Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On November 17, 2016, Liquidmetal Technologies, Inc. (the “Company”) and Thomas Steipp, the Company’s President and Chief Executive Officer, entered into a Separation and Mutual Release Agreement pursuant to which Mr. Steipp resigned as an officer, director, and employee of the Company (the “Separation Agreement”). The Separation Agreement provides for the payment of severance compensation to Mr. Steipp in the form of a lump sum of \$300,000 (subject to tax withholdings) and reimbursement for COBRA healthcare coverage for a period of 12 months. In addition, it provides for the accelerated vesting of 3,990,400 of the 9,939,451 unvested stock options held by Mr. Steipp as of the separation date and the extension of the exercise period of his options until the second anniversary of the date of the Separation Agreement. This results in a total of 10,777,949 stock options being exercisable by Mr. Steipp as of the separation date. Under the Separation Agreement, Mr. Steipp agreed to be available to provide assistance to the Company by telephone with no additional consideration through February 28, 2017. In connection with the Separation Agreement, Mr. Steipp and the Company granted each other mutual general releases subject to customary exceptions. Mr. Steipp’s resignation as a director was not the result of any disagreement with the Company, known to an executive officer of the Company, on any matter relating to the Company’s operations, policies, or practices.

The Company will name a replacement Chief Executive Officer and President at a future date.

The foregoing does not purport to be a complete description of the Separation Agreement and is qualified by reference to the full text of such agreement attached as an exhibit to this Current Report on Form 8-K.
