**Item 1.01. Entry into a Material Definitive Agreement.**

On February 10, 2015, Advaxis, Inc. (the “Company”) entered into a Clinical Study Collaboration Agreement (the “Agreement”) with Incyte Corporation (“Incyte”) for the development and analysis of a combination therapy for the treatment of cervical cancer (the “Study”). The Company and Incyte have to date been independently developing their respective compounds, which treat certain types of tumors, respectively.

Under the terms of the Agreement, Incyte and the Company will contribute their respective compounds to be dosed in combination during the course of the Study, with Incyte acting as the sponsor of the Study and taking the lead role in its conduct. The Agreement is to continue in full force and effect until completion of the Final Study Report (as defined therein) or until earlier terminated by either Party. Costs for the Study are to be split between the parties, and Incyte will provide the Company with an invoice and supporting documents of the Company’s share of the costs incurred through the end of each calendar quarter. A copy of the Agreement is being filed as Exhibit 10.1 and is incorporated herein by reference.
