NOTICE OF ANNUAL MEETING OF SHAREHOLDERS

to be held November 14, 2016

11:00 AM Eastern Standard Time

To the Shareholders of ARC Group Worldwide, Inc.:

The Annual Meeting of the shareholders of ARC Group Worldwide, Inc. (referred to herein as “ARC” and the “Company”) will be held on November 14, 2016, at 11:00 AM (Eastern Standard Time) (the “Annual Meeting”) at the offices of Brean Capital, LLC, 1345 Avenue of the Americas, 29th Floor, New York, NY 10105 for the following purposes:

1. To elect five directors nominees to the ARC Board of Directors (the “Board of Directors”), each to hold office until our 2017 Annual Meeting of Shareholders;
2. To grant approval, on an advisory basis, of the compensation of the Company’s Named Executive Officers;
3. To ratify the selection of Hein & Associates LLP to serve as the Company’s certified independent accountants for the year ending June 30, 2017; and
4. To approve the 2016 ARC Group Worldwide, Inc. Equity Incentive Plan.

YOUR VOTE IS VERY IMPORTANT

Only the shareholders of record as shown on the transfer books at the close of business on September 26, 2016, are entitled to notice of, and to vote at, the Annual Meeting (the “Record Date”). We anticipate that such notice will be mailed to shareholders on or about September 30, 2016.

After careful consideration, the ARC Board of Directors has unanimously determined that the proposed actions described above are advisable and in the best interests of ARC shareholders and unanimously recommends that you vote:

- “FOR” THE APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF THE COMPANY’S NAMED EXECUTIVE OFFICERS;
- “FOR” THE RATIFICATION OF THE SELECTION OF HEIN & ASSOCIATES LLP to serve as the Company’s certified independent accountants for the year ending June 30, 2017; AND
- “FOR” THE APPROVAL OF THE 2016 ARC GROUP WORLDWIDE, INC. EQUITY INCENTIVE PLAN.

Under Rules adopted by the U.S. Securities and Exchange Commission (the “SEC”), we have chosen to provide our shareholders with proxy materials on the Internet, rather than sending printed copies of such materials through the mail. In connection with this decision, a Notice Regarding the Availability of Proxy Materials is being mailed to our shareholders who have not previously requested electronic access to our proxy materials or paper proxy materials. This notice contains instructions on how you may access and review our proxy materials on the Internet and how you may vote your shares. The notice also contains information concerning how to request our proxy materials in printed form or by e-mail, at no charge. We anticipate that the notice will be mailed to

shareholders on or about September 30, 2016. If you hold shares of our Common Stock in street name through a broker, rather than directly in your own name, you should contact your broker to request paper proxy packages.

QUESTIONS AND ANSWERS

The following questions and answers are intended to address briefly some commonly asked questions regarding the matters to be addressed at the Annual Meeting. These questions and answers may not address all questions that may be important to you as an ARC shareholder. Please refer to the more detailed information contained elsewhere in this Proxy Statement and the documents referred to in this proxy statement, which you should read carefully. See “Where You Can Find More Information” on page 35.

Except as otherwise noted:

- References in this Proxy Statement to “ARC,” the “Company,” “we,” “us,” and “our” refer to the business of ARC Group Worldwide, Inc. and its subsidiaries.

Q: Why am I receiving these materials?

A: We are providing you with this Proxy Statement in connection with the Annual Meeting of our shareholders, which will take place on November 14, 2016, starting at 11:00 AM Eastern Standard Time, at the offices of Brean Capital, LLC, 1345 Avenue of the Americas, 29th Floor, New York, NY 10105. As a shareholder, you are invited to attend the Annual Meeting and are entitled and requested to vote on the proposals described in this Proxy Statement.

Q: What am I being asked to vote on?

A: You are being asked by the Board of Directors of ARC to consider and vote on the following matters:

- The election of the five nominees as directors whose names are set forth on the proxy card to hold office until the next Annual Meeting of shareholders or until their respective successors have been elected and qualified, referred to in this Proxy Statement as Proposal No. 1;
- The approval, on a non-binding, advisory basis, of the compensation of the Company’s Named Executive Officers, referred to in this Proxy Statement as Proposal No. 2;;
-

The ratification of the selection of Hein & Associates LLP to serve as our certified independent accountants for the year ending June 30, 2017, referred to in this Proxy Statement as Proposal No. 3; and

- The approval of the 2016 ARC Group Worldwide, Inc. Equity Incentive Plan as Proposal No. 4.

Q: Why am I being asked to cast a non-binding, advisory vote to approve the compensation of the Company's Named Executive Officers ("say on pay" vote)?

A: In accordance with the rules promulgated under Section 14A of the Exchange Act, the Company is providing its stockholders with the opportunity to cast a non-binding, advisory vote on the compensation of the Company's named executive officers.

Q: Why am I being asked to approve the 2016 ARC Group Worldwide Equity Incentive Plan?

A: We are submitting the 2016 ARC Group Worldwide Inc. Equity Incentive Plan to a vote of the stockholders for purposes of Section 162(m) of the Code so that certain awards granted under the Incentive Plan may qualify as performance-based compensation under Section 162(m) of the Internal Revenue Code. Stockholder approval will also allow us to grant incentive stock options within the meaning of Section 422 of the Code under the 2016 ARC Group Worldwide Inc. Equity Incentive Plan.

Table of Contents

We believe that encouraging stock ownership by our employees, directors, non-employee directors and consultants helps align their interests with those of our stockholders and helps us attract, motivate and retain employees, directors and consultants. Accordingly, we expect that this plan will promote our long-term success and increase stockholder value. The equity incentive plan would allow us to grant stock options, restricted stock and other stock-based awards and would be administered by our Compensation Committee of the Board of Directors. Some of the awards under this plan would provide opportunities for beneficial tax treatment to our employees if this plan is approved by our stockholder. For more information on the equity incentive plan, see “The 2016 ARC Group Worldwide, Inc. Equity Incentive Plan.”

Q: What quorum and vote is required in connection with each of the proposals?

A: A quorum, consisting of the holders of a majority of the shares of our Common Stock entitled to vote as of the Record Date of the Annual Meeting, must be present in person or represented by proxy before any action may be taken at the Annual Meeting. Abstentions and broker non-votes will be treated only as shares that are present for purposes of ascertaining whether there is a quorum sufficient for the Annual Meeting to be convened and conduct the business of the meeting.

Regarding Proposal No. 1 pertaining to the election of five directors of the Company, the affirmative vote of a plurality of the shares represented at the meeting, in person or by proxy, is required to elect each director.

The approval of a majority of all shares of Common Stock present and voting in person or by proxy will be required to approve Proposal No. 2, Proposal No. 3 and Proposal No. 4.

Q: What happens if I do not vote?

A: The presence in person or by proxy of a majority of the outstanding shares of our Common Stock entitled to vote is required for us to ascertain a quorum and convene our Annual Meeting. If you do not vote, we may not be able to obtain a quorum to properly conduct the Annual Meeting. If you do not wish to vote, we request that you return your proxy indicating that you consent to being present for purposes of obtaining the quorum. In this manner, we will be able to conduct the Annual Meeting even if you do not vote your shares on any of the proposals submitted to the vote of the shareholders.

Q: What happens if I abstain?

A: If you vote “ABSTAIN” by proxy or if you otherwise vote “ABSTAIN” at the Annual Meeting, your shares will be counted only for purposes of determining the presence of a quorum. Broker non-votes will not be considered to be abstentions unless explicitly marked “abstain” and will otherwise only be present at the Annual Meeting for purposes of ascertaining a quorum.

Section 8 of Article II of the Company Bylaws provides that if a quorum exists, action on a matter, other than the election of directors, by a voting group is approved if the votes cast within the voting group favoring the action exceed the votes cast within the voting group opposing the action. Election of directors is determined by plurality voting and therefore abstentions will not have an effect on the outcome of the election of directors. Abstentions will not have an effect on the outcome of voting on any matters submitted to the vote of the shareholders.

Q: What is the difference between holding shares as a shareholder of record and as a beneficial owner?

A: Many of our shareholders hold their shares through a broker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Shareholder of Record—If your shares are registered directly in your name with our transfer agent, Computershare, you are considered the shareholder of record with respect to those shares and the notice is being sent directly to you by us. As the shareholder of record, you have the right to grant your voting proxy directly to

Table of Contents

us or to vote in person at the Annual Meeting. After carefully reading and considering the information contained in this Proxy Statement, if you are the shareholder of record, please submit your proxy in accordance with the instructions set forth in the proxy card so that your shares may be voted at the Annual Meeting.

Beneficial Ownership—If your shares are held in a brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in “street name,” and these proxy materials are being forwarded to you by your broker, bank or other nominee who is considered the shareholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker, bank or other nominee on how to vote and are also invited to attend the Annual Meeting. However, since you are not the shareholder of record, you may not vote these shares in person at the Annual Meeting unless you request a legal proxy from your broker, bank or other nominee. Your broker, bank or other nominee has enclosed a voting instruction card with this Proxy Statement for you to use in directing such institution regarding how to vote the shares you beneficially own.

See “How to Vote Your Shares” beginning on Page 6.

Q: If my shares are held in “street name” by my broker, will my broker vote my shares for me?

A: If your shares are held in street name, your broker may, under certain circumstances, vote your shares. Certain brokerage firms have authority to vote a client’s unvoted shares on some “routine” matters but cannot vote a client’s unvoted shares on “non-routine” matters. If you do not give voting instructions to your broker on a “non-routine” matter, your shares may constitute “broker non-votes.” A broker non-vote occurs on a matter when a broker returns an executed proxy but indicates that it does not have discretionary authority to vote on that matter and has not received instructions from the beneficial owner. Broker non-votes are not deemed to be votes cast and, therefore, are not included in the tabulation of the voting results on these proposals.

You should instruct your broker to vote your shares. If you do not instruct your broker, your broker may not have the authority to vote your shares for any of the proposals at the Annual Meeting.

Please check with your broker and follow the voting procedures your broker provides.

Q: How can I vote my shares in person at the Annual Meeting?

A: Shares held directly in your name as the shareholder of record may be voted in person at the Annual Meeting. If you choose to do so, please bring your proxy card and proof of identification to the meeting. Even if you plan to attend the Annual Meeting, we recommend that you vote your shares in advance so that your vote will be counted if you later decide not to attend the Annual Meeting. If you hold your shares in “street name,” you must request a legal proxy from your broker, bank or other nominee in order for you to vote at the Annual Meeting.

Q: How can I vote my shares without attending the Annual Meeting?

A: If you do not plan to attend the Annual Meeting, we request that you vote your shares as promptly as possible. You may vote electronically on the internet, by mail by using the proxy card, or by using the toll-free telephone number listed on the proxy card. Please see “How to Vote Your Shares” on Page 6.

For shares held in “street name,” you may vote your shares by submitting voting instructions to your broker, bank or other nominee. A voting instruction card will be provided by your broker, bank or other nominee.

Q: May I change my vote after I have submitted a proxy electronically, by telephone or mailed my signed proxy card?

A: Yes. You may change your vote at any time before your proxy is voted at the Annual Meeting. You can do this in several ways. If you hold your shares as a shareholder of record, you can send a written notice stating that you want to revoke your proxy, or you can complete and submit a new proxy card, in either case dated later than the

Table of Contents

prior proxy card relating to the same shares. You must submit your notice of revocation or your new proxy card to: ARC Group Worldwide, Inc., 810 Flightline Blvd., Deland, FL 32724, Attention: Chief Executive Officer.

You can also attend the Annual Meeting and vote in person. Simply attending the Annual Meeting, however, will not revoke your proxy; you must vote at the Annual Meeting to revoke your proxy if you have not previously revoked your proxy.

You can also change your vote by submitting a proxy at a later date by fax or mail if you have previously voted in connection with the Annual Meeting, in which case your later-submitted proxy will be recorded and your earlier proxy revoked.

If your shares are held in "street name" and you have instructed your broker, bank or other nominee to vote your shares, the preceding instructions do not apply, and you must follow the voting procedures received from your broker, bank or other nominee to change your vote.

Q: Who can attend the 2016 Annual Meeting of the Shareholders in person? Must I RSVP prior to the date of the 2016 Annual Meeting?

A: You may attend the Annual Meeting only if you are a shareholder of our Company who is entitled to vote at the Annual Meeting, or if you hold a valid proxy for the Annual Meeting. If you plan to attend the 2016 Annual Meeting in person, you must RSVP no later than 5:00 pm on Tuesday, November 8, 2016 to InvestorRelations@arcgroupworldwide.com. In order to be admitted into the Annual Meeting, your name must appear on the attendance list and you must present government-issued photo identification (such as a driver's license). Shareholders holding stock in brokerage accounts must bring a brokerage statement or other evidence of share ownership dated as of September 26, 2016, in order to be admitted to the meeting.

Q: If I want to attend the Annual Meeting, what do I do?

A: If you wish to attend the Annual Meeting, you must RSVP as noted above. On November 14, 2016, the date of the Annual Meeting, you should come to the place of our Annual Meeting, located at Brean Capital, LLC, 1345 Avenue of the Americas, 29th Floor, New York, NY 10105 at 11:00 AM Eastern Standard Time. Shareholders of record as of the Record Date for the Annual Meeting can vote in person at the Annual Meeting. If your shares are held in "street name," then you must ask your broker, bank or other nominee holder how you can vote at the Annual Meeting.

Q: Do I have dissenters' or appraisal rights as a holder of ARC's Common Stock?

A: No. Dissenters' rights, also referred to as appraisal rights, will not be available to holders of ARC Common Stock under the Utah Revised Business Corporation Act.

Q: Who is paying for this proxy solicitation?

A: The total expense of this solicitation will be borne by ARC. Solicitation of proxies may be made personally or by mail, internet, e-mail or facsimile by officers and other management employees of ARC, who will receive no additional compensation for their services.

Q: Who can help answer my additional questions about the Annual Meeting?

ARC GROUP WORLDWIDE, INC.

PROXY STATEMENT SUMMARY

This summary highlights selected information also contained elsewhere in this proxy statement (this “Proxy Statement”) related to the matters you are being asked to vote upon and may not contain all of the information important to you. You should read this entire document and the other documents to which this Proxy Statement refers you to fully understand the matters you are being asked to vote upon. Each item in this summary refers to the page where that subject is hereinafter discussed in more detail.

ANNUAL MEETING OF SHAREHOLDERS

Date, Time, Place and Purpose

The Annual Meeting of ARC’s shareholders will be held on November 14, 2016 at 11:00 AM, Eastern Standard Time (the “Annual Meeting”) at the offices of Brean Capital, LLC, 1345 Avenue of the Americas, 29th Floor, New York, NY 10105 for the following purposes:

1. To elect a Board of Directors consisting of five directors;
2. To approve, on a non-binding, advisory basis, the compensation of the Company’s Named Executive Officers;
3. To ratify the selection of Hein & Associates LLP to serve as our certified independent accountants for the year ending June 30, 2017; and
4. To approve the 2016 ARC Group Worldwide, Inc. Equity Incentive Plan.

Solicitation of Proxies

This Proxy Statement is provided in connection with the solicitation of proxies by ARC's Board of Directors, to be voted at the Annual Meeting or at any adjournment or postponement of the meeting. We anticipate that notice of the Annual Meeting will be first mailed, given or otherwise provided to shareholders on or about September 30, 2016.

Under Rules adopted by the U.S. Securities and Exchange Commission (the "SEC"), we have chosen to provide our shareholders with proxy materials on the Internet, rather than sending printed copies of such materials through the mail. In connection with this decision, a Notice Regarding the Availability of Proxy Materials is being mailed to our shareholders who have not previously requested electronic access to our proxy materials or paper proxy materials. This notice contains instructions on how you may access and review our proxy materials on the Internet and how you may vote your shares. The notice also contains information concerning how to request our proxy materials in printed form or by e-mail, at no charge. If you hold shares of our Common Stock in street name through a broker, rather than directly in your own name, you should contact your broker to request paper proxy packages.

If you hold shares beneficially in street name and do not provide your broker with voting instructions, your shares may constitute "broker non-votes." A broker non-vote occurs on a matter where a broker is not permitted to vote on that matter without instructions from the beneficial owner and instructions are not given. In tabulating the voting result for any particular proposal, shares that constitute broker non-votes are not considered votes cast on that proposal. Thus, broker non-votes will not affect the outcome of any matter being voted on at the meeting, assuming that a quorum is obtained. In particular, please note that brokers may not vote your shares on certain matters in the absence of your specific instructions as to how to vote, so we encourage you to provide instructions to your broker regarding the voting of your shares.

Table of Contents

A shareholder giving a proxy may revoke it at any time before it is exercised by delivering written notice of revocation to our Chief Executive Officer, by substituting a new proxy executed at a later date, or by requesting, in person at the Annual Meeting, that the proxy be returned. Shareholders do not have dissenters' rights of appraisal for any action proposed to be taken at the Annual Meeting. The solicitation of proxies by the Company is to be made by mail, telephone and oral communications with shareholders. Our officers, directors and employees may solicit proxies, but these persons will not receive compensation for that solicitation other than their regular compensation. Arrangements also will be made with brokerage houses and other custodians, nominees and fiduciaries to forward solicitation materials to beneficial owners of the shares held of record by those persons. We may reimburse those persons for reasonable out-of-pocket expenses incurred by them in so doing. We will pay all expenses involved in preparing, assembling and mailing this Proxy Statement and the enclosed material.

Record Date, Shares Outstanding and Entitled to Vote

The close of business on September 26, 2016 has been fixed as the record date (the "Record Date") for the determination of holders of record of the Company's Common Stock, \$.0005 par value per share (the "Common Stock"), entitled to notice and to vote at the Annual Meeting. On the Record Date, 18,795,509 shares of Common Stock were outstanding and eligible to vote at the Annual Meeting. Each share, unless otherwise set forth herein, is entitled to one vote. A majority of the issued and outstanding shares of Common Stock entitled to vote, represented either in person or by proxy, constitutes a quorum at any meeting of the shareholders. If sufficient votes for approval of the matters to be considered at the Annual Meeting have not been received prior to the meeting date, we intend to postpone or adjourn the Annual Meeting in order to solicit additional votes. At any postponed or adjourned meeting, we will vote any proxies received in the same manner described in this Proxy Statement with respect to the original meeting.

How to Vote Your Shares

We will send a Notice of Internet Availability of Proxy Materials (the "Notice") to all shareholders of record as of the Record Date for the Annual Meeting. The Notice will give you the opportunity to request a set of printed proxy materials, and you will be sent proxy materials if you request them. That set of printed proxy materials will also include a proxy card.

You are encouraged to review our Proxy Statement and Annual Report before you cast your vote.

You will be entitled to vote:

- electronically on the internet;

- by mail by using the proxy card and postage-paid return envelope if you request printed materials; or
- by using the toll-free telephone number listed on the proxy card.

You may vote electronically by using a website that provides links to our Proxy Statement and Annual Report. You may access your records on this website by using a control number printed on the Notice. If you vote on the internet, you do not need to return your proxy card.

If you vote by mail, simply mark, sign and date each proxy card that you receive, and return them in the postage-paid envelopes that you will receive.

If you vote by telephone, easy-to-follow telephone voice prompts should enable you to vote your shares and confirm that your voting instructions have been properly recorded. Our telephone voting procedures are designed to authenticate shareholders by using the individual control numbers provided on each proxy card. Accordingly, please have your proxy card available when you call. If you vote by telephone, you do not need to return your proxy card. Proxies submitted by telephone must be received no later than 1:00 AM, Eastern Standard Time, on Monday, November 14, 2016, the day of the Annual Meeting. This cut-off time is necessary to enable us to complete a final vote tabulation.

Table of Contents

Internet voting on our dedicated site is available 24 hours a day, seven days a week, except that no internet votes will be accepted after 1:00 AM, Eastern Standard Time, on Monday, November 14, 2016, the day of the Annual Meeting. This cut-off time is necessary to enable us to complete a final vote tabulation.

You can also come to the place of our Annual Meeting, located at Brean Capital, LLC, 1345 Avenue of the Americas, 29th Floor, New York, NY 10105 at 11:00 AM, Eastern Standard Time, on November 14, 2016. You must bring your proxy card and proof of identification to the meeting. Even if you plan to attend the Annual Meeting, we recommend that you vote your shares in advance so that your vote will be counted if you later decide not to attend the Annual Meeting. If you hold your shares in "street name," you must request a legal proxy from your broker, bank or other nominee in order for you to vote at the Annual Meeting.

If you do not plan to attend the Annual Meeting, we request that you vote your shares as promptly as possible.

For shares held in "street name," you may vote your shares by submitting voting instructions to your broker, bank or other nominee. A voting instruction card will be provided by your broker, bank or other nominee. For shares held in "street name," you may be eligible to vote via the Internet if your broker, bank or other nominee participates in the proxy voting program provided by Broadridge. Instructions for voting via the Internet, if available, will be provided by your broker, bank or other nominee.

Votes at the Annual Meeting are counted by an inspector of election. Shares of stock present in person or represented by proxy, including abstentions (shares that do not vote with respect to one or more of the matters presented for shareholder approval), and broker "non-votes," are counted as present and entitled to vote for purposes of determining whether a quorum exists at the Annual Meeting. A broker "non-vote" occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner. If your shares are held in the name of a bank, broker or other nominee, you must obtain a proxy, executed in your favor, from the holder of record, to be able to vote at the Annual Meeting. At any postponed or adjourned meeting, we will vote any proxies received in the same manner described in this Proxy Statement with respect to the originally scheduled Annual Meeting. Please note, in the absence of your specific instructions as to how to vote, brokers may not vote your shares on the election of directors or on any other proposals other than the ratification of selection of Hein & Associates LLP to serve as our certified independent accountants for the year ending June 30, 2017. We encourage you to provide instructions to your broker regarding the voting of your shares.

In the election of directors, the five director candidates having the highest number of votes cast in favor of their election will be elected to the Board of Directors. A plurality of the votes present in person or represented by proxy at the Annual Meeting is required for election of the Directors. All other Proposals will be determined by a majority of those present and voting in person or by proxy.

How to Change Your Vote

You may change your vote at any time before your proxy is voted at the Annual Meeting. You can do this in several ways. If you hold your shares as a shareholder of record, you can send a written notice stating that you want to revoke your proxy, or you can complete and submit a new proxy card, in either case dated later than the prior proxy card relating to the same shares. You must submit your notice of revocation or your new proxy card to: ARC Group Worldwide, Inc., 810 Flightline Blvd., Deland, FL 32724, Attention: Chief Executive Officer.

You can also change your vote by submitting a proxy at a later date by fax or via the Internet, if you have previously voted by fax or via the Internet in connection with the Annual Meeting, in which case your later-submitted proxy will be recorded and your earlier proxy revoked.

You can also change your vote by attending the Annual Meeting and voting in person if you RSVP no later than 5:00 pm on Tuesday, November 8, 2016, to the following e-mail address: InvestorRelations@arcgroupworldwide.com. In order to be admitted into the Annual Meeting, your name must appear on the attendance list and you must present

Table of Contents

government-issued photo identification (such as a driver's license). Shareholders holding stock in brokerage accounts must bring a brokerage statement or other evidence of share ownership as of September 26, 2016, in order to be admitted to the meeting. Simply attending the Annual Meeting, however, will not revoke your proxy; you must vote at the Annual Meeting to revoke your proxy if you have not previously revoked your proxy.

If your shares are held in "street name" and you have instructed your broker, bank or other nominee to vote your shares, the preceding instructions do not apply, and you must follow the voting procedures received from your broker, bank or other nominee to change your vote.

Counting Your Vote

All properly executed proxies delivered and not properly revoked will be voted at the Annual Meeting as specified in such proxies. If you provide specific voting instructions, your shares of Common Stock will be voted as instructed. If you hold shares in your name and sign and return a proxy card or submit a proxy via the Internet without giving specific voting instructions, your shares will be voted as follows:

- "FOR" EACH OF THE FIVE NOMINEES FOR ELECTION AS DIRECTORS WHOSE NAMES ARE SET FORTH ON THE PROXY CARD;
- "FOR" THE ADVISORY APPROVAL OF THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS;
- "FOR" THE RATIFICATION OF THE SELECTION OF HEIN & ASSOCIATES LLP AS OUR INDEPENDENT CERTIFIED ACCOUNTANTS FOR THE YEAR ENDING JUNE 30, 2017; AND
- "FOR" THE APPROVAL OF THE 2016 ARC GROUP WORLDWIDE, INC. EQUITY INCENTIVE PLAN.

Proxies solicited may be voted only at the Annual Meeting and any adjournment or postponement of the Annual Meeting and will not be used for any other meeting.

Quorum and Required Votes

A quorum, consisting of the holders of a majority of the shares of our Common Stock entitled to vote as of the Record Date of the Annual Meeting, must be present in person or represented by proxy before any action may be taken at the Annual Meeting. Abstentions and broker non-votes will be treated only as shares that are present for purposes of ascertaining whether there is a quorum sufficient for the Annual Meeting to be convened and conduct the business of the meeting.

Regarding Proposal No. 1 pertaining to the election of five directors of the Company, the affirmative vote of a plurality of the shares represented at the meeting, in person or by proxy, is required to elect each director.

The approval of a majority of all shares of Common Stock present and voting in person or by proxy will be required to approve Proposal No. 2, Proposal No. 3 and Proposal No. 4.

Abstentions will not be counted for purposes of determining the outcome of any Proposals. Broker non-votes will be counted only for purposes of quorum and will not be counted for purposes of determining the outcome of any proposals submitted to the vote of the shareholders.

Abstentions and Broker “Non-Votes”

Votes at the Annual Meeting are counted by an inspector of election. Shares of stock present in person or represented by proxy, including abstentions (shares that do not vote with respect to one or more of the matters presented for shareholder approval), and broker “non-votes,” are counted as present and entitled to vote for purposes of determining

Table of Contents

whether a quorum exists at the Annual Meeting. A broker “non-vote” occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner. If your shares are held in the name of a bank, broker or other nominee, you must obtain a proxy, executed in your favor, from the holder of record, to be able to vote at the Annual Meeting. At any postponed or adjourned meeting, we will vote any proxies received in the same manner described in this Proxy Statement with respect to the originally scheduled Annual Meeting. Please note that brokers may not vote your shares on the election of directors in the absence of your specific instructions as to how to vote, so we encourage you to provide instructions to your broker regarding the voting of your shares.

In the election of directors, the five director candidates having the highest number of votes cast in favor of their election (constituting a plurality) will be elected to the Board of Directors. Only votes “FOR” or “AGAINST” the nominees for election as directors in respect of Proposal No. 1 will affect the outcome. Abstentions or withheld votes shall not affect the outcome of the election of directors.

Recommendation of Our Board of Directors for voting of the shareholders at the Annual Meeting.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE:

- “FOR” EACH OF THE FIVE NOMINEES FOR ELECTION AS DIRECTORS WHOSE NAMES ARE SET FORTH ON THE PROXY CARD;
- “FOR” THE ADVISORY APPROVAL OF THE COMPENSATION OF THE COMPANY’S NAMED EXECUTIVE OFFICERS;
- “FOR” THE RATIFICATION OF THE SELECTION OF HEIN & ASSOCIATES LLP AS OUR INDEPENDENT CERTIFIED ACCOUNTANTS FOR THE YEAR ENDING JUNE 30, 2017; AND
- “FOR” THE APPROVAL OF THE 2016 ARC GROUP WORLDWIDE, INC. EQUITY INCENTIVE PLAN.

PROPOSAL NO. 1: ELECTION OF DIRECTORS

The terms of the current directors expire upon the election and qualification of the directors to be elected at the 2016 Annual Meeting. The Board of Directors has nominated five persons for election at the Annual Meeting to serve until the 2017 Annual Meeting of shareholders or until their successors are duly elected and qualified.

The directors shall be elected by the vote of a plurality of the votes cast (which means that the nominees who receive the most affirmative votes will be elected to serve as directors). Cumulative voting is not permitted in the election of directors. Each record holder of stock shall be entitled to vote in the election of directors and shall have as many votes for each of the shares owned by him or her as there are directors to be elected and for whose election he or she has the right to vote. As a result, a shareholder may vote all of his or her shares for each nominee, but may not cumulate the votes to vote more than the total number of shares owned for any one nominee. In the absence of instructions to the contrary, the person named in the accompanying proxy shall vote the shares represented by that proxy for the persons named below as the Board of Director's nominees for directors. Each of the nominees currently is a director of the Company.

Each of the nominees has consented to be named in this Proxy Statement and to serve on the Board of Directors if elected. It is not anticipated that any of the nominees will become unable or unwilling to accept his nomination or election, but, if that should occur, the persons named in the proxy intend to vote for the election of such other person as the Board of Directors may recommend.

The following table sets forth, with respect to each nominee for director, the nominee's age (as of the date of the filing), his position(s) and office(s) with the Company, and the year in which he first became a director. Individual background information concerning each of the nominees follows the table, as well as a brief discussion of the experience, qualifications, attributes or skills that led to the conclusion that such individual should be nominated. For additional information concerning the nominees, including stock ownership and compensation, see "Executive Compensation," "Security Ownership of Certain Beneficial Owners and Management," and "Certain Transactions with Management and Principal Shareholders."

CORPORATE GOVERNANCE

Board Meetings

The Board of Directors met two times during the fiscal year ended June 30, 2016, and each director serving as of such date participated in 100% of the meetings. The Board of Directors does not maintain a formal policy regarding the manner in which shareholders may communicate with the Board of Directors. The Board of Directors intends to adopt a formal policy in the near future for such purposes.

The Company encourages each member of the Board of Directors to attend the Annual Meeting of Shareholders, but does not require any member to do so. Mr. Young (in his capacity as an officer and director) and Mr. Kelley (in his capacity as an officer and director serving as of such date, prior to his resignation as a director effective as of March 31, 2016) were the only members of the Company's Board of Directors to attend the Company's most recent Shareholder's Meeting.

Board Independence

We are currently subject to corporate governance standards defining the independence of our directors imposed by the NASDAQ Capital Market's requirements for independent directors pursuant to Rule 5605(a)(2) of the Marketplace Rules of The NASDAQ Stock Market LLC (the "Independent Directors"). Of the current members of the Board of Directors, Gregory D. Wallis, Eddie W. Neely and Todd A. Grimm qualify as independent directors in accordance with the standards imposed by the NASDAQ Capital Market's requirements for independent directors. Mr. Wallis has served as an independent director since April of 2013, Mr. Neely has held such position since August of 2013 and Mr. Grimm since December 2013.

Risk Oversight

In September 2015, the Board of Directors delegated primary risk management oversight of the Company to the Audit Committee of the Board of Directors, consisting of Mr. Wallis, Mr. Grimm and Mr. Neely, all of whom are Independent Directors. The risk oversight role of the Audit Committee is to provide independent and objective assessment of the Company's risk management policies. The risk management functions of the Audit Committee include the following:

- To periodically review and assess the implementation of risk-management policies by management;
- To review management reports detailing the adequacy and overall effectiveness of risk management and propose recommendations regarding effectiveness and improvement thereof.
- To review the risk philosophy, strategy and policies recommended by management;
- To review processes and procedures regarding the effectiveness of internal systems of control so that decision-making capability and accuracy of reporting and financial results are maintained at an optimal level; and
- To monitor external developments relating to the practice of risk assessment and reporting.

Board Leadership Structure

From August of 2011 to August 2013, the roles of Chief Executive Officer and Chairman of the Board of Directors were segregated. Mr. Jason Young, who previously served as both the Company's Chief Executive Officer and Chairman of the Board of Directors, served solely as Chairman of the Board of Directors from August 2011 until his appointment as Chief Executive Officer in August 2013. Mr. Young held both the position of Chairman of the Board of Directors and that of Chief Executive Officer until March 31, 2016.

Table of Contents

On March 31, 2016, Mr. Young resigned as our Chairman and Mr. Alan Quasha was appointed to succeed Mr. Young in his position as Chairman of the Board of Directors, whereby Mr. Young continued to serve as Chief Executive Officer. Since then, we again separate the roles of our Chief Executive Officer and our Chairman. Our Chief Executive Officer is responsible for the general management, oversight, supervision and control of the business and affairs of our Company, and ensuring that all orders and resolutions of the Board are carried into effect. Our Chairman, on the other hand, is charged with presiding over all meetings of the Board and our stockholders, and providing advice and counsel to our Chief Executive Officer and our Company's other executive officers regarding our business and operations.

Effective as of the date of this Proxy Statement, the Board of Directors consists of five members, which includes three Independent Directors. The Company believes Independent Directors and management have different perspectives and roles in strategy development. The Chief Executive Officer brings corporate and capital markets experience and expertise, while the Company's independent Directors bring experience, oversight, and expertise from outside the Company. The Board of Directors believes that the presence of the Chief Executive Officer as a member of the Board of Directors promotes the development and execution of the Company's strategy and facilitates the flow of information between management and the Board of Directors, which is essential to effective corporate governance. The Board of Directors believes that a board of directors, which consist of a majority of Independent Directors, is in the best interest of shareholders because it provides the appropriate balance between independent oversight of management and the development of strategy.

Mr. Eddie W. Neely serves as the Board of Director's lead independent director. In such role, Mr. Neely serves as an independent coordinator among all board members and thereby helps ensure board relations run smoothly and function productively to help maintain open communication with the Chief Executive Officer and across the boardroom. Mr. Neely presides at non-management meetings of the directors. Mr. Neely's interests are to drive a high performance board, to foster a productive relationship with the Chief Executive Officer and to lead the Board of Directors in the event of any situations requiring urgent responsive attention by the directors. Mr. Neely takes the lead on issues for the Board of Directors to consider and ensures that all issues are properly addressed, with all directors being heard. Because Mr. Neely is a seasoned corporate professional, without day-to-day operational tasks at the Company, he is in a unique position to offer guidance and provide experienced outside views during challenging times.

Audit Committee of the Board of Directors

Mr. Wallis, Mr. Grimm and Mr. Neely are Independent Directors serving on the Company's Audit Committee as of the date of this Proxy Statement. The responsibilities of the Audit Committee include overseeing our financial reporting process, reporting the results of the Audit Committee's activities to the Board of Directors, retaining and ensuring the independence of our auditors, approving services to be provided by our auditors, reviewing our periodic filings with the independent auditors prior to filing, and reviewing and responding to any matters raised by the independent auditors in their management letter. The Audit Committee met five times during the fiscal year ended June 30, 2016; each meeting was attended by all committee members serving as of such date. The respective biographies and qualifications of the Audit Committee members are summarized above under the caption "Proposal No. 1: Election of

Directors.”

Audit Committee Financial Expert

Eddie W. Neely has been designated as the Company’s Audit Committee financial expert. The biography and qualifications of Mr. Neely are summarized above under the caption “Proposal No. 1: Election of Directors.”

Audit Committee Charter

Our Board of Directors has adopted a written charter for the Audit Committee. The Audit Committee will review and assess the adequacy of the Audit Committee charter annually.

Audit Committee Report

Management is responsible for the Company's internal controls and financial reporting process. The independent auditors are responsible for performing an independent audit of the Company's financial statements in accordance with

Table of Contents

auditing standards of the Public Company Accounting Oversight Board - United States (“PCAOB”) and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes and to engage and discharge the Company's auditors. It is not our duty or our responsibility to conduct auditing or accounting reviews or procedures. We may not be, and we may not represent ourselves to be or to serve as, accountants or auditors by profession or experts in the fields of accounting or auditing. Therefore, we have relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States, and on the representations of the independent auditors included in the report on the Company's financial statements. Our oversight does not provide us with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, our considerations and discussions with management and the independent auditors do not assure that the Company's financial statements are presented in accordance with generally accepted accounting principles, that the audit of the Company's financial statements has been carried out in accordance with auditing standards of the PCAOB, or that the Company's independent accountants are in fact “independent.”

In this context, the Audit Committee has met and held discussions separately with management and the independent accountants. Management represented to the Audit Committee that the Company's financial statements were prepared in accordance with accounting principles generally accepted in the United States, and the Audit Committee has reviewed and discussed the financial statements with management and the independent accountants. The Audit Committee discussed with the independent accountants matters required to be discussed by PCAOB Auditing Standard 16, regarding communications with audit committees.

The Company's independent accountants also provided to the Audit Committee the written disclosure required by PCAOB Rule 3526, Communication with Audit Committees Concerning Independence. The Committee discussed with the independent accountants that firm's independence. No non-audit services were provided by the Company's independent accountants in the year ended June 30, 2016.

Based on the Audit Committee's discussion with management and the independent accountants, and the Audit Committee's review of the representations of the management and the report of the independent accounts to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited financial statements in the Company's Annual Report on Form 10-K for the year ended June 30, 2016 filed with the SEC.

Compensation Committee

The Board of Directors currently has a Compensation Committee consisting of Gregory D. Wallis, Todd A. Grimm, and Eddie W. Neely. The Compensation Committee has adopted a written charter for the Compensation Committee, a copy of which is available on the Company's website at <http://www.arcgroupworldwide.com>. The Compensation Committee held one formal meeting during the fiscal year ended June 30, 2016. Nominating & Governance Committee: Nominating Policies and Procedures

In September 2015, the Board of Directors authorized and approved the formation of a nominating and governance committee consisting solely of independent directors (the "Nominating & Governance Committee"). The Independent Directors appointed to the Nominating & Governance Committee by the Board of Directors are Mr. Eddie W. Neely, Mr. Todd A. Grimm, and Mr. Gregory D. Wallis. The Nominating & Governance Committee has adopted a Nominating & Governance Committee Charter which has been ratified by the Board of Directors. The stated purposes of the Nominating & Governance Committee are: (i) to identify and recommend qualified individuals to the Board of

Table of Contents

Directors for nomination as members of the Board of Directors and its committees, consistent with criteria approved by the Board of Directors; (ii) develop, recommend to the board of Directors and periodically review a set of corporate governance principles applicable to the Company; and (iii) assist the Board of Directors in ensuring proper attention and effective response to stockholder concerns regarding corporate governance. The Nominating & Governance Committee held one formal meeting during the fiscal year ended June 30, 2016.

In general, the new Nominating & Governance Committee Charter provides that certain minimum qualifications must be met by each nominee for the Board of Directors, as well as meeting the applicable independence standards required by the SEC and federal securities laws if proposed to serve as an independent director. The nominees must reflect a Company Board of Directors comprised of directors: (i) a majority of whom are independent (as determined under the aforementioned SEC director qualification standards); (ii) who are of high integrity; (iii) who have qualifications that will increase the overall effectiveness of the Board of Directors; and (iv) who meet other requirements as may be required by applicable rules, such as financial literacy or financial expertise with respect to Audit Committee members. In evaluating the qualifications of the nominees, the Nominating & Governance Committee considers many factors, including issues of leadership ability, career success, character, judgment, independence, background, age, expertise, diversity and breadth of experience, length of service, other commitments and similar attributes. The Nominating & Governance Committee evaluates such factors, among others, but does not assign any particular weight or priority to a single aspect of these factors. Also, the Nominating & Governance Committee considers the suitability of each nominee, including the current members of the Board of Directors, in light of the current size and composition of the Board of Directors.

The number of directors of the Company at any time shall be the number of directors nominated by the Nominating & Governance Committee for election at the most recently-held Annual Meeting of shareholders, increased by the number of directors, if any, appointed to the Board of Directors subsequent to the most recently-held Annual Meeting of shareholders pursuant to nomination by the Nominating & Governance Committee and also increased by the number of directors, if any, whose term as a director did not expire at the most recently-held Annual Meeting of shareholders.

The Nominating & Governance Committee shall consider recommendations for nominees to the Board of Directors from shareholders (an "Eligible Shareholder") holding a minimum of \$2,000 in market value, or 1%, of the Company's voting Common Stock, whichever is greater, which stock is held through the date of the meeting electing directors, and which Eligible Shareholder complies with the nomination notice procedures set forth in the Nomination Policies. Nominees recommended by Eligible Shareholders (hereinafter referred to as "Shareholder Candidates") will be evaluated by the Nominating & Governance Committee on the same basis as nominees that may otherwise be identified by the Nominating & Governance Committee, management or, if the Board of Directors permits, a search firm.

For a Shareholder Candidate to be considered by the Nominating & Governance Committee, the Eligible Shareholder and the Shareholder Candidate must comply with the procedures set forth in the Company's Nomination Policies. Recommendations for Shareholder Candidate(s) to be nominated for election to the Board of Directors from an Eligible Shareholder must be directed in writing to ARC Group Worldwide, Inc., Attn: Nominating & Governance

Committee of the Board of Directors, at the Company's principle offices at 810 Flightline Blvd., Deland, FL 32724. The specific recommendations should include the information set forth in the Company's Nomination Policies.

For a recommendation of a Shareholder Candidate to be properly brought before the Nominating & Governance Committee by an Eligible Shareholder, the Eligible Shareholder must have given timely notice thereof in writing to the Nominating & Governance Committee of the Company. To be timely, an Eligible Shareholder's notice must be delivered to the Nominating & Governance Committee not less than one hundred and twenty (120) days prior to the first anniversary of the preceding year's Annual Meeting. In the event that the date of the Annual Meeting is advanced by more than thirty (30) days or delayed by more than sixty (60) days from the anniversary date of the preceding year's Annual Meeting, the notice by the Eligible Shareholder must be delivered not later than the close of business on the later of the sixtieth (60th) day prior to such Annual Meeting or the tenth (10th) day following the day on which public announcement of the date of such Annual Meeting is first made.

The Nominating & Governance Committee will provide a copy of the Nominating Policies and Procedures upon a request in writing from the Eligible Shareholder.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This Compensation Discussion and Analysis addresses the aspects of our compensation programs and explains our compensation philosophy, policies, and practices, with respect to our executive officers, including our Chief Executive Officer and Chief Financial Officer, which we collectively refer to as our Named Executive Officers.

Oversight of Executive Compensation Program

The Compensation Committee of our Board of Directors oversees our executive compensation programs. Each member of the Compensation Committee is an “independent director” as defined by the federal securities laws and in Rule 5605(a)(2) of the Marketplace Rules of The NASDAQ Stock Market LLC. The Compensation Committee is empowered to advise management and make recommendations to the Board of Directors with respect to the compensation and other employment benefits of executive officers and key employees of the Company. The various components of the compensation programs for executive officers are discussed below in “Elements of Executive Compensation Program.”

Objectives of Executive Compensation and What the Programs are Designed to Reward

The Company’s executive compensation program is designed to integrate compensation with the achievement of our short-term and long-term business objectives and to assist us in attracting, motivating and retaining the highest quality executive officers and rewarding them for superior performance.

We believe that the compensation of our executive officers should reflect their success in attaining key operating objectives, such as growth, maintenance of market position, development of new products, maintenance and development of customer relationships and long-term competitive advantage. We also believe that executive compensation should reflect achievement of individual goals established for specific executive officers, as well as specific achievements by such individuals over the course of the year such as development of specific products or customer relationships or agreements or executing or integrating acquisitions and strategic arrangements.

Compensation Consultants

The Compensation Committee did not utilize the services of a compensation consultant in the fiscal year ended June 30, 2016, as the Compensation Committee believed that there was no current need for the services of such consultant with respect to review, assessment and determinations of Company executive compensation.

Elements of Executive Compensation Program

Compensation elements include:

- base salary;
- annual cash or equity incentive awards;
- long-term equity incentive compensation; and
- other health, welfare and pension benefits.

Base Salary

Base salary is designed to provide competitive levels of base compensation to our executives based on their experience, duties and scope of responsibilities. We pay base salaries because it provides a base compensation that is required to recruit and retain executives of the quality that we must employ to ensure the success of our Company.

Table of Contents

Annual Cash or Equity Incentive Awards

Annual incentive compensation is designed to provide competitive levels of compensation based on experience, duties and scope of responsibilities. Incentive awards are influenced by the Company's profitability and achievement of planned profitability, as well as other factors.

Long-Term Equity Incentive Compensation

The Compensation Committee does not have a regular schedule for awarding equity-based compensation and the timing of such awards is subject to the discretion of the Compensation Committee. We do not backdate options or grant options retroactively or stock options with a so-called "reload" feature. In addition, we do not plan to coordinate grants of options so that they are made before the announcement of favorable information, or after the announcement of unfavorable information.

Other Health, Welfare and Retirement Benefits

Employees may participate in our health and welfare benefit programs, including medical, dental and vision care coverage, disability insurance, and life insurance. We provide these benefits to meet the health and welfare needs of employees and their families.

401(k) Plan

The operating entities sponsor a 401(k) plan and match employee contributions as determined by resolution of the Board of Directors on an annual basis. The employer contribution criteria currently varies by operating entity. Our executives are also eligible for the Company matches, subject to regulatory limits on contributions to 401(k) plans.

We do not currently provide pension arrangements or post-retirement health coverage for our executives or employees, although we may consider such benefits in the future. In addition, we do not provide any nonqualified defined contribution or other deferred compensation plans, although we may consider such benefits in the future.

Employment Agreements and Other Post-Employment Payments

Mr. Jason T. Young was re-appointed as our Chief Executive Officer on August 7, 2013. The Company is not party to a written employment agreement with Mr. Young. During the fiscal year ended June 30, 2016, Mr. Young's annual salary was \$395,000 with no bonus paid with respect to such fiscal year. During fiscal year 2016 Mr. Young received compensation of \$15,000 for his services rendered as a member of the Board of Directors of the Company's subsidiary Quadrant Metals Technologies LLC and \$25,000 for his services on the Board of Directors of the Company. The Compensation Committee of the Board of Directors has determined to shift the amounts attributable to Mr. Young's Board services fees to his base salary and to terminate any separate fees for his Board services. The annual base salary of Mr. Young for the 2017 fiscal year will therefore remain an amalgamated amount of \$435,000 which does not reflect any change from his aggregate 2016 fiscal year cash compensation. Mr. Young will be eligible for a fiscal year 2017 discretionary bonus in an amount equal to his 2017 annual base salary. Mr. Young will not receive separate fees for his service as a member of the Board of Directors for fiscal year 2017.

Mr. Kelley was appointed as our Chief Financial Officer effective as of October 7, 2013. The Company is not party to a written employment agreement with Mr. Kelley. Mr. Kelley received \$25,000 in fiscal 2015 and \$18,750 in fiscal 2016 for his services as a member of the Board of Directors. During the 2016 fiscal year, the Compensation Committee of the Board of Directors determined to shift the amounts attributable to Mr. Kelley's Board services fees to his base salary. During the fiscal year ended June 30, 2016, Mr. Kelley's annual salary was responsively adjusted from \$275,000 per annum to \$300,000 per annum with no bonus paid with respect to such fiscal year. The annual base salary of Mr. Kelley for the 2017 fiscal year will remain an amalgamated amount of \$300,000 which does not reflect any change from the aggregate of Mr. Kelley's 2016 fiscal year cash compensation. Mr. Kelley will be eligible for a fiscal year 2017 discretionary bonus in an amount equal to his 2017 annual base salary. Mr. Kelley voluntarily stepped down from the

Table of Contents

Board of Directors on March 31, 2016 to create a vacancy for Mr. Quasha who was appointed as Chairman of the Board on the same date.

Tax Implications of Executive Compensation

We do not currently intend to award compensation that would result in a limitation on the deductibility of a portion of such compensation pursuant to Section 162(m) of the Internal Revenue Code of 1986, as amended; however, we may in the future decide to authorize other compensation in excess of the limits of Section 162(m) if it determines that such compensation is in the best interests of the Company.

Although deductibility of compensation is preferred, tax deductibility is not a primary objective of our compensation programs. We believe that achieving our compensation objectives set forth above is more important than the benefit of tax deductibility and we reserve the right to maintain flexibility in how we compensate our executive officers that may result in limiting the deductibility of amounts of compensation from time to time.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis with management and, based on the review and discussions, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement.

Employment Contracts and Termination of Employment and Change-In-Control Arrangements

We have no compensatory plan or arrangement that results or will result from the resignation, retirement or any other termination of an executive officer's employment with us or from a change-in-control or a change in an executive officer's responsibilities following a change-in-control.

Certain Transactions with Management and Principal Shareholders

We do not employ specific written procedures for the review, approval or ratification of related party transactions involving our directors, officers and employees or their family members, but we consider such transactions on a case-by-case basis. The Company requires that any material related party transactions be disclosed to the independent directors of the Board of Directors who shall review and assess the fairness of such transactions without the participation in the deliberation or voting of any interested parties. The Board of Directors follows fiduciary standards mandated under state law when considering all such matters.

During the past two fiscal years, and subsequent to such period, the Company has been involved with the following related party matters with certain members of management and certain shareholders.

Everest Hill Group Inc. ("Everest Hill Group") owns approximately 48.25% of the shares of ARC. Everest Hill Group also owns Quadrant Management, Inc. ("QMI"). Mr. Alan Quasha and Mr. Jason T. Young are affiliated with QMI as Chairman and Managing Director, respectively. Neither Mr. Alan Quasha nor Mr. Jason Young possess any voting power or powers of disposition over any shares of Company Common Stock owned by Everest Hill Group. Each of Mr. Alan Quasha and Mr. Jason Young serves on the Board of Directors of the Company and the board of directors of ARC subsidiary Quadrant Metals Technologies LLC ("QMT"). In addition to fees paid in consideration for his services as Chairman of the Board of Directors of the Company commencing in fiscal 2016, Mr. Alan Quasha received fees for his services on the board of QMT in the amount of \$15,000 with respect to fiscal year 2015 and \$11,250 with respect to fiscal year 2016. In addition to fees paid in consideration for his services as a member of the Board of Directors of the Company and his executive compensation, Mr. Jason Young received fees for his services on the board of QMT during fiscal year 2015 and fiscal year 2016 in the amount of \$15,000 for each such year.

On November 7, 2014 (the "Closing Date"), the Company and its subsidiaries AFT, ARC Wireless, Inc., Flomet LLC, General Flange & Forge LLC, Tekna Seal LLC, 3D Material Technologies, LLC, and QMT, entered into a subordinated term loan credit agreement, together with McLarty Capital Partners SBIC, L.P. ("McLarty Capital"), as administrative agent, and other lenders from time to time party thereto (the "Subordinated Loan Agreement"), regarding an extension of credit in the form of a subordinated term loan in an aggregate principal amount of \$20,000,000. The subordinated term loan under the Subordinated Loan Agreement will mature five years after the Closing Date. The interest rate set forth in the Subordinated Loan Agreement is 11.00% per annum. Upon an event of default under the

Subordinated Loan Agreement, the interest rate increases automatically by 2.00% per annum. The Subordinated Loan Agreement contains customary representations and warranties, events of default, affirmative covenants and negative covenants and prepayment terms.

Each Mr. Alan G. Quasha, our Chairman of the Board of Directors, and Mr. Jason T. Young, our Chief Executive Officer, has a business relationship with McLarty Capital through their respective capacities as Chief Executive Officer and partner with QMI, which serves as the general partner of McLarty Capital and has investment interests through a limited partner of McLarty Capital. The Board of Directors has therefore determined that each Mr. Quasha and Mr. Young has interests in, or in connection with, the Subordinated Loan Agreement that may be different from the interests of the Company's shareholders generally. The Board of Directors therefore created a special committee of directors (the "Special Committee"), none of whom is an officer or executive of the Company and none of whom has any interest in, or in connection with McLarty or the Subordinated Loan Agreement, that may be different from the interests of the Company's shareholders generally, to independently review, consider, evaluate, and possibly take action with respect to the Subordinated Loan Agreement. The Special Committee consisted of the Company's independent directors Messrs. Eddie W. Neely, Gregory D. Wallis and Todd A. Grimm. The Special Committee was given extensive authority to evaluate and negotiate the Subordinated Loan Agreement, and to make recommendations to the Board of Directors regarding such transaction. The Special Committee was also granted authority to engage its own legal counsel and its own financial

Table of Contents

advisors to negotiate the Subordinated Loan Agreement independently of management. The Board of Directors also determined that it would not enter into the transaction without the authorization of the Special Committee. For purposes of ascertaining the fairness and reasonableness of the transaction with McLarty Capital, the Special Committee reviewed comparative public company information regarding similarly-situated subordinated loan transactions over the 18 months prior to the transaction and summaries of the material terms and conditions applicable to comparable transactions. Following their independent review, the Special Committee determined that it would be in the best interest of the Company and its shareholders for the Company to enter into the Subordinated Loan Agreement and related loan documents.

Except as set forth herein, during the fiscal years ended June 30, 2016, and June 30, 2015, and subsequent to such date through the date hereof, there were no transactions between the Company and its directors, executive officers or known holders of greater than five percent of the Company's Common Stock in which the amount involved exceeded the lesser of \$120,000 or one percent (1%) of the average of our Company's total assets at the applicable year end period, in which any of the foregoing persons had or will have a direct or indirect material interest, and there is no such currently proposed transaction.

PROPOSAL NO. 3: RATIFICATION OF THE SELECTION OF HEIN & ASSOCIATES LLP
TO SERVE AS OUR CERTIFIED INDEPENDENT ACCOUNTANTS
FOR THE YEAR ENDING JUNE 30, 2017.

Independent Registered Public Accounting Firm

On December 15, 2015, the Audit Committee of the Board of Directors dismissed its former certified public accounting firm Grant Thornton LLP (“Grant”) and engaged Hein & Associates LLP (“Hein”) as the Company's independent registered public accountant. Hein previously served as the Company's independent registered public accountant until April 10, 2014. In deciding to select Hein, the Audit Committee reviewed auditor independence issues and existing commercial relationships with Hein and concluded that Hein has no commercial relationship with the Company that would impair its independence.

Grant's audit reports on the Company's consolidated financial statements for the fiscal years ended June 30, 2015 and 2014 did not contain any adverse opinion or disclaimer of opinion, nor were the reports qualified or modified as to uncertainty, audit scope or accounting principles.

During the audit of the Company's June 30, 2015 financial statements, Grant communicated the following deficiencies in internal control over financial reporting which were considered to be material weaknesses:

- The Company's internal controls over financial reporting were not effective to ensure that the accounting for the taxation requirements resulting from operations in the British Virgin Islands were complete and accurate. The Company did not maintain effective controls over the review and analysis of the tax structure and applicable tax compliance regulations at a sufficient level of precision, which resulted in an error. This error, which accumulated over several years as the Company concluded that its wireless subsidiary was not eligible for favorable foreign tax treatment, resulted in an under accrual of approximately \$0.3 million in liability for income taxes as of June 30, 2015. The Company assessed the materiality of this item on previously issued financial statements in accordance with the SEC's Staff Accounting Bulletin (“SAB”) No. 99 and concluded that the error was not material to any of the individual annual or interim periods. The Company has corrected the Consolidated Financial Statements by recording the obligation in the year ended June 30, 2015.
- Insufficient Information Technology and Accounting Infrastructure. Management did not maintain a sufficient complement of information technology personnel with appropriate systems knowledge, experience, and training, which resulted in inadequate segregation of duties, access to computer systems, documentation of policies and procedures, and system maintenance. Management noted that the Company's computer systems are often running on older versions of accounting software with limited functionality that hindered our ability to automate controls.

Additionally, at certain of our manufacturing facilities there are a relatively small number of professionals employed by our Company in bookkeeping and accounting functions, which has resulted in instances of inadequate segregation of duties within our internal control systems. The insufficient information technology and accounting infrastructure resulted in deficiencies in the design and operating effectiveness over financial reporting that are considered a material weakness because they could lead to the untimely identification and resolution of accounting and disclosure matters or could lead to a failure to perform timely and effective reviews at a level of precision necessary to identify a material error.

Despite the material weaknesses, we believe that the consolidated financial statements included in the Annual Report on Form 10-K for the year ended June 30, 2015 present, in all material respects, our financial position, results of operations, changes in stockholders' equity, and cash flows for the periods presented in conformity with U.S. generally accepted accounting principles.

During the fiscal years ended June 30, 2015 and 2014 and through December 15, 2015, there were no disagreements with Grant on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Grant, would have caused them to make reference to the subject matter of the disagreement(s) in connection with its reports on the financial statements for such

years; and other than the material weakness communication above, there were no other “reportable events,” as that term is described in Item 304(a)(1)(v) of Regulation S-K.

The Company provided Grant with a copy of the Form 8-K, as filed with the SEC on December 17, 2015, and requested that Grant furnish a letter addressed to the SEC stating whether or not it agrees with the above statements and, if not, stating the respects in which it does not agree. A copy of such letter, dated December 16, 2015, indicating that Grant is in agreement with such disclosures, was filed as Exhibit 16.1 to the Company’s Form 8-K.

The Board of Directors and its Audit Committee recommends that the shareholders vote in favor of ratifying the selection of the certified public accounting firm of Hein as the auditors who will continue to audit financial statements and perform other approved services for the year ending June 30, 2017, or until the Audit Committee and Board of Directors, in its discretion, replaces them.

An affirmative vote of the majority of shares represented at the meeting is necessary to ratify the selection of auditors. There is no legal requirement for submitting this proposal to the shareholders; however, the Board of Directors believes it is of sufficient importance to seek ratification. Whether the proposal is ratified or defeated, the Board of Directors may reconsider, at its discretion, its selection of Hein. Representatives of Hein are not expected to be present at the Annual Meeting.

The Audit Committee reviews and determines whether specific projects or expenditures with our independent registered public accounting firm (auditor), potentially affects their independence. The Audit Committee’s policy requires that all services the Company's independent registered public accounting firm (auditor) may provide to the Company, including audit services and permitted audit-related services, be pre-approved in advance by the Audit Committee. In the event that an audit or non-audit service requires approval prior to the next scheduled meeting of the Audit Committee, the auditor must contact the Chairman of the Audit Committee to obtain such approval. Any approval will be reported to the Audit Committee at its next scheduled meeting.

PROPOSAL NO. 4: APPROVAL OF THE 2016 EQUITY INCENTIVE PLAN

The Board of Directors recommends that the shareholders vote in favor of approval of the 2016 ARC Group Worldwide, Inc. Equity Incentive Plan (the “Plan”). The purpose of the Plan is to provide incentives to attract, retain and motivate eligible persons to promote the success of the Company. The summary of the Plan set forth below is not complete and is qualified in its entirety to the complete Plan, which is attached hereto as Annex A.

2016 Equity Incentive Plan

In September 2016, our Board of Directors authorized the Plan subject to the approval of our shareholders at the 2016 Annual Meeting.

The Plan shall become effective on the date that the Company shareholders approve the Plan.

Our Plan provides for the grant of stock options, restricted stock, restricted stock units, stock appreciation rights, stock bonuses, performance units and performance shares. The Plan authorizes the grant of incentive stock options, within the meaning of Section 422 of the Code and for the grant of nonstatutory stock options. Incentive stock options may be granted only to our employees. Nonstatutory stock options may be awarded to our employees, directors and consultants and our parent and subsidiary corporations’ employees and consultants.

Authorized Shares. A total of 950,000 shares of our Common Stock have been reserved for issuance pursuant to our Plan.

Plan Administration. Our Board of Directors has designated the Compensation Committee, consisting of Mr. Wallis, Mr. Grimm and Mr. Neely, all of whom are Independent Directors, to administer our Plan (the “Administrator”), provided, however, the Board as a whole shall act as the Administrator with respect to all grants of Awards under the Plan to the Independent Directors. For the purpose of awards intended to qualify as “performance-based compensation” within the meaning of Section 162(m), the committee will at all times consist of two or more “outside directors” within the meaning of Section 162(m). In addition, if we determine it is desirable to qualify transactions under our Plan as exempt under Rule 16b-3 promulgated under the Exchange Act, such transactions will be structured to satisfy the requirements for exemption under Rule 16b-3. Subject to the provisions of our Plan, the Compensation Committee as administrator of our Plan, has the powers to interpret the terms of our Plan and awards granted under it, to create, amend and revoke rules relating to our Plan, including creating sub-plans, and to determine the terms of the awards, including the exercise price, the number of shares subject to each such award, the exercisability of the awards and the form of consideration, if any, payable upon exercise. The Compensation Committee, as administrator of the Plan, also has the discretionary authority to amend existing awards to reduce or increase their exercise prices, to allow participants the opportunity to transfer outstanding awards to a financial institution or other person or entity selected by the

Compensation Committee as administrator of the Plan and to institute an exchange program by which outstanding awards may be surrendered in exchange for awards of the same type which may have a higher or lower exercise price or different terms, awards of a different type and/or cash.

Stock Options. Both incentive stock options and nonstatutory stock options may be granted under our Plan. The exercise price of options granted under our Plan must at least be equal to the fair market value of our Common Stock on the date of grant. The term of an incentive stock option may not exceed ten years, except that with respect to any participant who owns more than 10% of the voting power of all classes of our outstanding stock, the term must not exceed five years and the exercise price must equal at least 110% of the fair market value on the grant date. For nonstatutory stock options, the exercise price must equal at least 100% of the fair market value. The Compensation Committee, as administrator of the Plan, will determine the methods of payment of the exercise price of an option, which may include cash, shares or other property acceptable to the Compensation Committee, as administrator of the Plan, as well as other types of consideration permitted by applicable law. After the termination of service of an employee, director or consultant, he or she may exercise

Table of Contents

his or her option for the period of time stated in his or her option agreement. Generally, if termination is due to death or disability, the option will remain exercisable for 12 months. In all other cases, the option generally will remain exercisable for three months following the termination of service. An option may not be exercised later than the expiration of its term. However, if the exercise of an option is prevented by applicable law the exercise period may be extended under certain circumstances. Subject to the provisions of our Plan, the Compensation Committee, as administrator of the Plan, determines the other terms of options.

Stock Appreciation Rights. Stock appreciation rights may be granted under our Plan. Stock appreciation rights allow the recipient to receive the appreciation in the fair market value of our Common Stock between the exercise date and the date of grant. Stock appreciation rights may not have a term exceeding ten years. After the termination of service of an employee, director or consultant, he or she may exercise his or her stock appreciation right for the period of time stated in his or her stock appreciation rights agreement. However, in no event may a stock appreciation right be exercised later than the expiration of its term. Subject to the provisions of our Plan, the Administrator determines the other terms of stock appreciation rights, including when such rights become exercisable and whether to pay any increased appreciation in cash or with shares of our Common Stock, or a combination thereof, except that the per share exercise price for the shares to be issued pursuant to the exercise of a stock appreciation right will be no less than 100% of the fair market value per share on the date of grant.

Restricted Stock. Restricted stock may be granted under our Plan. Restricted stock awards are grants of shares of our Common Stock that vest in accordance with terms and conditions established by the Administrator. The Administrator will determine the number of shares of restricted stock granted to any employee, director or consultant and, subject to the provisions of our Plan, will determine the terms and conditions of such awards. The Administrator may impose whatever conditions to vesting it determines to be appropriate (for example, the Administrator may set restrictions based on the achievement of specific performance goals or continued service to us); provided, however, that the Administrator, in its sole discretion, may accelerate the time at which any restrictions will lapse or be removed. Recipients of restricted stock awards generally will have voting and dividend rights with respect to such shares upon grant without regard to vesting, unless the Administrator provides otherwise. Shares of restricted stock that do not vest are subject to our right of repurchase or forfeiture.

Restricted Stock Units (“RSUs”). RSUs may be granted under our Plan. RSUs are bookkeeping entries representing an amount equal to the fair market value of one share of our Common Stock. Subject to the provisions of our Plan, the Administrator determines the terms and conditions of RSUs, including the vesting criteria (which may include accomplishing specified performance criteria or continued service to us) and the form and timing of payment. Notwithstanding the foregoing, the Administrator, in its sole discretion, may accelerate the time at which any restrictions will lapse or be removed.

Performance Units and Performance Shares. Performance units and performance shares may be granted under our Plan. Performance units and performance shares are awards that will result in a payment to a participant only if performance goals established by the Administrator are achieved or the awards otherwise vest. The Administrator will establish organizational or individual performance goals or other vesting criteria in its discretion, which, depending on the extent to which they are met, will determine the number and/or the value of performance units and performance shares to be paid out to participants. After the grant of a performance unit or performance share, the Administrator, in its sole discretion, may reduce or waive any performance criteria or other vesting provisions for such performance units or performance shares. Performance units shall have an initial dollar value established by the Administrator on or prior to the grant date. Performance shares shall have an initial value equal to the fair market value of our Common Stock on the grant date. The Administrator, in its sole discretion, may pay earned performance units or performance shares in the form of cash, in shares or in some combination thereof.

Table of Contents

Stock Bonuses. Our Plan also permits the issuance of stock bonuses. The Administrator will determine the number of Shares to be awarded under any stock bonus award and any restrictions thereon. These restrictions may be based upon completion of a specified number of years of service with the Company or upon satisfaction of performance goals based on performance factors during any performance period as set out in advance in the award agreement. Prior to the grant of any stock bonus award the Administrator shall: (a) determine the nature, length and starting date of any performance period for the stock bonus award; (b) select from among the performance factors to be used to measure performance goals; and (c) determine the number of Shares that may be awarded to the participant. Performance periods may overlap and a Participant may participate simultaneously with respect to stock bonus awards that are subject to different Performance Periods and different performance goals and other criteria. No payment from the participant will be required for Shares awarded pursuant to a Stock Bonus Award.

Outside Directors. Our Plan provides that all outside (non-employee) directors will be eligible to receive all types of awards (except for incentive stock options) under our Plan. In order to provide a maximum limit on the awards that can be made to our outside directors, our Plan provides that in any given year, an outside director (i) will not be granted cash-settled awards; and (ii) will not be granted stock-settled awards having a grant-date fair value greater than \$10,000 in connection with his or her initial service. The grant-date fair values will be determined according to GAAP. The maximum limits do not reflect the intended size of any potential grants or a commitment to make grants to our outside directors under our Plan in the future.

Non-Transferability of Awards. Unless the Compensation Committee, as administrator of the Plan, provides otherwise, our Plan generally does not allow for the transfer of awards, and only the recipient of an award may exercise an award during his or her lifetime.

Certain Adjustments. In the event of certain changes in our capitalization, to prevent diminution or enlargement of the benefits or potential benefits available under our Plan, the Compensation Committee, as administrator of the Plan, will adjust the number and class of shares that may be delivered under our Plan and/or the number, class and price of shares covered by each outstanding award, and the numerical share limits set forth in our Plan.

Merger or Change in Control. Our Plan provides that in the event of a merger or change in control, as defined under our Plan, each outstanding award will be treated as the Compensation Committee, as administrator of the Plan, determines, except that if a successor corporation or its parent or subsidiary does not assume or substitute an equivalent award for any outstanding award, then such award will fully vest, all restrictions on such award will lapse and such award will become fully exercisable, if applicable, for a specified period prior to the transaction. The award will then terminate upon the expiration of the specified period of time. If the service of an outside director is terminated on or following a change in control, other than pursuant to a voluntary resignation, his or her options will vest fully and become exercisable.

Amendment; Termination. The Compensation Committee, as administrator of the Plan, has the authority to amend, suspend or terminate our Plan provided such action does not impair the existing rights of any participant. Our Plan automatically will terminate in 2026, unless we terminate it sooner.

Equity Availability. While the use of equity is an important part of our compensation program, we are mindful of our responsibility to our stockholders to exercise judgment in the granting of equity awards. The Plan permits share recycling. Any shares tendered or withheld for the payment of the exercise price or purchase price of an award, or for taxes upon exercise, vesting or earning of an award, and any shares underlying lapsed or terminated options, will again be available for issuance under the Plan.

Clawbacks. Grants under the Plan shall be subject to Company policies on clawbacks by which an award to an officer, employee or director may be rescinded if such person engages in certain types of misconduct, fraud, or other

Table of Contents

detrimental activity. The Compensation Committee shall retain discretion concerning the content of our clawback policy and the use and invocation thereof.

Registration with the SEC. We intend to file a Registration Statement on Form S-8 relating to the issuance of shares of our Common Stock under the Plan with the Securities and Exchange Commission pursuant to the Securities Act of 1933, as amended, as soon as reasonably possible after approval of the Plan by our stockholders.

Adoption of this proposal requires the affirmative vote of the majority of the votes cast in person or by proxy by holders of our Common Stock entitled to vote at the Annual Meeting.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE SHAREHOLDERS VOTE “FOR” PROPOSAL NO. 4 TO APPROVE THE 2016 ARC GROUP WORLDWIDE, INC. EQUITY INCENTIVE PLAN.

SHARES OF COMMON STOCK REPRESENTED BY EXECUTED BUT UNMARKED PROXIES WILL BE VOTED “FOR” THE PLAN. BROKER NON-VOTES WILL BE COUNTED ONLY FOR PURPOSES OF QUORUM AND WILL NOT BE COUNTED FOR, AGAINST OR ABSTAINING FROM PROPOSAL NO. 4.

Annex A

2016 ARC Group Worldwide, Inc. Equity Incentive Plan

1. Purposes of the Plan

The purpose of this Plan is to attract, retain and motivate eligible persons by providing the opportunity to acquire a proprietary interest in the Company and to link their interests and efforts to the long-term interests of the Company's shareholders and to promote the success of the Company's business.

2. Definitions

The following definitions apply to this Plan:

"Administrator" means the Compensation Committee of the Board which shall administer the Plan, provided, however, the Board as a whole shall act as the Administrator with respect to all grants of Awards under the Plan to Outside Directors.

"Affiliate" means with respect to any Person, (i) any other Person that, directly or indirectly, through one or more intermediaries, controls or is controlled by, or is under common control with, such Person or (iii) any other Person in which the Company has a significant equity interest; in either case as determined by the Administrator, whether now or hereafter existing. For purpose of this definitions, "control" (including, with correlative meanings, the terms "controlling," "controlled by" and "under common control with"), as used with respect to any Person, means the possession, directly or indirectly, of the power to direct or cause the direction of the management or policies of such Person, whether through the ownership of voting securities, by agreement or otherwise.

"Award" means, individually or collectively, any right granted under the Plan including Option, Stock Appreciation Right, Restricted Stock, Restricted Stock Unit, Stock Bonus, Performance Unit or Performance Share granted under the Plan.

“Award Agreement” means a written agreement, contract, certificate or other instrument or document evidencing the terms and conditions of an individual Award granted under the Plan which may, in the discretion of the Company, be transmitted electronically to any Participant. Each Award Agreement shall subject to the terms and conditions of the Plan.

“Board” means the Board of Directors of the Company, as constituted at any time.

“Cause” means (i) Participant’s willful failure or refusal to perform in any material respect his or her duties or responsibilities to the Company or deliberate violation of any material policy of the Company, in effect from time to time; (ii) Participant’s commission of any act of fraud, embezzlement, dishonesty or any other willful misconduct that has caused or is reasonably expected to result in material injury to the Company; (iii) unauthorized use or disclosure by Participant of any proprietary information or trade secrets of the Company or any other party to whom the Participant owes an obligation of nondisclosure as a result of his or her relationship with the Company; or (iv) Participant’s willful breach of any of his or her obligations under any written agreement or covenant with the Company. The determination as to whether a Participant is being terminated for Cause shall be made in good faith by the Company and shall be final and binding on the Participant. The foregoing definition does not in any way limit the Company’s ability to terminate a Participant’s employment or consulting relationship at any time as otherwise provided in the Plan, or any Award Agreement or employment agreement or Service Provider agreement, and the term “Company” will be interpreted to include any Subsidiary or Parent, as appropriate. Notwithstanding the foregoing, the foregoing definition of “Cause” may, in part or in whole, be modified or replaced in each individual employment agreement or Service Provider agreement or Award Agreement with any Participant, provided that such document expressly states that it supersedes the foregoing definition.

“Change in Control” means the occurrence of any of the following events:

(i) any “person” (as such term is used in Sections 13(d) and 14(d) of the Exchange Act) becomes the “beneficial owner” (as defined in Rule 13d-3 of the Exchange Act), directly or indirectly, of securities of the Company

representing more than fifty percent (50%) of the total voting power represented by the Company's then-outstanding voting securities; provided, however, that for purposes of this subclause (i) the acquisition of additional securities by any one Person who is considered to own more than fifty percent (50%) of the total voting power of the securities of the Company will not be considered a Change in Control;

(ii) the consummation of the sale or disposition by the Company of all or substantially all of the Company's assets;

(iii) the consummation of a merger or consolidation of the Company with any other corporation, other than a merger or consolidation which would result in the voting securities of the Company outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity or its parent) at least fifty percent (50%) of the total voting power represented by the voting securities of the Company or such surviving entity or its parent outstanding immediately after such merger or consolidation;

(iv) any other transaction which qualifies as a corporate reorganization under Section 424(a) of the Code wherein the shareholders of the Company give up all of their equity interest in the Company (except for the acquisition, sale or transfer of all or substantially all of the outstanding shares of the Company); or

(v) a change in the effective control of the Company that occurs on the date that a majority of members of the Board is replaced during any twelve (12) month period by members of the Board whose appointment or election is not endorsed by a majority of the members of the Board prior to the date of the appointment or election, provided, however, for purpose of this subclause (v), if any Person is considered to be in effective control of the Company, the acquisition of additional control of the Company by the same Person will not be considered a Change in Control.

(A) Persons will be considered to be acting as a group if they are owners of a corporation that enters into a merger, consolidation, purchase or acquisition of stock, or similar business transaction with the Company.

(B) Notwithstanding anything to the contrary herein, to the extent that any amount constituting deferred compensation (as defined in Section 409A of the Code) would become payable under this Plan by reason of a Change in Control, such amount shall become payable only if the event constituting a Change in Control would also qualify as a change in ownership or effective control of the Company or a change in the ownership of a substantial portion of the assets of the Company, each as defined within the meaning of Code Section 409A, as it has been and may be amended from time to time, and any proposed or final Treasury Regulations and IRS guidance that has been promulgated or may be promulgated thereunder from time to time.

(C) A transaction will not constitute a Change in Control if: (i) its sole purpose is to change the state of the Company's incorporation, or (ii) its sole purpose is to create a holding company that will be owned in substantially the same proportions by the persons who held the Company's securities immediately before such transaction.

"Code" means the Internal Revenue Code of 1986, as amended, and all regulations promulgated thereunder.

With respect to Stock Appreciation Rights, only Shares actually issued (i.e., the net Shares issued) pursuant to a Stock Appreciation Right will cease to be available under the Plan; all remaining Shares under Stock Appreciation Rights will remain available for future grant or sale under the Plan (unless the Plan has terminated). Shares that have actually been issued under the Plan under any Award will not be returned to the Plan and will not become available for future distribution under the Plan; provided, however, that if Shares issued pursuant to Awards of Restricted Stock, Restricted Stock Units, Performance Shares or Performance Units are repurchased by the Company or are forfeited to the Company, such Shares will become available for future grant under the Plan. To the extent an Award under the Plan is paid out in cash rather than Shares, such cash payment will not result in reducing the number of Shares available for issuance under the Plan. Notwithstanding the foregoing and, subject to adjustment as provided in Section 15, the maximum number of Shares that may be issued upon the exercise of Incentive Stock Options will equal the aggregate Share number stated in Section 3(a), plus, to the extent allowable under Section 422 of the Code and the Treasury Regulations promulgated thereunder, any Shares that become available for issuance under the Plan pursuant to Section 3(b).

(i) Administration. The Board shall appoint the Compensation Committee of the Board to administer the Plan. Subject to all other terms and conditions of this Plan, and to the direction of the Board, the Administrator will have full power to implement and carry out this Plan, provided, however, the Board shall establish the terms for the grant of any and all Awards to Non-Employee Directors. Separate Committees may administer different aspects of the Plan with respect to different Participants and/or different groups of Service Providers. At the determination of the Administrator, the administration and Awards granted under the Plan will be structured to satisfy the requirements for exemption under Rule 16b-3 promulgated under the Exchange Act.

(ii) Section 162(m). When necessary or desirable for an Award to qualify as “performance-based compensation” under Section 162(m) of the Code, the Committee shall consist solely of two or more Non-Employee Directors who are also Outside Directors and shall approve the grant of such Award and timely determine (as applicable) the Performance Period and any Performance Factors upon which vesting or settlement of any portion of such Award is to be subject. Nothing herein shall create an inference that an Award is not validly granted under the Plan in the event Awards are granted under the Plan by a compensation committee of the Board that does not at all times consist solely of two or more Non-Employee Directors who are also Outside Directors. The Board shall have discretion to determine whether or not it intends to comply with the exemption requirements of Rule 16b-3 promulgated under the Exchange Act and/or Section 162(m) of the Code. However, if the Board intends to satisfy such exemption requirements, with respect to Awards to any covered Employee and with respect to any insider subject to Section 16 of the Exchange Act, the Committee shall be a compensation committee of the Board that at all times consists solely of two or more Non-Employee Directors who are also Outside Directors.

(iii) Grants to Outside Directors. The full Board will make participation and compensation determinations as to Outside Directors.

(b) Powers of the Administrator. The Administrator will have the authority, in its discretion, subject to all other provisions of this Plan, and each other Committee formed by the Board or the Administrator for purposes of administration of the Plan, will have authority in its respective discretion, to take any and all of the following actions:

(i) determine the Fair Market Value and interpret the applicable provisions of this Plan and the definition of Fair Market Value in connection with circumstances that impact the Fair Market Value, if necessary;

(ii) select Persons to receive Awards;

(iii) to determine the number of Shares or other consideration subject to Awards;

(iv) to approve forms of Award Agreements for use under the Plan;

(v) to determine the form and terms and conditions, not inconsistent with the terms of the Plan, of any Award granted hereunder. Such terms and conditions include, but are not limited to, the exercise price, the time or times when Awards may vest and be exercised (which may be based on performance criteria) or settled, any vesting acceleration or waiver of forfeiture restrictions, and any restriction or limitation regarding any Award or the Shares relating thereto, based in each case on such factors as the Administrator will determine;

(vi) to implement and determine the terms and conditions of any Exchange Program;

(vii) to construe and interpret this Plan, any Award Agreement and any other agreement or document executed pursuant to this Plan;

6

(viii) to prescribe, amend and rescind rules and regulations relating to this Plan or any Award;

(ix) to modify or amend each Award and grant waivers, and exercise any and all other discretionary authority permitted under this Plan;

(x) to reduce or waive any criteria with respect to Performance Factors and to adjust Performance Factors to take into account changes in law and accounting or tax rules as the Administrator deems necessary or appropriate to reflect the impact of extraordinary or unusual items, events or circumstances to avoid windfalls or hardships provided that such adjustments are consistent with the regulations promulgated under Section 162(m) of the Code with respect to persons whose compensation is subject to Section 162(m) of the Code;

(xi) to make all other determinations which the Administrator deems necessary and advisable for administering the Plan.

(c) Effect of Administrator's Decision. The Administrator's decisions, determinations and interpretations shall be final and binding on the Company and all persons having an interest in any Award under the Plan.

5. Eligibility

Incentive Stock Options may be granted only to Employees. All other Awards may be granted to Employees, Consultants, Directors and Non-Employee Directors; provided such Consultants, Directors and Non-Employee Directors render bona fide services not in connection with the offer and sale of securities in a capital-raising transaction.

6. Stock Options

(a) Limitations. Each Option will be designated in the Award Agreement as either an Incentive Stock Option or a Nonstatutory Stock Option. However, notwithstanding such designation, to the extent that the aggregate Fair Market Value of the Shares underlying Incentive Stock Options exercisable for the first time by the Participant during any calendar year (including all plans of the Company and any Parent or Subsidiary) exceeds one hundred thousand dollars (\$100,000), all such Options will be construed as Nonstatutory Stock Options. Incentive Stock Options will be

taken into account in the order in which they were granted. The Fair Market Value of the Shares will be determined as of the date the Option for such Shares is granted. If for any reason any Option (or portion thereof) does not qualify as an Incentive Stock Option, then, to the extent of such nonqualification, the Option (or portion thereof) shall be treated as a Nonstatutory Option granted under the Plan. In no event will the Administrator, the Company or any Parent or Subsidiary or any of their respective Employees or Directors have any liability to Participant (or any other Person) due to the failure of the Option to qualify for any reason as an Incentive Stock Option.

(b) Term of Option. The term of each Option will be stated in the Award Agreement. In the case of an Incentive Stock Options the term will be ten (10) years from the date of grant or such shorter term as specified in the respective Award Agreement. Incentive Stock Options granted to a Participant who, at the time the Incentive Stock Option is granted, owns ten percent (10%) or more of the total combined voting power of all classes of stock of the Company or any Parent or Subsidiary will be subject to a five (5) year term from the date of grant or such shorter term as specified in the Award Agreement.

(c) Exercise and Consideration.

(i) Exercise Price. The Exercise Price of an Option will be determined by the Administrator when the Option is granted; provided that: (i) the Exercise Price of an Option will be not less than one hundred percent (100%) of the Fair Market Value of the Shares on the date of grant; and (ii) the Exercise Price of any Incentive Stock Option granted to a ten percent shareholder will not be less than one hundred ten percent (110%) of the Fair Market Value of the Shares on the date of grant. Payment for the Shares purchased may be made in accordance with the respective Award Agreement and in accordance with any procedures established by the Company.

Table of Contents

(ii) Exercise Period and Exercise Dates. Options granted under the Plans will vest and become exercisable according to the terms of the Plan and at such times and under such conditions as determined by the Administrator and set forth in the respective Award Agreement, including, without limitation, the period within which the Option may be exercised and any other conditions which must be satisfied prior to such exercise.

(iii) Consideration. Payment from a Participant for Shares or any other instruments purchased pursuant to an Award made under this Plan may be made in cash or by check or, where expressly approved for the Participant by the Administrator and where permitted by Law (and to the extent not otherwise set forth in the applicable Award Agreement) in the following manner: (1) cash; (2) check; (3) promissory note; (4) other Shares, provided that such Shares have a Fair Market Value on the date of tender equal to the total exercise price of the Shares underlying the Option exercised; (5) consideration received by the Company under a broker-assisted (or other) cashless exercise procedure; (6) any combination of the foregoing; or (7) any other consideration and method of payment acceptable to the Administrator, as determined in its sole discretion, as permitted by applicable Laws.

(d) Exercise of Option.

(i) Method of Exercise. Any Option granted hereunder will be exercisable according to the terms of the Plan and at such times and under such other conditions which are determined as reasonable and necessary by the Administrator and set forth in the Award Agreement. An Option may not be exercised for a fraction of a Share. An Option will be construed as exercised when the Company receives: (i) a notice of exercise (in such form as the Administrator may specify from time to time) from the Person entitled to exercise the Option, and (ii) payment in full for the Shares underlying the Option exercised (together with all applicable taxes). The consideration and method of payment for such exercise may be by any means authorized by the Administrator and permitted by the Award Agreement and the Plan. Shares issued upon exercise of an Option will be issued in the name of the Participant. Until the Shares are issued (as evidenced by the appropriate entry on the registrar of the transfer agent of the Company), no right to vote or receive dividends or any other rights as a shareholder will exist with respect to the Shares subject to an Option, notwithstanding the exercise of the Option. To the extent all conditions of exercise have been satisfied, the Company will cause the Shares to be issued with respect to such exercise as soon as reasonably possible thereafter.

(ii) Termination of Relationship as a Service Provider. If the Participant's Service terminates for any reason except for Cause or the Participant's death or Disability, then the Participant may exercise such Participant's Options only to the extent that such Options would have been exercisable by the Participant on the date Participant's Service terminates not later than ninety (90) days after the date Participant's Service terminates (or such shorter or longer time period as may be determined by the Administrator, with any exercise beyond ninety (90) days after the date Participant's Service terminates deemed to be the exercise of Nonstatutory Stock Option), but in any event not later than the expiration date of the Options. Unless otherwise provided by the Administrator, if on the date of termination the Participant is not vested as to his or her entire Option, the Shares underlying the unvested portion of the Option will no longer be exercisable and may be returned to the Plan by the Administrator. If after termination the Participant does not exercise his or her Option within the time period specified by the Administrator, the Option will expire and the Shares underlying the Option will no longer be available for exercise by the Participant and may be returned to the Plan by the Administrator.

(iii) Disability of Participant. If a Participant ceases to be a Service Provider as a result of the Participant's Disability, the Participant may exercise his or her Option within the period of time specified in the Award Agreement to the extent the Option is vested on the date of termination (but not later than the expiration of the term of the Option as set forth in the Award Agreement). In the absence of a specified exercise term in the Award Agreement, the Option will remain exercisable for three hundred sixty five (365) days following the Participant's termination. If the Participant is not fully vested with respect to the Option, the Shares underlying the unvested portion of the Option will no longer be available for exercise by the Participant and may be returned to the Plan by the Administrator. If after termination the Participant does not exercise his or her Option within the time specified, the Shares underlying by the Option will no longer be available for exercise by the Participant and may be returned to the Plan by the Administrator.

(iv) Death of Participant. If the Participant's Service terminates because of the Participant's death (or the Participant dies within ninety (90) days after Participant's Service terminates other than for Cause or because of the

Table of Contents

Participant's Disability), then the Participant's Options may be exercised only to the extent that such Options would have been exercisable by the Participant on the date Participant's Service terminates and must be exercised by the Participant's legal representative, or authorized assignee, not later than three hundred sixty five (365) days after the date Participant's Service terminates (or such shorter or longer time period as may be determined by the Administrator), but in any event not later than the expiration date of the Options.

(v) Extension if Exercise Prevented by Law. Notwithstanding anything to the contrary in this Plan, if the exercise of an Option is prevented by operation of any applicable Laws, the Option shall remain exercisable for such additional period of time as determined by the Administrator, in its sole discretion, after the date the Participant is notified by the Company that the Option is not exercisable, provided, however, such extended exercise period shall not exceed the term of the Option as stated in the Award Agreement.

(vi) Cause. Notwithstanding anything to the contrary in this Plan, if the Participant is terminated for Cause, then Participant's all outstanding Options (whether or not vested) shall terminate and cease to be exercisable as of Participant's date of termination of Service, or at such later time and on such conditions as determined by the Administrator, but in no event later than the expiration date of the Options. Unless otherwise provided in the Award Agreement, "Cause" shall have the meaning set forth in the Plan.

7. Exceptions to Issuances of Shares

8. Restricted Stock

(a) Grant of Restricted Stock. Subject to the terms and provisions of the Plan, the Administrator, at any time and from time to time, may grant Shares of Restricted Stock to Service Providers in such amounts as the Administrator, in its sole discretion, will determine.

(b)Restricted Stock Agreement. Each Award of Restricted Stock will be evidenced by an Award Agreement that will specify the Period of Restriction, the number of Shares granted, and such other terms and conditions as the Administrator, in its sole discretion, will determine. Unless the Administrator determines otherwise, the Company as escrow agent will hold Shares of Restricted Stock until the restrictions on such Shares have lapsed.

(c)Transferability. Except as provided in this Section 8 or the Award Agreement, Shares of Restricted Stock may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated until the end of the applicable Period of Restriction. (d)Other Restrictions. The Administrator, in its sole discretion, may impose such other restrictions on Shares of Restricted Stock as it may deem advisable or appropriate.

(e)Removal of Restrictions. Prior to the grant of any Stock Bonus Award the Administrator shall: (i) determine the nature, length and starting date of any Performance Period for the Stock Bonus Award; (ii) select from among the Performance Factors to be used to measure Performance Goals; and (iii) determine the number of Shares that may be awarded to the Participant. 13. Outside Director Limitations

(a)Cash-Settled Awards. No Outside Director may be granted, in any fiscal year of the Company, cash-settled Awards.

(b) Stock-Settled Awards. No Outside Director may be granted, in any fiscal year of the Company, stock-settled Awards with a grant date fair value (determined in accordance with U.S. generally accepted accounting principles) of more than \$10,000 in connection with his or her initial service.

14. Transferability of Awards

An Award may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent or distribution. If the Administrator authorizes an Award to be transferable, such Award may contain additional terms and conditions which the Administrator determines are reasonable and necessary and otherwise consistent with the terms and conditions of this Plan.

15. Adjustments; Change In Control

(a) Adjustments. If the number of outstanding Shares is changed by a stock dividend, recapitalization, stock split, reverse stock split, subdivision, combination, reclassification or similar change in the capital structure of the Company, without consideration, the Administrator, in order to maintain the proportionate benefits intended to be made

available under the Plan, will adjust the number of Shares that may be delivered under the Plan and the number and price of Shares underlying each outstanding Award.

(b)Change in Control.

(I)In the event of a merger of the Company with or into another corporation or other entity or a Change in Control, each outstanding Award will be treated as the Administrator determines, including, without limitation, that (i) Awards may be assumed, or substantially equivalent Awards will be substituted, by the acquiring or succeeding corporation (or an affiliate thereof) with appropriate adjustments as to the number and kind of shares and prices; (ii) upon written notice to a Participant, that the Participant's Awards will terminate upon or immediately prior to the consummation of such merger or Change in Control; (iii) outstanding Awards will vest and become exercisable, realizable, or payable, or restrictions applicable to an Award will lapse, in whole or in part prior to or upon consummation of such merger or Change in Control, and, to the extent the Administrator determines, terminate upon or immediately prior to the effectiveness of such merger or Change in Control; (iv) (A) the termination of an Award in exchange for an amount of cash and/or property, if any, equal to the amount that would have been attained upon the exercise of such Award or realization of the Participant's rights as of the date of the occurrence of the transaction (and, for the avoidance of doubt, if as of the date of the occurrence of the transaction the Administrator determines in good faith that no amount would have been attained upon the exercise of such Award or realization of the Participant's rights, then such Award may be terminated by the Company without payment), or (B) the replacement of such Award with other rights or property selected by the Administrator in its sole discretion; or (v) any combination of the foregoing. In taking any of the actions permitted under this subsection 15(b), the Administrator will not be required to treat all Awards similarly in the transaction.

(II)In the event that the successor corporation does not assume or substitute for the Award, the Participant will fully vest in and have the right to exercise all of his or her outstanding Options and Stock Appreciation Rights, including Shares as to which such Awards would not otherwise be vested or exercisable, all restrictions on Restricted Stock and Restricted Stock Units will lapse, and, with respect to Awards with performance-based vesting, all Performance Goals or other vesting criteria will be deemed achieved at one hundred percent (100%) of target levels and all other terms and conditions met. In addition, if an Option or Stock Appreciation Right is not assumed or substituted in the event of a Change in Control, the Administrator will notify the Participant in writing or electronically that the Option or Stock Appreciation Right will be exercisable for a period of time determined by the Administrator in its sole discretion, and the Option or Stock Appreciation Right will terminate upon the expiration of such period.

(III)For the purposes of this subsection (b), an Award will be considered assumed if, following the Change in Control, the Award confers the right to purchase or receive, for each Share subject to the Award immediately prior to the Change in Control, the consideration (whether stock, cash, or other securities or property) received in the Change in Control by holders of Common Stock for each Share held on the effective date of the transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding Shares); provided, however, that if such consideration received in the Change in Control is not solely common stock of the successor corporation or its Parent, the Administrator may, with the consent of the successor corporation, provide for the consideration to be received upon the exercise of an Option or Stock Appreciation Right or upon the

payout of a Restricted Stock Unit, Performance Unit or Performance Share, for each Share subject to such Award, to be solely common stock of the successor corporation or its Parent equal in fair market value to the per share consideration received by holders of Common Stock in the Change in Control.

(IV) Notwithstanding anything in this Section 15(b) to the contrary, an Award that vests, is earned or paid-out upon the satisfaction of one or more Performance Goals will not be considered assumed if the Company or its successor modifies any of such Performance Goals without the Participant's consent; provided, however, a modification to such Performance Goals only to reflect the successor corporation's post-Change in Control corporate structure will not be deemed to invalidate an otherwise valid Award assumption.

(c) Outside Director Awards. With respect to Awards granted to an Outside Director that are assumed or substituted for, if on the date of or following such assumption or substitution the Participant's status as a Director or a director of the successor corporation, as applicable, is terminated other than upon a voluntary resignation by the Participant (unless such resignation is at the request of the acquirer), then the Participant will fully vest in and have the right to exercise

Options and/or Stock Appreciation Rights as to all of the Shares underlying such Award, including those Shares which would not otherwise be vested or exercisable, all restrictions on Restricted Stock and Restricted Stock Units will lapse, and, with respect to Awards with performance-based vesting, all Performance Goals or other vesting criteria will be deemed achieved at one hundred percent (100%) of target levels and all other terms and conditions met.

(d)Dissolution or Liquidation. In the event of the proposed dissolution or liquidation of the Company, the Administrator will notify each Participant as soon as practicable prior to the effective date of such proposed transaction. To the extent it has not been previously exercised, an Award will terminate immediately prior to the consummation of such proposed action.

16. Tax Matters

(a)Withholding Requirements. Whenever Shares are to be issued in satisfaction of Awards granted under this Plan, the Company may require the Participant to remit to the Company, or to the Parent or Subsidiary employing the Participant, an amount sufficient to satisfy applicable U.S. federal, state, local and international withholding tax requirements or any other tax liability legally due from the Participant prior to the delivery of Shares pursuant to exercise or settlement of any Award. Whenever payments in satisfaction of Awards granted under this Plan are to be made in cash, such payment will be net of an amount sufficient to satisfy applicable U.S. federal, state, local and international withholding tax requirements or any other tax liability legally due from the Participant.

(b)Withholding Arrangements. The Administrator, in its sole discretion and pursuant to such procedures as it may specify from time to time and to limitations of applicable Laws, may require or permit a Participant to satisfy such tax withholding obligation or any other tax liability legally due from the Participant, in whole or in part by (without limitation) (i) paying cash, (ii) electing to have the Company withhold otherwise deliverable cash or Shares having a Fair Market Value equal to the minimum statutory amount required to be withheld, (iii) delivering to the Company already-owned Shares having a Fair Market Value equal to the minimum amount required to be withheld or (iv) withholding from the proceeds of the sale of otherwise deliverable Shares acquired pursuant to an Award either through a voluntary sale or through a mandatory sale arranged by the Company. The Fair Market Value of the Shares to be withheld or delivered will be determined as of the date that the taxes are required to be withheld.

(c)Compliance With Code Section 409A. Awards will be designed and operated in such a manner that they are either exempt from the application of, or comply with, the requirements of Code Section 409A such that the grant, payment, settlement or deferral will not be subject to the additional tax or interest applicable under Code Section 409A, except as otherwise determined in the sole discretion of the Administrator. The Plan and each Award Agreement under the Plan is intended to meet the requirements of Code Section 409A and will be construed and interpreted in accordance with such intent, except as otherwise determined in the sole discretion of the Administrator. To the extent that an Award or payment, or the settlement or deferral thereof, is subject to Code Section 409A the Award will be granted, paid, settled or deferred in a manner that will meet the requirements of Code Section 409A, such that the grant,

payment, settlement or deferral will not be subject to the additional tax or interest applicable under Code Section 409A.

17. Employment & Services

(a) Neither the Plan nor any Award will confer upon a Participant any right with respect to continuing the Participant's relationship as a Service Provider with the Company or any Parent or Subsidiary of the Company, nor will they interfere in any way with the Participant's right or the Company's right, or Parent's or Subsidiary's right, to terminate such relationship at any time, with or without cause, to the extent permitted by applicable Laws.

(b) The Company shall not be liable for any foreign currency exchange rate fluctuation that may affect the value of any Option or of any amounts due from the Participant upon exercise of any Option or the subsequent sale of any Shares acquired upon exercise of any Option.

(c) Any and all Options and Shares subject to Options shall not at any time or for any reason be construed as part of any normal or expected compensation or salary by any Participant.

(d)No Participant shall bring any claim or exercise any rights against the Company regarding entitlement to compensation or damages relating to the forfeiture of any Award resulting from the termination of Participant's engagement or cessation of provision of Services as a Service Provider.

18. Date of Grant

The date of grant of an Award will be the date on which the Administrator makes the determination granting such Award, or such other later date determined by the Administrator. Notice of the determination will be provided to each Participant within a reasonable time after the date of such grant.

19. Term

The Plan will become effective upon its approval by the shareholders of the Company. Following approval, the Plan will remain in effect for a term of ten (10) years from the date of its approval by the shareholders, unless terminated earlier under Section 20 of the Plan.

20. Amendment and Termination of the Plan

The Board may at any time terminate or amend this Plan in any respect, including, without limitation, amendment of any form of Award Agreement or instrument to be executed pursuant to this Plan; provided, however, that the Board will not, without the approval of the shareholders of the Company, amend this Plan in any manner that requires such shareholder approval under applicable Laws; provided further, that a Participant's Award shall be governed by the version of this Plan then in effect at the time such Award was granted.

21. Conditions for Issuance of Shares

(a)Legal Compliance. Shares will not be issued pursuant to the exercise of an Award unless the exercise of such Award and the issuance and delivery of such Shares will comply with applicable Laws and will be further subject to the approval of counsel for the Company with respect to such compliance.

(b)Investment Representations. As a condition to the exercise of an Award, the Company may require the Person exercising such Award to represent and warrant at the time of any such exercise that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Company, such a representation is required.

(c)Each Participant who receives an Award shall comply with any and all policies adopted by the Company from time to time covering transactions in the Company's securities by Employees, Officers and/or Directors of the Company.

22. Shareholder Approval

This Plan shall be submitted for the approval of the Company's shareholders, consistent with applicable Laws, within twelve (12) months before or after the date this Plan is adopted by the Board.
