Explanation of Responses:

* If the form is filed by more than one reporting person, see Instruction 4(b)(v).

** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

(1) This represents the difference between the number of SARs exercised (78,186) and the number of shares issued as a result of the exercise (30,000). The number of shares to be issued under a SAR exercise is determined by multiplying the number of SARs being exercised by

Edgar Filing: DSP GROUP INC /DE/ - Form 4

the difference between the FMV on the date immediately prior to the date the SAR is exercised (\$11.78) and the base price (\$7.26). The SARs were issued from a plan that will expire in January 2017.

- (2) The sales were in response to the disparate tax treatment under the Israeli tax ruling that would have resulted in significant adverse tax consequences for Mr. Elyakim to hold the exercised SARs as opposed to selling the same.

The price reported in Column 4 is a weighted average price. These shares were sold in multiple transactions at prices ranging from \$11.96 to \$12.07, inclusive. The reporting person undertakes to provide to DSP Group, Inc., any security holder of DSP Group, Inc., or the staff of the Securities and Exchange Commission, upon request, full information regarding the number of shares sold at each separate price within the ranges set forth in this footnote to this Form 4.

- (3) This represents the difference between the number of SARs exercised (38,024) and the number of shares issued as a result of the exercise (15,000). The number of shares to be issued under a SAR exercise is determined by multiplying the number of SARs being exercised by the difference between the FMV on the date immediately prior to the date the SAR is exercised (\$11.99) and the base price (\$7.26). The SARs were issued from a plan that will expire in January 2017.

- (4) Represents 95,888 shares outstanding, 144,213 vested RSUs, and 124,015 unvested RSUs.

- (5) The Stock Appreciation Right vests 25% after 1 year and 6.25% each quarter thereafter.

The Stock Appreciation Right grant is subject to a ceiling such that when the fair market value of the Company's common stock is equal to or great than three times the base appreciation amount of the stock appreciation right, the portion of the stock appreciation rights that is

- (6) vested on such date is automatically exercised on the next trading day and the appreciation amount is paid by the issuance of the respective number of shares of the Company's common stock. Therefore, the number of underlying shares of common stock that may be received upon exercise cannot exceed 2/3 of the number of stock appreciation rights granted.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
