Section 1 — Registrant’s Business and Operations

Item 1.01. Entry into a Material Definitive Agreement

Merger Agreement

Celgene Corporation (the “Company”) entered into an Agreement and Plan of Merger, dated November 18, 2007 (the “Merger Agreement”), with Pharmion Corporation, a Delaware corporation (“Pharmion”), that provides for the acquisition of Pharmion by the Company by means of a merger (the “Merger”) of a wholly owned subsidiary of the Company (“Merger Sub”) with Pharmion. As a result of the Merger, Pharmion will become a wholly owned subsidiary of the Company. The Merger Agreement provides that, upon consummation of the Merger, each share of common stock, par value \$.001 per share (“Pharmion Common Stock”), of Pharmion, issued and outstanding immediately prior to the effective time of the Merger (other than any shares of Common Stock owned by the Company or its wholly owned subsidiaries or as to which statutory appraisal rights are perfected) will be converted into the right to receive (i) that number of shares of common stock, par value \$.01 per share (the “Company Common Stock”), of the Company (the “Stock Portion”) equal to the quotient determined by dividing \$47.00 by the Measurement Price (as hereinafter defined) (the “Exchange Ratio”); provided, however, that if the Measurement Price is less than \$56.15, the Exchange Ratio will be .8370 and if the Measurement Price is greater than \$72.93, the Exchange Ratio will be .6445 and (ii) \$25.00 in cash, without interest. As used herein, “Measurement Price” means the volume weighted average price per share of the Company Common Stock (rounded to the nearest cent) on The Nasdaq Stock Market for the 15 consecutive trading days ending on (and including) the third trading day immediately prior to the effective time of the Merger.

The boards of directors of Pharmion and the Company have approved the Merger and the Merger Agreement. The Merger Agreement is subject to customary closing conditions and contains customary representations, warrants and covenants made by Pharmion and the Company. The Merger is conditioned upon:

- clearance under the Hart-Scott-Rodino Antitrust Improvements Act of 1976;
- absence of orders of any governmental authority prohibiting the closing of the Merger;
- the consummation of the Merger having occurred prior to September 30, 2008;
- adoption of the Merger Agreement by the affirmative vote of stockholders holding a majority of the outstanding shares of Pharmion Common Stock; and
- other customary closing conditions.

2

The Merger Agreement provides that, during the period between the date of the Merger Agreement and the closing of the Merger, Pharmion will operate its business in the ordinary course and consistent with past practice. Additionally, during such period, Pharmion is restricted from taking certain actions without obtaining the prior consent of the Company.

The Merger Agreement prohibits Pharmion from soliciting or encouraging competing acquisition proposals. However, Pharmion may, subject to the terms and conditions set forth in the Merger Agreement, provide information to, and negotiate with, a third party that makes an unsolicited acquisition proposal that Pharmion's board of directors determines constitutes or would reasonably be expected to result in a "Superior Proposal" (as defined in the Merger Agreement).

The Merger Agreement contains certain termination rights for both the Company and Pharmion, including, among other things, the right of Pharmion to terminate the Merger Agreement to enter into an agreement for an alternative business combination transaction that constitutes a Superior Proposal if Pharmion complies with certain notice and other requirements set forth in the Merger Agreement. The Merger Agreement provides that, upon termination of the Merger Agreement under specified circumstances, including by Pharmion to accept a Superior Proposal, Pharmion will pay the Company a termination fee. The Merger Agreement provides that, upon termination of the Merger Agreement because of the failure to obtain clearance under the Hart-Scott-Rodino Antitrust improvements Act of 1976, the Company will pay Pharmion a termination fee.

Voting Agreement

As an inducement to the Company and as a condition to the Company's entering into the Merger Agreement, certain officers and directors (the "Stockholder Parties") of Pharmion entered into a Voting Agreement with the Company, dated November 18, 2007 (the "Voting Agreement"), whereby the Stockholder Parties agreed to vote all of the shares of Pharmion Common Stock currently beneficially owned by them or acquired by them after such date in favor of approval of the adoption of the Merger and approval of the Merger and against any Alternative Transaction, including a Superior Proposal (each, as defined in the Merger Agreement). The Stockholder Parties also granted the Company an irrevocable proxy granting the Company the right to vote such shares in accordance with the preceding sentence. The Voting Agreement contains restrictions limiting the ability of the Stockholder Parties to sell or otherwise transfer the shares of Pharmion Common Stock beneficially owned by them. As of November 18, 2007, the Stockholder Parties owned an aggregate of approximately 583,140 shares of Pharmion Common Stock (excluding options to purchase Pharmion Common Stock). In addition, as of November 19, 2007, the Company beneficially owned 1,939,598 shares of Pharmion Common Stock, representing approximately 4.9% of the outstanding shares. The Voting Agreement terminates upon the earliest to occur of (i) the date of the effectiveness of the Merger, (ii) the date of the termination of the Merger Agreement in accordance with its terms and (iii) the date of any material modification, waiver or amendment of the Merger Agreement that affects adversely the consideration payable to stockholders of Pharmion pursuant to the Merger Agreement as in effect on the date of the execution of the Voting Agreement.
