PART III — NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

Goodrich Petroleum Corporation (the “Company”) is unable to file its Quarterly Report on Form 10-Q for the fiscal quarter ended March 31, 2016 (the “First Quarter 2016 Form 10-Q”), with the Securities and Exchange Commission (the “SEC”) within the prescribed time period because of the Company’s inability to timely process the required financial information and related disclosures for such fiscal quarter prior to the filing deadline without unreasonable effort and expense.

As previously disclosed in its Current Report on Form 8-K filed with the SEC on April 15, 2016, the Company and its subsidiary, Goodrich Petroleum Company, L.L.C., filed voluntary petitions (Case No. 16-31975) (the “Bankruptcy Petitions”) seeking relief under Chapter 11 of Title 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for Southern District of Texas to pursue a pre-packaged Chapter 11 plan of reorganization. The significant additional time and resources required for the Bankruptcy Petitions and the related administrative requirements has resulted in the Company being unable to file its First Quarter 2016 Form 10-Q within the prescribed time period without unreasonable effort or expense.

The Company is working diligently to address these issues and anticipates that the First Quarter 2016 Form 10-Q will be filed on or before the fifth calendar day following its prescribed due date, as permitted by Rule 12b-25.

PART IV — OTHER INFORMATION

(1) Name and telephone number of person to contact in regard to this notification.

Robert T. Barker 713	780-9494
(Name)	(Area Code) (Telephone Number)

(2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If answer is no, identify report(s). Yes No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? Yes No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

As a result of the matters discussed in Part III above, the Company is not in a position at this point to provide any specific estimate of anticipated significant changes in results of operations from the three month period ended March 31, 2015 to the three month period ended March 31, 2016 that may be reflected in the financial statements to be included in the Company’s Quarterly Report on Form 10-Q for the three month period ended March 31, 2016.

We, however, anticipate that total revenues for the three month period ended March 31, 2016 will be significantly lower than the three month period ended March 31, 2015, as a result of significantly lower commodity prices and production volumes.

The foregoing statements are based on our current expectations as of the date of this filing and involve a number of risks and uncertainties which may cause actual results to differ, as discussed further below. The risks include, but are not limited to, unexpected changes arising during the quarterly review procedures.

Certain statements contained in this Form 12b-25 include “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements often include words such as “believe,” “expect,” “project,” “anticipate,” “intend,” “plan,” “estimate,” “seek,” “will,” “may,” “would,” “should,” “could,” “if” expressions. These statements are not guarantees of results, and our actual results could differ materially from those expressed in the forward-looking statements due to a variety of important factors, both positive and negative, that could cause material impacts on the Company’s historical or anticipated financial results. The Company therefore cautions you against relying on these forward-looking statements. All forward-looking statements attributable to the Company or persons acting on the Company’s behalf are expressly qualified in their entirety by the foregoing cautionary statements. All such statements speak only as of the date made, and, except as required by law, the Company undertakes no obligation to update or revise publicly any forward-looking statements, whether as a result of new information, future events or otherwise
