Item 7.01 Regulation FD Disclosure.

GNC Holdings, Inc. (the “Company,” “we,” and “our”) will make a presentation at the Buckingham 2018 Consumer Conference on December 6, 2018. The Company frequently provides relevant information to its investors through the posting of such information on its website, [www.gnc.com](http://www.gnc.com). A copy of the presentation materials has been made available on the Company’s website under the Investor Relations page.

The foregoing information is furnished pursuant to Item 7.01 of Form 8-K and shall not be deemed to be “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that Section, nor shall it be deemed to be incorporated by reference in any filing under the Securities Act, except as may be expressly set forth by specific reference in such filing.

Forward-Looking Statements

The presentation includes forward-looking statements within the meaning of Federal securities laws. Forward-looking statements include statements that may relate to our plans, objectives, goals, strategies, future events, future revenues or performance, capital expenditure, financing needs and other information that is not historical information. Forward-looking statements can often be identified by the use of terminology such as “subject to,” “believe,” “anticipate,” “plan,” “potential,” “predict,” “expect,” “intend,” “estimate,” “project,” “may,” “will,” “should,” “would,” “continue,” “seek,” the negatives thereof, variations thereon and similar expressions, or by discussions of our strategy. All forward-looking statements, including, without limitation, our examination of historical operating trends, are based upon our current expectations and various assumptions. We believe there is a reasonable basis for our expectations and beliefs, but they are inherently uncertain. We may not realize our expectations, and our beliefs may not prove correct. A detailed discussion of risks and uncertainties that could cause actual results and events to differ materially from such forward-looking statements is included in the section titled “Risk Factors” in our 2017 Form 10-K. Consequently, forward-looking statements should be regarded solely as our current plans, estimates and beliefs. Undue reliance should not be placed on forward-looking statements. We cannot guarantee future results, events, levels of activity, performance or achievements. The forward-looking statements included in the presentation are made as of the date hereof. We do not undertake and specifically decline any obligation to update, republish or revise forward-looking statements to reflect future events or circumstances or to reflect the occurrence of unanticipated events.

This document and the presentation will not constitute an offer to sell or the solicitation of an offer to buy any securities, nor will there be any sale of securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of any such jurisdiction.
