This Proxy Statement, the accompanying proxy card and the Notice of Annual Meeting are first being mailed to holders of the Company's Common Stock (as defined below) on or about April 1, 2016.

Matters to Be Voted on at the Annual Meeting

At the Annual Meeting, the following matters will be voted on:

1. The election of the six director nominees identified in this Proxy Statement, each to serve until the next annual meeting of stockholders and until his or her successor is duly elected and qualified;
2. The approval, on an advisory basis, of the Company's executive compensation as disclosed in this Proxy Statement;
3. The ratification of the appointment by the Audit Committee of Deloitte & Touche LLP as the Company's independent registered public accounting firm for the calendar year ending December 31, 2016; and
4. The transaction of such other business as may properly come before the Annual Meeting or any adjournment or postponement thereof.

Stockholders Entitled to Vote

The Board of Directors has fixed March 10, 2016 as the record date for the determination of stockholders entitled to notice of and to vote their shares of the Company's common stock, par value \$0.01 per share (Common Stock), at the Annual Meeting. As of March 10, 2016, the Company had outstanding 237,036,175 shares of Common Stock. Each share of Common Stock entitles its holder to one vote.

Voting at the Annual Meeting

If the accompanying proxy card is properly executed and returned to the Company in time to be voted at the Annual Meeting, it will be voted as specified on the proxy, unless it is properly revoked prior thereto. If no specification is made on the proxy card as to any one or more of the proposals, the shares of Common Stock represented by the proxy will be voted as follows:

TABLE OF CONTENTS

Required Vote

The presence in person or by proxy of stockholders entitled to cast a majority of all the votes entitled to be cast at the Annual Meeting constitutes a quorum for purposes of transacting business at the Annual Meeting. Abstentions and broker non-votes are counted as present and entitled to vote for purposes of determining a quorum. A broker non-vote occurs when a bank, broker or other holder that holds shares for a beneficial owner in street name (each, a record holder) does not vote on a particular proposal because that holder does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner.

Election of each nominee for the six director positions (Proposal 1) requires the affirmative **FOR** vote of a plurality of all votes cast at the Annual Meeting. This means that the director nominee with the most votes for a particular seat is elected for that seat. Votes withheld from one or more director nominees therefore will have no effect on the outcome of the vote with respect to the election of directors. For additional details, including a description of our director resignation policy, see the section of this Proxy Statement entitled Proposal 1: Election of Directors.

The affirmative **FOR** vote of a majority of votes cast at the Annual Meeting is required to approve all other proposals, including the approval, on an advisory basis, of the Company's executive compensation as disclosed in this Proxy Statement (Proposal 2) and the ratification of the appointment of Deloitte & Touche LLP as the Company's independent registered public accounting firm for the calendar year ending December 31, 2016 (Proposal 3). In tabulating the voting result for any particular proposal, abstentions and, if applicable, broker non-votes, are not counted as votes **FOR** or **AGAINST** the proposals.

Although the advisory vote on the Company's executive compensation as disclosed in this Proxy Statement (Proposal 2) is non-binding, the Board will review the results of the vote and will take them into account as appropriate when making decisions regarding executive compensation.

Under the rules of the New York Stock Exchange (the NYSE), a record holder has the authority to vote your shares on certain matters when it does not receive voting instructions from you. Record holders that do not receive voting instructions are entitled to vote on the ratification of the appointment of Deloitte & Touche LLP as the Company's independent registered public accounting firm for the calendar year ending December 31, 2016 (Proposal 3). Absent instructions from you, record holders may not vote on the proposal regarding election of directors (Proposal 1) or on the advisory proposal regarding executive compensation (Proposal 2) and broker non-votes will occur.

How to Vote

You may vote at the Annual Meeting in any of the following ways:

Submitting a Proxy by Telephone or via the Internet: If you are a stockholder of record, you may appoint your proxy by telephone, or electronically via the Internet, by following the instructions on your proxy card. Easy-to-follow prompts allow you to submit a proxy for your shares and confirm that your instructions have been properly recorded. The Company's telephone and Internet proxy submission procedures are designed to authenticate stockholders by using individual control numbers. If you hold your shares in street name, please check your voting instruction card or contact your bank or broker to determine whether you will be able to provide your instructions by telephone or via the Internet.

Submitting a Proxy by Mail: If you are a stockholder of record, you can appoint your proxy by marking, dating and signing your proxy card and returning it by mail in the postage-prepaid envelope provided. If you hold your shares in street name, you can instruct your bank or broker to vote by following the directions on your voting instruction card.

By casting your vote in any of the ways listed above, you are authorizing the individuals listed on the proxy to vote your shares in accordance with your instructions.

Voting in Person at the Annual Meeting: Stockholders of record may vote in person by ballot at the Annual Meeting. Stockholders who own their shares in street name may vote in person at the Annual Meeting only if they provide a legal proxy, executed in their favor, from the holder of record of their shares.

TABLE OF CONTENTS

Please note that even if you plan to attend the Annual Meeting, we encourage you to submit a proxy in advance to ensure your shares are represented. Your voting in person at the Annual Meeting will be a revocation of any previously submitted proxy.

Revocation of Proxies

A person submitting a proxy has the power to revoke it at any time before it is exercised by (a) attending the Annual Meeting and voting in person, (b) duly executing and delivering a proxy bearing a later date prior to the Annual Meeting or (c) sending written notice of revocation to the Company's Secretary at Starwood Property Trust, Inc., 591 West Putnam Avenue, Greenwich, Connecticut 06830, which written notice must be received by the Company's Secretary by 5:00 p.m., Eastern time, on April 25, 2015.

Confidentiality of Voting

The Company keeps all proxies, ballots and voting tabulations confidential as a matter of practice. The Company only lets its proxy solicitor, Innisfree M&A Incorporated (Innisfree), and its Inspector of Election, American Stock Transfer & Trust Company (AST), examine these documents. Occasionally, stockholders provide written comments on their proxy card, which then may be forwarded to the Company's management by AST.

Tabulation of Voting Results

AST, the Company's independent tabulating agent, will count the votes and act as the Inspector of Election at the Annual Meeting.

Solicitation of Proxies

The Company will pay the expenses of soliciting proxies in connection with this Proxy Statement. Proxies may be solicited in person or by mail, telephone, electronic transmission and facsimile transmission on the Company's behalf by directors, officers or employees of the Company or its subsidiaries, without additional compensation. The Company asks brokerage houses and other custodians, nominees and fiduciaries to forward soliciting materials to the beneficial owners of the stock held of record by such persons and to obtain authority to execute proxies, for which the Company will reimburse such persons. Innisfree has been engaged to assist in the solicitation of proxies for the Company for a fee of \$15,000 plus reasonable out-of-pocket expenses. When recording votes by telephone or via the Internet, the Company will use procedures designed to authenticate stockholders' identities, which will allow stockholders to authorize the voting of their shares in accordance with their instructions and confirm that their instructions have been recorded properly.

Attendance at the Annual Meeting

All stockholders of record as of the close of business on the record date, March 10, 2016, may attend the Annual Meeting. Institutional or entity stockholders are permitted to bring one representative. Attendance at the Annual Meeting will be on a first-come, first-served basis upon arrival at the meeting. Proof of stock ownership as of the record date, such as a bank or brokerage statement, and a government-issued photo identification, such as a valid driver's license or passport, will be required for admission to the Annual Meeting.

After the formal business of the Annual Meeting has been concluded and adjourned, the Chairman of the Board of Directors will answer questions from stockholders of record as of the close of business on the record date and their representatives during a designated period. In order to ensure that all stockholders and representatives thereof who wish to speak may have an opportunity, each stockholder or representative thereof will be permitted to ask two

questions and will be limited to two minutes to present each question. Such questions must be confined to matters properly before the Annual Meeting and of general Company concern.

List of Stockholders

A list of stockholders entitled to vote at and attend the Annual Meeting will be available at the Annual Meeting and for ten days prior to the Annual Meeting, between the hours of 9:00 a.m. and 5:00 p.m., Eastern time, at the Company's principal executive offices at Starwood Property Trust, Inc., 591 West Putnam Avenue, Greenwich, Connecticut 06830, by contacting the Secretary of the Company.

TABLE OF CONTENTS

PROPOSAL 1: ELECTION OF DIRECTORS

The Company's Bylaws provide that the Board of Directors may establish, increase or decrease the number of directors, provided that the number of directors shall never be less than the minimum required by the Maryland General Corporation Law nor more than 15. The Company's Board of Directors is currently comprised of six members.

At the Annual Meeting, six directors will be elected to serve on the Board of Directors, each for a one-year term expiring in 2017 and each until his or her respective successor is duly elected and qualified. The shares of Common Stock represented by the accompanying proxy will be voted for the election as directors of the six nominees named below, unless a vote is withheld from any of the six individual nominees. Each nominee has agreed to serve as a director if elected, and the Board of Directors expects that each nominee will be available for election as a director. However, if any nominee becomes unavailable or unwilling to serve as a director for any reason, shares of Common Stock represented by the accompanying proxy will be voted for such other person as the Board of Directors may nominate.

Election of each nominee for the six director positions requires the affirmative **FOR** vote of a plurality of all votes cast at the Annual Meeting. This means that the director nominee with the most votes for a particular seat is elected for that seat. However, pursuant to our Corporate Governance Guidelines, any nominee in an uncontested election who receives a greater number of votes withheld from his or her election than votes for his or her election will, within five days following the certification of the stockholder vote, tender his or her written resignation to the Chairman for consideration by the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee will then review the director's continuation on the Board of Directors and recommend to the Board of Directors whether the Board of Directors should accept such tendered resignation. The Board of Directors will promptly and publicly disclose its decision and, if applicable, the reasons for rejecting the tendered resignation.

Information Concerning the Director Nominees

The Board of Directors has unanimously proposed Richard D. Bronson, Jeffrey G. Dishner, Camille J. Douglas, Solomon J. Kumin, Barry S. Sternlicht and Strauss Zelnick as nominees for election as directors of the Company, each to serve for a one-year term expiring in 2017 and each until his or her respective successor is duly elected and qualified. Each nominee is currently a director of the Company.

We believe all of the nominees are individuals with a reputation for integrity, who demonstrate strong leadership capabilities, and are able to work collaboratively to make contributions to the Board of Directors and management. The Nominating and Corporate Governance Committee, as well as the full Board of Directors, examine a number of qualifications, attributes and criteria when identifying and selecting candidates to serve as a director, including a candidate's experience, skills, expertise, diversity, age, personal and professional integrity, character, business judgment, time availability in light of other commitments, dedication, independence, conflicts of interest and such other relevant factors that the committee considers appropriate in the context of the needs of the Board of Directors, as discussed in the section of this Proxy Statement entitled "Corporate Governance—Board and Committee Meetings—Nominating and Corporate Governance Committee."

Information concerning the names, ages, terms and positions with the Company and business experience of the nominees for election as directors is set forth below. This information includes each nominee's principal occupation as well as a discussion of the specific experience, qualifications, attributes and skills of each nominee that led to the Board's conclusion that the particular nominee should serve as a director. In addition, set forth below is the period during which each nominee has served as a director of the Company. Ages shown for all directors are as of December

31, 2015. The information presented below has been confirmed by each nominee for purposes of its inclusion in this Proxy Statement.

Recommendation of the Board of Directors

The Board of Directors recommends a vote **FOR** the election of each of the nominees for director named above.

TABLE OF CONTENTS**COMPENSATION OF DIRECTORS**

Executive directors do not receive compensation for serving on the Company's Board of Directors. For these purposes, an executive director is a member of the Company's Board of Directors who is also an employee of Starwood Capital Group or an affiliate thereof.

As of May 2015, each non-executive director was entitled to receive the following compensation for service as a member of the Board of Directors and as a member of the committees of the Board of Directors:

- Annual Board of Directors membership cash retainer of \$90,000, payable in quarterly installments in conjunction with quarterly meetings of the Board of Directors;

- Lead Independent Director cash retainer of \$30,000;
- Annual Board equity award of \$110,000, payable in the form of restricted shares of Common Stock that vest on the one-year anniversary of the date of grant, subject to the director's continued service on the Company's Board of Directors, calculated based on the closing price of a share of Common Stock on the date of grant, under the Starwood Property Trust, Inc. Non-Executive Director Stock Plan (the Director Stock Plan); and
- Reimbursement of reasonable travel expenses incurred in connection with attendance at Board of Directors and committee meetings.

The table below summarizes the compensation paid by the Company to its non-executive directors for the calendar year ended December 31, 2015.

total unvested share count of 16,988.

The Compensation Committee and the Board of Directors aim to provide and maintain competitive director compensation levels and minimize the complexity of the Company's fee structure. For 2016, each non-executive director is contemplated to be entitled to receive the same levels of compensation for service as a member of the Board of Directors and as a member of the committees of the Board of Directors as for 2015.

TABLE OF CONTENTS

The Board of Directors has adopted a guideline for equity ownership equal to at least three times the value of the annual cash retainer, or \$270,000. Directors have had five years from the time of the implementation of the guideline in 2011 or, if later, their election to the Board to obtain this level of equity ownership. Restricted stock awards made by the Company in connection with Board and Board committee service may be counted toward achieving the equity ownership guidelines. As of March 10, 2016, 17,791 shares of Common Stock were available for issuance under the Director Stock Plan and 20,764 shares of Common Stock were subject to unvested awards granted under the Director Stock Plan.

We have also entered into an indemnification agreement with each of our directors that provides for indemnification, to the fullest extent permitted by applicable law and subject to certain conditions, with respect to certain expenses and claims that such director incurs or becomes party to by reason of the fact that such director is or was an officer, director, trustee, employee or agent of the Company or any of our subsidiaries or affiliates. Pursuant to such indemnification agreements, our directors may also obtain advancement of certain of such expenses. Such indemnification will be reduced to the extent that such directors are indemnified under the directors' and officers' liability insurance maintained by the Company. A copy of the form of such indemnification agreements is an exhibit to the Company's Annual Report on Form 10-K for the calendar year ended December 31, 2015, as filed with the SEC.

CORPORATE GOVERNANCE

Determination of Director Independence

Pursuant to the Company's Corporate Governance Guidelines, the Board of Directors must be comprised of a majority of directors who qualify as independent directors under the listing standards of the NYSE ("Independent Directors"). The Board of Directors reviews annually the relationships that each director has with the Company (either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company). Following such annual review, only those directors who the Board affirmatively determines have no material relationship with the Company (either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company) will be considered Independent Directors, subject to additional qualifications prescribed under the listing standards of the NYSE or under applicable law. The Board may adopt and disclose categorical standards to assist it in determining director independence. In the event that a director becomes aware of any change in circumstances that may result in such director no longer being considered independent under the listing standards of the NYSE or under applicable law, the director must promptly inform the Chairperson of the Nominating and Corporate Governance Committee.

The Board of Directors considered all relevant facts and circumstances in assessing director independence and has determined that each of Mr. Bronson, Ms. Douglas, Mr. Kumin and Mr. Zelnick is an Independent Director under the listing standards of the NYSE.

In making this determination with respect to Mr. Bronson, the Board of Directors took into account the relationships between the Company and Colony Starwood Homes, in which an affiliate of the Company is a stockholder and of which Mr. Bronson is a trustee. In making this determination with respect to Ms. Douglas, the Board of Directors took into account a joint venture between Starwood Capital Group, an affiliate of the Company, and the LeFrak Organization, for which Ms. Douglas is a Managing Director, which exists for the purpose of building a hotel in Miami, Florida. In making this determination with respect to Mr. Zelnick, the Board of Directors took into account investments of Mr. Sternlicht, our Chairman and Chief Executive Officer, in two ZMC LP-sponsored funds of which Mr. Zelnick is the founder and managing partner, each of which is equal to less than 2% of such funds, as well as Mr. Sternlicht's service on an advisory board of an affiliate of ZMC LP.

Board Leadership Structure and Role in Risk Oversight

Mr. Sternlicht serves as both Chief Executive Officer and as Chairman of the Board of Directors. The Board of Directors believes that this leadership structure is appropriate and has enabled the Company to attract and retain a strong Chief Executive Officer. This structure avoids any lack of clarity over who runs the Company and results in a leader of the Board of Directors with greater substantive knowledge of the Company and the industry in which it operates than would otherwise be the case. The Board of Directors believes the Company's overall corporate governance policies and practices, combined with the strength of the Company's Independent Directors, minimize any potential conflicts that may result from combining the roles of Chief Executive Officer and Chairman. In the Board of Directors' view, splitting the roles would potentially have the consequence of making the Company's management and governance processes less effective than they are today through undesirable duplication of work and, in the worst case, lead to a blurring of the clear lines of accountability and responsibility, without any clear offsetting benefits.

Our Corporate Governance Guidelines contemplate that the Independent Directors will designate one of the Independent Directors to serve as Lead Independent Director. Mr. Bronson currently serves as Lead Independent Director. The Lead Independent Director works with the Chief Executive Officer and Chairman to ensure that the Board of Directors discharges its responsibilities, has structures and procedures in place to enable it to function independently of management and clearly understands the respective roles and responsibilities of the Board of

Directors and management. In addition, the Lead Independent Director's duties include facilitating communication with the Board of Directors and presiding over regularly conducted executive sessions of the Independent Directors and other non-executive directors or sessions where the Chairman is not present. It is the role of the Lead Independent Director to review and approve matters such as meeting agendas, meeting schedule sufficiency and, where appropriate, other information provided to the other directors. The Lead Independent Director serves as the liaison between the Chairman and the Independent Directors; however, all directors are encouraged to, and in fact do, consult with the Chairman on each of the above topics. The Lead Independent

TABLE OF CONTENTS

Director, and each of the other directors, communicates regularly with the Chairman regarding appropriate agenda topics and other matters related to the Board of Directors. The Lead Independent Director has the authority to call meetings of the Independent Directors and is available for consultation and direct communication with major stockholders. In performing these duties, the Lead Independent Director consults with the Chairpersons of the appropriate committees of the Board of Directors and solicits their participation in order to avoid diluting the authority of responsibilities of such committee Chairpersons.

The Board of Directors believes that having a combined Chief Executive Officer and Chairman and a Lead Independent Director having significant and well-defined responsibilities as described above enhances the Chief Executive Officer and Chairman's ability to provide insight and direction on important strategic initiatives to both management and the Independent Directors and, at the same time, ensures that the appropriate level of independent oversight is applied to all decisions of the Board of Directors, and accordingly facilitates the overall functioning of the Board of Directors.

The members of the Nominating and Corporate Governance Committee, the Audit Committee and the Compensation Committee of the Board of Directors, including their respective Chairpersons, are comprised entirely of Independent Directors who serve in oversight roles. Through these committees, the Board is actively involved in oversight of risk, compliance, possible conflicts of interest and related party transactions, and business results. Members of the Board of Directors have access to management and outside advisors; thus, the Chairman is not the sole source of information for the Board of Directors.

The Manager is responsible for the day-to-day management of the risks the Company faces, while the Board, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, the Board has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed. To do this, the Chairman of the Board meets regularly with management to discuss strategy and risks facing the Company. Senior management attends the Board meetings and is available to address any questions or concerns raised by the Board on risk management and any other matters. The Chairman of the Board and independent members of the Board work together to provide strong, independent oversight of the Company's management and affairs through its standing committees and, when necessary, special meetings of Independent Directors.

Board and Committee Meetings

The Board of Directors has four standing committees: an Audit Committee, a Nominating and Corporate Governance Committee, a Compensation Committee and an Investment Committee. The current charters for each of the Audit Committee, Nominating and Corporate Governance Committee and Compensation Committee are available on the Company's website, www.starwoodpropertytrust.com, under the heading "Investor Relations" and the subheading "Corporate Governance." Further, the Company will provide a copy of these charters without charge to each stockholder upon written request. Requests for copies should be addressed to the Company's Secretary at Starwood Property Trust, Inc., 591 West Putnam Avenue, Greenwich, Connecticut 06830.

The following descriptions of the functions performed by the committees of the Board of Directors are general in nature and are qualified in their entirety by reference to the committees' charters.

Audit Committee

The Audit Committee, presently composed of Mr. Zelnick (Chairperson), Mr. Bronson and Ms. Douglas, is responsible for the selection, evaluation and oversight of the Company's independent auditors, as well as oversight of the financial reporting process and internal controls of the Company. Each Audit Committee member is independent

as defined in the NYSE listing standards. The Board of Directors has determined that Mr. Zelnick qualifies as an audit committee financial expert as defined in the applicable U.S. Securities and Exchange Commission (SEC) rules, and the Board of Directors has determined that Mr. Zelnick has accounting and related financial management expertise and that each member of the Audit Committee is financially literate within the meaning of the listing standards of the NYSE. The Audit Committee met four times during the calendar year ended December 31, 2015.

The primary purposes of the Audit Committee are to provide assistance to the Board of Directors in fulfilling its legal and fiduciary obligations with respect to matters involving the accounting, auditing, financial reporting, internal control and legal compliance functions of the Company and its subsidiaries, including, without

TABLE OF CONTENTS

limitation, (a) assisting the Board of Directors oversight of (i) the integrity of the Company's financial statements, (ii) the Company's compliance with legal and regulatory requirements, (iii) the Company's independent auditors qualifications and independence and (iv) the performance of the Company's independent auditors and the Company's internal audit function and (b) preparing the report required to be prepared by the Audit Committee pursuant to the rules of the SEC for inclusion in the Company's annual proxy statement.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee, presently composed of Mr. Zelnick (Chairperson), Mr. Bronson and Ms. Douglas, recommends to the Board of Directors individuals qualified to serve as directors of the Company and on committees of the Board of Directors, advises the Board of Directors with respect to the composition of the Board of Directors, procedures and committees, advises the Board of Directors with respect to the corporate governance principles applicable to the Company and oversees the evaluation of the Board of Directors and the Company's management. Each Nominating and Corporate Governance Committee member is independent as defined in the NYSE listing standards. The Nominating and Corporate Governance Committee met two times during the calendar year ended December 31, 2015.

The Company's Bylaws provide certain procedures that a stockholder must follow to nominate persons for election to the Board of Directors. Nominations for director at an annual stockholder meeting must be submitted in writing to the Company's Secretary at Starwood Property Trust, Inc., 591 West Putnam Avenue, Greenwich, Connecticut 06830. The Secretary must receive the notice of a stockholder's intention to introduce a nomination at an annual stockholder meeting:

- not earlier than the close of business on the 120th day nor later than the close of business on the 90th day prior to the first anniversary of the date of mailing of the notice for the preceding year's annual meeting of stockholders; or
- in the event that the date of the mailing of the notice for the annual meeting of stockholders is advanced or delayed by more than 30 days from the first anniversary of the date of mailing of the notice for the preceding year's annual meeting of stockholders, not earlier than the 120th day prior to the date of mailing of the notice for such annual meeting of stockholders and not later than the close of business on the later of the 90th day prior to the date of mailing of the notice for such annual meeting of stockholders or the tenth day following the day on which disclosure of the date of mailing of the notice for such meeting is first made by the Company.

The deadline for such notice of a stockholder nomination is the same as the deadline for notice of a stockholder proposal submitted outside of Rule 14a-8 with respect to the 2017 annual meeting of stockholders, which is discussed in the section of this Proxy Statement entitled "Stockholder Proposals for the 2017 Annual Meeting." The Bylaws also provide that the stockholder nomination notice must contain all information relating to such nominee that is required to be disclosed in solicitations of proxies for elections of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (the "Exchange Act") (including such person's written consent to being named in the proxy statement as a nominee and to serve as director if elected).

As to the stockholder giving notice and the beneficial owner, if any, on whose behalf the proposal is being made, the notice must include:

- the name and record address of the stockholder, as they appear on the Company's stock ledger, and of such beneficial owner;
- the number of shares of each class of stock of the Company which are owned beneficially and of record by such stockholder and such beneficial owner; and

- any other information relating to the stockholder that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to Section 14 of the Exchange Act.

In considering the qualifications, attributes and criteria for serving as a director of the Company, the Nominating and Corporate Governance Committee examines a candidate's experience, skills, expertise, diversity, age, personal and professional integrity, character, business judgment, time availability in light of other commitments, dedication, independence, conflicts of interest and such other relevant factors that the committee

TABLE OF CONTENTS

considers appropriate in the context of the needs of the Board. Although there is no specific policy on diversity, the Nominating and Corporate Governance Committee also may seek to have the Board represent a diversity of backgrounds and experience.

The Nominating and Corporate Governance Committee identifies potential nominees by asking current directors and executive officers to notify the Nominating and Corporate Governance Committee if they become aware of suitable candidates. The Nominating and Corporate Governance Committee also may, from time to time, engage firms that specialize in identifying director candidates. The Nominating and Corporate Governance Committee will also consider director candidates recommended by stockholders. The Nominating and Corporate Governance Committee's evaluation process does not vary based on whether or not a candidate is recommended by a stockholder. However, in addition to taking into consideration the needs of the Board of Directors and the qualifications of the candidate, the committee may also consider the number of shares held by the recommending stockholder and the length of time that such shares have been held.

Once a person has been identified by the Nominating and Corporate Governance Committee as a potential candidate, the Nominating and Corporate Governance Committee may collect and review publicly available information regarding the person to assess whether the person should be considered further. If the Nominating and Corporate Governance Committee determines that the candidate warrants further consideration, the Chairman or another member of the Nominating and Corporate Governance Committee will contact the person. Generally, if the person expresses a willingness to be considered and to serve on the Board of Directors, the Nominating and Corporate Governance Committee requests information from the candidate and reviews the person's accomplishments and qualifications. The Nominating and Corporate Governance Committee's evaluation process does not vary based on whether or not a candidate is recommended by a stockholder; however, as stated above, the Board of Directors may take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held.

Compensation Committee

The Compensation Committee, presently composed of Mr. Bronson (Chairperson), Mr. Kumin and Mr. Zelnick, oversees the Company's compensation practices, including its executive compensation plans, and its incentive compensation and equity-based plans. The Compensation Committee also oversees the annual review of the Management Agreement, dated as of August 11, 2009, by and among the Company and the Manager, as the same may be amended from time to time (the "Management Agreement"), and oversees the annual review of the Starwood Property Trust, Inc. Manager Equity Plan, the Starwood Property Trust, Inc. Equity Plan (the "Equity Plan") and the Director Stock Plan, each as adopted on August 11, 2009, as the same may be amended from time to time. The primary responsibilities of the Compensation Committee additionally include reviewing and discussing with management the Company's compensation discussion and analysis (the "CD&A") to be included in the Company's annual proxy statement or annual report on Form 10-K filed with the SEC and preparing the Compensation Committee Report as required by the rules of the SEC. The Compensation Committee further oversees the review and approval of general compensation pools and plans for the employees of our LNR Europe/Hatfield Philips International and Real Estate Investing & Servicing business divisions. Each Compensation Committee member is independent as defined in the NYSE listing standards. The Compensation Committee met two times during the calendar year ended December 31, 2015.

The Compensation Committee has authority to determine the compensation payable to the Company's directors and to grant awards under the Company's equity incentive plans and from time to time may solicit recommendations from the Company's executive officers and/or outside compensation consultants in determining the amount or form of such director compensation or awards. The Compensation Committee also has authority to review and, where applicable, approve base salary and target bonus levels to be paid by an affiliate of the Manager and equity-based compensation

to be made to the Company's named executive officers. In determining the amount and form of such compensation, the Compensation Committee seeks recommendations from time to time from the Company's Chairman and Chief Executive Officer and/or outside compensation consultants. The Compensation Committee also oversees risk when it considers granting equity awards to the Manager under the Management Agreement, including with respect to the review of performance-related factors (such as achievement of specified levels of net income) when granting such awards. For example, in evaluating investments and other management strategies, the opportunity to earn incentive compensation based on net income may lead the Manager to place undue emphasis on the maximization of net income at the expense of other criteria, such as preservation of capital, maintaining sufficient liquidity and/or management of credit risk or

TABLE OF CONTENTS

market risk, in order to achieve higher incentive compensation. Investments with higher yield potential are generally riskier or more speculative. As a result, the Compensation Committee evaluates performance-related factors (such as net income) in conjunction with other key risk exposure factors in making grants to the Manager.

Compensation Committee Interlocks and Insider Participation

There were no compensation committee interlocks required to be disclosed during the calendar year ended December 31, 2015. The directors who were members of the Compensation Committee during the calendar year ended December 31, 2015 included Mr. Bronson, Mr. Kumin and Mr. Zelnick, none of whom are, or have been, officers or employees of the Company and none of whom had any relationship requiring disclosure by the Company under Item 404 of Regulation S-K.

Investment Committee

The Investment Committee, currently composed of Mr. Sternlicht (Chairperson), Mr. Dishner, Mr. Kumin and Mr. Zelnick, is responsible for the supervision of our Manager's compliance with our investment guidelines and conducting periodic reviews of our investment portfolio at least quarterly or more frequently as necessary. In addition, any proposed investment valued between \$150 million and \$250 million of our equity capital will require the approval of the Investment Committee, while any proposed investment valued at more than \$250 million of our equity capital will require the approval of the full Board of Directors.

Executive Sessions of Non-Executive and Independent Directors

Executive sessions of the non-executive directors occur regularly during the course of the year. Non-executive directors include all Independent Directors and any other non-management directors. Mr. Bronson, our Lead Independent Director, is responsible for presiding over executive sessions of the non-executive directors. In addition, in the event that the non-executive directors include any director who is not an Independent Director, an executive session of only the Independent Directors will occur at least once a year.

Number of Meetings of the Board of Directors and Attendance in 2015

The Board of Directors met seven times during the calendar year ended December 31, 2015, including both regularly scheduled and special meetings. Each director attended at least 75% of the meetings of the Board of Directors and of the committees of the Board of Directors on which such director served during the period in the calendar year ended December 31, 2015 for which such director served. The Company expects each director serving on its Board of Directors to regularly attend meetings of the Board of Directors and the committees on which such director serves, and to review, prior to meetings, material distributed in advance of such meetings. A director who is unable to attend a meeting is expected to notify the Chairman of the Board of Directors or the chairperson of the appropriate committee in advance of such meeting. The Company expects each director to attend the annual meetings of stockholders and a director who is unable to attend such a meeting (which it is understood will occur on occasion) is expected to notify the Chairman of the Board of Directors in advance of such meeting. Five of our six incumbent directors attended our 2015 annual meeting of stockholders.

Report of the Audit Committee

The Board of Directors has appointed an Audit Committee consisting of three directors. All of the members of the Audit Committee are independent as defined in the NYSE listing standards.

The Audit Committee's job is one of oversight, as set forth in its charter. It is not the duty of the Audit Committee to prepare the Company's financial statements, to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles (GAAP). The independent registered public accounting firm is responsible for auditing the financial statements and expressing an opinion as to whether those audited financial statements fairly present the financial position, results of operations and cash flows of the Company in conformity with GAAP.

The Audit Committee has reviewed and discussed the Company's audited financial statements with management and with Deloitte & Touche LLP, the Company's independent registered public accounting firm for the calendar year ended December 31, 2015. The Audit Committee has also discussed with Deloitte & Touche LLP the other matters required to be discussed under applicable auditing standards.

TABLE OF CONTENTS

The Audit Committee has received from Deloitte & Touche LLP the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding Deloitte & Touche LLP's communications with the Audit Committee concerning independence, has discussed Deloitte & Touche LLP's independence with Deloitte & Touche LLP and has considered the compatibility of non-audit services with independence of the independent registered public accounting firm.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the calendar year ended December 31, 2015 for filing with the SEC.

Respectfully submitted by the Audit Committee of the Board of Directors.

Strauss Zelnick (Chairperson)
Richard D. Bronson

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

None of the named executive officers of the Company is currently an employee of the Company. We are managed by the Manager, pursuant to the terms of the Management Agreement. All of our named executive officers are employees of an affiliate of the Manager. Because the Management Agreement with the Manager provides that the Manager is responsible for managing the Company's affairs, the Company's Chief Executive Officer and each of its other current executive officers (other than Ms. Paniry), each of whom is an executive of Starwood Capital Group or an affiliate thereof, do not receive cash compensation from the Company for serving as the Company's executive officers. Instead, the Company pays the Manager management fees and reimbursements, as described in the section of this Proxy Statement entitled "Certain Relationships and Related Transactions—Management Agreement," and, at the discretion of the Compensation Committee of the Board of Directors, the Company may also grant the Manager equity-based awards, as described in the section of this Proxy Statement entitled "Certain Relationships and Related Transactions—Grants of Equity Compensation to the Manager." Mr. Sternlicht, our Chairman and Chief Executive Officer, does not receive any direct compensation from the Manager or the Company for his services as Chairman and Chief Executive Officer of the Company, and the Company does not reimburse Starwood Capital Group or any of its affiliates for compensation paid to Mr. Sternlicht. Mr. Sternlicht is, however, the controlling equityholder of the parent of the Manager and accordingly has an interest in the fees paid and equity awards granted to the Manager.

The Company also considers the results of the stockholder advisory vote on executive compensation. More than 98% of the votes cast at our 2015 annual meeting of stockholders voted to approve, on an advisory basis, our executive compensation. The Company did not make any change to the Company's executive compensation program in response to this advisory vote.

Cash Compensation

We have not paid directly, and do not intend to pay directly, any cash compensation to our named executive officers (other than Ms. Paniry). Mr. Sossen, the Company's Chief Operating Officer, General Counsel, Chief Compliance Officer, Secretary and Executive Vice President has been seconded to the Company by an affiliate of the Manager under the terms of the Secondment Agreement, dated effective as of January 1, 2014 (the "Sossen Secondment Agreement"), between such affiliate of the Manager and the Company, pursuant to which the Company reimburses the affiliate of the Manager for a portion of its expenses incurred in connection with his service in these roles, including annual base salary and annual cash bonus (as well as employee benefit costs and any related employee withholding taxes). Ms. Paniry, the Company's Chief Financial Officer, Treasurer, Principal Financial Officer and Chief Accounting Officer, has similarly been seconded to the Company by an affiliate of the Manager under the terms of the Secondment Agreement, dated effective as of January 1, 2014 (the "Paniry Secondment Agreement"), among such affiliate of the Manager, the Company and LNR Property, but the Company and certain of its subsidiaries directly pay the expenses incurred in connection with her service in these roles, including annual base salary and annual cash bonus (as well as employee benefit costs and any related employee withholding taxes). For additional details, see the section of this Proxy Statement entitled "Certain Relationships and Related Transactions—Management Agreement—Reimbursement of Expenses."

Mr. DiModica's annual base salary for 2015 was \$400,000 and his cash bonus for 2015 was \$1,800,000. Mr. Sossen's annual base salary for 2015 was \$350,000 and his cash bonus for 2015 was \$1,200,000. Ms. Paniry's annual base salary for 2015 was \$600,000 and her cash bonus for 2015 was \$800,000.

Mr. Dimodica's, Mr. Sossen's and Ms. Paniry's annual base salaries were recommended by our Chairman and Chief Executive Officer in consultation with the Manager based on a general understanding of compensation practice in our

industry, as well as anticipated salary requirements of other candidates who could potentially fill the positions. The Compensation Committee reviewed Mr. DiModica's annual base salary for 2015 and reviewed and approved Mr. Sossen's and Ms. Paniry's annual base salaries for 2015. Mr. DiModica's, Mr. Sossen's and Ms. Paniry's cash bonuses for 2015 were recommended by our Chairman and Chief Executive Officer in consultation with the Manager, with the assistance of Meridian Compensation Partners, LLC (Meridian), the Compensation Committee's independent outside compensation consultant, based upon a review of compensation paid by the Compensation Peer Group (as defined below) for comparable positions as well as broader industry compensation levels (including an evaluation of industry survey data provided by Meridian), as described below

TABLE OF CONTENTS

under —Independent Compensation Consultant. The Compensation Committee reviewed Mr. DiModica's cash bonus for 2015 and reviewed and approved Mr. Sossen's and Ms. Paniry's cash bonuses for 2015. In approving Mr. Sossen's and Ms. Paniry's cash bonuses, the Compensation Committee targeted amounts approximately equal to the midpoint of the market data, including Compensation Peer Group and survey data.

Approximately 26% of the cash compensation paid to our named executive officers was for fixed pay (i.e., base salary) and approximately 74% was for incentive pay (i.e., cash bonus). The Compensation Committee did not apply any fixed metrics in determining the amount of the applicable cash bonuses to be paid for 2015. Rather it took into consideration a range of factors, including the performance of the Company's common stock, profitability of the Company, investment activity of the Company, management of the Company's capital structure and acquisitions and dispositions completed during the year.

Equity-Based Compensation

The Compensation Committee may, from time to time pursuant to our equity incentive plans, grant our named executive officers certain equity-based awards, including stock options, restricted shares of Common Stock, restricted stock units, dividend equivalent rights and other equity-based awards. These awards are designed to align the interests of our named executive officers with those of our stockholders, by allowing our named executive officers to share in the creation of value for our stockholders through capital appreciation and dividends. These equity awards are generally subject to vesting requirements over a number of years, and are designed to promote the retention of management and to achieve strong performance for the Company. These awards provide a further benefit to us by enabling our Manager to attract, motivate and retain talented individuals to serve as our executive officers.

In 2015, the Company granted 43,725 restricted shares of Common Stock to Mr. Sossen, which have vested or will vest in 50% installments on March 18, 2016 and September 18, 2017, subject to Mr. Sossen's continued service to the Company, pursuant to the Equity Plan. In 2015, the Company granted 34,897 restricted shares of Common Stock to Ms. Paniry, of which (i) 32,794 restricted shares have vested or will vest in 50% installments on March 18, 2016 and September 18, 2017 and (ii) 2,103 restricted shares will vest annually in equal amounts over a three-year period that began on March 16, 2016, subject to Ms. Paniry's continued service to the Company, pursuant to the Equity Plan. In determining the equity-based awards for 2015, the Compensation Committee did not apply any fixed metrics. Rather, similar to its determination of the applicable cash bonuses for 2015, it took into consideration a range of factors, including the performance of the Company's common stock, profitability of the Company, investment activity of the Company, management of the Company's capital structure and acquisitions and dispositions completed during the year. Mr. Sossen's and Ms. Paniry's equity-based awards for 2015 were recommended by our Chairman and Chief Executive Officer. The Compensation Committee also considered input from Meridian, its independent outside compensation consultant, as described below under —Independent Compensation Consultant.

In addition, in 2015, our Manager granted 102,208 restricted stock units to Mr. DiModica, which will vest in annual installments over a three-year period that began on March 31, 2015.

Indemnification

We have also entered into an indemnification agreement with each of our named executive officers that provides for indemnification, to the fullest extent permitted by applicable law and subject to certain conditions, with respect to certain expenses and claims that such named executive officer incurs or becomes party to by reason of the fact that such named executive officer is or was an officer, director, trustee, employee or agent of the Company or any of our subsidiaries or affiliates. Pursuant to such indemnification agreements, our named executive officers may also obtain advancement of certain of such expenses. Such indemnification will be reduced to the extent that such directors are indemnified under the directors' and officers' liability insurance maintained by the Company. A copy of the form of

such indemnification agreements is an exhibit to the Company's Annual Report on Form 10-K for the calendar year ended December 31, 2015, as filed with the SEC.

Role of Compensation Committee

The Compensation Committee reviews and, where applicable, approves base salary and target bonus levels as well as any equity-based awards to be made to our named executive officers based on recommendations from the Company's Chairman and Chief Executive Officer and outside compensation consultants. Information on the

Role of Chief Executive Officer

As noted above, the Compensation Committee is responsible for reviewing and, where applicable, approving compensation for our named executive officers. Our Chairman of the Board and Chief Executive Officer, Mr. Sternlicht, annually reviews the performance of each member of senior management (other than Mr. Sternlicht's own performance). Recommendations based on these reviews, including salary adjustments, annual bonuses and equity-based grants, if any, are presented by Mr. Sternlicht to the Compensation Committee. All decisions for 2015 made by the Compensation Committee with respect to the named executive officers (other than Mr. Sternlicht) were

made after deliberation with Mr. Sternlicht. As noted elsewhere in this Proxy Statement, Mr. Sternlicht does not receive any direct compensation for his services as Chairman and Chief Executive Officer of the Company, and the Company does not reimburse Starwood Capital Group or any of its affiliates for compensation paid to Mr. Sternlicht. Mr. Sternlicht is, however, the controlling equityholder of the parent of the Manager and accordingly has an interest in the fees paid and equity awards granted to the Manager.

TABLE OF CONTENTS

In addition, at various times during the year at the request of the Compensation Committee, Mr. Sternlicht, our Chairman and Chief Executive Officer, attended Compensation Committee meetings, or portions of Compensation Committee meetings, to provide the Compensation Committee with information regarding the Company's operational performance, financial performance or other topics requested by the Compensation Committee to assist the Compensation Committee in making its compensation decisions.

Role of Manager

As noted elsewhere in this Proxy Statement, the Company does not pay any cash compensation to our named executive officers (other than Ms. Paniry). Rather, cash compensation is paid to such named executive officers, other than Mr. Sternlicht, by the Manager or its affiliates. Mr. Sternlicht receives no cash compensation for his service as our Chairman and Chief Executive Officer, although, as the controlling equityholder of the parent of the Manager, he has an interest in the fees paid and equity awards granted to the Manager. The Company reimburses an affiliate of the Manager for a portion of Mr. Sossen's cash compensation, in a total amount for 2015 of \$1,550,000. No reimbursement is made for Mr. DiModica's cash compensation. In addition, equity awards are granted to Mr. DiModica by the Manager or its affiliates. No portion of the management fee is allocated to compensation paid by the Manager or its affiliates to our named executive officers.

The Manager provides the day-to-day management of the Company's operations. This arrangement enables the Company to have access to the Manager's more than 1,500 employees around the globe to provide transaction flow and insight into economic and local market trends. In addition, this arrangement gives the Company access to the Manager's seasoned executive team, which has an average of 29 years of industry experience. We believe that this arrangement has contributed significantly to our success. The management fee compensates the Manager for these services that it provides to the Company.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the CD&A included in this Proxy Statement with management. Based on that review and discussion, the Compensation Committee recommended to the Board of Directors that the CD&A be included in this Proxy Statement.

Respectfully submitted by the Compensation Committee of the Board of Directors.

Potential Payments upon Termination of Employment

The Company does not have any employment agreements with any of its named executive officers and is not obligated to make any payments to them upon termination of employment. In the event that the employment of a named executive officer of the Company is terminated, such named executive officer will forfeit any and all unvested restricted stock awards that he or she has been granted by the Company under the Equity Plan.

Potential Post-Employment Payments and Payments upon Change in Control

None of the Company's named executive officers has the right to terminate employment and receive severance payments from the Company and the Company is not required to make payments to a named executive officer upon a change of control. However, all unvested restricted stock awards that the Company has granted under the Equity Plan will vest immediately upon a change of control (as defined in the Equity Plan). Assuming for the sake of analysis that the triggering event took place on December 31, 2015, the value of the vested restricted stock awards for each named executive officer would be the same as the respective values set forth in the second column of the table presented in the section of this Proxy Statement entitled —Outstanding Equity Awards at December 31, 2015.

We have not included tables for pension benefits or nonqualified deferred compensation because, due to the limited nature of our compensation program, we have nothing to report with respect to these items.

Section 16(a) of the Exchange Act requires the Company's directors, executive officers and persons beneficially owning more than ten percent of a registered class of the Company's equity securities to file reports of beneficial ownership and changes in such ownership on Forms 3, 4 and 5 with the SEC and the NYSE. These persons are also required to furnish the Company with copies of all Forms 3, 4 and 5 that they file. Based solely on the Company's review of the copies of such Forms it has received, the Company believes that all its executive officers, directors and greater than ten percent beneficial owners complied with all filing requirements applicable to them during the calendar year ended December 31, 2015, other than the filing of (a) a Form 4 for Ms. Paniry reporting one transaction, which was inadvertently filed late on March 24, 2015 on behalf of Ms. Paniry, (b) a Form 4 for Mr. Sternlicht reporting one transaction, which was inadvertently filed late on May 28, 2015 on behalf of Mr. Sternlicht, (c) a Form 4 for Ms. Paniry reporting one transaction, which was inadvertently filed late on July 6, 2015 on behalf of Ms. Paniry and (d) a Form 4 for Mr. DiModica reporting 19 transactions, which was inadvertently filed late on September 28, 2015 on behalf of Mr. DiModica. The Company has recently evaluated the cause of such delinquent filings and is putting in place controls to prevent future delinquent filings.

**PROPOSAL 2:
ADVISORY VOTE ON EXECUTIVE COMPENSATION**

Pursuant to Section 14A of the Exchange Act, we are providing stockholders with an opportunity to vote to approve, on an advisory basis, the compensation of our named executive officers as disclosed in this Proxy Statement. The advisory vote on executive compensation described in this proposal is commonly referred to as a say-on-pay vote. More than 98% of the votes cast at the 2015 annual meeting of stockholders voted to approve our executive compensation. At the 2011 annual meeting of stockholders, we asked our stockholders to indicate if we should hold an advisory vote on the compensation of our named executive officers every one, two or three years (a vote commonly referred to as a say-on-frequency vote). Because at such 2011 annual meeting of stockholders our stockholders voted in favor of an annual advisory vote, we again are asking our stockholders to approve the compensation of our named executive officers as disclosed in this Proxy Statement in accordance with the SEC's rules. While we plan to hold another say-on-frequency vote at our 2017 annual meeting of stockholders, we expect to hold a say-on-pay vote on an annual basis in the foreseeable future.

As described in the CD&A included in this Proxy Statement, none of the named executive officers of the Company are employees of the Company and the Company has not directly paid, and does not intend to directly pay, any cash compensation to the named executive officers (other than Ms. Paniry). However, we are charged by an affiliate of the Manager for certain of its expenses incurred in employing certain of our named executive officers. Additionally, from time to time we may grant to our named executive officers equity-based awards pursuant to our equity incentive plans, which we believe serve to align the interests of named executive officers with the interests of our stockholders in receiving attractive risk-adjusted dividends and growth.

This proposal gives our stockholders the opportunity to express their views on the overall compensation of our named executive officers and the philosophy, policies and practices described in this Proxy Statement. For the reasons discussed above, we are asking our stockholders to indicate their support for our named executive officer compensation by voting **FOR** the following resolution at the Annual Meeting:

RESOLVED, that Starwood Property Trust, Inc.'s stockholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the Proxy Statement pursuant to the compensation disclosure rules of the U.S. Securities and Exchange Commission, which disclosure includes the Compensation Discussion and Analysis, the Summary Compensation Table and the other related tables and disclosure.

The say-on-pay vote is an advisory vote, and therefore it will not bind the Company or our Board of Directors. However, the Board of Directors and the Compensation Committee will consider the voting results as appropriate when making decisions regarding executive compensation.

Recommendation of the Board of Directors

The Board of Directors recommends a vote **FOR** the approval, on an advisory basis, of the compensation of our named executive officers as disclosed in this Proxy Statement.

**PROPOSAL 3:
RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Proposed Independent Registered Public Accounting Firm

Deloitte & Touche LLP, independent certified public accountants, served as the independent registered public accounting firm of the Company and its subsidiaries for the calendar year ended December 31, 2015. The Audit Committee has appointed Deloitte & Touche LLP to be the Company's independent registered public accounting firm for the calendar year ending December 31, 2016 and has further directed that the appointment of the independent registered public accounting firm be submitted for ratification by the stockholders at the Annual Meeting.

Although there is no requirement that Deloitte & Touche LLP's appointment be terminated if the ratification fails, the Audit Committee will consider the appointment of other independent registered public accounting firms if the stockholders choose not to ratify the appointment of Deloitte & Touche LLP. The Audit Committee may terminate the appointment of Deloitte & Touche LLP as our independent registered public accounting firm without the approval of the stockholders whenever the Audit Committee deems such termination appropriate.

Representatives of Deloitte & Touche LLP are expected to be present at the Annual Meeting. The representatives of Deloitte & Touche LLP will be given the opportunity to make a statement, if they so desire, and will be available to respond to appropriate questions from stockholders.

Recommendation of the Board of Directors

The Board of Directors and its Audit Committee recommend a vote **FOR** the ratification of the appointment of Deloitte & Touche LLP as the independent registered public accounting firm for the Company for the calendar year ending December 31, 2016.

Pre-Approval Policies for Services of Independent Registered Public Accounting Firm

In accordance with Audit Committee policy and requirements of law, the Audit Committee pre-approves all services to be provided by the independent registered public accounting firm, including all audit services, audit-related services, tax services and other services. In some cases, the full Audit Committee provides pre-approval for up to a year, related to a particular defined task or scope of work and subject to a specific budget. The Audit Committee has authorized its Chairperson to pre-approve additional services and, if the Chairperson of the Audit Committee pre-approves a service pursuant to this authority, he or she reviews the matter with the full Audit Committee at its next regularly scheduled meeting. To avoid potential conflicts of interest, the law prohibits a publicly traded company from obtaining certain non-audit services from its independent registered public accounting firm. The Company obtains these services from other firms as needed.

For the calendar years ended December 31, 2015 and 2014, all services provided by Deloitte & Touche LLP were pre-approved by the Audit Committee pursuant to such policies.

Procedures

Requests or applications to provide services that require specific approval by the Audit Committee or its Chairperson will be submitted to the Audit Committee or its Chairperson, as the case may be, by both the independent registered public accounting firm and the Company's Chief Financial Officer, and must include a joint statement as to whether, in their view, the request or application is consistent with the rules of the SEC on auditor independence and the requested services are not non-audit services prohibited by the SEC.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Management Agreement

The Company is party to the Management Agreement with the Manager, pursuant to which the Manager provides the day-to-day management of the Company's operations. The Management Agreement requires the Manager to manage the Company's business affairs in conformity with the policies and the investment guidelines that are approved and monitored by the Company's Board of Directors. The Management Agreement had an initial three-year term and is now renewed for one-year terms unless terminated by either the Company (upon payment of a termination fee if terminated without cause per the terms of the Management Agreement) or the Manager.

Base Management Fee

The Company pays the Manager a base management fee in an amount equal to 1.5% of the Company's stockholders equity, per annum, calculated and payable quarterly in arrears in cash. For purposes of calculating the base management fee, the Company's stockholders' equity means: (a) the sum of (i) the net proceeds from all issuances of the Company's equity securities since inception (allocated on a pro rata basis for such issuances during the calendar quarter of any such issuance), plus (ii) the Company's retained earnings at the end of the most recently completed calendar quarter (without taking into account any non-cash equity compensation expense incurred in current or prior periods), less (b) any amount that the Company has paid to repurchase its Common Stock since inception. It also excludes (1) any unrealized gains and losses and other non-cash items that have impacted stockholders' equity as reported in the Company's financial statements prepared in accordance with GAAP, and (2) one-time events pursuant to changes in GAAP, and certain non-cash items not otherwise described above, in each case after discussions between the Manager and the Company's Independent Directors and approval by a majority of the Company's Independent Directors. As a result, the Company's stockholders' equity, for purposes of calculating the management fee, could be greater or less than the amount of stockholders' equity shown on the Company's financial statements. The Manager uses the proceeds from its management fee in part to pay compensation to its officers and personnel who, notwithstanding that certain of them also are the Company's officers, receive no cash compensation directly from the Company. The management fee is payable independent of the performance of the Company's portfolio.

The management fee of the Manager is calculated within 30 days after the end of each quarter and such calculation is promptly delivered to the Company. The Company is obligated to pay the management fee in cash within five business days after delivery to the Company of the written statement of the Manager setting forth the computation of the management fee for such quarter.

Incentive Fee

The Company pays the Manager an incentive fee with respect to each calendar quarter (or part thereof that the Management Agreement is in effect) in arrears. The incentive fee will be an amount, not less than zero, equal to the difference between (a) the product of (i) 20% and (ii) the difference between (1) the Company's Core Earnings (as defined below) for the previous 12-month period, and (2) the product of (A) the weighted average of the issue price per share of Common Stock of all of the Company's public offerings of Common Stock multiplied by the weighted-average number of all shares of Common Stock outstanding (including any restricted stock units, any restricted shares of Common Stock and any other shares of Common Stock underlying awards granted under the Company's equity incentive plans) in the previous 12-month period, and (B) 8% and (b) the sum of any incentive fee paid to the Manager with respect to the first three calendar quarters of such previous 12-month period; provided, however, that (x) no incentive fee is payable with respect to any calendar quarter unless Core Earnings for the 12 most recently completed calendar quarters is greater than zero and (y) as provided in an amendment to the Management Agreement entered into on December 4, 2014 to account for the SWAY Spin-Off (as defined below), for purposes of

clause (a)(i)(2)(A) above, on and after January 31, 2014, the computation of the weighted-average issue price per share of Common Stock is decreased to give effect to the book value per share on January 31, 2014 of the assets of SWAY, and the computation of the average number of shares of Common Stock outstanding is decreased by the weighted-average number of shares of SWAY distributed in the SWAY Spin-Off on January 31, 2014.

Core Earnings is a non-GAAP measure and is defined as GAAP net income (loss) excluding (a) non-cash equity compensation expense, (b) the incentive fee, (c) depreciation and amortization of real estate and associated

TABLE OF CONTENTS

intangibles, (d) losses on extinguishment of debt, (e) acquisition costs associated with successful acquisitions, (f) any unrealized gains, losses or other non-cash items recorded in net income for the period, regardless of whether such items are included in other comprehensive income or loss, or in net income, (g) one-time events pursuant to changes in GAAP and (h) certain other non-cash adjustments, in each case after discussions between the Manager and the Company's Independent Directors and after approval by a majority of the Company's Independent Directors.

Reimbursement of Expenses

The Company is required to reimburse the Manager for the expenses described below. Expense reimbursements to the Manager are made in cash on a monthly basis following the end of each month. The Company's reimbursement obligation is not subject to any dollar limitation. Because the Manager's personnel perform certain legal, accounting, due diligence tasks and other services that outside professionals or outside consultants otherwise would perform, the Manager is paid or reimbursed for the documented cost of performing such tasks, provided that such costs and reimbursements are in amounts which are no greater than those which would be payable to outside professionals or consultants engaged to perform such services pursuant to agreements negotiated on an arm's-length basis.

The Company also pays all operating expenses, except those specifically required to be borne by the Manager under the Management Agreement. The expenses required to be paid by the Company include, but are not limited to:

- expenses in connection with the issuance and transaction costs incident to the acquisition, disposition and financing of the Company's investments;
- costs of legal, tax, accounting, consulting, auditing and other similar services rendered for the Company by providers retained by the Manager or, if provided by the Manager's personnel, in amounts which are no greater than those which would be payable to outside professionals or consultants engaged to perform such services pursuant to agreements negotiated on an arm's-length basis;
- the compensation and expenses of the Company's directors and the cost of liability insurance to indemnify the Company's directors and officers;
- costs associated with the establishment and maintenance of any of the Company's credit facilities, other financing arrangements, or other indebtedness of the Company (including commitment fees, accounting fees, legal fees, closing and other similar costs) or any of the Company's securities offerings;
- expenses connected with communications to holders of the Company's securities or of the Company's subsidiaries and other bookkeeping and clerical work necessary in maintaining relations with holders of such securities and in complying with the continuous reporting and other requirements of governmental bodies or agencies, including, without limitation, all costs of preparing and filing required reports with the SEC, the costs payable by the Company to any transfer agent and registrar in connection with the listing and/or trading of the Company's stock on any exchange, the fees payable by the Company to any such exchange in connection with its listing, costs of preparing, printing and mailing the Company's annual report to its stockholders and proxy materials with respect to any meeting of the Company's stockholders;
- costs associated with any computer software or hardware, electronic equipment or purchased information technology services from third party vendors that is used for the Company;
- expenses incurred by managers, officers, personnel and agents of the Manager for travel on the Company's behalf and other out-of-pocket expenses incurred by managers, officers, personnel and agents of the Manager
- in connection with the purchase, financing, refinancing, sale or other disposition of an investment or establishment and maintenance of any of the Company's securitizations or any of the Company's securities offerings;
- costs and expenses incurred with respect to market information systems and publications, research publications and materials and settlement, clearing and custodial fees and expenses;
- compensation and expenses of the Company's custodian and transfer agent, if any;

TABLE OF CONTENTS

- the costs of maintaining compliance with all federal, state and local rules and regulations or any other regulatory agency;
- all taxes and license fees;
- all insurance costs incurred in connection with the operation of the Company's business except for the costs attributable to the insurance that the Manager elects to carry for itself and its personnel;
- costs and expenses incurred in contracting with third parties;
- all other costs and expenses relating to the Company's business and investment operations, including, without limitation, the costs and expenses of acquiring, owning, protecting, maintaining, developing and disposing of investments, including appraisal, reporting, audit and legal fees;
- expenses relating to any office(s) or office facilities, including, but not limited to, disaster backup recovery sites and facilities, maintained for the Company or its investments separate from the office or offices of the Manager;
- expenses connected with the payments of interest, dividends or distributions in cash or any other form authorized or caused to be made by the Board of Directors to or on account of holders of the Company's securities or of the Company's subsidiaries, including, without limitation, in connection with any dividend reinvestment plan;
- any judgment or settlement of pending or threatened proceedings (whether civil, criminal or otherwise) against the Company or any subsidiary, or against any trustee, director, partner, member or officer of the Company or of any subsidiary in his capacity as such for which we or any subsidiary is required to indemnify such trustee, director, partner, member or officer by any court or governmental agency; and
- all other expenses actually incurred by the Manager (except as described below) which are reasonably necessary for the performance by the Manager of its duties and functions under the Management Agreement.

The Company and its subsidiaries do not reimburse the Manager or its affiliates for the salaries and other compensation of its personnel (including pursuant to the Paniry Secondment Agreement), except that, pursuant to the Sossen Secondment Agreement, the Company is responsible for reimbursing a portion of an affiliate of the Manager's expenses incurred in connection with Mr. Sossen's service as the Company's Chief Operating Officer, General Counsel, Chief Compliance Officer, Secretary and Executive Vice President, including annual base salary, annual cash bonus, employee benefits and any related employee withholding taxes.

In addition, the Company may be required to pay its pro rata portion of rent, telephone, utilities, office furniture, equipment, machinery and other office, internal and overhead expenses of the Manager and its affiliates required for the Company's operations.

Fees Incurred and Paid for 2015

For the calendar year ended December 31, 2015, the Company incurred \$59.2 million in base management fees. The Company incurred \$37.7 million in incentive compensation payable to the Manager during the calendar year ended December 31, 2015. However, the total incentive fee paid during the calendar year ended December 31, 2015 was \$34.8 million, of which one half was paid in Common Stock, as required by the Management Agreement. In February 2016, an additional \$21.8 million of the total incentive fee was paid, one half of which was similarly paid in Common Stock. The Company also was obligated to reimburse the Manager for \$7.0 million of certain expenses incurred on the Company's behalf during 2015.

Grants of Equity Compensation to the Manager

Under the Company's equity incentive plans, our Compensation Committee is authorized to approve grants of equity-based awards to the Company's officers or directors and to the Manager and its personnel and affiliates. On October 10, 2012, concurrently with the closing of a public offering of Common Stock, the Company granted to the Manager 875,000 restricted stock units. This award of restricted stock units vested ratably on a quarterly basis over a

three-year period that began on December 31, 2012. On January 2, 2014, the Company granted to the Manager 2,000,000 restricted stock units. This award of restricted stock units vests ratably on a quarterly basis over a three-year period that began on March 31, 2014. On January 31, 2014, in

TABLE OF CONTENTS

connection with the SWAY Spin-Off, the Company granted to the Manager 489,281 restricted stock units. Of these restricted stock units, 99,480 vested ratably on a quarterly basis over a 21-month period that began on March 31, 2014 and 389,801 vest ratably over a three-year period that began on March 31, 2014. On May 18, 2015, the Company granted to the Manager 675,000 restricted stock units. This award of restricted stock units vests ratably on a quarterly basis over a three-year period that began on June 30, 2015. These awards of restricted stock units, once vested, are settled in shares of Common Stock. The Manager is entitled to receive distribution equivalents with respect to these restricted stock units, whether or not vested, at the same time and in the same amounts as distributions are paid to the Company's holders of Common Stock.

The Company's Chief Executive Officer is also an executive of Starwood Capital Group. As a result, the Management Agreement between the Company and the Manager was negotiated between related parties, and the terms, including fees and other amounts payable, may not be as favorable to the Company as if it had been negotiated with an unaffiliated third party. The Management Agreement is intended to provide the Company with access to the Manager's pipeline of investment opportunities and its personnel and its experience in capital markets, credit analysis, debt structuring and risk and asset management, as well as assistance with corporate operations, legal and compliance functions and governance.

Mammoth Mountain Ski Area Participation Interest

In March 2015, the Company sold its entire interest, consisting of a \$35.0 million participation interest in a \$75.0 million subordinate loan (the Mammoth Loan), at par to Mammoth Mezz Holdings, LLC, an affiliate of our Manager. The Company purchased the Mammoth Loan in April 2011 from an independent third party and a syndicate of financial institutions and other entities acting as subordinate lenders to Mammoth Mountain Ski Area, LLC (Mammoth). The Mammoth Loan had a term of up to six years and, during 2015, an interest rate of 13.25%. Mammoth is a single-purpose, bankruptcy remote entity that is owned and controlled by Starwood Global Opportunity Fund VII-A, L.P., Starwood Global Opportunity Fund VII-B, L.P., Starwood U.S. Opportunity Fund VII-D, L.P. and Starwood U.S. Opportunity Fund VII-D-2, L.P. (collectively, the Mammoth Sponsors). In January 2014, the Company and a third party partner refinanced the 701 Seventh Avenue Financing with an \$815.0 million first mortgage and mezzanine financing to facilitate the further development of the 701 Seventh Avenue Property (the 701 Seventh Avenue Refinancing). Fund IX did not participate in the 701 Seventh Avenue Refinancing. As such, the joint venture distributed \$31.6 million to Fund IX for the liquidation of Fund IX's interest in the joint venture. Additionally, the 701 Seventh Avenue Refinancing triggered the issuance to the lenders of a 20% passive equity interest (the Passive Equity Interest) in the 701 Seventh Avenue Property in accordance with the terms of the 701 Seventh Avenue Financing. The Company and Fund IX own 75% and 25% of a joint venture, respectively, which owns 75% of the entity holding such Passive Equity Interest.

An additional \$194 million was paid by SOF-IX U.S. Holdings, L.P., an affiliate of our Chief Executive Officer and the Manager (SCG), in connection with SCG's acquisition of certain assets of LNR Property and its subsidiaries immediately prior to the completion of the LNR Property Acquisition, pursuant to a purchase and sale agreement among SCG, LNR Property and the LNR Property Sellers (the CPG Purchase Agreement). The assets acquired by SCG included, among other things, a 50% interest in LNR Property's equity interest in Auction.com, a privately-held entity which provides services to sellers of residential, commercial, multi-family and hospitality properties, land and performing and non-performing notes and loan pools in an auction format.

In connection with the LNR Property Acquisition, the Company entered into several additional arrangements with SCG or its affiliates, including the following.

Side Letter Agreement

The Company and SCG entered into an agreement governing their relative rights and responsibilities under the LNR Property Purchase Agreement and the CPG Purchase Agreement (the Side Letter Agreement). Under the Side Letter Agreement, the Company and SCG generally agreed to allocate their obligations with respect to the deposits with the escrow agent and their rights with respect to indemnification and other payments in the proportion of 79.34% and 20.66%, respectively, which corresponds to their respective portions of the purchase price. The Company and SCG have also agreed under the Side Letter Agreement to cooperate with respect to the preparation and review of tax returns and other matters. As of December 31, 2014, the Company recognized a corresponding payable to SCG of \$4.4 million. The Company's obligation was released in September 2015.

Shared Services Agreement

A subsidiary of the Company and SCG entered into a shared services agreement that allows for the provision of certain transitional and shared services to LNR Property's commercial property business, which was acquired by SCG (the Shared Services Agreement and, together with the Side Letter Agreement, the SCG Ancillary Arrangements).

Under the Shared Services Agreement, the services are to be provided for a period of up to three years, and include general ledger support, human resources services and information technology support. The fees for each of these services vary depending upon the nature of the service being provided. In 2015, the subsidiary of the Company earned approximately \$0.2 million in such fees from SCG.

The LNR Property Purchase Agreement, LNR Property Acquisition and the SCG Ancillary Arrangements were approved by the Company's non-executive directors in accordance with the Company's related party transaction practice described below under —Related Party Transaction Practice.

ADDITIONAL INFORMATION

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report addressed to those stockholders. This process, which is commonly referred to as householding, potentially provides extra convenience for stockholders and cost savings for companies. The Company and some brokers household proxy materials, delivering a single proxy statement and annual report to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker or the Company that they or the Company will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding or would prefer to receive a separate proxy statement and annual report, please notify your broker if your shares are held in a brokerage account or the Company if you hold registered shares. You can notify the Company by phone at (203) 422-7700 or send a written request to the Company's Secretary at Starwood Property Trust, Inc., 591 West Putnam Avenue, Greenwich, Connecticut 06830. If you so request, we will have delivered the requested separate proxy statement and annual report promptly following our receipt of your request.

If your household has received multiple copies of proxy statements and annual reports, you can request the delivery of single copies in the future by notifying the Company as set forth above.

By Order of the Board of Directors,

Andrew J. Sossen
Secretary
