#### Item 8.01 Other Events

On May 31, 2012, Windstream Corporation (“Windstream” or the “Company”) issued a press release announcing that it is restructuring its management ranks to increase the efficiency of decision-making and position the Company for continued success. As a result, the Company expects to eliminate approximately 375 - 400 management positions, or roughly 3 percent of its total workforce of 14,500, as part of the restructuring, which is expected to be complete in the third quarter of 2012.

The Company anticipates incurring pre-tax restructuring charges of approximately \$20 million - \$25 million during 2012, primarily associated with severance and related costs. These estimated pre-tax restructuring and related charges represent the Company's estimate of future cash outlays for employee termination benefits. The severance-related charges that the Company expects to incur in connection with the restructuring are subject to a number of assumptions, and actual results may vary materially.

#### Forward Looking Statements

This Current Report on Form 8-K contains forward-looking statements within the meaning of Section 27A of the Securities Act and 21E of the Securities Exchange Act of 1934, as amended.
