166,601.

8

- (4) Dividends are paid on unvested Restricted Shares and adjustments are made to Phantom Stock Credits for dividends as discussed in Note 1 to this table above; such dividends and adjustments are equal in amount to the dividends paid on shares of Common Stock.
- (5) Amounts shown consist of the following: (i) amounts set aside under the Company's Retirement and Profit Sharing Plan for the 2002, 2003 and 2004 fiscal years, respectively Mr. Bagby, \$13,089, \$12,965 and \$13,975; Mr. Goldman, \$13,089, \$12,965 and \$13,975; Mr. Kelly, \$13,089, \$12,965 and \$13,975; Mr. Kessler, \$13,089, \$12,965 and \$13,975; and Mr. Miller, \$13,089, \$12,965 and \$13,975; and (ii) amounts credited to accounts under the Company's Excess Profit Sharing Deferred Compensation Plan for the 2002, 2003 and 2004 fiscal years, respectively Mr. Bagby, \$86,911, \$83,467 and \$86,769; Mr. Goldman, \$66,887, \$37,924 and \$39,189; Mr. Kelly, \$61,607, \$37,406 and \$40,531; Mr. Kessler, \$62,786, \$36,369 and \$37,308; and Mr. Miller, \$52,375, \$29,608 and \$35,139.

Compensation Committee Interlocks and Insider Participation

All of the members of the Compensation Committee of the Brokerage Company (as named on page 14), and of the Research Compensation Committee, are officers of the Company or one of its subsidiaries. Messrs. Bagby and Kessler are directors of the Company and are officers or directors of the Company or one of its subsidiaries.

**JOINT REPORT OF THE COMPENSATION COMMITTEES
OF THE BROKERAGE COMPANY AND THE COMPANY**

The Compensation Committee of the Brokerage Company (the Brokerage Committee) determined the compensation for the fiscal year ended February 29, 2004, (the 2004 fiscal year) of all officers of the Company with the exception of compensation of officers in the Research Department and with the exception of compensation for Robert L. Bagby and the award under the Performance Plan for Executives to four other executive officers. The Research Compensation Committee of the Brokerage Company determined the compensation for officers in the Research Department. The Compensation Committee of the Company (the Company Committee) determined the compensation of Robert L. Bagby.

It is the policy of the Company to have a substantial portion of each officer's annual compensation directly related to the performance of the Company. The policy is applied consistently to all the Named Executive Officers, including Mr. Bagby.

For the 2004 fiscal year, the annual compensation of the Named Executive Officers had seven components, each of which is discussed below. The Company seeks to structure compensation for its executive officers so that all of the compensation is deductible by the Company for federal income tax purposes, including meeting the requirements of Section 162(m) of the Internal Revenue Code of 1986, as amended (the Internal Revenue Code), for deductibility of compensation in excess of a certain amount. However, if the Company is not able to structure compensation for its executive officers so that all such compensation is deductible, the Board of Directors of the Company, the Company Committee or the Brokerage Committee, as appropriate, will make a determination in its business judgment as to the appropriate compensation for such executives considering the benefits and the costs to the Company, including in its considerations the additional costs arising from the inability to deduct part or all of the compensation.

Base Salary. A base salary was set prior to the beginning of the 2004 fiscal year by the Brokerage Committee for each Named Executive Officer other than Mr. Bagby and by the Company Committee for Mr. Bagby. Base salaries are intended to be relatively moderate, but competitive, for the Company's industry. The Base Salary for Mr. Bagby remained at \$456,000 for the 2004 fiscal year consistent with the determination by the Brokerage Committee that most officers would not receive salary increases because of market and industry conditions.

Corporate Executive Bonus Plan. The Corporate Executive Bonus Plan is designed to provide certain officers and key employees of the Company and its subsidiaries with direct participation in the profitability of the Company. Unless the Company has a specified minimum of pre-tax earnings (\$2,500,000 in the 2004 fiscal year), no payment is made under the plan. Awards under the plan are based on a prescribed formula. The formula for bonus accrual (the bonus pool) is determined prior to the beginning of each fiscal year by the Board of Directors of the Company and is based on (i) the Company's consolidated earnings before provision for income taxes, certain employee bonuses and discretionary Profit Sharing Plan contributions, (ii) certain branch office profits, and (iii) the net revenues of certain departments. The Board of Directors of the Company has discretion to increase or decrease the amount subject to the plan.

Eligible officers are assigned shares in the bonus pool prior to the beginning of the fiscal year. Such shares are assigned based on the officer's position and responsibility with the Company and individual performance. Eligible officers, other than Mr. Bagby, were assigned shares for the 2004 fiscal year by the Brokerage Committee. The Company Committee assigned 100 shares to Mr. Bagby for the 2004 fiscal year, the same number of shares he had for the prior fiscal year. No officer has ever received more than 100 shares. During the 2004 fiscal year, three officers, including Mr. Bagby and two other Named Executive Officers, received 100 shares. At the beginning of the 2004 fiscal year, a total of 11,594 shares were assigned to 614 eligible officers.

Under the Corporate Executive Bonus Plan, after the end of the fiscal year, the accrued bonus pool is mathematically divided into two separate portions, consisting of two-thirds and one-third, respectively. The two-thirds portion is distributed in accordance with the number of shares previously assigned to each participant. The one-third portion is distributed based on a formula which weighs each participant's shares by the participant's base salary. The sum of the two portions is each participant's total Corporate Executive Bonus for the fiscal year and is paid after the end of the fiscal year.

The Corporate Executive Bonus Plan limits the amount that can be paid to individual participants so that all compensation paid under the Corporate Executive Bonus Plan is tax deductible by the Company. To the extent amounts may not be paid under the Corporate Executive Bonus Plan to individual participants because of the tax limitation, the amounts may be paid under the Performance Plan for Executives (the

Performance Plan) if the conditions of the Performance Plan are met.

Performance Plan for Executives. The Performance Plan was adopted solely in response to the enactment of Section 162(m) of the Internal Revenue Code (Section 162(m)) in 1993. Section 162(m) requires conditions to be met for certain compensation of specified executive officers to be deductible. In order to meet the conditions of Section 162(m) with no significant change in the compensation structure of the Company, the Corporate Executive Bonus Plan was amended to limit compensation which would otherwise be payable under the Corporate Executive Bonus Plan. The Performance Plan was adopted in order to pay the compensation which, but for the limitation, would have been payable under the Corporate Executive Bonus Plan. The Company's intent for these two plans is, and the provisions of such plans are drafted, to provide that the combined plans will operate in the same manner as the Corporate Executive Bonus Plan operated prior to the enactment of Section 162(m), subject only to certain limitations on payments.

The participants in the Performance Plan (the Plan Participants) are those employees of the Company who are: (i) covered employees under Section 162(m), (ii) designated individually or by class description to be Covered Employees under the Performance Plan by the Company Committee, and (iii) participants under the Corporate Executive Bonus Plan. The Company Committee has designated all executive officers of the Company to be Covered Employees under the Performance Plan, and all of the executive officers of the Company are participants in the Corporate Executive Bonus Plan. Section 162(m), however, limits covered employees to only the Chief Executive Officer of the Company and the four highest compensated officers of the Company (other than the Chief Executive Officer). Accordingly, in any fiscal year, there can be no more than five Plan Participants under the Performance Plan.

The performance goals for the Performance Plan were approved by the stockholders in 1994 and are the same as for the Corporate Executive Bonus Plan. The actual amount payable to a Plan Participant in a fiscal year under the Performance Plan is the lesser of: (i) the amount of reduction in payments to the Plan Participant as a participant under the Corporate Executive Bonus Plan for that fiscal year as a result of Section 162(m), (ii) the Plan Participant's Initial Bonus Amount for that fiscal year, and (iii) the Maximum Bonus Amount for that fiscal year. A Plan Participant's Initial Bonus Amount each fiscal year is equal to the amount that the Plan Participant would be prohibited from receiving under the Corporate Executive Bonus Plan as a result of Section 162(m) as determined solely from fixed assumptions contained in the Performance Plan and information known as of the beginning of the fiscal year. The Maximum Bonus Amount for each Plan Participant was \$4,715,895 for fiscal year 2004. The Maximum Bonus Amount increases each fiscal year by 10% over the prior fiscal year. Before any amount can be paid under the Performance Plan, the Company Committee must certify in writing that the performance goals and the material terms of the Performance Plan were satisfied. The Company Committee certified that the performance goals and material terms were satisfied for the 2004 fiscal year and the amounts paid to Mr. Bagby are included in the bonus amount in the Summary Compensation Table.

Discretionary Bonus. The Chief Executive Officer may award a discretionary bonus to any officer other than himself, and the Company Committee may award a discretionary bonus to the Chief Executive Officer. The discretionary bonus is intended to reward efforts or results by an individual which are not recognized or compensated by other compensation. No objective standards, criteria or established targets are used to determine the amount of the discretionary bonuses.

1988 Incentive Stock Plan. The 1988 Plan is designed to motivate employees, including executive officers, of the Company and its subsidiaries through the incentives inherent in stock ownership by providing the opportunity to obtain or increase a proprietary interest in the Company on a favorable basis. The 1988 Plan provides for the granting of Options or Restricted Shares, or both. For fiscal year 2004, if Options were granted, the participant received an option to purchase 2.5 times the number of shares that would have been granted as Restricted Shares. The Named Executive Officers were awarded, for fiscal year 2004, an amount equal to 25% of each such officer's Corporate Executive Bonus and Performance Plan Bonus (as described above); provided, in no event could the award amount for any participant exceed an amount set by the 1988 Plan, which was \$300,000 in the 2004 fiscal

year. Accordingly, the awards of Options and Restricted Shares were related to the profitability of the Company in substantially the same manner as the awards under the Corporate Executive Bonus Plan and the Performance Plan.

The Options provide for the purchase of shares of Common Stock at market value on the determination date and do not become exercisable until three years after the date of award. Because the value of the Options is dependent on the increase of the market value of the Common Stock over at least a three year period, the Options provide a long-term incentive for the executives to stay with the Company and to increase the market value of the Common Stock.

Restricted Shares were also awarded based on the market value of the Common Stock on the determination date (participants 60 years of age and over on the date Restricted Shares are awarded receive Phantom Stock Credits, in lieu of Restricted Shares, which serve as the basis for an award of Restricted Shares two years after the award date). The Restricted Shares are subject to restrictions for three years after their award

Edgar Filing: EDWARDS A G INC - Form DEF 14A

except those shares converted from Phantom Stock Credits which are subject to a nine-month restricted period after conversion. Again, by an award of Restricted Shares, the executives are encouraged to remain with the Company and to increase the market value of the Common Stock.

Retirement and Profit Sharing Plan. The Company maintains a Retirement and Profit Sharing Plan (the Profit Sharing Plan), which is qualified under Section 401 of the Internal Revenue Code. In addition to certain non-matching contributions, the Company may make a discretionary contribution as determined each year by the Board of Directors of the Company. On February 21, 2003, the Board of Directors of the Company approved an accrual formula for the discretionary contribution to the Profit Sharing Plan for the 2004 fiscal year in an amount not less than 7% and not more than 10% of the Company's earnings on a consolidated basis and before certain bonuses, Company discretionary Profit Sharing Plan contributions and taxes on income. The maximum total Company and employee contribution allowable with respect to any employee under the Profit Sharing Plan in the last fiscal year was \$40,000; however, because of the contribution rate and other limitations on recognized compensation in the Profit Sharing Plan, the actual maximum Company contribution with respect to any employee was less than that amount.

Excess Profit Sharing Deferred Compensation Plan. The Company has established the Excess Profit Sharing Deferred Compensation Plan (the Excess Benefit Plan) to provide deferred compensation to certain participants in the Profit Sharing Plan whose benefit in the Profit Sharing Plan is subject to limitations imposed by the Profit Sharing Plan. Contributions to the Excess Benefit Plan are based on the same basic formula as the Profit Sharing Plan, but without regard to certain limitations imposed by the Internal Revenue Code on the benefits of highly compensated employees. The maximum aggregate contribution by the Company for any employee under both the Profit Sharing Plan and the Excess Benefit Plan in the last fiscal year was \$300,000; accordingly, the maximum benefit with respect to any employee under the Excess Benefit Plan was the difference between \$300,000 and the Profit Sharing Plan Company contribution with respect to such employee.

Procedures for Compensation of Mr. Bagby. Prior to the beginning of the 2004 fiscal year, the Company Committee considered the compensation of Mr. Bagby for the 2004 fiscal year. The Company Committee reviewed the seven components of the compensation structure of the Company, the historical performance of the structure, the consistency of the compensation components for Mr. Bagby with the components for other officers, the guidelines used for determining the base salaries of other officers, and the compensation of officers in other companies in the industry. The Company Committee also considered that for the fiscal year 2004, the Brokerage Committee had determined that most officers would not receive salary increases because of market and industry conditions. Based on the review, the Company Committee determined to keep the base salary for Mr. Bagby at \$456,000 and that the other components of his compensation should not be changed from the prior year. After the end of the fiscal year, the Company Committee determined that the goals for the Performance Plan had been satisfied.

REPORT OF THE AUDIT COMMITTEE

In accordance with its written charter adopted by the Board of Directors (the Board), the Audit Committee of the Board (the Committee) assisted the Board in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing and financial reporting practices of the Company. In addition to chairing Committee meetings, the Committee chair, as representative of the Committee, discussed the interim financial information contained in each quarterly earnings announcement with management and the independent auditors prior to release.

The Committee reviewed the audited financial statements of the Company as of and for the fiscal year ended February 29, 2004 with management and the independent auditors. Management is responsible for the financial reporting process, including the system of internal controls, and for the preparation of consolidated financial statements in accordance with accounting principles generally accepted in the United States. The Company's independent auditors are responsible for auditing those financial statements. The Committee's responsibility is to monitor and review these processes. However, the Committee members are not professionally engaged in the practice of accounting or auditing and are not experts in the fields of accounting or auditing, including with respect to auditor independence. Committee members rely, without independent verification, on the information provided to them and on the representations made by management and the independent auditors.

In discharging its oversight responsibility as to the audit process, the Audit Committee obtained from the independent auditors a formal written statement describing all relationships between the auditors and the Company that might bear on the auditors' independence consistent with Independence Standards Board No. 1 (Independence Discussions with Audit Committees), discussed with the auditors any relationships that may impact their objectivity and independence and satisfied itself as to the auditors' independence. The Committee also discussed with management, the internal auditors and the independent auditors the quality and adequacy of the Company's internal controls and the internal audit function's organization, responsibilities and staffing. The Committee reviewed with both the independent and internal auditors their audit plans, audit scopes, and identifications of audit risks.

The Committee discussed and reviewed with the independent auditors all communications required by generally accepted auditing standards, including those described in Statement on Auditing Standards No. 61, as amended (Communication with Audit Committees) and, with and without management present, discussed and reviewed the results of the independent auditors' examination of the financial statements. The Committee also discussed the results of the internal audit examinations.

Edgar Filing: EDWARDS A G INC - Form DEF 14A

Based on the above-mentioned review and discussions with management and the independent auditors, the Committee recommended to the Board that the Company's audited financial statements be included in its Annual Report on Form 10-K for the fiscal year ended February 29, 2004, for filing with the SEC. The Committee also appointed, subject to shareholder ratification, Deloitte & Touche LLP as the Company's independent auditors, and the Board concurred in such appointment.

Pre-Approval of Services Provided by the Company's Independent Auditor

Consistent with SEC rules regarding auditor independence, the Audit Committee has established a policy governing the provision of audit and non-audit services to the Company.

Pursuant to this policy, the Audit Committee is required to pre-approve all audit and non-audit services performed by the Company's independent auditor, as well as fees associated with such services, in order to assure that the provision of such services does not impair the auditor's independence. Unless a service to be provided has received general pre-approval, such service and related fees require specific pre-approval by the Audit Committee. Any proposed service exceeding pre-approved costs also requires specific pre-approval. The term of any pre-approval is 12 months from the date of pre-approval, unless the Audit Committee specifically provides for a different period or revokes a prior pre-approval.

The Audit Committee has delegated pre-approval authority to the Chair of the Audit Committee for time-sensitive services. The exercise of such authority must be reported to the Audit Committee at its next regularly scheduled meeting.

Principal Accounting Firm Fees

The following table presents fees for professional services rendered by Deloitte & Touche LLP for the audit of the Company's consolidated financial statements for the years ended February 29, 2004, and February 28, 2003, and fees billed for other services rendered by Deloitte & Touche LLP during those periods.

	<u>2004</u>	<u>2003</u>
Audit fees (a)	\$ 785,500	\$ 752,200
Audit-related fees (b)	\$ 249,710	\$ 124,700
Tax fees (c)	\$ 186,008	\$ 238,740
All other fees (d)	\$ 5,000	\$ 10,000
Total	\$ 1,226,218	\$ 1,125,640

-
- (a) Audit fees consist of fees related to the audit work of the Company's consolidated financial statements, reviews of the Company's quarterly financial statements and statutory audits of certain subsidiaries.
- (b) Audit-related fees consist of assurance and related services provided by Deloitte & Touche LLP that are reasonably related to the performance of the audit or review of the Company's consolidated financial statements and are not reported above under Audit fees, and primarily consist of employee benefit plan audits and work in conjunction with audits and other required services for the Company or one or more of its subsidiaries. In 2004, audit-related fees included fees relating to Sarbanes-Oxley Act, Section 404 advisory services.
- (c) Tax fees include all services performed by the independent auditor's tax personnel, except those services related to the audit and review of the Company's financial statements and consisted primarily of tax compliance, advisory and planning services. Tax-compliance-related fees accounted for \$105,289 in 2004 and \$165,862 in 2003.

- (d) All other fees consist of fees for permissible non-audit services that the Audit Committee believes did not impair the independence of Deloitte & Touche LLP.

CERTAIN TRANSACTIONS

Directors and executive officers of the Company have been clients of and have had brokerage transactions with the Company in the ordinary course of business. Included in such transactions are the maintenance of margin accounts and the extension of credit under Federal Reserve Regulation T. Such transactions were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other clients and did not, and do not, involve more than the normal risk of collectibility or present other unfavorable features.

17

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

The Securities Exchange Act of 1934, as amended, requires all executive officers, directors and beneficial owners of more than 10% of the Company's Common Stock to report any changes in the ownership of Common Stock of the Company to the Securities and Exchange Commission, the New York Stock Exchange and the Company. Based solely upon a review of these reports and written representations regarding the filing of the reports, the Company believes that all reports were filed on a timely basis.

PROPOSAL 2: ADOPTION OF THE A.G. EDWARDS, INC. 2004 PERFORMANCE PLAN FOR EXECUTIVES

The Board of Directors of the Company (the Board) has adopted, subject to the approval of the stockholders of the Company, the 2004 Performance Plan for Executives (the 2004 Performance Plan), which will be administered by the Compensation Committee of the Board (the Committee). Both the current Performance Plan and the 2004 Performance Plan were adopted to comply with Section 162(m) of the Internal Revenue Code (Section 162(m)), which limits the deductibility of compensation for specified executive officers (Participants) unless certain requirements are met. One of the requirements is that stockholder approval be obtained for the performance goals established in the plan for the Company to claim federal tax deductions in the event payments under the 2004 Performance Plan result in compensation in excess of \$1,000,000 to an individual participant. Section 162(m) only applies to, and accordingly Participants in the 2004 Performance Plan are limited to, the chief executive officer of the Company and the four other highest compensated officers of the Company and its subsidiaries, as defined in Section 162(m). The Board has adopted and is recommending to stockholders approval of the 2004 Performance Plan because the Company is in the process of implementing a new performance management system for all officers, including the Participants, which will provide for a portion of annual compensation to be based on individual achievements. The current Performance Plan does not provide the Committee the ability to determine compensation to Participants based on individual achievements because it pays a bonus based on a formula determined on the profitability of the Company. As described in the Joint Report of the Compensation Committees of the Brokerage Company and the Company (the Joint Report), see pages 11-14, the current Performance Plan provides for amounts to be paid to Participants to the extent any amount cannot be paid under the Corporate Executive Bonus Plan. Any amounts paid under the Corporate Executive Bonus Plan and thus the current Performance Plan are based on amounts determined only on the profitability of the Company.

Under the 2004 Performance Plan, eligible Participants may receive performance-based compensation (Incentive Compensation), as defined under Section 162(m), which includes, but is not limited to, cash bonuses, a credit to the account under the A.G. Edwards, Inc. Excess Profit Sharing Deferred Compensation Plan, an award of Restricted Stock or other benefit under the A.G. Edwards, Inc. 1988 Incentive Stock Plan, or any other form of payment approved by the Committee. The formula for calculating the permissible amount of annual Incentive Compensation that may be paid to a Participant, subject to the maximum Incentive Compensation limitation as stated below, under the 2004 Performance Plan is two and one-half percent of the sum of 1) Earnings Before Income Taxes as reported in the Consolidated Statement of Earnings contained in the Company's Annual Report on Form 10-K and 2) amounts accrued for bonuses and discretionary contributions to the Retirement and Profit Sharing Plan for the fiscal year. Under the 2004 Performance Plan, the Committee will have the authority to pay Incentive Compensation less than amounts calculated using the above formula, but in no event will a Participant be paid in excess of the maximum Incentive Compensation payable for a fiscal year. The maximum Incentive Compensation is a continuation of the maximum Incentive Compensation provisions contained in the current Performance Plan (see page 12 of the Joint Report.) and would equal \$5,706,233 for fiscal year 2006, which, if approved, would be the first fiscal year the 2004 Performance Plan is effective.

The complete text of the 2004 Performance Plan is set forth in Exhibit D of this Proxy Statement. The foregoing summary of the 2004 Performance Plan is subject to the provisions contained in the complete text.

Edgar Filing: EDWARDS A G INC - Form DEF 14A

The affirmative vote of a majority of the votes cast, present or represented by proxy, at the 2004 Annual Meeting will constitute approval of the 2004 Performance Plan. **The Board of Directors recommends a vote FOR the approval of the 2004 Performance Plan.**

(1) The Company's 1988 Incentive Stock Plan and the 2002 Employee Stock Purchase Plan were approved by stockholders.

(2) The Company has one plan that was not submitted for approval by the stockholders, the Non-Employee Director Stock Compensation Plan. This plan provides that one-half of the annual compensation, as defined, for each non-employee director of the Company shall be awarded in Common Stock with the value of the stock based on the market price on July 1 of the fiscal year in which the compensation is earned.

PROPOSAL 3: APPOINTMENT OF INDEPENDENT AUDITORS

The Audit Committee has appointed Deloitte & Touche LLP, Certified Public Accountants, as independent auditors of the Company for the fiscal year ending February 28, 2005.

Deloitte & Touche LLP, or its predecessor firms, have served as the independent auditors of the Company since its incorporation in 1983 and of the Brokerage Company for more than fifty years. A representative of Deloitte & Touche LLP will be present at the 2004 Annual Meeting, will have the opportunity to make a statement and will be available to respond to appropriate questions.

Although this appointment is not required to be submitted to a vote of stockholders, the Board of Directors believes it is appropriate as a matter of good corporate practice to request that the stockholders ratify the appointment of Deloitte & Touche LLP as independent auditors of the Company for the fiscal year ending February 28, 2005. If the stockholders do not ratify such appointment, the Audit Committee will investigate the reasons for stockholder rejection and will reconsider the appointment.

The Board of Directors recommends a vote FOR the ratification of the appointment of Deloitte & Touche LLP as independent auditors.

Any stockholder proposals to be presented at the 2005 Annual Meeting of Stockholders must be received by the Company no later than January 13, 2005, at its principal executive office at One North Jefferson Avenue, St. Louis, Missouri 63103 in order to be considered for inclusion in the Company's proxy statement and proxy relating to that meeting.

At any stockholder meeting, the Chairman of the meeting may refuse to acknowledge the nomination of any person, or the proposal of any business, not made in compliance with the Bylaws. The foregoing requirements are separate from, and in addition to, the requirements a stockholder must meet to have a proposal included in the Company's proxy statement for any meeting (which is described in the first paragraph under this Shareholder Proposals section). Any stockholder desiring a copy of the Company's Bylaws will be furnished one without charge upon written request sent to the Secretary of the Company at the address stated above.

19

Edgar Filing: EDWARDS A G INC - Form DEF 14A

The Board of Directors adopts the following categorical standards to assist it in making its determinations of independence:
