The information in Item 7.01 of this Form 8-K and Exhibit 99.1 attached hereto shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, or otherwise subject to the liabilities of that Section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except as shall be expressly set forth by specific reference in such filing. Neither the filing or furnishing of any exhibit to this report nor the inclusion in such exhibit of a reference to the Company's Internet address shall, under any circumstances, be deemed to incorporate the information available at such address into this report. The information available at the Company's Internet address is not part of this report.

This Current Report on Form 8-K and the Exhibits attached hereto contain certain statements that are, or may be

deemed to be, forward-looking statements within the meaning of section 27A of the Securities Act of 1933 and section 21E of the Securities Exchange Act of 1934, and are made in reliance upon the protections provided by such Acts for forward-looking statements. These forward-looking statements (such as when the Company describes what it “believes”, “expects”, or “anticipates” will occur, and other similar statements) include, but are not limited to, statements regarding future sales and operating results, future prospects, the capabilities and capacities of business operations, any financial or other guidance and all statements that are not based on historical fact, but rather reflect the Company’s current expectations concerning future results and events. The ultimate correctness of these forward-looking statements is dependent upon a number of known and unknown risks and events

and is subject to various uncertainties and other factors that may cause the Company's actual results, performance or achievements to be different from any future results, performance or achievements expressed or implied by these statements.

The following important factors, among others, could affect future results and events, causing those results and events to differ materially from those views expressed or implied in the Company's forward-looking statements: business conditions and growth or contraction in the Company's customers' industries, the electronic manufacturing services industry and the general economy; variability of the Company's operating results; the Company's ability to control its material, labor and other costs; the Company's dependence on a limited number of major customers; the potential consolidation of the Company's customer base; availability of component supplies; dependence on certain industries; variability and timing of customer requirements; uncertainties as to availability and timing of governmental funding for the Company's customers; the types and mix of sales to the Company's customers; the Company's ability to assimilate acquired businesses and to achieve the anticipated benefits of such acquisitions; unforeseen product failures and the potential product liability claims that may be associated with such failures; the availability of capital and other economic, business and competitive factors affecting the Company's customers, the Company's industry and business generally; failure or breach of the Company's information technology systems; natural disasters; and other factors that the Company may not have currently identified or quantified. Additional risks and uncertainties resulting from the restatement of the Company's financial statements included in the Company's Annual Report on Form 10-K/A filed with the Securities and Exchange Commission ("SEC") on July 3, 2013 and in the Company's Form 10-Q/A filed on the same date are described in detail in the Company's Form 10-K for the fiscal year ended September 30, 2013 filed with the SEC on December 24, 2013 (the "2013 Form 10-K"). Any one or more of such risks and uncertainties could have a material adverse effect on the Company or the value of its common stock. For a further list and description of various risks, relevant factors and uncertainties that could cause future results or events to differ materially from those expressed or implied in our forward-looking statements, see Part I including the "Risk Factors" and "Management's Discussion and Analysis of Financial Condition and Results of Operations" sections, in the 2013 Form 10-K, as well as the Company's subsequent reports filed with the SEC.

All forward-looking statements included in this Form 8-K and the Exhibits attached hereto are made only as of the date of this Form 8-K. The Company does not undertake any obligation to, and may not, publicly update or correct any forward-looking statements to reflect events or circumstances that subsequently occur or which it hereafter become aware of. New risks and uncertainties arise from time to time and the Company cannot predict these events or how they may affect it. When considering these risks, uncertainties and assumptions, you should keep in mind the cautionary statements contained in this Form 8-K and any documents incorporated herein by reference. You should read this Form 8-K and the documents that the Company incorporates by reference into this Form 8-K completely and with the understanding that the Company's actual future results may be materially different from what it expects. All forward-looking statements attributable to the Company are expressly qualified by these cautionary statements.

revenue from broadband content and applications reached RMB1,749 million, up 107.7% from the previous year, and contributed RMB8.5 to average revenue per broadband subscriber.

With its expanding of “CNC MAX” Client user base and content and applications enrichment, the Company began to build competitive advantage its advertising and media businesses. In 2007, the Company built a competitive advantage in advertising and media through “Phone Navigation”, “CNC MAX” Client and “CNC Yellow Pages”. By the end of the year, advertising and media businesses generated revenue of RMB380 million.

To capitalize on the increasing penetration of IT across all sectors of society, the Company has set a long-term goal of becoming one of China’s leading ICT service providers, as well as a network information specialist for government and corporate customers. Leveraging its brand and resources, the Company made great efforts to develop ICT services and puts emphasis in enhancing its capability of providing integrated solutions for key customers and markets as well as to move up the value chain during the Period under Review. In 2007, the Company developed its competitive advantages in integrated solutions for government, Olympics, health, education, finance and other industries. As a result, the Company obtained contracts from important customers such as the State Council Informatization Office, the National People’s Congress, the Ministry of Commerce, China International E-commerce Center and the Chinese Academy of Medical Sciences. In 2007, revenue from the ICT business increased by 366.7% to RMB3,990 million.

In 2007, the Company focused on expanding the scope of its value-added services and increasing the penetration rate of these services for its fixed line subscribers. By the end of 2007, revenue from value-added services had increased by 14.5% to RMB6,114 million, accounting for 7.4% of total revenue, an increase of 0.9 percentage point from 2006. The number of Personalized Ring subscribers grew by 78.6% to 28.137 million. Of these, 19.970 million used fixed-line Personalized Ring, representing a growth of 124.1% and a penetration rate of 23.6%. The penetration rate of Caller Identification Service was 72.2%, up by 3.4 percentage points.

### Promoting bundled services in traditional fixed-line business

In 2007, the Company continued to promote bundled services and integrated services in the traditional fixed-line services under the brand names “Family 1+” and, “Same Number”, driving the growth of innovative services by bundling various services in one package. By the end of 2007, the number of “Family 1+” subscribers grew by 650.8% to 8.378 million. Subscribers to “Same Number” increased by 75.7% to 1.663 million. Fast growth in the

“Family 1+” service accelerated the development of broadband access, broadband content and applications as well as value-added services. In 2007, more than 80% of the net growth in broadband subscribers also subscribed to “Family 1+”.

Due to accelerating mobile substitution, the number of local telephone subscribers declined to 110.820 million at the end of 2007, down by 3.152 million, including a 4.1% decrease in PHS subscribers to 26.189 million. ARPU and traffic for local telephone services continued to fall.

We believe that with the growing penetration of the “Family 1+” service plan, steady improvement in pricing and shift of the service plan positioning to home multimedia information service, the value of fixed-line telephone services customer will be maximized.

#### Capitalizing on the Olympics

As a partner of the 2008 Olympics, the Company intensified marketing in 2007 stick to its “Broadband Olympics” strategy, which is expected to drive substantial growth in both broadband and ICT services. The “Broadband Olympics” strategy is expected to enhance the Company’s brand image, services, management, and overall competitiveness.

#### Prospect

Looking forward, Chairman Zhang Chunjiang said, “The telecommunications industry is undergoing rapid and profound change. It is hard for the traditional operational model to keep up with the rapid changes in demand and the fast development of technological innovation. In view of this, the Company will continue its strategic transformation into a broadband communications and multimedia services provider in 2008. It will also persevere in its pursuit of licenses for mobile services and IPTV services, which will pave the way for the Company to become a comprehensive broadband communications and multimedia services provider, based on the quadruple-play business model. We believe that the only way to sustain growth and enhance value for our shareholders is to deliver breakthrough innovation, embrace challenge proactively, and drive trends rather than follow them.”
