**Item 1.01 Entry into a Material Definitive Agreement.**

On December 5, 2017, Digital Power Corporation, a California corporation (the “**Company**”), entered into an exchange agreement (the “**Agreement**”) with several accredited investors (each, an “**Investor**” and collectively, the “**Investor**”), pursuant to which the Company issued to each of the Investors, (a) shares of its common stock, no par value (the “**Conversion Shares**”), and (b) a warrant (the “**Warrant**”) to purchase shares of the Company’s common stock (the “**Warrant Shares**”), in exchange for cancellation of outstanding debt owed to the Investors by Microphase Corporation, an indirect majority owned subsidiary of the Company, in the amount of \$690,000. Pursuant to the terms of the Agreement, the Investors were entitled to 10% interest payable on the debt until August 31, 2017 and an additional premium of 25%, resulting in an aggregate amount of debt of \$896,939 (the “**Debt**”). The number of Conversion Shares issuable to each Investor was derived by dividing the individual’s portion of the Debt by the 10-day trailing volume-weighted average price ending on August 4, 2017, resulting in the issuance of an aggregate of 1,523,852 Conversion Shares. Each Investor was entitled to receive a Warrant to purchase that number of Warrant Shares equal to 25% of the Conversion Shares the Investor was issued. Each Warrant is exercisable for \$1.10 per share, carries a term of three years, is exercisable on a cashless basis and contains standard anti-dilution provisions. The Agreement provides for registration rights under the Securities Act of 1933, as amended for the Conversion Shares and the Warrant Shares.

The Company and the Investor expect to consummate the closing of the Agreement (the “**Closing**”) as promptly as possible after the transaction contemplated thereby has received approval from the NYSE American. The Company and the Investors entered into the Agreement pursuant to an understanding reached on August 31, 2017.

In connection with the foregoing, the Company relied upon the exemption from registration provided by Section 4(a)(2) under the Securities Act of 1933, as amended, for transactions not involving a public offering.

The foregoing descriptions of the Exchange Agreement and the Warrant do not purport to be complete and are qualified in their entirety by reference to the full text of the documents, which are filed as exhibits to this Current Report on Form 8-K and are incorporated herein by reference.
