registrant in connection with Rule 12g3-2(b):

GOL and Delta Air Lines Enter Agreement to Offer Connections in South America

Sao Paulo, June 14, 2007 GOL Linhas Aéreas Inteligentes (NYSE: GOL and Bovespa: GOLL4), parent company of Brazil's low-cost airlines GOL and VRG, has entered into a baggage and ticketing agreement with Delta Air Lines (NYSE: DAL), allowing for faster and more convenient connections between the two airlines.

Effective July 1, 2007, the agreement provides Delta's passengers with easier connections through Sao Paulo and Rio de Janeiro to any of GOL's 58 destinations in Brazil as well as to Buenos Aires, Cordoba and Rosario, Argentina; Santa Cruz de la Sierra, Bolivia; Santiago, Chile; Asuncion, Paraguay; Lima, Peru; and; Montevideo, Uruguay.

We are very pleased to partner with Delta, one of the world's largest airlines, and open up new markets for both companies. Delta's passengers will now be able to enjoy the unique combination of GOL's low-fares and high quality service that has proven successful across South America, says Tarcisio Gargioni, GOL's Vice-President of Marketing and Services.

This agreement effectively expands Delta's destinations by making it easier for Delta passengers to enjoy travel to GOL's area of service, said Christophe Didier, Delta's Vice President of Sales for Latin America and the Caribbean.

A portion of travel for some itineraries may be operated by the Delta Connection carriers: Atlantic Southeast Airlines, Chautauqua, Comair, Freedom Airlines, Shuttle America, and SkyWest.

About GOL Linhas Aéreas Inteligentes S.A. Group

GOL Linhas Aéreas Inteligentes S.A. (GLAI) is the parent company of low-cost airlines GOL Transportes Aéreos S.A. (GTA, which operates the GOL brand) and VRG Linhas Aéreas S.A. (VRG, which operates the VARIG brand). GTA and VRG offer daily flights to more destinations in Brazil than any other domestic airline while providing customers with the most convenient flight schedules in the country. The airlines operate a young, modern fleet of Boeing aircraft, the safest and most comfortable aircraft of its class, with low maintenance, fuel and training costs, and high aircraft utilization and efficiency ratios. In addition to safe and reliable services, which stimulate brand recognition and customer satisfaction, the Company's service is recognized as the best value proposition in the market. Growth plans include increasing frequencies in existing markets and adding service to additional markets in both Brazil and other high-traffic travel destinations. Shares are listed on the NYSE (GOL) and the Bovespa (GOLL4) stock exchanges.

GOL Transportes Aéreos S.A. offers 630 daily flights to 58 destinations connecting the most important cities in Brazil as well as the main destinations in Argentina, Bolivia, Chile, Paraguay, Peru and Uruguay. For more information on

This release contains forward-looking statements relating to the prospects of the business, estimates for operating and financial results, and those related to growth prospects of GOL. These are merely projections and, as such, are based exclusively on the expectations of GOL's management concerning the future of the business and its continued access to capital to fund the Company's business plan. Such forward-looking statements depend, substantially, on changes in market conditions, government regulations, competitive pressures, the performance of the Brazilian economy and the industry, among other factors and risks disclosed in GOL's filed disclosure documents and are, therefore, subject to change without prior notice.

SIGNATURE

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned, thereunto duly authorized.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
