Item 4.02 Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.

As previously disclosed on the Current Report on Form 8-K filed with the Securities and Exchange Commission (the "Commission") on September 1, 2006, the board of directors of Halo Technology Holdings, Inc. (the "Company") has determined that investors should not rely on the Company's (a) consolidated financial statements for the period ended June 30, 2005 and the report thereon of the Company's independent registered public accountants, included in the Company's Annual Report on Form 10-KSB filed with the Commission on September 28, 2005; (b) consolidated financial statements for the period ended September 30, 2005, included in the Company's Quarterly Report on Form 10-QSB filed with the Commission on November 14, 2005; (c) consolidated financial statements for the period ended December 31, 2005, included in the Company's Quarterly Report on Form 10-QSB filed with the Commission on February 15, 2006; and (d) consolidated financial statements for the period ended March 31, 2006, included in the Company's Quarterly Report on Form 10-QSB filed with the Commission on May 15, 2006.

In connection with the Commission's review of the financial statements contained in the Company's Registration Statement on Form S-4, File Number 333-133025, the Company engaged in extensive discussions with representatives of the Commission with respect to the characterization of certain warrants on the Company's balance sheet. As a result of these discussions, the Company agreed to restate the financial statements contained in the filings listed above. During the process of preparing restated financial statements contained in the filings listed above, the Company determined that for purposes of providing historical financial information for comparison, it is necessary to amend the Company's consolidated financial statements for the interim period ended March 31, 2005, included in the Company's Quarterly Report on Form 10-QSB filed with the Commission on May 20, 2005. As a result, the Company intends to file an amended Quarterly Report for the interim period ended March 31, 2005 containing the restated financial information.

The Company's board of directors have discussed the matter disclosed in this Current Report on Form 8-K with the Company's independent registered public accounting firm.
