Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Effective September 28, 2012, Aspen Group, Inc. (the “Company”) increased the authorized shares available under its 2012 Equity Incentive Plan to 5,600,000 shares. Additionally, the Company granted 100,000 five-year stock options to John Scheibelhoffer, Michael D'Anton, Paul Schneier, C. James Jensen and David Pasi, directors of the Company, replacing the stock options granted to these directors by Aspen University, Inc., the Company’s wholly-owned subsidiary, in May 2011. One-third of the options are fully vested and the remaining will vest in two equal annual increments with the first vesting date being May 20, 2013, subject to continued service as of each applicable vesting date. The options are exercisable at \$0.35 per share. Additionally, Sanford Rich, a director, was granted 100,000 five-year stock options exercisable at \$0.35 per share. The options will vest in equal annual increments over a three year period with the first vesting date being March 15, 2013, subject to continued service as of each applicable vesting date. Additionally, effective September 28, 2012, the Company granted Michael Mathews, the Company’s Chief Executive Officer and Chairman of the Board, 2,900,000 five-year options exercisable at \$0.35 per share, assuming the Company raises \$3,500,000 in an offering of the Company’s securities (the “Private Placement”). If less than \$3,500,000 is raised in the Private Placement, the number of options will be reduced pro-rata based on the actual amount of money raised in the Private Placement so that Mr. Mathews owns approximately 10% of the Company. As previously reported on a Form 8-K, the Company has raised \$2,757,000 in the Private Placement. The options will vest in equal annual increments over four years, with the first vesting date being September 28, 2013, subject to continued employment as of each applicable vesting date.
