2 23,55,94 146,208,80 127,127,127 79,129,179 189,78,76 Safe Harbor Statement Certain matters discussed in this presentation may contain forward - looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 . Forward - looking statements are not statements of historical fact and often include the words “believes,” “expects,” “anticipates,” “estimates,” “forecasts,” “intends,” “plans,” “targets,” “potentially,” “probably,” “projects,” “outlook” expressions or future or conditional verbs such as “may,” “will,” “should,” “would” and “could .” Forward - looking statements include statements with respect to our beliefs, plans, objectives, goals, expectations, assumptions and statements about future performance . These forward - looking statements are subject to known and unknown risks, uncertainties and other factors that could cause our actual results to differ materially from the results anticipated, including, but not limited to : general economic conditions, either nationally or in our market area, that are worse than expected ; the credit risks of lending activities, including changes in the level and trend of loan delinquencies and write offs and changes in our allowance for loan losses and provision for loan losses that may be impacted by deterioration in the housing and commercial real estate markets ; secondary marketing conditions and our ability to sell loans into the secondary market ; fluctuations in the demand for loans, the number of unsold homes, land and other properties and fluctuations in real estate values in our market area ; increases in premiums for deposit insurance ; the use of estimates in determining fair value of certain of our assets, which estimates may prove to be incorrect and result in significant declines in valuation ; changes in the interest rate environment that reduce our interest margins or reduce the fair value of financial instruments ; increased competitive pressures among financial services companies ; our ability to execute our plans to grow our residential construction lending, our mortgage banking operations and our warehouse lending and the geographic expansion of our indirect home improvement lending ; our ability to attract and retain deposits ; our ability to control operating costs and expenses ; changes in consumer spending, borrowing and savings habits ; our ability to successfully manage our growth ; legislative or regulatory changes that adversely affect our business or increase capital requirements, including changes related to Basel III ; the effect of the Dodd - Frank Wall Street Reform and Consumer Protection Act and implementing regulations, changes in regulation policies and principles, or the interpretation of regulatory capital or other rules ; adverse changes in the securities markets ; changes in accounting policies and practices, as may be adopted by the bank regulatory agencies, the Public Company Accounting Oversight Board or the Financial Accounting Standards Board ; costs and effects of litigation, including settlements and judgments and inability of key third - party vendors to perform their obligations to us . Additional information concerning certain of these risk and uncertainties are described in FS Bancorp, Inc . ’s quarterly, annual and other reports filed with the SEC . Any of the forward - looking statements that we make in this presentation and in the other public statements we make are based upon management’s beliefs and assumptions at the time they are made . We undertake no obligation to publicly update or revise any forward - looking statements included in this presentation or to update the reasons why actual results could differ from those contained in such statements, whether as a result of new information, future events or otherwise . We caution readers not to place undue reliance on any forward - looking statements . We do not undertake and specifically disclaim any obligation to revise any forward - looking statements to reflect the occurrence of anticipated or unanticipated events or circumstances after the date of such statements . These risks could cause our actual results for fiscal 2017 and beyond to differ materially from those expressed in any forward - looking statements by, or on behalf of us, and could negatively affect the Company’s operations and stock price performance . Additional Disclaimers This presentation shall not constitute an offer to sell or a solicitation of an offer to purchase securities, and shall not constitute an offer, solicitation or sale in any state or jurisdiction in which or to any person to whom such an offer, solicitation or sale would be unlawful . Industry Data This presentation also contains industry data, forecasts and other information that we obtained from industry publications and surveys, public filings and internal company sources . Statements as to our ranking, market position and market estimates are based on independent industry publications, government publications, third - party forecasts and management’s estimates and assumptions about our markets and our internal research . While we are not aware of any misstatements regarding our market, industry or similar data presented herein, such data involve risks and uncertainties and are subject to change based on various factors .
