the Securities Exchange Act of 1934.

Yes No

If "Yes" is marked, indicated below the file number assigned to the
registrant in connection with Rule 12g3-2(b):

GOL to Launch flights to Asuncion in January

São Paulo, December 28, 2005 GOL Linhas Aéreas Inteligentes (NYSE: GOL and Bovespa: GOLL4), Brazil's low fare, low cost airline, announced today that the inaugural flight to Asuncion, Paraguay has been confirmed for January 4, 2006. GOL will initially offer one flight per week, departing from Guarulhos airport (SP) at 9:10 PM - with a stop in Curitiba (PR) and arriving in Asuncion at 11:25 PM. Returning flights Asuncion to Sao Paulo will depart Asuncion at 5:00 AM and arrive at Guarulhos at 9:00 AM.

Paraguay, which has a population of six million, is the fifth most frequented destination by Brazilians flying to neighboring countries. In 2003, approximately 144 thousand passengers traveled between Brazil and Paraguay. A member of MERCOSUR (the South American trade block comprised of Brazil, Argentina, Uruguay and Paraguay) Paraguay has a strong agricultural industry, particularly in the cultivation of soy, and in the export of energy from bi-national hydroelectrical plants in Itaipu and Yaciretá. "Asuncion is an important destination for GOL given Paraguay's strong ties with Brazil and the significant demand for flights that exist between the two countries", said Tarcísio Gargioni, Vice President of Marketing and Services at GOL.

Tickets are available for purchase on GOL's website, www.voegol.com.br.

About GOL Linhas Aéreas Inteligentes

GOL Linhas Aéreas Inteligentes, a low cost, low fare airline, is one of the most profitable and fastest growing airlines in the industry worldwide. GOL operates a simplified fleet with a single class of service. The Company has one of the youngest and most modern fleets in the industry resulting in low maintenance, fuel and training costs, with high aircraft utilization and efficiency ratios. In addition, safe and reliable services, which stimulate GOL's brand recognition and customer satisfaction, allow GOL to have the best value proposition in the market. GOL currently offers over 420 daily flights to 45 major business and travel destinations in Brazil, Argentina, and Bolivia, with substantial expansion opportunities. GOL's growth plans include increasing frequencies in existing markets and adding service to additional markets in both Brazil and other high-traffic South American travel destinations. GOL's shares are listed on the NYSE and the Bovespa. GOL: here everyone can fly!

This release contains forward-looking statements relating to the prospects of the business, estimates for operating and financial results, and those related to growth prospects of GOL. These are merely projections and, as such, are based exclusively on the expectations of GOL's management concerning the future of the business and its continued access to capital to fund the Company's business plan. Such forward-looking statements depend, substantially, on changes in market conditions, government regulations, competitive pressures, the performance of the Brazilian economy and the industry, among other factors and risks disclosed in GOL's filed disclosure documents and are, therefore, subject to change without prior notice.
