The shares were disposed of pursuant to the merger agreement between the issuer and Denbury Resources Inc. in exchange for aggregate consideration of \$50 per share (which may consist of cash, Denbury stock or a combination thereof) as provided for in the merger agreement.

(1) Pursuant to the merger agreement, the shares converted into a number of restricted shares of Denbury common stock determined by multiplying (i) the number of shares by (ii) the exchange ratio used in determining the consideration payable to Encore stockholders who elected to receive only common stock consideration.

(2) This option, which provided for vesting in three equal annual installments beginning on February 9, 2010, was converted into a cash payment representing the product of the number of shares subject to the option and the difference between the aggregate consideration per share provided for in the merger agreement and the exercise price of the option.

(3) This option was converted into a cash payment representing the product of the number of shares subject to the option and the difference between the highest price per share paid within 60 days prior to the merger and the exercise price of the option.
