Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On August 16, 2011, TVA amended its Supplemental Executive Retirement Plan by amending the definition of “Date of Benefit Commencement” to mean the date benefit payments begin upon the later of (a) the date the participant turns age 55 or (b) the date of the participant’s separation from service. A copy of the amendment is attached as Exhibit 10.1.

Item 8.01 Other Events.

The TVA Board of Directors (“Board”), at its August 18, 2011 public meeting, approved an adjustment addendum which increases existing base wholesale rate charges and which is expected to result in an increase of approximately two percent in total existing wholesale rate charges. It is anticipated that the adjustment to base rates will generate an additional \$234 million in revenue. The rate adjustment is effective October 1, 2011.

During its public meeting, the Board also approved a plan to finish construction of Bellefonte Nuclear Plant (“Bellefonte”) Unit 1, located in Hollywood, Alabama. TVA began construction of Bellefonte Unit 1 in 1974 but placed the site in deferred status in 1988. Bellefonte Unit 1 is scheduled to be completed in 2018-2020, at an estimated additional cost of \$4.9 billion.

The Board also approved TVA’s acquisition of the Magnolia Combined Cycle Power Plant (“Magnolia”) from Magnolia Energy L.P., a subsidiary of Kelson Energy. The Magnolia facility is a three-unit natural gas-fired combined cycle plant with approximately 900 MW of net summer dependable capacity located in Benton County, Mississippi, and has been a source of purchased power for TVA since the plant began operation in 2003. TVA executed a purchase agreement for Magnolia for \$436 million on July 6, 2011, and closing of the acquisition was contingent on, among other things, approval by the Board and the Federal Energy Regulatory Commission (“FERC”). FERC approved the transaction on August 17, 2011. TVA anticipates that the transaction will close on or about August 31, 2011.
