On August 7, 2015, SolarWinds, Inc. (the “Company”) borrowed \$100 million under a revolving loan under the Credit Agreement, dated as of October 4, 2013, by and among the Company, the Lenders referred to therein, Wells Fargo Bank, National Association, as administrative agent for the Lenders, and Wells Fargo Securities, LLC (the “Credit Agreement”). The loan proceeds will be used to finance a portion of the Company’s share repurchase program, which was announced on July 27, 2015, and for general corporate purposes.

The revolving loan bears interest at an adjusted LIBOR rate based, at the Company’s option, on one, three or six-month interest periods, plus a margin of 1.25% to 2.00%, in each case with such margin being determined based on the consolidated total leverage ratio as of the last day of the most recently completed fiscal quarter. Interest is due and payable at the end of each interest period. The principal amount under the revolving loan, together with all accrued and unpaid interest, is due on October 4, 2018. The Company may prepay the revolving loan, in whole or in part, at any time without premium or penalty, subject to certain conditions, including minimum amounts and reimbursement of certain costs.

The information set forth under Item 1.01 in the Company’s Current Report on Form 8-K, filed with the Securities and Exchange Commission on October 7, 2013, regarding the material terms of the Credit Agreement is incorporated herein by reference to the extent required.
