NOTES TO FINANCIAL STATEMENTS
SIX MONTHS ENDED DECEMBER 31, 2011
(A Development Stage Company)
(Unaudited)

NOTE 1 – BASIS OF PRESENTATION

The accompanying financial statements of Veracity Management Global, Inc (the "Company", "VCMG") at December 31, 2011 have been prepared without audit, pursuant to the rules and regulations of the Securities and Exchange Commission. Certain information and footnote disclosures normally included in financial statements prepared in conformity with generally accepted accounting principles have been omitted or condensed pursuant to such rules and regulations. These statements should be read in conjunction with VCMG's audited financial statements and notes thereto included in VCMG's Form 10-K. In management's opinion, these unaudited interim financial statements reflect all adjustments (consisting of normal and recurring adjustments) necessary for a fair presentation of the financial position and results of operations for each of the periods presented. The accompanying unaudited interim financial statements for the six months ended December 31, 2011 are not necessarily indicative of the results which can be expected for the entire year.

Basis of Presentation

The Company follows accounting principles generally accepted in the United States of America. Certain prior period amounts have been reclassified to conform to the September 30, 2008 presentation. On August 2, 2007, the Company's Board of Directors approved a 1 for 73 reverse split of the Company's common stock by Action of the Board and a majority of shareholders. All information related to common stock, warrants to purchase common stock and earnings per share have been retroactively adjusted to give effect to the stock split.

The statements of operations show the effect of a reclassification of the distribution of the subsidiary companies until July 1, 2008. The reclassification included all parts of the prior operations for both subsidiary companies as loss from discontinued operations for the prior reported period.

In the opinion of management, all adjustments, consisting of normal recurring adjustments, necessary for a fair presentation of financial position and the results of operations for the interim periods presented have been reflected herein. The financial statements include the accounts of Veracity Management Global, Inc and the operations of Secured Financial Data, Inc and Veracity Management Group, Inc. are being reported as loss from discontinued operations. Any inter-company transactions have been eliminated as part of the transaction.

As a development stage company, the Company continues to rely on infusions of debt and equity capital to fund operations. The Company relies principally on cash infusions from its directors and affiliates, and paid a significant amount of personal services and salaries in the form of common stock.

Recently Issued Accounting Standards

In January 2010, the FASB issued ASU 2010-06, Fair Value Measurements and Disclosures (Topic 820) Improving Disclosures about Fair Value Measurements. This update provides amendment to the codification regarding the disclosures required for fair value measurements. The key amendments include: (a) a requirement to disclose transfer in and out of Level 1 and 2; (b) activity in Level 3 should show information about purchases, sales, settlements, etc. on a gross basis rather than as net basis; and (c) additional disclosures about inputs and valuation techniques. The new disclosure requirements are effective for periods beginning after December 31, 2009, except for the gross disclosures of purchases, etc. which is effective for periods beginning after December 15, 2010. The Company adopted this update on January 1, 2010, and it did not have a significant impact on the Financial Statements.

In January 2010, the FASB issued ASU 2010-02, Consolidation (Topic 810) — Accounting and Reporting for Decreases in Ownership of a Subsidiary — a Scope Clarification. This update provides clarification about Topic 810 (previously Statement of Accounting Standards ("SFAS") No. 160, Noncontrolling Interests in Consolidated Financial Statements - an amendment of ARB No. 51) and clarifies that the de-recognition provisions of Topic 810 apply to (a) a subsidiary or group of assets that is a business or nonprofit activity; (b) a subsidiary that is a business or nonprofit activity that is transferred to an equity method investee or joint venture; and (c) an exchange of a group of assets that constitutes a business or nonprofit activity for a noncontrolling interest in an entity. This update is effective for the first reporting period beginning after December 15, 2009. The Company adopted this update effective January 1, 2010, and it did not have a significant impact on the Financial Statements.

In September 2010, the SEC issued Release 33-9142 which amended the SEC's rules and forms to remove the requirement for issuers that are neither accelerated filers nor large accelerated filers to obtain an auditor attestation report on internal control over financial reporting. Therefore, smaller reporting companies will not need their auditors to test internal controls; however, management will still need to do its assessment for the year ended June 30, 2011. We did not obtain an opinion on the Company's internal controls over financial reporting for the year ended June 30, 2011 due to this change in the requirement.

Management does not anticipate that the adoption of these standards will have a material impact on the financial statements.

NOTE 2 – GOING CONCERN

Veracity Management Global, Inc.'s financial statements have been prepared on a going concern basis, which contemplates the realization of assets and settlement of liabilities and commitments in the normal course of business for the foreseeable future. Since inception, the Company has accumulated losses aggregating to $4,154,888 and has insufficient working capital to meet operating needs for the next twelve months as of December 31, 2011, all of which raise substantial doubt about VCMG's ability to continue as a going concern.

NOTE 3 – ACCOUNTS PAYABLE – RELATED PARTY

The officers and directors of the Company have advanced funds to pay for the filing and other necessary costs of the Company. The following are the advances from the officers and directors:

	December 31, 2011	June 30, 2011
