**INFORMATION REGARDING NOMINEES AND INCUMBENT DIRECTORS**

The Certificate of Incorporation and the Bylaws of the Company provide that the number of members of the Board of Directors of the Company (the Board) may be fixed from time to time exclusively by the Board and that the directors shall be divided into three classes as nearly equal in number as possible. The term of office of each class of directors is three years and the terms of office of the three classes overlap. The Board currently consists of nine authorized members, and there is one vacancy in Class III.

The terms of the three Class II directors will expire on the date of the upcoming Annual Meeting. Accordingly, three persons are to be elected to serve as Class II directors of the Board of Directors at the meeting. The Nominating Committee's nominees for election by the stockholders to serve as members of Class II of the Board are the incumbent Class II directors. If elected, the nominees will serve as directors until the Annual Meeting of Stockholders in 2009 and until their successors are elected and qualified. If any of the nominees declines to serve or becomes unavailable for any reason, or if a vacancy occurs before the election (although the Company knows of no reason to anticipate that this will occur), the proxies may be voted for such substitute nominees as the Nominating Committee may designate. Proxies cannot be voted for more than three nominees.

The following table indicates the name, age, business experience, principal occupation and term of office of each nominee and of each director of the Company whose term of office as a director will continue after the Annual Meeting.

The independent directors meet on a regular basis in executive session without management.

The Company has standing audit, compensation and nominating committees. The Board has adopted written charters for each of these committees, which are posted on the Company's website, <http://www.rossstores.com>. The Board has also adopted a Code of Ethics for Senior Financial Officers and a Code of Business Conduct and Ethics that applies to all of our employees, officers, directors and business partners. Both of these Codes also are posted on the Company's website.

**Audit Committee.** The members of the Audit Committee during fiscal 2005 were Messrs. Seiler and Bush and Ms. Garrett. Each of the members of the Audit Committee is independent for purposes of The NASDAQ Stock Market® (NASDAQ) listing standards as they apply to audit committee members. The Board of Directors has also determined that Mr. Seiler is considered to be an audit committee financial expert and that Mr. Bush and Ms. Garrett are considered to be financially literate, as defined in the rules of the Securities and Exchange Commission. The functions of the Audit Committee include retaining the Company's independent auditors, reviewing their independence, reviewing and approving the planned scope of the annual audit, reviewing and approving any fee arrangements with the auditors, overseeing their audit work, reviewing and pre-approving any non-audit services that may be performed by them, reviewing the adequacy of accounting and financial controls, reviewing the Company's critical accounting policies and reviewing and approving related party transactions. The Audit Committee held eleven meetings during the 2005 fiscal year. The functions and activities of the Audit Committee are further described below under the heading *Board of Directors Audit Committee Report*.

**Compensation Committee.** The members of the Compensation Committee during fiscal 2005 were Messrs. Orban and Bjorklund, each of whom is independent for purposes of NASDAQ listing standards. The Committee held four meetings during fiscal 2005. The Compensation Committee serves to carry out the responsibilities of the Board of Directors relating to compensation of the Company's executives, including the compensation of the Company's Chief Executive Officer. The Committee oversees and administers the policies and plans that govern the cash, equity and incentive compensation of executive officers and non-employee directors of the Company. The Committee is responsible for administering and determining the performance goals under the Company's 2004 Equity Incentive Plan, administering the Employee Stock Purchase Plan, and administering and determining the performance goals under the Incentive Compensation Plan. The Committee is also appointed to assist the Board in succession planning, development and retention of senior management talent to ensure leadership continuity and organizational strength to achieve the Company's short and long-term goals.

**Nominating Committee.** The members of the Nominating Committee during fiscal 2005 were Ms. Garrett and Messrs. Bjorklund, Bush, Orban and Seiler. Each of the members of the Nominating Committee is independent for purposes of NASDAQ listing standards. The Nominating Committee considers qualified candidates for appointment and nomination for election to the Board of Directors and makes recommendations to the full Board concerning such candidates. The Committee held one meeting during fiscal 2005.

#### **Policy and Procedure for Director Nomination**

The Nominating Committee is responsible for reviewing the qualifications, independence and skill of all candidates for election to the Board of Directors. When there is a vacancy on the Board of Directors, the Nominating Committee is responsible for evaluating candidates to fill such vacancy. The Nominating Committee has a policy with regard to the assessment of director candidates, including candidates recommended by stockholders. This assessment generally will include consideration of criteria including those listed below:

- (i) personal and professional integrity, ethics and values;

## Edgar Filing: ROSS STORES INC - Form DEF 14A

- (ii) experience in corporate management, such as serving as an officer or former officer of a publicly held company, and a general understanding of marketing, finance and other elements relevant to the success of a publicly-traded company in today's business environment;
- (iii) relevant business experience, at a senior management level, preferably in a retail or related industry;
- (iv) experience as a board member of another publicly held company;
- (v) academic expertise in an area of the Company's operations;
- (vi) practical and mature business judgment, including the ability to make independent analytical inquiries;
- (vii) whether the nominee is independent for purposes of Securities and Exchange Commission rules and NASDAQ listing standards applicable to the Company; and
- (viii) other qualifications and characteristics the Committee believes are pertinent.

The Nominating Committee will consider director candidates recommended by stockholders of the Company, based on the same criteria that would apply to candidates identified by a Committee member. There are no specific, minimum qualifications that have been formulated by the Nominating Committee that must be met by a Nominating Committee-recommended nominee. The Nominating Committee believes that it is desirable for a majority of the Company's directors to satisfy the definition of independence for purposes of the applicable NASDAQ listing standards, and for at least one director to possess the attributes necessary to be an audit committee financial expert.

Any stockholder who wishes to recommend a director candidate must submit the recommendation in writing to the Company at its principal executive offices, to the attention of the Nominating Committee, not later than 120 calendar days before the one year anniversary of the Company's mailing of its prior year's Proxy Statement to stockholders. A stockholder recommending a person as a director candidate may be requested by the Nominating Committee to provide further information for purposes of evaluating the candidate and for the purpose of providing appropriate disclosure to stockholders.

### **Stockholder Communications with the Directors**

The Board has adopted a process for stockholders to communicate with the Board and/or with individual directors. Stockholders may address such communications in writing to the Chairman of the Board, or to any individual director(s), c/o Ross Stores, Inc., 4440 Rosewood Drive, Pleasanton, California 94588-3050. Communications from stockholders to one or more directors will be collected and organized by the Company's Corporate Secretary under procedures approved by the independent directors. The Corporate Secretary will forward all communications to the Chairman of the Board of Directors, or to the identified director(s), as soon as practicable, although communications that are abusive, in bad taste or that present safety or security concerns may be handled differently. The Corporate Secretary may, in his or her discretion, not forward correspondence if it is primarily commercial in nature or if it relates to an improper or irrelevant topic. If multiple communications are received on a similar topic, the Corporate Secretary may, in his or her discretion, forward only representative correspondence.

### **Director Attendance at Annual Stockholders Meeting**

The Company typically schedules a Board meeting in conjunction with the Annual Stockholders Meeting. The Company expects, but does not require, that all directors will attend, absent a valid reason, such as a schedule conflict. Last year, all eight members of the Board of Directors attended the 2005 Annual Meeting.

Biographical information concerning the executive officers of the Company is set forth in the Company's Annual Report on Form 10-K for the fiscal year ended January 28, 2006.

**ROSS STORES, INC.**  
**BOARD OF DIRECTORS AUDIT COMMITTEE REPORT**

The Audit Committee of the Board of Directors is responsible for monitoring the integrity of the Company's consolidated financial statements, its system of internal controls and the independence and performance of both its internal and independent auditors. The Audit Committee is also responsible for the selection of the Company's independent auditors. The Audit Committee is composed of three non-employee directors and operates under a written charter adopted and approved by the Board of Directors. Each Committee member is independent as defined by the applicable NASDAQ listing standards.

Management is responsible for the financial reporting process, including the system of internal controls, and for the preparation of consolidated financial statements in accordance with accounting principles generally accepted in the United States of America. The Company's independent auditors are responsible for auditing those financial statements. Our responsibility is to monitor and review these processes. We rely, without independent verification, on the information provided to us and on the representations made by management and the independent auditors.

In this context, we held eleven meetings during fiscal 2005. The meetings were designed, among other things, to facilitate and encourage communication among the Audit Committee, management, the internal auditors and the Company's independent registered public accounting firm, Deloitte & Touche LLP ( Deloitte ). We discussed with the Company's internal and independent auditors the overall scope and plans for their respective audits. We met with the internal and independent auditors, with and without management present, to discuss the results of their examinations and their evaluations of the Company's internal controls.

We have reviewed and discussed the audited consolidated financial statements for the fiscal year ended January 28, 2006 with management and Deloitte.

We also discussed with the independent auditors matters required to be discussed with audit committees under auditing standards generally accepted in the United States of America, including, among other things, matters related to the conduct of the audit of the Company's consolidated financial statements and the matters required to be discussed by Statement on Auditing Standards No. 61, as amended ( Communication with Audit Committees ).

In addition, the Audit Committee discussed with Deloitte their independence from management and the Company, including the matters in the written disclosures required by Independence Standards Board Standard No. 1 ( Independence Discussions with Audit Committees ). When considering Deloitte's independence, we considered whether their provision of services to the Company beyond those rendered in connection with their audit and review of the Company's consolidated financial statements was compatible with maintaining their independence. We also reviewed, among other things, the fees paid to Deloitte for audit and non-audit services.

Based on our review and these meetings, discussions and reports, and subject to the limitations on our role and responsibilities referred to above and in the Audit Committee Charter, we recommended to the Board of Directors that the Company's audited consolidated financial statements for the fiscal year ended January 28, 2006 be included in the Company's Annual Report on Form 10-K. We also selected Deloitte as the Company's independent registered public accounting firm for the fiscal year ending February 3, 2007.

**Summary of Audit, Audit-Related, Tax and All Other Fees**

The Audit Committee reviews and approves all proposed audit and non-audit engagements and related fees of Deloitte. In addition, any audit and non-audit fees for newly proposed professional services that arise during the year, or changes to previously approved fees and work, are reviewed and approved in advance of commencement of such services by the Audit Committee at their regularly scheduled meetings throughout the fiscal year. Should a situation arise that requires approval between meetings, the Audit Committee has delegated authority to its Chairman to authorize such pre-approval and report on same at the following regularly scheduled meeting.

## Edgar Filing: ROSS STORES INC - Form DEF 14A

The following table summarizes the aggregate fees billed by Deloitte for professional services to the Company rendered during fiscal 2005 and 2004.

Fees	Fiscal Year 2005	Fiscal Year 2004
Audit Fees	\$ 1,069,000	\$ 1,096,000
Audit-Related Fees	84,000	205,000
Tax Fees		
Tax Compliance Fees	164,000	568,000
Other Tax Services		340,000
All Other Fees		1,304,000
<b>Total Fees</b>	<b>\$ 1,317,000</b>	<b>\$ 3,513,000</b>

Audit Fees in fiscal 2005 and 2004 included fees related to the audit of the financial statements included in the Company's Annual Report on Form 10-K, reviews of the financial statements included in Quarterly Reports on Form 10-Q and Sarbanes-Oxley compliance services.

Audit-Related Fees were for consultation on accounting standards or transactions and audits of employee benefit plans and Sarbanes-Oxley advisory services. Tax Fees were for tax-related services, including tax compliance services (preparation or review of the Company's tax returns, tax representation services and other tax compliance matters), and other tax services (performance of a strategic tax review and related tax planning matters). All Other Fees were primarily for professional services rendered by Deloitte Consulting, an entity separate from but affiliated with Deloitte, during the first quarter of fiscal 2004 in connection with the implementation of new merchandising, warehousing and store information technology systems and the business process changes associated with this effort. All of the services reflected in the table were pre-approved by the Audit Committee.

The information systems work performed for the Company by Deloitte Consulting was a significant, multi-year project that was contracted for in early 2002, prior to the adoption of the Sarbanes-Oxley Act and related Securities and Exchange Commission (SEC) rules, which subsequently imposed significant limitations on the use by a public company of its independent audit firm to perform various consulting services, due to the potential for conflicts of interest. The SEC rules continue to permit the use of such firms for certain types of consulting work, provided the work is pre-approved by the Company's Audit Committee. In February 2002, prior to the approval and commencement of the information systems consulting work with Deloitte Consulting, the Audit Committee undertook a review of the relationship of Deloitte Consulting to Deloitte, and the potential effect of this consulting project on the independence of Deloitte. As part of that review process, Deloitte advised the Company and the Audit Committee that Deloitte Consulting planned to separate from Deloitte as soon as practicable. The Company and the Audit Committee were also assured that, in the interim, Deloitte Consulting was already a separate entity from Deloitte, not sharing employees, leadership, or profits. In particular, the Audit Committee was advised that there has been no monetary exchange between Deloitte and Deloitte Consulting as a result of these non-audit services. At that time, it was decided to engage Deloitte Consulting for the project, with an expected implementation period from 2002 through early 2004.

In late March 2003, Deloitte and Deloitte Consulting advised the Company and publicly announced that they had abandoned their plans to separate. Based on this new information, the Audit Committee determined that it needed to reevaluate the Company's relationship with both Deloitte and Deloitte Consulting. Based on that review and reevaluation, the Audit Committee determined that the relationship with Deloitte and Deloitte Consulting did not jeopardize the independence of the independent auditors. In addition, based on the critical nature of the information systems implementation work already in process with Deloitte Consulting, the Committee determined that changing consulting firms for this work before its completion would significantly increase the risk of not being able to successfully complete the project. After a thorough review of the facts, and upon receiving concurrence from both outside and inside legal counsel, the Audit Committee determined that it was in the Company's best interest to complete the engagement with Deloitte Consulting. All Deloitte Consulting work was completed prior to May 6, 2004, in compliance with the transition period allowed under the Sarbanes-Oxley Act and SEC rules.

Going forward, the Audit Committee expects that the Company will not engage Deloitte Consulting for any future consulting services as long as it remains associated with Deloitte and as long as Deloitte remains the Company's independent registered public accounting firm.

WITH OFFICERS AND DIRECTORS**

**ROSS STORES, INC.  
BOARD OF DIRECTORS COMPENSATION COMMITTEE REPORT  
ON EXECUTIVE COMPENSATION**

The Compensation Committee of the Board of Directors (the Committee), which consists of two independent outside directors, establishes and administers the policies that govern the compensation of all executive officers of the Company. The Committee considers the performance of the executive officers and makes determinations concerning their compensation levels.

**Compensation Philosophy**

The Company's compensation policies aim to align the financial interests of the Company's management with those of its stockholders. The Company's executive compensation philosophy seeks also to integrate executive pay with the long-term strategic objectives of the Company, recognize individual initiative and achievements, and assist the Company in attracting, motivating and retaining a group of high-performing executives.

Compensation for the Company's executive officers, including the executive officers named in the Summary Compensation Table, consists of the following elements: base salary, annual incentive bonus and equity awards in the form of restricted stock grants and stock option grants, and other benefits typically offered to corporate executives. Prior to May 2004, equity awards were made under the 1988 Restricted Stock Plan, the 1992 Stock Option Plan and the 2000 Equity Incentive Plan (Prior Option Plans). In May 2004, the Company's stockholders approved a proposal that replaced the three then existing equity plans with an omnibus equity plan known as the 2004 Equity Incentive Plan.

A majority of the total potential compensation for the Company's executive officers is in the form of annual incentive bonuses under the Incentive Compensation Plan and stock plan awards that may vary according to the Company's achievement of its strategic objectives and individual performance levels. The Committee believes that the components of the total compensation program for executives outlined in this report work together to enable the Company to attract, motivate and retain the executive talent necessary to successfully execute the Company's strategies over the long term in a challenging retail environment.

**Section 162(m) of the Internal Revenue Code of 1986**

It is the Committee's policy to seek to qualify executive compensation for deductibility under Section 162(m) of the Internal Revenue Code of 1986 to the extent consistent with the Company's overall objectives in attracting, motivating and retaining its executives. The Committee has reviewed the Company's executive compensation structure in light of the current tax law. The Committee believes that compensation resulting from stock option grants made under the Prior Option Plans or the 2004 Equity Incentive Plan will be fully deductible when an option is exercised. The Committee also believes that payments under the Incentive Compensation Plan will be fully deductible. Sign-on bonuses, guaranteed bonuses and certain other cash compensation costs related to the hiring of the Company's Chief Executive Officer and each of the four other most highly compensated executive officers of the Company as of the end of the 2005 fiscal year (the Named Executive Officers) may not be fully deductible to the extent that, when added to other non-exempt compensation for that particular executive, the total exceeds \$1 million. Non-performance-based restricted stock awards made under the 2004 Equity Incentive Plan or the 1988 Restricted Stock Plan also do not qualify as performance-based compensation and, therefore, may not be fully deductible to the extent the share value upon vesting, when added to other non-exempt compensation for a particular executive, exceeds the \$1 million limit in any tax year.

## **Executive Officers 2005 Compensation**

**Salary.** Base salaries for executive officers are initially determined by competitive requirements to recruit the executive. Salaries are then reviewed annually with recommended adjustments made based upon competitive market information relating to salary levels, the individual performance of each executive officer and his/her relative contribution in achieving the Company's strategic goals.

**Annual Incentive Bonus.** The Company's Incentive Compensation Plan was originally adopted by the Board of Directors effective May 1987, and was most recently approved by the Company's stockholders in May 2001. The Second Amended and Restated Incentive Compensation Plan was approved by the Board of Directors on March 16, 2006 and is being submitted for stockholder approval at the Annual Stockholders Meeting on May 18, 2006 for the purpose of complying with 162(m). The Incentive Compensation Plan is designed to incent performance and achievement of specified target levels of pre-tax earnings. At the commencement of each fiscal year, the Committee determines the incentive awards payable at target levels of pre-tax earnings that may be achieved by the Company. Such awards are expressed as a percentage of year-end base salary and are payable in the form of cash bonuses after fiscal year-end pursuant to this formula, subject to an overriding limitation on the maximum dollar amount that may be paid to any participant. Potential awards now range from 0% to 150% of executive officers' base salaries, based on the actual level of pre-tax earnings achieved each year relative to the targeted goal, as well as the position of the executive officer.

For our fiscal year ended January 28, 2006, the Committee granted awards under the Incentive Compensation Plan that provided the opportunity for executive officers to receive cash incentive bonuses ranging from 55% to 75% of base salary provided that the targeted pre-tax earnings goal pre-established by the Committee was achieved, and for higher or lower bonus percentages if the target was exceeded or was not achieved. During fiscal 2005, the Company's results were above the minimum threshold but below the targeted pre-tax earnings goal. Total payments made under the Plan for fiscal 2005 to all executive officers as a group represented approximately 55% of their total salaries as a group. Actual awards over the last three fiscal years have ranged from 0% to 74% of executive officers' base salaries as a group.

**Stock Award Programs.** In fiscal year 2005, the Company's executive officers were eligible for restricted stock awards and stock option grants under the 2004 Equity Incentive Plan (the Equity Plan). Restricted stock awards and stock option grants under the Equity Plan are executive compensation vehicles that have two important objectives: (i) to align the financial interests of the Company's stockholders and the executive officers by providing incentives that focus management's attention on the successful long-term strategic management of the business and appreciation in stockholder value; and (ii) to recruit, motivate and retain a high-performing group of senior and middle managers.

The Committee approves the granting of restricted stock and stock option awards to executive officers under the Equity Plan. The levels of stock option awards granted to executive officers under the Equity Plan are based on the following factors: the executive officer's position, past and expected future contributions to the achievement of the Company's strategic objectives, existing stock ownership position and the level and performance of previous stock awards. The levels of restricted stock awards granted to executive officers under the Equity Plan are determined primarily by the retentive value of the grant necessary to retain key executives over the long term and to protect the Company against outside offers of employment to key individuals, as well as the factors listed for stock option awards. The officers must satisfy vesting requirements, typically of at least three years, in order to retain their stock awards.

All stock option awards are granted with an exercise price equal to the fair market value of the Company's common stock on the date of grant. These awards provide value to the executive officers only when and to the extent that the value of the Company's common stock appreciates over the value on the date of grant. All stock option awards made in fiscal 2005 to executive officers under the Equity Plan have a term of ten years and generally vest monthly in progressively increasing annual increments over a three or four year period.

**Chief Executive Officer's 2005 Compensation**

A majority of the total potential compensation for Michael Balmuth, the Company's Vice Chairman, President and Chief Executive Officer, is in the form of an annual incentive bonus and stock plan awards that may vary in value according to the Company's achievement of its strategic objectives.

**Salary.** Mr. Balmuth's base salary is established by the terms of his employment agreement entered into with the Company effective May 31, 2001, and most recently amended effective May 18, 2005. This employment agreement, as amended, extends through January 29, 2009, unless earlier extended, renegotiated or terminated by the parties and currently provides for an annual base salary of not less than \$938,000. (See Employment Contracts, Termination of Employment and Change In Control Arrangements for further discussion of Mr. Balmuth's employment agreement.)

**Bonus.** The annual incentive bonus portion of Mr. Balmuth's compensation is based on the Company's achievement of targeted pre-tax earnings, as established by the Committee. During fiscal 2005, the Company's results were above the minimum threshold but below the targeted pre-tax earnings goal. As a result, Mr. Balmuth received a bonus of \$613,017 for fiscal 2005.

**Stock Awards.** On March 17, 2005, Mr. Balmuth was granted a nonstatutory stock option to purchase 559,246 shares of common stock with an exercise price of \$28.61, the closing price on the date of grant. That option will vest as follows: 223,699 shares vest monthly in the twelve months ending March 17, 2008 and 335,547 shares vest monthly in the twelve months ending March 17, 2009. In addition, on March 17, 2005, Mr. Balmuth was granted a restricted stock award of 279,623 shares of common stock, which is scheduled to vest as follows: 111,850 shares vest on October 15, 2007 and 167,773 shares vest on October 15, 2008. The equity grants made to Mr. Balmuth were based primarily on the equity value deemed necessary in the Committee's judgment, to ensure the retention of Mr. Balmuth over the vesting period of these shares. Other considerations, of equal weight, were his past and expected future contributions to the achievement of the Company's strategic objectives.

- (4) The dollar amounts under these columns are the result of calculations at 0% and at the assumed 5% and 10% rates mandated by the Securities and Exchange Commission and, therefore, are not intended to forecast possible future appreciation, if any, of the Company's stock price. The Company did not use an alternative formula for a grant date valuation, as the Company is not aware of any formula that will determine with reasonable accuracy a present value based on future unknown or volatile factors. No gain to the optionees is possible without an increase in stock price, which will benefit all stockholders commensurably. A zero percent gain in stock price will result in zero dollar gain for the optionee.

**STOCKHOLDER RETURN PERFORMANCE GRAPH**

Set forth below is a line graph comparing the cumulative total stockholder returns for the Company's common stock over the last five years with the Standard & Poors 500 Index and the Standard & Poors Retail Composite Index. The comparison graph assumes that the value of the investment in the Company's common stock and the comparative indices was \$100 on January 31, 2001 and measures the performance of this investment as of the last trading day in the month of January for each of the following five years. These measurement dates are based on the historical month-end data available and may vary slightly from the Company's actual fiscal year-end date for each period. Data with respect to returns for the Standard & Poors indices is not readily available for periods shorter than one month. The total return assumes the reinvestment of dividends at the frequency with which dividends are paid. The graph is a historical representation of past performance only and is not necessarily indicative of future returns to stockholders.

### Compensation of Directors

During the 2005 fiscal year, directors who were not employees of the Company ( non-employee directors ) received an annual retainer fee of \$35,000 (paid quarterly), plus \$1,000 for attendance at each Board meeting and \$2,000 for attendance at each meeting of the Audit Committee or Compensation Committee of the Board and \$1,000 for attendance at each meeting of the Nominating Committee. In addition, the Chairman of the Audit Committee and the Chairman of the Compensation Committee received additional annual retainers of \$44,000 and \$10,000, respectively. The Nominating Committee met one time in 2005; the Compensation Committee met four times in 2005; and the Audit Committee met eleven times in 2005.

For the 2006 fiscal year, non-employee directors will receive an annual retainer of \$36,000 (paid quarterly), plus \$1,000 for attendance at each Board meeting. Audit and Compensation Committee members will receive \$2,000 for attendance at each committee meeting. Nominating Committee members will receive \$1,000 for attendance at each committee meeting. If more than one committee meeting is held on the same day, each committee member receives payment for only one committee meeting. In addition, the Chairman of the Audit Committee and the Chairman of the Compensation Committee will receive additional annual retainers of \$44,000 and \$10,000, respectively. Travel expenses are reimbursed.

Non-employee directors are eligible to receive stock options granted automatically under the terms of the Company's 2004 Equity Incentive Plan. The 2004 Equity Incentive Plan provides that new directors, upon joining the Board, receive an initial option, determined by a formula, for a number of shares equal to \$300,000 divided by the then current market price per share. The formula has a base amount of \$300,000, which will increase 3% each fiscal year beginning in 2006. In addition, the 2004 Equity Incentive Plan provided for the grant of an option to purchase 8,000 shares on May 20, 2004, to each incumbent non-employee director, followed by annual options, determined by formula, for a number of shares equal to \$250,000 divided by the then current market price per share on the date of the annual stockholders meeting in 2005. The formula has a base amount of \$250,000 to be increased by 3% each fiscal year beginning in 2006 (i.e., this amount will be \$257,500 for the May 18, 2006 option grants). During fiscal 2005, each of Ms. Garrett and Messrs. Bjorklund, Bush, Ferber, Moldaw, Orban, and Seiler were granted options to purchase 9,029 shares of common stock under the 2004 Equity Incentive Plan on May 19, 2005, with an exercise price of \$27.69, which was the closing price of the Company's common stock as reported on the NASDAQ National Market on that date.

Norman A. Ferber. Mr. Ferber receives certain compensation pursuant to an Independent Contractor Consultancy Agreement ( Consultancy Agreement ) with the Company that originally became effective February 1, 2000 and most recently was amended effective February 1, 2006. The agreement currently extends through January 31, 2009 ( Consultancy Termination Date ). While he serves as a consultant to the Company, Mr. Ferber receives a consulting fee of \$1,100,000 annually, paid in monthly installments, and has voluntarily declined the annual retainer and meeting fees otherwise payable to non-employee directors. Mr. Ferber has continued to receive stock option grants under the 2004 Equity Incentive Plan and predecessor plans. As amended, the Consultancy Agreement will terminate in the event of Mr. Ferber's death, and the Company has agreed to reimburse Mr. Ferber up to \$23,282 (which includes a gross-up amount for applicable income taxes) for estimated premiums, from 2006 through the Consultancy Termination Date, on a life insurance policy for Mr. Ferber with a death benefit of \$2,000,000.

In the event there is a change in control of the Company, Mr. Ferber would be entitled to continued payment of his then current consulting fee through the Consultancy Termination Date or any extension thereof. In the event that Mr. Ferber provides consulting services in connection with a change in control, he will receive a single payment of \$1,500,000 upon the consummation of the transaction even if the consummation occurs after the Consultancy Termination Date or any extension thereof. Further, he would be reimbursed for any excise taxes he pays pursuant to Internal Revenue Code Section 4999.

Additionally, effective February 1, 2000 the Company entered into a Retirement Benefit Package Agreement ( Benefit Agreement ) with Mr. Ferber. The Benefit Agreement provides that the Company, or its successor, will provide at no cost to Mr. Ferber, health and other benefits under the Company's plans for Mr. Ferber and his immediate family until the death of both Mr. Ferber and his spouse. In addition, the Company will provide all other employee benefits typically offered to executive officers until the death of Mr. Ferber and his spouse. The agreement further states that if, as a result of Mr. Ferber's status as a consultant to the Company, he is ineligible to participate in any of the Company's employee benefit plans, the payments made under this Benefit Agreement shall be increased to enable Mr. Ferber to procure (to the extent available) such benefits at no additional after tax cost to him. In addition, the Benefit Agreement states that the Company will provide administrative support for Mr. Ferber as long as he serves as a member of the Company's Board of Directors.

Stuart G. Moldaw. In addition to compensation received as a non-employee Board member, Mr. Moldaw receives certain compensation and benefits pursuant to an agreement with the Company that provides for administrative support and an annual fee of \$100,000 for his services as a consultant to the Company through March 2008. During 2005 the Company also maintained a split dollar life insurance policy, with a face value of \$3.5 million. No premiums were paid on the policy during fiscal 2005, as it is fully funded, and the Company does not currently expect to make future premium payments. The Company also pays the premiums for an executive medical insurance policy for Mr. Moldaw and his spouse. (See also Certain Transactions. )

Michael Balmuth. The Company and Michael Balmuth, Vice Chairman of the Board, President and Chief Executive Officer, entered into an employment agreement on May 31, 2001 that was most recently amended effective May 18, 2005. The current term runs through January 29, 2009. Upon notice from Mr. Balmuth at specified times, the Board will consider extending the term of the employment agreement for successive two-year periods. The employment agreement provides that Mr. Balmuth will receive an annual salary of not less than \$938,000, subject to annual increases as part of the Company's annual review process. In the event that (i) Mr. Balmuth's employment involuntarily terminates due to disability; (ii) the Company terminates his employment without cause; or (iii) he resigns for good reason, Mr. Balmuth would be entitled to continued payment of his then current salary, including an annual bonus, through the remaining term of the employment agreement; all stock options held by Mr. Balmuth would become fully vested; and he would be entitled to certain restricted shares which would be vested pro rata as of the date of his termination based upon vesting in equal monthly installments from the date of grant. In addition, the Company will provide at no cost to Mr. Balmuth and his spouse health and other benefits under the Company's benefit plans until their respective deaths, contingent upon Mr. Balmuth remaining employed by the Company through January 29, 2009, unless his termination occurs due to disability, or is without good cause or for good reason.

In the event there is a change in control of the Company, the term of the employment agreement will continue until the later of (a) the Remaining Term (as defined below) or (b) the expiration of any extension to the employment agreement. cause or he resigns for good reason, in addition to those compensation benefits listed above, Mr. Balmuth would be entitled to a lump sum payment equal to the product of (a) the sum of (i) his then current salary plus (ii) the greater of the most recent bonus paid to him or the target bonus for the fiscal year in which such termination occurs, and (b) the greater of two or the number of years remaining under the term of his employment agreement. Additionally, in both of the above situations, he would be reimbursed for any excise taxes he pays pursuant to Internal Revenue Code Section 4999.

The agreement provides that Ms. Rentler will receive an annual salary of not less than \$575,000, subject to annual increases as part of the Company's annual review process. Participants in the Restricted Stock Plan and Option Plans. Under the terms of the individual agreements for each participant in the Company's Restricted Stock Plan and Option Plans, each employee, including executive officers, is entitled only to those shares vested as of the date of termination. However, the Company's Board of Directors generally has the discretion to accelerate vesting or change other terms of an outstanding agreement. In the event of certain merger or acquisition transactions which result in a change in control of the Company, any unvested shares of restricted stock automatically become vested shares, and the Company's Board of Directors must either accelerate vesting of all outstanding stock options or arrange for the options to be assumed by the acquiring or successor corporation.

#### **Certain Transactions**

On August 11, 2000, the Company made an interest-free relocation loan of \$2.5 million to James C. Peters, former President and Chief Operating Officer, that was secured by a deed of trust on his principal residence. In February 2005, Mr. Peters resigned from the Company. Pursuant to the loan terms, all outstanding principal under the loan was repaid within 120 days following Mr. Peters' termination of employment with the Company.

The Company maintains consulting and benefits agreements with Mr. Ferber, its Chairman of the Board. The Company also maintains a consulting agreement with Mr. Moldaw, its Chairman Emeritus. Further details are disclosed under Compensation of Directors.

The Company paid \$0.1 million, \$1.6 million, and \$4.0 million for children's apparel purchases at fair market value from The Gymboree Corporation in fiscal 2005, 2004, and 2003. Stuart G. Moldaw, a director and Chairman Emeritus of the Company, is also a director and Chairman Emeritus of The Gymboree Corporation.

#### **Section 16(a) Beneficial Ownership Reporting Compliance**

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors, executive officers and holders of more than 10% of the common stock to file with the Securities and Exchange Commission reports regarding their ownership and changes in ownership of Company common stock. The Company believes that during fiscal 2005, its executive officers, directors and 10% stockholders complied with all Section 16(a) filing requirements.

**PROPOSAL 1  
ELECT CLASS II DIRECTORS**

If elected, each nominee will hold office for a three-year term or until his or her successor is elected and qualified unless he or she resigns or his or her office becomes vacant by death, removal, or other cause in accordance with the Bylaws of the Company. Management knows of no reason why any of these nominees should be unable or unwilling to serve, but if any nominee(s) should for any reason be unable or unwilling to serve, the proxies will be voted for the election of such other person(s) for the office of director as the Nominating Committee may recommend in the place of such nominee(s).

**Vote Required and Board of Directors Recommendation**

The plurality of the votes cast by the holders of shares of common stock present or represented by proxy and voting at the Annual Meeting will determine the election of the directors. Therefore, the three nominees receiving the highest number of votes will be elected. Abstentions and broker non-votes will be counted as present in determining if a quorum is present but will not affect the election of directors.

**The Board of Directors unanimously recommends that the stockholders  
vote FOR the three Class II nominees listed under  
Information Regarding Nominees and Incumbent Directors.**

**PROPOSAL 2  
APPROVE THE COMPANY'S SECOND AMENDED AND RESTATED  
INCENTIVE COMPENSATION PLAN**

**Background**

The stockholders are asked to approve the Company's Second Amended and Restated Ross Stores, Inc. Incentive Compensation Plan (the Amended Plan). At the recommendation of the Compensation Committee, the Board of Directors adopted the Amended Plan on March 16, 2006, subject to stockholder approval. The Amended Plan further amends the Amended and Restated Incentive Compensation Plan (the Prior Plan), which was approved by the stockholders at the 2001 Annual Meeting of Stockholders. If the stockholders approve the Amended Plan, it will become effective on the date of the Annual Meeting, and awards outstanding under the Prior Plan will be treated as having been granted under the Amended Plan and will be subject to its terms.

The Amended Plan is designed to provide members of the Company's management and certain key employees with financial incentives to meet or exceed pre-determined corporate goals. As further described below, while the Prior Plan authorized only annual awards based solely on the achievement of a pre-tax earnings goal, the scope of the Amended Plan has been expanded to permit awards with longer time horizons and performance goals based on one or more measures of financial and operational performance measures.

Compensation paid to certain executive officers under the Amended Plan is intended to qualify as performance-based compensation under Section 162(m) of the Internal Revenue Code. Section 162(m) generally denies a corporate tax deduction for annual compensation exceeding \$1 million paid to the chief executive officer or to any of the four other most highly compensated officers of a publicly held corporation (the covered employees). However, certain types of compensation, including performance-based compensation, are generally exempt from this limit. To enable the Company to continue to provide incentive compensation to

its covered employees that qualifies for full federal income tax deductibility, the Amended Plan is being submitted to stockholders for their approval. By approving the Amended Plan, the stockholders will be approving, among other things, the participant eligibility requirements, the performance criteria on which incentive awards are based and the maximum dollar amount of compensation that may be paid to any participant under the Amended Plan for each fiscal year contained in the performance period applicable to an incentive award. If the stockholders do not approve the Amended Plan, compensation that otherwise would have been paid to covered employees under the Amended Plan will not be paid.

#### **Vote Required**

The affirmative vote of a majority of the shares of common stock present or represented by proxy and entitled to vote at the Annual Meeting is required for approval of this proposal. Abstentions will be counted as present in determining if a quorum is present and will be counted as if voted against this proposal. Broker non-votes will be counted as present in determining if a quorum is present but will have no effect on this proposal.

**The Board of Directors unanimously recommends that the stockholders vote FOR approval of the Second Amended and Restated Incentive Compensation Plan.**

#### **Summary of the Amended Plan**

The following summary of the Amended Plan is qualified in its entirety by the specific language of the Amended Plan. Copies of the Amended Plan are available to any stockholder upon request addressed to Investor Relations, Ross Stores, Inc., 4440 Rosewood Drive, Pleasanton, California 94588-3050. The Amended Plan may also be viewed without charge on the Securities and Exchange Commission website at [www.sec.gov](http://www.sec.gov).

**Administration.** The Amended Plan generally will be administered by the Compensation Committee or other committee of the Board of Directors or, in the absence of such committee, by the Board of Directors. In the case of awards granted to covered employees, the Amended Plan must be administered by a committee comprised solely of two or more outside directors within the meaning of Section 162(m). The Compensation Committee may delegate to the Chief Executive Officer of the Company the authority to grant awards under the Plan to eligible employees who are not executive officers of the Company, subject to the provisions of the Plan and guidelines established by the Compensation Committee. For purposes of the Amended Plan, an executive officer means a person who, on the last day of a fiscal year, is the Chief Executive Officer, President, an Executive Vice President or Senior Vice President of the Company. For purposes of this summary, the term Committee will refer to the Compensation Committee or other duly appointed committee, the Board of Directors or the Chief Executive Officer to the extent of any authority delegated by the Compensation Committee.

Subject to the provisions of the Amended Plan, the Committee determines in its discretion the persons to whom and the times at which awards are granted and all of their terms and conditions. The Committee may, subject to certain limitations on the exercise of its discretion required by Section 162(m), amend any award or waive any restrictions or conditions applicable to any award. The Amended Plan provides, subject to certain limitations, for indemnification by the Company of any director, officer or employee against all reasonable expenses, including attorneys fees, incurred in connection with any legal action arising from such person's action or failure to act in administering the Amended Plan. The Committee will interpret the Amended Plan and awards granted thereunder, and all determinations of the Committee will be final and binding on all persons having an interest in the Plan or any award.

**Eligibility.** Awards may be granted under the Amended Plan to employees of Ross Stores, Inc., or any of its subsidiaries or other affiliated entities, who are managers or key employees designated by the Committee as participants. The Prior Plan limited participation solely to employees of Ross Stores, Inc. During the fiscal year ended January 28, 2006, a total of 1,503 employees would have been eligible to participate in the Amended Plan had it then been in effect.

**Grant of Awards.** The Committee may grant awards under the Amended Plan subject to such conditions and the attainment of such performance goals over such performance periods as the Committee determines in writing. However, no award may be granted under the Amended Plan that would enable a participant to receive more than \$4 million for each fiscal year contained in the performance period applicable to the award. Under the Prior Plan, the performance period applicable to each award was fixed as the Company's fiscal year and the maximum payment that could be received under an award was \$1,522,000.

Prior to the beginning of the applicable performance period or such later date as permitted under Section 162(m), the Committee will establish one or more performance goals applicable to the award and the formula providing the basis for computing the value of the award at one or more target levels of attainment of the applicable performance goals at the end of the performance period. Performance goals will be based on the attainment of specified target levels with respect to one or more measures of business or financial performance of the Company and each subsidiary or other affiliate consolidated with the Company for financial reporting purposes, or such division or business unit as may be selected by the Committee. The Committee may base performance goals on one or more of the following measures of performance: revenue; sales; expenses; operating income; gross margin; operating margin; earnings before stock-based compensation expense, interest, taxes, depreciation and/or amortization; pre-tax profit; net operating income; net income; economic value added; free cash flow; operating cash flow; stock price; earnings per share; return on stockholder equity; return on capital; return on net assets; return on investment; employee retention; market share; customer satisfaction; completion of an identified special project; and completion of a joint venture or other corporate transaction. Under the Prior Plan, the sole measure of performance was Company pre-tax earnings.

The target levels with respect to performance measures may be expressed on an absolute basis or relative to an index, budget or other a standard specified by the Committee. The degree of attainment of performance measures will be calculated in accordance with generally accepted accounting principles, but prior to the accrual or payment of any performance award for the same performance period, and, according to criteria established by the Committee, excluding the effect (whether positive or negative) of changes in accounting standards or any extraordinary, unusual or nonrecurring item occurring after the establishment of the performance goals applicable to an award.

**Payment of Awards.** Following completion of the applicable performance period, the Committee will certify in writing the extent to which the applicable performance goals have been attained and the resulting value to be paid to participants. The Committee retains the discretion to adjust the amount that would otherwise be payable on the basis of the performance goals attained to a participant who is not an executive officer to reflect the participant's individual job performance or other factors determined by the Committee. If the threshold level of performance goal attainment required for payment of awards having a performance period consisting of a fiscal year is not achieved, but the Company is profitable for the fiscal year, those participants (excluding executive officers) who receive an individual performance rating of "exceptional" will be eligible, at the discretion of the Committee, to be paid the amount that would otherwise have been payable had 100% of the applicable performance goals been achieved and had the individual received a performance rating of "good." Unless otherwise required by law or Company policy, the award value otherwise payable to a participant who has taken an approved leave of absence in excess of 30 days during one or more fiscal years contained in the applicable performance period will be prorated. The final value of all awards under the Amended Plan is paid in cash.

Except in the event of a change in control of the Company as described below, a participant whose employment terminates for any reason prior to the date of payment of the participant's award under the Amended Plan will immediately forfeit the award and be entitled to no payment. Under the Prior Plan, a participant whose employment terminated prior to the end of the performance period due to death, disability or involuntary termination other than for cause was entitled to receive a pro rata portion of the award payment that the participant would have otherwise received.

**Change in Control.** Except as otherwise provided in an agreement between a participant and the Company, in the event of a change in control of the Company and provided that the participant's employment has not terminated prior to the date of the change in control, the participant's award under the Amended Plan will become payable in an amount determined as if 100% of the applicable performance goals had been attained for the performance period, prorated, however, for the period of the participant's service during the performance period prior to the change in control. For this purpose, a change in control occurs upon (a) a person (as such term is used in Sections 13(d) and 14(d) of the Securities Exchange Act of 1934), other than an employee benefit plan or a corporation owned by the Company's stockholders in the same proportion as their ownership of company stock, becoming the direct or indirect beneficial owner of more than 50% of the Company's voting stock, or (b) the occurrence of any of the following events upon which the stockholders of the Company immediately before the event do not retain immediately after the event direct or indirect beneficial ownership of more than 50% of the total combined voting power of the outstanding voting stock of the Company, its successor or the entity to which the assets of the Company were transferred: (i) a sale or exchange by the stockholders in a single or series of related transactions of more than 50% of the Company's voting stock, (ii) a merger or consolidation in which the Company is a party, or (iii) the sale, exchange or transfer of all or substantially all of the assets of the Company (other than a sale, exchange or transfer to one or more subsidiaries of the Company).

**Termination or Amendment.** The Compensation Committee may terminate or amend the Amended Plan at any time; subject, however, to any stockholder approval required in order to continue to qualify amounts paid under the Amended Plan as performance-based compensation under Section 162(m).

**Pro Forma Benefits Under Amended Plan**

Awards that may be granted in future years under the Amended Plan are determined at the discretion of the Committee and accordingly are not presently determinable. The following table sets forth the amounts that will become payable under the Amended Plan if it is approved by the stockholders for awards granted by the Compensation Committee having a fiscal year performance period ending February 3, 2007, assuming that the applicable performance goals are attained at a level equal to 100% of target. Non-employee directors are not eligible to participate in the Company's Amended Plan.

4. **ELIGIBILITY AND AWARD LIMITATION.**

4.1 **Persons Eligible for Awards.** Awards may be granted only to Employees who are managers or key employees of a Participating Company and who are designated as Participants by the Committee. No person whose Service commences or recommences after October 31 of any Fiscal Year shall be eligible to be granted an Award with respect to such Fiscal Year.

4.2 **Maximum Award.** No Participant may be granted an Award which would result in the Participant receiving in settlement of the Award for each Fiscal Year contained in the Performance Period for such Award an amount in excess of \$4,000,000.

5. **GRANT OF AWARDS.**

Subject to the provisions of the Plan, the Committee, at any time and from time to time, may grant Awards in such amounts and upon such conditions as it shall determine, subject to the following:

5.1 **Establishment of Performance Period, Performance Goals and Award Formula.** In granting each Award, the Committee shall establish in writing the applicable Performance Period, Award Formula and one or more Performance Goals which, when measured at the end of the Performance Period, shall determine on the basis of the Award Formula the final value of the Award to be paid to the Participant. The Committee may, in its discretion, establish different Award Formulas applicable to different classes, categories, positions or organizational levels of Participants or to individual Participants. In establishing the Performance Periods, Performance Goals and Award Formulas, the Committee shall take into account the recommendations of the Management Committee of the Company. Unless otherwise permitted in compliance with the requirements under Section 162(m) with respect to each Award intended to result in the payment of Performance-Based Compensation, the Committee shall establish the applicable Performance Period, Performance Goal(s) and Award Formula no later than the earlier of (a) the date ninety (90) days after the commencement of the Performance Period or (b) the date on which 25% of the Performance Period has elapsed, and, in any event, at a time when the outcome of the Performance Goal(s) remains substantially uncertain. Once established, the Performance Goal(s) and Award Formula applicable and Award granted to a Covered Employee shall not be changed.

5.2 **Measurement of Performance Goals.** The Committee shall establish Performance Goals on the basis of Performance Targets to be attained with respect to one or more Performance Measures, subject to the following:

(a) **Performance Measures.** Performance Measures shall have the same meanings as used in the Company's financial statements, or, if such terms are not used in the Company's financial statements, they shall have the meaning applied pursuant to generally accepted accounting principles, or as used generally in the Company's industry. Performance Measures shall be calculated with respect to the Company and each Affiliate consolidated therewith for financial reporting purposes or such division or other business unit as may be

selected by the Committee. For purposes of the Plan, the Performance Measures applicable to an Award shall be calculated in accordance with generally accepted accounting principles, but prior to the accrual or payment of any Award for the same Performance Period and excluding the effect (whether positive or negative) of any change in accounting standards or any extraordinary, unusual or nonrecurring item, as determined by the Committee, occurring after the establishment of the Performance Goals applicable to the Award. Each such adjustment, if any, shall be made solely for the purpose of providing a consistent basis from period to period for the calculation of Performance Measures in order to prevent the dilution or enlargement of the Participant's rights with respect to an Award. Performance Measures may be one or more of the following, as determined by the Committee:

- (i) revenue;
- (ii) sales;
- (iii) expenses;
- (iv) operating income;
- (v) gross margin;
- (vi) operating margin;
- (vii) earnings before any one or more of: stock-based compensation expense, interest, taxes, depreciation and amortization;
- (viii) pre-tax profit;
- (ix) net operating income;
- (x) net income;
- (xi) economic value added;
- (xii) free cash flow;
- (xiii) operating cash flow;
- (xiv) stock price;
- (xv) earnings per share;
- (xvi) return on stockholder equity;
- (xvii) return on capital;
- (xviii) return on assets;
- (xix) return on investment;

- (xx) employee retention;
- (xxi) market share;
- (xxii) customer satisfaction;
- (xxiii) completion of an identified special project; and
- (xxiv) completion of a joint venture or other corporate transaction.

(b) **Performance Targets.** Performance Targets may include a minimum, maximum, target level and intermediate levels of performance, with the final value of an Award determined under the applicable Award Formula by the level attained during the applicable Performance Period. A Performance Target may be stated as an absolute value or as a value determined relative to an index, budget or other standard selected by the Committee.

5.3 **Discretionary Adjustment of Award Formulas.** In its discretion, the Committee may, either at the time it grants an Award or at any time thereafter, provide for the adjustment of the Award Formula applicable to an Award granted to any Participant who is not an Executive Officer or otherwise a Covered Employee to reflect such Participant's individual performance in his or her position with a Participating Company or such other factors as the Committee may determine. However, once established in accordance with Section 5.1, the Committee shall have no discretion to alter an Award Formula applicable to any Award granted to an Executive Officer or Covered Employee.

5.4 **New or Promoted Employees.** Any Award granted by the Committee to an Employee who becomes eligible to participate in the Plan following the commencement of a Fiscal Year, whether as a result of hiring or promotion, shall provide for an Award Formula prorated on the basis the length of the Fiscal Year remaining from the date on which the Employee becomes eligible to participate. If a Participant previously granted an Award for a Fiscal Year is promoted to a position within a category of Participants for which the Committee has established a more favorable Award Formula, the more favorable Award Formula shall be applied on a pro rata basis to that portion of the Fiscal Year remaining from the date of the Employee's promotion, and the original Award Formula shall be applied on a pro rata basis to that portion of the Fiscal Year preceding the date of promotion. Notwithstanding the foregoing, no discretionary adjustment pursuant to Section 5.3 or Section 6.2 may be made to any Award held by a Participant who is promoted to a position of an Executive Officer or Covered Employee following the commencement of a Fiscal Year.

5.5 **Notice to Participants.** The Company shall notify each Participant of the terms of the Award granted to him or her, including the Performance Period, Performance Goal(s) and Award Formula.

6. **SETTLEMENT OF AWARDS.**

6.1 **Determination of Final Award Values.** As soon as practicable following the completion of the Performance Period applicable to each Award, the Committee shall certify in writing the extent to which the applicable Performance Goals have been attained and the resulting final value of the Award earned by the Participant and to be paid upon its settlement in accordance with the applicable Award Formula. Except as provided in Section 6.2, the Committee shall have no discretion to increase the value of an Award payable upon its settlement in excess of the amount called for by the terms of the applicable Award Formula on the basis of the degree of attainment of the Performance Goals as certified by the Committee.

6.2 **Adjustment for Exceptional Individual Performance.** In the event that the Performance Goals are not attained under an Award having a Performance Period consisting of a Fiscal Year, as a result of which no amount would otherwise be payable on the basis of the Award Formula applicable to such Award, but the Company is profitable for such Fiscal Year in the judgment of the Committee, a Participant granted such Award who is not an Executive Officer or otherwise a Covered Employee and who has received an individual performance appraisal rating of exceptional shall be eligible, at the discretion of the Committee, to receive the amount of the final Award value that would have become payable to the Participant under the applicable Award Formula had 100% of the Performance Goals been attained and had the Participant received an individual performance appraisal rating of good.

6.3 **Effect of Leaves of Absence.** Unless otherwise required by law or Company policy, payment of the final value of an Award held by a Participant who has taken in excess of thirty (30) days of military leave, sick leave or other approved leaves of absence during any one or more Fiscal Years contained in the Performance Period applicable to the Award shall be prorated on the basis of the number of days of the Participant's Service during the Performance Period on which the Participant was not on a leave of absence.

6.4 **Notice to Participants.** As soon as practicable following the Committee's determination and certification in accordance with Section 6.1 with respect to an Award, the Company shall notify the Participant of the determination of the Committee.

6.5 **Payment in Settlement of Awards.** As soon as practicable following the Committee's determination and certification in accordance with Section 6.1 with respect to an Award, but in any event within the Short-Term Deferral Period, payment shall be made to the Participant of the resulting final value, if any, of such Award (subject to applicable tax withholding); provided, however, that, except as otherwise provided by Section 8.1, a Participant shall not be eligible to receive a payment under the Award unless the Participant remains an active, full-time Employee on the payment date. For this purpose, a Participant on an approved leave of absence shall be deemed to be an active Employee. All such payments shall be made in cash or by check.

6.6 **Tax Withholding.** The Company shall have the right to deduct from any and all payments made under the Plan or otherwise all federal, state, local and foreign taxes, if any, required by law to be withheld by the Company with respect to any such payment.

7. **EFFECT OF TERMINATION OF SERVICE.**

Except as otherwise provided by Section 8.1, if a Participant's Service terminates for any reason or no reason prior to the date of payment of the final value of an Award held by the Participant, the Participant shall immediately forfeit the Award and shall be entitled to receive no payment therefor.

8. **CHANGE IN CONTROL.**

8.1 **Effect of Change in Control.** Unless otherwise provided by a contract of employment between the Participant and a Participating Company, in the event of the consummation of a Change in Control prior to the completion of the Performance Period applicable to the Participant's Award and provided that the Participant's Service has not terminated prior to the date of the Change in Control, the Award shall become payable, effective as of the date of the Change in Control, in the amount that would constitute the final value of the Award determined in accordance with the Award Formula had 100% of the Performance Goals for the Performance Period been attained and had the Participant (if not an Executive Officer) received an individual performance rating of good; provided, however, that such amount shall be prorated on the basis of the number of days of the Participant's Service during the Performance Period prior to the date of the Change in Control. Subject to Section 8.2, payment pursuant to this Section 8.1 (subject to applicable tax withholding) shall be made in cash or by check within thirty (30) days following the date of the Change in Control regardless of whether or not the Participant's Service has terminated on or after the date of the Change in Control.

8.2 **Federal Excise Tax Under Section 4999 of the Code.**

(a) **Excess Parachute Payment.** In the event that any payment pursuant to an Award and any other payment or benefit received or to be received by the Participant would subject the Participant to any excise tax pursuant to Section 4999 of the Code due to the characterization of such payment or benefit as an excess parachute payment under Section 280G of the Code, the Participant may elect, in his or her sole discretion, to reduce the amount of any payment called for under the Award in order to avoid such characterization.

(b) **Determination by Independent Accountants.** To aid the Participant in making any election called for under Section 8.2(a), upon the occurrence of any event that might reasonably be anticipated to give rise to a payment under Section 8.1 (an *Event*), the Company shall promptly request a determination in writing by independent public accountants selected by the Company (the *Accountants*). Unless the Company and the Participant otherwise agree in writing, the Accountants shall determine and report to the Company and the Participant within twenty (20) days of the date of the Event the amount of such payments and benefits which would produce the greatest after-tax benefit to the Participant. For the purposes of such determination, the Accountants may rely on reasonable, good faith interpretations concerning the application of Sections 280G and 4999 of the Code. The Company and the Participant shall furnish to the Accountants such information and documents as the Accountants may reasonably request in order to make their required determination. The Company shall bear all fees and expenses the Accountants may reasonably charge in connection with their services contemplated by this Section 8.2(b).

9. AMENDMENT OR TERMINATION OF THE PLAN.

The Plan, as set forth in this document, represents the general guidelines the Company presently intends to utilize to determine what Awards, if any, will be granted and paid. If, however, at the sole discretion of the Committee, the Company's best interest is served by applying different guidelines to certain individuals, or to individuals under special or unusual circumstances, it reserves the right to do so by notice to such individuals at any time, or from time to time. To the extent that such applications are contrary to any provisions of the Plan, the Plan will be deemed amended to such extent. The Committee may terminate or amend the Plan at any time; provided, however, that in amending the Plan the Committee shall take into account whether the approval of the Company's stockholders of such amendment may be required in order to continue to qualify amounts paid pursuant to the Plan as Performance-Based Compensation.

10. MISCELLANEOUS PROVISIONS.

10.1 **Nontransferability of Awards.** Prior to settlement in accordance with the provisions of the Plan, no Awards may be subject in any manner to anticipation, alienation, sale, exchange, transfer, assignment, pledge, encumbrance, or garnishment by creditors of the Participant or the Participant's beneficiary, except by will or by the laws of descent and distribution. All rights with respect to an Award granted to a Participant hereunder shall be exercisable during his or her lifetime only by such Participant.

10.2 **Rights as Employee.** No person, even though eligible pursuant to Section 4, shall have a right to be selected as a Participant, or, having been so selected, to be selected again as a Participant. Nothing in the Plan or any Award granted under the Plan shall confer on any Participant a right to remain an Employee or interfere with or limit in any way the right of the Company to terminate the Participant's Service at any time.

10.3 **Beneficiary Designation.** Each Participant may file with the Company a written designation of a beneficiary who is to receive any benefit under the Plan to which the Participant is entitled in the event of such Participant's death before he or she receives any or all of such benefit. Each designation will revoke all prior designations by the same Participant, shall be in a form prescribed by the Company, and will be effective only when filed by the Participant in writing with the Company during the Participant's lifetime. If a married Participant designates a beneficiary other than the Participant's spouse, the effectiveness of such designation shall be subject to the consent of the Participant's spouse. If a Participant dies without an effective designation of a beneficiary who is living at the time of the Participant's death, the Company will pay any remaining unpaid benefits to the Participant's legal representative.

10.4 **Unfunded Obligation.** Any amounts payable to Participants pursuant to the Plan shall be unfunded obligations for all purposes, including, without limitation, Title I of the Employee Retirement Income Security Act of 1974. The Company shall not be required to segregate any monies from its general funds, or to create any trusts, or establish any special accounts with respect to such obligations. The Company shall retain at all times beneficial ownership of any investments, including trust investments, which the Company may make to fulfill its payment obligations hereunder. Any investments or the creation or maintenance of any trust or any Participant account shall not create or constitute a trust or fiduciary relationship.

between the Committee or the Company and a Participant, or otherwise create any vested or beneficial interest in any Participant or the Participant's creditors in any assets of the Company. The Participants shall have no claim against the Company for any changes in the value of any assets which may be invested or reinvested by the Company with respect to the Plan.

10.5 **Applicable Law.** The Plan shall be governed by the laws of the State of California as such laws are applied to agreements between California residents entered into and to be performed entirely within the State of California.

10.6 **Treatment of Awards Outstanding on Effective Date.** Notwithstanding any other provision of the Plan to the contrary, each Award granted under a prior version of the Plan and remaining outstanding on the Effective Date shall, following the Effective Date, be treated as having been granted under and governed by the terms and conditions of the Plan. For purposes of the preceding sentence, such prior versions of the Plan include the Ross Stores, Inc. Incentive Compensation Plan adopted on May 30, 1996 and the Amended and Restated Ross Stores, Inc. Incentive Compensation Plan adopted on March 16, 2000.

10.7 **Compliance with Section 409A.** The provisions of the Plan are intended to comply with the requirements of Section 409A, and the Plan shall be so construed. Notwithstanding any other provision of the Plan to the contrary, the Committee may, in its sole and absolute discretion and without the consent of any Participant, amend the Plan to take effect retroactively or otherwise as it deems necessary or advisable for the purpose of conforming the Plan to the requirements of Section 409A. The payment of any and all Awards granted under a prior version of the Plan after October 3, 2004 shall conform to the applicable payment provisions of the Plan and not to the provisions of such prior version of the Plan.
