There are no family relationships between or among any Directors of the Company. Directors are elected to serve until the next annual meeting of stockholders and until their successors are elected and qualified.

INDEPENDENT DIRECTORS

The Board of Directors is comprised of five (5) members, of which three (3) are classified as "independent" as defined in the NASDAQ Stock Market Marketplace Rule 4200. The three independent directors are Ken Maddison, Victor Halpert and Doron Nevo.

MEETINGS OF THE BOARD OF DIRECTORS

The Board of Directors held 8 meetings during the year ended December 31, 2004. Each director attended at least (i) 75% of all of the meetings of the Board of Directors held during the period and (ii) 75% of the meetings of each committee on which he or she served. The Company does not have a policy requiring incumbent directors and director nominees to attend the Company's annual meeting of stockholders. Two incumbent directors attended last year's annual meeting.

COMMITTEES OF THE BOARD OF DIRECTORS

The Company has a separately designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Exchange Act. Serving on the Committee are Messrs. Maddison and Halpert with one position vacant. The Board of Directors has adopted a written charter for the Audit Committee. The Board of

Directors has determined that it has an audit committee financial expert serving on the audit committee, Mr. Ken Maddison. Mr. Maddison is an independent director as defined in Item 7(d)(3)(iv) of Schedule 14A. The functions of the Audit Committee are, among other things, to make recommendations concerning the selection each year of independent auditors of the Company, to review the effectiveness of the Company's internal accounting methods and procedures, to consider whether the Company's principal accountant's provision of non-audit services is compatible with maintaining the principal accountant's independence and to determine through discussions with the independent auditors whether any instructions or limitations have been placed upon them in connection with the scope of their audit or its implementation. To carry out its responsibilities, the Audit Committee met four times during fiscal 2004. The Board of Directors has determined that the two current members of the Audit Committee are "independent" as defined in the NASDAQ Stock Market's Marketplace Rule 4200.

The Compensation Committee is comprised of Mr. Nevo and Mr. Chamberlain, with one position vacant. The function of the Compensation Committee is to make recommendations to the Board of Directors concerning the compensation packages for the Executive Officers of the Company, including its Chief Executive Officer. To carry out its responsibilities, the Compensation Committee met three times during fiscal 2004. The Board of Directors has determined that one of the members of the Compensation Committee, Mr. Nevo, is "independent" as defined in the NASDAQ Stock Market's Marketplace Rule 4200.

The Company does not have a standing Nominating Committee. Due to the size of the Company, as well as the lack of turnover in the Company's Board of Directors, the Board of Directors has determined that it is not necessary or appropriate at this time to establish a separate Nominating Committee. Potential candidates are discussed by the entire Board of Directors, and director nominees are selected by Board of Director resolution subject to the recommendation of a majority of the independent directors. All of the nominees recommended for election to the Board of Directors at the Annual Meetings are directors standing for re-election. Although the Board of Directors has not established any minimum qualifications for director candidates, when considering potential director candidates, the Board considers the candidate's character, judgment, diversity, skills, including financial literacy, and experience in the context of the needs of the Company and the Board of Directors. In 2004 the Company did not pay any fees to any third party to assist in identifying or evaluating potential nominees.

The Company's By-laws include a procedure whereby its stockholders can nominate persons for election to the Board of Directors, as more fully described in its By-laws as summarized under "Stockholder Proposals for the 2005 Annual Meeting." The Board of Directors will consider director candidates recommended by the Company's stockholders in a similar manner as those recommended by members of management or other directors, provided the stockholder submitting such nomination has complied with the procedures set forth in its By-laws. To date, the Company has not received any recommended nominees from any non-management stockholder or group of stockholders that beneficially owns five percent of its voting stock.

REPORT OF THE AUDIT COMMITTEE

The following report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities

Exchange Act of 1934, except to the extent the Company specifically incorporates this Report by reference therein.

The responsibilities of the Audit Committee, which are set forth in the Audit Committee Charter, include providing oversight to the Company's financial reporting process through periodic meetings with the Company's independent accountants and management to review accounting, auditing, internal controls and financial reporting matters. The Audit Committee is also responsible for the appointment, compensation and oversight of the Company's independent auditors. The management of the Company is responsible for the preparation and integrity of the financial reporting information and related systems of internal controls. The Audit Committee, in carrying out its role, relies on the Company's senior management, including senior financial management, and its independent accountants.

The Audit Committee has implemented procedures to ensure that during the course of each fiscal year it devotes the attention that it deems necessary or appropriate to each of the matters assigned to it under the Audit Committee's charter. To carry out its responsibilities, the Audit Committee met four times during fiscal 2004.

The primary purpose of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities relating to the quality and integrity of the Company's financial reports and financial reporting processes and systems of internal controls. Management of the Company has primary responsibility for the Company's financial statements and the overall reporting process, including maintenance of the Company's system of internal controls. The Company retains independent auditors who are responsible for conducting an independent audit of the Company's financial statements, in accordance with generally accepted auditing standards, and issuing a report thereon.

In performing its duties, the Audit Committee has reviewed and discussed the audited financial statements with management and the Company's independent auditors. The Audit Committee has also discussed with the Company's independent auditors, the matters required to be discussed by Statement of Auditing Standards ("SAS") No. 61, "Communications with Audit Committee." SAS No. 61 requires the independent auditors to provide the Audit Committee with additional information regarding the scope and results of their audit of the Company's financial statements, including with respect to (i) their responsibility under auditing standards generally accepted in the United States of America, (ii) significant accounting policies, (iii) management judgments and estimates, (iv) any significant audit adjustments, (v) any disagreements with management, and (vi) any difficulties encountered in performing the audit. In addition, the Audit Committee received written disclosures and the letter from the independent auditors required by Independence Standards Board Statement No. 1, "Independence Discussions with Audit Committees". The independent auditors have discussed its independence with the Audit Committee, and has confirmed to us that, in its professional judgment, it is independent of the Company within the meaning of the federal securities laws.

On the basis of the foregoing reviews and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-KSB for the fiscal year ended December 31, 2004, for filing with the Securities and Exchange Commission. The Audit Committee has

also recommended, subject to shareholder approval, the selection of the Company's independent auditors.

⁽²⁾ Mr. Kenig was appointed as our Chief Executive Officer on October 31, 2002 and as our President on April 1, 2002.

⁽³⁾ Dallas Pretty was appointed as our Chief Financial Officer on March 22, 2004.

EMPLOYMENT CONTRACTS AND TERMINATION OF EMPLOYMENT AND CHANGE IN CONTROL ARRANGEMENTS

There are no employment agreements between us or any of our subsidiaries and any of our Named Executive Officers.

Our company has no plans or arrangements in respect of remuneration received or that may be received by any Named Executive Officers of our company to compensate such officers in the event of termination of employment (as a result of resignation, retirement, change of control) or a change of responsibilities following a change of control, where the value of such compensation exceeds \$100,000 per Named Executive Officer.

COMPENSATION OF DIRECTORS AND EXECUTIVE OFFICERS

Our directors receive \$1,000 per board meeting and \$500 per committee meeting. Directors are entitled to reimbursement of expenses incurred in attending meetings. In addition, our directors are entitled to participate in our

stock option plan. On May 11, 2005, the board of directors adopted a grant schedule of 25,000 options per year for serving as a director. In addition, 25,000 options per year are awarded to the Chairman of the Audit Committee and 5,000 options per year are awarded to directors holding positions on either the Audit or Compensation Committees.

There are no arrangements or plans in which we provide pension, retirement or similar benefits for directors or executive officers. We have no material bonus or profit sharing plans pursuant to which cash or non-cash compensation is or may be paid to our directors or executive officers, except that stock options may be granted at the discretion of the Board of Directors or a committee thereof.

During the year ended December 31, 1998, we established a stock option plan pursuant to which 3,000,000 common shares were reserved for issuance. This plan was replaced when, on December 6, 1999, we adopted a new stock option plan (the 1999 Stock Option Plan) pursuant to which 5,000,000 common shares were reserved for issuance. On July 5, 2000, the stockholders approved this plan including a change in the maximum number of options issuable under this plan to 20% of the number of common shares outstanding including shares of common stock issuable under the plan. As of December 31, 2004, this maximum number was 16,042,789. All outstanding options will be subject to the provisions of the new plan.

Where options issued after January 18, 2001 have an exercise price in a currency that is not either the (a) functional currency of our company or (b) the currency in which the employee is paid, the options are to be accounted for as variable plan options and compensation expense will be recorded equal to changes in the market value of the underlying common shares at each reporting period.

Stock options become exercisable at dates determined by our board of directors at the time of granting the option and generally have initial terms of five years.

The fair value of each option granted in the years ended December 31, 2004 and 2003 was estimated on the date of the grant using the Black-Scholes option-pricing model with the following weighted-average assumptions: no dividend yield; volatility of 175% (2003 - 159%) based on weekly stock price; risk-free interest rate of 3.25% (2003 - 3.25%) and expected lives between one to five years. The weighted-average fair value of options granted during the years ended December 31, 2004 and 2003 was \$0.45 and \$0.15 respectively.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Other than as disclosed below, there have been no transactions, or proposed transactions, which have materially affected or will materially affect us in which any director, executive officer or beneficial holder of more than 5% of the outstanding common stock, or any of their respective relatives, spouses, associates or affiliates, has had or will have any direct or material indirect interest.

In August 2003 we entered into a consulting agreement with Myer Bentob. Under the agreement, Mr. Bentob agreed, among other things, to assist the Company's sales and marketing efforts. The Company agreed to nominate him to be a director and Executive Vice Chairman, and to pay a fee to an entity controlled by Mr. Bentob equal to CDN \$84,000 per year, plus commission at a maximum rate of 1.8% of amounts collected by the Company from specified clients. The agreement also contains a non-compete provision that continues for six months after termination, and confidentiality requirements. This agreement was terminated January 14, 2005 upon Mr. Bentob's resignation as a director and Executive Chairman of the Company.

In August 2003, the Company in a private placement issued to Mr. Bentob 833,333 shares of common stock for US \$108,333, together with warrants to purchase 416,667 shares at US \$0.26 per share. In March 2004, Mr. Bentob further subscribed for 1,016,105 shares of common stock for US\$152,415.75 together with warrants to purchase 508,053 shares at US\$0.30.

ITEM II. RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

Subject to approval by the stockholders, the Board of Directors has appointed KPMG LLP as the independent auditors to audit the financial statements of the Company for the fiscal year ending December 31, 2005. KPMG LLP has served as the Company's auditors for each of the fiscal years ended since December 31, 2001. It is expected that a representative of KPMG LLP will be present at the Annual Meeting with the opportunity to make a statement if he desires to do so and to be available to respond to appropriate questions from stockholders.

In the event that the stockholders fail to ratify this appointment, other certified public accountants will be considered upon recommendation of the Audit Committee. Even if this appointment is ratified, our Board of Directors, in its discretion, may direct the appointment of a new independent accounting firm at any time during the year, if the Board believes that such a change would be in the best interest of the Company and its stockholders.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR RATIFICATION OF THE APPOINTMENT OF KPMG LLP AS INDEPENDENT AUDITORS

VOTE REQUIRED

Election of Directors. Directors will be elected at the meeting by a plurality of the votes cast (i.e., the five nominees receiving the greatest number of votes will be elected as Directors).

Ratification of the Appointment of Independent Auditors. The appointment of KPMG LLP as independent auditors requires the affirmative vote of a majority of the shares present in person or represented by proxy at the meeting and entitled to vote on the matter. Abstentions will have the same effect as a vote against such ratification, whereas broker non-votes and shares not represented at the meeting will not be counted for purposes of determining whether such ratification has been approved.

EXPENSE OF SOLICITATION

The cost of soliciting proxies, which also includes the preparation, printing and mailing of the Proxy Statement, will be borne by the Company. Solicitation will be made by the Company primarily through the mail, but regular employees of the Company may solicit proxies personally, by telephone or telegram. The Company will request brokers and nominees to obtain voting instructions of beneficial owners of the stock registered in their names and will reimburse them for any expenses incurred in connection therewith.
