Item 1.01. Entry into a Material Definitive Agreement.

As previously disclosed, on February 11, 2010, Western Union Financial Services, Inc. (“WUFSI”), a subsidiary of The Western Union Company (the “Company”), entered into a Settlement Agreement (the “Settlement Agreement”) with the State of Arizona (the “State”). On June 14, 2013, WUFSI and the State filed a Joint Application for Order Tolling Time and Extending Benefits and Obligations of Settlement Agreement (the “First Motion”) in the Superior Court of the State of Arizona In and For the County of Maricopa (the “Superior Court”) and the Superior Court issued the requested order on June 14, 2013. The First Motion requested, among other things, extension of the timeframe during which the recommendations of the monitor appointed pursuant to the Settlement Agreement must be implemented for an additional 90 days beyond the original required implementation date of July 31, 2013. WUFSI and the State filed a second Joint Application for Order Tolling Time and Extending Benefits and Obligations of Settlement Agreement (the “Second Motion”) on October 25, 2013, and the Superior Court issued the requested order on October 28, 2013. The Second Motion requested, among other things, extension of the timeframe during which the recommendations of the monitor must be implemented until December 20, 2013. On December 19, 2013, WUFSI and the State filed a third Joint Application for Order Tolling Time and Extending Benefits and Obligations of Settlement Agreement (the “Third Motion”) and the Superior Court issued the requested order on that same day. The Third Motion requested, among other things, extension of the timeframe during which the recommendations of the monitor must be implemented until January 31, 2014.

We believe we are in advanced discussions regarding potential amendments to the Settlement Agreement. The purpose of the extension until January 31, 2014, is to allow the parties additional time to conclude those discussions. The potential amendments under discussion may, among other things, further extend the term of the Settlement Agreement to provide WUFSI additional time to implement the monitor’s recommendations. Any such modifications to the Settlement Agreement would require the approval of the State and are expected to have adverse effects on the Company’s business, including additional costs. Additionally, if WUFSI is not able to negotiate a further extension or amendment of the Settlement Agreement or other arrangement and the State determines that WUFSI has committed a willful and material breach of the Settlement Agreement, the State has indicated that it will pursue remedies under the Settlement Agreement, which could include initiating civil or criminal actions. The pursuit by the State of such remedies could have a material adverse effect on the Company’s business, financial condition or results of operations.

The foregoing summary of the order issued by the Superior Court on December 19, 2013 does not purport to be complete and is subject to, and qualified in its entirety by reference to, the full text of the order, which is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated by reference into this Item 1.01.
