Item 7.01 Regulation FD Disclosure

As previously announced in the press release issued by Burlington Coat Factory Investments Holdings, Inc. (the “Company”) on April 15, 2011 (the “Press Release”), the Company will hold a conference call (the “Conference Call”) today at 10:00 a.m., Eastern Time, to discuss the Company’s fiscal 2010 operating results. During the Conference Call, Todd Weyhrich, the Company’s Executive Vice President and Chief Financial Officer, will make certain remarks including the following:

- “On February 24, 2011, we completed the refinancing of our Term Loan, Senior Notes, and Senior Discount Notes. As a result of these transactions, the Senior Notes and Senior Discount Notes, with a total aggregate carrying value at January 29, 2011 of \$401.3 million, were re-purchased. In conjunction with that re-purchase, we completed the sale of \$450 million of 10% Senior Notes due 2019.

Additionally, the Term Loan with a carrying value of \$777.6 million as of January 29, 2011 has been replaced with a \$1 Billion senior secured term loan facility. In connection with the offering of the Notes and the refinancing of the Term Loan facility during the first quarter of fiscal 2011, a cash dividend of \$300 million was declared to the equity holders. Borrowings on the ABL Line of Credit related to these transactions were \$101.6 million, all of which were repaid during the first quarter of fiscal 2011.

These transactions have substantially extended the maturities of our debt instruments resulting in no significant maturities related to our New Term Loan or our New Notes until Fiscal 2017. This provides us increased flexibility to continue to invest in the Company’s core operations through various capital expenditures and new store rollouts.”

- “Today we have \$17.8 million borrowed on our ABL and our availability on the ABL has increased to \$390.3 million. We expect to be entirely out of the ABL by the end of the quarter.”

The information contained in this report is being furnished and shall not be deemed to be “filed” for purposes of Section 18 of, or otherwise regarded as filed under, the Securities Exchange Act of 1934, as amended (the “Exchange Act”), nor shall it be deemed incorporated by reference into any filing under the Securities Act of 1933, as amended, or in the Exchange Act, except as shall be expressly set forth by specific reference in such filing.
