**Item 2.05 Costs Associated with Exit or Disposal Activities.**

On April 20, 2007, Opteum Inc. (the "Company") that its subsidiary, Opteum Financial Services, LLC ("OFS"), intends to exit its Conduit and Wholesale mortgage loan origination businesses. OFS has ceased accepting new applications in each of these origination channels, effective immediately. These actions are due primarily to the deterioration in the secondary market for closed mortgage loans and continuing weakness in consumer demand for mortgage products and services.

The Company currently estimates that OFS will incur approximately \$4.53 million in exit and disposal costs (as defined in Statement of Financial Accounting Standards No. 146 - Accounting for Costs Associated with Exit or Disposal Activities ("SFAS 146")) associated with these actions as follows:

\$0.63 million in "one-time termination benefits" as that term is used in SFAS 146;  
\$1.40 million in operating lease termination costs; and  
\$2.50 million in non-cash write-downs of furniture, fixtures and equipment.

With respect to lease termination costs, OFS has assumed that it will be able to sublease space that it is vacating with 12 months or that it will be able to terminate leases in respect of space that it is vacating at a cost of 12 months of rent.
