Item 8.01 Other Events.

On November 21, 2007, we received notice from the indenture trustee of our \$90 million principal amount 8.125% Convertible Senior Notes due 2027 that, due to our previously reported delay in filing our Form 10-Q report for the period ended September 30, 2007 with the SEC on or before November 9, 2007, a reporting default has occurred under the indenture. The trustee informed us that the reporting default will ripen into an event of default under the indenture unless we cure the reporting default by filing with the SEC our Form 10-Q report for the period ended September 30, 2007 within 60 days after the date of the trustee's notice, or by January 20, 2008.
