Report of Independent Accountants

To the Board of Directors of The New Ireland Fund, Inc.:

We have examined management's assertion, included in the accompanying Management Statement Regarding Compliance with Certain Provisions of the Investment Company Act of 1940, that The New Ireland Fund, Inc. (the "Fund") complied with the requirements of subsections (b) and (c) of Rule 17f-2 under the Investment Company Act of 1940 ("the Act") as of February 21, 2003 and June 30, 2003. Management is responsible for the Fund's compliance with those requirements. Our responsibility is to express an opinion on management's assertion about the Fund's compliance based on our examinations.

Our examinations were conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence about the Fund's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. Our February 21, 2003 and June 30, 2003 examinations were made without prior notice to the fund. Included among our procedures were the following tests performed as of February 21, 2003 and June 30, 2003, and with respect to agreement of security purchases and sales, for the period from October 31, 2002 (the date of our last examination), through February 21, 2003 and for the period from February 21, 2003 through June 30, 2003:

- Confirmation with Bank of Ireland Security Services Limited of all

securities held by institutions in book entry form (the Crest system of Dublin, Ireland);

- Reconciliation of all such securities between the books and records of the Fund and the Custodian (Bank of Ireland);

- Agreement of three security purchases and three security sales or maturities during the period from October 31, 2002 to February 21, 2003 and the period from February 21, 2003 to June 30, 2003, from the books and records of the Fund to the Bank of Ireland's custody records evidencing the transfer or receipt of such securities.

We believe that our examinations provide a reasonable basis for our opinion. Our examinations do not provide a legal determination on the Fund's compliance with specified requirements.

In our opinion, management's assertion that The New Ireland Fund, Inc. complied with the requirements of subsections (b) and (c) of Rule 17f-2 of the Investment Company Act of 1940 as of February 21, 2003 and June 30, 2003 with respect to securities reflected in the investment account of the Fund is fairly stated, in all material respects.

This report is intended solely for the information and use of the Board of Directors and management of the New Ireland Fund, Inc., and the Securities and Exchange Commission and is not intended to be and should not be used by anyone other than these specified parties.
