Reduced Commission Selling Agreements

On August 31, 2017, Preferred Capital Securities, LLC ("PCS") entered into soliciting dealer agreements (the "Soliciting Dealer Agreements") with four independent, third-party, broker dealers (each a "Selling BD") for each Selling BD to use its reasonable best efforts to sell, in a public offering (the "Offering") by Preferred Apartment Communities, Inc. (the "Company") pursuant to the Registration Statement (as defined below), shares of the Company's Series A Redeemable Preferred Stock, par value \$0.01 per share, and Warrants to purchase shares of the Company's common stock, par value \$0.01 per share. The Offering is being made pursuant to a final prospectus, dated March 16, 2017 (the "Prospectus"), which forms a part of the Company's registration statement on Form S-3 (File No. 333-211924) (the "Registration Statement"), which was declared effective by the Securities and Exchange Commission on February 14, 2017. PCS is the dealer manager for the Offering.

Generally, the Series A Redeemable Preferred Stock and the Warrants will be sold in units ("Units") for \$1,000 per Unit, subject to adjustment if a participating broker dealer reduces commissions, with each Unit consisting of (i) one share of Series A Redeemable Preferred Stock with an initial stated value of \$1,000 per share, and (ii) one Warrant to purchase 20 shares of common stock, exercisable by the holder at an exercise price that is set at a 20% premium to the current market price per share of the Company's common stock determined using the closing price of the Company's common stock immediately preceding the issuance of such Warrant, subject to a minimum exercise price of \$19.50 per share (subject to adjustment). Under the Soliciting Dealer Agreements, each Selling BD has agreed to sell the Units with a reduced selling commission of 5.5% of the gross proceeds from the Units sold by the Selling BDs. In addition, PCS has agreed to reduce its dealer manager fee from 3.0% to 2.5% of the gross proceeds from the Units sold by the Selling BDs. The combination of these two reductions will result in a sales price of \$980 per Unit. The net proceeds to the Company will not be affected by the reduction in the Selling BD's commissions. For further information on these arrangements please contact PCS at 1-855-330-6594.

Redemption Process Change

The Company is changing the way it processes redemptions of its Series A Redeemable Preferred Stock effective for redemptions received after August 31, 2017. The Prospectus states that the Company may pay the redemption price in cash or in equal value of the Company's common stock by calculating the value of the common stock using the volume weighted average price per share of the Company's common stock for the 20 trading days prior to the redemption (the "20-day VWAP"). For redemptions paid in the Company's common stock that were received prior to September 1, 2017, the Company calculated the redemption price and the 20-day VWAP as of the date the redeemed shares were transferred by the investor to the Company's transfer agent and the Company has issued the corresponding shares of common stock to the investor. For redemptions received by the Company after August 31, 2017, the Company will calculate the redemption price and the 20-day VWAP as of the date the Company receives a redemption request in substantially good form (as determined in good faith by the Company). The Company will also use this new process for any redemptions of its Series M Redeemable Preferred Stock.
