Dear Shareholder:

We cordially invite you to attend the 2008 Annual Meeting of Shareholders of Big Lots, Inc. The Annual Meeting will be held at our corporate offices located at 300 Phillipi Road, Columbus, Ohio, on May 29, 2008, beginning at 9:00 a.m. EDT.

The following pages contain the Notice of Annual Meeting of Shareholders and the Proxy Statement. You should review this material for information concerning the business to be conducted at the Annual Meeting.

Your vote is important. Whether or not you plan to attend the Annual Meeting, you are urged to vote as soon as possible. If you attend the Annual Meeting, you may revoke your proxy and vote in person if you wish, even if you have previously voted.

We have elected to take advantage of new Securities and Exchange Commission rules that allow us to furnish proxy materials to shareholders on the Internet. On or about the date of this letter, we began mailing a Notice of Internet Availability of Proxy Materials to shareholders of record at the close of business on March 31, 2008. At the same time, we provided those shareholders with Internet access to our proxy materials and filed our proxy materials with the Securities and Exchange Commission. We believe the new rules will allow us to provide our shareholders with the information they need, while lowering the costs of delivery and reducing the environmental impact of the Annual Meeting.

Thank you for your ongoing support of, and continued interest in, Big Lots, Inc.

PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the "Board") of Big Lots, Inc., an Ohio corporation (we, us, our and Big Lots), for use at the 2008 Annual Meeting of Shareholders to be held on May 29, 2008 (the "Annual Meeting"), at our corporate offices located at 300 Phillip Road, Columbus, Ohio at 9:00 a.m. EDT. On or about April 15, 2008, we began mailing to our shareholders of record at the close of business on March 31, 2008, a Notice of Internet Availability containing instructions on how to access the Notice of Annual Meeting of Shareholders, this Proxy Statement and our Annual Report to Shareholders for the fiscal year ended February 2, 2008 (fiscal 2007).

ABOUT THE ANNUAL MEETING

Purpose of the Annual Meeting

At the Annual Meeting, shareholders will act upon the matters outlined in the Notice of Annual Meeting included with this Proxy Statement. Specifically, the shareholders will be asked to (i) elect nine members to our Board, (ii) approve amendments to the Big Lots 2005 Long-Term Incentive Plan (the "2005 Incentive Plan"), (iii) ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending January 31, 2009 (fiscal 2008), and (iv) transact such other business as may properly come before the Annual Meeting.

Shareholder Voting Rights

Only those shareholders of record at the close of business on March 31, 2008, the record date for the Annual Meeting, are entitled to receive notice of and to vote at the Annual Meeting. At the record date, we had outstanding 81,372,933 common shares, \$0.01 par value per share. Each of the outstanding common shares entitles the holder thereof to one vote on each matter to be voted upon at the Annual Meeting or any postponement or adjournment thereof. The holders of common shares have no cumulative voting rights in the election of directors. All voting shall be governed by our Code of Regulations and the General Corporation Law of the State of Ohio and, in the case of Proposal Two, the rules of the New York Stock Exchange (□NYSE□).

Registered Shareholders and Beneficial Shareholders

If our common shares are registered in your name directly with our transfer agent, National City Bank, you are considered, with respect to those common shares, a registered shareholder. If our common shares are held for you in a brokerage account or by a bank or other holder of record, you are considered the beneficial shareholder of the common shares held in street name.

Internet Availability of Proxy Materials

In accordance with rules recently adopted by the Securities and Exchange Commission (□SEC□), instead of mailing a printed copy of our proxy materials to each shareholder of record, we may now furnish our proxy materials, including the Notice of Annual Meeting of Shareholders, this Proxy Statement and our Annual Report to Shareholders, by providing access to such documents on the Internet. Shareholders will not receive printed copies of the proxy materials unless they request them.

- 1 -

A Notice of Internet Availability that provides instructions for accessing our proxy materials on the Internet was mailed directly to registered shareholders. The Notice of Internet Availability also provides instructions for registered shareholders to vote their common shares on the Internet. Registered shareholders who prefer to receive a paper or email copy of our proxy materials should follow the instructions provided in the Notice of Internet Availability for requesting such materials.

For beneficial shareholders, a notice directing you to the website at which you will find our proxy materials has been forwarded to you by your broker, bank or other holder of record who is considered, with respect to those common shares, the registered shareholder. Your broker, bank or other holder of record also provided instructions on how you may request a paper or email copy of our proxy materials, if you prefer. Beneficial shareholders have the right to direct their broker, bank or other holder of record on how to vote their common shares by following the voting instructions they received from their broker, bank or other holder of record.

To enroll in the electronic delivery service for future shareholder meetings, use your Notice of Internet Availability to register online at www.proxyvote.com by indicating that you agree to receive or access shareholder communications electronically in future years.

Attendance at the Annual Meeting

All of our shareholders as of the record date, or their duly appointed proxies, may attend the Annual Meeting. Registration and seating will begin at 8:30 a.m. EDT, and the Annual Meeting will begin at 9:00 a.m. EDT. If you attend, please note that you may be asked to present valid picture identification, such as a driver's license or passport. Cameras, recording devices and other electronic devices will not be permitted at the Annual Meeting. Please also note that if you hold your common shares as a beneficial shareholder, you will need to check in at the Annual Meeting registration desk and present a copy of a brokerage or bank statement reflecting your stock ownership as of the record date.

How to Vote

After receiving the Notice of Internet Availability, registered shareholders are urged to visit www.proxyvote.com to access our proxy materials. You will have the opportunity to vote your common shares online at www.proxyvote.com until May 28, 2008 at 11:59 p.m. EDT. When voting online, you must follow the instructions posted on the website and you will need the control number included on your Notice of Internet Availability. If, after receiving the Notice of Internet Availability, you request (via toll-free telephone number, e-mail or online)

that we send you paper or electronic copies of our proxy materials, you may vote your common shares by completing, dating and signing the proxy card and returning it in the envelope included with our mailing. If you properly complete your proxy online or you complete, date, sign and return your proxy card, your common shares will be voted as you direct. If you are a registered shareholder and attend the Annual Meeting, you may deliver your completed proxy card in person.

Beneficial shareholders are able to instruct the broker, bank or other holder of record how to vote their common shares by following the directions provided by their broker, bank or other holder of record. Please contact your broker, bank or other holder of record to determine the means by which beneficial shareholders can direct voting and the applicable deadlines. Additionally, beneficial shareholders who wish to vote at the Annual Meeting will need to obtain a completed form of proxy from the broker, bank or other holder of record who is the registered holder of the common shares.

A proxy may be revoked at any time before it is exercised by filing with our Corporate Secretary a written notice of revocation or a duly executed proxy bearing a later date. A proxy may also be revoked by attending the Annual Meeting and giving notice of revocation to the secretary of the meeting, either in writing or in open meeting. Attendance at the Annual Meeting will not by itself revoke a previously granted proxy.

Householding

SEC rules allow multiple shareholders residing at the same address the convenience of receiving a single copy of the annual report to shareholders, proxy statement and Notice of Internet Availability if they consent to do so (householding). Householding is permitted only in certain circumstances, including when you have the same last name and address as another shareholder. If the required conditions are met, and SEC regulations allow, your household may receive a single copy of the annual report to shareholders, proxy statement and Notice of Internet

- 2 -

Availability. Upon request, we will promptly deliver a separate copy of the annual report to shareholders, proxy statement and Notice of Internet Availability, as applicable, to a shareholder at a shared address to which a single copy of the document(s) was delivered. Such a request should be made in the same manner as a revocation of consent for householding.

You may revoke your consent for householding at any time by contacting Broadridge Financial Solutions, Inc. (Broadridge), either by calling 1-800-542-1061, or by writing to: Broadridge, Householding Department, 51 Mercedes Way, Edgewood, New York 11717. You will be removed from the householding program within 30 days of receipt of your instructions, at which time you will receive separate copies of these documents.

Beneficial shareholders can request more information about householding from their brokers, banks or other holders of record.

Tabulation of Votes

Tabulation of the votes cast at the Annual Meeting will be performed by Broadridge, as inspected by our duly appointed inspectors of election.

Board's Recommendations

Subject to revocation, all proxies that are properly completed and timely received will be voted in accordance with the instructions contained therein. If no instructions are given (excluding broker non-votes), the persons named as proxy holders will vote the common shares in accordance with the recommendations of the Board. The Board's recommendations are set forth together with the description of each proposal in this Proxy Statement. In summary, the Board recommends a vote (i) FOR the election of the nominated slate of directors (see Proposal One), (ii) FOR the approval of amendments to the 2005 Incentive Plan (see Proposal Two), and (iii) FOR the ratification of Deloitte & Touche LLP as our independent registered public accounting firm for fiscal 2008 (see Proposal Three). If any other matter properly comes before the Annual Meeting, or if a director nominee named in this Proxy Statement is unable to serve or for good cause will not serve, the proxy holders will vote on such matter or for a substitute nominee as recommended by the Board.

Vote Required to Approve a Proposal

Proposal One

For purposes of Proposal One, the nine director nominees receiving the greatest number of votes cast shall be elected as directors. A properly executed proxy marked withhold authority with respect to the election of one or more nominees for director will not be voted with respect to the nominee or nominees for director indicated, although it will be counted for purposes of determining whether there is a quorum. If you are a beneficial shareholder, your broker, bank or other holder of record who is the registered holder of your common shares is permitted to vote your common shares for the election of directors even if the broker, bank or other holder of record does not receive voting instructions from you.

Other Matters

For purposes of Proposal Two, Proposal Three and any other matters that may properly come before the Annual Meeting, the affirmative vote of the holders of a majority of the common shares represented in person or by proxy and entitled to vote on each such matter will be required for approval. Under NYSE rules, approval of Proposal Two also requires that a majority of shareholders entitled to vote actually cast a vote, whether in favor, against or in abstention. A properly executed proxy marked abstain with respect to Proposal Two, Proposal Three or any other matter that may properly come before the Annual Meeting will not be voted with respect to such matter, although it will be counted for purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote. If no voting instructions are given (excluding broker non-votes), the persons named as proxy holders on the proxy card will vote the common shares in accordance with the recommendation of the Board.

If you are a beneficial shareholder, your broker, bank or other holder of record may not be permitted to exercise discretionary voting power with respect to some of the matters to be acted upon. Thus, if you do not give your broker, bank or other holder of record specific voting instructions, your common shares may not be voted on those matters and will not be counted in determining the number of common shares necessary for approval. Under

- 3 -

NYSE rules, your broker, bank or other holder of record may not vote your common shares on Proposal Two absent instructions from you. Without your voting instructions on this matter, a broker non-vote will occur. Common shares represented by broker non-votes will, however, be counted in determining whether there is a quorum.

Quorum

The presence, in person or by proxy, of the holders of a majority of the outstanding common shares entitled to be voted at the Annual Meeting will constitute a quorum, permitting us to conduct our business at the Annual Meeting. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of common shares considered to be represented at the Annual Meeting for purposes of establishing a quorum.

PROPOSAL ONE: ELECTION OF DIRECTORS

At the Annual Meeting, the common shares represented by proxies will be voted, unless otherwise specified, for the election of the nine director nominees named below. All nine nominees are currently directors on our Board. Proxies cannot be voted at the Annual Meeting for more than nine persons.

Set forth below is certain information relating to the director nominees. Directors are elected to serve until the next annual meeting of shareholders and until their respective successors are elected and qualified, or until their earlier death, resignation or removal.

Board Meetings in Fiscal 2007

Five meetings of the Board were held during fiscal 2007. During fiscal 2007, each director attended at least 75% of the aggregate of all meetings of the Board and all meetings held by the committees on which he or she served (in each case, held during the periods that he or she served). It is our policy that each director nominee standing for election be present at the annual meeting of shareholders. Each director listed above attended the most recent annual meeting of shareholders held in May 2007. Under our Corporate Governance Guidelines, each director is expected to dedicate sufficient time and attention to ensure the diligent performance of his or her duties, including attending meetings of the shareholders, the Board, and the committees of which he or she is a member.

Role of the Board's Committees

Audit Committee

The primary function of the Audit Committee is to assist the Board in fulfilling its oversight responsibility with respect to: (i) the integrity of the financial reports and other financial information provided by us to our shareholders and others; (ii) our compliance with legal and regulatory requirements; (iii) the engagement of our independent registered public accounting firm and the evaluation of the firm's qualifications, independence and performance; (iv) the performance of our system of internal controls; and (v) our audit, accounting and financial reporting processes generally. The Audit Committee was established in accordance with the Securities Exchange Act of 1934, as amended ("Exchange Act"), and each of its members is independent as required by the Audit Committee's charter and by the applicable NYSE and SEC rules. The Board has determined that Mr. Mallott, Mr. Berger and Mr. Solt each satisfy the standards for an "audit committee financial expert," as defined by applicable SEC rules. Each member of the Audit Committee is "financially literate," as required by NYSE rules.

The functions of the Audit Committee are further described in its charter, which is available in the Investor Relations section of our website (www.biglots.com) under the "Corporate Governance" caption. A copy may also be obtained, without charge, upon written request to our Corporate Secretary. The Audit Committee met eight times during fiscal 2007.

- 5 -

Compensation Committee

The Compensation Committee discharges the responsibilities of the Board relating to the administration of our compensation programs, including the compensation program for the members of our executive management committee ("EMC"). The EMC is currently comprised of 11 employees - the five executives named in the Summary Compensation Table ("named executive officers") and all other executive vice presidents and senior vice presidents.

The Compensation Committee is involved in establishing our general compensation philosophy, overseeing the development of our compensation programs, reviewing and recommending to the Board the compensation for the EMC members, administering our equity-based compensation plans, and reporting on the entirety of the executive compensation program to the Board. All members of the Compensation Committee are independent as required by the Committee's charter and NYSE rules.

The functions of the Compensation Committee are further described in its charter, which is available in the Investor Relations section of our website (www.biglots.com) under the "Corporate Governance" caption. A copy may also be obtained, without charge, upon written request to our Corporate Secretary. The Compensation Committee met 12 times during fiscal 2007.

Nominating/Corporate Governance Committee

The Nominating/Corporate Governance Committee is responsible for recommending individuals to the Board for nomination as members of the Board and its committees and taking a leadership role in shaping our corporate governance policies and practices, including recommending to the Board changes to our Corporate Governance Guidelines and monitoring compliance with such guidelines. All members of the Nominating/Corporate Governance Committee are independent as required by the Committee's charter and NYSE rules.

The functions of the Nominating/Corporate Governance Committee are further described in its charter, which is available in the Investor Relations section of our website (www.biglots.com) under the "Corporate Governance" caption. A copy may also be obtained, without charge, upon written request to our Corporate Secretary. The Nominating/Corporate Governance Committee met four times during fiscal 2007.

The Corporate Governance Guidelines, which comply with NYSE rules, can be found in the Investor Relations section of our website (www.biglots.com) under the "Corporate Governance" caption. A copy may also be obtained, without charge, upon written request to our Corporate Secretary.

Presiding Member of the Board

The Board has a presiding director whose primary responsibility is to preside over executive sessions of the Board in which management directors and other members of management are not present. The role of presiding director is rotated among the independent, non-management directors ("outside directors"). The presiding director is responsible for establishing an agenda for the session over which he or she presides and, upon the conclusion of an executive session of the Board, meeting with our chief executive officer ("CEO") to address the matters discussed during the executive session.

Determination of Director Independence

Pursuant to the Corporate Governance Guidelines, the Board undertook its most recent annual review of director independence in March 2008. During this annual review, the Board considered all transactions and relationships between each director, his or her affiliates, and any member of his or her immediate family, on one hand, and Big Lots, its subsidiaries and members of senior management, on the other hand. The purpose of this review was to determine whether any such transactions or relationships were inconsistent with a determination that the director is independent in accordance with NYSE rules.

As a result of this review, the Board affirmatively determined that, with the exception of Mr. Fishman, all of the directors nominated for election at the Annual Meeting are independent of Big Lots, its subsidiaries and its management under the standards set forth by NYSE rules and no director nominee has a material relationship with Big Lots, its subsidiaries or its management aside from his or her service as a director. Mr. Fishman is not an independent director due to his employment with Big Lots.

- 6 -

In determining that each of the directors other than Mr. Fishman is independent, the Board considered that, in the ordinary course of business, transactions may occur between Big Lots or its subsidiaries and companies at which some of our directors are or have been executive officers. In each such case, the amount of any transactions with these companies in each of the last three years did not approach the disqualifying thresholds set forth in the NYSE rules. The Board also considered charitable contributions to not-for-profit organizations of which our directors or immediate family members are executive officers or directors, none of which approached the disqualifying thresholds set forth in the NYSE rules. The Board determined that each of the transactions and relationships it considered was immaterial and did not impair the independence of any of the directors.

Selection of Nominees by the Board

The Nominating/Corporate Governance Committee has oversight over a broad range of issues surrounding the composition and operation of the Board. The Nominating/Corporate Governance Committee is responsible for recommending to the Board the appropriate skills and qualifications required of Board members, based on our needs from time to time. The Nominating/Corporate Governance Committee also evaluates prospective director nominees against the standards and qualifications set forth in the Corporate Governance Guidelines. Although

the Nominating/Corporate Governance Committee has not approved any specific minimum qualifications that must be met by a nominee for director recommended by the Committee, the Committee does consider factors such as the prospective nominee's relevant experience, character, intelligence, independence, commitment, judgment, prominence, diversity, age, and compatibility with our CEO and other members of the Board. The Nominating/Corporate Governance Committee also considers such other relevant factors as it deems appropriate, including the current composition of the Board, the balance of management and independent directors, and the need for committee expertise. The Nominating/Corporate Governance Committee confers with the Board as to the criteria it intends to apply before the search for a new director nominee is commenced.

In identifying potential candidates for Board membership, the Nominating/Corporate Governance Committee considers recommendations from the Board, shareholders and management. A shareholder who wishes to recommend a prospective director nominee to the Board must send written notice to: Chair of the Nominating/Corporate Governance Committee, Big Lots, Inc., 300 Phillipi Road, Columbus, Ohio 43228. The written notice must include the prospective nominee's name, age, business address, principal occupation, ownership of our common shares, information that would be required under the rules of the SEC in a proxy statement soliciting proxies for the election of such prospective nominee as a director, and any other information that is deemed relevant by the recommending shareholder. Shareholder recommendations that comply with these procedures and that meet the factors outlined above will receive the same consideration that the recommendations of the Board and management receive.

Pursuant to its written charter, the Nominating/Corporate Governance Committee has the authority to retain consultants and search firms to assist in the process of identifying and evaluating director candidates and to approve the fees and other retention terms for any such consultant or search firm. No such firm was retained in connection with the selection of the director nominees proposed for election at the Annual Meeting.

After completing the evaluation of a prospective nominee, the Nominating/Corporate Governance Committee may make a recommendation to the Board that the targeted individual be nominated by the Board, and the Board then decides whether to approve a nominee after considering the recommendation and report of the Nominating/Corporate Governance Committee. Any invitation to join the Board is extended to a prospective nominee through the chair of the Nominating/Corporate Governance Committee and our CEO, after approval by the Board.

Code of Business Conduct and Ethics & Code of Ethics for Financial Professionals

We have a Code of Business Conduct and Ethics, which is applicable to all of our directors and employees, including our principal executive officer, our principal financial officer, and our principal accounting officer. We also have a separate Code of Ethics for Financial Professionals which is applicable to our CEO and all other senior financial officers, as that term is defined therein. Both the Code of Business Conduct and Ethics and the

Code of Ethics for Financial Professionals are available in the Investor Relations section of our website (www.biglots.com) under the "Corporate Governance" caption. A copy may also be obtained, without charge, upon written request to our Corporate Secretary. We intend to post amendments to or waivers from any applicable provision (related to elements listed under Item 406(b) of Regulation S-K) of the Code of Business Conduct and Ethics and the Code of Ethics for Financial Professionals (in each case, to the extent applicable to our principal executive officer, principal financial officer, principal accounting officer, controller or persons performing similar functions), if any, at this location on our website.

Related Person Transactions

The Board and the Nominating/Corporate Governance Committee have the responsibility for monitoring compliance with our corporate governance policies, practices and guidelines applicable to our directors, nominees for director, officers and employees. The Board and the Nominating/Corporate Governance Committee have also enlisted the assistance of our General Counsel and human resources management to fulfill this duty.

The Corporate Governance Guidelines, Code of Business Conduct and Ethics, Code of Ethics for Financial Professionals, and various human resources policies prohibit, without the consent of the Board or the Nominating/Corporate Governance Committee, directors, officers and employees from engaging in transactions that conflict with our interests or that otherwise usurp corporate opportunities.

In addition, on an annual basis, each director, nominee for director and executive officer is obligated to complete a questionnaire which requires disclosure of any transaction in which Big Lots was or is to be a participant in which the director, nominee or executive officer, or any member of his or her immediate family, had or will have a direct or indirect material interest. These questionnaires are reviewed by the Nominating/Corporate Governance Committee and our General Counsel to identify any potential conflicts of interest or other transactions that the Board should review in light of the SEC rules regarding the disclosure of related person transactions, as well as the Corporate Governance Guidelines, the Code of Business Conduct and Ethics, the Code of Ethics for Financial Professionals, and various human resources policies. Based on our most recent review in the first quarter of fiscal 2008, we believe that no such disclosure is required under SEC rules.

As necessary, the Board also reviews proposed transactions in which we and any other related person (e.g., a holder of more than five percent of our common shares) are participants. In fiscal 2007, the Board reviewed and approved a structured share repurchase transaction and other share repurchase transactions with Goldman Sachs & Co., an affiliate of Goldman Sachs Asset Management, L.P., who was, at the time of our entry into such transactions, believed by us to be the beneficial owner of more than five percent of our common shares. In connection with these transactions, which were part of two publicly-announced common share repurchase programs totaling \$750 million, we paid \$100 million to Goldman Sachs & Co. in exchange for our common shares under the structured share repurchase transaction and three cents per share as a broker's trading commission in connection with \$575 million of other share repurchase transactions.

DIRECTOR COMPENSATION

Retainers and Fees

Under the Big Lots, Inc. Non-Employee Director Compensation Package established by the Board, each outside director is compensated for Board and committee participation. The retainers and fees for outside directors in fiscal 2007 consisted of: (i) an annual retainer of \$45,000; (ii) an additional annual retainer of \$10,000 for the chair of the Audit Committee; (iii) an additional annual retainer of \$5,000 for the chairs of the Compensation Committee and the Nominating/Corporate Governance Committee; (iv) \$1,500 for each Board meeting attended in person; (v) \$1,000 for each committee meeting attended in person; (vi) \$500 for each Board or committee meeting attended telephonically; and (vii) the ability to nominate a charity to receive a donation of up to \$10,000 from us. During fiscal 2007, Messrs. Berger, Berman, Kollat, Mallott, Solt, Tener and Tishkoff, and Ms. Lauderback qualified as outside directors and, thus, received compensation for their Board service. Due to his employment with us, Mr. Fishman did not qualify as an outside director and did not receive compensation for his service as a director. The compensation received by Mr. Fishman as an employee is shown in the Summary Compensation Table included in this Proxy Statement.

Stock Options

In addition to the retainers and fees, outside directors receive an annual stock option grant under the Big Lots, Inc. Amended and Restated Director Stock Option Plan (the "Director Stock Option Plan"). The number of common shares available under the Director Stock Option Plan initially consisted of the original allocation of 500,000 common shares (781,250 common shares as adjusted to account for the five-for-four stock splits which occurred in December 1996 and June 1997). The Director Stock Option Plan is administered by the Compensation Committee. Neither the Board nor the Compensation Committee exercises any discretion in administering the Director Stock Option Plan, and the administration performed by the Compensation Committee is ministerial in nature. A formula set forth in the Director Stock Option Plan provides for an automatic annual grant of stock options to each outside director. The formula which governs the grant of stock options to eligible participants may be amended by the Board, but not more frequently than once in any six-month period. Under the current formula, each outside director is granted annually an option to acquire 10,000 of our common shares at an exercise price equal to the closing price of our common shares on the NYSE on the grant date.

- 9 -

During fiscal 2007, each of the outside directors received an option to acquire 10,000 of our common shares pursuant to the Director Stock Option Plan. These stock options automatically terminate 10 years and one month following the grant date and become exercisable over three years beginning upon the first anniversary of the grant date — 20% of the common shares on the first anniversary, 60% on the second anniversary, and 100% on the third anniversary.

If Proposal Two is approved by our shareholders, the common shares remaining available for issuance under the Director Stock Option Plan will not be used and future equity awards to outside directors will be made under the 2005 Incentive Plan.
