EXPLANATORY NOTE REGARDING THE REASON FOR THE FILING OF THIS PRELIMINARY PROXY STATEMENT

Greenway Medical Technologies, Inc., a Delaware corporation (“Greenway” or the “Company”), entered into an Agreement and Plan of Merger with Crestview Acquisition Corp., a Delaware corporation (“Merger Sub”), and a wholly owned direct subsidiary of VCG Holdings, LLC, a Delaware limited liability company (“Parent”) on September 23, 2013 (the “Merger Agreement”). Pursuant to the Merger Agreement, on October 4, 2013, Merger Sub commenced a cash tender offer (the “Offer”) to purchase all of the issued and outstanding shares of common stock of Greenway, par value \$0.0001 per share (the “Shares” or “shares of Greenway common stock”), at a price of \$20.35 per Share, net to the seller thereof in cash, without interest thereon and less any required withholding taxes, upon the terms and conditions set forth in the Offer to Purchase, dated October 4, 2013, filed as an exhibit to the Tender Offer Statement on Schedule TO (together with any amendments and supplements thereto, the “Schedule TO”) by (i) Parent, (ii) Merger Sub, (iii) Vitera Healthcare Solutions, LLC, a Delaware limited liability company that is wholly-owned by Vista (“Vitera”) and (iv) Vista Equity Partners Fund IV, L.P., an affiliate of each of Parent, Merger Sub and Vitera (“Vista”). The sole member of Parent is VEPF IV AIV I, L.P., a Delaware partnership (“AIV”). The general partner of AIV and Vista is Vista Equity Partners Fund IV GP, LLC (“VEP IV GP LLC”). The Senior Managing Member of VEP IV GP LLC is VEFIIGP, LLC (“VEFIIGP”). Robert F. Smith is the Managing Member of VEFIIGP, and VEFIIGP has no other managers or executive officers. Merger Sub, Parent, Vitera, AIV, Vista, VEP IV GP LLC and VEFIIGP are collectively referred to as the “Offeror Group.” In this preliminary proxy statement, “we,” “us,” “our,” “Company” and “Greenway” refer to Greenway Medical Technologies, Inc.

As of the date of this preliminary proxy statement, the Offer is still pending and is scheduled to expire at midnight (New York time) on November 1, 2013, unless the Offer is extended or terminated in accordance with the terms of the Merger Agreement. If the Offer is consummated, Parent intends to have Merger Sub immediately consummate the merger of Merger Sub with and into Greenway (the “Merger”) without a stockholder meeting and without any further action by the stockholders of the Company as a “short-form” merger under Delaware law.

This preliminary proxy statement (as it may hereafter be amended from time to time) will only be mailed to our stockholders in definitive form if the Offer has terminated, the adoption of the Merger by the Company’s stockholders is required by applicable law to consummate the Merger, and after the Company receives clearance from the U.S. Securities and Exchange Commission (the “SEC”) to do so. In such event, the Company will take the necessary steps to establish a record date for, give notice of, call, convene and hold a special meeting of the holders of Shares (the “Special Meeting”) to vote upon the adoption of the Merger Agreement.

Depending on the outcome of the Offer, certain information which appears in this preliminary proxy statement may no longer be relevant or material to the holders of Shares when considering whether and how to vote with respect to the proposal to adopt the Merger Agreement or the decision whether to exercise the right to demand appraisal of Shares held by them in accordance with Section 262 of the Delaware General Corporation Law. Accordingly, if, under the circumstances described in this explanatory note and in accordance with applicable law and the terms of the Merger Agreement, it becomes necessary to mail a proxy statement in definitive form to holders of Shares, we will update the

disclosures in this preliminary proxy statement to reflect the outcome of the Offer and as otherwise may be necessary.

The Offer is being made pursuant to the terms and subject to the conditions set forth in the Offer to Purchase, dated October 4, 2013, and in the related Letter of Transmittal (each as may be amended or supplemented from time to time) filed as exhibits to the Schedule TO. This preliminary proxy statement has no effect on the Offer, and you should refer to the Schedule TO and our recommendation of the tender offer on Schedule 14D-9 filed with the SEC for further information regarding the Offer.

GREENWAY MEDICAL TECHNOLOGIES, INC.
100 GREENWAY BOULEVARD
CARROLLTON, GA 301171

Dear Stockholder:

On behalf of the board of directors of Greenway Medical Technologies, Inc. (“Greenway,” the “Company,” “we,” “our” or “us”), I cordially invite you to attend a special meeting of stockholders of Greenway, to be held on [—] at [—] Eastern Time, at [—].

On September 23, 2013, Greenway entered into a definitive merger agreement to be acquired by an affiliate of Vista Equity Partners. The special meeting is being held in connection with the transactions contemplated by the merger agreement. If the transactions contemplated by the merger agreement are completed, you will be entitled to receive \$20.35 in cash, without interest, less any required withholding taxes, for each share of our common stock, par value \$0.0001 per share (“Common Stock”), that you own (unless you have properly exercised your appraisal rights with respect to such shares). At the special meeting, you will be asked to consider and vote upon the following proposals:

To adopt the Agreement and Plan of Merger, dated as of September 23, 2013, by and among VCG Holdings, LLC, 1. Crestview Acquisition Corp., a wholly owned direct subsidiary of VCG Holdings, LLC (the “Merger Sub”), and the Company, as it may be amended from time to time (the “Merger Agreement”);

To adjourn the special meeting, if necessary or appropriate, including to solicit additional votes in favor of the 2. proposal to adopt the Merger Agreement, if there are insufficient votes to adopt the Merger Agreement at the time of the special meeting; and

To approve, on an advisory (non-binding) basis, specified compensation that may become payable to our named 3. executive officers in connection with the merger contemplated by the Merger Agreement (the “Merger”).

After due and careful discussion and consideration, the Company’s board of directors has unanimously (i) determined that the Merger Agreement, the Support Agreements (as defined below) and the transactions contemplated thereby are

advisable and in the best interests of the Company and its stockholders, (ii) approved the execution, delivery and performance by the Company of the Merger Agreement and the consummation of the transactions contemplated thereby, and (iii) recommended that the Company's stockholders vote in favor of the adoption and approval of the Merger Agreement and the Merger. **Accordingly, the Company's board of directors unanimously recommends that you vote "FOR" the proposal to adopt the Merger Agreement, "FOR" the proposal to adjourn the special meeting to solicit additional proxies, if necessary or appropriate, and "FOR" the advisory (non-binding) proposal to approve specified compensation that may become payable to our named executive officers in connection with the Merger.**

Approval of the proposal to adopt the Merger Agreement requires the affirmative vote of holders of a majority of the outstanding shares of our common stock entitled to vote thereon. The proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies and the advisory (non-binding) proposal to approve the specified compensation that may become payable to our named executive officers in connection with the Merger will each be approved if a majority in voting power of the shares represented in person or by proxy at the special meeting and entitled to vote on the subject matter vote in favor of these proposals.

All of our directors, and certain of our executive officers and significant stockholders, have agreed to vote at the special meeting and vote in favor of the proposal to adopt the Merger Agreement pursuant to tender and support agreements entered into with Parent and Merger Sub (each a “Support Agreement” and, collectively, the “Support Agreements”). These stockholders hold approximately 50.9% of our outstanding common stock. As a result of the commitments of these stockholders to participate in the Special Meeting, we expect that holders of a majority of the outstanding shares of our common stock entitled to vote at the Special Meeting will vote in favor of the proposal to adopt the Merger Agreement, and that the proposal will be approved.

Your vote is very important, regardless of the number of shares of Company common stock you own. Whether or not you plan to attend the special meeting, please complete, date, sign and return, as promptly as possible, the enclosed proxy card in the accompanying prepaid reply envelope, or submit your vote by telephone or the Internet. If you attend the special meeting and vote in person, your vote by ballot will revoke any proxy previously submitted. If you sign, date and return your proxy card without indicating how you wish to vote, your proxy will be voted in favor of the adoption of the Merger Agreement and the advising (non-binding) proposal to approve specified compensation that may be payable to the named executive officers of Greenway in connection with the Merger and the proposal to adjourn the special meeting to solicit additional proxies, if necessary or appropriate. The failure to vote your shares of our common stock with respect to the adoption of the Merger Agreement will have the same effect as a vote “**AGAINST**” approval of the proposal to adopt the Merger Agreement.

If your shares of our common stock are held in “street name” by your bank, brokerage firm or other nominee, your bank, brokerage firm or other nominee will be unable to vote your shares of our common stock without instructions from you. You should instruct your bank, brokerage firm or other nominee to vote your shares of our common stock in accordance with the procedures provided by your bank, brokerage firm or other nominee. The failure to instruct your bank, brokerage firm or other nominee to vote your shares of our common stock “**FOR**” approval of the proposal to adopt the Merger Agreement will have the same effect as voting “**AGAINST**” the proposal to adopt the Merger Agreement.

The accompanying proxy statement provides you with detailed information about the special meeting, the Merger Agreement and the Merger. A copy of the Merger Agreement is attached as **Annex A** to the proxy statement. We encourage you to read the entire proxy statement and its annexes, including the Merger Agreement, carefully. You may also obtain additional information about the Company from documents we have filed with the Securities and Exchange Commission.

Best regards,

NOTICE OF SPECIAL MEETING OF STOCKHOLDERS
TO BE HELD [—]

A special meeting of stockholders (the “Special Meeting”) of Greenway Medical Technologies, Inc., a Delaware corporation (“Greenway,” the “Company,” “we,” “our” or “us”), will be held on [—], at [—] a.m. Eastern Time, at [—].

The meeting will be held for the following purposes:

1. To consider and vote on a proposal to adopt the Agreement and Plan of Merger, dated as of September 23, 2013, by and among VCG Holdings, LLC, Crestview Acquisition Corp., a wholly owned direct subsidiary of VCG Holdings, LLC, and the Company, as it may be amended from time to time (the “Merger Agreement”). A copy of the Merger Agreement is attached as **Annex A** to the accompanying proxy statement.
2. To consider and vote on a proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies if there are insufficient votes at the time of the special meeting to approve the proposal to adopt the Merger Agreement (the “Merger”).
3. To consider and approve on an advisory (non-binding) proposal to approve the specified compensation that may become payable to our named executive officers in connection with the Merger.

The board of directors has fixed the close of business on [—] as the record date for determining stockholders entitled to notice of and to vote at the meeting.

Your vote is very important, regardless of the number of shares of Company common stock you own. The Merger cannot be completed unless the Merger Agreement is adopted by the affirmative vote of the holders of a majority of the outstanding shares of Company common stock entitled to vote thereon. The proposal to adjourn the special meeting and the advisory (non-binding) proposal to approve the specified compensation that may become payable to our named executive officers in connection with the Merger will each be approved if a majority in voting power of the shares represented in person or by proxy at the special meeting and entitled to vote on the subject matter vote in favor of these proposals.

All of our directors, and certain of our executive officers and significant stockholders, have agreed to vote at the Special Meeting and vote in favor of the proposal to adopt the Merger Agreement pursuant to tender and support agreements entered into with Parent and Merger Sub (each a “Support Agreement” and, collectively, the “Support Agreements”). These stockholders hold approximately 50.9% of our outstanding common stock. As a result of the commitments of these stockholders to participate in the Special Meeting, we expect that holders of a majority of the outstanding shares of our common stock entitled to vote at the Special Meeting will vote in favor of the proposal to adopt the Merger Agreement, and that the proposal will be approved.

Even if you plan to attend the special meeting in person, we request that you complete, sign, date and return, as promptly as possible, the enclosed proxy card in the accompanying prepaid reply envelope or submit your vote by telephone or the Internet prior to the special meeting to ensure that your shares of Company common stock will be represented at the special meeting if you are unable to attend. If you sign, date and return your proxy card without indicating how you wish to vote, your proxy will be voted in favor of the adoption of the Merger Agreement and the advisory (non-binding) proposal to approve specified compensation that may become payable to the named executive officers of Greenway in connection with the Merger and the proposal to adjourn the special meeting to solicit additional proxies, if necessary or appropriate. If you do not attend and vote your shares at the special meeting and you fail to return your proxy card or fail to submit your proxy by phone or the Internet, your shares of Company common stock will not be counted for purposes of determining whether a quorum is present at the special meeting and, if a quorum is present, will have the same effect as a vote “**AGAINST**” the proposal to adopt the Merger Agreement.

After due and careful discussion and consideration, the Company’s board of directors has unanimously (i) determined that the Merger Agreement, the Support Agreements and the transactions contemplated thereby are advisable and in the best interests of the Company and its stockholders, (ii) approved the execution, delivery and performance by the Company of the Merger Agreement and the consummation of the transactions contemplated thereby and (iii) recommended that the Company’s stockholders vote in favor of the adoption and approval of the Merger Agreement and the Merger. **Accordingly, the Company’s board of directors unanimously recommends that you vote “FOR” the proposal to adopt the Merger Agreement, “FOR” the proposal to adjourn the special meeting to solicit additional proxies, if necessary or appropriate, and “FOR” the advisory (non-binding) proposal to approve the specified compensation that may become payable to our named executive officers in connection with the Merger.**

WHETHER OR NOT YOU PLAN TO ATTEND THE SPECIAL MEETING, PLEASE COMPLETE, DATE, SIGN AND RETURN, AS PROMPTLY AS POSSIBLE, THE ENCLOSED PROXY CARD IN THE ACCOMPANYING PREPAID REPLY ENVELOPE, OR SUBMIT YOUR VOTE BY TELEPHONE OR THE INTERNET. IF YOU ATTEND THE SPECIAL MEETING AND VOTE IN PERSON, YOUR VOTE BY BALLOT WILL REVOKE ANY PROXY PREVIOUSLY SUBMITTED.

Crestview Acquisition Corp., a Delaware corporation (which we refer to in this proxy statement as “Merger Sub”) and wholly owned direct subsidiary of VCG Holdings, LLC, was formed on September 12, 2013 solely for the purpose of engaging in the transactions contemplated by the Merger Agreement (including the Offer and the Merger, as defined below) and has not engaged in any business activities other than in connection with the transactions contemplated by the Merger Agreement and arranging of the equity financing and debt financing in connection with the Offer and the Merger.

VCG Holdings, LLC

c/o Vista Equity Partners Fund IV, L.P.
401 Congress Avenue
Suite 3100
Austin, Texas 78701
(512) 730-2400

VCG Holdings, LLC, a Delaware limited liability company (which we refer to in this proxy statement as “Parent”), was formed on September 12, 2013 solely for the purpose of engaging in the transactions contemplated by the Merger Agreement (including the Offer and the Merger) and has not engaged in any business activities other than in connection with the transactions contemplated by the Merger Agreement and arranging of the equity financing and debt financing in connection with the Offer and the Merger.

Merger Sub and Parent are affiliates of Vista Equity Partners Fund IV, L.P. (“Vista”). Vista has provided to Parent an equity commitment up to \$650 million (subject to adjustments as described in the Equity Commitment Letter). After giving effect to the Offer and the Merger, the Company, as the surviving corporation, will be affiliated with Vista.

In this proxy statement, we refer to the Agreement and Plan of Merger, dated September 23, 2013, as it may be amended from time to time, among the Company, Parent and Merger Sub, as the “Merger Agreement,” and the merger of Merger Sub with and into the Company, as the “Merger”.

Tender Offer

On October 4, 2013, Merger Sub commenced a tender offer, which we refer to as the “Offer,” for all of the outstanding shares of Company common stock at a price of \$20.35 per share, par value \$0.0001 per share, which we refer to as “Company common stock,” net to the seller in cash without interest and less any required withholding taxes. The Offer contemplates that, after completion of the Offer and the satisfaction or waiver of all conditions, we will merge with Merger Sub, pursuant to a “short form” merger under Delaware law (which would not require the approval of the Company’s stockholders other than Parent and Merger Sub), and all outstanding shares of our common stock (excluding shares held (i) by the Company (including treasury shares), Parent, Merger Sub or any subsidiary of the Company or Parent and (ii) by stockholders who have perfected and not withdrawn a demand for appraisal rights or otherwise lost appraisal rights under Delaware law with respect to such shares) will be canceled and converted into the right to receive cash equal to the \$20.35 offer price per share, less any required withholding taxes (referred to herein as the “Offer Price”). The Offer was commenced pursuant to the Merger Agreement.

The Merger Agreement provides that the Merger may be consummated regardless of whether the Offer is completed, but if the Offer is not completed and is terminated in accordance with the Merger Agreement, and the Merger Agreement is not terminated, the Merger will only be able to be consummated, subject to the terms and conditions of the Merger Agreement, after the stockholders of the Company have adopted the Merger Agreement at a special meeting of our stockholders. We have prepared this preliminary proxy statement in connection with the solicitation of proxies for the special meeting to obtain stockholder approval of the adoption of the Merger Agreement in order to be able to consummate the Merger regardless of the outcome of the Offer. If the Offer and the “short-form” merger are completed, we will not need to solicit proxies for the special meeting to obtain stockholder approval of the adoption of the Merger Agreement in order to be able to consummate the Merger.

Table of Contents

The Merger Agreement contains provisions that govern the circumstances in which the Offer is required or permitted to be terminated. The Offer may not be terminated prior to its expiration unless the Merger Agreement is validly terminated; provided, however, that if at any date on which the Offer is scheduled to expire any conditions to the Offer have not been satisfied or waived (to the extent waivable by Parent and Merger Sub) and three (3) business days have elapsed since the date on which the SEC has, orally or in writing, confirmed that it has no further comments on the proxy statement to be filed by the Company in connection with the adoption of the Merger Agreement, including by informing the Company that it does not intend to review the proxy statement (the “Proxy Statement Clearance Date”), then (x) Merger Sub may irrevocably and unconditionally terminate the Offer or (y) from and after the close of business on November 20, 2013, the Company may cause Merger Sub to irrevocably and unconditionally terminate the Offer at the then-scheduled expiration date (such termination, an “Offer Termination”). If the Offer is terminated as described in the foregoing sentence, then the Company will proceed with and take all actions necessary to hold a stockholders’ meeting to adopt and approve the Merger in accordance with the terms of the Merger Agreement.

We refer in this proxy statement to the Offer and to terms of the Merger Agreement applicable to the Offer; however, the Offer is being made separately to the holders of shares of Company common stock and is not applicable to the special meeting. The Offer, the Merger and the other transactions contemplated by the Merger Agreement are collectively referred to as the “Transactions.”

The Special Meeting (Page [—])

Time, Place and Purpose of the Special Meeting (Page [—])

The special meeting will be held on [—] at [—] Eastern Time, at [—].

At the special meeting, holders of Company common stock will be asked to approve the proposal to adopt the Merger Agreement and to approve the proposal to adjourn the special meeting, if necessary or appropriate, for the purpose of soliciting additional proxies if there are insufficient votes at the time of the special meeting to approve the proposal to adopt the Merger Agreement. In addition, holders of Company common stock will be asked to approve, on an advisory (non-binding) basis, the existing compensatory arrangements between the Company and its named executive officers providing for specified compensation as may become payable in connection with the Merger.

Table of Contents

Record Date and Quorum (Page [—])

You are entitled to receive notice of, and to vote at, the special meeting if you owned shares of Company common stock at the close of business on [—], which the Company has set as the record date for the special meeting and which we refer to as the “record date”. You will have one vote for each share of Company common stock that you owned on the record date. As of the record date, there were [—] shares of Company common stock outstanding and entitled to vote at the special meeting. The presence, in person or by proxy, of the holders of a majority of the shares of Company common stock outstanding at the close of business on the record date and entitled to vote at the special meeting constitutes a quorum for the purposes of the special meeting.

Vote Required (Page [—])

Approval of the proposal to adopt the Merger Agreement requires the affirmative vote of the holders of a majority of the outstanding shares of Company common stock entitled to vote thereon (the “Stockholder Approval”). Failure to vote, by proxy or in person, broker non-votes and abstentions will have the same effect as a vote “**AGAINST**” the proposal to adopt the Merger Agreement.

Approval of the proposal to adjourn the special meeting, if necessary or appropriate, for the purpose of soliciting additional proxies requires the affirmative vote of holders of a majority in voting power of the shares of Company common stock present in person or represented by proxy and entitled to vote on the matter at the special meeting.

The non-binding advisory proposal to approve the golden parachute compensation payable to our named executive officers in connection with the Merger will be approved if a majority in voting power of the shares of Company common stock present in person or represented by proxy and entitled to vote on the subject matter vote in favor of the proposal. For purposes of this proposal and the proposal to adjourn the special meeting, if your shares of Company common stock are present at the special meeting but are not voted on this proposal, or if you have given a proxy and abstained on this proposal, this will have the same effect as if you voted “**AGAINST**” the proposals. Broker non-votes will not have any effect on the proposal to adjourn the special meeting or on the non-binding advisory proposal to approve the golden parachute compensation payable to our named executive officers in connection with the Merger. Failure to submit a proxy or vote in person at the special meeting will also not have any effect on the proposal to adjourn the special meeting or, assuming a quorum is present, on the non-binding advisory proposal to approve the golden parachute compensation.

As of the record date, the directors and executive officers of the Company beneficially owned and were entitled to vote, in the aggregate, [—] shares of Company common stock (excluding shares issuable upon the vesting and exercise of stock options or the vesting of restricted share units and performance share awards as of such date (collectively

representing [—]% of the outstanding shares of Company common stock on the record date). The directors and executive officers have informed the Company that they currently intend to vote all of their shares of Company common stock (other than shares of Company common stock as to which such holder does not have discretionary authority) **“FOR”** the proposal to adopt the Merger Agreement and **“FOR”** the proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies.

Table of Contents

All of our directors, and certain of our executive officers and significant stockholders, have agreed to vote at the Special Meeting and vote in favor of the proposal to adopt the Merger Agreement pursuant to tender and support agreements entered into with Parent and Merger Sub (each a “Support Agreement” and, collectively, the “Support Agreements”). These stockholders hold approximately 50.9% of our outstanding common stock. As a result of the commitments of these stockholders to participate in the Special Meeting, we expect that holders of a majority of the outstanding shares of our common stock entitled to vote at the Special Meeting will vote in favor of the proposal to adopt the Merger Agreement, and that the proposal will be approved.

Proxies and Revocation (Page [—])

Any stockholder of record entitled to vote at the special meeting may submit a proxy by telephone, over the Internet, by returning the enclosed proxy card in the accompanying prepaid reply envelope, or may vote in person by appearing at the special meeting. If your shares of Company common stock are held in “street name” through a bank, brokerage firm or other nominee, you should instruct your bank, brokerage firm or other nominee on how to vote your shares of Company common stock using the instructions provided by your bank, brokerage firm or other nominee. If you fail to submit a proxy or to vote in person at the special meeting, or do not provide your bank, brokerage firm or other nominee with voting instructions, as applicable, your shares of Company common stock will not be voted on any of the proposals submitted to a vote at the special meeting, which will have the same effect as a vote “**AGAINST**” the proposal to adopt the Merger Agreement, and your shares of Company common stock will not have an effect on approval of the proposal to adjourn the special meeting or on the non-binding advisory proposal to approve the golden parachute compensation payable to our named executive officers in connection with the Merger.

You may change your vote or revoke your proxy at any time before it is voted at the special meeting by:

- submitting a new proxy by telephone or via the Internet after the date of the earlier voted proxy;
- signing another proxy card with a later date and returning it to us prior to the special meeting; or
- attending the special meeting and voting in person.

If you hold your shares of Company common stock in street name, you may submit new voting instructions by contacting your bank, brokerage firm or other nominee. You may also vote in person at the special meeting if you obtain a legal proxy from your bank, brokerage firm or other nominee.

The Merger (Page [—])

The Merger Agreement provides that Merger Sub will merge with and into the Company. The Company will be the surviving corporation in the Merger (which we refer to as the “Surviving Corporation”) and will continue to do business following the Merger. As a result of the Merger, the Company will cease to be a publicly traded company. If the Merger is completed, you will not own any shares of the capital stock of the Surviving Corporation.

Table of Contents

Merger Consideration (Page [—])

In the Merger, each outstanding share of Company common stock (excluding shares held (i) by the Company (including treasury shares), Parent or Merger Sub (other than shares in trust accounts, managed accounts and the like) and (ii) by stockholders who have perfected and not withdrawn a demand for appraisal rights or otherwise lost appraised rights under Delaware law with respect to such shares, which we refer to collectively as the “excluded shares”) will be converted into the right to receive \$20.35 in cash, without interest thereon and less any required withholding taxes, which amount we refer to as the “Per Share Amount” or the “Merger Consideration,” less any required withholding taxes.

Treatment of Stock Options (Page [—])

If the Merger occurs without the consummation of the Offer, outstanding company stock options (the “Stock Options”), whether vested or unvested, will be cancelled and converted into the right to receive a cash payment equal to (i) the excess (if any) of the per share Merger Consideration over the exercise price of such Stock Option multiplied by (ii) the number of shares then issuable upon exercise in full of such Stock Option, without interest and less any required withholding taxes, which will be paid through Greenway’s payroll (to the extent applicable) promptly after the closing of the Merger (but in no event later than the seventh calendar day after the closing of the Merger).

Recommendation of the Board of Directors; Reasons for the Transaction (Page [—])

After due and careful discussion and consideration of various factors described in the section entitled “Proposal 1—The Merger—Recommendation of Our Board of Directors; Reasons for the Transactions,” the board of directors of the Company (the “Board”) unanimously (i) determined that the Merger Agreement, the Support Agreements and the Merger are advisable to, and in the best interest of, Greenway and its stockholders, (ii) approved the execution, delivery and performance by Greenway of the Merger Agreement and the consummation of the Merger, and (iii) resolved to recommend that the stockholders of Greenway approve the adoption of the Merger Agreement and the Merger.

The Board recommends that you vote “FOR” the proposal to adopt the Merger Agreement, “FOR” the proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies, and “FOR” the advisory (non-binding) proposal to approve the specified compensation that may become payable to our named executive officers in connection with the Merger.

To review the factors that our Board considered when deciding whether to approve the Merger Agreement and the transactions contemplated thereby, see “Proposal 1—The Merger—Recommendation of Our Board of Directors; Reasons for the Transactions.”

Opinion of the Company's Financial Advisor (Page [—])

The Company retained J.P. Morgan Securities LLC (referred to in this proxy statement as "J.P. Morgan") to act as its financial advisor in connection with the transaction. At the meeting of the Board on September 23, 2013, J.P. Morgan rendered its oral opinion to the Board that, as of such date and based upon and subject to the factors and assumptions set forth in its opinion, the consideration to be paid to the holders of Company common stock in the proposed transaction was fair, from a financial point of view, to such holders. The oral opinion was subsequently confirmed in writing by delivery of J.P. Morgan's written opinion dated the same date.

The full text of the written opinion of J.P. Morgan, dated September 23, 2013, which sets forth, among other things, the assumptions made, procedures followed, matters considered and limitations on the review undertaken by J.P. Morgan in rendering its opinion, is attached as **Annex B**, to this proxy statement and is incorporated herein by reference. The Company's stockholders are urged to read the opinion in its entirety. J.P. Morgan's opinion is addressed to the Board, is directed only to the fairness from a financial point of view of the consideration to be paid to the holders of Company common stock in the proposed transaction as of the date of the opinion and does not constitute a recommendation to any stockholder of the Company as to whether such stockholder should tender its Company common stock into the Offer or how such stockholder should vote with respect to the transaction or any other matter.

Financing of the Merger (Page [—])

Merger Sub estimates that it will need up to approximately \$650 million to purchase all of the issued and outstanding Shares and to pay related fees and expenses.

Debt Financing (Page [—])

Vitera and Parent have received a debt commitment letter from Jefferies Finance LLC (which we refer to as "Jefferies"), and Bank of Montreal (which we refer to as "BMO"; and, together with Jefferies, the "Debt Commitment Parties") (which we refer to as the "Debt Commitment Letter") to provide, subject to the conditions set forth in the Debt Commitment Letter, credit facilities, of which a \$360 million senior secured first lien term loan facility and \$180 million of the senior secured second lien term loan facility (together, the "Credit Facilities") is expected to be drawn at the closing of the Credit Facilities for the purpose of financing the Offer and the Merger and paying related fees and expenses, and a portion of the senior secured first lien revolving credit facility is expected to be drawn at the closing of the Credit Facilities to pay certain amounts set forth in the debt financing commitment fee letter and to back-stop, replace or cash-collateralize certain existing letters of credit of Vitera and its subsidiaries and, after the closing of the Merger, to provide funding for working capital and other general corporate purposes of Vitera and its subsidiaries.

Equity Financing (Page [—])

Parent has received an equity commitment letter from Vista (which we refer to as the “Equity Commitment Letter”), pursuant to which Vista has committed to contribute to Parent an amount equal to \$650 million (subject to adjustment as set forth in the Equity Commitment Letter) in cash in immediately available funds, which will be sufficient for Parent to consummate the transactions contemplated by the Merger Agreement even if Parent’s debt financing is not available, including the aggregate Per Share Amount and/or Merger Consideration, as applicable, pursuant to and in accordance with the Merger Agreement, and certain other amounts required to be paid pursuant to the Merger Agreement, including fees and expenses directly related to the debt financing required to be paid by Parent, Merger Sub and the Surviving Corporation. We refer to the financing contemplated by the Equity Commitment Letter, as may be amended, restated, supplemented or otherwise modified from time to time, as the “Equity Financing.” The funding of the Equity Financing is subject to (i) the satisfaction, or waiver by Parent and Merger Sub (with the prior written approval of Vista), of all conditions of the Offer or the Merger, as applicable and (ii) the contemporaneous consummation of the acquisition of the Shares tendered in the Offer at the closing of the Offer, if the closing of the Offer shall occur, or the Merger (regardless of whether the closing of the Offer occurs). The Company is a third party beneficiary of the Equity Commitment Letter for the limited purposes provided in the Equity Commitment Letter, which include the right of the Company to seek and obtain specific performance to cause Parent and Merger Sub to cause, or to directly cause, Vista to fund the Equity Financing in accordance with the terms of the Equity Commitment Letter and the Merger Agreement.

Limited Guaranty (Page [—])

Concurrently with the execution and delivery of the Equity Commitment Letter, Vista executed and delivered to the Company a limited guaranty in favor of the Company in respect of certain of Parent’s and Merger Sub’s liabilities and obligations under the Merger Agreement (which we refer to as the “Limited Guaranty”), provided that in no event will Vista incur obligations totaling more than \$48,273,000 in the aggregate (plus the amount of any reimbursement or indemnification obligations payable pursuant to the Merger Agreement) under the Limited Guaranty.

Confidentiality Agreement (Page [—])

On June 14, 2013, Vista Equity Partners III, LLC (“VEP”), an affiliate of Parent and Merger Sub, and Greenway entered into a Confidentiality Agreement (the “Confidentiality Agreement”), as amended on September 6, 2013 (the “First Amendment to the Confidentiality Agreement”). Under the terms of the Confidentiality Agreement, VEP agreed that, subject to certain exceptions, any non-public information regarding Greenway and its subsidiaries or affiliates furnished to VEP or to its representatives solely to carry out discussions concerning, and the undertaking of, any negotiated business transaction between the parties would, for a period of one year from the date of the Confidentiality Agreement, be kept confidential, except as provided in the Confidentiality Agreement. Additionally, VEP further agreed that, subject to certain exceptions, VEP would not solicit for employment any employee of Greenway for a

period of one year from the date of the Confidentiality Agreement. VEP also agreed, among other things, to certain “standstill” provisions which prohibit VEP and its representatives from taking certain actions involving or with respect to Greenway (except that VEP may submit a private proposal to us) for a period ending on the one year anniversary of the date of the Confidentiality Agreement.

Interests of Certain Persons in the Merger (Page [—])

In considering the recommendation of the Board with respect to the proposal to adopt the Merger Agreement, you should be aware that our directors and executive officers have interests in the Merger that are different from, or in addition to, yours. These interests include the acceleration and “cash-out” of certain equity and the right to continued indemnification and insurance coverage by the Surviving Corporation after the Merger. The Board was aware of and considered these interests, among other matters, in evaluating and negotiating the Merger Agreement and the Merger, and in recommending that the Merger Agreement be adopted by the stockholders of the Company.

Material United States Federal Income Tax Consequences of the Merger (Page [—])

The exchange of shares of Company common stock for cash in the Merger will generally be a taxable transaction to United States Holders for United States federal income tax purposes. In general, if you are a United States Holder and you hold your Shares as a capital asset, you will recognize gain or loss equal to the difference between the amount of cash you receive with respect to such Shares (determined before the deduction of any required withholding taxes) and your adjusted tax basis in the Shares exchanged therefor, and such gain or loss will be a capital gain or loss and will be treated as a long-term capital gain or loss if you have held the Shares for more than one (1) year at the time of the exchange. Backup withholding may also apply to the cash payments made pursuant to the Merger unless the United States Holder or other payee provides a taxpayer identification number, certifies that such number is correct and otherwise complies with the backup withholding rules. Payments made to a non-United States Holder with respect to shares of Company common stock exchanged for cash pursuant to the Merger will generally be exempt from United States federal income tax. A non-United States Holder may, however, be subject to backup withholding with respect to the cash payments made pursuant to the Merger, unless the holder certifies that it is not a United States person or otherwise establishes a valid exemption from backup withholding tax. You should read “Proposal 1—The Merger—Material United States Federal Income Tax Consequences of the Merger” beginning on page [—] for definitions of “United States Holder” and “non-United States Holder,” and for a more detailed discussion of the material United States federal income tax consequences of the Merger. You should also consult your tax advisor with respect to the specific tax consequences to you in connection with the Merger in light of your own particular circumstances, including federal estate, gift and other non-income tax consequences, and tax consequences under state, local or foreign tax laws.

Regulatory Approvals and Notices (Page [—])

Under the HSR Act (as defined below), and the related rules and regulations that have been issued by the Federal Trade Commission (the “FTC”), certain acquisition transactions may not be consummated until required information and documentary material has been furnished for review by the FTC and the Antitrust Division of the Department of Justice (the “Antitrust Division”) and certain waiting period requirements have been satisfied. These requirements apply to Merger Sub’s acquisition of the Shares in the Offer and the Merger.

Under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and the rules and regulations thereunder (the “HSR Act”), the purchase of Shares in the Offer may not be completed until the expiration of a fifteen (15) calendar day waiting period which begins when Parent files a Premerger Notification and Report Form under the HSR Act with the FTC and the Antitrust Division, unless such waiting period is earlier terminated by the FTC and the Antitrust Division. If the end of the fifteen (15) calendar day waiting period is set to fall on a federal holiday or weekend day, the waiting period is automatically extended until 11:59 P.M., New York City time, the next business day. Parent filed a Premerger Notification and Report Form under the HSR Act with the FTC and the Antitrust Division in connection with the purchase of Shares in the Offer and the Merger on September 27, 2013, and the required waiting period with respect to the Offer and the Merger expired at 11:59 P.M., New York City Time, on October 15, 2013.

Litigation Relating to the Merger (Page [—])

On or about October 7, 2013, a putative class action lawsuit (Booth Family Trust IRA v. Greenway Medical Technologies, Inc. et al., Case No.: 13-A-08600-2) was filed in the Superior Court of the State of Georgia, County of Gwinnett, against the Company and each member of the Company's board of directors (the "Booth Family Trust Action"). The Complaint asserts that the Company's directors breached their fiduciary duties to the Company's public stockholders by, among other things, (i) agreeing to sell the Company at an unfair price, (ii) implementing preclusive deal protection devices deterring competing, superior bids, and (iii) entering individual tender and support agreements. The Complaint seeks injunctive relief, rescission, and, among other remedies, compensatory damages and an award of costs and expenses, including a reasonable allowance for attorneys' and experts' fees.

On or about October 9, 2013, the Complaint in the Booth Family Trust Action was amended to include allegations, among others, that (i) the proposed transaction is financially unfair to the Company's stockholders, (ii) the process undertaken by the Company when entering into the Merger Agreement with Vista's affiliates was inadequate and flawed, and (iii) the Schedule 14D-9 failed to disclose all material facts and/or provided misleading information regarding the proposed transaction to the Company's stockholders.

The Company intends to vigorously defend against these claims.

· Merger Sub shall have accepted for payment all Shares validly tendered and not validly withdrawn pursuant to the Offer;

· if required by applicable law to consummate the Merger, the Company shall have obtained the Stockholder Approval;

·the applicable waiting period (and any extension thereof) under the HSR Act shall have expired or been terminated;

· no governmental entity of competent jurisdiction shall have issued an order or enacted a law that prohibits, makes illegal or prevents the consummation of the transactions contemplated by the Merger Agreement.

If the Offer Termination shall have occurred or the Offer Closing shall not have occurred, then the respective obligations of Parent and Merger Sub, on the one hand, and the Company, on the other hand, to complete the Merger shall be subject to the satisfaction or the waiver of certain additional conditions as set forth in the Merger Agreement regarding:

in the case of Parent and Merger Sub:

that the representations and warranties of the Company set forth in the Merger Agreement (A) relating to certain aspects of the Company's capitalization (specifically the authorized capital stock of the Company, the number of Shares subject to issuance pursuant to Stock Options granted and outstanding and reserved for issuance under the Company equity plans as of the close of business on the business day immediately preceding the Merger Agreement, and that there are no other equity awards outstanding of the Company) shall have been accurate in all respects as of the date of the Merger Agreement and shall be accurate in all respects at and as of the date of the closing of the Merger (such closing, the "Merger Closing" and such date, the "Merger Closing Date") as though made at and as of the Merger Closing Date (except (other than a result of a willful breach by the Company) where the failure to be so accurate in all respects would not reasonably be expected to result in additional cost, expense or liability to the Company, Parent and their affiliates, individually or in the aggregate that is more than \$1,000,000 and except to the extent any such representation and warranty speaks as of an earlier specified date, in which case such representation and warranty shall have been true and correct in all material respects as of such specified date), (B) relating to certain aspects of the Company's capitalization (including, among other things, that no Shares other than as disclosed are subject to any preemptive right or similar right or right of first refusal in favor of the Company, that there is no outstanding indebtedness of the Company having a right to vote on any matters subject to a stockholder vote, and that there are no contracts relating to the voting or registration of any Shares), corporate power and authority to enter into the Transactions and the binding nature of the Merger Agreement, the vote required to effect the Merger and the Company's financial advisor shall have been accurate in all material respects as of the date of the Merger Agreement and shall be accurate in all material respects at and as of the Merger Closing Date as though made at and as of the Merger Closing Date (except to the extent any such representation and warranty speaks as of an earlier specified date, in which case such representation and warranty shall have been true and correct in all material respects as of such specified date), (C) relating to the occurrence of any material adverse effect shall have been accurate in all respects as of the date of the Merger Agreement and shall be accurate in all respects at and as of the Merger Closing Date as though made at and as of the Merger Closing Date, and (D) other than the representations and warranties referred to in clause (A), (B) or (C) above shall have been accurate in all respects as of the date of the Merger Agreement and shall be accurate in all respects at and as of the Merger Closing Date as though made at and as of the Merger Closing Date, except that any inaccuracies in such representations and warranties will be disregarded if the circumstances giving rise to all such inaccuracies do not constitute, and would not reasonably be expected to have, a material adverse effect (except to the extent any such representation and warranty speaks as of an earlier specified date, in which case such representation and warranty shall have been true and correct as of such specified date); provided, however, that (x) for purposes of determining the satisfaction of the condition in clauses (A), (B), (C) and (D), no effect shall be given to any update of or modification to the disclosure schedule to the Merger Agreement made or purposed to have been made after the date of the Merger Agreement and (y) for purposes of determining the satisfaction of the condition in clauses (B) and (D), all references to "Material Adverse Effect" qualifications and other materiality qualifications contained in such representations and warranties shall be disregarded;

that the Company shall have performed in all material respects the obligations required to be performed by it under the Merger Agreement at or prior to the effective time of the Merger (“Effective Time”); and

that since the date of the Merger Agreement, there has not been an effect, state of facts, occurrence, condition, event, development or change that, individually or in the aggregate, has had or would reasonably be expected to have a material adverse effect;

in the case of the Company:

that the representations and warranties of the Parent and Merger Sub set forth in the Merger Agreement (A) relating to the due organization of the Parent and Merger Sub, the authority of the Parent and Merger Sub to effect the Transactions and the binding nature of the Merger Agreement, the sufficiency of the Equity Financing and solvency shall have been accurate in all material respects as of the date of the Merger Agreement and shall be accurate in all material respects at and as of the Merger Closing Date as though made at and as of the Merger Closing Date (except to the extent any such representation and warranty speaks as of an earlier specified date, in which case such representation and warranty shall have been true and correct as of such specified date), and (B) other than the representations and warranties referred to in clause (A) above shall have been accurate in all respects as of the date of the Merger Agreement and shall be accurate in all respects at and as of the Merger Closing Date as though made at and as of the Merger Closing Date, except that any inaccuracies in such representations and warranties will be disregarded if the circumstances giving rise to all such inaccuracies do not constitute, and would not reasonably be expected to have, a material adverse effect (except to the extent any such representation and warranty speaks as of an earlier specified date, in which case such representation and warranty shall have been true and correct as of such specified date); provided, however, that for purposes of determining the satisfaction of the conditions listed in clauses (A) and (B) above, all materiality qualifications contained in such representations and warranties shall be disregarded; and

that each of Parent and Merger Sub shall have performed in all material respects its respective obligations required to be performed by it under the Merger Agreement at or prior to the Effective Time.

Solicitation of Alternative Proposals (Page [—])

From the date of the Merger Agreement until the earlier to occur of the termination of the Merger Agreement and the Effective Time, the Company has agreed not to solicit any acquisition proposals or engage in any negotiations or discussions with any person relating to an acquisition proposal. Notwithstanding these restrictions, under certain circumstances, at any time before the Acceptance Time (or, if the Offer is terminated, at any time prior to obtaining stockholder approval), the Company may (i) provide information in response to a request therefor to any third party that has made an alternative proposal and (ii) engage in discussions or negotiations with any third party regarding an alternative proposal, if the Company's board of directors determines in good faith, after consultation with its financial advisors and outside legal counsel, that such alternative proposal constitutes, or could reasonably be expected to lead to, a Superior Offer (as defined herein). The Company has agreed to promptly, and in any event within 24 hours, provide Parent with any information concerning the Company and its subsidiaries that is provided to any third party making an unsolicited Superior Offer. If the Company terminates the Merger Agreement in order to accept a Superior Offer, the Company is required to pay a termination fee of \$24,136,000.

Termination (Page [—])

The Merger Agreement may be terminated at any time prior to the Effective Time, except as otherwise provided in the Merger Agreement, as follows:

by mutual written consent of Parent and the Company;

by either Parent or the Company:

if the Offer Termination occurs and Stockholder Approval is not obtained at the Stockholders' Meeting or any adjournment or postponement thereof, provided that such right to termination is not available to a party if it is in breach of its obligations with respect to the filing of the proxy statement, holding of the Stockholders' Meeting or obtainment of the Stockholder Approval;

if a court of competent jurisdiction or other governmental body has taken any final and non-appealable action that has the effect of permanently restraining, enjoining or otherwise prohibiting the acceptance for payment of Shares pursuant to the Offer or making consummation of the Merger illegal; provided that the right to terminate in this circumstance shall not be available to Parent or the Company if the issuance of such final and non-appealable action is primarily attributable to a failure on the part of such party to perform in any material respect any covenant or obligation required to be performed at or prior to the Effective Time;

if the Merger shall not have been consummated on or before the End Date (i.e., March 22, 2014); provided that such right to terminate the Merger Agreement on the End Date shall not be available to Parent or the Company if the failure of the Merger to be consummated on or before such date is primarily due to the failure Parent or the Company, as applicable, to perform in all material respects any of its obligations the Merger Agreement; or

if, for any reason other than the Offer Termination, the Offer either (x) expires as a result of the non-satisfaction of one or more conditions to the Offer or (y) is terminated or withdrawn prior to the acceptance for payment of any shares of Company common stock pursuant to the Offer (the "Acceptance Time") without Merger Sub accepting for payment any Shares tendered pursuant to the Offer (the "Offer Failure Termination Right"). In addition, this right to terminate the Merger Agreement shall not be available to Parent or the Company if the non-satisfaction of the conditions to the Offer or termination or withdrawal of the Offer is attributable to the failure of such party to perform any covenant or obligation under the Merger Agreement.

by the Company if:

at any time prior to the Acceptance Time, or if an Offer Termination occurs, at any time prior to the Closing, if there is any breach of or inaccuracy in any of Parent's or Merger Sub's representations or warranties set forth in the Merger Agreement or Parent or Merger Sub has failed to perform any of its covenants or agreements set forth in the Merger Agreement, which inaccuracy, breach or failure to perform (i) would give rise to the failure of a condition to the Merger regarding the accuracy of Parent's or Merger Sub's representations and warranties or Parent's or Merger Sub's compliance with its covenants or agreements and (ii) is not capable of being cured prior to March 22, 2014 or is not commenced to have been cured within fifteen days of the date the Company gives Parent notice of such breach or failure to perform; provided that the Company shall not have the right to terminate the Merger Agreement in this circumstance if the Company is then in material breach of any of its representations, warranties, covenants or agreements under the Merger Agreement such that Parent has the right to terminate the Merger Agreement as described above;

at any time prior to the earlier to occur of the Acceptance Time or receipt of the Stockholder Approval in order to accept a Superior Offer and enter into a Specified Agreement, subject to the Company's compliance with its obligations described in the section above titled "No Solicitation" (provided that that payment by the Company of the termination fee described below shall be a condition to the termination of the Merger Agreement by the Company in this circumstance); or;

if the Offer Termination has occurred and (i) the Marketing Period (as defined below) has ended and the conditions to Parent and Merger Sub's obligations to close the Merger have been satisfied, (ii) the Company has irrevocably confirmed that after the end of the Marketing Period all conditions to Parent and Merger Sub's obligations to close the Merger have been satisfied as of the date of such notice (other than those conditions that by their nature are to be satisfied at the Closing) and, if there are any unsatisfied conditions to its obligations to close the Merger (other than those conditions that by their nature are to be satisfied at the Closing) that it is willing to waive such unsatisfied conditions and (iii) the Merger shall not have been consummated within three (3) business days after the delivery of such notice (the "Merger Failure Termination Right").

by Parent if:

at any time prior to the Acceptance Time, or if an Offer Termination occurs, at any time prior to the Closing, if there is a breach of any representation or warranty or failure to perform any covenant in the Merger Agreement on the part of the Company, which inaccuracy, breach or failure to perform

would give rise to (x) if the Offer Termination shall have occurred, the failure of a condition to the Merger regarding the accuracy of the Company's representations and warranties or the Company's compliance with its covenants or agreements or (y) if the Offer Termination shall not have occurred, the failure of a condition to the Offer regarding the accuracy of the Company's representations and warranties or the Company's compliance with its covenants or agreements, and

is not capable of being cured prior to March 22, 2014 or is not commenced to have been cured within fifteen (15) days of the date Parent gives the Company notice of such breach or failure to perform; provided that Parent shall not have the right to terminate the Merger Agreement in this circumstance if Parent or Merger Sub is then in material breach of any of its representations, warranties, covenants or agreements under the Merger Agreement such that the Company has the right to terminate the Merger Agreement as described above; or

at any time prior to the earlier to occur of the Acceptance Time or the receipt of the Stockholder Approval, if (i) the Company has failed (x) to include the Recommendation in the Proxy Statement or Schedule 14D-9 or has effected a Company Adverse Change Recommendation, (y) publicly reaffirm the Recommendation in the absence of a publicly announced Acquisition Proposal within ten (10) business days after Parent so requests in writing and two (2) business days prior to the Stockholders' Meeting, provided that Parent may only make such request once every thirty (30) days, provided further that if an Acquisition Proposal shall have been publicly disclosed, Parent may make such request up to three (3) times every thirty (30) days, or (z) recommend in a Solicitation/Recommendation Statement on Schedule 14D-9 rejection of a tender offer or exchange offer within ten business days after the commencement thereof or (ii) there has been a material breach of the provisions described in the section titled "No Solicitation" above.

Effect of Termination (Page [—])

If the Merger Agreement is terminated in accordance with its terms, the Merger Agreement will be of no further force or effect (subject to certain designated provisions of the Merger Agreement which survive, including provisions relating to expenses, the termination fees, limitations on liability and specific performance, among others) and, other than certain termination fees and reimbursement obligations described below, there will be no liability on the part of Parent, Merger Sub or the Company. No party is relieved of any liability for any willful and material breach of the Merger Agreement prior to the date thereof or for any common law fraud.

Termination Fees (Page [—]); Expenses (Page [—])

The Company has agreed to pay Parent or a person designated by Parent a termination fee of \$24,136,000 (less any expense reimbursement previously paid to Parent by the Company) in certain circumstances described below:

if the Merger Agreement is terminated by the Company in order for the Company to accept a Superior Offer and enter into a Specified Agreement (subject to the terms and conditions of such termination right), with such fee being payable prior to such termination;

if the Merger Agreement is terminated by Parent because the Company has failed (x) to include the Recommendation in the Proxy Statement or Schedule 14D-9 or has effected a Company Adverse Change Recommendation, (y) publicly reaffirm the Recommendation in the absence of a publicly announced Acquisition Proposal within ten (10) business days after Parent so requests in writing and two (2) business days prior to the Stockholders' Meeting, provided that Parent may only make such request once every thirty (30) days, provided further that if an Acquisition Proposal shall have been publicly disclosed, Parent may make such request up to three (3) times every thirty (30) days, or (z) recommend in a Solicitation/Recommendation Statement on Schedule 14D-9 rejection of a tender offer or exchange offer within ten business days after the commencement thereof, in each case, with such fee being payable, within two business days after such termination; and

if the Merger Agreement is terminated by Parent due to a willful breach by the Company of any of its representations, warranties or covenants set forth in the Merger Agreement or by Parent or the Company due to failure to obtain the Stockholder Approval, if required by applicable legal requirements, and (A) after the date of the Merger Agreement but prior to such termination any person shall have publicly disclosed or made known to the Board a *bona fide* Acquisition Proposal (unless such Acquisition Proposal is irrevocably, in good faith and publicly (if publicly made) withdrawn prior to such termination) and (B) within twelve (12) months of such termination the Company shall have entered into a definitive agreement with respect to an Acquisition Proposal or consummated an Acquisition Proposal. For purposes of determining whether the termination fee is payable under the circumstances described in the previous sentence, the term Acquisition Proposal has the meaning described below, except that the references to "20%" in the definition of Acquisition Proposal shall be deemed to be references to "80%." In the event the termination fee is

payable in accordance with the foregoing, such fee shall be payable prior to the consummation of the Acquisition Proposal referred to therein.

Parent has agreed to pay the Company \$48,273,000 (the “Parent Termination Fee”), in certain circumstances described below:

if (i) the Merger Agreement is terminated by Parent because the Effective Time has not occurred by the End Date (as such termination right is described above) and (ii) at the time of such termination all of the conditions to the Offer have been satisfied except for the condition that there shall not have been a termination of the Merger Agreement;

if (i) the Merger Agreement is terminated by the Company because the Effective Time has not occurred by the End Date (as such termination right is described above), (ii) at the time of such termination all of the conditions to the Offer have been satisfied except for the condition that there not have been a termination of the Merger Agreement and (iii) the Company shall have given Parent five (5) business days’ prior written notice of its intent to terminate the Agreement; and

if the Merger Agreement is terminated by the Company pursuant to its Merger Failure Termination Right or the Offer Failure Termination Right (if Parent did not at the time of the Company’s termination have a right to terminate pursuant to the Offer Failure Termination Right) as described above.

In the event the Merger Agreement is terminated by Parent because of the Company’s willful breach of its representations, warranties or covenants contained in the Merger Agreement, the Company is required to reimburse all actual and reasonable out-of-pocket fees and expenses incurred by Parent in connection with the transactions contemplated by the Merger Agreement, in an amount not to exceed \$4,505,000. Payment by the Company of expense reimbursement does not relieve the Company of any subsequent obligation to pay the termination fee as described above.

The Tender and Support Agreements (Page [—])

Concurrently with the execution of the Merger Agreement, certain of the Company's stockholders (Investor Group L.P., Investor Growth Capital Limited and Pamlico Capital II, L.P.), each of the Company's directors (W. Thomas Green, Jr., Wyche T. Green, III, Robert Hensley, Neal Morrison, Thomas T. Richards, Walter Turek and Noah Walley), Gregory H. Schulenburg (the Company's Executive Vice President and Chief Operating Officer), James A. Cochran (the Company's Chief Financial Officer) and William G. Esslinger, Jr. (the Company's Vice President, General Counsel and Secretary), entered into tender and support agreements (each a "Support Agreement" and, collectively, the "Support Agreements") with Parent and Merger Sub pursuant to which, subject to the terms and conditions set forth therein, such stockholders have agreed, among other things, to tender their Shares in the Offer (including any Shares that the holders receive as a result of exercising Company Options) and vote such Shares in favor of adopting the Merger Agreement, the Merger and the other transactions contemplated thereby.

Table of Contents

The Shares subject to the Support Agreements comprise approximately 50.9% of the outstanding Shares. The Support Agreements will terminate upon termination of the Merger Agreement in accordance with its terms in order for the Company to accept a Superior Offer and upon certain other circumstances.

Appraisal Rights (Page [—])

Stockholders are entitled to appraisal rights under Section 262 of the General Corporation Law of the State of Delaware (the “DGCL”) in connection with the Merger, provided that stockholders meet all of the conditions set forth in Section 262 of the DGCL. This means that you are entitled to have the fair value of your shares of Company common stock determined by the Delaware Court of Chancery and to receive payment based on that valuation. The ultimate amount you receive in an appraisal proceeding may be less than, equal to or more than the amount you would have received under the Merger Agreement.

To exercise your appraisal rights, you must submit a written demand for appraisal to the Company before the vote is taken on the Merger Agreement and you must not submit a proxy or otherwise vote in favor of the proposal to adopt the Merger Agreement. Your failure to follow exactly the procedures specified under the DGCL will result in the loss of your appraisal rights. See “Appraisal Rights” beginning on page [—] and the text of Section 262 of the DGCL (the Delaware appraisal rights statute) reproduced in its entirety as **Annex C** to this proxy statement. If you hold your shares of Company common stock through a bank, brokerage firm or other nominee and you wish to exercise appraisal rights, you should consult with your bank, brokerage firm or other nominee to determine the appropriate procedures for the making of a demand for appraisal by such bank, brokerage firm or nominee. In view of the complexity of the DGCL, stockholders who may wish to pursue appraisal rights should consult their legal and financial advisors promptly.

Delisting and Deregistration of Company Common Stock (Page [—])

If the Merger is completed, the Company’s common stock will be delisted from the New York Stock Exchange, or the “NYSE,” and deregistered under the Securities Exchange Act of 1934, as amended, or the “Exchange Act”. As such, we would no longer file periodic reports with the SEC on account of Company common stock.

QUESTIONS AND ANSWERS ABOUT THE SPECIAL MEETING AND THE MERGER

The following questions and answers are intended to address briefly some commonly asked questions regarding the Merger, the Merger Agreement and the special meeting. These questions and answers may not address all questions that may be important to you as a stockholder of the Company. Please refer to the “Summary” and the more detailed information contained elsewhere in this proxy statement, the annexes to this proxy statement and the documents incorporated by reference or referred to in this proxy statement, which you should read carefully and in their entirety. You may obtain the information incorporated by reference in this proxy statement without charge by following the instructions under “Where You Can Find More Information” beginning on page [—].

Q. Why am I receiving this proxy statement?

A. On September 23, 2013, Greenway entered into the Merger Agreement providing for the merger of Merger Sub, a wholly owned subsidiary of Parent, with and into Greenway, with Greenway surviving the merger as a wholly owned subsidiary of Parent. You are receiving this proxy statement and voting instruction form because you own shares of Company common stock. The proxy statement describes matters on which we urge you to vote, including the Merger, and is intended to assist you in deciding how to vote your shares of Company common stock with respect to such matters.

Q. What is the proposed transaction and what effects will it have on the Company?

A. The proposed transaction is the acquisition of the Company by Parent and Merger Sub pursuant to the Merger Agreement. If the proposal to adopt the Merger Agreement is approved by our stockholders and the other closing conditions under the Merger Agreement have been satisfied or waived, Merger Sub will merge with and into the Company. Upon completion of the Merger, Merger Sub will cease to exist and the Company will continue as the Surviving Corporation. As a result of the Merger, the Company will become a wholly owned direct subsidiary of Parent and will no longer be a publicly held corporation, and you will no longer have any interest in our future earnings or growth. In addition, the Company common stock will be delisted from the NYSE and deregistered under the Exchange Act, and we will no longer be required to file periodic reports with the SEC on account of Company common stock.

Q. Did Merger Sub commence a tender offer for shares of Company common stock?

A. Yes. On October 4, 2013, Merger Sub commenced the Offer for all of the outstanding shares of Company common stock at a price of \$20.35 per share, net to seller thereof in cash, without interest thereon and less any required withholding taxes. The Offer was commenced pursuant to the Merger Agreement.

The Merger Agreement provides that the Merger may be consummated regardless of whether the Offer is completed, but if the Offer is not completed and is terminated in accordance with the Merger Agreement, and the Merger Agreement is not terminated, the Merger will only be able to be consummated, subject to the terms and conditions of the Merger Agreement, after the stockholders of the Company have adopted the Merger Agreement at a special meeting of stockholders.

Table of Contents

We have prepared this preliminary proxy statement in connection with the solicitation of proxies for the special meeting to obtain stockholder approval of the adoption of the Merger Agreement in order to be able to consummate the Merger regardless of the outcome of the Offer.

If the Offer is terminated, regardless of whether you tendered your shares of Company common stock in the Offer, you may vote your shares at the special meeting because you were a stockholder as of the record date of the meeting.

Q. What will I receive if the Merger is completed?

A. Upon completion of the Merger, you will be entitled to receive the per share Merger Consideration of \$20.35 in cash, without interest and less any required withholding taxes, for each share of Company common stock that you own, unless you have properly exercised and not lost or withdrawn your appraisal rights under the DGCL with respect to such shares. For example, if you own 100 shares of Company common stock, you will receive \$2,035 in cash in exchange for your shares of Company common stock, less any required withholding taxes. You will not own any shares of the capital stock in the Surviving Corporation.

Q. When do you expect the Merger to be completed?

A. We are working towards completing the Merger as soon as possible. If the Merger is approved at the special meeting then, assuming timely satisfaction of the other necessary closing conditions, we anticipate that the Merger will be completed promptly thereafter.

Q. When will I receive the cash payment for my shares of Company common stock?

A. Assuming that you do not elect to exercise your appraisal rights, shortly after the effective time of the Merger, Computershare Trust Company, N.A., will send to you a letter of transmittal with instructions regarding the surrender of your shares in exchange for the Merger Consideration. Once you have delivered an executed copy of the letter of transmittal together with any other required documentation to Computershare Trust Company, N.A., it will promptly pay, on behalf of Parent, the Merger Consideration owing to you, less any required withholding taxes.

Q. What happens if the Merger is not completed?

A. If the Merger Agreement is not adopted by the stockholders of the Company or if the Merger is not completed for any other reason, the stockholders of the Company will not receive any payment for their shares of Company

common stock. Instead, the Company will remain an independent public company, and Company common stock will continue to be listed and traded on the NYSE. Under specified circumstances, the Company may be required to pay to Parent, or may be entitled to receive from Parent, a fee with respect to the termination of the Merger Agreement, as described under “The Merger Agreement—Termination Fees” beginning on page [—].

Table of Contents

Q Is the Merger expected to be taxable to me?

Yes. The exchange of shares of Company common stock for cash in the Merger will generally be a taxable transaction to United States Holders for United States federal income tax purposes. In general, a United States Holder whose shares of Company common stock are converted into the right to receive cash in the Merger will recognize gain or loss for United States federal income tax purposes in an amount equal to the difference, if any, between the amount of cash received with respect to such shares (determined before the deduction of any required withholding taxes) and its adjusted tax basis in such shares. Backup withholding may also apply to the cash payments made pursuant to the Merger unless the United States Holder or other payee provides a taxpayer identification number, certifies that such number is correct and otherwise complies with the backup withholding rules.

Payments made to a non-United States Holder with respect to shares of Company common stock exchanged for cash pursuant to the Merger will generally be exempt from United States federal income tax. A non-United States Holder may, however, be subject to backup withholding with respect to the cash payments made pursuant to the Merger, unless the holder certifies that it is not a United States person or otherwise establishes a valid exemption from backup withholding tax.

You should read “Proposal 1—The Merger—Material United States Federal Income Tax Consequences of the Merger” beginning on page [—] for definitions of “United States Holder” and “non-United States Holder,” and for a more detailed discussion of the material United States federal income tax consequences of the Merger. You should also consult your tax advisor with respect to the specific tax consequences to you in connection with the Merger in light of your own particular circumstances, including federal estate, gift and other non-income tax consequences, and tax consequences under state, local or foreign tax laws.

Q. Do any of the Company’s directors or officers have interests in the Merger that may differ from or be in addition to my interests as a stockholder?

Yes. In considering the recommendation of the Board with respect to the proposal to adopt the Merger Agreement, you should be aware that our directors and executive officers have interests in the Merger that are different from, or in addition to, the interests of our stockholders generally. The Board was aware of and considered these interests, among other matters, in evaluating and negotiating the Merger Agreement and the Merger, and in recommending that the Merger Agreement be adopted by the stockholders of the Company. See “Proposal 1—The Merger—Interests of Certain Persons in the Merger” beginning on page [—].

Q. How do I vote?

A. If you are a stockholder of record (that is, if your shares of Company common stock are registered in your name with Computershare Trust Company, N.A., our transfer agent), there are four ways to vote:

Telephone Voting: You may vote by calling the toll-free telephone number indicated on your proxy card. Please follow the voice prompts that allow you to vote your shares of Company common stock and confirm that your instructions have been properly recorded.

Internet Voting: You may vote by logging on to the website indicated on your proxy card. Please follow the website prompts that allow you to vote your shares of Company common stock and confirm that your instructions have been properly recorded.

Return Your Proxy Card By Mail: You may vote by completing, signing and returning the proxy card in the postage-paid envelope provided with this proxy statement. The proxy holders will vote your shares of Company common stock according to your directions. If you sign and return your proxy card without specifying choices, your shares of Company common stock will be voted by the persons named in the proxy in accordance with the recommendations of the Board as set forth in this proxy statement. If you vote by returning your proxy card by mail, your proxy card must be received by us before 11:59 p.m. Eastern Time on [—].

Vote at the Meeting: You may cast your vote in person at the special meeting. Written ballots will be passed out to stockholders or legal proxies who want to vote in person at the meeting.

Telephone and Internet voting for stockholders of record will be available 24 hours a day and will close at 11:59 p.m. Eastern Time on [—]. Telephone and Internet voting is convenient, provides postage and mailing cost savings and is recorded immediately, minimizing the risk that postal delays may cause votes to arrive late and therefore not be counted.

Even if you plan to attend the special meeting, you are encouraged to vote your shares of Company common stock by proxy. You may still vote your shares of Company common stock in person at the meeting even if you have previously voted by proxy. If you are present at the meeting and desire to vote in person, your previous vote by proxy will not be counted.

Q. What if I hold my shares of Company common stock in “street name”?

You should follow the voting directions provided by your bank, brokerage firm or other nominee. You may complete and mail a voting instruction card to your bank, brokerage firm or other nominee or, in most cases, submit voting instructions by telephone or the Internet to your bank, brokerage firm or other

- A. nominee. If you provide specific voting instructions by mail, telephone or the Internet, your bank, brokerage firm or other nominee will vote your shares of Company common stock as you have directed. Please note that if you wish to vote in person at the special meeting, you must provide a legal proxy from your bank, brokerage firm or other nominee at the special meeting.

Table of Contents

If you do not instruct your bank, brokerage firm or other nominee to vote your shares of Company common stock, your shares will not be voted and the effect will be the same as a vote “**AGAINST**” the proposal to adopt the Merger Agreement, and your shares of Company common stock will not have an effect on the proposal to adjourn the special meeting or the non-binding advisory proposal to approve the golden parachute compensation payable to our named executive officers in connection with the Merger.

Q. Can I change my mind after I vote?

A. Yes. If you are a stockholder of record, you may change your vote or revoke your proxy at any time before it is voted at the special meeting by:

- submitting a new proxy by telephone or via the Internet after the date of the earlier voted proxy;
- signing another proxy card with a later date and returning it to us prior to the special meeting; or
- attending the special meeting and voting in person.

If you hold your shares of Company common stock in street name, you may submit new voting instructions by contacting your bank, brokerage firm or other nominee. You may also vote in person at the special meeting if you obtain a legal proxy from your bank, brokerage firm or other nominee.

Q. Who will count the votes?

A. A representative of [—] will count the votes and will serve as the independent inspector of elections.

Q. What does it mean if I receive more than one proxy card?

A. It means that you have multiple accounts with brokers or our transfer agent. Please vote all of these shares. We encourage you to register all of your shares of Company common stock in the same name and address. You may do this by contacting your broker or our transfer agent. Our transfer agent may be reached at (781) 575-2332 or at the following address:

Computershare Trust Company, N.A.
P.O. Box 43011
Providence, RI 02940-3011

Q. Will my shares of Company common stock be voted if I do not provide my proxy?

A. If you are the stockholder of record and you do not vote or provide a proxy, your shares of Company common stock will not be voted.

Table of Contents

If your shares of Company common stock are held in street name, they may not be voted if you do not provide the bank, brokerage firm or other nominee with voting instructions. Currently, banks, brokerage firms or other nominees have the authority under NYSE rules to vote shares of Company common stock for which their customers do not provide voting instructions on certain “routine” matters.

However, banks, brokerage firms or other nominees are precluded from exercising their voting discretion with respect to approving non-routine matters, such as the proposal to adopt the Merger Agreement, the proposal to approve the adjournment of the special meeting, if necessary or appropriate to solicit additional proxies and the non-binding advisory proposal to approve the golden parachute compensation payable to our named executive officers in connection with the Merger and, as a result, absent specific instructions from the beneficial owner of such shares of Company common stock, banks, brokerage firms or other nominees are not empowered to vote those shares of Company common stock on non-routine matters, which we refer to generally as “broker non-votes”.

Q. May stockholders ask questions at the special meeting?

A. Yes. Our representatives will answer stockholders’ questions of general interest following the meeting consistent with the rules distributed at the meeting.

Q. How many votes must be present to hold the meeting?

A. A majority of the outstanding shares of Company common stock entitled to vote at the special meeting, represented in person or by proxy, will constitute a quorum. Shares of Company common stock represented in person or by proxy, including abstentions and broker non-votes, will be counted for purposes of determining whether a quorum is present.

Q. What vote is required to approve each proposal?

A. The adoption of the Merger Agreement requires the affirmative vote of the holders of a majority of the outstanding shares of Company common stock entitled to vote thereon. Because the affirmative vote required to approve the proposal to adopt the Merger Agreement is based upon the total number of outstanding shares of Company common stock, if you fail to submit a proxy or vote in person at the special meeting, or abstain, or you do not provide your bank, brokerage firm or other nominee with voting instructions, as applicable, this will have the same effect as a vote “**AGAINST**” the proposal to adopt the Merger Agreement.

Approval of the proposal to adjourn the special meeting, if necessary or appropriate, for the purpose of soliciting additional proxies requires the affirmative vote of the holders of a majority in voting power of the shares of Company common stock present in person or represented by proxy and entitled to vote on the matter at the special meeting. Abstaining will have the same effect as a vote “**AGAINST**” the proposal to adjourn the special meeting, if necessary or

appropriate. If you fail to submit a proxy or to vote in person at the special meeting or if your shares of Company common stock are held through a bank, brokerage firm or other nominee and you do not instruct your bank, brokerage firm or other nominee on how to vote your shares of Company common stock, your shares of Company common stock will not be voted, but this will not have an effect on the proposal to adjourn the special meeting.

Table of Contents

Approval of the advisory (non-binding) proposal to approve the specified compensation that may become payable to our named executive officers in connection with the Merger requires the affirmative vote of the holders of a majority in voting power of the shares of our common stock present in person or represented by proxy and entitled to vote on the matter at the special meeting. Abstaining will have the same effect as a vote “**AGAINST**” the advisory (non-binding) proposal to approve the specified compensation. If you fail to submit a proxy or to vote in person at the special meeting or if your shares of Greenway common stock are held through a bank, brokerage firm or other nominee and you do not instruct your bank, brokerage firm or other nominee on how to vote your shares of Greenway common stock, your shares of our common stock will not be voted, but this will not have an effect on the advisory (non-binding) proposal to approve the specified compensation that may become payable to our named executive officers in connection with the Merger.

Q. How are votes counted?

A. On the proposal to adopt the Merger Agreement, you may vote “**FOR**,” “**AGAINST**” or “**ABSTAIN**”. Abstentions and broker non-votes will have the same effect as votes “**AGAINST**” the proposal to adopt the Merger Agreement.

On the proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies, you may vote “**FOR**,” “**AGAINST**” or “**ABSTAIN**”. Abstentions will have the same effect as if you voted “**AGAINST**” the proposal, but broker non-votes will not have an effect on the proposal.

On the advisory (non-binding) proposal to approve the specified compensation, you may vote “**FOR**,” “**AGAINST**” or “**ABSTAIN**”. Abstentions will have the same effect as if you voted “**AGAINST**” the proposal, but broker non-votes will not have an effect on the proposal.

Q. Why am I being asked to cast a vote on an advisory (non-binding) proposal to approve the specified compensation that may become payable to our named executive officers in connection with the Merger?

A. In accordance with the rules promulgated by the SEC, under Section 14A of the Exchange Act, we are providing our stockholders with the opportunity to cast a vote on a non-binding advisory proposal to approve the golden parachute compensation payable to our named executive officers in connection with the Merger. See “Proposal 3—Advisory Vote Regarding Executive Compensation.”

Q. What will happen if stockholders do not approve the advisory proposal on executive compensation payable to our named executive officers in connection with the Merger?

A. Approval of this proposal is not a condition to the completion of the Merger. The vote on this proposal is an advisory vote and will not be binding on us or Parent. Further, the underlying plans and arrangements are

contractual in nature and not, by their terms, subject to stockholder approval. Accordingly, regardless of the outcome of the non-binding advisory vote, if the Merger Agreement is adopted by the stockholders and completed, the specified compensation that may become payable to our named executive officers in connection with the Merger may be paid even if stockholders fail to approve this proposal.

Q. What happens if I sell my shares of Company common stock before the special meeting?

A. The record date for stockholders entitled to vote at the special meeting is earlier than both the date of the special meeting and the consummation of the Merger. If you transfer your shares of Company common stock after the record date but before the special meeting, unless special arrangements (such as provision of a proxy) are made between you and the person to whom you transfer your shares and each of you notifies the Company in writing of such special arrangements, you will retain your right to vote such shares at the special meeting but will transfer the right to receive the per share Merger Consideration to the person to whom you transfer your shares.

Q. Who will solicit and pay the cost of soliciting proxies?

A. The Company is paying the cost of soliciting these proxies. Our directors, officers and employees may solicit proxies in person or by telephone, mail, facsimile, email or otherwise, but they will not receive additional compensation for their services. We agreed to pay [—] a fee of approximately \$[—] for its services and to reimburse reasonable out of pocket expenses.

If you are a beneficial owner, please refer to the instructions provided by your bank, brokerage firm or other nominee to see which of the above choices are available to you.

Q. Should I send in my stock certificates now?

A. No. You will be sent a letter of transmittal as soon as reasonably practicable after the completion of the Merger, describing how you may exchange your shares of Company common stock for the per share Merger Consideration. If your shares of Company common stock are held in “street name” by your bank, brokerage firm or other nominee, you will receive instructions from your bank, brokerage firm or other nominee as to how to effect the surrender of your “street name” shares of Company common stock in exchange for the per share Merger Consideration. **Please do NOT return your stock certificate(s) with your proxy.**

Table of Contents

Q. I already sent my stock certificates to Computershare Trust Company, N.A., in connection with the Offer. What do I need to do to get my Merger Consideration?

If the Offer has been terminated, your stock certificates will be returned to you. If you tendered your shares by book-entry transfer into Computershare Trust Company, N.A.'s account at The Depository Trust Company ("DTC"), those shares will be credited to an account maintained at the DTC, promptly following the termination of the Offer. If the Merger Agreement is adopted and other conditions to the Merger are satisfied, shortly after the Merger is completed you will receive a new letter of transmittal with instructions informing you how to send in your stock certificates to Computershare Trust Company, N.A., the paying agent appointed by Parent. **YOU SHOULD NOT SEND ANY STOCK CERTIFICATES WITH YOUR PROXY CARD.** If the Offer is consummated prior to the special meeting, you will receive payment in accordance with the documents you received in connection with the Offer.

THE SPECIAL MEETING

Time, Place and Purpose of the Special Meeting

This proxy statement is being furnished to our stockholders as part of the solicitation of proxies by the Board for use at the special meeting to be held on [—], starting at [—], Eastern Time, at [—], or at any postponement or adjournment thereof. At the special meeting, holders of Company common stock will be asked to approve the proposal to adopt the Merger Agreement, to approve the proposal to adjourn the special meeting, if necessary or appropriate, for the purpose of soliciting additional proxies if there are insufficient votes at the time of the special meeting to approve the proposal to adopt the Merger Agreement, and to approve an advisory (non-binding) proposal to approve the specified compensation that may become payable to our named executive officers in connection with the Merger.

If the Offer is not consummated, our stockholders must approve the proposal to adopt the Merger Agreement in order for the Merger to occur. If our stockholders fail to approve the proposal to adopt the Merger Agreement, the Merger will not occur. A copy of the Merger Agreement is attached as **Annex A** to this proxy statement, which we encourage you to read carefully in its entirety.

Record Date and Quorum

We have fixed the close of business on [—] as the record date for the special meeting, and only holders of record of Company common stock on the record date are entitled to vote at the special meeting. You are entitled to receive notice of, and to vote at, the special meeting if you owned shares of Company common stock at the close of business on the record date. On the record date, there were [—] shares of Company common stock outstanding and entitled to vote. Each share of Company common stock entitles its holder to one vote on all matters properly coming before the special meeting.

The presence, in person or by proxy, of the holders of a majority of the shares of Company common stock outstanding at the close of business on the record date and entitled to vote at the special meeting constitutes a quorum for the purposes of the special meeting. Shares of Company common stock represented at the special meeting but not voted, or shares of Company common stock for which a stockholder directs an “abstention” from voting, as well as broker non-votes, will be counted for purposes of establishing a quorum. A quorum is necessary to transact business at the special meeting. Once a share of Company common stock is represented at the special meeting, it will be counted for the purpose of determining a quorum at the special meeting and any adjournment of the special meeting. However, if a new record date is set for the adjourned special meeting, then a new quorum will have to be established. In the event that a quorum is not present at the special meeting, it is expected that the special meeting will be adjourned or postponed.

Attendance

Only stockholders of record or their duly authorized proxies have the right to attend the special meeting. To gain admittance, you must present a valid photo identification, such as a driver's license or passport. If your shares of Company common stock are held through a bank, brokerage firm or other nominee, please bring to the special meeting a copy of your brokerage statement evidencing your beneficial ownership of Company common stock and a valid photo identification. If you are the representative of a corporate or institutional stockholder, you must present valid photo identification along with proof that you are the representative of such stockholder. Please note that cameras, recording devices and other electronic devices will not be permitted at the special meeting.

Vote Required

Approval of the proposal to adopt the Merger Agreement requires the affirmative vote of the holders of a majority of the outstanding shares of Company common stock entitled to vote thereon. On the proposal to adopt the Merger Agreement, you may vote **FOR, AGAINST** or **ABSTAIN**. Abstentions will not be counted as votes cast in favor of the proposal to adopt the Merger Agreement but will count for the purpose of determining whether a quorum is present. **If you fail to submit a proxy or to vote in person at the special meeting, or abstain, it will have the same effect as a vote "AGAINST" the proposal to adopt the Merger Agreement.**

If your shares of Company common stock are registered directly in your name with our transfer agent, Computershare Trust Company, N.A., you are considered, with respect to those shares of Company common stock, the "stockholder of record." This proxy statement and proxy card have been sent directly to you by the Company.

If your shares of Company common stock are held through a bank, brokerage firm or other nominee, you are considered the "beneficial owner" of shares of Company common stock held in street name. In that case, this proxy statement has been forwarded to you by your bank, brokerage firm or other nominee who is considered, with respect to those shares of Company common stock, the stockholder of record. As the beneficial owner, you have the right to direct your bank, brokerage firm or other nominee how to vote your shares by following their instructions for voting.

Under NYSE rules, banks, brokerage firms or other nominees who hold shares in street name for customers have the authority to vote on "routine" proposals when they have not received instructions from beneficial owners. However, banks, brokerage firms or other nominees are precluded from exercising their voting discretion with respect to approving non-routine matters, such as the proposal to adopt the Merger Agreement, and, as a result, absent specific instructions from the beneficial owner of such shares of Company common stock, banks, brokerage firms or other nominees are not empowered to vote those shares of Company common stock on non-routine matters, which we refer to generally as "broker non-votes". **These broker non-votes will be counted for purposes of determining a quorum,**

but will have the same effect as a vote “AGAINST” the proposal to adopt the Merger Agreement.

The proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies requires the affirmative vote of the holders of a majority in voting power of the shares of Company common stock present in person or represented by proxy and entitled to vote on the matter at the special meeting. On the proposal to adjourn the special meeting, if necessary or appropriate, you may vote **FOR, AGAINST** or **ABSTAIN**. For purposes of this proposal, if your shares of Company common stock are present at the special meeting but are not voted on this proposal, or if you have given a proxy and abstained on this proposal, this will have the same effect as if you voted **“AGAINST”** the proposal. Failure to submit a proxy or vote in person at the special meeting and broker non-votes on the issue will not be counted in respect of, and will not have an effect on, the proposal to adjourn the special meeting.

Table of Contents

The advisory (non-binding) proposal to approve the specified compensation that may become payable to our named executive officers in connection with the Merger requires the affirmative vote of the holders of a majority in voting power of the shares of Company common stock present in person or represented by proxy and entitled to vote on the matter at the special meeting. On the non-binding proposal to approve the specified compensation, you may vote **FOR, AGAINST** or **ABSTAIN**. For purposes of this proposal, if your shares of Company common stock are present at the special meeting but are not voted on this proposal, or if you have given a proxy and abstained on this proposal, this will have the same effect as if you voted “**AGAINST**” the proposal. Broker non-votes on the issue will not be counted in respect of, and will not have an effect on, the non-binding proposal to approve the golden parachute compensation. Assuming a quorum is present, failure to submit a proxy or vote in person at the special meeting will also not have any effect on the proposal.

All of our directors, and certain of our executive officers and significant stockholders, have agreed to vote at the Special Meeting and vote in favor of the proposal to adopt the Merger Agreement pursuant to the Support Agreements. These stockholders hold approximately 50.9% of our outstanding common stock. As a result of the commitments of these stockholders to participate in the Special Meeting, we expect that holders of a majority of the outstanding shares of our common stock entitled to vote at the Special Meeting will vote in favor of the proposal to adopt the Merger Agreement, and that the proposal will be approved.

Most of our stockholders have three options for submitting their votes: (i) by telephone, (ii) via the Internet, or (iii) by mail. If your stock is held by a broker, bank or other nominee (i.e., in street name), you will receive instructions from the registered holder that you must follow in order to have your shares voted. If you hold your shares in your own name (i.e., as a holder of record), you may instruct the persons named as proxies how to vote your shares by signing, dating and mailing the proxy card in the envelope provided. Of course, you are always welcome to come to the meeting and vote your shares in person.

If you are a beneficial owner, you will receive instructions from your bank, brokerage firm or other nominee that you must follow in order to have your shares of Company common stock voted. Those instructions will identify which of the above choices are available to you in order to have your shares voted. Please note that if you are a beneficial owner and wish to vote in person at the special meeting, you must provide a legal proxy from your bank, brokerage firm or other nominee.

Please refer to the instructions on your proxy or voting instruction card to determine the deadlines for voting over the Internet or by telephone. If you choose to vote by mailing a proxy card, your proxy card must be filed with our General Counsel and Corporate Secretary by the time the special meeting begins. **Please do not send in your stock certificates with your proxy card.** When the Merger is completed, a separate letter of transmittal will be mailed to you that will enable you to receive the per share Merger Consideration in exchange for your stock certificates.

Table of Contents

If you vote by proxy, regardless of the method you choose to vote, the individuals named on the enclosed proxy card, and each of them with full power of substitution, or your proxies, will vote your shares of Company common stock in the way that you indicate. When completing the Internet or telephone processes or the proxy card, you may specify whether your shares of Company common stock should be voted for or against or to abstain from voting on all, some or none of the specific items of business to come before the special meeting.

If you properly sign your proxy card but do not mark the boxes showing how your shares of Company common stock should be voted on a matter, the shares of Company common stock represented by your properly signed proxy will be voted “**FOR**” the proposal to adopt the Merger Agreement, “**FOR**” the proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies, and “**FOR**” the non-binding proposal to approve the golden parachute compensation.

If you have any questions or need assistance voting your shares, please call [—] toll-free at [—].

IT IS IMPORTANT THAT YOU VOTE YOUR SHARES OF COMPANY COMMON STOCK PROMPTLY. WHETHER OR NOT YOU PLAN TO ATTEND THE SPECIAL MEETING, PLEASE COMPLETE, DATE, SIGN AND RETURN, AS PROMPTLY AS POSSIBLE, THE ENCLOSED PROXY CARD IN THE ACCOMPANYING PREPAID REPLY ENVELOPE, OR SUBMIT YOUR PROXY BY TELEPHONE OR THE INTERNET. STOCKHOLDERS WHO ATTEND THE SPECIAL MEETING MAY REVOKE THEIR PROXIES BY VOTING IN PERSON.

As of [—], the record date, the directors and executive officers of the Company beneficially owned and were entitled to vote, in the aggregate, [—] shares of Company common stock (excluding any shares of Company common stock deliverable upon exercise or conversion of any options or restricted stock units), representing [—]% of the outstanding shares of Company common stock on the record date. The directors and executive officers have informed the Company that they currently intend to vote all of their shares of Company common stock “**FOR**” the proposal to adopt the Merger Agreement, “**FOR**” the proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies, and “**FOR**” the advisory (non-binding) proposal to approve the specified compensation.

Proxies and Revocation

Any stockholder of record entitled to vote at the special meeting may vote by telephone, over the Internet, by returning the enclosed proxy card in the accompanying prepaid reply envelope, or may vote in person at the special meeting. If your shares of Company common stock are held in “street name” by your bank, brokerage firm or other nominee, you should instruct your bank, brokerage firm or other nominee on how to vote your shares of Company common stock using the instructions provided by your bank, brokerage firm or other nominee. If you fail to submit a

proxy or vote in person at the special meeting, or abstain, or do not provide your bank, brokerage firm or other nominee with voting instructions, as applicable, your shares of Company common stock will not be voted on the proposal to adopt the Merger Agreement, which will have the same effect as a vote “**AGAINST**” the proposal to adopt the Merger Agreement.

Table of Contents

If you are a stockholder of record, you have the right to revoke a proxy, whether delivered over the Internet, by telephone or by mail, at any time before it is voted at the special meeting by:

- submitting a new proxy by telephone or via the Internet after the date of the earlier voted proxy:
- signing another proxy card with a later date and returning it to us prior to the special meeting; or
- attending the special meeting and voting in person.

If you hold your shares in street name, you may submit new voting instructions by contacting your bank, brokerage firm or other nominee. You may also vote in person at the special meeting if you obtain a legal proxy from your bank, brokerage firm or other nominee.

Adjournments and Postponements

Although it is not currently expected, the special meeting may be adjourned or postponed, including for the purpose of soliciting additional proxies, if there are insufficient votes at the time of the special meeting to approve the proposal to adopt the Merger Agreement or if a quorum is not present at the special meeting. Other than an announcement to be made at the special meeting of the time, date and place of an adjourned meeting, an adjournment generally may be made without notice.

Any adjournment or postponement of the special meeting for the purpose of soliciting additional proxies will allow the Company's stockholders who have already sent in their proxies to revoke them at any time prior to their use at the special meeting as adjourned or postponed.

Anticipated Date of Completion of the Merger

We are working towards completing the Merger as soon as possible. If the Merger is approved at the stockholders meeting, then, assuming timely satisfaction of the other necessary closing conditions, we anticipate that the Merger will be completed promptly thereafter.

Rights of Stockholders Who Seek Appraisal

Stockholders that do not vote for the adoption of the Merger Agreement, and who precisely comply with the procedures specified under Section 262 of the DGCL, are entitled to appraisal rights under Section 262 of the DGCL in connection with the Merger. This means that you are entitled to have the fair value of your shares of Company common stock determined by the Delaware Court of Chancery and to receive payment based on that valuation in lieu of the right to receive \$20.35 per share of Company common stock in cash, without interest and less any required withholding taxes. The ultimate amount you receive in an appraisal proceeding may be less than, equal to or more than the amount you would have received under the Merger Agreement.

Table of Contents

To exercise your appraisal rights, you must submit a written demand for appraisal to the Company before the vote is taken on the Merger Agreement and you must not vote in favor of the proposal to adopt the Merger Agreement. Your failure to follow exactly the procedures specified under Section 262 of the DGCL may result in the loss of your appraisal rights. See “Appraisal Rights” beginning on page [—] and the text of Section 262 of the Delaware appraisal rights statute reproduced in its entirety as **Annex C** to this proxy statement. If you hold your shares of Company common stock through a bank, brokerage firm or other nominee and you wish to exercise appraisal rights, you should consult with your bank, brokerage firm or other nominee to determine the appropriate procedures for the making of a demand for appraisal by your bank, brokerage firm or nominee, In view of the complexity of the DGCL, stockholders who may wish to pursue appraisal rights should consult their legal and financial advisors.

Payment of Solicitation Expenses

The Company is paying the cost of soliciting these proxies. The Company may reimburse brokers, banks and other custodians, nominees and fiduciaries representing beneficial owners of shares of Company common stock for their reasonable out-of-pocket expenses in forwarding soliciting materials to beneficial owners of Company common stock and in obtaining voting instructions from those owners. Our directors, officers and employees may also solicit proxies by telephone, by facsimile, by mail, on the Internet or in person. They will not be paid any additional amounts for soliciting proxies. We agreed to pay [—] a fee of approximately \$[—] for its services and to reimburse its reasonable out of pocket expenses.

Questions and Additional Information

If you have more questions about the Merger or how to submit your proxy, or if you need additional copies of this proxy statement or the enclosed proxy card or voting instructions, please call [—] toll-free at [—].

Background of the Merger Agreement

Greenway is a leading provider of integrated information technology solutions and managed business services to physician and mid-level healthcare providers, many of whom are organized in group practices that are independent, part of healthcare enterprises, or owned by hospitals, as well as retail and other ambulatory clinics, and alternative care venues.

Prior to and following the time of Greenway's initial public offering in February 2012, Greenway's management and Board have focused on implementing a business strategy that is designed to guide Greenway to becoming the most trusted and effective provider of technology solutions and managed business services to medical providers. Greenway's strategic plan has not historically included a sale of the company. However, the decision of the Board on September 23, 2013 to, among other things, unanimously determine that the Merger Agreement and the Transactions, including the Offer and the Merger, are advisable to, and in the best interests of, Greenway and its stockholders, ultimately resulted from the following series of events.

On March 1, 2013, representatives of Vista contacted representatives of J.P. Morgan (due to J.P. Morgan's involvement in Greenway's initial public offering) to indicate Vista's interest in potentially combining Greenway with one of Vista's portfolio companies, Vitera Healthcare Solutions, LLC ("Vitera"), and to ask J.P. Morgan about the possibility of arranging a call or a meeting with Greenway. Neither Greenway nor J.P. Morgan solicited this indication of interest.

On or about March 5, 2013, representatives of J.P. Morgan contacted Wyche T. Green, III (Greenway's President Chief Executive Officer). After some discussion, Mr. Green asked J.P. Morgan to arrange a potential meeting with Vista. Mr. Green subsequently informed the Board of his conversation with J.P. Morgan, Vista's potential interest in Greenway, and the potential meeting with Vista.

On May 17, 2013, Mr. Green, James Cochran (Greenway's Chief Financial Officer) and D. Neal Morrison (a member of Greenway's Board) met with members of the Vista team, as well as a member of Vitera's management team, at Greenway's headquarters in Carrollton, Georgia. At the meeting, representatives of Greenway, Vista and Vitera each discussed their perspective on the ambulatory healthcare market, presented an overview of their respective businesses and discussed potential strategic benefits and synergies of combining Greenway with Vitera.

After the May 17, 2013 meeting, Vista reiterated to J.P. Morgan its interest in pursuing further discussions relating to the possibility of combining Greenway with Vitera, and requested that Greenway provide limited and targeted data to help inform Vista's interest in Greenway.

Between May 18, 2013 and June 4, 2013, representatives from Greenway and J.P. Morgan had several discussions relating to the status and possibility of a business combination, as well as other topics related to a possible transaction.

Table of Contents

On May 22, 2013, Mr. Green and a representative of Vista spoke telephonically about the possible combination transaction and the information Vista would need from Greenway at that stage. A representative of Vista sent a follow up email on May 24, 2013, with targeted questions and data requests meant to assist Vista in preparing a more informed sense of valuation.

On May 31, 2013, a representative of Vista followed up with Mr. Green to ask when Vista would receive the information that they had requested. Shortly after this call, representatives from J.P. Morgan advised Vista that in order for Greenway to provide the requested information, Vista would first need to execute a confidentiality agreement.

On June 5, 2013, J.P. Morgan sent Vista a draft confidentiality agreement, which was prepared by Paul Hastings LLP (“Paul Hastings”), Greenway’s outside corporate counsel. Greenway and Vista negotiated the terms of the confidentiality agreement, including customary “standstill” provisions, over the next several days.

On June 10, 2013, J.P. Morgan met telephonically with members of Greenway’s management team. J.P. Morgan recommended that Greenway’s management begin reviewing and collecting the requested information for Vista, and J.P. Morgan indicated that it would form a preliminary view on Greenway’s valuation and a potential pro forma combination between Greenway and Vitera, as well as prepare a list of potential next steps and guidance relating to the process going forward for the Board. After informal consultation with the Board, Greenway’s management team began collecting the relevant information.

On June 13, 2013, the Board met telephonically to discuss a potential business combination with Vitera. J.P. Morgan led a discussion relating to an overview of a potential transaction, and provided a draft preliminary valuation analysis. J.P. Morgan also presented background information on both Vista and Vitera, reviewed recent transactions in the healthcare information technology sector, and provided an overview of Vista’s due diligence request. After a discussion, the Board concluded that, while the Board was satisfied with Greenway’s performance and strategy as a stand-alone company, it should continue to review and consider Vista’s interest in Greenway as it could potentially be advantageous for its stockholders. The Board directed management to continue limited discussions with Vista, to provide information on a limited basis to Vista, to finalize, with the assistance of Paul Hastings, a confidentiality agreement between Greenway and Vista, which should take into consideration that Vitera is in the same industry as Greenway and should address the Board’s concern that Greenway should not share proprietary or sensitive information with certain people at Vitera. The Board also instructed management that any discussion with Vista about going forward with a potential transaction would be premature at this point. The Board also discussed the appropriateness of formally engaging J.P. Morgan to assist with the process and any resulting transaction as well as the need for confidentiality, as rumors of a possible transaction could create customer concerns and disruptions, and impact Greenway’s business.

On June 14, 2013, Greenway and Vista signed the confidentiality agreement, which included customary “standstill” provisions prohibiting Vista and its representatives from taking certain actions involving or with respect to Greenway (except that Vista was permitted to submit a private proposal to Greenway) for a period of one year, and a prohibition against Vista disclosing any confidential information to Vitera without Greenway’s prior written consent (the “Confidentiality Agreement”).

Table of Contents

Beginning on or around June 18, 2013 and through the signing of the Merger Agreement, the management of Greenway provided representatives of Vista and Vitera responses to various due diligence requests, participated in due diligence calls with representatives of Vista and Vitera and provided product demonstrations to representatives of Vista.

On June 24, 2013, the Board met telephonically to discuss engaging J.P. Morgan to act as Greenway's financial advisor, and considered J.P. Morgan's previous relationships with Vista and its portfolio companies, as well as the terms of such an engagement. William G. Esslinger, Jr. (Greenway's Vice President, General Counsel and Secretary) and a representative from Paul Hastings led the discussion with the Board and answered the Board's questions.

On June 25, 2013, Greenway's management met telephonically with Vista's management to review the information provided during the week of June 17, 2013, and to answer initial due diligence questions.

On June 28, 2013, subsequent to Vista's review of the initial and limited information provided to by Greenway's management, representatives of Vista called representatives of J.P. Morgan to express Vista's continued interest in Greenway and to indicate that Vista was interested in combining Vitera with Greenway in a transaction at a cash price of \$18.50 per share. Representatives of Vista indicated that Vista thought \$18.50 per share was extremely compelling, and was deliberately high in order to demonstrate Vista's seriousness as its initial offer was well above the closing price of \$12.14 on that date. Representatives of Vista also indicated that, while Vista was willing to structure the deal in such a manner as to provide a high degree of deal certainty, including its willingness to explore a nontraditional commitment to consummate the transaction even if Vista's debt financing was not available, Vista would expect certain key deal terms in exchange for such transaction certainty and approach.

On June 30, 2013, the Board met telephonically and representatives of J.P. Morgan updated the Board on their discussion with Vista on June 28, 2013. Representatives of J.P. Morgan then led the Board through another presentation on Greenway's preliminary valuation. Representatives of Paul Hastings and J.P. Morgan also discussed issues related to deal structure, financing, closing certainty and risks related to the offer and a deal with Vista. The Board agreed that Vista's offer was serious and worth pursuing further, but that the offer was not at a point that could be accepted without further consideration of all issues and negotiation of a possibly higher price. The Board then authorized Greenway's management to continue discussions with Vista and to provide Vista with additional information, including certain unaudited forecasts (the "Company Case 1 Projections"), to attempt to increase Vista's offer.

On July 2, 2013, the Board met telephonically to discuss the draft engagement letter with J.P. Morgan, and the Board instructed Greenway's management to negotiate and finalize J.P. Morgan's engagement.

Table of Contents

On July 7, 2013, representatives from Greenway's management sent the Company Case 1 Projections to J.P. Morgan for review, and subsequently met telephonically with J.P. Morgan to discuss these projections."

On July 9, 2013, J.P. Morgan provided the Company Case 1 Projections to Vista. In addition, on July 9, 2013, Greenway's management held a call with representatives of J.P. Morgan to finalize the engagement. The engagement letter between Greenway and J.P. Morgan was executed on July 10, 2013, and was effective as of June 6, 2013.

On July 11, 2013, representatives of Vista participated on a call with representatives of Greenway's management team and representatives of J.P. Morgan to discuss the Company Case 1 Projections.

On July 16, 2013, the Board met telephonically, and Mr. Green provided a summary of events to date, and representatives of Paul Hastings gave a detailed presentation regarding the Board's fiduciary duties in the context of the potential combination of Greenway with Vitera. Representatives of Paul Hastings discussed the Board's duties in general and specifically with respect to how they applied to the potential strategic combination transaction with Vitera, including discussion related to deal certainty coupled with Vista's desire for certain deal terms, and Delaware cases regarding pre-agreement and post-agreement market checks.

On July 24, 2013, the Board met telephonically, and representatives of J.P. Morgan gave a presentation on Greenway's preliminary valuation, and noted that a price within the range of \$20.00 to \$22.00 would be attractive to Greenway and its stockholders. In addition, representatives of J.P. Morgan provided a summary of events to date and led a detailed discussion on, among other things, Vista's ability to finance the possible transaction. The Board considered that, while Vista's profile as a private equity firm was traditionally that of a financial buyer, the potential strategic combination of Greenway with Vitera could generate strategic benefits unique to Vitera which would allow it to offer a higher price than other potential buyers. The Board also reviewed the Company Case 1 Projections that were provided to Vista and determined that, while they were within the range of possible outcomes, the projections could be viewed as being too aggressive, and Vista could question Greenway's ability to achieve them.

On July 26, 2013, representatives of Vista contacted representatives of J.P. Morgan and, among other things, indicated that Vista was willing to raise its offer for an all-cash transaction from \$18.50 to \$19.25 per share based on the additional information and Company Case 1 Projections that Greenway had provided to Vista. Representatives of Vista further indicated that the new offer was at Vista's high end of supportability in light of the fact that Vista believed that the Company's budget and projections were very aggressive and were in large part based on large increases in the number of providers and assumed adoption rates for the new clinically driven revenue cycle management product recently released by Greenway that were significantly above any historical achievements.

On July 27, 2013, the Board met telephonically, and representatives of J.P. Morgan provided a summary of their conversation with a representative of Vista the night before. In addition, J.P. Morgan offered a preliminary financial analysis of the new offer, and concluded that Vista's new offer was at the high end of what the public equity research forecasts would support. J.P. Morgan observed that Vista's willingness to pay such a high price for Greenway was potentially driven by the unique strategic benefits obtainable from a combination with Vitera, rather than a purely financial perspective, but that, nonetheless, Vista's willingness to raise its price further may be limited. Following discussions and considering the advice and information they received, the Board authorized J.P. Morgan to "test the waters" and inform Vista that the merger price had to be at or near \$22.00 per share for the Board to favorably consider the offer.

On July 30, 2013, the Board met telephonically, and Mr. Green provided an update on J.P. Morgan's conversations with Vista. Mr. Green indicated that J.P. Morgan had a call with Vista on July 29, 2013 and that J.P. Morgan had informed Vista of the Board's views on the merger price and also informed Vista that the Board was unwilling to accept any offer that contained a financing condition or provided for Vista to terminate the transaction (even if a reverse termination fee were to be paid) in the event that Vista's debt financing was not funded. Mr. Green said that J.P. Morgan reported that Vista indicated it would be very difficult to offer a price that high, and that going any higher than \$19.25 per share would necessarily be conditioned on certain key deal terms, including Greenway agreeing to a period of pre-signing exclusivity with Vista and customary "no shop" provisions in any definitive merger agreement. Mr. Green also reported that, subsequent to the call between J.P. Morgan and Vista on July 29, 2013, Vista had reached out to Mr. Green directly and indicated that they wanted to have a one-on-one conversation with Mr. Green about the deal to reiterate the message that Vista delivered to J.P. Morgan on the July 29, 2013 call. Representatives of Paul Hastings then reviewed with the Board considerations relating to key deal terms, including market checks and fiduciary outs for the Board. The Board also discussed who the alternative bidders might be that could be interested and able to finance a transaction similar to Vista's proposal, and deferred further consideration of those issues until a revised offer and terms were received from Vista.

On July 31, 2013, Mr. Green met with a representative of Vista for dinner, at which, among other things, the representative of Vista indicated that Vista would seek to form a senior leadership team for the combined company comprised of key executives of both Greenway and Vitera. While not a condition of Vista's willingness to proceed, it was very important to Vista that Mr. Green was committed to remaining actively involved in the leadership of the combined company. As instructed by the Board on July 30, 2013, Mr. Green did not inquire about any details or any other terms relating to his future employment. The representative of Vista and Mr. Green also discussed the status of negotiations, and the representative of Vista communicated to Mr. Green that, at that time, Vista had no basis to increase their offer from \$19.25 a share, and certainly could not contemplate increasing its offer price based on the limited information provided by Greenway to Vista in response to Vista's diligence requests to date.

On August 2, 2013, representatives of Vista called representatives of J.P. Morgan, to indicate that, if Vista was granted further access to Greenway in order to conduct a more detailed diligence process, Vista might be able to make an offer for an all-cash transaction at a range between \$20.00 and \$21.00 per share, but that, regardless of any additional due diligence, Vista would not be willing to go higher than \$21.00 per share. Representatives of Vista also indicated that, in order to even contemplate making an offer in this price range, Greenway would need to agree to a 30-day exclusivity period with Vista during which Vista would conduct in-depth due diligence on Greenway.

On August 3, 2013, the Board met telephonically, and Mr. Green provided an update to the Board about his dinner with the representative of Vista. Representatives from J.P. Morgan also provided an update on the increased offer from Vista and once again summarized the preliminary valuation of Greenway, noting that the offer was attractive and well within the full value range for the Company. After a discussion, the Board agreed that the price range provided by Vista was within the full value range for the Company, eliminated operating and market risks and provided an excellent liquidity opportunity for all stockholders. The Board then authorized J.P. Morgan to obtain a written indication of interest from Vista, which would include a specific price, rather than a range, and would specify other key deal terms, including those key deal terms that Vista had indicated would be necessary for its current proposed range.

Between August 3, 2013 and August 8, 2013, representatives from J.P. Morgan had a series of conversations with representatives from Vista about the offer price and the terms of a potential deal.

On August 8, 2013, after a call from Vista, J.P. Morgan received via email from Vista a preliminary non-binding letter of interest relating to the proposed transaction. The letter indicated that the acquisition would be by way of an all-cash tender offer for all of the Company Common Stock at \$20.35 per share. In addition, the letter indicated that Vista would obtain a commitment for all sources of financing before the signing of a definitive agreement and, that while any definitive agreement would have a customary “no-shop” with a fiduciary termination right for superior proposals, matching rights, break-up fees and remedies consistent with precedent leveraged transactions, closing of the transaction would not be contingent on financing. Also, Vista indicated that, in light of the significant amount of time and resources Vista was prepared to commit to this opportunity, Vista’s willingness to proceed with the proposal was conditioned on Vista being given a 30-day period of exclusivity, with extensions if necessary and mutually agreed to by both parties.

On August 9, 2013, the Board met telephonically to review and discuss Vista’s preliminary non-binding letter of interest. Representatives from J.P. Morgan gave a presentation on Greenway’s preliminary valuation, and indicated that Vista’s new offer price placed a very strong value on the Company. In addition, representatives from J.P. Morgan noted that it would be difficult for any other likely financial buyers to be able to match Vista’s new offer price or to commit sufficient equity to cover the entire offer price without the availability of benefits common to strategic buyers, and that the multiples that were implied by Vista’s offer were extremely high for likely strategic buyers. Representatives from J.P. Morgan then reviewed Vista’s letter, including the fact that the offer would not be contingent on financing. Representatives from J.P. Morgan also noted that it was clear from their conversation with representatives of Vista that this was Vista’s best and final offer and that the increased per share price was a package deal, with the \$20.35 price per share being contingent upon Greenway’s acceptance of Vista’s proposed key deal terms that Vista had included in its offer. The Board was of the opinion that the offered price represented the most Vista would pay, and instructed Mr. Green, J.P. Morgan and Paul Hastings to seek clarity on some of the terms set forth in Vista’s letter and to discuss and, if possible, negotiate with Vista certain requests for key deal terms in exchange for enhanced deal certainty, including Greenway’s desire to obtain Vista’s commitment to consummate the transaction even if Vista’s debt financing was not available and ability to seek full specific performance as a remedy.

On August 14, 2013, Mr. Green and a representative of Vista discussed the terms of Vista's letter, and Vista agreed to deliver an equity commitment letter that would be sufficient to consummate the transaction even if Vista's debt financing was not available and to grant Greenway full specific performance to enforce this commitment (as opposed to being limited to a reverse termination fee in such circumstances). Pursuant to the Board's instructions, Mr. Green and the representative of Vista also preliminarily agreed to a customary "no-shop" provision, which would permit Greenway to respond to unsolicited proposals and ultimately terminate the Vista deal to accept a superior proposal, and a termination fee of 3.75% of the equity value of the deal payable on certain circumstances.

On August 14, 2013, J.P. Morgan received a revised preliminary non-binding letter of interest from Vista that reflected Mr. Green's discussion with the representative of Vista earlier in the day.

On August 15, 2013, the Board met in person in Carrollton, Georgia. Mr. Green updated the Board on his conversation with the representative of Vista, and the Board reviewed the negotiated deal terms and the revised letter from Vista with representatives of Paul Hastings and J.P. Morgan. Following a discussion, the Board unanimously agreed to move forward to pursue the Vista offer and authorized Mr. Green to sign a 30-day exclusivity agreement with Vista. The exclusivity agreement was executed on August 17, 2013, and Vista confirmed by email that certain members of Vitera and Vista's potential lenders would be considered "associates" under the Confidentiality Agreement.

Between August 17, 2013 and August 28, 2013, Greenway received many due diligence requests from Vista and its advisors, and Greenway responded to these requests. Greenway provided Vista and its representatives with access to a virtual data room on August 23, 2013.

On August 28 and August 29, 2013, Greenway's senior management team met with representatives of Vista and with members from Vitera's senior management team, along with Vista's potential lenders, at Paul Hastings' offices in Atlanta, Georgia. Greenway delivered several presentations on its business, operations and market trends, and both Vista and Vitera delivered presentations providing a general overview of their respective businesses. Representatives of Paul Hastings and J.P. Morgan were also in attendance at these meetings.

On August 30, 2013, Kirkland & Ellis LLP ("Kirkland"), outside corporate counsel to Vista, sent an initial draft of the Merger Agreement to Paul Hastings. Among other things, this draft provided for a "dual track" structure with the tender offer to start within six business days of signing the agreement, matching rights in the event of a potential superior offer, and a cap on Vista's total monetary damage set at 7.5% of the equity value of the deal.

Between August 30, 2013 and September 10, 2013, Greenway continued to respond to Vista's due diligence requests, and representatives of Paul Hastings and J.P. Morgan continued to discuss the terms of the transaction with Vista and its representatives.

On September 6, 2013, Greenway and Vista agreed to amend the Confidentiality Agreement (the “First Amendment to the Confidentiality Agreement”) to further document the scope of Vista’s “associates” to include Vitera and Vista’s potential lenders, which had been previously confirmed by email on August 17, 2013, and to provide for certain additional protections of confidential Greenway information obtained during the due diligence process.

On September 10, 2013, the Board met telephonically, and representatives from J.P. Morgan provided an update on the ongoing negotiations with Vista. They also reiterated that in their opinion it would be difficult for financial buyers to be able to match Vista's offer price or to commit sufficient equity to cover the entire offer price without the availability of the strategic benefits obtainable from a combination with Vitera, and the multiples that were implied by Vista's offer were extremely high for likely strategic buyers. The Board also discussed the draft Merger Agreement and considered its terms, including Vista's position on key deal terms. With this in mind, the Board directed Paul Hastings, among other things, to seek a longer period between announcement and commencement of the tender offer to allow additional time for a third party to consider making an unsolicited acquisition proposal while locking in Vista's offer which presented an attractive transaction at a premium price, to limit the number of Vista's matching rights and to remove the cap on Vista's monetary damages. On September 10, 2013, Paul Hastings sent a revised version of the Merger Agreement to Kirkland that was consistent with the Board's authorization.

On September 15, 2013, representatives of Paul Hastings, J.P. Morgan, Vista and Kirkland met telephonically to discuss the draft Merger Agreement, during which, among other things, Vista indicated that many of the changes to the Merger Agreement were unacceptable given that Vista latest offer was a package deal and in light of the nontraditional deal certainty terms that Vista had agreed to provide to the Board in exchange for other deal terms. In addition, on September 15, 2013, Mr. Green and representatives of Vista spoke telephonically, and representatives of Vista reiterated Vista's position that the current offer was a package deal that included both the terms of the Merger Agreement and the per share offer price of \$20.35. Mr. Green also had several conversations with representatives of Paul Hastings and J.P. Morgan relating to key deal terms and deal certainty. Late on September 15, 2013, Kirkland sent a revised version of the Merger Agreement to Paul Hastings.

On September 17, 2013, the Board met telephonically, and Mr. Green provided an update to the Board on the ongoing negotiations with Vista and the recent discussions with Vista and its representatives. The Board discussed the revised Merger Agreement, as well as Vista's negotiating posture and Greenway's negotiating strategy, with representatives of Paul Hastings and J.P. Morgan. The Board concluded that the most important remaining issue in the latest draft of the Merger Agreement was the length of the period between announcement and commencement of the tender offer, and directed Paul Hastings and J.P. Morgan to, among other things, continue to seek a longer period, as well as to seek a termination fee in an amount equal to Vista's proposed cap on monetary damages payable by Vista in certain circumstances instead of removing such cap.

On September 18, 2013, Paul Hastings sent a revised version of the Merger Agreement to Kirkland that was consistent with the Board's direction, and indicated to Kirkland that the Board was scheduled to meet during the early evening on September 19, 2013 and asked that they raise any significant objections before that time so that they could be discussed with the Board.

Table of Contents

During the afternoon of September 19, 2013, representatives of Vista called Mr. Green and representatives of J.P. Morgan, and representatives of Kirkland called Paul Hastings, to indicate that, with very few exceptions, none of the proposed changes in the September 18 draft of the Merger Agreement would be accepted. During the early evening of September 19, 2013, the Board met telephonically, and Mr. Green, along with representatives of Paul Hastings and J.P. Morgan, provided an update to the Board and their discussions with Vista and its representatives earlier in the day. The Board reviewed with J.P. Morgan how much time it could take for a potential third party, if any were interested, to emerge with a superior offer and sign a definitive agreement with Greenway after the announcement of the transaction with Vista. After its review, J.P. Morgan stated that, given that any third party would likely be a large and experienced strategic buyer with cash on hand or pre-existing financing that would enable it to make a credible superior offer, the existing timeframe in the draft Merger Agreement was likely sufficient, but that adding several days would obviously be preferable. After discussing Greenway's ongoing negotiating strategy, the Board instructed Mr. Green and J.P. Morgan to inform Vista that, notwithstanding Vista's position, the Board could not proceed without there being at least nine business days between the announcement and commencement of the tender offer, so that there would be at least approximately 40 total calendar days between the announcement and the initial expiration of the tender offer.

During the evening of September 19, 2013, Mr. Green and representatives of J.P. Morgan spoke to Vista, and the parties agreed to the increase in the number of days between announcement and the commencement of the tender offer. Kirkland provided a revised draft of the Merger Agreement, which also included, among other things, a termination fee in the amount of \$48,273,000 payable by Vista in certain circumstances and a cap on monetary damages in an equal amount, and Paul Hastings and Kirkland continued to finalize the Merger Agreement over the next three days.

On September 20, 2013, Mr. Green met with representatives of Vista in Boulder, Colorado. At this meeting, the parties discussed how Vista manages its businesses and what a combined Greenway-Vitera company might look like, including reiterating Vista's intent, should the deal proceed, to form a senior leadership team for the combined company comprised of key executives of both Greenway and Vitera. Representatives of Vista and Mr. Green did not discuss any employment arrangements or terms and, as instructed by the Board, Mr. Green did not inquire about any details or other terms relating to his potential future employment.

On September 23, 2013, the Board met in person in Atlanta, Georgia to review the final terms of the Merger Agreement. Representatives of J.P. Morgan reviewed with the Board its financial analyses of the consideration of \$20.35 in cash per share of Company Common Stock and delivered to the Board its oral opinion, which was confirmed by delivery of a written opinion dated September 23, 2013, to the effect that, as of such date and based upon and subject to the assumptions made, procedures followed, matters considered and limitations on the review undertaken by J.P. Morgan in preparing the opinion, the consideration to be paid to the holders of the Company's common stock in the proposed transaction was fair, from a financial point of view, to such holders. Following further discussion, and after consultation with its advisors, the board of directors unanimously, among other things, (i) determined that the Merger Agreement, the Support Agreements and the Transactions, including the Offer, the Merger and the transactions contemplated in the Support Agreements, are advisable to, and in the best interest of, Greenway and its stockholders, (ii) approved the execution, delivery and performance by Greenway of the Merger Agreement and the consummation of the Transactions, including the Offer and the Merger, (iii) authorized and approved the

Top-Up Option and the issuance of the Top-Up Shares (as defined below), and (iv) resolved to recommend that the stockholders of Greenway tender their Shares to Parent pursuant to the Offer, and, if applicable, approve the adoption of the Merger Agreement and the Merger.

During the evening of September 23, 2013, Vista executed the Equity Commitment Letter and Greenway and Vista executed the Merger Agreement and the Limited Guaranty and issued a joint press release announcing the execution of the Merger Agreement.

Recommendation of Our Board of Directors; Reasons for the Transactions

On September 23, 2013, our Board unanimously (i) determined that the Merger Agreement, Support Agreements and the Transactions, including the Offer and the Merger, are advisable to, and in the best interest of, Greenway and its stockholders, (ii) approved the execution, delivery and performance by Greenway of the Merger Agreement and the consummation of the Transactions, including the Offer and the Merger, (iii) authorized and approved the Top-Up Option and the issuance of the Top-Up Option Shares, and (iv) resolved to recommend that our stockholders tender their Shares to Parent pursuant to the Offer, and, if applicable, approve the adoption of the Merger Agreement and the Merger.

In evaluating the Merger Agreement and the Transactions, our Board consulted with our senior management regarding the business and financial condition of Greenway, trends in our industry, future prospects and the terms and conditions of the Transactions. In addition, our Board consulted with our outside legal advisor, Paul Hastings, regarding the proposed terms and conditions of the Transactions and the obligations of the members of the Board in their consideration of the Transactions, and our financial advisor, J.P. Morgan, regarding the fairness, from a financial point of view, of the consideration to be paid to the holders of Shares in the proposed Transactions. In the course of reaching its determination to approve the Merger Agreement and the Transactions and to recommend that our stockholders accept the Offer and tender their Shares pursuant to the Offer and, if required, adopt the Merger Agreement and approve the Merger, our board carefully considered numerous factors, including the following factors (which are not listed in any relative order of importance):

the fact that the Merger Consideration of \$20.35 per share will be paid in cash, providing certainty, immediate value and liquidity to our stockholders;

the transaction consideration represents a 62% premium to Greenway's 90-day volume weighted average stock price, and a 20% premium to Greenway's closing share price the day before the merger agreement was signed;

the possibility that it could take a considerable period of time before the trading price of our common stock would reach and sustain trading at or above the per share Merger Consideration of \$20.35, as adjusted for present value;

Table of Contents

the fact that the Offer cannot start any earlier than nine (9) business days after the date of the Merger Agreement, which provides additional time for a potential third-party to make a Superior Offer;

the belief of our Board, after a thorough review of our business, market trends and financial condition, and discussions with our management and advisors, that the value offered to stockholders pursuant to the Transactions is more favorable to our stockholders than the potential value that might have resulted from remaining an independent public company, considering:

- the changing nature of our client base and related risks;
- the shift to subscription-based pricing models;
- the risks inherent in the introduction of new products and services;
- the size of the Company relative to its competitors in the industry;
- the substantial growth rates that are required to meet our financial projections; and
- the execution and other risks and uncertainties relating to future execution of our strategic plan;

our Board's familiarity with our current and historical financial condition, results of operations, prospects, business strategy, competitive position, properties, assets and prospects;

the belief of our Board based upon arm's length negotiations with Vista that the price to be paid by Merger Sub is the highest price per share that Vista was willing to pay for Greenway and that the terms of the Merger Agreement include the most favorable terms to us to which Vista was willing to agree;

the fact that the Merger Agreement was unanimously approved by our Board, which is comprised of a majority of independent directors who are not affiliated with Parent or Merger Sub or any of their affiliates and are not employees of Greenway or any of its subsidiaries, and which retained and received advice from our financial advisor and legal advisor in evaluating, negotiating and recommending the terms of the Merger Agreement;

the oral opinion of J.P. Morgan delivered to the Board on September 23, 2013, which was confirmed by delivery of a written opinion dated September 23, 2013, to the effect that, as of such date and based upon and subject to the assumptions made, procedures followed, matters considered and limitations on the review undertaken by J.P. Morgan in preparing the opinion, the consideration to be paid to the holders of the Shares in the proposed Transaction was fair, from a financial point of view, to such holders, as more fully described below under the caption “— Opinion of J.P. Morgan Securities LLC”. The full text of the written opinion of J.P. Morgan, dated September 23, 2013, which sets forth, among other things, the assumptions made, procedures followed, matters considered and limitations on the review undertaken in rendering the opinion, is attached as **Annex B** to this proxy statement;

the fact that Parent has received an equity commitment letter that will be sufficient for Parent to consummate the transactions contemplated by the Merger Agreement even if Parent's debt financing is not available, and the reputation of the financing sources, each of which, in the reasonable judgment of our Board, increases the likelihood of such financings being completed;

the fact that the Merger Sub must extend the Offer if requested by us for successive periods of ten business days until the earliest to occur of (i) the valid termination of the Merger Agreement, (ii) three business days after the date on which the SEC has, orally or in writing, confirmed that it has no further comments on the proxy statement to be filed by the Company in connection with the adoption of the Merger Agreement, including by informing the Company that it does not intend to review the proxy statement or (iii) March 22, 2014 (the "End Date"), if, on any scheduled expiration date, any of the conditions to the consummation of the Offer is not satisfied and has not been waived;

the terms and conditions of the Merger Agreement, including the following related factors:

the transaction is structured as a tender offer, which can be completed, and the cash Merger Consideration can be delivered to our stockholders, on a prompt basis, following satisfaction or, in certain cases, waiver of the conditions to the Offer, reducing the period of uncertainty during the pendency of the Transactions to stockholders, with a second-step merger in which stockholders who do not tender their Shares in the Offer will receive cash consideration equal to the Merger Consideration;

our ability to convert the structure into a one-step merger in the event the conditions to the Offer are not met;

the nature of the conditions to Merger Sub's obligations to consummate the Offer, the Merger and other Transactions and the risks of non-satisfaction of such conditions;

the ability of our Board under the Merger Agreement to withdraw or modify its recommendation that our stockholders accept the Offer and tender their Shares or vote in favor of adoption of the Merger Agreement in certain circumstances, including, most importantly, in connection with a Superior Offer, and our right to terminate the Merger Agreement in order to accept a Superior Offer and enter into a definitive agreement with respect to such Superior Offer, in both cases subject to payment of a termination fee;

the conclusion of our Board that the termination fee and the circumstances when such termination fee may be payable, are reasonable in light of the benefit of the Offer, Merger and the other Transactions, and would not be a significant impediment to third parties interested in making a Superior Offer;

Table of Contents

- the fact that pursuant to the Merger Agreement we are entitled to specific performance and other equitable remedies to prevent breaches of the Merger Agreement, and can cause Parent to enforce the obligations of Vista under the Equity Commitment Letter in order to cause the Equity Financing to be timely completed;

- the fact that the Merger Agreement provides that, in the event of a failure of the Transactions to be consummated under certain circumstances, and as an alternative to specific performance under the Merger Agreement, Parent will pay us a \$48,273,000 termination fee, without our having to establish any damages, and the Guaranty of such payment obligation by an entity affiliated with Vista pursuant to the Limited Guaranty;

- the likelihood that the Offer or Merger will be consummated on a timely basis, including the likelihood that the Transactions will receive all necessary regulatory approvals;

- the availability of statutory appraisal rights to our stockholders who do not tender their Shares in the Offer or vote in favor of the adoption of the Merger Agreement and otherwise comply with all required procedures under the General Corporation Law of the State of Delaware (“DGCL”); and

- the fact that the End Date under the Merger Agreement on which either party, subject to certain exceptions, can terminate the Merger Agreement allows for sufficient time to consummate the Transaction.

Our Board also considered a variety of risks and other potentially negative factors of the Merger Agreement and the Transactions, including the following:

· the fact that our stockholders will not participate in any potential future earnings or growth of Greenway and will not benefit from any appreciation in the value of the Company as a private company;

· that, under certain circumstances, we will be required to pay Parent a termination fee and reimburse Parent’s reasonable and documented out-of-pocket fees and expenses (up to \$4,505,000), in connection with the termination of the Merger Agreement;

· the fact that, if the Offer and the other Transactions are not consummated in a timely manner or at all:

· the trading price of Shares could be adversely affected;

- we will have incurred significant transaction and opportunity costs attempting to consummate the Transactions;

Table of Contents

we may lose employees after announcement of the Merger Agreement;

our business may be subject to significant disruption; and

our directors, officers and other employees will have expended considerable time and effort to consummate the Transactions;

the restrictions in the Merger Agreement on our actively soliciting competing bids to acquire Greenway;

the fact that Parent and Merger Sub are newly formed entities with essentially no assets other than equity and debt commitments, and that, notwithstanding our specific performance remedy under the Merger Agreement, our remedy in the event of breach of the Merger Agreement by Parent or Merger Sub may be limited to receipt of the termination fee provided under the Merger Agreement, which is guaranteed by an entity affiliated with Vista and that under certain circumstances we may not be entitled to a termination fee at all;

the \$24,136,000 termination fee payable by Greenway to Merger Sub upon the occurrence of certain events, including the potential effect of such termination fee to deter other potential acquirors from making a competing offer for Greenway that might be more advantageous to our stockholders, and the impact of the termination fee on our ability to engage in another transaction for twelve months if the Merger Agreement is terminated in certain circumstances;

the fact that the gain realized by our stockholders as a result of the Offer and the Merger generally will be taxable to the stockholders for U.S. federal income tax purposes;

the restrictions in the Merger Agreement on the conduct of our business prior to the consummation of the Merger, which may delay or prevent us from undertaking business or other opportunities that may arise prior to the consummation of the Offer or the Merger; and

the fact that our executive officers and directors may have interests in the Transactions, including the Offer and the Merger, that are different from, or in addition to, those of our stockholders. See “Interests of Certain Persons in the Merger.”

Our Board concluded that the risks, uncertainties, restrictions and potentially negative factors associated with the Offer and Merger were outweighed by the potential benefits of the Offer and Merger.

The foregoing discussion of the reasons of our Board for its recommendation to adopt the Merger Agreement is not meant to be exhaustive, but addresses the material information and factors considered by our Board in consideration

of its recommendation. In view of the wide variety of factors considered by our Board in connection with the evaluation of the Merger and the complexity of these matters, our Board did not find it practicable to, and did not, quantify or otherwise assign relative weights to the specific factors considered in reaching its determination and recommendation. Rather, the directors made their determinations and recommendations based on the totality of the information presented to them, and the judgments of individual members of our Board may have been influenced to a greater or lesser degree by different factors.

Opinion of the Company's Financial Advisor

J.P. Morgan relied upon and assumed the accuracy and completeness of all information that was publicly available or was furnished to or discussed with J.P. Morgan by the Company or otherwise reviewed by or for J.P. Morgan, and J.P. Morgan did not independently verify (nor did J.P. Morgan assume responsibility or liability for independently verifying) any such information or its accuracy or completeness. J.P. Morgan did not conduct and was not provided with any valuation or appraisal of any assets or liabilities, nor did J.P. Morgan evaluate the solvency of the Company or Parent under any state or federal laws relating to bankruptcy, insolvency or similar matters. In relying on financial analyses and forecasts provided to it, or derived therefrom, J.P. Morgan assumed that they were reasonably prepared based on assumptions reflecting the best currently available estimates and judgments by management as to the expected future results of operations and financial condition of the Company to which such analyses or forecasts relate. J.P. Morgan expressed no view as to such analyses or forecasts or the assumptions on which they were based. J.P. Morgan also assumed that the transaction and the other transactions contemplated by the Merger Agreement will be consummated as described in the Merger Agreement. J.P. Morgan also assumed that the representations and warranties made by the Company and Parent in the Merger Agreement and the related agreements were and will be true and correct in all respects material to J.P. Morgan's analysis. J.P. Morgan is not a legal, regulatory or tax expert and relied on the assessments made by advisors to the Company with respect to such issues. J.P. Morgan further assumed that all material governmental, regulatory or other consents and approvals necessary for the consummation of the transaction will be obtained without any adverse effect on the Company or on the contemplated benefits of the transaction.

The projections furnished to J.P. Morgan for the Company were prepared by the Company's management. The Company does not publicly disclose internal management projections of the type provided to J.P. Morgan in connection with J.P. Morgan's analysis of the transaction, and such projections were not prepared with a view toward public disclosure. These projections were based on numerous variables and assumptions that are inherently uncertain and may be beyond the control of the Company's management, including, without limitation, factors related to general economic and competitive conditions and prevailing interest rates. Accordingly, actual results could vary significantly from those set forth in such projections.

J.P. Morgan was not authorized to and did not solicit any expressions of interest from any other parties with respect to the sale of all or any part of the Company or any other alternative transaction.

These companies were selected, among other reasons, because they are publicly traded companies with operations and businesses that, for purposes of J.P. Morgan's analysis, may be considered similar to those of the Company.

Using publicly available information, J.P. Morgan calculated, for each selected company, the ratio of the company's firm value (calculated as the market value of the company's common stock on a fully diluted basis, plus any debt, plus any non-controlling interest, less cash and cash equivalents) to the consensus equity research analyst estimate for the company's calendar year 2014 revenue (the "Firm Value/2014E Revenue"); and the ratio of the company's firm value to the consensus equity research analyst estimate for the company's calendar year 2014 EBITDA (defined as earnings before interest, taxes, depreciation, and amortization) (the "Firm Value/2014E EBITDA").

The following table represents the results of this analysis:

	Firm Value / 2014E Revenue	Firm Value / 2014E EBITDA
Healthcare IT: Mean	3.83x	18.4x
Healthcare IT: Median	3.29x	12.0x

Based on this analysis and other factors J.P. Morgan deemed relevant, J.P. Morgan applied a valuation range of 3.0x to 4.0x to the Company's calendar year 2014 revenue estimate under the Company Case 1 Projections and a valuation range of 15.0x to 20.0x to the Company's calendar year 2014 EBITDA estimate under the Company Case 1 Projections, and derived implied per share price ranges for the Shares. The analysis indicated the following implied per share price ranges for the Shares:

These transactions were selected, among other reasons, because their participants, size and other factors, for purposes of J.P. Morgan's analysis, may be considered similar to the transaction.

Table of Contents

Using publicly available information, J.P. Morgan calculated, for each selected transaction, the ratio of the target company's enterprise value (calculated as the equity purchase price, plus any debt, plus any non-controlling interest, less cash and cash equivalents) to the consensus equity research analyst estimate for the target company's one year forward estimate of revenue ("Enterprise Value/Forward Revenue") at the time of the transaction; and the ratio of the target company's enterprise value to the consensus equity research analyst estimate for the target company's one year forward estimate of EBITDA ("Enterprise Value/Forward EBITDA") at the time of the transaction.

The following table represents the results of this analysis:

Enterprise Value / Forward Revenue	Enterprise Value / Forward EBITDA	
Healthcare IT: Mean	3.5x	14.2x
Healthcare IT: Median	2.6x	10.9x
Software: Mean	3.9x	20.8x
Software: Median	3.0x	19.7x

Based on this analysis and other factors J.P. Morgan deemed relevant, J.P. Morgan applied a valuation range of 3.5x to 4.5x to the Company's fiscal year 2014 revenue estimate under the Company Case 1 Projections and 20.0x to 25.0x to the Company's fiscal year 2014 EBITDA estimate under the Company Case 1 Projections, and derived an implied per share price range for the Shares. The analysis indicated the following implied per share price ranges for the Shares:

Valuation Basis (Applied Range)	Implied Per Share Price Range
Enterprise Value/FY 2014E Revenue (3.5x – 4.5x)	\$17.25 – \$22.00
Enterprise Value/FY 2014E EBITDA (20.0x – 25.0x)	\$12.50 – \$15.50

Discounted Cash Flow Analysis. J.P. Morgan conducted a discounted cash flow analysis for the purpose of determining the fully diluted equity value per Share. J.P. Morgan calculated the unlevered free cash flows that the Company is expected to generate during the period beginning on October 1, 2013 and ending on December 31, 2023 based upon (i) from October 1, 2013 through December 31, 2015, the Company Case 1 Projections as provided by the Company and (ii) from January 1, 2016 through December 31, 2023, extrapolations from Company Case 1 Projections that were reviewed and approved by the Company's management for J.P. Morgan's use in connection with its financial analyses and rendering its fairness opinion. J.P. Morgan also calculated a range of terminal firm values for the Company by applying a terminal growth rate ranging from 3.00% to 4.00% to the Company's unlevered free cash flow in 2023. The unlevered free cash flows and the terminal firm values were then discounted to present values using a range of discount rates from 9.0% to 10.0%. This discount rate range was based upon J.P. Morgan's analysis of the Company's weighted average cost of capital.

Based on the foregoing, this analysis indicated an implied per share price range for the Shares of approximately \$19.00 to \$25.25.

Table of Contents

The foregoing summary of certain material financial analyses does not purport to be a complete description of the analyses or data presented by J.P. Morgan. The preparation of a fairness opinion is a complex process and is not necessarily susceptible to partial analysis or summary description. J.P. Morgan believes that the foregoing summary and its analyses must be considered as a whole and that selecting portions of the foregoing summary and these analyses, without considering all of its analyses as a whole, could create an incomplete view of the processes underlying the analyses and its opinion. In arriving at its opinion, J.P. Morgan did not attribute any particular weight to any analyses or factors considered by it and did not form an opinion as to whether any individual analysis or factor (positive or negative), considered in isolation, supported or failed to support its opinion. Rather, J.P. Morgan considered the totality of the factors and analyses performed in determining its opinion. Analyses based upon forecasts of future results are inherently uncertain, as they are subject to numerous factors or events beyond the control of the parties and their advisors. Accordingly, forecasts and analyses used or made by J.P. Morgan are not necessarily indicative of actual future results, which may be significantly more or less favorable than suggested by those analyses. Moreover, J.P. Morgan's analyses are not and do not purport to be appraisals or otherwise reflective of the prices at which businesses actually could be bought or sold. None of the selected companies reviewed as described in the above summary is identical to the Company, and none of the selected transactions reviewed was identical to the transaction. However, the companies selected were chosen because they are publicly traded companies with operations and businesses that, for purposes of J.P. Morgan's analysis, may be considered similar to those of the Company. The transactions selected were similarly chosen because their participants, size and other factors, for purposes of J.P. Morgan's analysis, may be considered similar to the transaction. The analyses necessarily involve complex considerations and judgments concerning differences in financial and operational characteristics of the companies involved and other factors that could affect the companies compared to the Company and the transactions compared to the transaction.

As part of its investment banking business, J.P. Morgan and its affiliates are continually engaged in the valuation of businesses and their securities in connection with mergers and acquisitions, investments for passive and control purposes, negotiated underwritings, secondary distributions of listed and unlisted securities, private placements and valuations for estate, corporate and other purposes. J.P. Morgan was selected to advise the Company with respect to the transaction on the basis of such experience and its familiarity with the Company.

For services rendered in connection with the transaction, the Company has agreed to pay J.P. Morgan a fee of approximately \$7.7 million, \$1 million of which was payable upon the delivery by J.P. Morgan of its opinion and the remainder of which is contingent upon the consummation of the transaction. In addition, the Company has agreed to reimburse J.P. Morgan for its expenses incurred in connection with its services, including the fees and disbursements of counsel, and will indemnify J.P. Morgan against certain liabilities, including liabilities arising under the federal securities laws.

Table of Contents

During the two years preceding the date of J.P. Morgan's opinion, J.P. Morgan and its affiliates have had commercial or investment banking relationships with the Company and with certain other portfolio companies of Vista Equity Partners, for which J.P. Morgan and such affiliates have received approximately \$1.0 million of fees from the Company and approximately \$6.4 million of fees from Vista Equity Partners and its affiliates. Such services during such period have included acting as lead left bookrunner on the Company's initial public offering in February 2012 and acting as an arranger of certain credit facilities for certain of Vista Equity Partners' other portfolio companies. In addition, J.P. Morgan's commercial banking affiliate is an agent bank and a lender under outstanding credit facilities of certain of Vista Equity Partners' other portfolio companies, for which it receives customary compensation or other financial benefits. In the ordinary course of their businesses, J.P. Morgan and its affiliates may actively trade the debt and equity securities of the Company for their own accounts or for the accounts of customers and, accordingly, they may at any time hold long or short positions in such securities.

Certain Company Projections

The Company does not, as a matter of course, publicly disclose long-term forecasts or projections as to future performance, earnings or other results. The Company's management provided the Company Case 1 Projections regarding the Company's future operations to the Board for its evaluation in connection with the Offer and the Merger. The Company Case 1 Projections were also provided to Vista in connection with its review of the Company and also to J.P. Morgan for use in connection with its opinion to the Board.

The Company Case 1 Projections were not prepared with a view toward public disclosure, nor were they prepared with a view toward compliance with published guidelines of the SEC, the guidelines established by the American Institute of Certified Public Accountants for preparation and presentation of financial forecasts, or U.S. generally accepted accounting principles ("GAAP"). Neither the Company's independent auditors, nor any other independent public accounting firm has compiled, examined, or performed any procedures with respect to the prospective financial information contained in the Company Case 1 Projections nor has expressed any opinion or given any form of assurance with respect to such information or their reasonableness, achievability or accuracy. The inclusion of the Company Case 1 Projections herein should not be deemed an admission or representation by the Company that they are viewed by the Company as material information of the Company. The Company Case 1 Projections should not be regarded as an indication that any of the Company, Parent or any of their respective affiliates, advisors or other representatives, considered, or now considers, them to be necessarily predictive of actual future results, and the Company Case 1 Projections should not be relied upon as such. None of the Company, Vista or any of their respective affiliates, advisors or other representatives makes any representation or warranty regarding the ultimate performance of the Company relative to the Company Case 1 Projections.

The Company Case 1 Projections were largely prepared beginning in mid-2013 based on information available at that time using various assumptions and estimates. The assumptions and estimates may not be realized and are inherently subject to significant business, economic and competitive uncertainties, risks and contingencies, all of which are difficult to predict and many of which are beyond the Company's control. The assumptions and estimates underlying the information contained in the Company Case 1 Projections involve judgments made with respect to, among other

things, general business, economic, regulatory, market and financial conditions, as well as factors specific to the Company, including but not limited to, the number of provider adds per year and the rate at which existing customers would transition to the Company's clinically driven revenue cycle management services, all of which are difficult to predict. The Company Case 1 Projections also reflect assumptions as to certain business decisions that do not reflect the effects of the Offer or the Merger, or any other changes that may in the future affect the Company or its assets, business, operations, properties, policies, corporate structure, capitalization and management. Accordingly, the Company Case 1 Projections constitutes forward-looking information, and there can be no assurance that the assumptions and estimates used to prepare the information contained in the Company Case 1 Projections will be achieved, and actual results may materially differ. The Company Case 1 Projections cover multiple years and such information by its nature becomes less certain with each successive year.

Morgan Securities LLC”. J.P. Beginning in mid-2013, the Company's management also prepared two cases in connection with the Company's fiscal 2014 outlook and guidance, which we refer to herein as the "Company Case 2 Projections" and the "Company Case 3 Projections". In preparing these projections, the Company's management considered the Company's current financial condition, global economic conditions generally and in the industries and markets in which the Company competes, and a variety of other factors relating to the Company's current and potential future operations. These two projections included more conservative assumptions relative to the Company Case 1 Projections, in particular relating to the number of provider adds per year and the rate at which existing customers would transition to the Company's clinically driven revenue cycle management services.

In connection with its evaluation of the Offer, the Board also considered the Company Case 2 Projections and the Company Case 3 Projections and provided these projections to J.P. Morgan. At the direction of the Company, these projections were used for reference purposes only and were not used as a basis for the opinion delivered by J.P. Morgan.

Financing of the Merger

Debt Financing

Vitera and Parent have received a debt commitment letter from Jefferies Finance LLC (which we refer to as “Jefferies”), and Bank of Montreal (which we refer to as “BMO”; and, together with Jefferies, the “Debt Commitment Parties”) (which we refer to as the “Debt Commitment Letter”) to provide, subject to the conditions set forth in the Debt Commitment Letter, credit facilities, of which a \$360 million senior secured first lien term loan facility and \$180 million of the senior secured second lien term loan facility (together, the “Credit Facilities”) is expected to be drawn at the closing of the Credit Facilities for the purpose of financing the Offer and the Merger and paying related fees and expenses, and a portion of the senior secured first lien revolving credit facility is expected to be drawn at the closing of the Credit Facilities to pay certain amounts set forth in the debt financing commitment fee letter and to back-stop, replace or cash-collateralize certain existing letters of credit of Vitera and its subsidiaries and, after the closing of the Merger, to provide funding for working capital and other general corporate purposes of Vitera and its subsidiaries.

Table of Contents

The commitment of the Debt Commitment Parties with respect to the Credit Facilities expires upon the earliest to occur of (i) 5:00 p.m. New York City time on the date that is 180 days after the date of the Merger Agreement, (ii) the date of the funding of the Credit Facilities and the consummation of the Merger, (iii) the closing of the Merger without the use of the Credit Facilities and (iv) the date on which the Merger Agreement shall be terminated prior to the closing of the Merger. The documentation governing the debt financings has not been finalized and, accordingly, the actual terms of the debt financing may differ from those described in this document. Each of Parent and Vitera has agreed to use its reasonable best efforts to arrange the debt financing on the terms and conditions described in the Debt Commitment Letter. If any portion of the debt financing becomes unavailable on the terms and conditions contemplated in the Debt Commitment Letter, each of Parent and Vitera must use its reasonable best efforts to promptly arrange and obtain alternative financing from alternative sources in an amount sufficient to consummate the Merger with terms and conditions not materially less favorable (taken as a whole) from the standpoint of Parent and Vitera than the terms and conditions set forth in the Debt Commitment Letter (giving effect to any rights of the financing sources to adjust certain terms contained therein).

Although the debt financing described in this document is not subject to a due diligence or “market out,” such financing may not be considered assured. As of the date hereof, no alternative financing arrangements or alternative financing plans have been made in the event the debt financing described herein is not available. In addition, Vista has committed to capitalize Merger Sub, at or immediately prior to the time of the Merger, with an aggregate equity contribution in an amount up to \$650 million, which will be sufficient for Merger Sub to consummate the Offer, the Merger and the other transactions contemplated by the Merger Agreement even if Parent’s Debt Financing is not available, subject to the terms and conditions set forth in the Equity Commitment Letter.

Credit Facilities

The availability of the Credit Facilities is subject to, among other things, the purchase of Shares in the Offer and the consummation of the Merger in accordance with the Merger Agreement (including the satisfaction (or waiver with the consent of the Administrative Agent (as defined below) and the Senior Lead Arrangers (as defined below)) of all conditions precedent to the consummation of the Merger, and without any amendment or modification to the provisions thereof that, in any such case, are materially adverse to the interests of the Senior Lead Arrangers or the lenders without the consent of the Senior Lead Arrangers), the absence of a “Material Adverse Effect” (as defined in the Merger Agreement and as described below in “Merger Agreement”), solvency of Vitera, its subsidiaries and certain of its affiliates on a consolidated basis after giving effect to the funding of the Credit Facilities, payment of required fees and expenses, the funding of the equity financing, the absence of certain types of other debt, delivery of certain historical and pro forma financial information, delivery of documentation and other information required by regulatory authorities under applicable “know your customer” and anti-money laundering rules and regulations, affording the Senior Lead Arrangers a period of time to syndicate the Credit Facilities, the execution of certain Guarantys and the creation and perfection of certain security interests, the truthfulness and correctness of specified Merger Agreement representations and specified representations in all material respects, and the negotiation, execution and delivery of definitive documentation.

Table of Contents

Term and Revolving Credit Facilities. The Credit Facilities will consist of a (i) \$360 million senior secured first lien term loan facility with a term of seven (7) years (which we refer to as the “First Lien Term Loan Facility”), (ii) a \$180 million senior secured second lien term loan facility with a term of eight (8) years (which we refer to as the “Second Lien Term Loan Facility”) and (iii) a \$30 million first lien senior secured revolving credit facility with a term of five (5) years (which we refer to as the “Revolving Credit Facility” and together with the First Lien Term Loan Facility, the “First Lien Credit Facility”).

Roles. Jefferies and BMO Capital Markets Corp. (“BMO Capital Markets”) have been appointed as joint lead arrangers and joint book-running managers for the Credit Facilities (which we refer to collectively as the “Senior Lead Arrangers”). Jefferies has been appointed as administrative agent (the “Administrative Agent”) for the First Lien Credit Facility and for the Second Lien Credit Facility.

Interest Rate. Loans under the Credit Facilities are expected to bear interest, at Vitera’s option, at a rate equal to the adjusted Eurodollar rate or an alternate base rate, in each case, plus a spread.

Prepayments and Amortization. Vitera will be permitted to make voluntary prepayments with respect to the Revolving Credit Facility at any time, without premium or penalty (other than LIBOR breakage costs, if applicable). Vitera will be permitted to make voluntary prepayments with respect to the First Lien Term Loan Facility and Second Lien Credit Facility at any time, subject to the following prepayment premiums, and, if applicable, any LIBOR breakage costs: (i) with respect to the First Lien Term Loan Facility, in an amount equal to 1.00% of the amount prepaid prior to the date that is six (6) months from the closing date of the Credit Facilities solely to the extent such prepayment is in connection with a refinancing that reduces the effective yield of the debt which refinancing is not in connection with an acquisition-related financing, an initial public offering, or a change of control, and (ii) with respect to the Second Lien Term Loan Facility, in an amount equal to (a) 2.00% of the amount repaid prior to the date that is one (1) year from the closing date of the Credit Facilities and (b) 1.00% of the amount repaid after the date that is one (1) year from the closing date of the Credit Facilities but prior to the date that is two (2) years from the closing date of the Credit Facilities. The first lien term loans under the Credit Facilities will amortize 1% per annum in equal quarterly installments until the final maturity date. The remaining aggregate principal amount of the term loans under the Credit Facilities will be due on their respective maturity dates.

Guarantors. All obligations under the Credit Facilities will be guaranteed by Vitera, each existing and future direct and indirect, domestic subsidiary of Vitera and certain of its affiliates, subject to certain limitations.

Table of Contents

Security. The obligations of Vitera and the guarantors under the Credit Facilities and under any interest rate protection or other hedging arrangements entered into with any Debt Commitment Parties (or any affiliates of the foregoing), will be secured, subject to permitted liens and other agreed upon exceptions on a first priority basis by a perfected security interest in all of Vitera's and each guarantor's existing or after-acquired personal property, including all of the capital stock of Vitera and all of the capital stock in first-tier, wholly-owned restricted subsidiaries directly held by Vitera or any guarantor (limited, in the case of first-tier foreign subsidiaries, to 100% of the non-voting equity interests (if any) and 65% of the voting equity interests of such subsidiaries). If certain security is not provided at closing despite the use of commercially reasonable efforts to do so, the delivery of such security will not be a condition precedent to the availability of the Credit Facilities on the closing date, but instead will be required to be delivered following the closing date pursuant to arrangements to be mutually agreed.

Other Terms. The Credit Facilities will contain customary representations and warranties and customary affirmative and negative covenants, including, among other things, restrictions on indebtedness, investments, sales of assets, mergers and consolidations, prepayments of subordinated indebtedness, liens, transactions with affiliates, and dividends and other distributions. The Credit Facilities will also include customary events of defaults including a change of control to be defined.

Equity Financing

Parent has received an equity commitment letter from Vista (which we refer to as the "Equity Commitment Letter"), pursuant to which Vista has committed to contribute to Parent an amount equal to \$650 million (subject to adjustment as set forth in the Equity Commitment Letter) in cash in immediately available funds, which will be sufficient for Parent to consummate the transactions contemplated by the Merger Agreement even if Parent's debt financing is not available, including the aggregate Per Share Amount and/or Merger Consideration, as applicable, pursuant to and in accordance with the Merger Agreement, and certain other amounts required to be paid pursuant to the Merger Agreement, including fees and expenses directly related to the debt financing required to be paid by Parent, Merger Sub and the Surviving Corporation. We refer to the financing contemplated by the Equity Commitment Letter, as may be amended, restated, supplemented or otherwise modified from time to time, as the "Equity Financing." The funding of the Equity Financing is subject to (i) the satisfaction, or waiver by Parent and Merger Sub (with the prior written approval of Vista IV), of all conditions of the Offer or the Merger, as applicable and (ii) the contemporaneous consummation of the acquisition of the Shares tendered in the Offer at the closing of the Offer, if the closing of the Offer shall occur, or the Merger (regardless of whether the closing of the Offer occurs). The Company is a third party beneficiary of the Equity Commitment Letter for the limited purposes provided in the Equity Commitment Letter, which include the right of the Company to seek and obtain specific performance to cause Parent and Merger Sub to cause, or to directly cause, Vista to fund the Equity Financing in accordance with the terms of the Equity Commitment Letter and the Merger Agreement. Concurrently with the execution and delivery of the Equity Commitment Letter, Vista executed and delivered to the Company a limited guaranty in favor of the Company in respect of certain of Parent's and Merger Sub's liabilities and obligations under the Merger Agreement (which we refer to as the "Limited Guaranty"), provided that in no event will Vista incur obligations totaling more than \$48,273,000 in the aggregate (plus the amount of any reimbursement or indemnification obligations payable pursuant to the Merger Agreement) under the Limited Guaranty.

Table of Contents

Vista's obligation to fund its equity commitment will expire upon the earliest to occur of (i) immediately following the effective time of the Merger and deposit of the payment fund, (ii) the valid termination of the Merger Agreement in accordance with its terms, (iii) the date on which any claim is brought by the Company under, or any legal proceeding is brought by the Company with respect to, the Limited Guaranty, Vista or certain affiliates of Vista (other than in respect of certain obligations guaranteed as set forth in the Limited Guaranty or a claim for specific performance under and in accordance with the terms of the Equity Commitment Letter) or (iv) the date on which any other claim is brought under, or legal proceeding is initiated against Vista or any affiliate thereof in connection with the Equity Commitment Letter, the Limited Guaranty, the Merger Agreement or any transaction contemplated thereby or otherwise relating thereto (with the exception of certain claims related to the merger or the equity funding or under the Limited Guaranty, all as specified in the Limited Guaranty).

Closing and Effective Time of Merger

If the Merger is approved at the stockholders meeting then, assuming timely satisfaction of the other necessary closing conditions, we anticipate that the Merger will be completed promptly thereafter. The effective time of the Merger will occur as soon as practicable following the closing of the Merger upon the filing of a certificate of Merger with the Secretary of State of the State of Delaware (or at such later date as we and Parent may agree and specify in the certificate of Merger).

Payment of Merger Consideration and Surrender of Stock Certificates

At the Effective Time, each Share issued and outstanding immediately prior to the Effective Time (excluding Shares owned (i) by the Company (including treasury shares), Parent or Merger Sub and (ii) by stockholders who have perfected and not withdrawn a demand for appraisal rights or otherwise lost appraisal rights under Delaware law) will be converted into and become the right to receive the Merger Consideration.

Prior to the Merger Closing Date, Parent shall deposit, or cause to be deposited with the paying agent, an amount in cash sufficient to pay the aggregate Merger Consideration pursuant to the Merger Agreement. As soon as reasonably practicable after the Effective Time and in any event not later than the third Business Day thereafter, Parent shall instruct the paying agent to mail to each registered holder of a certificate ("Certificate") or book-entry shares ("Book-Entry Shares") which, immediately prior to the Effective Time, represented Company common stock (i) a form of letter of transmittal (which shall specify that delivery shall be effected, and risk of loss and title to the Certificates or Book-Entry Shares, as applicable, shall pass, only upon delivery of the Certificates (or affidavits in lieu thereof) or Book-Entry Shares to the paying agent, and which shall be in such form and have such other customary provisions (including customary provisions with respect to delivery of an "agent's message" with respect to Book-Entry Shares) as the Company and Parent may reasonably agree prior to the Merger Closing Date) and (ii) instructions for use in effecting the surrender of such Certificates or Book-Entry Shares, as applicable, in exchange for payment of the Merger Consideration into which the number of Shares previously represented by such Certificates or Book-Entry

Shares, as applicable, shall have been converted pursuant to the Merger Agreement.

Table of Contents

You should not return your stock certificates with the enclosed proxy card, and you should not forward your stock certificates to the paying agent without a letter of transmittal.

You will not be entitled to receive the per share Merger Consideration until you deliver a duly completed and executed letter of transmittal to the paying agent. If your shares are certificated, you must also surrender your stock certificate or certificates to the paying agent. If ownership of your shares is not registered in the transfer records of the Company, a check for any cash to be delivered will only be issued if the applicable letter of transmittal is accompanied by all documents reasonably required by the Company to evidence and effect such transfer and to evidence that any applicable stock transfer taxes have been paid or are not applicable.

Interests of Certain Persons in the Merger

Our executive officers and members of our board of directors (the “Board”) may be deemed to have interests in the execution and delivery of the Merger Agreement and all of the Transactions, including the Offer and the Merger, that may be different from or in addition to those of our stockholders, generally. These interests may create potential conflicts of interest. Our Board was aware of these interests and considered them, among other things, in reaching its decision to approve the Merger Agreement and the Transactions. As described in more detail below, these interests include:

the cancelation of vested and unvested Company stock options (the “Stock Options”) outstanding immediately prior to the earlier to occur of the consummation of the Offer and the Effective Time (such earlier time, the “Acceleration Time”) and the conversion of such Stock Options into the right to receive a cash payment equal to (i) the excess, if any, of the Offer Price over the exercise price per share of such Stock Option, multiplied by (ii) the total number of Shares then issuable upon exercise in full of such Stock Option, without interest and less any required withholding taxes; and

- the entitlement to the indemnification and exculpation benefits in favor of directors and officers of Greenway.

Outstanding Shares held by Directors and Executive Officers

If the executive officers and directors of Greenway who own Shares tender their Shares for purchase pursuant to the Offer, they will receive the same cash consideration on the same terms and conditions as the other stockholders of Greenway. As of October 2, 2013, the executive officers and directors of Greenway beneficially owned, in the aggregate, 2,862,661 Shares, excluding Shares issuable upon the exercise of Stock Options.

Treatment of Stock Options

Pursuant to the Merger Agreement, each Stock Option outstanding immediately prior to the Acceleration Time, whether vested or unvested, will be cancelled as of immediately prior to the Acceleration Time and converted into the right to receive a cash payment equal to (i) the excess, if any, of the Merger Consideration over the exercise price per Share of such Stock Option, multiplied by (ii) the total number of Shares then issuable upon exercise in full of such Stock Option, without interest and less any required withholding taxes. The cash payments with respect to Stock Options will be delivered promptly after the Acceleration Time (but in no event later than the seventh calendar day after the Acceleration Time).

The table below sets forth, for each of our executive officers and directors holding Stock Options as of October 2, 2013, (a) the aggregate number of Shares subject to such Stock Options and (b) the value of amounts payable in respect of such Stock Options on a pre-tax basis at the Acceleration Time, calculated by multiplying (i) the excess of the Merger Consideration over the respective per share exercise prices of the Stock Options by (ii) the number of Shares subject to those Stock Options. All of the Stock Options held by our executive officers and directors had an exercise price below the Merger Consideration.

Golden Parachute Compensation

We do not have any employment or severance agreements with any of our executive officers. Except with respect to the potential vesting of options in connection with a merger or consolidation, none of the executive officers are entitled to receive any payments upon termination of employment or change in control, regardless of the reason thereof. Pursuant to the Greenway Medical Technologies, Inc. 1999 Stock Option Plan, the Greenway Medical Technologies, Inc. 2004 Stock Plan and the Greenway Medical Technologies, Inc. 2011 Stock Plan (collectively, the “Option Plans”), in the event that we are a party to a merger or consolidation, all outstanding options, including those held by the executive officers, shall be subject to the agreement of merger or consolidation. Such agreement will provide for one or more of the following to occur: (a) outstanding options will continue to exist (if we are the surviving company); (b) outstanding options will be assumed or substituted for an equivalent award by the surviving company or its parent; (c) outstanding options will vest and become fully exercisable; or (d) outstanding options will be cancelled, and option recipients will receive a payment equal to the excess of the fair market value of the shares subject to the options over the options’ exercise price.

Potential for Future Arrangements

To our knowledge, no employment, equity contribution or other agreement, arrangement or understanding between any executive officer or director of Greenway, on the one hand, and Parent, Merger Sub, any of their affiliates or Greenway, on the other hand, existed as of the date of this proxy statement, and neither the Offer nor the Merger is conditioned upon any executive officer or director of Greenway entering into any such agreement, arrangement or understanding.

It is possible that certain members of our current management team will enter into employment arrangements with the Surviving Corporation after the completion of the Offer and the Merger. Such arrangements may include the right to purchase or participate in the equity of the Surviving Corporation or its affiliates. Any such arrangements with the existing management team are currently expected to be entered into after the completion of the Offer and will not become effective until after the Merger is completed, if at all. There can be no assurance that any parties will reach an agreement on any terms, or at all.

Director Compensation

We reimburse non-employee directors for reasonable costs and expenses incurred in attending board meetings. Each non-employee director receives annual compensation consisting of an annual retainer of \$25,000. In addition, the chair of the Audit Committee, Compensation Committee, and Nominations and Governance Committee each receives an additional annual cash retainer of \$15,000, \$10,000, and \$7,500, respectively. Non-employee directors also receive an additional cash payment of \$750 per meeting attended. Cash fees are paid quarterly to the non-employee directors.

Each non-employee director annually receives options to purchase shares of common stock pursuant to the Company's 2011 Stock Plan with a value as of each grant date equal to \$50,000. Accordingly, on September 14, 2012, each non-employee director was granted 5,600 options pursuant to the 2011 Stock Plan. These options were 2/12 vested upon the date of grant, and 1/12 vested on the last day of each month thereafter for the following ten months.

Indemnification of Directors and Officers; Insurance

The Merger Agreement provides that all existing rights to indemnification that the present directors and officers of the Company and our subsidiaries are entitled to that are contained in the organizational documents of the Company or the organizational documents of any of our subsidiaries as in effect as of September 23, 2013, or as provided in any indemnification agreement between the Company or our subsidiaries and any such person as in effect as of September

23, 2013, will survive the Merger and will be observed by the Surviving Corporation to the fullest extent permitted by Delaware law for a period of six years from the Effective Time.

In addition, the Merger Agreement provides that Parent and the Surviving Corporation will indemnify and hold harmless each director or officer of the Company or any of our subsidiaries against any losses, claims, damages, liabilities, fees, expenses, judgments or fines in connection with any threatened or actual action, suit, charge, complaint, litigation, arbitration, proceeding (including any civil, criminal, administrative, investigative or appellate proceeding), hearing, inquiry, audit, examination or investigation based on, or arising out of, in whole or in part, the fact that such director or officer is or was a director or officer of the Company or any of our subsidiaries or any of their respective predecessors. The Merger Agreement also provides that Parent and the Surviving Corporation will also advance reasonable and documented out-of-pocket costs and expenses (including reasonable and documented attorneys' fees) incurred by such directors and officers in connection with matters for which such directors and officers are eligible to be indemnified pursuant to the Merger Agreement (to the extent permitted by applicable law).

Table of Contents

The Merger Agreement also provides that, from the Effective Time until the sixth anniversary of the Effective Time, the Surviving Corporation will maintain in effect the Company's current insurance coverage with respect to the Company's directors and officers. Alternatively, the Company may, prior to the Effective Time, purchase a tail policy to the Company's current policy of directors' and officers' liability insurance for a period of six years from the Effective Time. If the tail policy is not purchased, the cost of such insurance coverage to be maintained by the Surviving Corporation will not exceed 250% of the annual premium currently paid by the Company for such insurance and, if the premium for such insurance coverage would exceed such amount, Parent shall be obligated to cause the Surviving Corporation to obtain a policy or policies with the greatest coverage available for a cost equal to such amount.

Representation on the Board of Directors

Upon the Acceptance Time and all times thereafter, Merger Sub has the right to elect or designate a certain number of directors (the "Merger Sub Designees") to our Board. The Merger Agreement also provides that in the event that the Merger Sub Designees are elected or designated to the board of directors of Merger Sub, then, until the Effective Time, our Board shall have at least three directors who are directors on or prior to the date of the Merger Agreement and not officers, directors, or employees of Parent or Merger Sub or any of their Affiliates each of whom shall be an "independent director" as defined by the New York Stock Exchange ("NYSE") Listing Company Manual Section 303A and eligible to serve on our audit committee under the Exchange Act and rules and regulations of the NYSE, and at least one of whom shall be an "audit committee financial expert" as defined in Items 407(d)(5)(ii) and (iii) of Regulation S-K.

The foregoing summaries concerning the treatment of Stock Options held by our directors and officers, employee benefits, the indemnification of our directors and officers, the insurance that will be provided for our directors and officers, and the representation on the Board of Greenway does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, which has been attached hereto as Annex A and is incorporated herein by reference.

Confidentiality Agreement

On June 14, 2013, Vista Equity Partners III, LLC (“VEP”), an affiliate of Parent and Merger Sub, and Greenway entered into a Confidentiality Agreement (the “Confidentiality Agreement”), as amended on September 6, 2013 (the “First Amendment to the Confidentiality Agreement”). Under the terms of the Confidentiality Agreement, VEP agreed that, subject to certain exceptions, any non-public information regarding Greenway and its subsidiaries or affiliates furnished to VEP or to its representatives solely to carry out discussions concerning, and the undertaking of, any negotiated business transaction between the parties would, for a period of one year from the date of the Confidentiality Agreement, be kept confidential, except as provided in the Confidentiality Agreement. Additionally, VEP further agreed that, subject to certain exceptions, VEP would not solicit for employment any employee of Greenway for a period of one year from the date of the Confidentiality Agreement. VEP also agreed, among other things, to certain “standstill” provisions which prohibit VEP and its representatives from taking certain actions involving or with respect to Greenway (except that VEP may submit a private proposal to us) for a period ending on the one year anniversary of the date of the Confidentiality Agreement.

Accounting Treatment

The Merger will be accounted for as a “purchase transaction” for financial accounting purposes.

Material United States Federal Income Tax Consequences of the Merger

The following is a summary of the material United States federal income tax consequences to beneficial owners of Shares upon the exchange of Shares for cash pursuant to the Merger. This summary is general in nature and does not discuss all aspects of United States federal income taxation that may be relevant to a holder of Shares in light of its particular circumstances. In addition, this summary does not describe any tax consequences arising under the laws of any state, local or non-United States jurisdiction or under any applicable tax treaty and does not consider any aspects of United States federal tax law other than income taxation. This summary is general in nature and deals only with Shares held as capital assets within the meaning of Section 1221 of the United States Internal Revenue Code of 1986, as amended (the “Code”) (generally, property held for investment), and does not address tax considerations applicable to any holder of Shares that may be subject to special treatment under the United States federal income tax laws, including:

a bank or other financial institution;

a tax-exempt organization;

· a retirement plan or other tax-deferred account;

· a partnership, an S corporation or other pass-through or disregarded entity (or an investor in a partnership, S corporation or other pass-through or disregarded entity);

· an insurance company;

· a mutual fund;

· a real estate investment trust;

· a dealer or broker in stocks and securities, or currencies;

Table of Contents

a trader in securities that elects mark-to-market treatment;

a regulated investment company;

a real estate investment trust;

a person who acquired Shares through the exercise of employee stock options, through a tax qualified retirement plan or otherwise as compensation for services;

a holder of Shares subject to the alternative minimum tax provisions of the Code;

a United States Holder (as defined below) that has a functional currency other than the United States dollar;

a person that holds the Shares as part of a hedge, straddle, constructive sale, conversion or other integrated or risk reduction transaction; or

a United States expatriate, certain former citizens or long-term residents of the United States.

This discussion does not address the tax consequences of acquisitions or dispositions of Shares outside the Merger, or transactions pertaining to options that are cancelled and converted into the right to receive cash, as the case may be, in connection with the Merger.

If a partnership (including any entity or arrangement treated as a partnership for United States federal income tax purposes) holds Shares, the tax treatment of a partner in the partnership generally will depend upon the status of the partner and the activities of the partner and the partnership. Partners in a partnership holding Shares should consult their own tax advisors regarding the tax consequences of exchanging the Shares pursuant to the Merger.

This summary is based on the Code, the Treasury regulations promulgated under the Code, and administrative rulings and judicial decisions, all as in effect as of the date of this proxy statement, and all of which are subject to change or differing interpretations at any time, with possible retroactive effect. We have not sought, and do not intend to seek, any ruling from the IRS with respect to the statements made and the conclusions reached in the following summary, and no assurance can be given that the IRS will agree with the views expressed herein, or that a court will not sustain any challenge by the IRS in the event of litigation.

THE DISCUSSION SET OUT HEREIN IS INTENDED ONLY AS A SUMMARY OF THE MATERIAL UNITED STATES FEDERAL INCOME TAX CONSEQUENCES TO A HOLDER OF SHARES. WE URGE YOU TO CONSULT YOUR OWN TAX ADVISOR WITH RESPECT TO THE SPECIFIC TAX CONSEQUENCES TO YOU IN CONNECTION WITH THE MERGER IN LIGHT OF YOUR OWN PARTICULAR CIRCUMSTANCES, INCLUDING FEDERAL ESTATE, GIFT AND OTHER NON-INCOME TAX CONSEQUENCES, AND TAX CONSEQUENCES UNDER STATE, LOCAL OR NON-UNITED STATES TAX LAWS OR TAX TREATIES.

Table of Contents

United States Holders

For purposes of this discussion, the term “United States Holder” means a beneficial owner of Shares that is, for United States federal income tax purposes:

· a citizen or resident of the United States;

a corporation (or any other entity or arrangement treated as a corporation for United States federal income tax purposes) organized in or under the laws of the United States or any state thereof or the District of Columbia;

· an estate, the income of which is subject to United States federal income taxation regardless of its source; or

a trust if (i) a court within the United States is able to exercise primary supervision over the administration of the trust, and one or more United States persons have the authority to control all substantial decisions of the trust or (ii) the trust has validly elected to be treated as a “United States person” under applicable Treasury regulations.

Payments with Respect to Shares. The exchange of Shares for cash pursuant to the Merger will be a taxable transaction for United States federal income tax purposes, and a United States Holder who receives cash for Shares pursuant to the Merger will recognize gain or loss, if any, equal to the difference between the amount of cash received and the holder’s adjusted tax basis in the Shares exchanged therefor. Gain or loss will be determined separately for each block of Shares (i.e., Shares acquired at the same cost in a single transaction). Such gain or loss will be capital gain or loss, and will be long-term capital gain or loss if such United States Holder’s holding period for the Shares is more than one (1) year at the time of the exchange. Long-term capital gain recognized by certain non-corporate holders generally is subject to tax at a lower rate than short-term capital gain or ordinary income. There are limitations on the deductibility of capital losses.

Backup Withholding. Proceeds from the exchange of Shares pursuant to the Merger generally will be subject to backup withholding at the applicable rate (currently, 28%) unless the applicable United States Holder provides a valid taxpayer identification number and complies with certain certification procedures (generally, by providing a properly completed IRS Form W-9) or otherwise establishes an exemption from backup. Backup withholding is not an additional tax and any amounts withheld under the backup withholding rules from a payment to a United States Holder may be allowed as a credit against that holder’s United States federal income tax liability and may entitle the holder to a refund, provided that the required information is timely furnished to the IRS. Each United States Holder should complete and sign the IRS Form W-9 to provide the information and certification necessary to avoid backup withholding, unless an exemption applies and is established in a manner satisfactory to the Depository.

Table of Contents

Non-United States Holders

The following is a summary of the material United States federal income tax consequences that will apply to you if you are a non-United States Holder of Shares. The term “non-United States Holder” means a beneficial owner of Shares that is:

- a nonresident alien individual;
- a foreign corporation; or
- a foreign estate or trust.

The following discussion applies only to non-United States Holders, and assumes that no item of income, gain, deduction or loss derived by the non-United States Holder in respect of Shares at any time is effectively connected with the conduct of a United States trade or business. Special rules, not discussed herein, may apply to certain non-United States Holders, such as:

- certain former citizens or residents of the United States;
- controlled foreign corporations;
- passive foreign investment companies;
- corporations that accumulate earnings to avoid United States federal income tax;
- investors in pass-through entities that are subject to special treatment under the Code; and
- non-United States Holders that are engaged in the conduct of a United States trade or business.

Payments with Respect to Shares. Subject to the discussion on “—Backup Withholding” below, payments made to a non-United States Holder with respect to Shares exchanged for cash pursuant to the Merger generally will be exempt from United States federal income tax. However, if the non-United States Holder is an individual who was present in the United States for 183 days or more in the taxable year of the exchange and certain other conditions are met, such

holder will be subject to tax at a flat rate of 30% (or such lower rate as may be specified under an applicable income tax treaty) on any net United States-source gain.

Backup Withholding. A non-United States Holder may be subject to backup withholding with respect to the proceeds from the disposition of Shares pursuant to the Merger unless, generally, the non-United States Holder certifies under penalties of perjury on an applicable IRS Form W-8 that such non-United States Holder is not a United States person, or such non-United States Holder otherwise establishes an exemption in a manner satisfactory to the Depositary. Each non-United States Holder should complete, sign and provide to the Depositary an applicable IRS Form W-8 to provide the information and certification necessary to avoid backup withholding, unless an exemption applies and is established in a manner satisfactory to the Depositary.

Table of Contents

Backup withholding is not an additional tax and any amounts withheld under the backup withholding tax rules may be allowed as a refund or a credit against the non-United States Holder's United States federal income tax liability, provided the required information is furnished to the IRS.

THE FOREGOING SUMMARY DOES NOT DISCUSS ALL ASPECTS OF UNITED STATES FEDERAL INCOME TAXATION THAT MAY BE RELEVANT TO PARTICULAR HOLDERS OF SHARES. HOLDERS OF SHARES SHOULD CONSULT THEIR OWN TAX ADVISORS AS TO THE PARTICULAR TAX CONSEQUENCES TO THEM OF EXCHANGING THEIR SHARES FOR CASH IN THE MERGER UNDER ANY FEDERAL, STATE, LOCAL, NON-UNITED STATES OR OTHER TAX LAWS.

Regulatory Approvals and Notices

United States Antitrust Compliance. Under the HSR Act, and the related rules and regulations that have been issued by the Federal Trade Commission (the "FTC"), certain acquisition transactions may not be consummated until required information and documentary material has been furnished for review by the FTC and the Antitrust Division of the Department of Justice (the "Antitrust Division") and certain waiting period requirements have been satisfied. These requirements apply to Merger Sub's acquisition of the Shares in the Offer and the Merger.

Under the HSR Act, the purchase of Shares in the Offer may not be completed until the expiration of a fifteen (15) calendar day waiting period which begins when Parent files a Premerger Notification and Report Form under the HSR Act with the FTC and the Antitrust Division, unless such waiting period is earlier terminated by the FTC and the Antitrust Division. If the end of the fifteen (15) calendar day waiting period is set to fall on a federal holiday or weekend day, the waiting period is automatically extended until 11:59 P.M., New York City time, the next business day. Parent filed a Premerger Notification and Report Form under the HSR Act with the FTC and the Antitrust Division in connection with the purchase of Shares in the Offer and the Merger on September 27, 2013, and the required waiting period with respect to the Offer and the Merger expired at 11:59 P.M., New York City Time, on October 15, 2013.

At any time before or after Parent's acquisition of Shares pursuant to the Offer, the Antitrust Division or the FTC could take such action under the antitrust laws as either deems necessary or desirable in the public interest, including seeking to enjoin the purchase of Shares pursuant to the Offer, or seeking the divestiture of Shares acquired by Parent or the divestiture of substantial assets of the Company or its subsidiaries or Parent or its subsidiaries. State attorneys general may also bring legal action under both state and Federal antitrust laws, as applicable. Private parties may also bring legal action under the antitrust laws under certain circumstances. There can be no assurance that a challenge to the Offer on antitrust grounds will not be made or, if such a challenge is made, the result thereof.

Litigation Relating to the Merger

On or about October 7, 2013, a putative class action lawsuit (Booth Family Trust IRA v. Greenway Medical Technologies, Inc. et al., Case No.: 13-A-08600-2) was filed in the Superior Court of the State of Georgia, County of Gwinnett, against the Company and each member of the Company's board of directors (the "Booth Family Trust Action"). The Complaint asserts that the Company's directors breached their fiduciary duties to the Company's public stockholders by, among other things, (i) agreeing to sell the Company at an unfair price, (ii) implementing preclusive deal protection devices deterring competing, superior bids, and (iii) entering individual tender and support agreements. The Complaint seeks injunctive relief, rescission, and, among other remedies, compensatory damages and an award of costs and expenses, including a reasonable allowance for attorneys' and experts' fees.

On or about October 9, 2013, the Complaint in the Booth Family Trust Action was amended to include allegations, among others, that (i) the proposed transaction is financially unfair to the Company's stockholders, (ii) the process undertaken by the Company when entering into the Merger Agreement with Vista's affiliates was inadequate and flawed, and (iii) the Schedule 14D-9 failed to disclose all material facts and/or provided misleading information regarding the proposed transaction to the Company's stockholders.

The Company intends to vigorously defend against these claims.

THE MERGER AGREEMENT

This section describes the material terms of the Merger Agreement. The description in this section and elsewhere in this proxy statement is qualified in its entirety by reference to the complete text of the Merger Agreement, a copy of which is attached as **Annex A** and is incorporated by reference into this proxy statement. This summary does not purport to be complete and may not contain all of the information about the Merger Agreement that is important to you. We encourage you to read the Merger Agreement carefully and in its entirety. This section is not intended to provide you with any factual information about us. Such information can be found elsewhere in this proxy statement and in the public filings we make with the SEC, as described in the section entitled, “Where You Can Find More Information,” beginning on page [—].

Explanatory Note Regarding the Merger Agreement

In reviewing the Merger Agreement, please remember that it is included to provide investors with information regarding its terms. The Merger Agreement contains representations and warranties by each of the parties to the Merger Agreement, and these representations and warranties were the product of negotiations among the parties. In addition, such representations and warranties:

have been qualified by certain disclosures that were made to the other party to the Merger Agreement in connection with the negotiation of the Merger Agreement, which disclosures are not reflected in the text of the Merger Agreement; and

may apply standards of materiality in a way that is different from what may be viewed as material by stockholders of, or other investors in, the Company.

The representations and warranties and other provisions of the Merger Agreement should not be read alone, but instead should be read together with the information provided elsewhere in this Offer to Purchase and in the documents incorporated by reference herein.

The Offer

On October 4, 2013, Merger Sub commenced a tender offer, which we refer to as the “Offer,” for all of the outstanding shares of Company common stock at a price of \$20.35 per share, par value \$0.0001 per share, which we refer to as “Company common stock,” net to the seller in cash without interest and less any required withholding taxes. The Offer

contemplates that, after completion of the Offer and the satisfaction or waiver of all conditions, we will merge with Merger Sub, pursuant to a “short form” merger under Delaware law (which would not require the approval of the Company’s stockholders other than Parent and Merger Sub), and all outstanding shares of our common stock (excluding shares held (i) by the Company (including treasury shares), Parent, Merger Sub or any subsidiary of the Company or Parent and (ii) by stockholders who have perfected and not withdrawn a demand for appraisal rights or otherwise lost appraisal rights under Delaware law with respect to such shares) will be canceled and converted into the right to receive cash equal to the \$20.35 offer price per share, less any required withholding taxes (referred to herein as the “Offer Price”). The Offer was commenced pursuant to the Merger Agreement.

Table of Contents

The Merger Agreement provides that the Merger may be consummated regardless of whether the Offer is completed, but if the Offer is not completed and is terminated in accordance with the Merger Agreement, and the Merger Agreement is not terminated, the Merger will only be able to be consummated, subject to the terms and conditions of the Merger Agreement, after the stockholders of the Company have adopted the Merger Agreement at a special meeting of our stockholders. We have prepared this preliminary proxy statement in connection with the solicitation of proxies for the special meeting to obtain stockholder approval of the adoption of the Merger Agreement in order to be able to consummate the Merger regardless of the outcome of the Offer. If the Offer and the “short-form” merger are completed, we will not need to solicit proxies for the special meeting to obtain stockholder approval of the adoption of the Merger Agreement in order to be able to consummate the Merger.

The Merger Agreement contains provisions that govern the circumstances in which the Offer is required or permitted to be terminated. The Offer may not be terminated prior to its expiration unless the Merger Agreement is validly terminated; provided, however, that if at any date on which the Offer is scheduled to expire any conditions to the Offer have not been satisfied or waived (to the extent waivable by Parent and Merger Sub) and three (3) business days have elapsed since the date on which the SEC has, orally or in writing, confirmed that it has no further comments on the proxy statement to be filed by the Company in connection with the adoption of the Merger Agreement, including by informing the Company that it does not intend to review the proxy statement (the “Proxy Statement Clearance Date”), then (x) Merger Sub may irrevocably and unconditionally terminate the Offer or (y) from and after the close of business on November 20, 2013, the Company may cause Merger Sub to irrevocably and unconditionally terminate the Offer at the then-scheduled expiration date (such termination, an “Offer Termination”). If the Offer is terminated as described in the foregoing sentence, then the Company will proceed with and take all actions necessary to hold a stockholders’ meeting to adopt and approve the Merger in accordance with the terms of the Merger Agreement.

The Merger

The Merger Agreement provides that, following completion of the Offer, if applicable, and subject to the terms and conditions of the Merger Agreement, and in accordance with the DGCL, at the Effective Time, Merger Sub will be merged with and into the Company. As a result of the Merger, the separate corporate existence of Merger Sub will cease, and the Company will be the Surviving Corporation in the Merger and will become a wholly-owned subsidiary of Parent.

In the event that the Minimum Condition is not met, and in certain other circumstances, the parties have agreed to complete the Merger without the prior completion of the Offer, after the receipt of the Stockholder Approval (as defined below).

Table of Contents

Certificate of Incorporation; Bylaws; Directors and Officers of the Surviving Corporation. At the Effective Time, The Company's certificate of incorporation as in effect immediately prior to the Effective Time will be amended so as to read in its entirety as set forth in the applicable exhibit to the Merger Agreement, and as so amended, will be the certificate of incorporation of the Surviving Corporation. The Company's bylaws as in effect immediately prior to the Effective Time will be amended so as to read in its entirety as the bylaws of Merger Sub, and as so amended, will be the bylaws of the Surviving Corporation. The directors and officers of Merger Sub immediately prior to the Effective Time will become the directors and officers of the Surviving Corporation.

Merger Closing Conditions. The obligations of Parent and Merger Sub, on the one hand, and the Company, on the other hand, to complete the Merger are each subject to the satisfaction or (to the extent permitted by applicable law) the waiver of the following conditions:

the affirmative vote of holders of a majority of Shares entitled to vote at a stockholders' meeting to adopt the Merger Agreement (the "Stockholder Approval") shall have been obtained, if required by applicable law;

the waiting period applicable to the Merger and, unless the Offer Termination (as defined below) shall have occurred, the Offer under the HSR Act shall have expired or early termination shall have been granted;

no temporary restraining order, preliminary or permanent injunction or other order by any court of competent jurisdiction shall remain in effect enjoining or otherwise preventing or prohibiting the consummation of the Merger; and

Merger Sub shall have accepted for payment the Shares validly tendered and not validly withdrawn pursuant to the Offer, unless the Offer Termination shall have occurred.

Table of Contents

If the Offer Termination shall have occurred or the Offer Closing shall not have occurred, then the respective obligations of Parent and Merger Sub, on the one hand, and the Company, on the other hand, to complete the Merger shall be subject to the satisfaction or the waiver of certain additional conditions as set forth in the Merger Agreement regarding:

in the case of Parent and Merger Sub:

that the representations and warranties of the Company set forth in the Merger Agreement (A) relating to certain aspects of the Company's capitalization (specifically the authorized capital stock of the Company, the number of Shares subject to issuance pursuant to Stock Options granted and outstanding and reserved for issuance under the Company equity plans as of the close of business on the business day immediately preceding the Merger Agreement, and that there are no other equity awards outstanding of the Company) shall have been accurate in all respects as of the date of the Merger Agreement and shall be accurate in all respects at and as of the date of the closing of the Merger (such closing, the "Merger Closing" and such date, the "Merger Closing Date") as though made at and as of the Merger Closing Date (except (other than a result of a willful breach by the Company) where the failure to be so accurate in all respects would not reasonably be expected to result in additional cost, expense or liability to the Company, Parent and their affiliates, individually or in the aggregate that is more than \$1,000,000 and except to the extent any such representation and warranty speaks as of an earlier specified date, in which case such representation and warranty shall have been true and correct in all material respects as of such specified date), (B) relating to certain aspects of the Company's capitalization (including, among other things, that no Shares other than as disclosed are subject to any preemptive right or similar right or right of first refusal in favor of the Company, that there is no outstanding indebtedness of the Company having a right to vote on any matters subject to a stockholder vote, and that there are no contracts relating to the voting or registration of any Shares), corporate power and authority to enter into the Transactions and the binding nature of the Merger Agreement, the vote required to effect the Merger and the Company's financial advisor shall have been accurate in all material respects as of the date of the Merger Agreement and shall be accurate in all material respects at and as of the Merger Closing Date as though made at and as of the Merger Closing Date (except to the extent any such representation and warranty speaks as of an earlier specified date, in which case such representation and warranty shall have been true and correct in all material respects as of such specified date), (C) relating to the occurrence of any material adverse effect shall have been accurate in all respects as of the date of the Merger Agreement and shall be accurate in all respects at and as of the Merger Closing Date as though made at and as of the Merger Closing Date, and (D) other than the representations and warranties referred to in clause (A), (B) or (C) above shall have been accurate in all respects as of the date of the Merger Agreement and shall be accurate in all respects at and as of the Merger Closing Date as though made at and as of the Merger Closing Date, except that any inaccuracies in such representations and warranties will be disregarded if the circumstances giving rise to all such inaccuracies do not constitute, and would not reasonably be expected to have, a material adverse effect (except to the extent any such representation and warranty speaks as of an earlier specified date, in which case such representation and warranty shall have been true and correct as of such specified date); provided, however, that (x) for purposes of determining the satisfaction of the condition in clauses (A), (B), (C) and (D), no effect shall be given to any update of or modification to the disclosure schedule to the Merger Agreement made or purposed to have been made after the date of the Merger Agreement and (y) for purposes of determining the satisfaction of the condition in clauses (B) and (D), all references to "Material Adverse Effect" qualifications and other materiality qualifications contained in such representations and warranties shall be disregarded;

that the Company shall have performed in all material respects the obligations required to be performed by it under the Merger Agreement at or prior to the Effective Time; and

that since the date of the Merger Agreement, there has not been an effect, state of facts, occurrence, condition, event, development or change that, individually or in the aggregate, has had or would reasonably be expected to have a material adverse effect;

that each of Parent and Merger Sub shall have performed in all material respects its respective obligations required to be performed by it under the Merger Agreement at or prior to the Effective Time.

The Merger is not subject to a condition related to financing.

The closing of the Merger will occur as soon as reasonably practicable (but in any event no later than the second business day) after satisfaction or waiver of the conditions to the Merger (unless otherwise agreed by the parties to the Merger Agreement). However, if the Marketing Period (as defined below) has not ended at such time, then the closing of the Merger shall occur instead on the earliest of (a) any business day during the Marketing Period as may be specified by Parent, (b) the third business day after the final day of the Marketing Period and (c) such other date, time or place as agreed by Parent and the Company.

Merger Consideration. At the Effective Time, each Share issued and outstanding immediately prior to the Effective Time (other than Shares owned by Parent, Merger Sub or the Company (or held in its treasury), any subsidiary of Parent or the Company, or by any stockholder of the Company who or which is entitled to appraisal rights under Section 262 of the DGCL and properly exercises and perfects appraisal of such Shares pursuant to, and complies in all respects with, the applicable provisions of Delaware law) will be converted into the right to receive the Per Share Amount in cash net to the seller in cash without interest and less any applicable withholding taxes, if any. All Shares converted into the right to receive the Per Share Amount shall automatically be canceled and cease to exist.

Payment for Shares. Before the Merger, Parent will designate a bank or trust company reasonably acceptable to the Company to make payment of the Merger Consideration (which we refer to as the “Paying Agent”). At the Effective Time, Parent will cause to be deposited, with the Paying Agent, cash sufficient to make payment of the aggregate consideration payable to the stockholders in connection with the Merger.

Promptly after the Effective Time (but in no event later than five (5) days thereafter), the Surviving Corporation will cause to be mailed to each holder of record of Certificates a letter of transmittal and instructions for use in effecting the surrender of Certificates in exchange for the Merger Consideration. The Paying Agent will pay the Merger Consideration to the stockholders upon receipt of (1) surrendered certificates representing the Shares and (2) a signed letter of transmittal and any other items specified by the Paying Agent. Interest will not be paid or accrue in respect of the Merger Consideration. Each of the Surviving Corporation, Merger Sub and Parent are entitled to reduce the amount of any Merger Consideration paid to the stockholders by any applicable withholding taxes.

At any time following twelve (12) months after the Effective Time, the Surviving Corporation will be entitled to require the Paying Agent to deliver to it any funds which had been made available to the Paying Agent and not disbursed to holders of Share Certificates, and thereafter, such holders shall be entitled to look to the Surviving Corporation only as general creditors thereof with respect to the Merger Consideration that may be payable upon due surrender of the Share Certificates held by them. Any amounts remaining unclaimed by such holders at such time at which such amounts would otherwise escheat to or become property of any governmental body shall become, to the extent permitted by applicable law, the property of the Surviving Corporation or its designee, free and clear of all claims or interest of any person previously entitled thereto.

Treatment of Equity Awards. At the earlier to occur of the Acceptance Time and the Effective Time (the “Acceleration Time”), each outstanding, unexpired and unexercised Option, whether or not vested, will be cancelled and converted into the right to receive cash in an amount equal to (i) the total number of Shares subject to such Option immediately prior to the Acceleration Time (without regard to vesting) multiplied by (ii) the excess, if any, of (x) the Merger Consideration over (y) the exercise price payable per Share under such Option. No holder of an Option that has an exercise price per Share that is equal to or greater than the Merger Consideration shall be entitled to any payment on such Options, either before or after the Acceleration Time.

Some of the representations and warranties in the Merger Agreement made by the Company are qualified as to “materiality” or “Material Adverse Effect.” For purposes of the Merger Agreement, “Material Adverse Effect” means any event, violation, inaccuracy, circumstance or other matter (whether or not any such matter, considered together with all other matters, would constitute a breach to the representations, warranties, covenants or agreements of the Company set forth in the Agreement) which had or would reasonably be expected to have, individually or in the aggregate, a material adverse effect on (a) the business, assets, financial condition or results of operations of the Company and its subsidiaries taken as a whole or (b) the ability of the Company to consummate the transactions contemplated by the Merger Agreement in a timely manner. For the purposes of clause (a) above, none of the following will be deemed in and of themselves, either alone or in combination, to constitute, and none of the following shall be taken into account in determining whether there is, or would reasonably likely to be, a “Material Adverse Effect”:

any change in the market price or trading volume of the Company’s stock;

any event, violation, inaccuracy, circumstance or other matter directly resulting from the announcement or pendency of the Transactions (other than for purposes of representations and warranties regarding non-contravention and consents), including to the extent so resulting in, any reduction in billings or revenue, any disruption in (or loss of) supplier, distributor, partner, reseller or similar relationships, loss of any customer or any loss of employees;

The parties agreed that the exceptions in the first, sixth and eleventh bullets will not prevent or affect a determination that the underlying cause of any such occurrence or failure referred to therein (if not otherwise addressed by the exceptions) is or would be reasonably likely to be a Material Adverse Effect.

The Company agreed to deliver written notice to each person that previously entered into a confidentiality agreement in anticipation of making an Acquisition Proposal and to direct such person to destroy or return all confidential information concerning the Company and its subsidiaries.

Notwithstanding the restrictions described above, at any time before the Acceptance Time (or, if the Offer is terminated, at any time prior to obtaining Stockholder Approval), if the Company or any of its representatives receives an unsolicited *bona fide* written Acquisition Proposal from any person which was made or renewed on or after the date of the Merger Agreement and did not result from a breach of the restrictions described in this section titled “No Solicitation,” the Company and its representatives may contact such person to clarify the terms and conditions of such Acquisition Proposal. In addition, if the Board determines in good faith, after consultation with independent financial advisors and outside legal counsel, that such Acquisition Proposal constitutes or could reasonably be expected to lead to a Superior Offer, then the Company and its representatives may (i) furnish information (including non-public information) concerning the Company pursuant to a customary confidentiality and standstill agreement that contains provisions that are no less favorable in the aggregate to the Company than those contained in the confidentiality agreement between Vista Equity Partners III, LLC (an affiliate of Parent and Merger Sub) and the Company and (ii) engage or otherwise participate in discussions or negotiations with the person making such Acquisition Proposal.

The Company has agreed that it will promptly, and in any event within twenty-four hours, notify Parent of any inquiries, proposals or offers with respect to an Acquisition Proposal that are received by the Company or its representatives and provide to Parent a summary of the material terms and conditions of any Acquisition Proposal. The Company is required to keep Parent reasonably informed of any material developments, discussions or negotiations regarding any Acquisition Proposal and, if requested by Parent, reasonably inform Parent of the status of an Acquisition Proposal.

The Company is also required to promptly (and in any event within twenty-four hours) make available to Parent any information concerning the Company and its subsidiaries that is provided to any third party making an Acquisition Proposal if the information has not previously been made available to Parent. The Company and its subsidiaries are prohibited from entering into confidentiality agreements with any person that would prohibit the Company from providing information to Parent or otherwise complying with its obligations as described in this section titled “No Solicitation.”

The Company Board’s Recommendation. Subject to the provisions described below, the Board agreed to recommend that the holders of Shares tender their Shares to Merger Sub pursuant to the Offer and, if required by applicable legal requirements, adopt the Merger Agreement.

Table of Contents

The Merger Agreement provides that, during the time between the date of the Merger Agreement and the earlier of the Effective Time and the termination of the Merger Agreement, the Board and its committees will not (i) withdraw (or modify in a manner adverse to Parent or Merger Sub) or publicly propose to withdraw (or modify in a manner adverse to Parent or Merger Sub) the Recommendation or (ii) approve, recommend or declare advisable, or propose to publicly approve, recommend or declare advisable, any Acquisition Proposal (any action described in clauses (i) or (ii) a “Company Adverse Change Recommendation”). The Merger Agreement also provides that, before the earlier of the Effective Time and the termination of the Merger Agreement, the Board will not approve, recommend or declare advisable, or propose to approve recommend or declare advisable or allow the Company or any of its subsidiaries to enter into a contract either with respect to an Acquisition Proposal or requiring (or is reasonably expected to cause) the Company to abandon, terminate, delay or fail to consummate, or would otherwise materially impede, interfere with or be inconsistent with, the Offer, the Merger and the other transactions contemplated by the Merger Agreement.

Notwithstanding the foregoing, at any time before the Acceptance Time and at any time prior to the receipt of the Stockholder Approval, if the Company has received an unsolicited *bona fide* written Acquisition Proposal that has not been withdrawn and the Board determines in good faith is a Superior Offer, the Company may make a Company Adverse Change Recommendation or terminate the Merger Agreement to enter into a binding written definitive acquisition agreement providing for the consummation of a transaction constituting a Superior Offer (a “Specified Agreement”) if and only if:

the Board determines in good faith, after consultation with the Company’s outside legal counsel, that the failure to do so would reasonably constitute a breach of the fiduciary duties of the Board under applicable legal requirements;

the Company shall have provided to Parent at least four business days’ advance written notice that the Board intends to effect a Company Adverse Change Recommendation or terminate the Merger Agreement to enter into a Specified Agreement (such notice, a “Determination Notice”);

the Company shall have provided to Parent the material terms and conditions of the Acquisition Proposal as required by the Merger Agreement;

during the four business days after the Determination Notice, the Company shall have given Parent the opportunity to propose revisions to the terms of the Merger Agreement or make another proposal so that the Acquisition Proposal would cease to constitute a Superior Offer and, during such four business day period, the Company shall have negotiated with Parent with respect to any proposed revisions; and

after considering the results of such negotiations and giving effect to the proposals (including with respect to the Financing (as defined below) and Limited Guaranty), the Board determines, after consultation with its outside legal counsel and in good faith, that (x) such Acquisition Proposal is a Superior Offer and (y) it would reasonably constitute a breach of fiduciary duties of the Board under applicable legal requirements if the Board were to fail to either make a Company Adverse Recommendation Change or terminate the Merger Agreement to accept such Superior Offer and enter into a Specified Agreement relating thereto.

Table of Contents

The Board may also effect a Company Adverse Recommendation Change in response to any Change in Circumstance (as defined below) other than an Acquisition Proposal, if and only if:

the Board shall have determined in good faith, after consultation with the Company's outside legal counsel, that the failure to do so would reasonably constitute a breach of the fiduciary duties of the Board to the stockholders under applicable legal requirements;

the Company shall have provided to Parent a Determination Notice at least four business days prior to making any such Company Adverse Change Recommendation and specified the Change in Circumstance in reasonable detail;

during the four business days after the Determination Notice, the Company shall have given Parent the opportunity to propose revisions to the terms of the Merger Agreement or make another proposal so that the Change in Circumstance would no longer necessitate a Company Adverse Change Recommendation and, during such four business day period, the Company shall have negotiated with Parent with respect to such proposed revisions or other proposal; and

after considering the results of such negotiations and giving effect to the proposals (including with respect to the Financing (as defined below) and Limited Guaranty), the Board determines, after consultation with its outside legal counsel and in good faith, that it would reasonably constitute a breach of fiduciary duties of the Board under applicable legal requirements if the Board were to fail to either make a Company Adverse Recommendation Change in response to such Change in Circumstance.

The restrictions and procedures described above relating to a Company Adverse Recommendation Change or termination of the Merger Agreement in response to either a Superior Offer or a Change in Circumstances apply to any material amendment to any Acquisition Proposal or any material change to the facts and circumstances relating to the Change in Circumstances. Any such amendment or material change will require the Company to deliver a new Determination Notice and comply with such procedures; however, the references to four business days will be deemed to be references to two business days.

For purposes of this proxy statement and the Merger Agreement:

“Acquisition Proposal” means any proposal or offer from any person or group (other than Parent and its affiliates), relating to any (A) acquisition or license of assets of the Company and its subsidiaries equal to 20% or more of the Company's consolidated assets or to which 20% or more of the Company's revenues or earnings on a consolidated basis are attributable, (B) issuance or acquisition of 20% or more of the outstanding Shares, (C) recapitalization, tender offer or exchange offer that if consummated would result in any person or group beneficially owning 20% or more of the outstanding Shares or (D) merger, consolidation, amalgamation, share exchange, business combination, recapitalization, liquidation, dissolution or similar transaction involving the Company that if consummated would

result in any person or group beneficially owning 20% or more of the outstanding Shares, in each case other than the transactions contemplated by the Merger Agreement.

Table of Contents

“Change in Circumstances” means material event or development or material change in circumstances with respect to the Company that was (i) neither known to the Board nor reasonably foreseeable as of or prior to the date hereof nor actually known by the chief executive officer or chief financial officer of the Company nor reasonably foreseeable as of or prior to the date hereof and (ii) does not relate to (A) any Acquisition Proposal, (B) any events, changes or circumstances relating to Vista, Parent, Merger Sub or any of their affiliates, (C) clearance of the Merger under the HSR Act or other antitrust laws or (D) the mere fact the Company meets or exceeds any internal or published projections, forecasts, estimates or predictions of revenue, earnings or other financial or operating metrics for any period ending on or after the date hereof, or changes after the date of the Merger Agreement in the market price or trading volume of the Shares or the credit rating of the Company (however, the underlying reasons for such events may constitute such material event, development or change in circumstances).

“Superior Offer” means a bona fide written Acquisition Proposal that the Board determines, in its good faith judgment, after consultation with its outside legal counsel and its financial advisor of nationally recognized reputation, is reasonably likely to be consummated in accordance with its terms, taking into account all legal, regulatory and financing aspects (including certainty of closing) of the proposal and the person making the proposal and other aspects of the Acquisition Proposal that the Board deems relevant, and if consummated, would result in a transaction more favorable to the Company’s stockholders (solely in their capacity as such) from a financial point of view than the transaction contemplated by the Merger Agreement; provided that for purposes of the definition of “Superior Offer,” the references to “20%” in the definition of Acquisition Proposal shall be deemed to be references to “80%”.

Obligations with Respect to the Proxy Statement

The Merger Agreement provides that as promptly as practicable following the date of the Merger Agreement, the Company will prepare and file with the SEC in preliminary form a proxy statement relating to the Stockholders’ Meeting, which will reflect the Recommendation (subject to any Company Adverse Recommendation Change). If the adoption of the Merger Agreement by the Company’s stockholders is required by applicable law, then the Company shall have the right at any time after the latest of (i) the initial expiration date of the Offer, (ii) three (3) business days after the Proxy Statement Clearance Date and (iii) March 22, 2014, to (and Parent and Merger Sub shall have the right, at any time beginning three (3) business days after the Proxy Statement Clearance Date, to request in writing that the Company, and upon receipt of such written request, the Company shall), as promptly as practicable, (x) take all actions necessary to establish a record date for and give notice of the Stockholders’ Meeting, (y) as soon as practicable after the Offer Termination, call and give notice of a meeting of the stockholders to vote on the adoption of the Merger Agreement and approval of the Merger and (z) mail a proxy statement to the holders of Shares as of the record date established for the Stockholders’ Meeting. Unless the Agreement is terminated in accordance with its terms, the Company is obligated to submit the Merger Agreement and Merger to its stockholders at the Stockholders’ Meeting even if the Board has made a Company Adverse Change Recommendation.

Financing Efforts

Each of Parent and Vitera shall use its reasonable best efforts to obtain the Financing on the terms and conditions set forth in the Debt Commitment Letter and Equity Financing Commitment (together, the “Financing Commitments”), and shall not permit any amendment or modification to be made to, or any waiver of any provision under, the Financing Commitments, if such amendment, modification or waiver (i) reduces (or would reasonably be expected to have the effect of reducing) the aggregate amount of the debt financing or the Equity Financing (together, the “Financing”) (including by increasing the amount of fees to be paid or original issue discount, unless the debt financing or Equity Financing is increased by a corresponding amount or the debt financing is otherwise made available to fund such fees or original issue discount) or (ii) imposes new or additional conditions precedent or amends the conditions precedent to the receipt of the Financing or otherwise expands, amends or modifies any other provision of the Financing Commitments in a manner that would reasonably be expected to delay or prevent the funding of the Financing or adversely impact the ability of Parent or Vitera or the Company, as applicable, to enforce its rights against other parties to the Financing Letters or the definitive agreements with respect thereto.

The Company has agreed to use its commercially reasonable efforts, and to cause its subsidiaries to use their commercially reasonable efforts to provide and cause their respective representatives to provide all cooperation as Parent or Vitera may reasonably request and that is customary in connection with the arrangement of the debt financing contemplated by the Debt Commitment Letter.

Marketing Period

In addition to the conditions to the Merger described above, the Offer and Merger are conditioned upon the completion of the Marketing Period. If at such time the conditions to the Merger have been satisfied or waived (other than those conditions that by their nature are to be satisfied at the closing of the Merger, but subject to the satisfaction or waiver of such conditions at such time), then the Merger will occur on (i) the date following the satisfaction or waiver of such conditions that is the earliest to occur of (A) any business day during the Marketing Period specified by Parent to Company on no less than two (2) business days’ written notice to Company and (B) the third (3) business day after the final day of the Marketing Period, but subject, in each case, to the satisfaction or waiver of the other conditions to the Merger at such time (other than those conditions that by their nature are to be satisfied at the closing of the Merger, but subject to the satisfaction or waiver of such conditions at such time) or (ii) such other date, time, or place as agreed to in writing by Company and Parent. The “Marketing Period” is a period of fifteen (15) consecutive business days after the date of the Merger Agreement commencing on the first day on which Parent shall have received from the Company certain pertinent and customary information that is reasonably available to the Company and its subsidiaries, and certain financial statements business and other financial data and audit reports and other financial information reasonably needed by Parent and the financing sources (such information, the “required information”); provided that (a) no day during the period from November 27 – 28, 2013 shall be considered a business day for purposes of determining the Marketing Period but in any event no day during such period shall restart the consecutive business day time period, and (b) if the Marketing Period were to commence but would not be completed in accordance with its terms on or prior to December 18, 2013, then the Marketing Period shall not commence prior to

January 6, 2014. If at any point the Company believes that it has delivered the required information referred to in the preceding sentence in accordance with the terms of the Merger Agreement, then the Company may deliver to Parent a written notice to such effect, in which case the Company shall be deemed to have delivered the required information unless Parent shall have provided to the Company within three (3) business days a written notice describing in reasonable detail any required information that the Company has not delivered; provided that the determination as to whether the required information has been delivered shall not be contingent upon the availability of the Debt Financing. Notwithstanding the foregoing, the Marketing Period shall not commence and shall not be deemed to have commenced (A) prior to the commencement of the Offer or (B) if, on or prior to the completion of such fifteen (15) consecutive business day period, the Company shall have publicly announced any intention to restate any material financial information included in the required information or that any such restatement is under consideration, in which case the Marketing Period shall be deemed not to commence unless and until such restatement has been completed and the applicable required information has been amended or Company has announced that it has concluded that no restatement shall be required, and Parent shall have the required information on the first day, throughout and on the last day of such new fifteen (15) consecutive business day period. The Marketing Period commenced on October 4, 2013.

The Merger Agreement also provides that Parent and the Surviving Corporation will also advance reasonable and documented out-of-pocket costs and expenses (including reasonable and documented attorneys' fees) incurred by such directors and officers in connection with matters for which such directors and officers are eligible to be indemnified pursuant to the Merger Agreement (to the extent permitted by applicable law).

The Merger Agreement also provides that, from the effective time until the sixth anniversary of the effective time, the Surviving Corporation will maintain in effect the Company's current insurance coverage with respect to the Company's directors and officers. Alternatively, the Company may, prior to the effective time of the Merger, purchase a tail policy to the Company's current policy of directors' and officers' liability insurance for a period of six years from the effective time of the Merger. If the tail policy is not purchased, the cost of such insurance coverage to be maintained by the Surviving Corporation will not exceed 250% of the annual premium currently paid by the Company for such insurance and, if the premium for such insurance coverage would exceed such amount, Parent shall be obligated to cause the Surviving Corporation to obtain a policy or policies with the greatest coverage available for a cost equal to such amount.

In addition, the parties agreed that no such settlement shall be agreed to without Parent’s prior written consent (such consent not to be unreasonably withheld, conditioned or delayed). The Company will promptly notify Parent of any such litigation and shall keep Parent reasonably and promptly informed with respect to the status thereof.

Other Covenants

The Merger Agreement contains other customary covenants, including, but not limited to, covenants relating to public announcements, access to information, employee benefits, executive compensation and confidentiality.

The Merger Agreement may be terminated at any time prior to the Effective Time, whether before or after receipt of the Stockholder Approval:

by mutual written consent of Parent and the Company at any time prior to the Acceptance Time, or if an Offer Termination occurs, any time thereafter;

by either Parent or the Company:

if the Offer Termination occurs and Stockholder Approval is not obtained at the Stockholders' Meeting or any adjournment or postponement thereof, provided that such right to termination is not available to a party if it is in breach of its obligations with respect to the filing of the proxy statement, holding of the Stockholders' Meeting or obtainment of the Stockholder Approval;

In addition, this right to terminate the Merger Agreement shall not be available to Parent or the Company if the non-satisfaction of the Tender Offer Conditions or termination or withdrawal of the Offer is attributable to the failure of such party to perform any covenant or obligation under the Merger Agreement;

by Parent:

at any time prior to the Acceptance Time, or if an Offer Termination occurs, at any time prior to the Closing, if there is a breach of any representation or warranty or failure to perform any covenant in the Merger Agreement on the part of the Company, which inaccuracy, breach or failure to perform

Effect of Termination. If the Merger Agreement is terminated in accordance with its terms, the Merger Agreement will be of no further force or effect (subject to certain designated provisions of the Merger Agreement which survive, including provisions relating to expenses, the termination fees, limitations on liability and specific performance, among others) and there will be no liability on the part of Parent, Merger Sub or the Company. No party is relieved of any liability for any willful and material breach of the Merger Agreement prior to the date thereof or for any common law fraud.

Termination Fees

The Company has agreed to pay Parent or a person designated by Parent a termination fee of \$24,136,000 (less any expense reimbursement previously paid to Parent by the Company) in certain circumstances described below:

if the Merger Agreement is terminated by the Company in order for the Company to accept a Superior Offer and enter into a Specified Agreement (subject to the terms and conditions of such termination right), with such fee being payable prior to such termination;

if the Merger Agreement is terminated by Parent because the Company has failed (x) to include the Recommendation in the Proxy Statement or Schedule 14D-9 or has effected a Company Adverse Change Recommendation, (y) publicly reaffirm the Recommendation in the absence of a publicly announced Acquisition Proposal within the earlier of ten (10) business days after Parent so requests in writing and two (2) business days prior to the Stockholders' Meeting, provided that Parent may only make such request once every thirty (30) days, provided further that if an Acquisition Proposal shall have been publicly disclosed, Parent may make such request up to three (3) times every thirty (30) days, or (z) recommend in a Solicitation/Recommendation Statement on Schedule 14D-9 rejection of a tender offer or exchange offer within ten (10) business days after the commencement thereof, in each case, with such fee being payable, within two business days after such termination; and

if the Merger Agreement is terminated by Parent due to a willful breach by the Company of any of its representations, warranties or covenants set forth in the Merger Agreement or by Parent or the Company due to failure to obtain the Stockholder Approval, if required by applicable legal requirements, and (A) after the date of the Merger Agreement but prior to such termination any person shall have publicly disclosed or made known to the Board a *bona fide* Acquisition Proposal (unless such Acquisition Proposal is irrevocably, in good faith and publicly (if publicly made) withdrawn prior to such termination) and (B) within twelve (12) months of such termination the Company shall have entered into a definitive agreement with respect to an Acquisition Proposal or consummated an Acquisition Proposal. For purposes of determining whether the termination fee is payable under the circumstances described in the previous sentence, the term Acquisition Proposal has the meaning described below, except that the references to "20%" in the definition of Acquisition Proposal shall be deemed to be references to "80%." In the event the termination fee is payable in accordance with the foregoing, such fee shall be payable prior to the consummation of the Acquisition Proposal referred to therein.

Parent has agreed to pay the Company \$48,273,000 (the “Parent Termination Fee”), in certain circumstances described below:

If (i) the Merger Agreement is terminated by Parent because the Effective Time has not occurred by the End Date (as such termination right is described above) and (ii) at the time of such termination all of the Tender Offer Conditions have been satisfied or waived except the condition that there shall not have been a termination of the Merger Agreement;

If (i) the Merger Agreement is terminated by the Company because the Effective Time has not occurred by the End Date (as such termination right is described above) and: (A) at the time of such termination all of the Tender Offer Conditions have been satisfied or waived except for the condition that there not have been a termination of the Merger Agreement and (B) the Company shall have given Parent at least five (5) business days’ prior written notice of its intent to terminate the Agreement; and

If the Merger Agreement is terminated by the Company pursuant to its Merger Failure Termination Right or the Offer Failure Termination Right (if Parent did not at the time of the Company’s termination have a right to terminate pursuant to the Offer Failure Termination Right) as described above.

Expense Reimbursement

In the event the Merger Agreement is terminated by Parent because the Company’s willful material breach of its representations, warranties or covenants contained in the Merger Agreement, the Company is required to reimburse all actual and reasonable out-of-pocket fees and expenses incurred by Parent in connection with the transactions contemplated by the Merger Agreement, in an amount not to exceed \$4,505,000. Payment by the Company of expense reimbursement does not relieve the Company of any subsequent obligation to pay the termination fee as described above in the section titled “Termination Fees”.

Specific Performance

The parties are entitled to an injunction or injunctions, specific performance or other equitable relief to prevent breaches of the Merger Agreement and to enforce specifically the terms and provisions thereof, in addition to any other remedy to which they are entitled under the Merger Agreement. Pursuant to the Merger Agreement, the Company has the right to an injunction, specific performance or other equitable remedies in connection with enforcing Parent’s obligation to cause the Equity Financing to be funded to fund the Merger (including to cause Parent to enforce the obligations of Vista under the Equity Commitment Letter in order to cause the Equity Financing to be timely completed).

Table of Contents

Limitations of Liability

Under no circumstances are the Company, its subsidiaries and certain persons related to the Company entitled to monetary damages in excess of \$48,273,000 (plus the amount of any indemnification obligations payable pursuant to the Merger Agreement). The Company may pursue both specific performance as described above and payment of the Parent Termination Fee; however, in no instance will the Company be entitled to receive both specific performance and money damages, including the Parent Termination Fee. The Company can cause Vista to provide funds, subject to the maximum set forth in the Equity Commitment Letter between Parent and Vista, up to such aggregate limit to Parent to the extent provided in the Equity Commitment Letter, subject to the terms of the Equity Commitment Letter and the Limited Guaranty. In addition, the rights of the Company pursuant to the Equity Commitment Letter and the Limited Guaranty are the sole and exclusive remedy of the Company and its affiliates against Vista in respect of monetary liabilities or obligations arising under the Merger Agreement. You will find a description of the Equity Commitment Letter and the Limited Guaranty above under the section entitled “Proposal 1—The Merger—Financing of the Merger”.

Fees and Expenses

Except for the provisions described under “Expense Reimbursement” and certain expenses related to financing cooperation and tax matters, all fees and expenses incurred in connection with the Merger Agreement, the Offer, the Merger and the other transactions contemplated by the Merger Agreement will be paid by the party incurring such fees or expenses, whether or not the Offer, the Merger or any of the other transactions contemplated by the Merger Agreement are consummated.

Amendment

The parties may amend the Merger Agreement by executed written agreement prior to the effective time of the Merger with the approval of the respective boards of directors of the Company and Parent at any time, provided that (x) after the consummation of the Offer, there will be no amendment that decreases the Per Share Amount or the Merger Consideration, and (y) after the adoption of the Merger Agreement by the Company’s stockholders, there shall be no amendment or change to the Merger Agreement that by law requires the further approval of the Company’s stockholders without obtaining such further approval.

Governing Law

The Merger Agreement is governed by Delaware law.

Thomas Green, Jr., Wyche T. Green, III, Robert Hensley, Neal Morrison, Thomas T. Richards, Walter Turek and Noah Walley), and certain executive officers of the Company, including Gregory H. Schulenburg (the Company's Executive Vice President and Chief Operating Officer), James A. Cochran (the Company's Chief Financial Officer) and William G. Esslinger, Jr. (the Company's Vice President, General Counsel and Secretary) (each a "Support Stockholder and, collectively, the "Support Stockholders"), entered into tender and support agreements with Parent and Merger Sub (each a "Support Agreement" and, collectively, the "Support Agreements"), pursuant to which each Support Stockholder agreed, among other things and subject to the termination of the Support Agreement, to duly tender (and deliver any certificates evidencing) the Shares beneficially owned by such Support Stockholder at the commencement of the Offer (including any Shares that such Support Stockholder receives as a result of exercising Options), or cause such Shares to be duly tendered, into the Offer promptly following, and in any event no later than the tenth (10th) business day following, such Support Stockholder's receipt of the Schedule TO along with all exhibits (including the Offer to Purchase), amendments or supplements thereto. An aggregate of 15,178,780 Shares, or approximately 50.9% of the outstanding Shares, are subject to the Support Agreements.

Each Support Stockholder also agreed that at every meeting of the stockholders of the Company, including every adjournment or postponement thereof, such Support Stockholder would vote its Shares (a) in favor of the Merger Agreement, the approval of the Merger and the other transactions contemplated by the Merger Agreement and any actions required in furtherance thereof and / or (b) against (i) any action, agreement or proposal which would materially impede, interfere with or prevent the Offer or the Merger, including, but not limited to, any other extraordinary corporation transaction involving the Company and any Person (other than Parent, Merger Sub or their Affiliates), or any other proposal of any Person (other than Parent, Merger Sub or their Affiliates) to acquire the Company or all or substantially all of the assets thereof, (ii) any acquisition proposal and any action in furtherance of any acquisition proposal and (iii) any action, proposal, transaction or agreement that would reasonably be expected to result in a breach of any covenant, representation or warranty or any other obligation or agreement of such Support Stockholder under the Support Agreement.

Each Support Agreement will terminate upon the earlier of (i) the termination of the Merger Agreement in accordance with its terms, (ii) the effective time of the Merger, (iii) the mutual written consent of Parent and the stockholder party thereto and (iv) any change to the terms of the Offer or Merger without the prior written consent of the stockholder party thereto that (A) reduces the Offer Price or the Merger Consideration, (B) changes the form of consideration payable in the Offer or the Merger or (C) amends, modifies or waives the Minimum Condition such that Parent or Merger Sub would beneficially own less than 50% of the outstanding Shares after giving effect to the closing of the Offer.

All fees and expenses incurred in connection with the Support Agreements and the transactions contemplated thereby will be paid by the party incurring such fees or expenses, whether or not the Offer, the Merger or any of the other

transactions contemplated by the Merger Agreement are consummated, provided that the Company will be permitted to reimburse reasonable and documented out-of-pocket fees and expenses of legal counsel to the stockholder party thereto and other stockholders with respect to each Support Agreement and the transactions contemplated thereby, subject to an aggregate cap of \$100,000.

PROPOSAL 2
AUTHORITY TO ADJOURN THE SPECIAL MEETING

The Adjournment Proposal

If at the special meeting of stockholders, our Board determines it is necessary or appropriate to adjourn the special meeting, we intend to move to adjourn the special meeting. For example, our Board may make such a determination if the number of shares of our common stock represented and voting in favor of the proposal to adopt the Merger Agreement at the special meeting is insufficient to adopt that proposal under the DGCL, in order to enable our Board to solicit additional votes in respect of such proposal. If our Board determines that it is necessary or appropriate, we will ask our stockholders to vote only upon the proposal to adjourn the special meeting, and not the proposal to adopt the Merger Agreement.

In this proposal, we are asking you to authorize the holder of any proxy solicited by our Board to vote in favor of the proposal to adjourn the special meeting to another time and place. If the stockholders approve the proposal to adjourn the special meeting, we could adjourn the special meeting and any adjourned session of the special meeting and use the additional time to solicit additional votes, including the solicitation of votes from stockholders that have previously voted. Among other things, approval of the proposal to adjourn the special meeting could mean that, even if we had received proxies representing a sufficient number of votes against the proposal to adopt the Merger Agreement to defeat that proposal, we could adjourn the special meeting without a vote on the Merger Agreement and seek to convince the holders of those shares to change their votes to votes in favor of the proposal to adopt the Merger Agreement.

Board of Directors Recommendation

Our Board of Directors unanimously recommends that you vote “FOR” the proposal to adjourn the special meeting, is necessary or appropriate, including to solicit additional votes in favor of the proposal to adopt the Merger Agreement.

PROPOSAL 3
ADVISORY VOTE REGARDING GOLDEN PARACHUTE COMPENSATION

This compensation is summarized in the section entitled “Proposal 1—The Merger—Interests of Certain Persons in the Merger,” including in the table under the heading “Proposal 1—The Merger—Interests of Certain Persons in the Merger—Golden Parachute Compensation.”

Non-Binding Advisory Vote

Section 951 of the Dodd-Frank Act and Rule 14a-21(c) under the Exchange Act require that we seek a non-binding advisory vote from our stockholders to approve the “golden parachute compensation” payable to our named executive officers in connection with the Merger, which we are seeking even though we are an “emerging growth company” as defined under the Exchange Act. The “golden parachute compensation” payable to our named executive officers in connection with the Merger relates only to the vesting of unvested Stock Options, as described in the table under the heading “Proposal 1—The Merger—Interests of Certain Persons in the Merger— Golden Parachute Compensation.” This non-binding advisory proposal relates only to already existing contractual obligations of the Company that may result in a payment to the Company’s named executive officers in connection with the Merger and does not relate to any new compensation or other arrangements between our named executive officers, on the one hand, and Parent, Merger Sub, or the Company or, following the Merger, the Surviving Company and its subsidiaries, on the other hand. Accordingly, we are asking you to approve the following resolution:

“RESOLVED, that the stockholders approve, on an advisory (non-binding) basis, the agreements or understandings with, and items of compensation payable to, the named executive officers of the Company that are based on or otherwise relate to the merger, as disclosed in the sections of the Proxy Statement entitled “Advisory Vote Regarding Golden Parachute Compensation” and ‘Proposal 1—The Merger—Interests of Certain Persons in the Merger’.”

Board of Directors Recommendation

The Board of Directors unanimously recommends that our stockholders approve the non-binding advisory proposal on the golden parachute compensation payable to our named executive officers in connection with the Merger.

Approval of this proposal is not a condition to the completion of the Merger, and the vote with respect to this proposal is advisory only and will not be binding on us or Parent. Accordingly, regardless of the outcome of the non-binding

advisory vote, our named executive officers will be eligible to receive or retain the various amounts of golden parachute compensation payable to them in connection with the Merger (subject to the completion of the Merger, if required by the terms of such compensation).

The following table sets forth information with respect to the beneficial ownership of our common stock as of October 2, 2013, subject to certain assumptions set forth in the footnotes, for:

each stockholder, or group of affiliated stockholders, who we know beneficially owns more than 5% of the outstanding shares of our common stock;

Beneficial ownership is determined in accordance with rules of the SEC and generally includes any shares over which a person exercises sole or shared voting and/or investment power. Shares of common stock subject to options and warrants currently exercisable or exercisable within 60 days are deemed outstanding for computing the percentage ownership of the person holding the options but are not deemed outstanding for computing the percentage ownership of any other person. Except as otherwise indicated, we believe the beneficial owners of the common stock listed below, based on information furnished by them, have sole voting and investment power with respect to the number of shares listed opposite their names.

The number of shares and percentages of beneficial ownership set forth below are based on 29,837,187 shares of common stock outstanding as of October 2, 2013.

Unless otherwise indicated, the address of each of the individuals and entities named in the table below under “Named Executive Officers and Directors” is Greenway Medical Technologies, Inc., 100 Greenway Boulevard, Carrollton, GA 30117.

APPRAISAL RIGHTS

Under Section 262 of the DGCL, if you do not wish to accept the per share Merger Consideration provided for in the Merger Agreement and you do not vote for the adoption of the Merger Agreement, you have certain rights under Section 262 of the DGCL to demand appraisal of your shares of Company common stock and to receive payment in cash for the fair value of your shares of Company common stock in lieu of the \$20.35 per share to be paid in the Merger, exclusive of any element of value arising from the accomplishment or expectation of the Merger, as determined by the Delaware Court of Chancery, together with interest, if any, to be paid upon the amount determined to be fair value. The “fair value” of your shares of Company common stock as determined by the Delaware Court of Chancery may be more or less than, or the same as, the \$20.35 per share that you are otherwise entitled to receive under the terms of the Merger Agreement. These rights are known as appraisal rights. The Company’s stockholders who elect to exercise appraisal rights must not vote in favor of the proposal to adopt the Merger Agreement and must comply with the provisions of Section 262 of the DGCL, in order to perfect their rights. Strict compliance with the statutory procedures in Section 262 is required. **Failure to follow precisely any of the statutory requirements will result in the loss of your appraisal rights.**

This section is intended as a brief summary of the material provisions of the Delaware statutory procedures that a stockholder must follow in order to seek and perfect appraisal rights. This summary, however, is not a complete statement of all applicable requirements, and it is qualified in its entirety by reference to Section 262 of the DGCL, the full text of which appears in **Annex C** to this proxy statement. The following summary does not constitute any legal or other advice, nor does it constitute a recommendation that stockholders exercise their appraisal rights under Section 262.

Section 262 requires that where a merger agreement is to be submitted for adoption at a meeting of stockholders, the stockholders be notified that appraisal rights will be available not less than 20 days before the meeting to vote on the merger. A copy of Section 262 must be included with such notice. This proxy statement constitutes the Company’s notice to our stockholders that appraisal rights are available in connection with the Merger, in compliance with the requirements of Section 262. If you wish to consider exercising your appraisal rights, you should carefully review the text of Section 262 contained in **Annex C**. Failure to comply timely and properly with the requirements of Section 262 will result in the loss of your appraisal rights under the DGCL.

If you elect to demand appraisal of your shares of Company common stock, you must satisfy each of the following conditions: you must deliver to the Company a written demand for appraisal of your shares of Company common stock before the vote is taken to approve the proposal to adopt the Merger Agreement, which must reasonably inform us of the identity of the holder of record of shares of Company common stock who intends to demand appraisal of his, her or its shares of Company common stock; you must not vote or submit a proxy in favor of the proposal to adopt the Merger Agreement; you must hold your shares of Company common stock continuously through the effective date of the Merger; and you must comply with the other applicable requirements of Section 262.

Table of Contents

If you fail to comply with these conditions and the Merger is completed, you will be entitled to receive payment for your shares of Company common stock as provided for in the Merger Agreement, but you will have no appraisal rights with respect to your shares of Company common stock. A holder of shares of Company common stock wishing to exercise appraisal rights must hold of record shares of Company common stock on the date the written demand for appraisal is made and must continue to hold the shares of Company common stock of record through the effective time of the Merger. Appraisal rights will be lost if the shares of Company common stock are transferred prior to the effective time of the Merger. Voting against or failing to vote for the proposal to adopt the Merger Agreement by itself does not constitute a demand for appraisal within the meaning of Section 262. A proxy that is submitted and does not contain voting instructions will, unless revoked, be voted in favor of the proposal to adopt the Merger Agreement, and it will constitute a waiver of the stockholder's right of appraisal and will nullify any previously delivered written demand for appraisal. Therefore, a stockholder who submits a proxy and who wishes to exercise appraisal rights must either submit a proxy containing instructions to vote against the proposal to adopt the Merger Agreement or abstain from voting on the proposal to adopt the Merger Agreement. The written demand for appraisal must be in addition to and separate from any proxy or vote on the proposal to adopt the Merger Agreement.

All demands for appraisal should be addressed to Greenway Medical Technologies, Inc., Attention: General Counsel and Corporate Secretary, 100 Greenway Boulevard, Carrollton, Georgia 30117, and must be delivered before the vote is taken to approve the proposal to adopt the Merger Agreement at the special meeting, and should be executed by, or on behalf of, the record holder of the shares of Company common stock. The demand must reasonably inform the Company of the identity of the stockholder and the intention of the stockholder to demand appraisal of his, her or its shares of Company common stock.

To be effective, a demand for appraisal by a stockholder of Company common stock must be made by, or in the name of, the record stockholder, fully and correctly, as the stockholder's name appears on the stockholder's stock certificate(s) or in the transfer agent's records, in the case of uncertificated shares. The demand cannot be made by the beneficial owner if he or she does not also hold the shares of Company common stock of record. The beneficial holder must, in such cases, have the registered owner, such as a bank, brokerage firm or other nominee, submit the required demand in respect of those shares of Company common stock. **If you hold your shares of Company common stock through a bank, brokerage firm or other nominee and you wish to exercise appraisal rights, you should consult with your bank, brokerage firm or the other nominee to determine the appropriate procedures for the making of a demand for appraisal by the nominee.**

If shares of Company common stock are owned of record in a fiduciary capacity, such as by a trustee, guardian or custodian, execution of a demand for appraisal should be made in that capacity. If the shares of Company common stock are owned of record by more than one person, as in a joint tenancy or tenancy in common, the demand should be executed by or for all joint owners. An authorized agent, including an authorized agent for two or more joint owners, may execute the demand for appraisal for a stockholder of record; however, the agent must identify the record owner or owners and expressly disclose the fact that, in executing the demand, he or she is acting as agent for the record owner or owners. A record owner, such as a bank, brokerage firm or other nominee, who holds shares of Company common stock as a nominee for others, may exercise his or her right of appraisal with respect to the shares of Company common stock held for one or more beneficial owners, while not exercising this right for other beneficial owners. In that case, the written demand should state the number of shares of Company common stock as to which

appraisal is sought. Where no number of shares of Company common stock is expressly mentioned, the demand will be presumed to cover all shares of Company common stock held in the name of the record owner.

Table of Contents

Within ten days after the effective time of the Merger, the surviving corporation in the Merger must give written notice that the Merger has become effective to each of the Company's stockholders who has properly filed a written demand for appraisal and who did not vote in favor of the proposal to adopt the Merger Agreement. At any time within 60 days after the effective time of the Merger, any stockholder who has not commenced an appraisal proceeding or joined a proceeding as a named party may withdraw the demand and accept the cash payment specified by the Merger Agreement for that stockholder's shares of Company common stock by delivering to the surviving corporation a written withdrawal of the demand for appraisal. However, any such attempt to withdraw the demand made more than 60 days after the effective time of the Merger will require written approval of the surviving corporation. Unless the demand is properly withdrawn by the stockholder within 60 days after the effective date of the Merger, no appraisal proceeding in the Delaware Court of Chancery will be dismissed as to any stockholder without the approval of the Delaware Court of Chancery, with such approval conditioned upon such terms as the Court deems just. If the surviving corporation does not approve a request to withdraw a demand for appraisal when that approval is required, or if the Delaware Court of Chancery does not approve the dismissal of an appraisal proceeding, the stockholder will be entitled to receive only the fair value of such stockholder's shares of Company common stock determined by the Delaware Court of Chancery in any such appraisal proceeding, which value could be less than, equal to or more than the consideration offered pursuant to the Merger Agreement.

Within 120 days after the effective time of the Merger, but not thereafter, either the surviving corporation or any stockholder who has complied with the requirements of Section 262 and is entitled to appraisal rights under Section 262 may commence an appraisal proceeding by filing a petition in the Delaware Court of Chancery demanding a determination of the fair value of the shares of Company common stock held by all stockholders entitled to appraisal. Upon the filing of the petition by a stockholder, service of a copy of such petition shall be made upon the surviving corporation. The surviving corporation has no obligation to file such a petition, and holders should not assume that the surviving corporation will file a petition. If no such petition is filed, appraisal rights will be lost for all stockholders who have previously demanded appraisal of their shares. Accordingly, the failure of a stockholder to file such a petition within the period specified could nullify the stockholder's previous written demand for appraisal.

In addition, within 120 days after the effective time of the Merger, any stockholder who has properly filed a written demand for appraisal and who did not vote in favor of the Merger Agreement, upon written request, will be entitled to receive from the surviving corporation a statement setting forth the aggregate number of shares of Company common stock not voted in favor of the Merger Agreement and with respect to which demands for appraisal have been received and the aggregate number of holders of such shares. The statement must be mailed within 10 days after such written request has been received by the surviving corporation. A person who is the beneficial owner of shares of Company common stock held either in a voting trust or by a nominee on behalf of such person may, in such person's own name, file a petition for appraisal or request from the surviving corporation such statement.

Table of Contents

If a petition for appraisal is duly filed and a copy of the petition is delivered to the surviving corporation, then the surviving corporation will be obligated, within 20 days after receiving service of a copy of the petition, to file with the Delaware Register in Chancery a duly verified list containing the names and addresses of all stockholders who have demanded an appraisal of their shares of Company common stock and with whom agreements as to the value of their shares of Company common stock have not been reached. After notice to stockholders who have demanded appraisal, if such notice is ordered by the Delaware Court of Chancery, the Delaware Court of Chancery is empowered to conduct a hearing upon the petition and to determine those stockholders who have complied with Section 262 and who have become entitled to the appraisal rights provided by Section 262. The Delaware Court of Chancery may require stockholders who have demanded payment for their shares of Company common stock to submit their stock certificates to the Register in Chancery for notation of the pendency of the appraisal proceedings; if any stockholder fails to comply with that direction, the Delaware Court of Chancery may dismiss the proceedings as to that stockholder.

After determination of the stockholders entitled to appraisal of their shares of Company common stock, the Delaware Court of Chancery will appraise the shares of Company common stock, determining their fair value as of the effective time of the Merger after taking into account all relevant factors exclusive of any element of value arising from the accomplishment or expectation of the Merger, together with interest, if any, to be paid upon the amount determined to be the fair value. When the value is determined, the Delaware Court of Chancery will direct the payment of such value upon surrender by those stockholders of the certificates representing their shares of Company common stock. Unless the Court in its discretion determines otherwise for good cause shown, interest from the effective date of the Merger through the date of payment of the judgment shall be compounded quarterly and shall accrue at 5% over the Federal Reserve discount rate (including any surcharge) as established from time to time during the period between the effective time of the Merger and the date of payment of the judgment.

You should be aware that an investment banking opinion as to fairness from a financial point of view is not necessarily an opinion as to fair value under Section 262. **Although we believe that the per share Merger Consideration is fair, no representation is made as to the outcome of the appraisal of fair value as determined by the Delaware Court of Chancery and stockholders should recognize that such an appraisal could result in a determination of a value higher or lower than, or the same as, the per share Merger Consideration.** Moreover, we do not anticipate offering more than the per share Merger Consideration to any stockholder exercising appraisal rights and reserve the right to assert, in any appraisal proceeding, that, for purposes of Section 262, the “fair value” of a share of Company common stock is less than the per share Merger Consideration. In determining “fair value,” the Delaware Court is required to take into account all relevant factors. In *Weinberger v. UOP, Inc.*, the Delaware Supreme Court has stated that such factors include “market value, asset value, dividends, earning prospects, the nature of the enterprise and any other facts which were known or which could be ascertained as of the date of the merger and which throw any light on future prospects of the merged corporation.” In *Weinberger*, the Delaware Supreme Court stated, among other things, that “proof of value by any techniques or methods which are generally considered acceptable in the financial community and otherwise admissible in court” should be considered in an appraisal proceeding. Section 262 of the DGCL provides that fair value is to be “exclusive of any element of value arising from the accomplishment or expectation of the merger.” In *Cede & Co. v. Technicolor, Inc.*, the Delaware Supreme Court stated that such exclusion is a “narrow exclusion [that] does not encompass known elements of value,” but which rather applies only to the speculative elements of value arising from such accomplishment or expectation. In *Weinberger*, the Delaware Supreme Court construed Section 262 of the DGCL to mean that “elements of future value, including the nature of the enterprise, which are known or susceptible of proof as of the date of the merger and not the product of

speculation, may be considered.” In addition, the Court of Chancery has decided that the statutory appraisal remedy, depending on factual circumstances, may or may not be the exclusive remedy for a stockholder who seeks appraisal.

Table of Contents

Costs of the appraisal proceeding (which do not include attorney s' fees or the fees and expenses of experts) may be determined by the Delaware Court of Chancery and imposed upon the surviving corporation and the stockholders participating in the appraisal proceeding by the Delaware Court of Chancery, as it deems equitable in the circumstances. Upon the application of a stockholder, the Delaware Court of Chancery may order all or a portion of the expenses incurred by any stockholder in connection with the appraisal proceeding, including, without limitation, reasonable attorneys' fees and the fees and expenses of experts used in the appraisal proceeding, to be charged pro rata against the value of all shares of Company common stock entitled to appraisal. Any stockholder who demanded appraisal rights will not, after the effective time of the Merger, be entitled to vote shares of Company common stock subject to that demand for any purpose or to receive payments of dividends or any other distribution with respect to those shares of Company common stock, other than with respect to payment as of a record date prior to the effective time of the Merger. However, if no petition for appraisal is filed within 120 days after the effective time of the Merger, or if the stockholder otherwise fails to perfect, successfully withdraws or loses such holder's right to appraisal, then the right of that stockholder to appraisal will cease and that stockholder will be entitled to receive the \$20.35 per share cash payment (without interest) for his, her or its shares of Company common stock pursuant to the Merger Agreement.

In view of the complexity of Section 262 of the DGCL, the Company's stockholders who may wish to pursue appraisal rights should consult their legal and financial advisors.

DELISTING AND DEREGISTRATION OF COMPANY COMMON STOCK

If the Merger is completed, Company common stock will be delisted from the NYSE and deregistered under the Exchange Act and we will no longer be required to file periodic reports with the SEC on account of Company common stock.

As of the date of this proxy statement, our Board knows of no matters that will be presented for consideration at the special meeting other than as described in this proxy statement.

Stockholder Proposals and Nominations for 2013 Annual Meeting

Once the Merger is completed, there will be no public participation in any future meetings of the Company's stockholders. If the Merger is not completed, our public stockholders will continue to be entitled to attend and participate in our stockholder meetings, and we would expect to hold our 2013 annual meeting of stockholders prior to the end of 2013.

Inclusion of Proposals in the Company's Proxy Statement and Proxy Card under the SEC Rules; Advance Notice Requirements

Inclusion of Proposals in the Company's Proxy Statement and Proxy Card under the SEC Rules

Stockholders who, in accordance with SEC Rule 14a-8, wish to present proposals for inclusion in the Company's proxy materials to be distributed in connection with the 2013 Annual Meeting of Stockholders must submit their proposals so that they are received at the Company's principal executive offices no later than the close of business on May 28, 2013. As the rules of the SEC make clear, simply submitting a proposal does not guarantee that it will be included.

In accordance with the Bylaws, in order to be properly brought before the 2013 Annual Meeting, a stockholder's notice of the matter the stockholder wishes to present, or the person or persons the stockholder wishes to nominate as a director, must be delivered to, or mailed and received by the Company's General Counsel and Secretary, William G. Esslinger, Jr., at the Company's principal executive offices no less than 60 days, and no more than 90 days, before the one year anniversary of the date of the prior year's annual meeting; provided, however, that if the date of the 2013 Annual Meeting is more than 30 days before or more than 60 days after such anniversary date, notice by the stockholder to be timely must be so delivered, or mailed and received, not later than the 60th day prior to such annual

meeting, or, if later, the tenth day following the day on which public disclosure of the date of such annual meeting was first made. As a result, any notice given by a stockholder pursuant to these provisions of the Bylaws (and not pursuant to the SEC's Rule 14a-8) must be received no earlier than August 9, 2013, and no later than September 9, 2013, unless the Company's annual meeting date in 2013 is more than 30 days before or more than 60 days after November 7, 2013.

To be in proper form, a stockholder's notice must include the specified information concerning the proposal or nominee as described in the Bylaws. A stockholder who wishes to submit a proposal or nomination is encouraged to seek independent counsel about the requirements imposed by the Bylaws and SEC regulations. The Company will not consider any proposal or nomination that does not meet the Bylaws' requirements and the SEC's requirements for submitting a proposal or nomination.

Advance Notice Requirements Under Our Bylaws

According to our bylaws, a stockholder presenting a proposal must ensure that business is properly brought before the annual meeting of the stockholders. To be properly brought, business (i) brought before the meeting by the Company and specified in the notice of meeting given by or at the direction of the Board, (ii) brought before the meeting by or at the direction of the Board, or (iii) otherwise properly brought before the meeting by a stockholder who (A) was a stockholder of record of the Company (and, with respect to any beneficial owner, if different, on whose behalf such business is proposed, only if such beneficial owner was the beneficial owner of shares of the Company) both at the time of giving the notice and at the time of the meeting, (B) is entitled to vote at the meeting, and (C) has complied with Section 2 of the bylaws as to such business. Except for proposals properly made in accordance with Rule 14a-8 (or any successor thereto) under the Exchange Act, and included in the notice of meeting given by or at the direction of the Board, the foregoing clause (iii) shall be the exclusive means for a stockholder to propose business to be brought before an annual meeting of the stockholders. Stockholders shall not be permitted to propose business to be brought before a special meeting of the stockholders, and the only matters that may be brought before a special meeting are the matters specified in the notice of meeting given by or at the direction of the Board.

Without qualification, for business to be properly brought before an annual meeting by a stockholder, the stockholder must (i) provide Timely Notice (as defined below) thereof in writing and in proper form to the Secretary of the Company and (ii) provide any updates or supplements to such notice at the times and in the forms required by Section 2 of the bylaws. To be timely, a stockholder's notice must be delivered to, or mailed and received at, the principal executive offices of the Company not less than sixty (60) days nor more than ninety (90) days prior to the one (1)-year anniversary of the preceding year's annual meeting; provided, however, that if the date of the annual meeting is more than thirty (30) days before or more than sixty (60) days after such anniversary date, notice by the stockholder to be timely must be so delivered, or mailed and received, not later than the sixtieth (60th) day prior to such annual meeting or, if later, the tenth (10th) day following the day on which public disclosure of the date of such annual meeting was first made (such notice within such time periods, "Timely Notice"). In no event shall any adjournment or postponement of an annual meeting or the announcement thereof commence a new time period for the giving of Timely Notice as described above.

To be in proper form, a stockholder's notice to the Secretary of the Company shall set forth the following.

As to each Proposing Person (as defined below), the notice must set forth (A) the name and address of such Proposing Person (including, if applicable, the name and address that appear on the Company's books and records); and (B) the class or series and number of shares of the Company that are, directly or indirectly, owned of record or beneficially owned (within the meaning of Rule 13d-3 under the Exchange Act) by such Proposing Person, except that such Proposing Person shall in all events be deemed to beneficially own any shares of any class or series of the Company as to which such Proposing Person has a right to acquire beneficial ownership at any time in the future (the disclosures to be made pursuant to the foregoing clauses (A) and (B) are referred to as "Stockholder Information").

Table of Contents

As to each Proposing Person, the notice must also set forth (A) any derivative, swap or other transaction or series of transactions engaged in, directly or indirectly, by such Proposing Person, the purpose or effect of which is to give such Proposing Person economic risk similar to ownership of shares of any class or series of the Company, including due to the fact that the value of such derivative, swap or other transactions are determined by reference to the price, value or volatility of any shares of any class or series of the Company, or which derivative, swap or other transactions provide, directly or indirectly, the opportunity to profit from any increase in the price or value of shares of any class or series of the Company (“Synthetic Equity Interests”), which Synthetic Equity Interests shall be disclosed without regard to whether (x) the derivative, swap or other transactions convey any voting rights in such shares to such Proposing Person, (y) the derivative, swap or other transactions are required to be, or are capable of being, settled through delivery of such shares or (z) such Proposing Person may have entered into other transactions that hedge or mitigate the economic effect of such derivative, swap or other transactions, (B) any proxy (other than a revocable proxy or consent given in response to a solicitation made pursuant to, and in accordance with, Section 14(a) of the Exchange Act by way of a solicitation statement filed on Schedule 14A), agreement, arrangement, understanding or relationship pursuant to which such Proposing Person has or shares a right to vote any shares of any class or series of the Company, (C) any agreement, arrangement, understanding or relationship, including any repurchase or similar so-called “stock borrowing” agreement or arrangement, engaged in, directly or indirectly, by such Proposing Person, the purpose or effect of which is to mitigate loss to, reduce the economic risk (of ownership or otherwise) of shares of any class or series of the Company by, manage the risk of share price changes for, or increase or decrease the voting power of, such Proposing Person with respect to the shares of any class or series of the Company, or which provides, directly or indirectly, the opportunity to profit from any decrease in the price or value of the shares of any class or series of the Company (“Short Interests”), (D) any rights to dividends on the shares of any class or series of the Company owned beneficially by such Proposing Person that are separated or separable from the underlying shares of the Company, (E) any performance related fees (other than an asset based fee) that such Proposing Person is entitled to base on any increase or decrease in the price or value of shares of any class or series of the Company, or any Synthetic Equity Interests or Short Interests, if any, and (F) any other information relating to such Proposing Person that would be required to be disclosed in a proxy statement or other filing required to be made in connection with solicitations of proxies or consents by such Proposing Person in support of the business proposed to be brought before the meeting pursuant to Section 14(a) of the Exchange Act (the disclosures to be made pursuant to the foregoing clauses (A) through (F) are referred to as “Disclosable Interests”); provided, however, that Disclosable Interests shall not include any such disclosures with respect to the ordinary course business activities of any broker, dealer, commercial bank, trust company or other nominee who is a Proposing Person solely as a result of being the stockholder directed to prepare and submit the notice required by the bylaws on behalf of a beneficial owner.

As to each item of business that the stockholder proposes to bring before the annual meeting, the notice must contain (A) a reasonably brief description of the business desired to be brought before the annual meeting, the reasons for conducting such business at the annual meeting and any material interest in such business of each Proposing Person, (B) the text of the proposal or business (including the text of any resolutions proposed for consideration and in the event that such business includes a proposal to amend the bylaws, the language of the proposed amendment), and (C) a reasonably detailed description of all agreements, arrangements and understandings (x) between or among any of the Proposing Persons or (y) between or among any Proposing Person and any other person or entity (including their names) in connection with the proposal of such business by such stockholder.

Table of Contents

The term “Proposing Person” shall mean (i) the stockholder providing the notice of business proposed to be brought before an annual meeting, (ii) the beneficial owner or beneficial owners, if different, on whose behalf the notice of the business proposed to be brought before the annual meeting is made, (iii) any affiliate or associate (each within the meaning of Rule 12b-2 under the Exchange Act for purposes of the bylaws) of such stockholder or beneficial owner, and (iv) any other person with whom such stockholder or beneficial owner (or any of their respective affiliates or associates) is Acting in Concert (as defined below).

A person shall be deemed to be “Acting in Concert” with another person for purposes of the bylaws if such person knowingly acts (whether or not pursuant to an express agreement, arrangement or understanding) in concert with, or towards a common goal relating to the management, governance or control of the Company in parallel with, such other person where (A) each person is conscious of the other person’s conduct or intent and this awareness is an element in their decision-making processes and (B) at least one (1) additional factor suggests that such persons intend to act in concert or in parallel, which such additional factors may include, without limitation, exchanging information (whether publicly or privately), attending meetings, conducting discussions, or making or soliciting invitations to act in concert or in parallel; provided, that a person shall not be deemed to be Acting in Concert with any other person solely as a result of the solicitation or receipt of revocable proxies or consents from such other person in response to a solicitation made pursuant to, and in accordance with, Section 14(a) of the Exchange Act by way of a proxy or consent solicitation statement filed on Schedule 14A. A person Acting in Concert with another person shall be deemed to be Acting in Concert with any third party who is also Acting in Concert with such other person.

A stockholder providing notice of business proposed to be brought before an annual meeting shall further update and supplement such notice, if necessary, so that the information provided or required to be provided in such notice shall be true and correct as of the record date for the meeting and as of the date that is ten (10) business days prior to the meeting or any adjournment or postponement thereof, and such update and supplement shall be delivered to, or mailed and received by, the Secretary of the Company at the principal executive offices of the Company not later than five (5) business days after the record date for the meeting (in the case of the update and supplement required to be made as of the record date), and not later than eight (8) business days prior to the date for the meeting or, if practicable, any adjournment or postponement thereof (and, if not practicable, on the first practicable date prior to the date to which the meeting has been adjourned or postponed) (in the case of the update and supplement required to be made as of ten (10) business days prior to the meeting or any adjournment or postponement thereof).

Notwithstanding anything in the bylaws to the contrary, no business shall be conducted at an annual meeting except in accordance with the instructions in Section 2 of the bylaws. The chairperson of the meeting shall, if the facts warrant, determine that the business was not properly brought before the meeting in accordance with Section 2, and if he or she should so determine, he or she shall so declare to the meeting and any such business not properly brought before the meeting shall not be transacted.

Table of Contents

Section 2 is expressly intended to apply to any business proposed to be brought before an annual meeting of stockholders other than any proposal made pursuant to Rule 14a-8 under the Exchange Act (or any successor thereto). In addition to the requirements of Section 2 with respect to any business proposed to be brought before an annual meeting, each Proposing Person shall comply with all applicable requirements of the Exchange Act with respect to any such business; provided, however, that references in the bylaws to the Exchange Act, or the rules and regulations promulgated thereunder are not intended to and shall not limit the requirements of the bylaws applicable to nominations or proposals or any other business to be considered pursuant to the bylaws regardless of the stockholder's intent to utilize Rule 14a-8 under the Exchange Act (or any successor thereto). Nothing in Section 2 shall be deemed to affect the rights of stockholders to request inclusion of proposals in the Company's proxy statement pursuant to Rule 14a-8 under the Exchange Act (or any successor thereto).

For purposes of the bylaws, "public disclosure" shall mean disclosure in a press release reported by a national news service or in a document publicly filed by the Company with the SEC pursuant to Sections 13, 14 or 15(d) of the Exchange Act.

STOCKHOLDERS SHARING THE SAME LAST NAME AND ADDRESS

To reduce the expense of delivering duplicate proxy materials to stockholders who may have more than one account holding Company stock, but sharing the same address, we have adopted a procedure approved by the SEC called “householding.” Under this procedure, certain stockholders of record who have the same address and last name will receive only one copy of its annual report and proxy statement and, as applicable, any additional proxy materials that are delivered pursuant to a request by such stockholders until such time as one or more of these stockholders notifies us that they want to receive separate copies. This procedure reduces duplicate mailings and saves printing costs and postage fees, as well as natural resources. Stockholders who participate in householding will continue to have access to and utilize separate proxy voting instructions.

If you received a householded mailing this year and you would like to have additional copies of the annual report and/or proxy statement mailed to you, please submit your request to Greenway’s Investor Relations Department at 1.866.242.3805 or by email through Greenway’s investor relations page at <http://ir.greenwaymedical.com/>. The Company will promptly send additional copies of the proxy statement and related materials, as applicable, upon receipt of such request. You may also contact the Company if you received multiple copies of the proxy statement and related materials and would prefer to receive a single copy in the future.

AGREEMENT AND PLAN OF MERGER

This Agreement and Plan of Merger (“**Agreement**”) is made and entered into as of September 23, 2013, by and among: VCG Holdings, LLC, a Delaware limited liability company (“**Parent**”); Crestview Acquisition Corp, a Delaware corporation and a wholly owned direct subsidiary of Parent (“**Merger Sub**”); and **Greenway Medical Technologies, Inc.**, a Delaware corporation (the “**Company**”). Certain capitalized terms used in this Agreement are defined in **Exhibit A**.

Recitals

A. Parent has agreed to cause Merger Sub to commence a cash tender offer (as it may be amended from time to time as permitted under this Agreement, the “**Offer**”) to acquire all of the outstanding shares of Company Common Stock (the “**Shares**”) for \$20.35 per share (such amount, or any other amount per share paid pursuant to the Offer, being the “**Offer Price**”), net to the seller in cash, without interest, upon the terms and subject to the conditions of this Agreement.

B. Regardless of whether the Offer is consummated, Merger Sub will merge with and into the Company (the “**Merger**”), with the Company continuing as the surviving corporation in the Merger (the “**Surviving Corporation**”), on the terms and subject to the conditions set forth in this Agreement, whereby, except as expressly provided in Section 2.5, (i) each issued and outstanding Share not owned by Parent, Merger Sub or the Company as of the Effective Time shall be converted into the right to receive the Offer Price, in cash, without interest, and (ii) the Company shall become a wholly owned Subsidiary of Parent as a result of the Merger.

C. The Board of Directors of the Company has (i) determined that this Agreement and the Transactions, including the Offer and the Merger, are advisable to, and in the best interest of, the Company and its stockholders, (ii) approved the execution, delivery and performance by the Company of this Agreement and the consummation of the Transactions, including the Offer and the Merger, (iii) authorized and approved the Top-Up Option and the issuance of the Top-Up Option Shares, and (iv) resolved to recommend that the stockholders of the Company tender their Shares to Parent pursuant to the Offer, and, if applicable, approve the adoption of this Agreement and the Merger (the “**Company Board Recommendation**”).

D. The Board of Directors of each of Parent and Merger Sub have approved this Agreement and declared it advisable for Parent and Merger Sub, respectively, to enter into this Agreement.

E. Agreements, including pursuant to any exercise of any Company Options, in the Offer, and (ii) support the Merger and the other transactions contemplated hereby, each on the terms and subject to the conditions set forth in the Support Agreements.

Concurrently with the execution of this Agreement, and as a condition and inducement to the Company's willingness to enter into this Agreement, Parent has delivered to the Company the Equity Funding Letter (as defined below), pursuant to which Vista Equity Partners Fund IV, L.P. G. Agreement

The Parties to this Agreement, intending to be legally bound, agree as follows:

SECTION 1. The Offer

1.1 The Offer.

(a) Commencement of the Offer. Provided that this Agreement shall not have been terminated in accordance with Section 8, on a date that is nine (9) business days after the date of this Agreement, or as promptly as practicable thereafter, Merger Sub shall (and Parent shall cause Merger Sub to) commence (within the meaning of Rule 14d-2 under the Exchange Act) the Offer.

(b) Terms and Conditions of the Offer. The obligations of Merger Sub to, and of Parent to cause Merger Sub to, accept for payment, and pay for, any Shares tendered pursuant to the Offer are subject to the terms and conditions set forth in Annex I (the "**Offer Conditions**"). The Offer shall be made by means of an offer to purchase (the "**Offer to Purchase**") that contains the terms set forth in this Agreement, the Minimum Condition and the other Offer Conditions. Merger Sub expressly reserves the right to (i) increase the Offer Price, (ii) waive any Offer Condition and (iii) make

any other changes in the terms and conditions of the Offer not inconsistent with the terms of this Agreement; *provided, however*, that unless otherwise provided by this Agreement, without the prior written consent of the Company, Merger Sub shall not (A) decrease the Offer Price, (B) change the form of consideration payable in the Offer, (C) decrease the maximum number of Shares sought to be purchased in the Offer, (D) impose conditions or requirements to the Offer in addition to the Offer Conditions, (E) amend or modify any of the Offer Conditions in a manner that adversely affects, or reasonably could adversely affect, any holder of Shares, (F) change or waive the Minimum Condition, (G) extend or otherwise change the Expiration Date in a manner other than as required or permitted by this Agreement, or (H) provide any “subsequent offering period” within the meaning of Rule 14d-11 promulgated under the Exchange Act.

(c) Expiration and Extension of the Offer. The Offer shall initially be scheduled to expire at 12:00 midnight Eastern Time on the date that is twenty (20) business days following the Offer Commencement Date (determined as set forth in Rule 14d-1(g)(3) and Rule 14e-1(a) under the Exchange Act) (the “**Initial Expiration Date**,” such date or such subsequent date to which the expiration of the Offer is extended in accordance with the terms of this Agreement, the “**Expiration Date**”). Notwithstanding anything to the contrary contained in this Agreement, but subject to the Parties’ respective termination rights under Section 8: (i) if, as of the scheduled Expiration Date, any Offer Condition is not satisfied and has not been waived, Merger Sub may, in its discretion (and without the consent of the Company or any other Person), extend the Offer on one or more occasions, for an additional period of up to ten (10) business days per extension, to permit such Offer Condition to be satisfied; (ii) Merger Sub shall extend the Offer from time to time for any period required by any Legal Requirement, any interpretation or position of the SEC, the staff thereof or NYSE applicable to the Offer; (iii) Merger Sub shall have the right in its sole discretion to extend the Offer beyond any then-scheduled expiration of the Offer for one or more consecutive increments of up to five (5) business days each, the length of each such period to be determined by Parent in its sole discretion (or such longer period as Parent and the Company may mutually agree) to the extent the Marketing Period shall not have been completed as of any such then-scheduled Expiration Date; and (iv) if, as of the scheduled Expiration Date, any Offer Condition is not satisfied and has not been waived, at the request of the Company, Merger Sub shall (and Parent shall cause Merger Sub to) extend the Offer on one or more occasions for an additional period of up to ten (10) business days per extension, to permit such Offer Condition to be satisfied or waived. Notwithstanding anything to the contrary in this Section 1.1(c), in no event shall Merger Sub: (1) be required to accept for payment, and pay for, Shares validly tendered (and not withdrawn) pursuant to the Offer until the Marketing Period shall have been completed; (2) be required to extend the Offer beyond the earliest to occur of (the “**Extension Deadline**”) (x) the valid termination of this Agreement in compliance with Section 8, (y) three (3) business days after the Proxy Statement Clearance Date and (z) the End Date; or (3) be permitted to extend the Offer beyond the Extension Deadline without the prior written consent of the Company. Merger Sub shall not terminate the Offer prior to any scheduled Expiration Date without the prior written consent of the Company except in the event that this Agreement is terminated pursuant to Section 8.

(d) Termination of Offer; Continuing Pursuit of Merger. If at any then-scheduled Expiration Date (i) any Offer Condition shall not have been satisfied or, to the extent waivable by Parent or Merger Sub, waived and (ii) three (3) business days have elapsed since the Proxy Statement Clearance Date, then (x) Merger Sub may irrevocably and unconditionally terminate the Offer or (y) from and after the close of business on November 20, 2013, the Company shall have the right, exercisable by delivering written notice to Parent and Merger Sub to cause Merger Sub to, and upon receipt of such notice, Merger Sub shall (and Parent shall cause Merger Sub to), irrevocably and unconditionally terminate the Offer at the then-scheduled Expiration Date following the receipt of such notice from the Company (delivered no less than two (2) business days prior to the then-scheduled Expiration Date of the Offer). If the Offer is terminated pursuant to this Section 1.1(d), the Company shall proceed with and take all actions necessary to hold the Company Stockholders’ Meeting in accordance with the terms of this Agreement. The termination of the Offer pursuant to this Section 1.1(d) is referred to in this Agreement as the “**Offer Termination**”. Notwithstanding anything to the contrary in this Section 1.1(d), if this Agreement is terminated pursuant to Section 8, then Merger Sub shall

promptly (and, in any event, within one (1) business day of such termination), irrevocably and unconditionally terminate the Offer and shall not acquire any Shares pursuant to the Offer. If the Offer is terminated or withdrawn by Merger Sub in accordance with the terms of this Agreement, including Section 1.1(d), or this Agreement is terminated in accordance with Section 8, Merger Sub shall promptly return, and shall cause any depository acting on behalf of Merger Sub to return, all tendered Shares to the registered holders thereof to the extent required by the terms of the Offer. The Parties hereto acknowledge and agree that the Offer Termination shall not give rise to a right of termination of this Agreement unless to the extent expressly provided for in Section 8 and that, absent such termination of this Agreement, the obligations of the Parties hereunder other than those related to the Offer shall continue to remain in effect, including those obligations with respect to the Merger.

(e) Offer Documents. On the date of commencement of the Offer (within the meaning of Rule 14d-2 under the Exchange Act), Parent and Merger Sub shall (i) file with the SEC a tender offer statement on Schedule TO with respect to the Offer (together with all amendments and supplements thereto and including exhibits thereto, the “*Schedule TO*”) that will contain or incorporate by reference the Offer to Purchase and form of the related letter of transmittal and (ii) cause the Offer to Purchase and related documents to be disseminated to holders of Shares. Parent and Merger Sub agree that they shall cause the Schedule TO and all exhibits, amendments or supplements thereto (which together constitute the “*Offer Documents*”) filed by either Parent or Merger Sub with the SEC to comply in all material respects with the Exchange Act and the rules and regulations thereunder and other applicable Legal Requirements. Each of Parent, Merger Sub and the Company agrees to promptly correct any information provided by it for use in the Offer Documents if and to the extent that such information shall have become false or misleading in any material respect, and Parent and Merger Sub further agree to take all steps necessary to cause the Offer Documents as so corrected to be filed with the SEC and to be disseminated to holders of Shares, in each case as and to the extent required by applicable federal securities laws. The Company shall promptly furnish or otherwise make available to Parent and Merger Sub or Parent’s legal counsel all information concerning the Acquired Corporations and the Company’s stockholders that may be required in connection with any action contemplated by this Section 1.1(e). The Company and its counsel shall be given reasonable opportunity to review and comment on the Offer Documents prior to the filing thereof with the SEC. Parent and Merger Sub agree to provide the Company and its counsel with any comments Parent, Merger Sub or their counsel may receive from the SEC or its staff with respect to the Offer Documents promptly after receipt of such comments. Each of Parent and Merger Sub shall respond promptly to any comments of the SEC or its staff with respect to the Offer Documents or the Offer. Parent and Merger Sub shall use reasonable best efforts to respond as promptly as reasonably practicable to any comments of the SEC or the staff of the SEC with respect to the Offer Documents, and Parent and Merger Sub shall provide the Company and its counsel a reasonable opportunity to participate in the formulation of any written response to any such written comments of the SEC or its staff. Prior to the filing of the Offer Documents (or any amendment or supplement thereto) or the dissemination thereof to the holders of Company Common Stock, or responding to any comments of the SEC or the staff of the SEC with respect thereto, Parent and Merger Sub shall provide the Company a reasonable opportunity to review and to propose comments on such document or response.

(f) **Funds.** Subject to the terms and conditions set forth in this Agreement and to the satisfaction, or waiver by Merger Sub, of the Offer Conditions, Merger Sub shall, and Parent shall cause Merger Sub to, accept for payment and pay for, as promptly as practicable (which shall, in any event, be no more than three (3) business days) after the Expiration Date, all Shares validly tendered and not validly withdrawn pursuant to the Offer that Merger Sub becomes obligated to purchase pursuant to the Offer (such acceptance, the “*Offer Closing*”, the time on which the Offer Closing occurs, the “*Acceptance Time*”). Without limiting the generality of Section 9.10, Parent shall cause to be provided to Merger Sub all of the funds necessary to purchase any Shares that Merger Sub becomes obligated to purchase pursuant to the Offer, and shall cause Merger Sub to perform, on a timely basis, all of Merger Sub’s obligations under this Agreement. Parent and Merger Sub shall, and each of Parent and Merger Sub shall ensure that all of their respective affiliates shall, tender any Shares held by them into the Offer.

1.2 Company Actions.

(a) **Schedule 14D-9.** As promptly as practicable following the filing of the Schedule TO but in no event later than one (1) business day after the date of the filing of the Schedule TO (or such other date as mutually agreed upon by the Parties), the Company shall file with the SEC and disseminate to holders of Shares, in each case as and to the extent required by applicable federal securities laws, a Tender Offer Solicitation/Recommendation Statement on Schedule 14D-9 (together with any exhibits, amendments or supplements thereto, the “*Schedule 14D-9*”) that, subject to Section 6.1(b), shall reflect the Company Board Recommendation. The Company agrees that it will cause the Schedule 14D-9 to comply in all material respects with the Exchange Act and other applicable Legal Requirements. Each of Parent, Merger Sub and the Company agrees to respond promptly to any comments of the SEC or its staff and to promptly correct any information provided by it for use in the Schedule 14D-9 if and to the extent that such information shall have become false or misleading in any material respect, and the Company further agrees to take all steps necessary to cause the Schedule 14D-9 as so corrected to be filed with the SEC and to be disseminated to holders of Shares, in each case as and to the extent required by applicable federal securities laws. Parent and Merger Sub shall promptly furnish or otherwise make available to the Company or the Company’s legal counsel all information concerning Parent and Merger Sub that may be required in connection with any action contemplated by this Section 1.2(a). Parent and its counsel shall be given reasonable opportunity to review and comment on the Schedule 14D-9 and any amendment thereto prior to the filing thereof with the SEC. The Company agrees to provide Parent and its counsel with any comments the Company or its counsel may receive from the SEC or its staff with respect to the Schedule 14D-9 promptly after receipt of such comments. The Company shall respond promptly to any comments of the SEC or its staff with respect to the Schedule 14D-9. Company shall use reasonable best efforts to respond as promptly as reasonably practicable to any comments of the SEC or the staff of the SEC with respect to the Schedule 14D-9, and Company shall provide Parent, Merger Sub and their counsel a reasonable opportunity to participate in the formulation of any written response to any such written comments of the SEC or its staff. Prior to the filing of the Schedule 14D-9 (or any amendment or supplement thereto) or the dissemination thereof to the holders of Shares, or responding to any comments of the SEC or the staff of the SEC with respect thereto, the Company shall provide Parent and Merger Sub a reasonable opportunity to review and to propose comments on such document or response.

(b) Stockholder Lists. The Company shall promptly furnish Parent with a list of its stockholders, mailing labels and any available listing or computer file containing the names and addresses of all record holders of Shares and lists of securities positions of Shares held in stock depositories, in each case true and correct as of the most recent practicable date, and shall provide to Parent such additional information (including updated lists of stockholders, mailing labels and lists of securities positions) and such other assistance as Parent may reasonably request in connection with the Offer. Parent and Merger Sub and their agents shall hold in confidence the information contained in any such labels, listings and files, shall use such information only in connection with the Offer and the Merger and, if this Agreement shall be terminated, shall deliver, and shall use their reasonable efforts to cause their agents to deliver, to the Company (or destroy) all copies and any extracts or summaries from such information then in their possession or control.

1.3 Directors.

(a) Merger Sub Designees. Upon the Acceptance Time and all times thereafter, subject to compliance with applicable Legal Requirements, including the applicable rules and regulations of NYSE, Merger Sub shall be entitled to elect or designate such number of directors, rounded up to the next whole number, on the Board of Directors of the Company as is equal to the product of (i) the total number of directors on the Board of Directors of the Company (after giving effect to the directors elected or designated by Merger Sub pursuant to this sentence) multiplied by (ii) the percentage that the aggregate number of Shares beneficially owned by Parent, Merger Sub and any of their Affiliates bears to the total number of Shares then outstanding. The Company shall, upon Merger Sub's request at any time following the purchase of and payment for Shares pursuant to the Offer, take all such actions necessary to (A) appoint to the Board of Directors of the Company the individuals designated by Merger Sub and permitted to be so designated by the first sentence of this Section 1.3(a), including, but not limited to, promptly filling vacancies or newly created directorships on the Board of Directors of the Company, promptly increasing the size of the Board of Directors of the Company (including by amending the bylaws of the Company if necessary so as to increase the size of the Board of Directors of the Company) and/or promptly securing the resignations of such number of its incumbent directors as are necessary or desirable to enable Merger Sub's designees to be so elected or designated to the Board of Directors of the Company, and (B) cause Merger Sub's designees to be so appointed at such time. The Company shall, upon Merger Sub's request following the Acceptance Time, also cause Persons elected or designated by Merger Sub to constitute the same percentage (rounded up to the next whole number) as is on the Board of Directors of the Company of each committee of the Board of Directors of the Company to the extent permitted by applicable Legal Requirements, including the applicable rules and regulations of NYSE. From and after the Acceptance Time, the Company shall take all action necessary to elect to be treated as a "controlled company" as defined by NYSE Listing Rule 303A.00 and make all necessary filings and disclosures associated with such status. The Company's obligations under this Section 1.3(a) shall be subject to Section 14(f) of the Exchange Act and Rule 14f-1 promulgated thereunder. The Company shall promptly upon execution of this Agreement take all actions required pursuant to Section 14(f) and Rule 14f-1 in order to fulfill its obligations under this Section 1.3(a), including mailing to stockholders (together with the Schedule 14D-9) the information required by Section 14(f) and Rule 14f-1 as is necessary to enable Merger Sub's designees to be elected or designated to the Board of

Directors of the Company. Merger Sub shall supply the Company with, and be solely responsible for, information with respect to Merger Sub's designees and Parent's and Merger Sub's respective officers, directors and Affiliates to the extent required by Section 14(f) and Rule 14f-1. The provisions of this Section 1.3(a) are in addition to and shall not limit any rights that any of Merger Sub, Parent or any of their respective Affiliates may have as a record holder or beneficial owner of Shares as a matter of applicable Legal Requirements with respect to the election of directors or otherwise.

(b) Independent Directors. In the event that Merger Sub's designees are elected or designated to the Board of Directors of the Company pursuant to Section 1.3(a), then, until the Effective Time, the Company shall cause the Board of Directors of the Company to maintain three (3) directors who are members of the Board of Directors of the Company on or prior to the date hereof and who are not officers, directors or employees of Parent, Merger Sub, or any of their Affiliates, each of whom shall be an "independent director" as defined by NYSE Listing Rule 303A.02 and eligible to serve on the Company's audit committee under the Exchange Act and rules and regulations of NYSE, and at least one of whom shall be an "audit committee financial expert" as defined in Items 407(d)(5)(ii) and (iii) of Regulation S-K (the "**Continuing Directors**"); *provided, however*, that if any Continuing Director is unable to serve due to death, disability or resignation, the Company shall take all necessary action (including creating a committee of the Board of Directors of the Company) so that the Continuing Director(s) shall be entitled to elect or designate another Person (or Persons) to fill such vacancy, and such Person (or Persons) shall be deemed to be a Continuing Director for purposes of this Agreement. If no Continuing Director then remains, the other directors shall designate three Persons who are not officers, directors or employees of Parent, Merger Sub, or any of their Affiliates to fill such vacancies and such Persons shall be deemed Continuing Directors for all purposes of this Agreement. Notwithstanding anything in this Agreement to the contrary, if Merger Sub's designees constitute a majority of the Board of Directors of the Company after the Acceptance Time and prior to the Effective Time, then the affirmative vote of a majority of the Continuing Directors shall (in addition to the approval rights of the Board of Directors of the Company or the stockholders of the Company as may be required by the Company Charter Documents or applicable Legal Requirements) be required (i) for the Company to amend or terminate this Agreement, (ii) to exercise or waive any of the Company's rights, benefits or remedies hereunder, if such action would adversely affect, or would reasonably be expected to adversely affect, the holders of Shares (other than Parent or Merger Sub), (iii) to amend the Company Charter Documents if such action would adversely affect the holders of Shares (other than Parent or Merger Sub), or (iv) to take any other action of the Board of Directors of the Company under or in connection with this Agreement if such action would adversely affect, or would reasonably be expected to adversely affect, the holders of Shares (other than Parent or Merger Sub). The Continuing Directors shall have, and Parent shall cause the Continuing Directors to have, the authority to retain such counsel (which may include current counsel to the Company or the Board of Directors of the Company) and other advisors at the expense of the Company as determined by the Continuing Directors, and the authority to institute any action on behalf of the Company to enforce performance of this Agreement.

1.4 Top-Up Option.

(a) **Top-Up.** The Company grants to Parent and Merger Sub an option (the “**Top-Up Option**”) to purchase from the Company the number of newly-issued Shares (such newly-issued shares, the “**Top-Up Option Shares**”) equal to the lesser of (i) the number of Shares that, when added to the number of Shares owned by Parent and Merger Sub at the time of exercise of the Top-Up Option, constitutes one share more than 90% of the number of Shares that would be outstanding immediately after the issuance of all Shares subject to the Top-Up Option on a fully diluted basis (determined in accordance with **Annex I**) or (ii) the aggregate number of Shares that the Company is authorized to issue under its certificate of incorporation but that are not issued and outstanding (and are not subscribed for or otherwise committed to be issued) at the time of exercise of the Top-Up Option. The Top-Up Option shall terminate upon the earlier to occur of (A) the Effective Time and (B) the termination of this Agreement in accordance with its terms.

(b) **Exercise of Top-Up.** If there shall have not been validly tendered and not validly withdrawn that number of Shares which, when added to the Shares owned by Parent and its affiliates, would represent at least one share more than ninety percent (90%) of the number of Shares that would be outstanding immediately after the issuance of all Shares subject to the Top-Up Option on a fully diluted basis (determined in accordance with **Annex I**) at the Acceptance Time, Acquisition Sub shall be deemed to have exercised the Top-Up Option on such date; *provided, however,* that the obligation of the Company to deliver Top-Up Option Shares upon the exercise of the Top-Up Option is subject to the conditions, unless waived by the Company, that (i) immediately following the exercise of the Top-Up Option, the number of Shares owned in the aggregate by Parent and Merger Sub constitutes at least one share more than 90% of the number of Shares that would be outstanding immediately after the issuance of all Top-Up Option Shares on a fully diluted basis (determined in accordance with **Annex I**) and (ii) the Minimum Condition shall have been satisfied. The parties shall cooperate to ensure that the issuance of the Top-Up Option Shares is accomplished consistent with applicable Legal Requirements (other than any Legal Requirements that require shareholder approval for the issuance of the Top-Up Option Shares).

(c) **Top-Up Closing.** The aggregate purchase price payable for the Top-Up Option Shares shall be determined by multiplying the number of Top-Up Option Shares by the Offer Price. Such purchase price may be paid by Parent or Merger Sub, at its election, either (i) entirely in cash, (ii) by payment in cash of the aggregate par value of the Top-Up Option Shares and payment of the balance by executing and delivering to the Company a promissory note (with full recourse to Parent) having a principal amount equal to such purchase price or (iii) any combination thereof. Any such promissory note shall bear simple interest at the rate of 6% per annum, shall mature on the first anniversary of the date of execution and delivery of such promissory note and may be prepaid without premium or penalty; *provided, however,* upon any default under the promissory note, all principal and accrued interest thereunder shall immediately become due and payable. The promissory note shall have no other material terms.

(d) **Top-Up Notice.** In the event Parent or Merger Sub wishes to exercise or is deemed to exercise the Top-Up Option, Parent or Merger Sub shall deliver to the Company a notice setting forth (i) the number of Top-Up Option Shares that Parent or Merger Sub intends to

A-8

Table of Contents

purchase pursuant to the Top-Up Option, (ii) the manner in which Parent or Merger Sub intends to pay the applicable exercise price and (iii) the place and time at which the closing of the purchase of the Top-Up Option Shares is to take place. At the closing of the purchase of the Top-Up Option Shares, Parent or Merger Sub shall cause to be delivered to the Company the consideration required to be delivered in exchange for the Top-Up Option Shares, and the Company shall cause to be issued and delivered to Parent or Merger Sub (as the case may be) a certificate or certificates representing the Top-Up Option Shares or, at Parent's or Merger Sub's request or otherwise if the Company does not then have certificated Shares, the applicable number of Book-Entry Shares. Such certificates or Book-Entry Shares may include any legends required by applicable Legal Requirements.

(e) Exemption from Registration. Parent and Merger Sub acknowledge that the Top-Up Option Shares that Merger Sub may acquire upon exercise of the Top-Up Option will not be registered under the Securities Act and will be issued in reliance upon an exemption thereunder for transactions not involving a public offering. Parent and Merger Sub represent and warrant to the Company that Merger Sub is, and will be upon the purchase of the Top-Up Option Shares, an "Accredited Investor," as defined in Rule 501 of Regulation D under the Securities Act. Merger Sub agrees that the Top-Up Option and the Top-Up Option Shares to be acquired upon exercise of the Top-Up Option, if any, are being and will be acquired by Merger Sub for the purpose of investment and not with a view to, or for resale in connection with, any distribution thereof in violation of the Securities Act.

(f) No Effect on Appraisal Rights. The Parties agree that any dilutive impact on the value of the Shares as a result of the issuance of the Top-Up Option Shares will not be taken into account in any determination of the fair value of any Dissenting Shares pursuant to Section 262 of the DGCL as contemplated by Section 2.7 and that none of the Parties shall take any position to the contrary in any appraisal proceeding.

SECTION 2. Merger Transaction

2.1 Merger of Merger Sub into the Company. Upon the terms and subject to the conditions set forth in this Agreement and in accordance with the DGCL, at the Effective Time, the Company and Parent shall consummate the Merger, whereby Merger Sub shall be merged with and into the Company, and the separate existence of Merger Sub shall cease. The Company will continue as the Surviving Corporation.

2.2 Effect of the Merger. The Merger shall have the effects set forth in this Agreement and in the applicable provisions of the DGCL.

2.3 Closing; Effective Time.

(a) Unless this Agreement shall have been terminated pursuant to Section 8, and unless otherwise mutually agreed in writing between the Company, Parent and Merger Sub, the consummation of the Merger (the “*Closing*”) shall take place at the offices of Paul Hastings LLP, 1170 Peachtree Street, N.E., Atlanta, GA 30309, (i) if the Acceptance Time shall have occurred at or prior to the Closing, at 10:00 a.m. local time on a date specified by the Company and Parent, which shall be no later than the second (2nd) business day after the satisfaction or

waiver of the last to be satisfied or waived of the conditions set forth in Section 7 (other than those conditions that by their nature are to be satisfied at the Closing, but subject to the satisfaction or waiver of such conditions); or (ii) if the Acceptance Time shall not have occurred at or prior to the Closing, at 10:00 a.m. local time on a date specified by the Company and Parent, which shall be no later than the third (3rd) business day after the satisfaction or waiver of the last to be satisfied or waived of the conditions set forth in Section 7 (other than those conditions that by their nature are to be satisfied at the Closing, but subject to the satisfaction or waiver of such conditions); *provided*, that notwithstanding the satisfaction or waiver of the conditions set forth in Section 7 hereof, if an Offer Termination has occurred and the Marketing Period has not ended at the time of the satisfaction or waiver of such conditions (other than those conditions that by their nature are to be satisfied at the Closing, but subject to the satisfaction or waiver of those conditions at such time), the Closing shall occur instead on (x) the date following the satisfaction or waiver of such conditions that is the earliest to occur of (A) any business day during the Marketing Period specified by Parent to the Company on no less than two (2) business days' written notice to the Company and (B) the third (3rd) business day after the final day of the Marketing Period, but subject, in each case, to the satisfaction or waiver of the conditions set forth in Section 7 at such time (other than those conditions that by their nature are to be satisfied at the Closing, but subject to the satisfaction or waiver of such conditions at such time) or (y) such other date, time, or place as agreed to in writing by the Company and Parent. The date on which the Closing occurs is referred to in this Agreement as the "*Closing Date*."

(b) Subject to the provisions of this Agreement, as soon as practicable on the Closing Date, the Company and Merger Sub shall file or cause to be filed a certificate of merger with the Secretary of State of the State of Delaware with respect to the Merger, in such form as required by, and executed and acknowledged in accordance with, the relevant provisions of the DGCL. The Merger shall become effective upon the date and time of the filing of such certificate of merger with the Secretary of State of the State of Delaware or such later date and time as is agreed upon in writing by the parties hereto and specified in the certificate of merger (such date and time, the "*Effective Time*").

2.4 Certificate of Incorporation and Bylaws; Directors and Officers. Unless otherwise determined by Parent prior to the Effective Time:

(a) the Certificate of Incorporation of the Surviving Corporation shall be amended and restated as of the Effective Time to conform to Exhibit B;

(b) the Bylaws of the Surviving Corporation shall be amended and restated as of the Effective Time to conform to the Bylaws of Merger Sub as in effect immediately prior to the Effective Time; and

(c) the directors and officers of the Surviving Corporation immediately after the Effective Time shall be the directors and officers of Merger Sub immediately prior to the Effective Time.

2.6 Surrender of Certificates; Stock Transfer Books.

At the Effective Time (subject to Section 2.8(b)), Parent shall deposit, or shall cause to be deposited, with the Paying Agent cash sufficient to make payment of the cash consideration payable pursuant to Section 2.5 (the "**Payment Fund**"). The Payment Fund shall not be used for any other

The Payment Fund shall be invested by the Paying Agent as directed by the Surviving Corporation; *provided*, that such investments shall be in obligations of or guaranteed by the United States of America in commercial paper obligations rated A-1 or P-1 or better by Moody's Investors Service, Inc. or Standard & Poor's Corporation, respectively, in certificates of deposit, bank repurchase agreements or banker's acceptances of commercial banks with capital exceeding \$1 billion, or in money market funds having a rating in the highest investment category granted by a recognized credit rating agency at the time of acquisition or a combination of the foregoing and, in any such case, no such instrument shall have a maturity exceeding three (3) months.

(b) Promptly after the Effective Time (but in no event later than five (5) business days thereafter), the Surviving Corporation shall cause to be mailed to each Person who was, at the Effective Time, a holder of record of the Shares entitled to receive the Merger Consideration pursuant to Section 2.5 a form of letter of transmittal (which shall be in reasonable and customary form and shall specify that delivery shall be effected, and risk of loss and title to the certificates evidencing such shares (the “*Certificates*”) shall pass, only upon proper delivery of the Certificates (or effective affidavits of loss in lieu thereof) to the Paying Agent) and instructions for use in effecting the surrender of the Certificates or Book-Entry Shares pursuant to such letter of transmittal. Upon surrender to the Paying Agent of Certificates (or effective affidavits of loss in lieu thereof) or Book-Entry Shares, together with such letter of transmittal, duly completed and validly executed in accordance with the instructions thereto, and such other documents as may be required pursuant to such instructions, the holder of such Certificates or Book-Entry Shares shall be entitled to receive in exchange therefor the Merger Consideration for each share of Company Common Stock formerly evidenced by such Certificates or Book-Entry Shares, and such Certificates and Book-Entry Shares shall then be canceled. No interest shall accrue or be paid on the Merger Consideration payable upon the surrender of any Certificates or Book-Entry Shares for the benefit of the holder thereof. If the payment of any Merger Consideration is to be made to a Person other than the Person in whose name the surrendered Certificates formerly evidencing the shares of Company Common Stock is registered on the stock transfer books of the Company, it shall be a condition of payment that the Certificate so surrendered shall be endorsed properly or otherwise be in proper form for transfer and that the Person requesting such payment shall have paid all transfer and other similar Taxes required by reason of the payment of the Merger Consideration to a Person other than the registered holder of the Certificate surrendered, or shall have established to the satisfaction of the Surviving Corporation that such Taxes either have been paid or are not applicable. Payment of the applicable Merger Consideration with respect to Book-Entry Shares shall only be made to the Person in whose name such Book-Entry Shares are registered.

(c) At any time following twelve (12) months after the Effective Time, the Surviving Corporation shall be entitled to require the Paying Agent to deliver to it any funds which had been made available to the Paying Agent and not disbursed to holders of Certificates or Book-Entry Shares (including, without limitation, all interest and other income received by the Paying Agent in respect of all funds made available to it), and, thereafter, such holders shall be entitled to look to the Surviving Corporation (subject to abandoned property, escheat and other similar Legal Requirements) only as general creditors thereof with respect to the Merger Consideration that may be payable upon due surrender of the Certificates or Book-Entry Shares held by them. Notwithstanding the foregoing, neither the Surviving Corporation nor the Paying Agent shall be liable to any holder of Certificates or Book-Entry Shares for the Merger Consideration delivered in respect of such share to a public official pursuant to any abandoned property, escheat or other similar Legal Requirements. Any amounts remaining unclaimed by such holders at such time at which such amounts would otherwise escheat to or become property of any Governmental Body shall become, to the extent permitted by applicable Legal Requirements, the property of the Surviving Corporation or its designee, free and clear of all claims or interest of any Person previously entitled thereto.

(d) At the close of business on the day of the Effective Time, the stock transfer books of the Company with respect to the shares of Company Common Stock shall be

From and after the Effective Time, the holders of the Shares outstanding immediately prior to the Effective Time shall cease to have any rights with respect to such shares except as otherwise provided herein or by applicable Legal Requirements.

(e) Each of the Surviving Corporation and Parent shall be entitled to deduct and withhold (or cause the Paying Agent to deduct and withhold) from the Merger Consideration payable to any holder of the Shares or any other consideration otherwise payable pursuant to this Agreement such amounts as it is required by any Legal Requirement to deduct and withhold with respect to Taxes. Each such payor shall take all action that may be necessary to ensure that any such amounts so withheld are promptly and properly remitted to the appropriate Governmental Body. If any withholding obligation may be avoided by a payee providing information or documentation to the applicable payor, such payor shall request such information from such payee and use commercially reasonable efforts to avoid such withholding obligation. To the extent that amounts are so withheld, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the holder of the Shares or other recipient of consideration hereunder in respect of which such deduction and withholding was made.

(f) If any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen or destroyed and, if required by the Surviving Corporation, the posting by such Person of a bond, in such reasonable amount as Parent may direct, as indemnity against any claim that may be made against it with respect to such Certificate (which shall not exceed the Merger Consideration payable with respect to such Certificate), the Paying Agent will pay (less any amounts entitled to be deducted or withheld pursuant to Section 2.6(e)), in exchange for such lost, stolen or destroyed Certificate, the applicable Merger Consideration to be paid in respect of the Shares formerly represented by such Certificate, as contemplated by this Section 2.

2.7 Dissenters' Rights. Notwithstanding anything in this Agreement to the contrary, Shares outstanding immediately prior to the Effective Time, and held by holders who are entitled to appraisal rights under Section 262 of the DGCL and have properly exercised and perfected their respective demands for appraisal of such shares in the time and manner provided in Section 262 of the DGCL and, as of the Effective Time, have neither effectively withdrawn nor lost their rights to such appraisal and payment under the DGCL (the "***Dissenting Shares***"), shall not be converted into the right to receive Merger Consideration, but shall, by virtue of the Merger, be entitled to only such consideration as shall be determined pursuant to Section 262 of the DGCL; *provided, that* if any such holder shall have failed to perfect or shall have effectively withdrawn or lost such holder's right to appraisal and payment under the DGCL, such holder's Shares shall be deemed to have been converted as of the Effective Time into the right to receive the Merger Consideration (less any amounts entitled to be deducted or withheld pursuant to Section 2.6(e)), and such shares shall not be deemed to be Dissenting Shares. The Company shall give Parent prompt notice of any written demands received by the Company for appraisal of any Shares and any withdrawals of such demands, and Parent shall have the right to participate in all negotiations and proceedings with respect to such demands. The Company shall not, without the prior written consent of Parent or as required by applicable Legal Requirements, make any payment with respect to, or settle or offer to settle, any such demands.

4.8 Acknowledgement by Parent and Merger Sub.

(a) Neither Parent nor Merger Sub is relying and neither Parent nor Merger Sub has relied on any representations or warranties whatsoever regarding the subject matter of this Agreement, express or implied, except for the representations and warranties in Section 3, including the Company Disclosure Schedule. Such representations and warranties by the Company constitute the sole and exclusive representations and warranties of the Company in connection with the Transactions and each of Parent and Merger Sub understands, acknowledges and agrees that all other representations and warranties of any kind or nature whether express, implied or statutory are specifically disclaimed by the Company.

(b) In connection with the due diligence investigation of the Acquired Corporations by Parent and Merger Sub and their respective Affiliates, stockholders, directors, officers, employees, agents, representatives or advisors, Parent and Merger Sub and their respective Affiliates, stockholders, directors, officers, employees, agents, representatives and advisors have received and may continue to receive after the date hereof from the Company and its Affiliates, stockholders, directors, officers, employees, consultants, agents, representatives and advisors certain estimates, projections, forecasts and other forward-looking information, as well as certain business plan information, regarding the Acquired Corporations and their businesses and operations. Parent and Merger Sub hereby acknowledge that there are uncertainties inherent in attempting to make such estimates, projections, forecasts and other forward-looking statements, as well as in such business plans, and that Parent and Merger Sub will have no claim against any of the Acquired Corporations, or any of their respective Affiliates, stockholders, directors, officers, employees, consultants, agents, representatives or advisors, or any other person with respect thereto unless any such information is expressly addressed or included in a representation or warranty contained in this Agreement. Accordingly, Parent and Merger Sub hereby acknowledge and agree that none of the Acquired Corporations, nor any of their respective Affiliates, stockholders, directors, officers, employees, consultants, agents, representatives or advisors, nor any other person, has made or is making any express or implied representation or warranty with respect to such estimates, projections, forecasts, forward-looking statements or business plans unless any such information is expressly addressed or included in a representation or warranty contained in this Agreement.

4.9 Financing.

(a) Parent has delivered to the Company true, correct and complete copies, as of the date of this Agreement, of (i) an executed commitment letter dated as of the date of this Agreement (the “**Equity Funding Letter**”) from the Equity Investor to invest, subject to the terms and conditions therein, cash in the aggregate amount set forth therein to Parent (the “**Equity Financing**”) and (ii) an executed commitment letter and Redacted Fee Letters from Jefferies Finance LLC and Bank of Montreal (collectively, the “**Lenders**”), each dated as of the date of this Agreement (collectively, the “**Debt Commitment Letter**” and, together with the Equity Funding Letter, the “**Financing Letters**”) to provide, subject to the terms and conditions therein, debt financing in the amounts set forth therein (being collectively referred to as the “**Debt Financing**”, and together with the Equity Financing collectively referred to as the “**Financing**”) for the purpose of consummating the transactions contemplated by this Agreement. Letter has been amended or modified, no such amendment or modification is contemplated, and the respective loan obligations and commitments contained in such Financing Letters have not been withdrawn or rescinded in any respect. As of the date hereof, Parent or Co-Borrower has fully paid any and all commitment fees or other fees in connection with the Equity Funding Letter and the Debt Commitment Letter that are due and payable. The net proceeds of the Financing, when funded in accordance with the Financing Letters (including after giving effect to all applicable fees, expenses, original issue discount and similar premiums and charges and after giving effect to the maximum amount of “flex” (including original issue discount and “flex”)) will, in the aggregate, be sufficient for Merger Sub and the Surviving Corporation to pay the Offer Price in respect of each Share validly tendered and accepted for payment in the Offer, the aggregate Merger Consideration, all amounts required to be paid pursuant to Section 2.8 (and any repayment or refinancing of debt contemplated by this Agreement or required as a result of the consummation of the transactions hereunder, the Equity Funding Letter or the Debt Commitment Letter) and any other amounts required to be paid in connection with the consummation of the Transactions and to pay all related fees and expenses. The Financing Letters, in the form delivered to the Company, are in full force and effect as of the date hereof and constitute a legal, valid and binding obligation of Parent and Co-Borrower, as applicable, enforceable in accordance with their terms and, to the knowledge of each of Parent and Co-Borrower, as applicable, of the other parties thereto. As of the date of this Agreement, no event has occurred which, with or without notice, lapse of time or both, would or would reasonably be expected to constitute a default or breach on the part of Parent or Co-Borrower or, to the knowledge of Parent, any other parties thereto, under the Equity Funding Letter or the Debt Commitment Letter; provided that Parent and Merger Sub are not making any representation or warranty regarding the effect of any inaccuracy of the representations and warranties set forth in Section 3, or the Company’s compliance hereunder; provided, further that neither Parent nor Merger Sub is aware of any fact, occurrence or condition that would reasonably be expected to make any of the assumptions, statements, representations or warranties in the Financing Letters inaccurate in any material respect or that would reasonably be expected to cause the commitments provided in the Financing Letters to be terminated or ineffective or any of the conditions contained in the Financing Letters not to be met. As of the date of this Agreement, Parent does not have any reason to believe that any of the conditions precedent of Parent to the Financing will not be satisfied on a timely basis or that the Financing will not be available to Parent or Merger Sub at the Acceptance Time or on the date of the Closing if an Offer Termination occurs; *provided that* Parent is not making any representation regarding the accuracy of the representations and warranties set forth in Section 3, or compliance by the Company with its obligations hereunder; provided, further that neither Parent nor Merger Sub is aware of any fact, occurrence or condition that would reasonably be expected to make any of the assumptions, statements, representations or warranties in the Financing Letters inaccurate in any material respect or that would reasonably be expected to cause the commitments provided in the Financing Letters to be terminated or ineffective or any of the conditions contained in the Financing Letters not to be met. The Financing Letters contain all of the conditions precedent of Parent and Merger Sub to the obligations of the Equity Provider and the Financing Sources thereunder to make Financing available to Parent or the Merger Sub on the terms therein. There are no contingencies that would permit the Equity Investor or the Lenders either to reduce the total amount of the Financing contemplated by the Financing Letters or to impose any additional conditions precedent or contingency to the availability of the Financing contemplated by the

Financing Letters. As of the date hereof, there are no side letters or other agreements, Contracts or arrangements related to the funding or investing, as applicable, of the full amount of the Financing other than any customary engagement letters and non-disclosure agreements that do not impact the conditionality for the Financing to occur or amount of the Financing. The Equity Funding Letter provides, and will continue to provide, that the Company is a third party beneficiary thereof in accordance with the terms and conditions of the Equity Funding Letter as of the date hereof.

(b) Notwithstanding anything to the contrary contained in this Agreement, the net proceeds of the Equity Financing, when funded in accordance with the Equity Funding Letter, will be sufficient for Merger Sub and the Surviving Corporation to pay the Offer Price in respect of each Share validly tendered and accepted for payment in the Offer, the aggregate Merger Consideration, all amounts required to be paid pursuant to Section 2.8 (and any repayment or refinancing of debt contemplated by this Agreement or required as a result of the consummation of the transactions hereunder or the Equity Funding Letter) and any other amounts required to be paid in connection with the consummation of the Transactions and to pay all related fees and expenses.

4.10 Solvency. Assuming (a) satisfaction of the conditions to Parent’s obligation to consummate the Offer and/or the Merger (as applicable), and after giving effect to the Transactions, including the Financing (as some or all of such Financing may be amended or replaced in compliance with Section 6.11 hereof), (b) any repayment or refinancing of debt contemplated in this Agreement or the Financing Letters, (c) the accuracy of the representations and warranties of the Company set forth in Section 3 hereof and Company’s compliance with this Agreement, (d) payments of all amounts required to be paid by Parent, Merger Sub and the Surviving Corporation in connection with the consummation of the Offer, the Merger, the Financing and the other transactions contemplated hereby and thereby, and (e) payment of all related fees and expenses, each of Parent and the Acquired Corporations (taken as a whole) will be Solvent as of the Effective Time and immediately after the consummation of the Transactions. For the purposes of this Agreement, the term “*Solvent*” when used with respect to any Person and its Subsidiaries, means that, as of any date of determination (x) the amount of the “fair saleable value” of the assets of such Person and its Subsidiaries (taken as a whole) will, as of such date, exceed (i) the value of all liabilities of such Person and its Subsidiaries (taken as a whole), including contingent and other liabilities, as of such date, as such quoted terms are generally determined in accordance with applicable Legal Requirements governing determinations of the insolvency of debtors, and (ii) the amount that will be required to pay the probable liabilities of such Person and its Subsidiaries (taken as a whole) on their existing debts (including contingent and other liabilities) as such debts become absolute and mature, (y) such Person and its Subsidiaries (taken as a whole) will not have, as of such date, an “unreasonably small amount of capital” for the operation of the businesses in which it is engaged or proposed to be engaged following such date, and (z) such Person and its Subsidiaries (taken as a whole) will be able to pay its liabilities, including contingent and other liabilities, as they mature.

4.11 Certain Arrangements. As of the date of this Agreement, Parent has disclosed to the Company all Contracts or other agreements, arrangements or understandings (whether oral or written) or commitments to enter into agreements, arrangements or understandings (whether oral or written) (a) between Parent, Merger Sub, the Equity Investor, the Co-Borrower or any of

4.12 Brokers and Other Advisors. No broker, investment banker, financial advisor or other Person is entitled to any broker's, finder's, financial advisor's or other similar fee or commission in connection with the Transactions based upon arrangements made by or on behalf of Parent or any of its Subsidiaries except for Persons, if any, whose fees and expenses will be paid by Parent.

letter of intent, acquisition agreement, agreement in principle or similar agreement with respect to an Acquisition Proposal or any proposal or offer that could reasonably be expected to lead to an Acquisition Proposal. The Company shall promptly deliver a written notice to each Person that entered into a confidentiality agreement in anticipation of potentially making an Acquisition Proposal, to the effect that the Company is ending all discussions and negotiations with such Person with respect to any Acquisition Proposal, effective on the date hereof, and the notice shall also request such Person to promptly return or destroy all confidential information concerning the Company and its Subsidiaries.

(c) If at any time on or after the date of this Agreement and prior to the Acceptance Time (or, if the Offer Termination shall occur, at any time prior to obtaining the Required Company Stockholder Vote), the Company or any of its Representatives receives an unsolicited *bona fide* written Acquisition Proposal from any Person or group of Persons, which Acquisition Proposal was made or renewed on or after the date of this Agreement and did not result from any breach of this Section 5.3, (i) the Company and its Representatives may contact such Person or group of Persons to clarify the terms and conditions thereof and (ii) if the Company's Board of Directors determines in good faith, after consultation with independent financial advisors and outside legal counsel, that such Acquisition Proposal constitutes or could reasonably be expected to lead to a Superior Offer, then the Company and its Representatives may (x) furnish, pursuant to (but only pursuant to) an Acceptable Confidentiality Agreement, information (including non-public information) with respect to the Company and its Subsidiaries to the Person or group of Persons who has made such Acquisition Proposal; *provided that* the Company shall promptly (and in any event within 24 hours) provide to Parent any non-public information concerning the Company or any of its Subsidiaries that is provided to any Person given such access which was not previously provided to Parent or its Representatives and (y) engage in or otherwise participate in discussions or negotiations with the Person or group of Persons making such Acquisition Proposal.

(d) Following the date of this Agreement, the Company shall promptly (and in any event within 24 hours) notify Parent if any inquiries, proposals or offers with respect to an Acquisition Proposal are received by the Company or any of its Representatives and provide to Parent a summary of the material terms and conditions of any Acquisition Proposal and keep Parent reasonably informed of any material developments, discussions or negotiations regarding any Acquisition Proposal on a prompt basis (and in any event within 24 hours) and upon the request of Parent shall reasonably inform Parent of the status of such Acquisition Proposal. The Company agrees that it and its Subsidiaries will not enter into any confidentiality agreement with any Person subsequent to the date hereof which prohibits the Company from providing any information to Parent in accordance with this Section 5.3 or otherwise prohibit the Company from complying with its obligations under this Section 5.3.

(e) Nothing in this Section 5.3 or elsewhere in this Agreement shall prohibit the Company from (i) taking and disclosing to the stockholders of the Company a position contemplated by Rule 14e-2(a), Rule 14d-9 or Item 1012(a) of Regulation M-A promulgated under the Exchange Act or (ii) making any disclosure to the stockholders of the Company that is required by applicable Legal Requirements; *provided*, that making such disclosure under clause (i) or (ii) shall not in any way limit or modify the effect, if any, that any such action has under Sections 5.3 or 6.1.

(f) The Company agrees that in the event any Subsidiary or Representative of the Company takes any action which, if taken by the Company, would constitute a breach of this Section 5.3, the Company shall be deemed to be in breach of this Section 5.3.

SECTION 6. Additional Covenants of the Parties

6.1 Company Board Recommendation; Proxy Statement; Stockholder Approval.

(a) The Company hereby consents to the Offer and represents that its Board of Directors, at a meeting duly called and held, has made the Company Board Recommendation. Subject to Section 6.1(b), the Company hereby consents to the inclusion of a description of the Company Board Recommendation in the Offer Documents. During the Pre-Closing Period, neither the Board of Directors of the Company nor any committee thereof shall (i)(A) withdraw (or modify in a manner adverse to Parent or Merger Sub), or publicly propose to withdraw (or modify in a manner adverse to Parent or Merger Sub), the Company Board Recommendation or (B) approve, recommend or declare advisable, or propose publicly to approve, recommend or declare advisable, any Acquisition Proposal (any action described in this clause (i) being referred to as a “*Company Adverse Change Recommendation*”) or (ii) approve, recommend or declare advisable, or propose to approve, recommend or declare advisable, or allow any Acquired Corporation to execute or enter into any Contract with respect to any Acquisition Proposal, or requiring, or reasonably expected to cause, the Company to abandon, terminate, delay or fail to consummate, or that would otherwise materially impede, interfere with or be inconsistent with, the Transactions (other than an Acceptable Confidentiality Agreement).

(b) Notwithstanding anything to the contrary contained in this Agreement, at any time prior to the Acceptance Time and, at any time prior to the receipt of the Required Stockholder Vote:

(i) if the Company has received a bona fide written Acquisition Proposal (which Acquisition Proposal did not arise out of a breach of Section 5.3) from any Person that has not been withdrawn and after consultation with outside legal counsel, the Company’s Board of Directors shall have determined, in good faith, that such Acquisition Proposal is a Superior Offer, (x) the Company’s Board of Directors may make a Company Adverse Change Recommendation, or (y) the Company may terminate this Agreement to enter into a Specified Agreement with respect to such Superior Offer, if and only if: (A) the Company’s Board of Directors determines in good faith, after consultation with the Company’s outside legal counsel, that the failure to do so would reasonably constitute a breach of the fiduciary duties of the Board of Directors of the Company to the Company’s stockholders under applicable Legal Requirements; (B) the Company shall have given Parent prior written notice of its intention to consider making a Company Adverse Change Recommendation pursuant to this Section 6.1(b)(i) or terminate this Agreement pursuant to Section 8.1(f) at least four (4) business days prior to making any such Company Adverse Change Recommendation or termination (a “*Determination Notice*”) (which notice shall not constitute a Company Adverse Change Recommendation); and (C) (1) the Company shall have provided to Parent the material terms and conditions of the Acquisition Proposal in

accordance with Section 5.3(d), (2) the Company shall have given Parent the four (4) business days after the Determination Notice to propose revisions to the terms of this Agreement or make another proposal so that such Acquisition

Proposal would cease to constitute a Superior Offer, and shall have negotiated in good faith with Parent with respect to such proposed revisions or other proposal, if any, and (3) after considering the results of such negotiations and giving effect to the proposals (including the Financing Letters and Guaranty) made by Parent, if any, after consultation with outside legal counsel, the Company's Board of Directors shall have determined, in good faith, that such Acquisition Proposal is a Superior Offer and that the failure to make the Company Adverse Change Recommendation or terminate this Agreement pursuant to Section 8.1(f) would reasonably constitute a breach of fiduciary duties of the Board of Directors of the Company to the Company's stockholders under applicable Legal Requirements. Issuance of any "stop, look and listen" communication by or on behalf of the Company pursuant to Rule 14d-9(f) shall not be considered a Company Adverse Change Recommendation and shall not require the giving of a Determination Notice or compliance with the procedures set forth in this Section 6.1. For the avoidance of doubt, the provisions of this Section 6.1(b)(i) shall also apply to any material amendment to any Acquisition Proposal and require a new Determination Notice, except that the references to four (4) business days shall be deemed to be two (2) business days; and

(ii) other than in connection with an Acquisition Proposal, the Company's Board of Directors may make a Company Adverse Change Recommendation in response to a Change in Circumstance, if and only if: (A) the Company's Board of Directors determines in good faith, after consultation with the Company's outside legal counsel, that the failure to do so would reasonably constitute a breach of the fiduciary duties of the Board of Directors of the Company to the Company's stockholders under applicable Legal Requirements; (B) the Company shall have given Parent a Determination Notice at least four (4) business days prior to making any such Company Adverse Change Recommendation; and (C) (1) the Company shall have specified the Change in Circumstance in reasonable detail, (2) the Company shall have given Parent the four (4) business days after the Determination Notice to propose revisions to the terms of this Agreement or make another proposal so that such Change in Circumstance would no longer necessitate a Company Adverse Change Recommendation, and shall have negotiated in good faith with Parent with respect to such proposed revisions or other proposal, if any, and (3) after considering the results of such negotiations and giving effect to the proposals (including the Financing Letters and Guaranty) made by Parent, if any, after consultation with outside legal counsel, the Company's Board of Directors shall have determined, in good faith, that the failure to make the Company Adverse Change Recommendation in response to such Change in Circumstance would reasonably constitute a breach of fiduciary duties of the Board of Directors of the Company to the Company's stockholders under applicable Legal Requirements. For the avoidance of doubt, the provisions of this Section 6.1(b)(ii) shall also apply to any material change to the facts and circumstances relating to such Change in Circumstance and require a new Determination Notice, except that the references to four (4) business days shall be deemed to be two (2) business days.

(c) As soon as practicable following the date hereof, the Company shall prepare the Proxy Statement in preliminary form and file it with the SEC and the Company and Parent shall timely cooperate with and assist the Company in connection with the preparation of the foregoing. Subject to Section 6.1(b), the Proxy Statement shall reflect the Company Board Recommendation. The Company shall use commercially reasonable efforts to respond as promptly as reasonably practicable to any comments of the SEC or its staff concerning the Proxy Statement. Parent and Merger Sub will provide to the Company upon request any information

with respect to Parent and Merger Sub and their respective officers, directors, Affiliates and agents required to be provided in the Proxy Statement under applicable Legal Requirements or as reasonably requested by the Company. The Company shall notify Parent promptly of the receipt of any comments from the SEC or its staff or any other governmental officials and of any request by the SEC or its staff or any other governmental officials for amendments or supplements to the Proxy Statement or for additional information and will supply Parent with copies of all correspondence between the Company or any of its Representatives, on the one hand, and the SEC or its staff or any other governmental officials, on the other hand, with respect to the Proxy Statement. Notwithstanding anything to the contrary stated above, prior to filing or mailing the Proxy Statement (or any amendment or supplement thereto) or responding to any comments of the SEC with respect thereto, the Company shall give Parent a reasonable opportunity to review and comment on such document or response and the Company shall give due consideration to all reasonable additions, deletions or changes suggested thereto by Parent. The Company, on the one hand, and Parent and Merger Sub, on the other hand, agree to promptly correct any information provided by it for use in the Proxy Statement if and to the extent that it shall have become false or misleading in any material respect or as otherwise required by applicable Legal Requirements, and the Company further agrees to cause the Proxy Statement, as so corrected, to be filed with the SEC and, if any such correction is made following the mailing of the Proxy Statement, mailed to holders of Shares, in each case as and to the extent required by the Exchange Act or the SEC (or its staff). Notwithstanding the foregoing, the Company assumes no responsibility with respect to information supplied in writing by or on behalf of Parent or Merger Sub specifically for inclusion or incorporation by reference in the Proxy Statement.

(d) If the adoption of this Agreement by the Company's stockholders is required by applicable Legal Requirements, then the Company shall have the right, at any time after the latest of (i) the Initial Expiration Date, (ii) three (3) business days after the Proxy Statement Clearance Date and (iii) November 20, 2013, to (and Parent and Merger Sub shall have the right, at any time beginning three (3) business days after the Proxy Statement Clearance Date, to request in writing that the Company, and upon receipt of such written request, the Company shall), as promptly as reasonably practicable, take all action necessary under all applicable Legal Requirements, the Company's Certificate of Incorporation and bylaws and the rules of NYSE to establish a record date for (and the Company shall not change such record date without the prior written consent of Parent), and as soon as practicable after the Offer Termination, call, and give notice of a meeting of the holders of the Shares to vote on the adoption of this Agreement and approval of the Merger (including any adjournment or postponement thereof, the "***Company Stockholders' Meeting***") and mail to the holders of Company Common Stock as of the record date established for the Company Stockholders' Meeting a Proxy Statement. The Company shall ensure that all proxies solicited by the Company in connection with the Company Stockholders' Meeting are solicited in compliance in all material respects with all applicable Legal Requirements. Subject to Sections 5.3 and 6.1, and the Offer Termination, the Company shall use its reasonable best efforts to obtain the Required Company Stockholder Vote. The Company in its sole discretion may adjourn or postpone the Company Stockholders' Meeting after consultation with Parent, and with Parent's consent (not to be unreasonably withheld, conditioned or delayed), (A) to the extent necessary to ensure that any legally required supplement or amendment to the Proxy Statement is provided to the stockholders of the Company within a reasonable amount of time in advance of the Company Stockholders' Meeting or (B) if as of the time for which the Company Stockholders' Meeting is

originally scheduled (as set forth in the Proxy Statement) there are insufficient Shares represented (either in person or by proxy) to constitute a quorum necessary to conduct the business of the Company Stockholders' Meeting. Unless this Agreement is validly terminated in accordance with Section 8.1, the Company shall submit this Agreement and the Merger to its stockholders at the Company Stockholders' Meeting even if the Company's Board of Directors shall have made a Company Adverse Change Recommendation.

(e) Parent agrees to cause all Shares owned by Parent or any subsidiary of Parent to be voted in favor of the adoption of the Agreement at the Company Stockholders' Meeting.

(f) Notwithstanding anything to the contrary contained in this Agreement, if, at any time after the purchase of Shares pursuant to the Offer by Merger Sub, the number of actually outstanding Shares owned by Merger Sub, together with any outstanding Shares owned by Parent and Parent's other affiliates, shall collectively represent at least 90% of the actually outstanding Shares, then Parent shall take all actions necessary and appropriate to cause the Merger to become effective as soon as practicable without a meeting of the holders of Shares in accordance with Section 253 of the DGCL.

6.2 Filings, Consents and Approvals.

(a) The Parties agree to use their reasonable best efforts to take promptly any and all steps necessary to avoid or eliminate each and every impediment under the Antitrust Laws, that may be asserted by any Governmental Body or other person, so as to enable the Closing to occur expeditiously, but in no case later than the End Date, including (i) negotiating, committing to and effecting, by consent decree, hold separate order or otherwise, the sale, lease, license, divestiture or disposition of any assets, rights, product lines, or businesses of Parent or its Subsidiaries and/or those of the Acquired Corporations, *provided that* the Acquired Corporations will only be required to take or commit to take any such action, or agree to any such condition or restriction, if such action, commitment, agreement, condition or restriction is binding on the Acquired Corporations only in the event the Closing occurs; and (ii) provide as promptly as reasonably practicable all information required by any Governmental Body pursuant to its evaluation of the Transactions under the HSR Act (or other applicable Antitrust Laws). By way of illustration and not limitation, the Parties agree to promptly take, and cause their affiliates to take, all actions and steps requested or required by any Governmental Body as a condition to granting any consent, permit, authorization, waiver, clearance and approvals, and to cause the prompt expiration or termination of any applicable waiting period and to resolve such objections, if any, as the FTC and the DOJ, or other Governmental Bodies of any other jurisdiction for which consents, permits, authorizations, waivers, clearances, approvals and expirations or terminations of waiting periods are sought with respect to the Transactions, so as to obtain termination of the waiting period under the HSR Act or other Antitrust Laws, and to avoid the commencement of a lawsuit by the FTC, the DOJ or other Governmental Bodies under Antitrust Laws, and to avoid the entry of, or to effect the dissolution of, any injunction, temporary restraining order or other order in any suit or proceeding which would otherwise have the effect of preventing the Closing or materially delaying the Closing. The Parties shall defend through litigation on the merits any claim asserted in court by any party under Antitrust Laws in order to avoid entry of, or to have vacated or terminated, any decree, order or judgment (whether

temporary, preliminary or permanent) that could restrain, delay, or prevent the Closing by the End Date.

(b) Subject to the terms and conditions of this Agreement, each of the Parties hereto shall (and shall cause their respective Affiliates, if applicable, to): (i) promptly, but in no event later than five (5) business days after the date hereof, make an appropriate filing of all Notification and Report forms as required by the HSR Act with respect to the Transactions; and (ii) cooperate with each other in determining whether, and promptly preparing and making, any other filings, notifications or other consents are required to be made with, or obtained from, any other Governmental Bodies in connection with the Transactions.

(c) Without limiting the generality of anything contained in this Section 6.2, during the Pre-Closing Period, each Party hereto shall use its reasonable best efforts to (i) give the other Parties prompt notice of the making or commencement of any request, inquiry, investigation, action or Legal Proceeding brought by a Governmental Body or brought by a third party before any Governmental Body, in each case, with respect to the Transactions, (ii) keep the other Parties reasonably informed as to the status of any such request, inquiry, investigation, action or Legal Proceeding, (iii) promptly inform the other Parties of any communication to or from the FTC, DOJ or any other Governmental Body in connection with any such request, inquiry, investigation, action or Legal Proceeding, (iv) promptly furnish to the other Party, subject to an appropriate confidentiality agreement to limit disclosure to counsel and outside consultants, with copies of documents provided to or received from any Governmental Body in connection with any such request, inquiry, investigation, action or Legal Proceeding (other than “4(c) documents” as that term is used in the rules and regulations under the HSR Act), (v) subject to an appropriate confidentiality agreement to limit disclosure to counsel and outside consultants, and to the extent reasonably practicable, consult and cooperate with the other Parties and will consider in good faith the views of the other Parties in connection with any analysis, appearance, presentation, memorandum, brief, argument, opinion or proposal made or submitted in connection with any such request, inquiry, investigation, action or Legal Proceeding, and (vi) except as may be prohibited by any Governmental Body or by any Legal Requirement, in connection with any such request, inquiry, investigation, action or Legal Proceeding in respect of the Transactions, each Party hereto will permit authorized Representatives of the other Party to be present at each meeting or conference relating to such request, inquiry, investigation, action or Legal Proceeding and to have access to and be consulted in connection with any argument, opinion or proposal made or submitted to any Governmental Body in connection with such request, inquiry, investigation, action or Legal Proceeding.

6.3 Company Options.

(a) Prior to the Acceleration Time, the Company shall take all actions (including obtaining any necessary determinations and/or resolutions of the Board of Directors of the Company or a committee thereof) that may be necessary (under the Company Equity Plans and award agreements pursuant to which Company Options are outstanding or otherwise) to (i) accelerate the vesting and exercisability of each unexpired and unexercised Company Option then outstanding as of immediately prior to the Acceleration Time so that each such Company Option shall be fully vested and exercisable prior to the Acceleration Time, (ii) terminate each Company Equity Plan (except as otherwise agreed by Parent and the Company) and (iii) cause,

as of the Acceleration Time, each unexpired and unexercised Company Option then outstanding as of immediately prior to the Acceleration Time, whether vested or unvested (and each plan, if any, under which any Company Option may be granted except, with respect to any such plan, as otherwise agreed by Parent and the Company) to be cancelled, terminated and extinguished, subject, if applicable, to payment pursuant to Section 2.8.

6.4 Employee Benefits. For a period of one year following the Effective Time, Parent shall provide, or cause to be provided, to those employees of the Acquired Corporations who are employed by the Acquired Corporations as of immediately prior to the Effective Time and who continue to be actively employed by the Surviving Corporation (or any Subsidiary thereof) during such one year period (the “*Continuing Employees*”) base salary and base wages, short-term cash incentive compensation opportunities and benefits (excluding equity based compensation) that are substantially comparable in the aggregate to such base salary and base wages, short-term cash incentive compensation opportunities and benefits (excluding equity based compensation) provided to such Continuing Employees immediately prior to the execution of this Agreement. Without limiting the foregoing:

(a) With respect to any accrued but unused personal, sick or vacation time to which any Continuing Employee is entitled pursuant to the personal, sick or vacation policies applicable to such Continuing Employee immediately prior to the Effective Time, Parent shall, or shall cause the Surviving Corporation to and instruct its Subsidiaries to, as applicable (and without duplication of benefits), assume the liability for such accrued personal, sick or vacation time and allow such Continuing Employee to use such accrued personal, sick or vacation time in accordance with the practice and policies of the applicable Acquired Corporation.

(b) Parent agrees that all Continuing Employees shall be eligible to continue to participate in the Surviving Corporation’s health and welfare benefit plans (to the same extent such Continuing Employees were eligible to participate under the Acquired Corporations’ health and welfare benefit plans immediately prior to the Effective Time); *provided, however*, that (i) nothing in this Section 6.4 or elsewhere in this Agreement shall limit the right of Parent or the Surviving Corporation to amend or terminate any such health or welfare benefit plan at any time, and (ii) if Parent or the Surviving Corporation terminates any such health or welfare benefit plan, then (upon expiration of any appropriate transition period), the Continuing Employees shall be eligible to participate in the Surviving Corporation’s health and welfare benefit plans to the extent that coverage under such plans is replacing comparable coverage under an Employee Plan in which such Continuing Employee participated immediately before the Effective Time. To the extent that service is relevant for eligibility or vesting purposes or for the purpose of determining future paid time off accruals under any retirement, health or welfare benefit plan of Parent and/or the Surviving Corporation, then Parent shall use its commercially reasonable efforts to ensure that such retirement, health or welfare benefit plan shall, for purposes of eligibility or vesting purposes or for the purpose of determining future paid time off accruals but not for purposes of benefit accrual, credit Continuing Employees for service prior to the Effective Time with the Acquired Corporations to the same extent that such service was recognized prior to the Effective Time under the corresponding health or welfare benefit plan of the Company. Nothing in this Section 6.4 or elsewhere in this Agreement shall be construed to create a right in any employee to employment with Parent, the Surviving Corporation or any other Subsidiary of the Surviving Corporation and the employment of each Continuing Employee shall be “at will” employment.

(c) The provisions of this Section 6.4 are solely for the benefit of the Parties to this Agreement, and no provision of this Section 6.4 is intended to, or shall, constitute the establishment or adoption of or an amendment to any employee benefit plan for purposes of ERISA or otherwise and no current or former employee or any other individual associated therewith shall be regarded for any purpose as a third party beneficiary of the Agreement or have the right to enforce the provisions hereof.

6.5 Indemnification of Officers and Directors.

(a) All rights to indemnification by the Acquired Corporations existing in favor of those Persons who are directors and officers of any Acquired Corporation as of the date of this Agreement (the “*Indemnified Persons*”) for their acts and omissions occurring prior to the Effective Time, as provided in the Certificate of Incorporation and bylaws of the Acquired Corporations (as in effect as of the date of this Agreement) and as provided in the indemnification agreements between the Acquired Corporations and said Indemnified Persons (as set forth on Part 6.5(a) of the Company Disclosure Schedule and in effect as of the date of this Agreement) in the forms made available by the Company to Parent or Parent’s Representatives prior to the date of this Agreement, shall survive the Merger and shall be observed by the Surviving Corporation and its Subsidiaries to the fullest extent available under Delaware law for a period of six years from the Effective Time, and any claim made requesting indemnification pursuant to such indemnification rights within such six-year period shall continue to be subject to this Section 6.5(a) and the indemnification rights provided under this Section 6.5(a) until disposition of such claim.

(b) From the Effective Time until the sixth anniversary of the date on which the Effective Time occurs, Parent and the Surviving Corporation (together with its successors and assigns, the “*Indemnifying Parties*”) shall, to the fullest extent permitted under applicable Legal Requirements, indemnify and hold harmless each Indemnified Person in his or her capacity as an officer or director of an Acquired Corporation against all losses, claims, damages, liabilities, fees, expenses, judgments or fines incurred by such Indemnified Person as an officer or director of an Acquired Corporation in connection with any pending or threatened Legal Proceeding based on or arising out of, in whole or in part, the fact that such Indemnified Person is or was a director or officer of an Acquired Corporation at or prior to the Effective Time and pertaining to any and all matters pending, existing or occurring at or prior to the Effective Time, whether asserted or claimed prior to, at or after the Effective Time, including any such matter arising under any claim with respect to the transactions contemplated herein. Without limiting the foregoing, from the Effective Time until the sixth anniversary of the date on which the Effective Time occurs, the Indemnifying Parties shall also, to the fullest extent permitted under applicable Legal Requirements, advance reasonable and documented out-of-pocket costs and expenses (including reasonable and documented attorneys’ fees) incurred by the Indemnified Persons in connection with matters for which such Indemnified Persons are eligible to be indemnified pursuant to this Section 6.5(b) within fifteen days after receipt by Parent of a written request for such advance, subject to the execution by such Indemnified Persons of appropriate undertakings in favor of the Indemnifying Parties to repay such advanced costs and expenses if it is ultimately determined in a final and non-appealable judgment of a court of competent jurisdiction that such Indemnified Person is not entitled to be indemnified under this Section 6.5(b).

(c) From the Effective Time until the sixth anniversary of the Effective Time, the Surviving Corporation shall maintain in effect, the existing policy of directors' and officers' liability insurance maintained by the Company as of the date of this Agreement (a true and correct copy of which has been made available by the Company to Parent or Parent's Representatives prior to the date of this Agreement) for the benefit of the Indemnified Persons who are currently covered by such existing policy with respect to their acts and omissions occurring prior to the Effective Time in their capacities as directors and officers of the Acquired Corporations (as applicable), on terms with respect to coverage, deductibles and amounts no less favorable than the existing policy (or at or prior to the Effective Time Parent or the Company may (through a nationally recognized insurance broker approved by Parent (such approval not to be unreasonably withheld, delayed or conditioned)) purchase a six-year "tail" policy for the existing policy effective as of the Effective Time) and if such "tail policy" has been obtained, it shall be deemed to satisfy all obligations to obtain and/or maintain insurance pursuant to this Section 6.5(c); *provided, however*, that in no event shall the Surviving Corporation be required to expend in any one year an amount in excess of 250% of the annual premium currently payable by the Company with respect to such current policy, it being understood that if the annual premiums payable for such insurance coverage exceeds such amount, Parent shall be obligated to cause the Surviving Corporation to obtain a policy with the greatest coverage available for a cost equal to such amount.

(d) In the event Parent or the Surviving Corporation or any of their respective successors or assigns (i) consolidates with or merges into any other Person and shall not be the continuing or surviving corporation or Entity of such consolidation or merger or (ii) transfers all or substantially all of its properties and assets to any Person, then, and in each such case, Parent shall ensure that the successors and assigns of Parent or the Surviving Corporation, as the case may be, or at Parent's option, Parent, shall assume the obligations set forth in this Section 6.5.

(e) The provisions of this Section 6.5 shall survive the consummation of the Merger and are (i) intended to be for the benefit of, and will be enforceable by, each of the Indemnified Persons and their heirs and (ii) in addition to, and not in substitution for, any other rights to indemnification or contribution that any such Person may have by contract or otherwise. Unless required by applicable Legal Requirement, this Section 6.5 may not be amended, altered or repealed after the Effective Time in such a manner as to adversely affect the rights of any Indemnified Person or any of their heirs without the prior written consent of the affected Indemnified Person.

6.6 Securityholder Litigation. The Company shall give Parent the right to review and comment on all material filings or responses to be made by the Company in connection with any litigation against the Company and/or its directors relating to the Transactions, and the right to consult on the settlement with respect to such litigation, and the Company will in good faith take such comments into account, and, no such settlement shall be agreed to without Parent's prior written consent (such consent not to be unreasonably withheld, conditioned or delayed). The Company shall promptly notify Parent of any such litigation and shall keep Parent reasonably and promptly informed with respect to the status thereof.

6.7 Additional Agreements. Subject to the terms and conditions of this Agreement (including Sections 5.3 and 6.1), Parent and the Company shall use commercially reasonable

efforts to take, or cause to be taken, all actions necessary to consummate the Merger and make effective the other Transactions. Without limiting the generality of the foregoing, subject to the terms and conditions of this Agreement, each Party to this Agreement (i) shall make all filings (if any) and give all notices (if any) required to be made and given by such Party in connection with the Merger and the other Transactions contemplated by this Agreement, (ii) shall use commercially reasonable efforts to obtain each Consent (if any) required to be obtained pursuant to any applicable Legal Requirement or Material Contract by such Party in connection with the Transactions, and (iii) shall use commercially reasonable efforts to lift any restraint, injunction or other legal bar to the Merger brought by any third Person against such Party. The Company shall promptly deliver to Parent a copy of each such filing made, each such notice given and each such Consent obtained by the Company during the Pre-Closing Period.

6.8 Disclosure. The initial press release relating to this Agreement shall be a joint press release issued by the Company and Parent and thereafter Parent and the Company shall consult with each other before issuing any further press release or otherwise making any public statement or making any announcement to Company Associates (to the extent not previously issued or made in accordance with this Agreement) with respect to the Merger, this Agreement or any of the other Transactions and shall not issue any such press release, public statement or announcement to Company Associates without the other Party's written consent. Notwithstanding the foregoing: (a) each Party may, without such consultation or consent, make any public statement in response to questions from the press, analysts, investors or those attending industry conferences, make internal announcements to employees and make disclosures in Company SEC Documents, so long as such statements are consistent with previous press releases, public disclosures or public statements made jointly by the parties (or individually, if approved by the other Party), (b) a Party may, without the prior consent of the other Party hereto but subject to giving advance notice to the other Party, issue any such press release or make any such public announcement or statement as may be required by Legal Requirement; and (c) the Company need not consult with Parent in connection with such portion of any press release, public statement or filing to be issued or made pursuant to Section 5.3(e) or with respect to any Acquisition Proposal or Company Adverse Change Recommendation.

6.9 Takeover Laws; Advice of Changes.

(a) If any Takeover Law may become, or may purport to be, applicable to the transactions contemplated in this Agreement or the Support Agreements, each of Parent and the Company and the members of their respective Boards of Directors shall use their respective reasonable best efforts to grant such approvals and take such actions as are necessary so that the transactions contemplated by this Agreement or the Support Agreements may be consummated as promptly as practicable on the terms and conditions contemplated hereby and otherwise act to lawfully eliminate the effect of any Takeover Law on any of the transactions contemplated by this Agreement or the Support Agreements.

(b) The Company will give prompt notice to Parent (and will subsequently keep the other informed on a current basis of any developments related to such notice) upon its becoming aware of the occurrence or existence of any fact, event or circumstance that (i) has had or would reasonably be expected to result in any Material Adverse Effect with respect to it and (ii) is reasonably likely to result in any of the conditions set forth in Sections 7.1 and/or 7.2 not

being able to be satisfied prior to the End Date. Parent will give prompt notice to the Company (and will subsequently keep the other informed on a current basis of any developments related to such notice) upon its becoming aware of the occurrence or existence of any fact, event or circumstance that (i) has had or would reasonably be expected to have a Parent Material Adverse Effect or (ii) is reasonably likely to result in any of the conditions set forth in Sections 7.1 and/or 7.3 not being able to be satisfied prior to the End Date.

6.10 Section 16 Matters. The Company, and the Company's Board of Directors, shall, to the extent necessary, take appropriate action, prior to or as of the Effective Time, to approve, for purposes of Section 16(b) of the Exchange Act, the deemed disposition and cancellation of Shares and Company Options in the Transactions contemplated hereby by applicable individuals and to cause such dispositions and/or cancellations to be exempt under Rule 16b-3 promulgated under the Exchange Act.

6.11 Financing.

(a) (i) Each of Parent and Co-Borrower shall use its reasonable best efforts to obtain the Financing on the terms and conditions (including the flex provisions) described in the Financing Letters, and shall not permit any amendment or modification to be made to, or any waiver of any provision under, the Financing Letters if such amendment, modification or waiver (A) with respect to the Financing Letters, reduces (or would reasonably be expected to have the effect of reducing) the aggregate amount of the Financing (including by increasing the amount of fees to be paid or original issue discount unless (x) the Debt Financing or the Equity Financing is increased by a corresponding amount or the Debt Financing is otherwise made available to fund such fees or original issue discount and (y) after giving effect to any of the transactions referred to in clause "(x)" above, the representation and warranty set forth in Section 4.10 shall be true and correct) or (B) imposes new or additional conditions precedent or otherwise expands, amends or modifies any of the conditions precedent to the receipt of the Financing or otherwise expands, amends or modifies any other provision of the Financing Letters, in a manner that would reasonably be expected to (x) delay or prevent or make less likely the funding of the Financing (or satisfaction of the conditions precedent to the Financing) at the Acceptance Time or the Effective Time, as applicable, or (y) adversely impacts the ability of Parent or Co-Borrower or the Company, as applicable, to enforce its rights against other parties to the Financing Letters or the definitive agreements with respect thereto (provided that, subject to compliance with the other provisions of this Section 6.11(a), Parent and Co-Borrower may amend the Debt Commitment Letter to add additional lenders, arrangers, bookrunners and agents). As soon as reasonably practicable, but in any event within two (2) business days of the date the Company delivers to Parent or Co-Borrower a written request, Parent and Co-Borrower shall provide any information reasonably requested by the Company relating to any circumstance referred to in clause “(x)”, “(y)” or “(z)” of the immediately preceding sentence; *provided*, that they need not provide any information believed to be privileged or that is requested for purposes of litigation. (f) by the Company, at any time prior to the earlier to occur of the Acceptance Time or receipt of the Required Company Stockholder Vote, in order to accept a Superior Offer and enter into a binding written definitive acquisition agreement providing for the consummation of a transaction constituting a Superior Offer (a “*Specified Agreement*”), if (i) the Company has complied in all material respects with the requirements of Section 5.3 and Section 6.1(a) and (ii) prior to such termination (or if the Specified Agreement is executed on a day that is not a business day, the preceding business day), the Company pays the Termination Fee due to Parent under Section 8.3(b);

(g) by Parent at any time prior to the Acceptance Time or if an Offer Termination occurs, at any time prior to the Closing, if a breach of any representation or warranty or failure to perform any covenant or obligation contained in this Agreement on the part of the Company shall have occurred that (i) if the Offer Termination shall not have occurred, the condition set forth in clause “(b)” or “(c)” of Annex I would not be satisfied, (ii) if the Offer Termination shall have occurred, would cause a failure of the conditions in Section 7.2(a), (b), (c), (d) or (e) to exist and in the case of each of the foregoing clauses “(i)” and “(ii)” cannot be cured by the Company by the End Date, or if capable of being cured, shall not have commenced to have been cured within fifteen (15) days of the date Parent gives the Company notice of such breach or failure to perform; *provided, however*, that, Parent shall not have the right to terminate this Agreement pursuant to this Section 8.1(g) if either Parent or Merger Sub is then in material breach of any representations, warranties, covenants or other agreements hereunder such that the Company has the right to terminate this Agreement pursuant to Section 8.1(h);

(h) by the Company at any time prior to the Acceptance Time or if an Offer Termination occurs, at any time prior to the Closing, if a breach of any representation or warranty or failure to perform any covenant or obligation contained in this Agreement on the part of Parent or Merger Sub shall have occurred that would cause a failure of the conditions in Section 7.3(a), (b) or (c) to exist and cannot be cured by Parent or Merger Sub by the End Date, or if capable of being cured, shall not have commenced to have been cured within fifteen (15) days of the date the Company gives Parent notice of such breach or failure to perform; *provided, however*, that, the Company shall not have the right to terminate this Agreement pursuant to this Section 8.1(h) if it is then in material breach of any representations, warranties, covenants or other agreements hereunder that would result in the conditions to Closing set forth in Section 7.1 or Section 7.2 not being satisfied;

(i) by the Company, if the Offer Termination has occurred and (A) the Marketing Period has ended and the conditions set forth in Sections 7.1 and 7.2 (other than those conditions that by their nature are to be satisfied by actions taken at the Closing) have been satisfied, (B) the Company has irrevocably confirmed by notice to Parent after the end of the Marketing Period that all conditions set forth in Sections 7.1 and 7.2 have been satisfied as of the date of such notice (other than those conditions that by their nature are to be satisfied by actions taken at the Closing) and, if there any unsatisfied conditions in Section 7.3 (other than those conditions that by their nature are to be satisfied by actions taken at the Closing) that it is willing to waive any unsatisfied conditions in Section 7.3 (other than those conditions that by their nature are to be satisfied by actions taken at the Closing) and (C) the Merger shall not have been consummated within three (3) business days after the delivery of such notice;

(j) by Parent or the Company if for any reason other than the occurrence of the Offer Termination, the Offer (as it may have been extended pursuant to Section 1.1(c)) expires as a result of the non-satisfaction of one or more Offer Conditions, or is terminated or withdrawn prior to the Acceptance Time, without Merger Sub having accepted for payment any Shares tendered pursuant to the Offer; *provided, however*, that a party shall not be permitted to terminate this Agreement pursuant to this Section 8.1(j) if the non-satisfaction of any Offer Condition or the termination or withdrawal of the Offer is attributable to the failure of such party (or any affiliate of such party) to perform any covenant or other obligation under this Agreement.

8.2 Effect of Termination. In the event of the termination of this Agreement as provided in Section 8.1, written notice thereof shall be given to the other Party or Parties, specifying the provision hereof pursuant to which such termination is made, and this Agreement shall be of no further force or effect and there shall be no liability on the part of Parent, Merger Sub or the Company or their respective directors, officers and Affiliates following any such termination; *provided, however*, that (a) this Section 8.2, Section 8.3, Section 9 and the expense reimbursement and indemnification provisions of Section 6.11(b) shall survive the termination of this Agreement and shall remain in full force and effect, (b) the Confidentiality Agreement shall survive the termination of this Agreement and shall remain in full force and effect in accordance with its terms; (c) the Guaranty shall survive the termination of this Agreement and shall remain in full force and effect in accordance with its terms; and (d) subject to the limitations set forth in Section 8.3, the termination of this Agreement shall not relieve any Party from any liability for willful and material breach of this Agreement prior to the date of termination and common law fraud. Nothing shall limit or prevent any Party from exercising any rights or remedies it may have under Section 9.5(b) in lieu of terminating this Agreement pursuant to Section 8.1.

8.3 Expenses; Termination Fee.

(a) Except as set forth in this Section 8.3 and the expense reimbursement and indemnification provisions of Section 6.11(b), all fees and expenses incurred in connection with this Agreement and the Transactions shall be paid by the Party incurring such expenses, whether or not the Merger is consummated.

(b) In the event that:

(i) this Agreement is terminated by the Company pursuant to Section 8.1(f);

(ii) this Agreement is terminated by Parent pursuant to Section 8.1(d)(i); or

(iii) (x) this Agreement is terminated pursuant to Section 8.1(b) or Section 8.1(g) (as a result of any willful breach), (y) any Person shall have publicly disclosed or shall have made known to the Company's Board of Directors a *bona fide* Acquisition Proposal after the date hereof and prior to such termination (unless irrevocably, in good faith and, if such Acquisition Proposal is public, publicly withdrawn prior to such termination), and (z) within twelve (12) months of such termination the Company shall have entered into a definitive agreement with respect to an Acquisition Proposal or consummated an Acquisition Proposal (provided that for purposes of this clause (z) the references to "20%" in the definition of "Acquisition Proposal" shall be deemed to be references to "80%");

then, in any such event under clause "(i)", "(ii)" or "(iii)" of this Section 8.3(b), the Company shall pay to Parent or its designee the applicable Termination Fee (less, if applicable, the Expense Reimbursement previously paid to Parent by the Company) by wire transfer of same day funds (x) in the case of Section 8.3(b)(ii), within two (2) business days after such termination, (y) prior to (or if the Specified Agreement is executed on a day that is not a business day, the next business day) such termination if pursuant to Section 8.1(b)(i) or (z) in the case of Section 8.3(b)(iii), prior to the consummation of the Acquisition Proposal referred to in subclause (iii)(z) above; it being understood that in no event shall the Company be required to pay the applicable Termination Fee on more than one occasion. As used herein, "**Termination Fee**" shall mean a cash amount equal to \$24,136,000. In the event that Parent or its designee shall receive full payment pursuant to this Section 8.3(b), the receipt of the applicable Termination Fee, the Expense Reimbursement and the expenses referred to in Section 8.3(f) shall be deemed to be liquidated damages for any and all losses or damages suffered or incurred by Parent, Merger Sub, any of their respective Affiliates or any other Person in connection with this Agreement (and the termination hereof), the transactions contemplated hereby (and the abandonment thereof) or any matter forming the basis for such termination, and none of Parent, Merger Sub, any of their respective Affiliates or any other Person shall be entitled to bring or maintain any claim, action or proceeding against the Company or any of its Affiliates arising out of or in connection with this Agreement, any of the transactions contemplated hereby or any matters forming the basis for such termination; *provided, however*, that nothing in this Section 8.3(b) shall limit the rights of Parent and Merger Sub under Section 9.5(b); *provided, further, however*, nothing in this Section 8.3(b) shall relieve the Company of liability for any willful and material breach of this Agreement.

(c) If this Agreement is terminated by:

(i) Parent pursuant to Section 8.1(e) and: (A) at the time of such termination, each of the Offer Conditions has been satisfied or waived (other than the condition set forth in clause "(h)" of Annex I due to the termination of this Agreement pursuant to Section 8.1(e));

(ii) the Company pursuant to Section 8.1(e) and: (A) at the time of such termination, each of the Offer Conditions has been satisfied or waived (other than the condition set forth in clause “(h)” of Annex I due to the termination of this Agreement pursuant to Section 8.1(e)) and (B) the Company shall have given Parent written notice at least five (5) business days prior to termination stating the Company’s intention to terminate this Agreement pursuant to Section 8.1(e) (and the basis for such termination);

(iii) the Company pursuant to Section 8.1(i) if the condition set forth in Section 7.2(f) has been satisfied; or

(iv) the Company pursuant to Section 8.1(j) if Parent did not, at the time of the Company’s termination, have a right to terminate this Agreement pursuant to Section 8.1(j);

then Parent shall pay to the Company by wire transfer of same day funds, within two (2) business days after such termination, a non-refundable termination fee of \$48,273,000 (the “**Parent Termination Fee**”), it being understood that in no event shall Parent be required to pay the Parent Termination Fee on more than one occasion; *provided, that* in the case of the termination of this Agreement by the Parent pursuant to Section 8.1(c)(i), the Parent Termination Fee shall be paid by Parent at or prior to the time of such termination. In the event that Company shall receive full payment pursuant to this Section 8.3(c), together with indemnification pursuant to Section 6.11(b) and reimbursement of any applicable expenses pursuant to Section 8.3(e), the receipt of the Parent Termination Fee together with such expenses shall be deemed to be the only monetary damages for any and all losses or damages suffered or incurred by the Company or any other Person in connection with this Agreement, the Financing Letters, or the Guaranty (and the termination hereof), the transactions contemplated hereby and thereby (and the abandonment or termination thereof) or any matter forming the basis for such termination, and neither the Company nor any other Person shall be entitled to bring or maintain any claim, action or proceeding against Parent, Merger Sub or any other Parent Related Party (as defined below) arising out of or in connection with this Agreement, the Financing Letters, or the Guaranty, any of the transactions contemplated hereby or thereby (or the abandonment or termination thereof) or any matters forming the basis for such termination.

(d) In the event this Agreement is terminated by Parent pursuant to Section 8.1(g) as a result of a willful material breach by the Company, then the Company shall reimburse Parent for its actual and reasonable out-of-pocket expenses in an amount not to exceed \$4,505,000 (the “**Expense Reimbursement**”), by wire transfer of immediately available funds on the second (2nd) business day following the date of such termination of this Agreement; *provided*, that the existence of circumstances which would require the Termination Fee to become subsequently payable by the Company pursuant to Section 8.3(b) shall not relieve the Company of its obligations to pay the Expense Reimbursement pursuant to this Section 8.3(d); and *provided, further*, that the payment by the Company of the Expense Reimbursement pursuant to this Section 8.3(d) shall not relieve the Company of any subsequent obligation to pay the Termination Fee pursuant to Section 8.3(b) except to the extent indicated in Section 8.3(b).

(e) For the avoidance of doubt, (1) under no circumstances shall the collective monetary damages payable by Parent, Merger Sub or any of their Affiliates, for breaches under

this Agreement or the Equity Funding Letter exceed \$48,273,000 in the aggregate for all such breaches (and any indemnification pursuant to Section 8.3(f), but excluding any indemnification pursuant to Section 6.11(b)) (the “**Parent Liability Limitation**”) and (2) while the Company may pursue specific performance in accordance with Section 9.5(b), under no circumstances shall the Company be permitted or entitled to receive both specific performance of the type contemplated by Section 9.5(b) and any money damages. In no event shall the Company and its Subsidiaries and any of their respective former, current or future officers, directors, partners, stockholders, optionholders, managers, members or Affiliates (collectively, “**Company Related Parties**”) seek or obtain, nor shall they permit any of their Representatives or any other Person on their behalf to seek or obtain, nor shall any Person be entitled to seek or obtain, any monetary recovery or award in excess of the Parent Liability Limitation against Parent, Merger Sub, the Equity Investor, the Financing Sources or any other Available Financing sources or any of their respective former, current or future general or limited partners, stockholders, financing sources, managers, members, directors, officers or Affiliates (collectively, the “**Parent Related Parties**”), and in no event shall the Company or any of its Subsidiaries be entitled to seek or obtain any monetary damages of any kind in excess of the Parent Liability Limitation against the Parent Related Parties, including consequential, special, indirect or punitive damages for, or with respect to, this Agreement, the Equity Funding Letter or the Guaranty or the transactions contemplated hereby and thereby (including, any breach by Equity Investor, Parent or Merger Sub), the termination of this Agreement, the failure to consummate the transactions contemplated by this Agreement or any claims or actions under applicable Legal Requirements arising out of any such breach, termination or failure.

(f) The Parties acknowledge that the agreements contained in this Section 8.3 are an integral part of the transactions contemplated by this Agreement and that, without these agreements, the Parties would not enter into this Agreement; accordingly, if the Company or Parent, as the case may be, fails to timely pay any amount due pursuant to this Section 8.3, and, in order to obtain the payment, Parent or the Company, as the case may be, commences a Legal Proceeding which results in a judgment against the other Party, with respect to Parent or Merger Sub, or Parties, with respect to the Company, for the payment set forth in this Section 8.3, such paying Party shall pay the other Party or Parties, as applicable, its reasonable and documented costs and expenses (including reasonable and documented attorneys’ fees) in connection with such suit, together with interest on such amount at the prime rate as published in the Wall Street Journal in effect on the date such payment was required to be made through the date such payment was actually received. Except as provided in Section 8.3, and subject to Section 9.5(b), as applicable, payment of the fees and expenses described in this Section 8.3 shall constitute the sole and exclusive remedy of the Parties in connection with any termination of this Agreement.

(g) Notwithstanding anything to the contrary in this Agreement, in no event shall any Non-Recourse Parent Party (as defined in the Equity Funding Letter, which excludes, for the avoidance of doubt, Equity Investor, Parent and Merger Sub) have any liability for monetary damages to the Company or its Subsidiaries relating to or arising out of this Agreement or the transactions contemplated hereby, other than Equity Investor’s obligations under the Guaranty and the Equity Funding Letter and other than the obligations of Parent and Merger Sub to the extent expressly provided herein. In no event shall the Company seek or obtain, nor shall they permit any of its Representatives to seek or obtain, nor shall any Person be entitled to seek or obtain, any monetary recovery or monetary award against any Non-Recourse Parent Party

with respect to, this Agreement, Equity Funding Letter or the Guaranty or the transactions contemplated hereby and thereby (including, any breach by Equity Investor, Parent or Merger Sub), the termination of this Agreement, the failure to consummate the Transactions or any claims or actions under applicable Legal Requirements arising out of any such breach, termination or failure, other than from Parent or Merger Sub to the extent expressly provided for in this Agreement, the Equity Investor to the extent expressly provided for in the Guaranty and the Equity Funding Letter.

SECTION 9. Miscellaneous Provisions

9.1 Amendment. Prior to the Effective Time this Agreement may be amended with the approval of the respective Boards of Directors of the Company and Parent at any time (whether before or after the adoption of this Agreement by the Company's stockholders); *provided, however*, that after any such adoption of this Agreement by the Company's stockholders, no amendment shall be made which by applicable Legal Requirements requires further approval of the stockholders of the Company without the further approval of such stockholders. This Agreement may not be amended except by an instrument in writing signed on behalf of each of the parties hereto. Notwithstanding anything to the contrary, Section 9.1 and Section 9.5 (and the related definitions in this Agreement used therein, but only with respect to their use in such Sections as they relate specifically to the Financing Sources) shall not be amended, modified, supplemented or waived in a manner that is adverse in any material respect to any Financing Source without the prior written consent of the Administrative Agent (as defined in the Debt Commitment Letter) for such Financing Source.

9.2 Waiver. No failure on the part of any Party to exercise any power, right, privilege or remedy under this Agreement, and no delay on the part of any Party in exercising any power, right, privilege or remedy under this Agreement, shall operate as a waiver of such power, right, privilege or remedy; and no single or partial exercise of any such power, right, privilege or remedy shall preclude any other or further exercise thereof or of any other power, right, privilege or remedy. No Party shall be deemed to have waived any claim arising out of this Agreement, or any power, right, privilege or remedy under this Agreement, unless the waiver of such claim, power, right, privilege or remedy is expressly set forth in a written instrument duly executed and delivered on behalf of such Party; and any such waiver shall not be applicable or have any effect except in the specific instance in which it is given.

9.3 No Survival of Representations and Warranties. None of the representations and warranties contained in this Agreement, the Company Disclosure Schedule or in any certificate or schedule or other document delivered pursuant to this Agreement shall survive the Merger.

9.4 Entire Agreement; Counterparts. This Agreement and the other agreements and schedules referred to herein constitute the entire agreement and supersede all prior agreements and understandings, both written and oral, among or between any of the Parties, with respect to the subject matter hereof and thereof; *provided, however*, that the Confidentiality Agreement shall not be superseded and shall remain in full force and effect; *provided, further, that*, if the Effective Time occurs, the Confidentiality Agreement shall automatically terminate and be of no further force and

effect. This Agreement may be executed in several counterparts,

each of which shall be deemed an original and all of which shall constitute one and the same instrument. The exchange of a fully executed Agreement (in counterparts or otherwise) by PDF shall be sufficient to bind the parties to the terms and conditions of this Agreement.

9.5 Applicable Legal Requirements; Jurisdiction; Specific Performance; Remedies.

(a) This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, regardless of the laws that might otherwise govern under applicable principles of conflicts of laws thereof. Subject to Section 9.5(c), in any action or proceeding arising out of or relating to this Agreement or any of the transactions contemplated by this Agreement: (i) each of the Parties irrevocably and unconditionally consents and submits to the exclusive jurisdiction and venue of the Chancery Court of the State of Delaware and any state appellate court therefrom or, if such court lacks subject matter jurisdiction, the United States District Court sitting in New Castle County in the State of Delaware, (it being agreed that the consents to jurisdiction and venue set forth in this Section 9.5(a) shall not constitute general consents to service of process in the State of Delaware and shall have no effect for any purpose except as provided in this paragraph and shall not be deemed to confer rights on any Person other than the Parties hereto); and (ii) each of the Parties irrevocably consents to service of process by first class certified mail, return receipt requested, postage prepaid, to the address at which such Party is to receive notice in accordance with Section 9.8. The Parties hereto agree that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable Legal Requirements; *provided, however*, that nothing in the foregoing shall restrict any Party's rights to seek any post-judgment relief regarding, or any appeal from, such final trial court judgment. Notwithstanding anything else in this Section 9.5 or elsewhere in this Agreement, the Parties hereto agree that New York State or United States federal courts sitting in the borough of Manhattan, New York City (and any New York State or United States Federal court from which appeal therefrom may validly be taken) shall have exclusive jurisdiction over the Parties and their Affiliates in and over any such action, arbitration, claim or proceeding brought against any Financing Sources under the Debt Commitment Letter (including each Financing Source) or any of their respective affiliates in connection with this Agreement, any Debt Commitment Letter or the transactions contemplated hereby or thereby, or the failure of the transactions set forth in the Debt Commitment Letter to be consummated, and nothing in this Section 9.5 or elsewhere in this Agreement shall be construed to provide otherwise, and each of the Parties hereto agree that it will not, and it will not permit any of its Affiliates to, bring or support anyone else in bringing any such action, arbitration, claim or proceeding in any forum other than New York State or United States federal courts sitting in the borough of Manhattan, New York City (and any New York State or United States Federal court from which appeal therefrom may validly be taken).

(b) The Parties agree that irreparable damage for which monetary damages, even if available, would not be an adequate remedy, would occur in the event that the Parties hereto do not perform their obligations under the provisions of this Agreement in accordance with its specified terms or otherwise breach such provisions. The Parties acknowledge and agree that (a) the Parties shall be entitled to an injunction or injunctions, specific performance, or other equitable relief, to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof in the courts described in Section 9.5(a) without proof of damages or

otherwise, this being in addition to any other remedy to which they are entitled under this Agreement, (b) the provisions set forth in Section 8.3 (i) are not intended to and do not adequately compensate for the harm that would result from a breach of this Agreement and (ii) shall not be construed to diminish or otherwise impair in any respect any Party's right to specific enforcement and (b) the right of specific performance is an integral part of the transactions contemplated by this Agreement and without that right, neither the Company nor Parent would have entered into this Agreement. Notwithstanding the foregoing, it is explicitly agreed that the Company shall have the right to an injunction, specific performance or other equitable remedies in connection with enforcing Parent's obligation to cause the Equity Financing to be funded to fund the Merger (including to cause Parent to enforce the obligations of the Equity Investor under the Equity Funding Letter in order to cause the Equity Financing to be timely completed). Each of the Parties hereto agrees that it will not oppose the granting of an injunction, specific performance and other equitable relief on the basis that the other Parties hereto have an adequate remedy at law or an award of specific performance is not an appropriate remedy for any reason at law or equity. The Parties hereto acknowledge and agree that any Party seeking an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in accordance with this Section 9.5(b) shall not be required to provide any bond or other security in connection with any such order or injunction.

(c) EACH OF THE PARTIES HERETO IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING BETWEEN THE PARTIES HERETO ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (INCLUDING ANY ACTION, PROCEEDING, CLAIM OR COUNTERCLAIM INVOLVING DEBT FINANCING SOURCES UNDER THE DEBT FINANCING LETTER (AND THEIR RESPECTIVE AFFILIATES)).

9.6 Assignability. This Agreement shall be binding upon, and shall be enforceable by and inure solely to the benefit of, the Parties hereto and their respective successors and permitted assigns; *provided, however*, that neither this Agreement nor any of the rights hereunder may be assigned without the prior written consent of the other Parties hereto, and any attempted assignment of this Agreement or any of such rights without such consent shall be void and of no effect; *provided, further, however*, that Parent or Merger Sub may (i) assign this Agreement to any of their Affiliates (provided that such assignment shall not (A) affect the obligations of the Equity Investor under the Equity Funding Letter or the Guaranty or (B) impede or delay the consummation of the Transactions or otherwise impede the rights of the stockholders of the Company under this Agreement) and/or (ii) pledge its rights hereunder as security to its Financing Source or any other Available Financing source; provided that no such assignment or pledge permitted pursuant to this Section 9.6 shall relieve Parent of its obligations hereunder.

9.7 No Third Party Beneficiaries. Nothing in this Agreement, express or implied, is intended to or shall confer upon any Person (other than the Parties hereto) any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement; except for: (i) if the Acceptance Time or Effective Time occurs (A) the right of the Company's stockholders to receive the Offer Price or Merger Consideration, as applicable and (B) the right of the holders of Company Options to receive the Merger Consideration pursuant to Section 2.8; (ii) the provisions set forth in Section 6.5 of this Agreement, (iii) the rights of persons who are explicitly

provided to be third party beneficiaries of the Guaranty and the Equity Funding Letter to the extent of the rights set forth therein, and (iv) the rights of Financing Sources, other Available Financing sources and sources of debt financing for the Transactions set forth in Section 9.1, Section 9.5, this Section 9.7 and Section 9.11.

9.8 Notices. Any notice or other communication required or permitted to be delivered to any Party under this Agreement shall be in writing and shall be deemed properly delivered, given and received (a) upon receipt when delivered by hand, (b) two (2) business days after sent by registered mail or by courier or express delivery service, (c) if sent by email transmission prior to 6:00 p.m. recipient's local time, upon transmission when receipt is confirmed, or (d) if sent by email transmission after 6:00 p.m. recipient's local time and receipt is confirmed, the business day following the date of transmission; *provided* that in each case the notice or other communication is sent to the physical address or email address set forth beneath the name of such Party below (or to such other physical address or email address as such Party shall have specified in a written notice given to the other Parties hereto):

9.9 Severability. Any term or provision of this Agreement that is invalid or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions of this Agreement or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction. If a final judgment of a court of competent jurisdiction declares that any term or provision of this Agreement is invalid or unenforceable, the Parties hereto agree that the court making such determination shall have the power to limit such term or provision, to delete specific words or phrases or to replace such term or provision with a term or provision that is valid and enforceable and that comes closest to expressing the intention of the invalid or unenforceable term or provision, and this Agreement shall be valid and enforceable as so modified. In the event such court does not exercise the power granted to it in the prior sentence, the Parties hereto agree to replace such invalid or unenforceable term or provision with a valid and enforceable term or provision that will achieve, to the extent possible, the economic, business and other purposes of such invalid or unenforceable term or provision.

9.10 Obligation of Parent and the Company. The Company and Parent, as applicable, shall each ensure that each of its Subsidiaries duly performs, satisfies and discharges on a timely basis each of the covenants, obligations and liabilities applicable to its Subsidiaries under this Agreement, and the Company and Parent, as applicable, shall be jointly and severally liable with its respective Subsidiaries for the due and timely performance and satisfaction of each of said covenants, obligations and liabilities.

9.11 No Recourse. Notwithstanding anything to the contrary contained herein, the Company (on behalf of itself, and any of its Affiliates, directors, officers, employees, agents and Representatives) hereby waives any rights or claims against any Financing Source or any other Available Financing source in connection with this Agreement, the Debt Commitment Letter, the Debt Financing, the Available Financing, or in respect of any other document or theory of law or equity (whether in tort, contract or otherwise) or in respect of any oral or written representations made or alleged to be made in connection herewith or therewith and the Company (on behalf of itself and any of its Affiliates, directors, officers, employees, agents and Representatives) agrees not to commence any action or proceeding against any Financing Source or any other Available Financing source in connection with this Agreement, the Debt Commitment Letter, the Debt Financing, the Available Financing, or in respect of any other document or theory of law or equity and agrees to cause any such action or proceeding asserted by the Company (on behalf of itself and any of its Affiliates, directors, officers, employees, agents and Representatives) in connection with this Agreement, the Debt Commitment Letter, the Debt Financing, the Available Financing or in respect of any other document or theory of law or equity against any Financing Source or any other Available Financing source to be dismissed or otherwise terminated. In furtherance and not in limitation of the foregoing waiver, it is acknowledged and agreed that no Financing Source nor or any other Available Financing source shall have any liability for any claims or damages to the Company in connection with this Agreement, the Debt Commitment

STRICTLY CONFIDENTIAL

The Board of Directors
Greenway Medical Technologies, Inc.
100 Greenway Boulevard
Carrollton, GA 30117

Members of the Board of Directors:

You have requested our opinion as to the fairness, from a financial point of view, to the holders of common stock, par value \$0.0001 per share (the “Company Common Stock”), of Greenway Medical Technologies, Inc. (the “Company”) of the consideration to be paid to such holders in the proposed Tender Offer and Merger (each as defined below) pursuant to the Agreement and Plan of Merger, dated as of September 23, 2013 (the “Agreement”), among the Company, VCG Holdings, LLC (the “Acquiror”) and its wholly-owned subsidiary, Crestview Acquisition Corp. (“Acquisition Sub”). Pursuant to the Agreement, the Acquiror will cause Acquisition Sub to commence a tender offer for all the shares of the Company Common Stock (the “Tender Offer”) at a price for each share equal to \$20.35 (the “Consideration”) payable in cash. The Agreement further provides that, following completion of the Tender Offer, or if the Tender Offer is not consummated under circumstances specified in the Agreement, Acquisition Sub will be merged with and into the Company (the “Merger”) and each outstanding share of Company Common Stock, other than shares of Company Common Stock held in treasury or owned by the Acquiror and its affiliates and other than Dissenting Shares (as defined in the Agreement), will be converted into the right to receive an amount equal to the Consideration in cash. The Tender Offer and Merger, together and not separately, are referred to herein as the “Transaction”.

In connection with preparing our opinion, we have (i) reviewed the Agreement; (ii) reviewed the Tender and Support Agreements, dated as of September 23, 2013, among the Acquiror, Acquisition Sub and certain stockholders of the Company; (iii) reviewed certain publicly available business and financial information concerning the Company and the industries in which it operates; (iv) compared the proposed financial terms of the Transaction with the publicly available financial terms of certain transactions involving companies we deemed relevant and the consideration paid for such companies; (v) compared the financial and operating performance of the Company with publicly available information concerning certain other companies we deemed relevant and reviewed the current and historical market prices of the Company Common Stock and certain publicly traded securities of such other companies; (vi) reviewed certain internal financial analyses and forecasts prepared by the management of the Company relating to its business; and (vii) performed such other financial studies and analyses and considered such other information as we deemed appropriate for the purposes of this opinion.

In addition, we have held discussions with certain members of the management of the Company with respect to certain aspects of the Transaction, and the past and current business operations of the Company, the financial

condition and future prospects and operations of the Company, and certain other matters we believed necessary or appropriate to our inquiry.

In giving our opinion, we have relied upon and assumed the accuracy and completeness of all information that was publicly available or was furnished to or discussed with us by the Company or otherwise reviewed by or for us, and we have not independently verified (nor have we assumed responsibility or liability for independently verifying) any such information or its accuracy or completeness. We have not conducted or been provided with any valuation or appraisal of any assets or liabilities, nor have we

evaluated the solvency of the Company or the Acquiror under any state or federal laws relating to bankruptcy, insolvency or similar matters. In relying on financial analyses and forecasts provided to us or derived therefrom, we have assumed that they have been reasonably prepared based on assumptions reflecting the best currently available estimates and judgments by management as to the expected future results of operations and financial condition of the Company to which such analyses or forecasts relate. We express no view as to such analyses or forecasts or the assumptions on which they were based. We have also assumed that the Transaction and the other transactions contemplated by the Agreement will be consummated as described in the Agreement. We have also assumed that the representations and warranties made by the Company and the Acquiror in the Agreement and the related agreements are and will be true and correct in all respects material to our analysis. We are not legal, regulatory or tax experts and have relied on the assessments made by advisors to the Company with respect to such issues. We have further assumed that all material governmental, regulatory or other consents and approvals necessary for the consummation of the Transaction will be obtained without any adverse effect on the Company or on the contemplated benefits of the Transaction.

Our opinion is necessarily based on economic, market and other conditions as in effect on, and the information made available to us as of, the date hereof. It should be understood that subsequent developments may affect this opinion and that we do not have any obligation to update, revise, or reaffirm this opinion. Our opinion is limited to the fairness, from a financial point of view, of the Consideration to be paid to the holders of the Company Common Stock in the proposed Transaction and we express no opinion as to the fairness of any consideration paid in connection with the Transaction to the holders of any other class of securities, creditors or other constituencies of the Company or as to the underlying decision by the Company to engage in the Transaction. Furthermore, we express no opinion with respect to the amount or nature of any compensation to any officers, directors, or employees of any party to the Transaction, or any class of such persons relative to the Consideration to be paid to the holders of the Company Common Stock in the Transaction or with respect to the fairness of any such compensation.

We were not authorized to and did not solicit any expressions of interest from any other parties with respect to the sale of all or any part of the Company or any other alternative transaction.

We have acted as financial advisor to the Company with respect to the proposed Transaction and will receive a fee from the Company for our services, a substantial portion of which will become payable only if the proposed Transaction is consummated. In addition, the Company has agreed to indemnify us for certain liabilities arising out of our engagement. Please be advised that during the two years preceding the date of this letter, neither we nor our affiliates have had any other material financial advisory or other material commercial or investment banking relationships with the Acquiror. During the two years preceding the date of this letter, we and our affiliates have had commercial or investment banking relationships with the Company and with certain other portfolio companies of Vista Equity Partners, for which we and such affiliates have received customary compensation. Such services during such period have included acting as lead left bookrunner on the Company's initial public offering in February 2012 and acting as an arranger of certain credit facilities for certain of Vista Equity Partners' other portfolio companies. In addition, our commercial banking affiliate is an agent bank and a lender under outstanding credit facilities of certain of Vista Equity Partners' other portfolio companies, for which it receives customary compensation or other financial benefits. In the ordinary course of our businesses, we and our affiliates may actively trade the debt and equity securities of the Company for our own account or for the accounts of customers and, accordingly, we may at any time hold long or short positions in such securities.

On the basis of and subject to the foregoing, it is our opinion as of the date hereof that the consideration to be paid to the holders of the Company Common Stock in the proposed Transaction is fair, from a financial point of view, to such holders.

The issuance of this opinion has been approved by a fairness opinion committee of J.P. Morgan Securities LLC. This letter is provided to the Board of Directors of the Company (in its capacity as such) in connection with and for the purposes of its evaluation of the Transaction. This opinion does not constitute a recommendation to any shareholder of the Company as to whether such shareholder should tender its shares into the Tender Offer or how such shareholder should vote with respect to the Transaction or any other matter. This opinion may not be disclosed, referred to, or communicated (in whole or in part) to any

ANNEX C

SECTION 262 OF THE GENERAL CORPORATION LAW OF THE STATE OF DELAWARE

§ 262. Appraisal Rights.

Any stockholder of a corporation of this State who holds shares of stock on the date of the making of a demand pursuant to subsection (d) of this section with respect to such shares, who continuously holds such shares through the effective date of the merger or consolidation, who has otherwise complied with subsection (d) of this section and who has neither voted in favor of the merger or consolidation nor consented thereto in writing pursuant to § 228 of this title shall be entitled to an appraisal by the Court of Chancery of the fair value of the stockholder's (a) shares of stock under the circumstances described in subsections (b) and (c) of this section. As used in this section, the word "stockholder" means a holder of record of stock in a corporation; the words "stock" and "share" mean and include what is ordinarily meant by those words; and the words "depository receipt" mean a receipt or other instrument issued by a depository representing an interest in 1 or more shares, or fractions thereof, solely of stock of a corporation, which stock is deposited with the depository.

Appraisal rights shall be available for the shares of any class or series of stock of a constituent corporation in a merger or consolidation to be effected pursuant to § 251 (other than a merger effected pursuant to § 251(g) of this title and, subject to paragraph (3) of this section, § 251(h) of this title), § 252, § 254, § 255, § 256, § 257, § 258, § 263 or § 264 of this title:

(1) Provided, however, that, except as expressly provided in § 363(b) of this title, no appraisal rights under this section shall be available for the shares of any class or series of stock, which stock, or depository receipts in respect thereof, at the record date fixed to determine the stockholders entitled to receive notice of the meeting of stockholders to act upon the agreement of merger or consolidation, were either: (i) listed on a national securities exchange or (ii) held of record by more than 2,000 holders; and further provided that no appraisal rights shall be available for any shares of stock of the constituent corporation surviving a merger if the merger did not require for its approval the vote of the stockholders of the surviving corporation as provided in § 251(f) of this title.

(2) Notwithstanding paragraph (b)(1) of this section, appraisal rights under this section shall be available for the shares of any class or series of stock of a constituent corporation if the holders thereof are required by the terms of an agreement of merger or consolidation pursuant to §§ 251, 252, 254, 255, 256, 257, 258, 263 and 264 of this title to accept for such stock anything except:

a. Shares of stock of the corporation surviving or resulting from such merger or consolidation, or depository receipts in respect thereof;

b. Shares of stock of any other corporation, or depository receipts in respect thereof, which shares of stock (or depository receipts in respect thereof) or depository receipts at the effective date of the merger or consolidation will be either listed on a national securities exchange or held of record by more than 2,000 holders;

c. Cash in lieu of fractional shares or fractional depository receipts described in the foregoing paragraphs (b)(2)a. and b. of this section; or

d. Any combination of the shares of stock, depository receipts and cash in lieu of fractional shares or fractional depository receipts described in the foregoing paragraphs (b)(2)a., b. and c. of this section.

(3) In the event all of the stock of a subsidiary Delaware corporation party to a merger effected under § 251(h), § 253 or § 267 of this title is not owned by the parent immediately prior to the merger, appraisal rights shall be available for the shares of the subsidiary Delaware corporation.

(4) In the event of an amendment to a corporation's certificate of incorporation contemplated by § 363(a) of this title, appraisal rights shall be available as contemplated by § 363(b) of this title, and the procedures of this section, including those set forth in subsections (d) and (e) of this section,

C-1

Table of Contents

shall apply as nearly as practicable, with the word “amendment” substituted for the words “merger or consolidation”, and the word “corporation” substituted for the words “constituent corporation” and/or “surviving or resulting corporation”.

Any corporation may provide in its certificate of incorporation that appraisal rights under this section shall be available for the shares of any class or series of its stock as a result of an amendment to its certificate of incorporation, any merger or consolidation in which the corporation is a constituent corporation or the sale of all or substantially all of the assets of the corporation. If the certificate of incorporation contains such a provision, the procedures of this section, including those set forth in subsections (d) and (e) of this section, shall apply as nearly as is practicable.

(d) Appraisal rights shall be perfected as follows:

(1) If a proposed merger or consolidation for which appraisal rights are provided under this section is to be submitted for approval at a meeting of stockholders, the corporation, not less than 20 days prior to the meeting, shall notify each of its stockholders who was such on the record date for notice of such meeting (or such members who received notice in accordance with § 255(c) of this title) with respect to shares for which appraisal rights are available pursuant to subsection (b) or (c) of this section that appraisal rights are available for any or all of the shares of the constituent corporations, and shall include in such notice a copy of this section and, if 1 of the constituent corporations is a nonstock corporation, a copy of § 114 of this title. Each stockholder electing to demand the appraisal of such stockholder’s shares shall deliver to the corporation, before the taking of the vote on the merger or consolidation, a written demand for appraisal of such stockholder’s shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such stockholder’s shares. A proxy or vote against the merger or consolidation shall not constitute such a demand. A stockholder electing to take such action must do so by a separate written demand as herein provided. Within 10 days after the effective date of such merger or consolidation, the surviving or resulting corporation shall notify each stockholder of each constituent corporation who has complied with this subsection and has not voted in favor of or consented to the merger or consolidation of the date that the merger or consolidation has become effective; or

(2) If the merger or consolidation was approved pursuant to § 228, § 251(h), § 253, or § 267 of this title, then either a constituent corporation before the effective date of the merger or consolidation or the surviving or resulting corporation within 10 days thereafter shall notify each of the holders of any class or series of stock of such constituent corporation who are entitled to appraisal rights of the approval of the merger or consolidation and that appraisal rights are available for any or all shares of such class or series of stock of such constituent corporation, and shall include in such notice a copy of this section and, if 1 of the constituent corporations is a nonstock corporation, a copy of § 114 of this title. Such notice may, and, if given on or after the effective date of the merger or consolidation, shall, also notify such stockholders of the effective date of the merger or consolidation. Any stockholder entitled to appraisal rights may, within 20 days after the date of mailing of such notice or, in the case of a merger approved pursuant to § 251(h) of this title, within the later of the consummation of the tender or exchange offer contemplated by § 251(h) of this title and 20 days after the date of mailing of such notice, demand in writing from the surviving or resulting corporation the appraisal of such holder’s shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such holder’s shares. If such notice did not notify stockholders of the effective date of the merger or consolidation, either (i) each such constituent corporation shall send a second notice before the effective date of the merger or consolidation notifying each of the holders of any class or series of stock of such constituent corporation that are entitled to appraisal rights of the effective date of the merger or consolidation or (ii) the surviving or resulting corporation shall send such a second notice to all such holders on or within 10 days after such effective date; provided, however, that if such second notice is sent more than 20 days following the sending of the first notice or, in the case of a merger approved pursuant to § 251(h) of this title, later than the later of the consummation of the tender

or exchange offer contemplated by § 251(h) of this title and 20 days following the sending of the first notice, such second notice need only be sent to each stockholder who is entitled to appraisal rights and who has demanded appraisal of such holder's shares in accordance with this subsection. An affidavit of the secretary or assistant secretary or of the transfer agent of the corporation that is required to give either notice that such notice has been given shall, in the absence of fraud, be prima facie evidence of the facts stated therein. For purposes of determining the stockholders entitled to receive either notice, each constituent corporation may fix, in advance, a record date that shall be not more than 10 days prior to the date the notice is given, provided, that if the notice is given on or after the effective date of the merger or consolidation, the record date shall be such effective date. If no record date is fixed and the notice is given prior to the effective date, the record date shall be the close of business on the day next preceding the day on which the notice is given.

Within 120 days after the effective date of the merger or consolidation, the surviving or resulting corporation or any stockholder who has complied with subsections (a) and (d) of this section hereof and who is otherwise entitled to appraisal rights, may commence an appraisal proceeding by filing a petition in the Court of Chancery demanding a determination of the value of the stock of all such stockholders. Notwithstanding the foregoing, at any time within 60 days after the effective date of the merger or consolidation, any stockholder who has not commenced an appraisal proceeding or joined that proceeding as a named party shall have the right to withdraw such stockholder's demand for appraisal and to accept the terms offered upon the merger or consolidation. Within 120 days after the effective date of the merger or consolidation, any stockholder who has complied with the requirements of subsections (a) and (d) of this section hereof, upon written request, shall be entitled to receive (e) from the corporation surviving the merger or resulting from the consolidation a statement setting forth the aggregate number of shares not voted in favor of the merger or consolidation and with respect to which demands for appraisal have been received and the aggregate number of holders of such shares. Such written statement shall be mailed to the stockholder within 10 days after such stockholder's written request for such a statement is received by the surviving or resulting corporation or within 10 days after expiration of the period for delivery of demands for appraisal under subsection (d) of this section hereof, whichever is later. Notwithstanding subsection (a) of this section, a person who is the beneficial owner of shares of such stock held either in a voting trust or by a nominee on behalf of such person may, in such person's own name, file a petition or request from the corporation the statement described in this subsection.

Upon the filing of any such petition by a stockholder, service of a copy thereof shall be made upon the surviving or resulting corporation, which shall within 20 days after such service file in the office of the Register in Chancery in which the petition was filed a duly verified list containing the names and addresses of all stockholders who have demanded payment for their shares and with whom agreements as to the value of their shares have not been reached by the surviving or resulting corporation. If the petition shall be filed by the surviving or resulting (f) corporation, the petition shall be accompanied by such a duly verified list. The Register in Chancery, if so ordered by the Court, shall give notice of the time and place fixed for the hearing of such petition by registered or certified mail to the surviving or resulting corporation and to the stockholders shown on the list at the addresses therein stated. Such notice shall also be given by 1 or more publications at least 1 week before the day of the hearing, in a newspaper of general circulation published in the City of Wilmington, Delaware or such publication as the Court deems advisable. The forms of the notices by mail and by publication shall be approved by the Court, and the costs thereof shall be borne by the surviving or resulting corporation.

At the hearing on such petition, the Court shall determine the stockholders who have complied with this section and who have become entitled to appraisal rights. The Court may require the stockholders who have demanded an (g) appraisal for their shares and who hold stock represented by certificates to submit their certificates of stock to the Register in Chancery for notation thereon of the pendency of the appraisal proceedings; and if any stockholder fails to comply with such direction, the Court may dismiss the proceedings as to such stockholder.

(h) After the Court determines the stockholders entitled to an appraisal, the appraisal proceeding shall be conducted in accordance with the rules of the Court of Chancery, including any rules specifically

governing appraisal proceedings. Through such proceeding the Court shall determine the fair value of the shares exclusive of any element of value arising from the accomplishment or expectation of the merger or consolidation, together with interest, if any, to be paid upon the amount determined to be the fair value. In determining such fair value, the Court shall take into account all relevant factors. Unless the Court in its discretion determines otherwise for good cause shown, interest from the effective date of the merger through the date of payment of the judgment shall be compounded quarterly and shall accrue at 5% over the Federal Reserve discount rate (including any surcharge) as established from time to time during the period between the effective date of the merger and the date of payment of the judgment. Upon application by the surviving or resulting corporation or by any stockholder entitled to participate in the appraisal proceeding, the Court may, in its discretion, proceed to trial upon the appraisal prior to the final determination of the stockholders entitled to an appraisal. Any stockholder whose name appears on the list filed by the surviving or resulting corporation pursuant to subsection (f) of this section and who has submitted such stockholder's certificates of stock to the Register in Chancery, if such is required, may participate fully in all proceedings until it is finally determined that such stockholder is not entitled to appraisal rights under this section.

The Court shall direct the payment of the fair value of the shares, together with interest, if any, by the surviving or resulting corporation to the stockholders entitled thereto. Payment shall be so made to each such stockholder, in the case of holders of uncertificated stock forthwith, and the case of holders of shares represented by certificates (i) upon the surrender to the corporation of the certificates representing such stock. The Court's decree may be enforced as other decrees in the Court of Chancery may be enforced, whether such surviving or resulting corporation be a corporation of this State or of any state.

The costs of the proceeding may be determined by the Court and taxed upon the parties as the Court deems equitable in the circumstances. Upon application of a stockholder, the Court may order all or a portion of the (j) expenses incurred by any stockholder in connection with the appraisal proceeding, including, without limitation, reasonable attorney's fees and the fees and expenses of experts, to be charged pro rata against the value of all the shares entitled to an appraisal.

From and after the effective date of the merger or consolidation, no stockholder who has demanded appraisal rights as provided in subsection (d) of this section shall be entitled to vote such stock for any purpose or to receive payment of dividends or other distributions on the stock (except dividends or other distributions payable to stockholders of record at a date which is prior to the effective date of the merger or consolidation); provided, however, that if no petition for an appraisal shall be filed within the time provided in subsection (e) of this section, or if such stockholder shall deliver to the surviving or resulting corporation a written withdrawal of such stockholder's demand for an appraisal and an acceptance of the merger or consolidation, either within 60 days after (k) the effective date of the merger or consolidation as provided in subsection (e) of this section or thereafter with the written approval of the corporation, then the right of such stockholder to an appraisal shall cease. Notwithstanding the foregoing, no appraisal proceeding in the Court of Chancery shall be dismissed as to any stockholder without the approval of the Court, and such approval may be conditioned upon such terms as the Court deems just; provided, however that this provision shall not affect the right of any stockholder who has not commenced an appraisal proceeding or joined that proceeding as a named party to withdraw such stockholder's demand for appraisal and to accept the terms offered upon the merger or consolidation within 60 days after the effective date of the merger or consolidation, as set forth in subsection (e) of this section.

The shares of the surviving or resulting corporation to which the shares of such objecting stockholders would have (l) been converted had they assented to the merger or consolidation shall have the status of authorized and unissued shares of the surviving or resulting corporation.
