On December 12, 2007, Ferro Corporation (the Company) announced certain restructuring activities in its worldwide Inorganic Specialties Group. As a result of the restructuring and the reduction of approximately 50 employee positions, the Company expects to record a pre-tax charge for employee severance and pension costs of approximately \$1.6 million in the quarter ended December 31, 2007, and the Company may record additional charges in future periods. Each affected employee was notified on or before December 6, 2007.
