Item 7.01 Regulation FD Disclosure

On July 29, 2013, The St. Joe Company (the “Company”) announced that, in light of certain expressions of interest and timber market conditions, it was exploring potential opportunities to sell timber land, rural land and/or related timber rights that are not strategic to the Company’s core real estate development activities. From time to time, the Company has, and will continue to, evaluate opportunistic transactions with respect to such assets. At this point in time, the Company cannot determine whether any of these potential opportunities will result in a signed agreement or a closed transaction.
