

Item 3.03. Material Modification to Rights of Security Holders.

The information set forth under Item 5.03 below with respect to the Amendment (as defined below) is hereby incorporated by reference into this Item 3.03, insofar as it relates to the modification of the rights of stockholders of Brown-Forman Corporation (the “Company”).

Item 5.03. Amendments to Articles of Incorporation or Bylaws: Change in Fiscal Year.

On July 28, 2016, at the 2016 Annual Meeting of Stockholders of the Company, the Company’s Class A stockholders approved a proposed amendment to the Company’s Restated Certificate of Incorporation to increase the number of authorized shares of Class A common stock from 85 million to 170 million (the “Amendment”).

On August 8, 2016, the Company filed the Amendment with the Secretary of State of the State of Delaware. The Amendment (i) increased the total number of shares of all classes of stock that the Company is authorized to issue from 485,000,000 to 570,000,000, and (ii) increased the number of shares of Class A common stock that the Company is authorized to issue from 85,000,000 to 170,000,000. The Amendment did not change the number of shares of Class B common stock that the Company is authorized to issue. The number of shares of Class B common stock that the Company is authorized to issue will remain 400,000,000.

The Amendment will enable the Company to issue and distribute shares to stockholders in connection with the previously announced two-for-one stock split for both its Class A and Class B common stock (the “Stock Split”).

The record date for the Stock Split is August 8, 2016, and the additional shares will be distributed on or about August 18, 2016. Each stockholder of record on the close of business on the record date will receive one additional share of common stock for each share held. Each stockholder of record will receive and become the record owner of (i) one additional share of Class A common stock for each share of Class A common stock then owned of record by such stockholder, and (ii) one additional share of Class B common stock for each share of Class B common stock then owned of record by such owner. Stockholders who would otherwise be entitled to receive fractional shares of common stock will instead be paid cash (without interest) in lieu of fractional shares.

The Amendment is attached to this report as Exhibit 3.1 and is incorporated herein by reference.
