Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard.

On August 17, 2017, InspireMD, Inc. (the “*Company*”) received a notice from NYSE Regulation indicating that the Company does not meet continued listing standards of the NYSE American LLC (the “*NYSE American*”) as set forth in Part 10 of the NYSE American Company Guide (the “*Company Guide*”). Specifically, the Company is not in compliance with Section 1003(a)(iii) of the Company Guide because the Company reported stockholders’ equity of less than \$6 million as of June 30, 2017, and net losses in its five most recent fiscal years ended December 31, 2016. As a result, the Company has become subject to the procedures and requirements of Section 1009 of the Company Guide.

The Company must submit a plan of compliance to NYSE Regulation by September 17, 2017, addressing how it intends to regain compliance with Section 1003(a)(iii) of the Company Guide by February 17, 2019. If the plan is accepted by NYSE Regulation, the Company may be able to continue its listing during the plan period, during which time the Company will be subject to periodic review to determine whether it is making progress consistent with the plan.

If the Company does not submit a plan, or if the plan is not accepted by NYSE Regulation, delisting proceedings will commence. Furthermore, if the plan is accepted but the Company is not in compliance with the continued listing standards by February 17, 2019, or if it does not make progress consistent with the plan during the plan period, the NYSE American will initiate delisting proceedings.

The NYSE Regulation notice also included an early warning of the Company’s potential noncompliance with Section 1003(a)(iv) of the Company Guide because the uncertainty regarding the Company’s ability to generate sufficient cash flows and liquidity to fund operations raises substantial doubt about its ability to continue as a going concern.

The Company’s management is reviewing its options to address the deficiencies and expects to submit a compliance plan on or before the deadline set by the NYSE American.
