Dear Stockholder:

You are cordially invited to attend the 2007 Annual Meeting of Stockholders of Prospect Capital Corporation (the "Company") to be held on Thursday November 29, 2007 at 10:30 a.m., Eastern Time, at the offices of the Company, 10 East 40th Street, 44th Floor, New York, New York 10016.

The notice of Annual Meeting and Proxy Statement accompanying this letter provides an outline of the business to be conducted at the meeting. At the meeting, you will be asked to elect one director of the Company and to ratify the selection of BDO Seidman, LLP to serve as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2008. I will also report on the progress of the Company during the past year and answer stockholders' questions.

We are taking advantage of new Securities and Exchange Commission rule that allows companies to furnish proxy materials to their stockholders over the Internet. We believe the new rule will allow us to provide stockholders with the information they need, while lowering our costs of delivery and reducing the environmental impact of our Annual Meeting. On October 19, 2007, we mailed to our stockholders a Notice containing instructions on how to access our Proxy Statement and Annual Report and vote online. The Notice contains instructions on how you can receive a paper copy of the Proxy Statement and Annual Report.

It is important that your shares be represented at the Annual Meeting. Please complete the form of proxy so that your shares can be voted if you do not attend the meeting. If you are present at the meeting and want to vote your shares personally, your form of proxy, if previously requested will be withheld from voting upon your request prior to balloting. You may vote your shares via a toll-free telephone number or over the Internet. If you requested to receive a paper copy of the proxy card by mail, you may sign, date and mail the proxy card in the envelope provided. Instructions regarding all three methods of voting are contained on the proxy card. Your vote is very important to us. I urge you to vote your proxy as soon as possible.

Sincerely yours,

John F. Barry
Chief Executive Officer

PROXY STATEMENT

2007 Annual Meeting of Stockholders

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Prospect Capital Corporation (the "Company," "we," "us" or "our") for use at the Company's 2007 Annual Meeting of Stockholders to be held on Thursday, November 29, 2007, at 10:30 a.m. Eastern Standard Time at the offices of the Company, 10 East 40th Street, 44th Floor, New York, New York 10016 and at any postponements or adjournments thereof (the "Meeting"). This Proxy Statement and, the accompanying proxy card are first being made available to stockholders on or about October 19, 2007.

We encourage you to vote your shares, either by voting in person at the Meeting or by granting a proxy (*i.e.*, authorizing someone to vote your shares). If you properly sign and date the accompanying proxy card or vote by telephone or through the Internet, and the Company receives it in time for the Meeting, the persons named as proxies will vote the shares registered directly in your name in the manner that you specified. **If you give no instructions on the proxy card, the shares covered by the proxy card will be voted FOR the election of each of the nominees as directors, FOR the ratification of the Company's independent registered public accounting firm, and in the discretion of the persons named as proxies in connection with any other matter which may properly come before the Meeting.**

Edgar Filing: PROSPECT CAPITAL CORP - Form DEF 14A

If you are a "stockholder of record" (i.e., you hold shares directly in your name), you may revoke a proxy at any time before it is exercised by notifying the Company's Secretary in writing, by submitting a properly executed, later-dated proxy, or by voting in person at the Meeting. Any stockholder of record attending the Meeting may vote in person whether or not he or she has previously voted his or her shares.

If your shares are held for your account by a broker, trustee, bank or other institution or nominee, you may vote such shares at the Meeting only if you obtain proper written authority from your institution or nominee and present it at the Meeting. Please bring with you a legal proxy or letter from the broker, trustee, bank or other institution or nominee confirming your beneficial ownership of the shares as of the record date, October 9, 2007.

If your shares are registered in the name of a bank or brokerage firm, you may be eligible to vote your shares electronically via the Internet or by telephone.

Purpose of Meeting

At the Meeting, you will be asked to vote on the following proposals:

1. To elect one Class III director of the Company, to serve for a term of three years, or until his successor is duly elected and qualified; and
2. To ratify the selection of BDO Seidman, LLP ("BDO") to serve as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2008; and
3. To transact such other business as may properly come before the Meeting.

Internet Access

Pursuant to the new rules recently adopted by the Securities and Exchange Commission, the Company has elected to provide access to its proxy materials over the Internet. Accordingly, the Company is mailing a Notice Regarding Availability of Proxy Materials (the "Notice") to our stockholders of record and beneficial owners. All stockholders will have the ability to access the proxy materials on a website referred to in the Notice or request to receive a printed set of the proxy materials. Instructions on how to access the proxy materials over the Internet or to request a printed copy may be found in the Notice. In addition, stockholders may request to receive proxy materials in printed form by mail or electronically by email on an ongoing basis.

The Notice will provide you with instructions regarding how to:

- ◆ View the proxy materials for the Annual Meeting on the Internet; and
- ◆ Instruct the Company to send our future proxy materials to you electronically by email.

Choosing to receive your future proxy materials by email will save the Company the cost of printing and mailing documents to you and will reduce the impact of annual stockholders' meetings on the environment. If you choose to receive future proxy materials by email, you will receive an email next year with instructions containing a link to those materials and a link to the proxy voting site. Your election to receive proxy materials by email will remain in effect until you terminate it.

Voting Securities

You may vote your shares at the Meeting only if you were a stockholder of record at the close of business on October 9, 2007 (the "Record Date"). There were 20,021,138 shares of the Company's common stock outstanding on the Record Date. Each share of the common stock is entitled to one vote.

Quorum Required

A quorum must be present at the Meeting for any business to be conducted. The presence at the Meeting, in person or by proxy, of the holders of shares of stock of the Company representing a majority of the shares outstanding on the Record Date will constitute a quorum. Shares that are represented at the Meeting but are held by a broker or other nominee for which the nominee has not received voting instructions from the record holder and does not have discretionary authority to vote the shares on certain proposals (which are considered broker non-votes with respect to such proposals), if any, will be treated as shares present for quorum purposes.

If a quorum is not present at the Meeting or if there are not sufficient votes to approve a proposal, the stockholders who are represented may adjourn the Meeting. The persons named as proxies will vote those proxies for such adjournment, unless marked to be voted against any proposal for which an adjournment is sought, to permit the further solicitation of proxies.

- 2 -

Vote Required

Election of Directors. The election of a director requires a plurality of all the votes cast at a meeting of stockholders duly called and at which a quorum is present. Stockholders may not cumulate their votes. If you vote Withhold Authority with respect to a nominee, your shares will not be voted with respect to the person indicated. Because directors are elected by a plurality of the votes, abstentions will have no effect on the election of directors.

Ratification of Independent Registered Public Accounting Firm. The affirmative vote of a majority of the votes cast at the Meeting in person or by proxy is required to ratify the appointment of BDO to serve as the Company's independent registered public accounting firm. Abstentions will not be included in determining the number of votes cast and, as a result, will have no effect on this proposal.

Additional Solicitation. If there are not enough votes to approve a proposal at the Meeting, the stockholders who are represented may adjourn the Meeting to permit the further solicitation of proxies with respect to that proposal. The persons named as proxies will vote those proxies for such adjournment, unless marked to be voted against any proposal for which an adjournment is sought, to permit the further solicitation of proxies.

Information Regarding This Solicitation

The Company will bear the expense of the solicitation of proxies for the Meeting, including the cost of preparing, printing and mailing this Proxy Statement, the accompanying Notice of Annual Meeting of Stockholders, and proxy card. If brokers, nominees, fiduciaries and other persons holding shares in their names, or in the name of their nominees, which are beneficially owned by others, forward the proxy materials to, and obtain proxies from, such beneficial owners, we will reimburse such persons for their reasonable expenses in so doing.

In addition to the solicitation of proxies by the use of the mails, proxies may be solicited in person and by telephone or facsimile transmission by directors, officers or employees of the Company and/or Prospect Capital Management, LLC (PCM), the Company's investment adviser. PCM is located at 10 East 40th Street, 44th Floor, New York, New York 10016. Certain other members of the affiliated present and predecessor companies of PCM are referred to as Prospect. No additional compensation will be paid to directors, officers or regular employees for such services.

Stockholders may provide their voting instructions by telephone or through the Internet. These options require stockholders to input the Control Number which is located on each proxy card. After inputting this number, stockholders will be prompted to provide their voting instructions. Stockholders will have an opportunity to review their voting instructions and make any necessary changes before submitting their voting instructions and terminating their telephone call or Internet link. Stockholders who vote via the Internet, in addition to confirming their voting instructions prior to submission, will also receive an e-mail confirming their instructions upon request.

If a stockholder wishes to participate in the Meeting, but does not wish to provide voting instructions by telephone or electronically, the stockholder may still submit a proxy card or attend in person. Merely attending the Meeting without voting at the Meeting, however, will not revoke any previously given proxy. Should stockholders require additional information regarding the Proxy Statement or require a replacement proxy card, they may contact the Company at 1-212-448-0702 or Broadridge Financial Solutions, Inc., a proxy solicitor on behalf of the Company.

- 3 -

Any proxy given pursuant to this solicitation may be revoked by notice from the person giving the proxy at any time before it is exercised. Any such notice of revocation should be provided in writing signed by the stockholder in the same manner as the proxy being revoked and delivered to the Company's proxy tabulator.

Security Ownership of Certain Beneficial Owners and Management

As of the Record Date, there were no persons that owned 25% or more of our outstanding voting securities, and no person would be deemed to control us, as such term is defined in the 1940 Act.

Our directors are divided into two groups — interested directors and independent directors. Interested directors are "interested persons" of the Company, as defined in the 1940 Act.

The following table sets forth, as of October 9, 2007, the beneficial ownership of each current director, the nominees for director, the Company's executive officers, and the executive officers and directors as a group. As of October 9, 2007, there were no persons known to us who beneficially own 5% or more of the outstanding shares of our common stock.

Beneficial ownership is determined in accordance with the rules of the Securities and Exchange Commission (the "Commission") and includes voting or investment power with respect to the securities. Ownership information for those persons, if any, who beneficially own 5% or more of our shares of common stock is based upon Schedule 13D or Schedule 13G filings by such persons with the Commission and other information obtained from such persons, if available.

Unless otherwise indicated, the Company believes that each beneficial owner set forth in the table has sole voting and investment power and has the same address as the Company. Our address is 10 East 40th Street, 44th Floor, New York, New York 10016.

Committees of the Board of Directors

Our Board of Directors has established an Audit Committee and a Nominating and Corporate Governance Committee. For the fiscal year ended June 30, 2007, the Board of Directors of the Company held 16 Board meetings, 10 Audit Committee meetings, and 3 Nominating and Corporate Governance Committee meetings. All directors attended at least 75% of the aggregate number of meetings of the Board and of the respective committees on which they served. The Company requires each director to make a diligent effort to attend all board and committee meetings, as well as each annual meeting of stockholders.

- 7 -

The Audit Committee. The Audit Committee operates pursuant to a charter approved by the Board of Directors. The charter sets forth the responsibilities of the Audit Committee, which include selecting or retaining each year an independent registered public accounting firm (the "independent accountants") to audit the accounts and records of the Company; reviewing and discussing with management and the independent accountants the annual audited financial statements of the Company, including disclosures made in management's discussion and analysis, and recommending to the Board of Directors whether the audited financial statements should be included in the Company's annual report on Form 10-K; reviewing and discussing with management and the independent accountants the Company's quarterly financial statements prior to the filings of its quarterly reports on Form 10-Q; pre-approving the independent accountants' engagement to render audit and/or permissible non-audit services; and evaluating the qualifications, performance and independence of the independent accountants. The Audit Committee is presently composed of three persons: Messrs. Gremp, Liebolt and Parker, each of whom is not an "interested person" as defined in the 1940 Act and is considered independent under the National Association of Securities Dealers' Marketplace Rules (the "NASD Marketplace Rules"). The Company's Board of Directors has determined that Mr. Parker is an "audit committee financial expert" as that term is defined under Item 401 of Regulation S-K. The Audit Committee may delegate its pre-approval responsibilities to one or more of its members. The member(s) to whom such responsibility is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting.

The function of the Audit Committee is oversight. Management of the Company is primarily responsible for maintaining appropriate systems for accounting and financial reporting principles and policies and internal controls and procedures that provide for compliance with accounting standards and applicable laws and regulations. The independent accountants are primarily responsible for planning and carrying out a proper audit of the Company's annual financial statements in accordance with generally accepted accounting standards. The independent accountants are accountable to the Board of Directors and the Audit Committee, as representatives of the Company's shareholders. The Board of Directors and the Audit Committee have the ultimate authority and responsibility to select, evaluate and, where appropriate, replace the Company's independent accountants (subject, if applicable, to shareholder ratification).

In fulfilling their responsibilities, it is recognized that members of the Audit Committee are not full-time employees of the Company or management and are not, and do not represent themselves to be, accountants or auditors by profession. As such, it is not the duty or the responsibility of the Audit Committee or its members to conduct "field work" or other types of auditing or accounting reviews or procedures, to determine that the financial statements are complete and accurate and are in accordance with generally accepted accounting principles, or to set auditor independence standards. Each member of the Audit Committee shall be entitled to rely on (a) the integrity of those persons within and outside the Company and management from which it receives information; (b) the accuracy of the financial and other information provided to the Audit Committee absent actual knowledge to the contrary (which shall be promptly reported to the Board of Directors); and (c) statements made by the officers and employees of the Company, its investment adviser or other third parties as to any information technology, internal audit and other non-audit services provided by the independent accountants to the Company.

The Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee (the "Nominating and Governance Committee") is responsible for selecting qualified nominees to be elected to the Board of Directors by stockholders; selecting qualified nominees to fill any vacancies on the Board of Directors or a committee thereof; developing and recommending to the Board of Directors a set of corporate governance principles applicable to the Company; overseeing the evaluation of the Board of Directors and management; and undertaking such other duties and responsibilities as may from time to time be delegated by

the Board of Directors to the Nominating and Governance Committee. The Nominating and Governance Committee is presently composed of three persons: Messrs. Grempe, Liebolt, and Parker, each of whom is not an interested person as defined in Section 2(a)(19) of the 1940 Act.

- 8 -

The Nominating and Governance Committee will consider stockholder recommendations for possible nominees for election as directors when such recommendations are submitted in accordance with the Company's bylaws and any applicable law, rule or regulation regarding director nominations. Nominations should be sent to William E. Vastardis, Chief Compliance Officer, Chief Financial Officer, Treasurer and Secretary, Prospect Capital Corporation, 10 East 40th Street, 44th Floor, New York, New York 10016. When submitting a nomination to the Company for consideration, a stockholder must provide all information that would be required under applicable Commission rules to be disclosed in connection with election of a director, including the following minimum information for each director nominee: full name, age and address; principal occupation during the past five years; current directorships on publicly held companies and investment companies; number of shares of Company common stock owned, if any; and, a written consent of the individual to stand for election if nominated by the Board of Directors and to serve if elected by the stockholders. Criteria considered by the Nominating and Governance Committee in evaluating the qualifications of individuals for election as members of the Board of Directors include compliance with the independence and other applicable requirements of the NASD Marketplace Rules and the 1940 Act and all other applicable laws, rules, regulations and listing standards, the criteria, policies and principles set forth in the Nominating and Corporate Governance Committee Charter, and the ability to contribute to the effective management of the Company, taking into account the needs of the Company and such factors as the individual's experience, perspective, skills and knowledge of the industry in which the Company operates. The Nominating and Governance Committee also may consider such other factors as it may deem are in the best interests of the Company and its stockholders. The Board of Directors also believes it is appropriate for certain key members of the Company's management to participate as members of the Board of Directors.

Corporate Governance

Corporate Governance Guidelines

Upon the recommendation of the Nominating and Governance Committee, the Board of Directors has adopted Corporate Governance Guidelines on behalf of the Company. These Corporate Governance Guidelines address, among other things, the following key corporate governance topics: director responsibilities; the size, composition, and membership criteria of the Board of Directors; composition and responsibilities of directors serving on committees of the Board of Directors; director access to officers, employees, and independent advisors; director orientation and continuing education; director compensation; and an annual performance evaluation of the Board of Directors.

Code of Conduct

The Company has adopted a code of conduct which applies to, among others, its senior officers, including its Chief Executive Officer and its Chief Financial Officer, as well as every employee of the Company. The Company's code of conduct is attached as an exhibit to the Company's Annual Report on Form 10-K filed with the Commission, and can be accessed via the Internet site of the Commission at <http://www.sec.gov>. The Company intends to disclose amendments to or waivers from a required provision of the code of conduct on Form 8-K.

Code of Ethics

The Company and PCM have each adopted a code of ethics pursuant to Rule 17j-1 under the 1940 Act that establishes procedures for personal investments and restricts certain personal securities transactions. Personnel subject to each code may invest in securities for their personal investment accounts, including securities that may be purchased or held by us, so long as such investments are made in accordance with the code's requirements.

- 9 -

Internal Reporting and Whistle Blower Protection Policy

The Company's Audit Committee has established guidelines and procedures regarding the receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters (collectively, "Accounting Matters"), and the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters. Persons with complaints or concerns regarding Accounting Matters may submit their complaints to the Company's Chief Compliance Officer ("CCO"). Persons who are uncomfortable submitting complaints to the CCO, including complaints involving the CCO, may submit complaints directly to the Company's Audit Committee Chairman (together with the CCO, "Complaint Officers"). Complaints may be submitted on an anonymous basis.

Audit Committee Report(1)

The following is the report of the Audit Committee with respect to the Company's audited financial statements for the fiscal year ended June 30, 2007.

The Audit Committee has reviewed and discussed the Company's audited financial statements with management and BDO, the Company's independent registered public accounting firm, with and without management present. The Audit Committee included in its review results of BDO's examinations, the Company's disclosure controls and procedures, and the quality of the Company's financial reporting. The Audit Committee also reviewed the Company's procedures and disclosure controls designed to ensure full, fair and adequate financial reporting and disclosures, including procedures for certifications by the Company's chief executive officer and chief financial officer that are required in periodic reports filed by the Company with the Commission. The Audit Committee is satisfied that the Company's disclosure controls and procedures are adequate and that the Company employs appropriate accounting and auditing procedures.

The Audit Committee also has discussed with BDO matters relating to BDO's judgments about the quality, as well as the acceptability, of the Company's accounting principles as applied in its financial reporting as required by Statement of Auditing Standards No. 61 (Communications with Audit Committees). In addition, the Audit Committee has discussed with BDO their independence from management and the Company, as well as the matters in the written disclosures received from BDO and required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). The Audit Committee received oral communications from BDO confirming their independence and discussed the matter with BDO. The Audit Committee discussed and reviewed with BDO the Company's critical accounting policies and practices, disclosure controls, other material written communications to management, and the scope of BDO's audits and all fees paid to BDO during the fiscal year. Pursuant to the Audit Committee charter, the Audit Committee may review and pre-approve audit and permissible non-audit services performed by BDO for the Company. The Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee does not delegate its responsibilities to pre-approve services performed by the independent registered public accounting firm to management. The Audit Committee has reviewed and considered the compatibility of BDO's performance of non-audit services with the maintenance of BDO's independence as the Company's independent registered public accounting firm.
