On November 10, 2005, SkyTerra Communications, Inc. (the "Company")

Edgar Filing: SKYTERRA COMMUNICATIONS INC - Form 8-K

and SkyTerra Holdings, Inc. ("Holdings"), a wholly-owned subsidiary of the Company entered into a membership interest purchase agreement (the "Acquisition Agreement") with DIRECTV Group, Inc., DTV Network Systems, Inc. and Hughes Network Systems, LLC ("HNS") to acquire the remaining 50 percent of the Class A membership interests of HNS not currently owned by the Company for \$100 million in cash (the "Acquisition"). To finance the transaction, Holdings has received a commitment for \$100 million of short term debt financing (the "Commitment Letter") from its stockholders, Apollo Investment Fund IV, L.P. and Apollo Overseas Partners IV, L.P. ("Apollo"). As previously announced, the Company expects to distribute in a special dividend to each of its security holders, as of a future record date, shares of Holdings, which will hold all of the equity interests in HNS, as well as all of the other assets and liabilities of the Company, other than its interests in the Mobile Satellite Ventures LP and TerreStar Networks, Inc.

Concurrent with the proposed special dividend, Holdings expects to conduct a rights offering to its stockholders in order to repay the short-term debt financing provided by Apollo. In connection with such proposed rights offering, Apollo has agreed to subscribe for the maximum amount of shares of common stock allocated to it, including the exercise of pro rata over-subscription rights. The exercise by Apollo of its rights would occur by converting the outstanding amounts due under the note into a number of shares of common stock at the subscription price in the proposed rights offering, which has not yet been determined. The unconverted principal and interest obligations under the note would be repaid in cash immediately following the consummation of the proposed rights offering.

The closing of the Acquisition is subject to regulatory approvals, receipt of short term financing from Apollo and customary closing conditions. The proposed special dividend and the proposed rights offering are subject to a number of conditions including the filing by SkyTerra of a registration statement for Holdings with the SEC, SEC clearance, final approval and the setting of a record date by SkyTerra's Board of Directors and the setting of a record date and offering price for the proposed rights offering by board of directors of Holdings.

The foregoing is a summary of the terms of the Acquisition Agreement and the Commitment Letter and does not purport to be complete and is qualified in its entirety by reference to the full text of the Acquisition Agreement and the Commitment Letter, copies of which are filed as Exhibit 10.1 and 10.2 hereto, respectively.
