Chris Reed stated, "I am very excited about our new board slate, which includes highly qualified industry experts who will join me in delivering Reed's next phase of growth. Each of these candidates brings specific areas of expertise which will support the most important areas of the business. This group includes John Bello, the highly accomplished founder and former CEO of South Beach Beverages, the maker of the SoBe beverage brand, which he sold to Pepsi for \$370 million. Charles Cargile has joined our board candidates as our Financial Expert and will chair the Audit Committee. Charles has extensive experience in public companies as both a Chief Financial Officer (CFO) and an audit committee chairman. Rounding out the candidates is Lew Jaffe, our corporate governance expert, who joined the board this month and stands for reelection. These plants produced 231 million cases with revenues more than \$500 million annually. He successfully oversaw the acquisition of Newport by MKS Instruments in April, 2016 for \$980 million; an acquisition price 11 times 2015 EBITDA and at a 53% premium to the share price. Prior to his time at Newport Corporation, from 1998 to 2000 Mr. Cargile was Vice President of Finance and Corporate Development at York International Corporation (now part of Johnson Controls). From 1992 to 1998 Mr. Cargile was Corporate Controller and Chief Accounting Officer at BW/IP, Inc. (now Flowserve Corporation). We recognize Mr. Cargile as an invaluable and insightful advisor for a wide range of financial and executive decisions and transactions and we look forward to welcoming him to our board.

Mr. Jaffe is a graduate of the Stanford Business School Executive Program, holds a Bachelor of Science from LaSalle University and holds a Masters Professional Director Certification from the American College of Corporate Directors, a public company director education and credentialing program.

We believe Mr. Jaffe will be an invaluable asset to the strategic and board governance side of Reed's Inc. and a catalyst for our next level of expansion.

The board of directors has determined that all candidates, except for the Company CEO and Founder Chris Reed, does not have relationships that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and is an "independent director" as defined under Section 803A of the NYSE MKT Company Guide.
