**CLOUGH CLOSED-END FUNDS REACH AGREEMENT WITH SABA;
ANNOUNCE DISCOUNT MANAGEMENT PROGRAMS, INCLUDING
TENDER OFFER AND MANAGED DISTRIBUTION**

Denver, Colorado—The Boards of Trustees (each, a “Board”) of Clough Global Dividend and Income Fund (GLV), Clough Global Equity Fund (GLQ) and Clough Global Opportunities Fund (GLO) (each, a “Fund” and collectively, the “Funds”) announced today that each Board has approved a discount management program, which includes a tender offer for the Funds and a managed distribution of 10%, as further described below.

Tender Offers

The Boards of Trustees of the Funds have approved cash tender offers for up to 37.5% of each of GLQ’s and GLO’s respective outstanding common shares of beneficial interest and up to 32.5% of GLV’s outstanding common shares of beneficial interest (with respect to each Fund, the “Shares”) at a price per Share equal to 98.5% of each Fund’s respective net asset value (“NAV”) per Share as of the business day immediately following the expiration date of the tender offers. The Funds will repurchase Shares tendered and accepted in the tender offers in exchange for cash.

The respective Board of Trustees of each Fund believes the tender offer could benefit participating shareholders by providing liquidity at a price per Share that is higher than the market price of the Shares. The Boards of Trustees believe the tender offers could also benefit the Funds and their long-term shareholders because the tender offers would be conducted at a price per Share that would be accretive to NAV.

Managed Distribution

The Funds will also commence a four year managed distribution program. Beginning in August, 2017, and continuing through July, 2019 (the “Initial Managed Distribution Period”), each Fund will pay monthly distributions (subject to certain limitations) in an annualized amount of not less than 10% of the respective Fund’s average monthly NAV. Each Fund will calculate the average NAV from the previous month by taking the simple average of the NAV of the Fund based on the number of business days in that month on which the NAV is calculated. The amount of the monthly distribution will be calculated as 10% of the previous month’s average NAV, divided by twelve.

Following the Initial Managed Distribution Period, the Board of each Fund will review the current distribution amount in light of the current distribution rate of peer funds selected by the Board and will seek to pay a monthly distribution in an amount not less than the average monthly distribution rate of the peer group for an additional two year period.

Robert Butler, Chairman of the Boards, said “We are very pleased to be implementing a discount management program that will provide our shareholders with liquidity but more importantly, with the 4-year commitment to a managed distribution program, we believe we are positioning the Funds for the future as attractive vehicles for investors who seek regular and predictable distributions.”

Withdrawal of Saba Candidates and Proposals

Saba Capital Management, L.P. (collectively with certain of its affiliates, “Saba”) announced that, in connection with the Funds and their respective Boards agreeing to take the actions set forth in the respective Standstill Agreements discussed below, it has withdrawn its slate of nominees to serve as trustees of each Fund. It has also withdrawn the proposals for GLV and GLO seeking a shareholder vote regarding the classified board structure of the Funds.

Standstill Agreements

The commencement of the tender offers and managed distribution program is pursuant to separate agreements (the “Standstill Agreements”) between each Fund and Saba. Subject to the terms of the Standstill Agreements and in consideration for the tender offers, managed distribution plan and other factors set forth in the Standstill Agreements, Saba has agreed, subject to the terms of the Standstill Agreements, to (1) tender all Shares of the Funds owned by it in the tender offers, (2) be bound by certain “standstill” covenants through July 10, 2021 and (3) vote its remaining Shares on all proposals submitted to shareholders in accordance with the recommendation of management through July 10, 2021. Additionally, each Fund has agreed to a four year managed distribution program as described above. The Funds have been advised that Saba will file a copy of each Fund’s Standstill Agreement with the U.S. Securities and Exchange Commission as an exhibit to its Schedule 13D.

The Funds have not commenced the tender offers described in this release or declared any dividend or distribution. This announcement is not a recommendation, an offer to purchase or a solicitation of an offer to sell shares of any Fund and the above statements are not intended to constitute an offer to participate in any tender offer. Information about each tender offer, including its commencement, will be provided by future public announcements. Shareholders will be notified in accordance with the requirements of the Securities Exchange Act of 1934, as amended, and the Investment Company Act of 1940, as amended, either by publication or mailing or both. Each tender offer will be made only by an Offer to Purchase, a related Letter of Transmittal and other documents, to be filed with the SEC. Shareholders of the Funds should read the Offer to Purchase and tender offer statement and related exhibits when those documents are filed and become available, as they will contain important information about the applicable tender offer. These and other filed documents will be available to investors for free both at the website of the SEC and from the Funds.
