- Shares are beneficially owned by Hickory Venture Capital Corporation. Represents shares held in escrow for the benefit of former stockholders of CCS Consolidated, Inc. whose shares were converted into shares of the Issuer as a result of a merger between CCS Consolidated, Inc. and the Issuer.
- (1) The Reporting Person previously reported the ownership of 577,652 shares of the Issuer's common stock on a Form 3 filed on February 6, 2006, which represented the minimum number of shares issuable to Hickory Venture Capital Corporation upon termination of the escrow arrangement and liquidation of the escrow account as of such date.
 - (2) Hickory Venture Capital Corporation holds a warrant which may entitle it to purchase additional shares currently held in the escrow account, subject to the terms thereof. On February 17, 2006, the warrant became partially exercisable.

The reported number of shares represents an increase in the minimum number of shares issuable to Hickory Venture Capital Corporation upon termination of the escrow arrangement, assuming that the warrant is exercised as to the number of shares for which the warrant is currently exercisable.

To the extent that the warrant becomes exercisable for additional shares after the date of this Form 4, the Reporting Person will file an additional Form 4 reflecting the acquisition of a derivative security.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure.
