**Item 2.05 Costs Associated with Exit or Disposal Activities.**

On August 12, 2008, the Board of Directors of Hill-Rom Holdings, Inc. (the "Company") approved a management-recommended plan to streamline the organization by eliminating up to 160 professional, salaried and non-exempt employee positions worldwide, representing fewer than 3% of the Company's total workforce. The Company is making these changes in order to improve its efficiency and to help offset inflationary pressures. Affected employees are being offered severance and other enhanced benefits, but may also apply for any open positions within the Company.

As a result of this plan, the Company estimates incurring total pre-tax charges in the range of \$5 to \$7 million in the fourth quarter of fiscal 2008, depending in part on the number of affected employees that are capable of filling open positions within the Company and the finalization of severance and benefit amounts due in the various jurisdictions in which the Company operates. The Company anticipates that the implementation of the plan will be substantially completed by September 30, 2008, and that all of the charges will result in cash expenditures that will be completed by the end of fiscal 2009.

The Company issued a press release on August 15, 2008 announcing approval of the plan, a copy of which is filed as Exhibit 99 hereto.
