Mr. Elia is the founder and a Director of 3Pen Ltd., 3Pen, a private holding company focusing on business opportunities in Internet infrastructure and telecommunications. Prior to founding 3Pen in 1999, Mr. Elia held several senior positions in the Israeli Defense Forces, I.D.F., including the post of the Military Governor of the West-Bank (1982-1984) and Commander of the Liaison Unit for South Lebanon (1984-1985). Mr. Elia holds a B.A. in Modern History of the Middle-East from Tel Aviv University.

We believe Mr. Elia's international business expertise and significant management experience will provide constructive insight and perspective to our Board and management.

Amir Elbaz, Chairman of the Board

Mr. Elbaz has served on the Company's Board since January 2010 and as the Chairman of the Board since November 2012. Mr. Elbaz currently serves as Chief Executive Officer of two companies in the technology and media sectors. Mr. Elbaz holds a B.A. from the University of Haifa, Israel, and an MBA in Finance & Investments from Bernard Baruch College, CUNY, New York. Following his MBA graduation, Mr. Elbaz was elected to the International Honorary Finance Society of Beta Gamma Sigma.

We believe Mr. Elbaz's significant experience in the technology sector, coupled with his extensive financial and economic background provide invaluable insight with respect to our business and technologies.

Ronen Shviki, Director

Mr. Shviki has served on the Company's Board since February 2013. Since January 2013, Mr. Shviki has served as the Vice President for Business Development of Mendelssohn Ltd., an Israeli distribution company. Mr. Shviki holds a B.A. in Business Administration from Interdisciplinary Center Herzliya and an LLB from Interdisciplinary Center Herzliya.

We believe Mr. Shviki's extensive marketing and management experience, in addition to his knowledge of the international marketplace, contributes to the strategic composition of the Board.

Code of Ethics

The Company has adopted a Code of Ethics applicable to its executives, including the principal executive officer, principal financial officer, and principal accounting officer, as defined by applicable rules of the SEC. It is publicly available on the Company's website at www.mobilesmith.com. If the Company makes any amendments to the Code of Ethics other than technical, administrative, or other non-substantive amendments, or grants any waivers, including implicit waivers, from a provision of the Code of Ethics to the Company's Chief Executive Officer, Chief Financial Officer, or certain other finance executives, the Company will disclose the nature of the amendment or waiver, its effective date, and to whom it applies on the Company's website at www.mobilesmith.com.

Board Composition and Independence of Directors

The size of the Board is currently fixed at five members; however, only three persons have been nominated for election at our annual meeting of stockholders schedule to be held on June 17, 2013, or the annual meeting. The Board believes that the current number of directors is appropriate at this time, however the Board will consider adding additional members who can bring additional skills and professional connections that can benefit the Company.

The Company's stock is currently quoted on the OTC Bulletin Board, or OTCBB. The OTCBB does not have rules regarding director independence. Accordingly, we determined that the NASDAQ Stock Market, or Nasdaq, independence requirements are an appropriate standard to determine director independence.

The position of Chairman of the Board is currently held by Amir Elbaz, who is not an executive officer. Robert M. Brinson, Jr. serves as our principal executive officer. Mr. Brinson has tendered his resignation, effective as of April 30, 2013, but will continue to serve as a strategic advisor of the Company in 2013. Our Board has appointed Amir Elbaz as interim Chief Executive Officer, effective as of May 1, 2013. The Company expects to appoint Mr. Elbaz as Chief Executive Officer in May 2013. Nasdaq listing requirements mandate that a majority of the members of a listed company's board of directors be "independent directors" as defined under Nasdaq Stock Market Rule 5605. Although not currently required, the Board has determined that three of the present directors — Messrs. Elia, Elbaz and Shviki — are "independent directors" within the meaning of Nasdaq Marketplace Rules. Messrs. Elia, Elbaz and Shviki are standing for re-election, and Mr. Elbaz has been appointed interim Chief Executive Officer as of May 1, 2013. Assuming all three nominees are elected at the annual meeting, two of the three directors - Messrs. Elia and Shviki - will be "independent directors" within the meaning of the Nasdaq Marketplace Rules. Mr. Elbaz will not be an "independent director" within the meaning of the Nasdaq Marketplace Rules, but the Board will have a majority of "independent directors" after the annual meeting. The Board believes this current leadership structure provides effective and clear leadership for the Company; however, the Company is currently looking at new leadership structure models in light of the resignation of Mr. Brinson as Chief Executive Officer and the appointment of Amir Elbaz, the current Chairman of the Board, as interim Chief Executive Officer effective as of May 1, 2013.

Risk Oversight

While our management is responsible for assessing and managing risks to the Company, the Board takes an active role, as a whole and also at the committee level, in overseeing the material risks facing the Company, including operational, financial, legal and regulatory and strategic and reputational risks. Risks are considered in virtually every business decision and as part of the Company's overall business strategy. Our board committees also regularly engage in risk assessment as a part of their regular function. The Audit Committee discusses with management the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures. Due to the expected decrease in the size of the Board from three to five members, the Board expects to dissolve the Audit Committee and to assume its responsibilities in May 2013. The Compensation Committee is responsible for overseeing the management of risks relating to the Company's executive compensation plans and arrangements. The Corporate Governance and Nominating Committee manages risks associated with corporate governance, including risks associated with the independence of the board and reviews risks associated with potential conflicts of interest affecting directors and executive officers of the Company. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, our entire Board is regularly informed through committee reports about such risks. The Board regularly engages in discussion of financial, legal, technological, economic and other risks. Because overseeing risk is an ongoing process that is inherent in the Company's strategic decisions, our Board discusses risk throughout the year at other meetings in relation to specific proposed actions. Additionally, our Board exercises its risk oversight function in approving new product research and development projects, large marketing engagements, the annual budget and quarterly forecasts and in reviewing the Company's long-range strategic and financial plans with management.

Attendance at Meetings

The Board held five meetings during the fiscal year ended December 31, 2012. Each incumbent director attended or participated in at least 75% of the aggregate of (1) the number of meetings of the Board held in fiscal year 2012 during the period he served as a director and (2) the number of meetings of committees on which he served that were held during his period of his service as a director.

The Company's policy is that it expects all directors that are seeking re-election to attend each annual meeting of stockholders, absent good reason. All incumbent directors who held their positions during 2012 and are seeking re-election attended the annual meeting of stockholders in 2012.

Standing Committees

The Company's Board has three standing committees: the Audit Committee, the Compensation Committee, and the Corporate Governance and Nominating Committee. Copies of the charters of these committees, as they may be amended from time to time, are available on the Company's website at www.mobilesmith.com.

Audit Committee. Due to the expected decrease in the size of the Board from five to three members, the Board expects to dissolve the Audit Committee and to assume its responsibilities in May 2013.

Compensation Committee. The Compensation Committee is composed of Mr. Elia and Mr. Elbaz. Mr. Elia serves as Chairman of the Compensation Committee. The Company's Board has determined that Mr. Elia is an "independent director" within the meaning of the Nasdaq Marketplace Rules.

The Compensation Committee was established by the Company's Board for the purpose of assisting it in discharging its duties with respect to (1) the formulation, implementation, review, and modification of the compensation of the Company's officers and directors and (2) the preparation of the annual report on executive compensation for inclusion

in the Company's annual proxy or information statement, if required. The Compensation Committee's duties include, among other things, setting the compensation for officers and directors, making recommendations to the Board with respect to incentive compensation plans and equity-based compensation plans, approving grants of stock options and other awards under the Company's 2004 Equity Compensation Plan, and administering the Company's defined benefit and defined contribution plans, if any.

In fulfilling its responsibilities, the Compensation Committee is entitled to delegate any or all of its responsibilities to a subcommittee of the Compensation Committee, to the extent consistent with applicable law, the Company's certificate of incorporation, bylaws, corporate governance guidelines, and rules of any exchange or market on which the securities of the Company are then traded if compliance with such rules is required to begin or continue trading.

As part of its review and establishment of the performance criteria and compensation of officers and directors of the Company, the Compensation Committee must separately meet at least annually with the Company's Chief Executive Officer, the principal human resources executive and compliance officer, and with any other corporate officers as the Compensation Committee deems appropriate. However, the Compensation Committee must also meet regularly without such officers present, and in all cases such officers must not be present at the meetings at which their performance and compensation is being discussed and determined. The Compensation Committee must consult with the Chief Executive Officer regarding compensation of the other officers of the Company. The Compensation Committee has not engaged any compensation consultant to determine or recommend the amount or form of executive and director compensation. The Compensation Committee met one time during 2012.

Corporate Governance and Nominating Committee and Procedures for Director Nominations. The Corporate Governance and Nominating Committee is composed of Mr. Elbaz and Mr. Zoreff. Mr. Zoreff serves as Chairman of the Corporate Governance and Nominating Committee. Messrs. Elbaz and Zoreff are not "independent directors" within the meaning of the Nasdaq Marketplace Rules. Mr. Zoreff has not been nominated for re-election to the Company's Board at the annual meeting. If the Board adds additional members in the future, the Board will consider appointing that member to the Corporate Governance and Nominating Committee to replace Mr. Zoreff.

The Corporate Governance and Nominating Committee was established by the Board for the purpose of assisting it in discharging its duties with respect to (1) the identification of individuals qualified to become directors and the selection or recommendation of candidates for directorships to be filled by the Board or the stockholders, and (2) the development, maintenance, and recommendation of a set of corporate governance principles applicable to the Company, and the periodic review of such principles. The Corporate Governance and Nominating Committee did not meet during 2012; the Board as a whole met to discuss issues relating to the Company's corporate governance and nominations.

The Corporate Governance and Nominating Committee is responsible for identifying and selecting or recommending qualified candidates for membership on the Board. In identifying candidates, the Committee takes into account such factors as it considers appropriate, which may include (a) knowledge in the technology industry generally, and Software-as-a-Service specifically, (b) experience in the areas of accounting and finance, (c) mature business judgment, (d) the candidate's management, leadership, and business strategy experience, (e) the candidate's ability to manage a crisis, and (f) the candidate's knowledge of proper corporate governance.

The Corporate Governance and Nominating Committee is responsible for evaluating suggestions concerning possible candidates for election to the Board submitted to the Company, including those submitted by Board members (including self-nominations) and stockholders. All candidates, including those submitted by stockholders, will be evaluated by the Corporate Governance and Nominating Committee on the same basis as other candidates using the Board membership criteria described above and in accordance with applicable procedures. The Corporate Governance and Nominating Committee believes that the minimum qualifications for serving as a Company director are that a candidate demonstrate, by significant accomplishment in his or her field, an ability to make a meaningful contribution to the Board's oversight of the Company's business and affairs and have an impeccable record and reputation for honest and ethical conduct in his or her professional and personal activities. Qualifications for consideration as a director nominee may vary according to the particular areas of expertise being sought as a complement to the existing Board composition.

Once candidates have been identified, the Corporate Governance and Nominating Committee will determine whether such candidates meet the minimum qualifications for director nominees and will recommend qualified nominees to the Board. In accordance with the Company's bylaws, proposed nominees must tender, prior to nomination, an irrevocable, conditional letter of resignation that would be effective upon such person being charged with a felony or equivalent offense under the laws of any jurisdiction. The full Board will then approve qualified nominees for appointment or election to the Board. The three nominees for election at the meeting were recommended by the Corporate Governance and Nominating Committee and approved by the full Board.

While the Corporate Governance and Nominating Committee currently has no policy with respect to which it considers diversity in identifying nominees for director, one of our directors has a strong business development and marketing background and another of our directors has a background in accounting, finance, and management. We believe that the backgrounds and skills of our directors bring a diverse range of experience, opinion and perspectives to the Board. Details of each nominee's strengths are identified in the biographical presentation presented above.

Any stockholder desiring to present a nomination for consideration by the Corporate Governance and Nominating Committee prior to the 2014 Annual Meeting of Stockholders must do so in accordance with the Company's bylaws.

Section 16(a) Beneficial Ownership Reporting Compliance

The members of the Company's Board, its executive officers, and persons who hold more than 10% of its outstanding common stock are subject to the reporting requirements of Section 16(a) of the Exchange Act, which requires them to file reports with respect to their ownership of the Company's common stock and their transactions in such common stock. Based upon the Company's review of the Section 16(a) reports in its records for fiscal year 2012 transactions in the Company's common stock, the Company believes that all reporting requirements under Section 16(a) for fiscal year 2012 were met in a timely manner by its directors, executive officers, and greater than 10% beneficial owners, except that a Form 4 filed by Atlas on October 18, 2012 was filed one business day late.

Effective March 26, 2010, the Company’s Board adopted a revised compensation policy, or the Revised Policy. No additional monetary compensation would be received for committee service or for service as the Chairman of the Board or Chairman of the Audit Committee. However, additional monetary compensation may be awarded at the Chairman of the Board’s discretion for any director incurring overnight travel to attend Board meetings or other functions for the benefit of the Company. In addition, the number of shares underlying equity award grants was decreased to either 20,000 shares (30,000 shares for a non-management director who is appointed the Chairman of the Board) for stock option grants or 10,000 shares (15,000 shares for a non-management director who is appointed the Chairman of the Board) for restricted stock awards.

On October 21, 2010, the Board granted 10,000 shares of restricted stock to Shlomo Elia, the transfer restrictions on which lapse quarterly in 25% increments, commencing January 1, 2011. The restricted stock was provided to Mr. Elia on March 31, 2011. These options were fully vested as of December 31, 2012.

Arrangements That May Result in a Change in Control

As described in detail under “Certain Relationships and Related Transactions” above, Mr. Avy Lugassy has certain relationships with the Company that, under certain circumstances, could result in Mr. Avy Lugassy obtaining a majority of the Company’s outstanding common stock in the future. As of April 30, 2013, Mr. Avy Lugassy held 7,330,269 shares of the Company’s common stock through Grasford, which represents approximately 40% of the number of shares issued and outstanding, and continues to purchase the Company’s common stock from time to time. As of April 30, 2013, Atlas holds \$13,975,000 aggregate principal amount of the Company’s Notes due November 14, 2016, which are convertible into the Company’s common stock on the earlier of November 14, 2016, certain change in control events, or an event of default. If the notes were converted at the conversion price applicable to the Notes as of April 30, 2013, Atlas would receive approximately 8,698,335 shares upon conversion of the Notes.

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE.

Certain Relationships and Related Transactions

IDB Credit Facility. On December 6, 2010, the Company entered into (i) a \$6,500,000 Promissory Note, or the IDB Note, as borrower, and (ii) a Letter Agreement for a \$6,500,000 Term Loan Facility, each with Israel Discount Bank of New York, or IDB, as lender, and together, the IDB Credit Facility.

The total of all amounts borrowed under the initial IDB Credit Facility had to be drawn by June 10, 2011. The Company borrowed \$5,000,000 during the initial term of the loan, which was originally due May 31, 2012. On May 31, 2012, the Company extended its IDB Credit Facility for an additional one-year period for the \$5,000,000 already outstanding, and the Company deposited \$250,000 in a restricted cash account held at IDB for future interest payments. The balance in the restricted account as of December 31, 2012 was \$131,103 due to the payment of interest as stipulated in the IDB Credit Facility documents. All other terms remain the same. Our IDB Credit Facility is secured by an irrevocable standby letter of credit issued by UBS Private Bank with Atlas as account party.

Atlas. Until February 7, 2013, Atlas was a beneficial owner of 40% of the common stock of the Company, and the holder of a majority of the aggregate outstanding principal amount, or the Requisite Percentage Holder, of the Notes under the Convertible Secured Subordinated Note Purchase Agreement, dated November 14, 2007, as amended, or the Note Purchase Agreement, between the Company and the convertible noteholders, under which the Company is entitled to elect to sell to the convertible noteholders, and the convertible noteholders are obligated to buy, Notes. On February 7, 2013, Mr. Avy Lugassy, a principal with Atlas, and the beneficial owner of 7,330,269 shares of common stock of the Company, which shares represent approximately 40% of the Company's outstanding voting securities, transferred such shares from Atlas to Grasford Investments Ltd., a British Virgin Islands company, or Grasford, which is owned and controlled by Mr. Lugassy. Atlas remains the holder of a majority of the aggregate outstanding principal

amount of the Company's Notes. The terms of the Note Purchase Agreement and the Notes are described in "Sale of Convertible Notes to Certain Affiliates" below.

Sale Leaseback of Company Equipment with Noteholders. On September 4, 2009, the Company entered into a sale-leaseback agreement with the current holders of the Notes. The noteholders paid a market rate cost of \$200,000 through the reduction of current outstanding debt under such Notes in exchange for all of the Company's office furniture, equipment and computers. The noteholders then leased all furniture, equipment and computers back to the Company over a ten (10) year period. The purchase price of \$200,000 represented the fair market value of the equipment based on an independent appraisal of the equipment by Dynamic Office Services and Coastal Computers, which are not affiliated with the Company.

Sale of Convertible Notes to Certain Affiliates. As of April 30, 2013, the Company had \$22.3 million of Convertible Notes outstanding of which Atlas, an affiliated party, held \$14.0 million. The Notes sold to Atlas during 2012 are as follows:

Date of Purchase	Amount of Convertible Note	Interest Rate	Original Maturity Date
January 5, 2012	\$ 350,000	8%	11/14/2016
February 10, 2012	\$ 350,000	8%	11/14/2016
April 2, 2012	\$ 350,000	8%	11/14/2016
May 25, 2012	\$ 200,000	8%	11/14/2016
October 15, 2012	\$ 200,000	8%	11/14/2016

On the earlier of the maturity date of November 14, 2016 or a merger or acquisition or other transaction pursuant to which our existing stockholders hold less than 50% of the surviving entity, or the sale of all or substantially all of our assets, or similar transaction, or event of default, each noteholder in its sole discretion shall have the option to:

convert the principal then outstanding on its Notes into shares of our common stock, or

receive immediate repayment in cash of the Notes, including any accrued and unpaid interest.

If a noteholder elects to convert its notes under the circumstances, the conversion price will be the lowest “applicable conversion price” determined for each Note. The “applicable conversion price” for each Note shall be calculated by multiplying 120% by the lowest of

the average of the high and low prices of the Company’s common stock on the OTCBB averaged over the five trading days prior to the closing date of the issuance of such Note,

closing price of the common stock reported on the Nasdaq National Market or the principal exchange on which the common stock is listed, averaged over the five trading days prior to the closing date of the issuance of such Note, or

the closing price of the Company’s common stock on the OTCBB, the Nasdaq National Market, or the principal exchange on which the common stock is listed, as applicable, on the trading day immediately preceding the date such Note is converted,

in each case as adjusted for stock splits, dividends or combinations, recapitalizations, or similar events.

We are obligated to pay interest on the Notes at an annualized rate of 8% payable in quarterly installments commencing three months after the purchase date of the Notes. We are not permitted to prepay the Notes without approval of the holders of at least a majority of the principal amount of the Notes then outstanding.

Payment of the Notes will be automatically accelerated if we enter voluntary or involuntary bankruptcy or insolvency proceedings.

The noteholders of the Notes include, among others, Atlas, an affiliate that originally recommended Shlomo Elia, one of our current directors, for appointment to the Board. The noteholders have designated Doron Roethler as bond representative to act as their agent. So long as the Notes are outstanding, the Company has agreed that it will not take certain actions without approval of the bond representative. Crystal Management Ltd., which owns \$750,000

aggregate principal amount of Notes, is owned by Doron Roethler, the former Chairman of the Board and former Interim Chief Executive Officer and who currently serves as the noteholders' bond representative.

If we propose to file a registration statement to register any of our common stock under the Securities Act of 1934, as amended, in connection with the public offering of such securities solely for cash, subject to certain limitations, we must give each noteholder who has converted its Notes into common stock the opportunity to include such shares of converted common stock in the registration. We have agreed to bear the expenses for any of these registrations, exclusive of any stock transfer taxes, underwriting discounts, and commissions.

Director Independence

As disclosed in Item 10 “Directors, Executive Officers and Corporate Governance”, the Company’s stock is currently quoted on the OTCBB. The OTCBB does not have rules regarding director independence. Accordingly, we determined that the NASDAQ Stock Market, or Nasdaq, independence requirements are an appropriate standard to determine director independence.

Nasdaq listing requirements mandate that a majority of the members of a listed company’s board of directors be “independent directors” as defined under Nasdaq Stock Market Rule 5605. Although not currently required, the Board has determined that three of the present directors — Messrs. Elia, Elbaz and Shviki — are “independent directors” within the meaning of Nasdaq Marketplace Rules. Messrs. Elia, Elbaz and Shviki are standing for re-election, and Mr. Elbaz has been appointed interim Chief Executive Officer as of May 1, 2013. The Company expects to appoint Mr. Elbaz as Chief Executive Officer in May 2013. Assuming all three nominees are elected at the annual meeting, two of the three directors - Messrs. Elia and Shviki - will be “independent directors” within the meaning of the Nasdaq Marketplace Rules. Mr. Elbaz will not be an “independent director” within the meaning of the Nasdaq Marketplace Rules, but the Board will have a majority of “independent directors” after the annual meeting.
